"Good morning ladies, I'm very pleased to meet you..."

"Leave me alone!!!"

"What are you doing, you bastards?"

"You're cargo, now ladies, and cargo is kept under deck!"

"This way, Sir..."

"I hope for your sake the merchandise is as good as you say!"

www.BDSMartwork.com

"You will not be disappointed, Sir, judge for yourself. Prime merchandise: Two young sisters recently captured. European stock... You'll see, they're incredible beautiful and very well built..."

"What are you waiting for, dick-head? Open the fucking door!"
"I can't Sir, they're going to be auctioned tomorrow."
"I have twenty sheckles here that say you will open the door!"

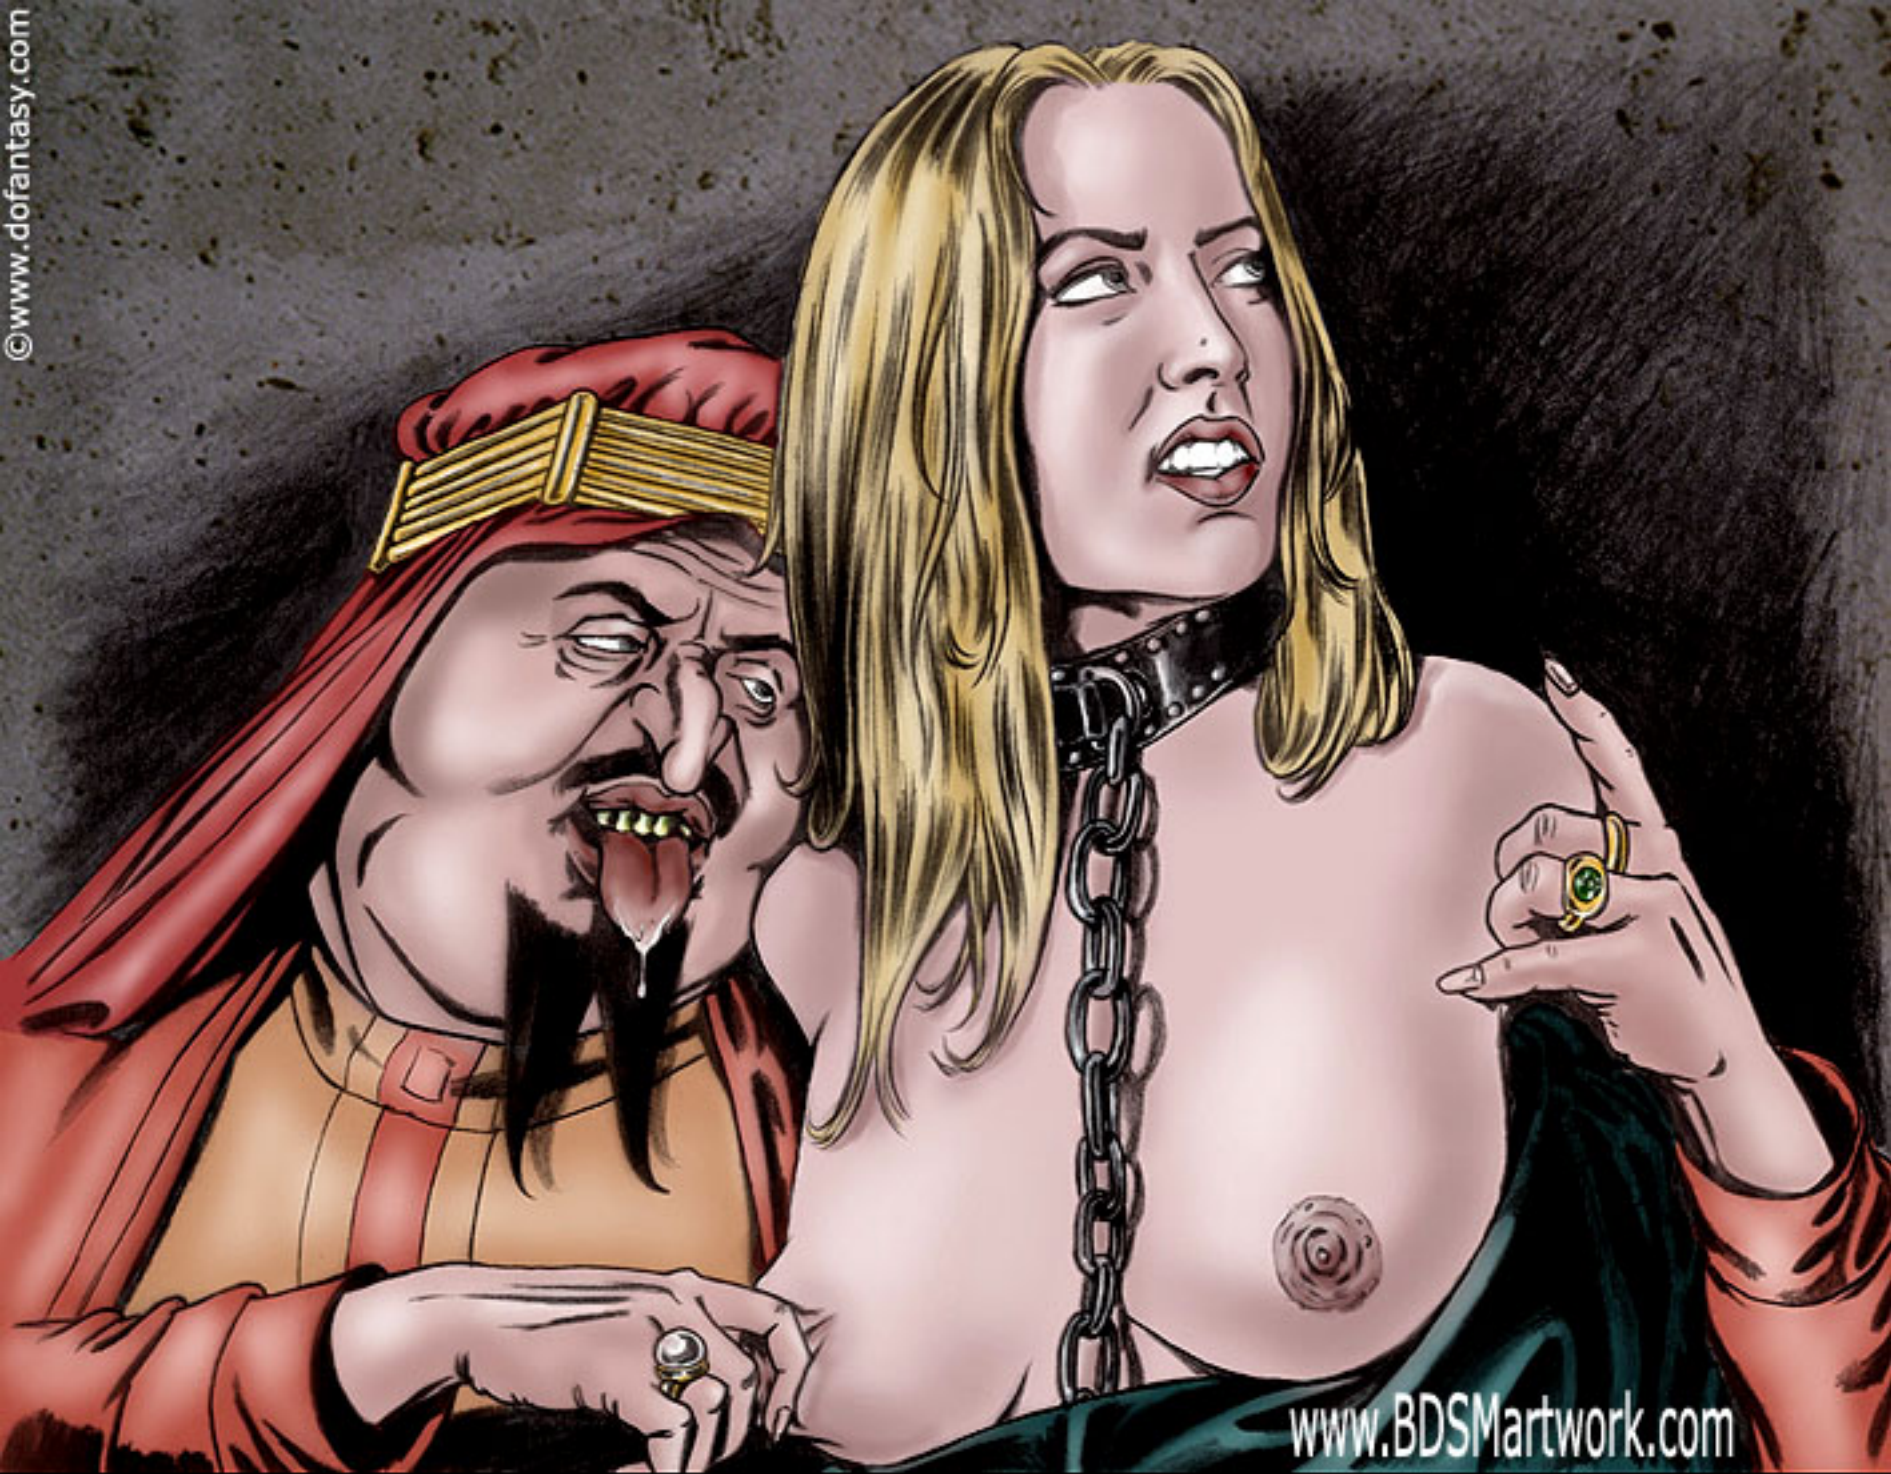

"Twenty sheckles make fine music, sir... Wake up, Ladies. You've got a visitor!"
"Helloooo! What do you think of me, white bitches? Wanna be my sex slaves? I know I'm not handsome but I'm a wealthy man! And I know what young bitches like you need to be happy!"

www.BDSMartwork.com

"Oh, yes... this one is lovely, so blonde... and her skin is like goat's milk. Her tits are full and creamy... there is much happiness in a mouth full of big white christian tits..."
"Get your hands off me, you greasy slob... I'm a woman, a Lady, not a slave."

