A black and white comic panel showing a man in a suit and tie grabbing a woman by the waist from behind. The woman is leaning forward over a desk, looking distressed. A speech bubble from the man contains vulgar and celebratory language. A sound effect 'ch-chunk!' is written near the man's hand. Another sound effect 'TTTTTIP!' is near a potted plant on the desk. A copyright notice '© THE DRAWINGPALACE' is centered below the man's speech bubble.