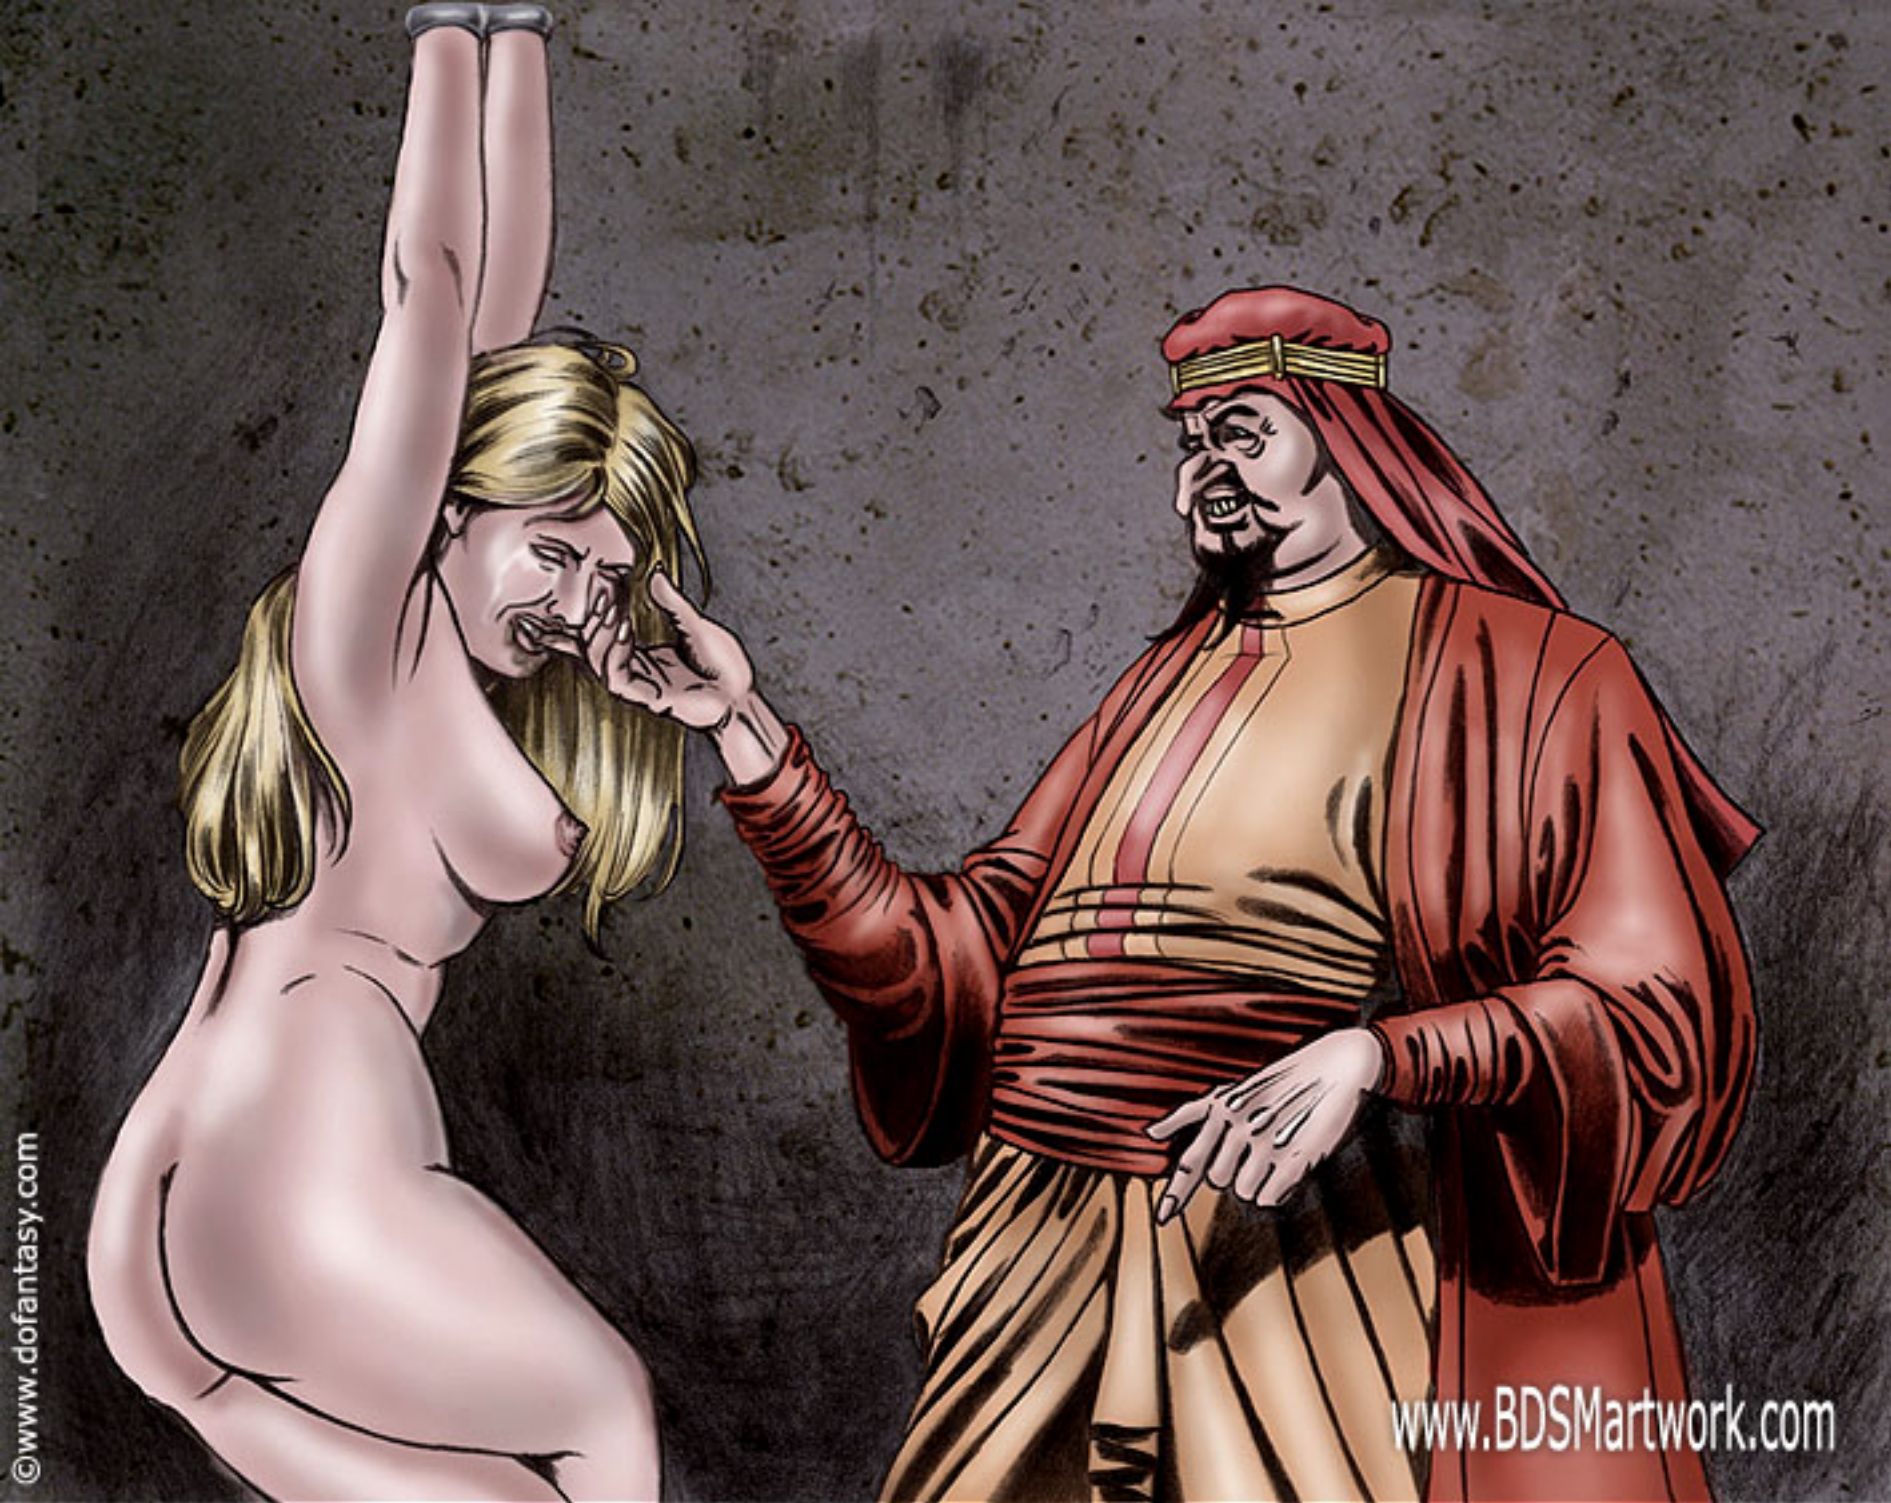

www.BDSMartwork.com

"Hmmm.... I see the Lady has sensitive nipples. She will respond well to a good flogging on the naked breasts. I'm going to buy you, Lady, and then I will teach you your place..."
"I will never surrender my body to you. And you can get your fat, greasy hands off me! And fuck off! You stink!"

www.BDSMartwork.com

"The dark one is beautiful too, sir, and has strong thighs that will grip a man hard..."

"Oh yes, the sister has a cute little wrinkly hole too. I'll take her as well. I only use my christian slaves in the brown hole. And in the mouth, but only to clean me after use... Ha! ha! ha! Rise the slut's wrists, dealer. I wanna take a closer look at those white treasures!"

www.BDSMartwork.com

"I'll take this slut too. I'll have to stretch her butthole so I can give it her good and hard up the back. Your master 's gettin' too old to bust thru cute wrinkly little holes like yours, kid!"

www.BDSMartwork.com

Next morning at the auction.

"Starting price for that pair of black tits, two hundred sheckels, gentlemen! It's a bargain. It works out at a hundred a tit. We'll throw the cunt and asshole in free!"

The price rises...

"OK, OK! Five hundred for that nigger. I want her clit off though, and for the same price! And put her in a packing case."

"Right away, yes sir. thank you sir!"

"And now, ladies and gentlemen, we have a very unusual pair of recently abducted whites. Neither of them have ever had a master. Real ladies, high class Europeans, blue blooded. Step up and have a good look, have a feel too, young white skin, firm breasts.. one of them's a blonde, and they're both virgins, never been used."

"Look at those tits!"

"Yeah... and look at that yellow patch over the sluts cunt!"

"Oh... I always dreamed to own one of those!"

"Pity for you, 'cause I'm gonna buy both of them and lock them in my Harem!"

www.BDSMartwork.com

©www.dofantasy.com

"Hey, open your eyes and smile, young lady! One of them is gonna be your Master and you don't want to disappoint him from the very beginning, do you?"

"Yeah... they'd like to see your faces smile as well as your cunts! Ha! ha! ha!"

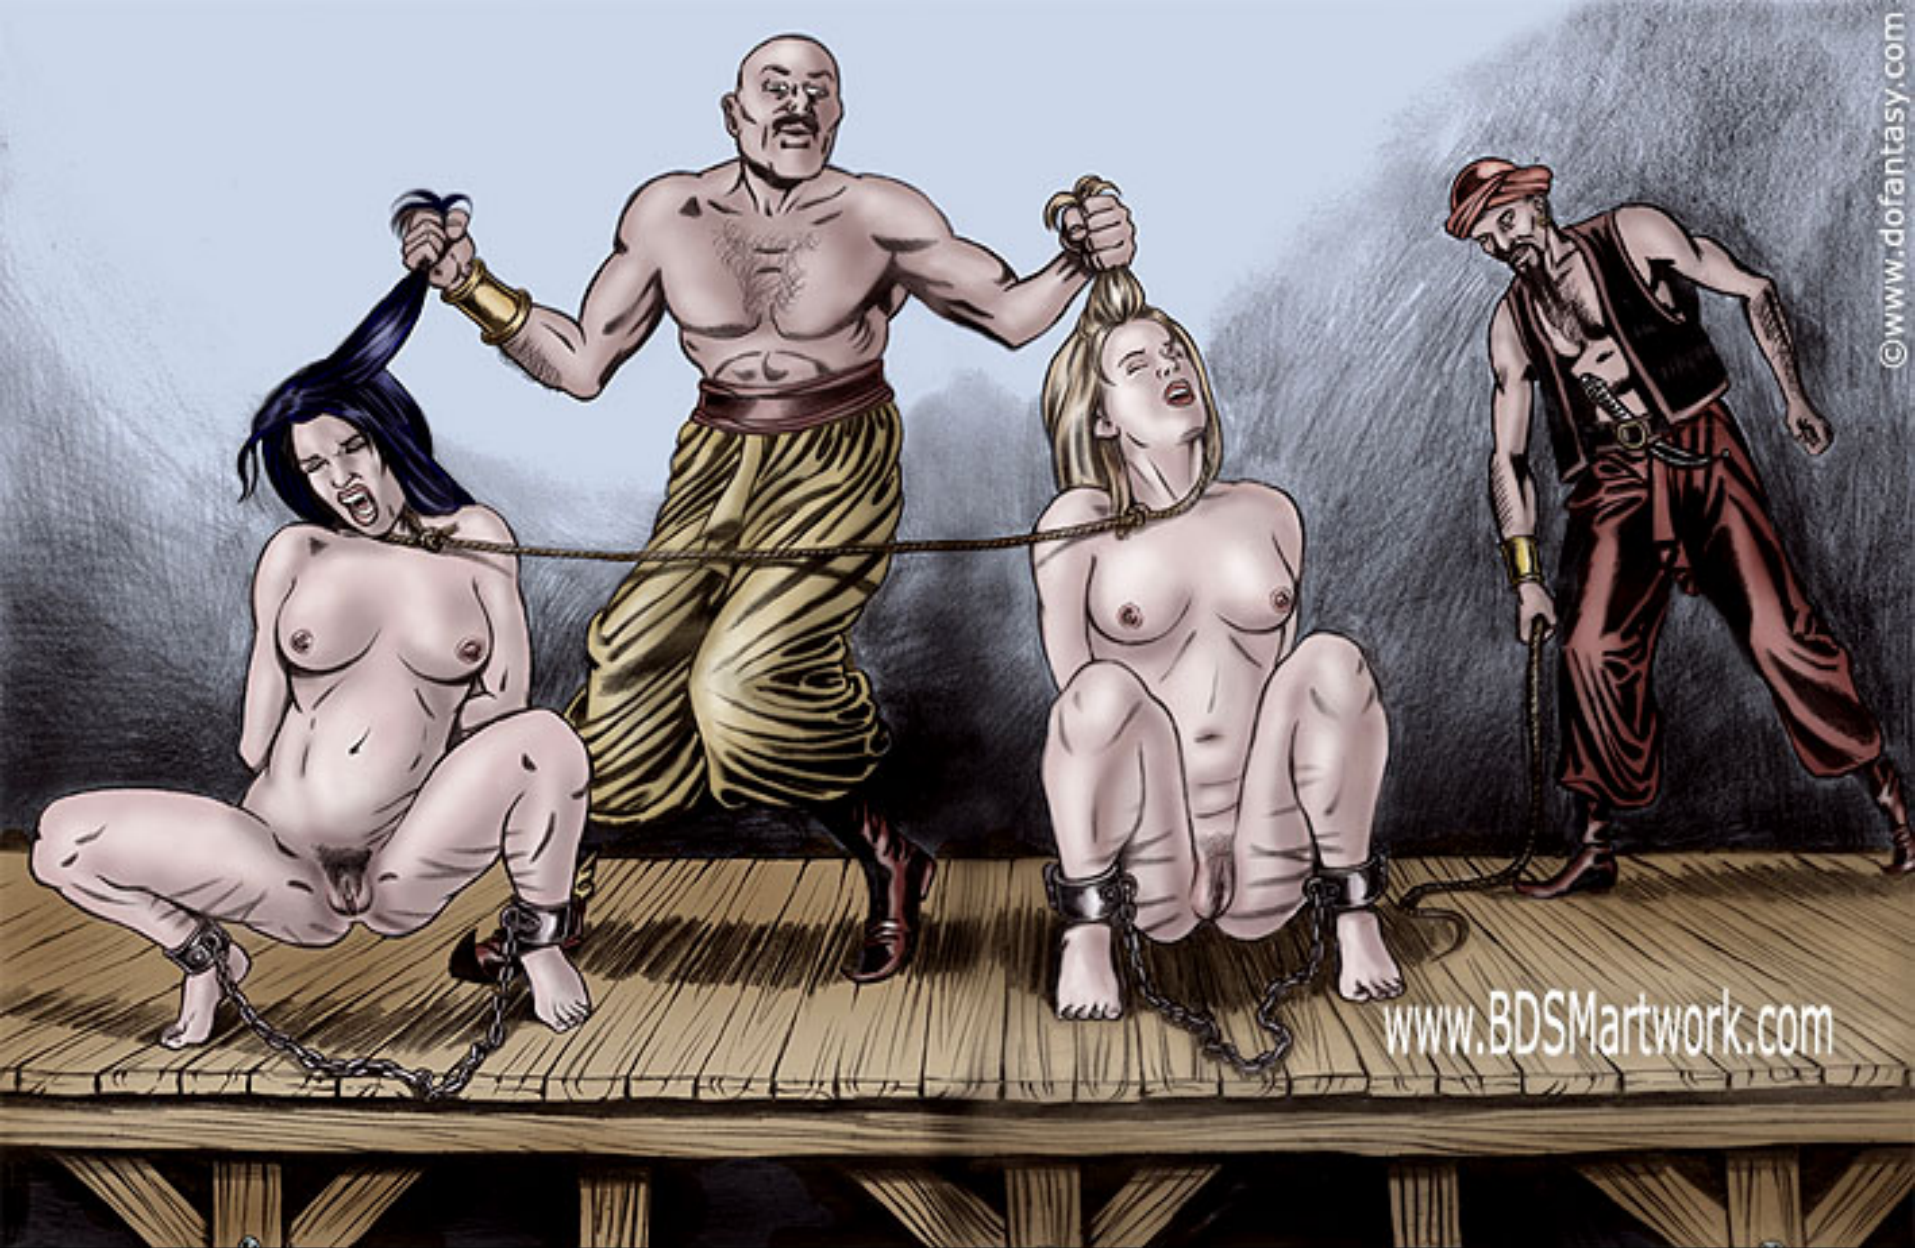

www.BDSMartwork.com

©www.dofantasy.com

"A blonde cunt, it's true!"

"Christians as well! Like dogs. Dirty. You can do what you like with them!"

"Five thousand for the pair!"

www.BDSMartwork.com

"Do I hear five thousand? C'mon, crouch, slaves! Look at these cunts gentlemen, You can be under these, being ridden for such lovely slaves? You're gonna be the first to get in there!"

©www.dofantasy.com

www.BDSMartwork.com

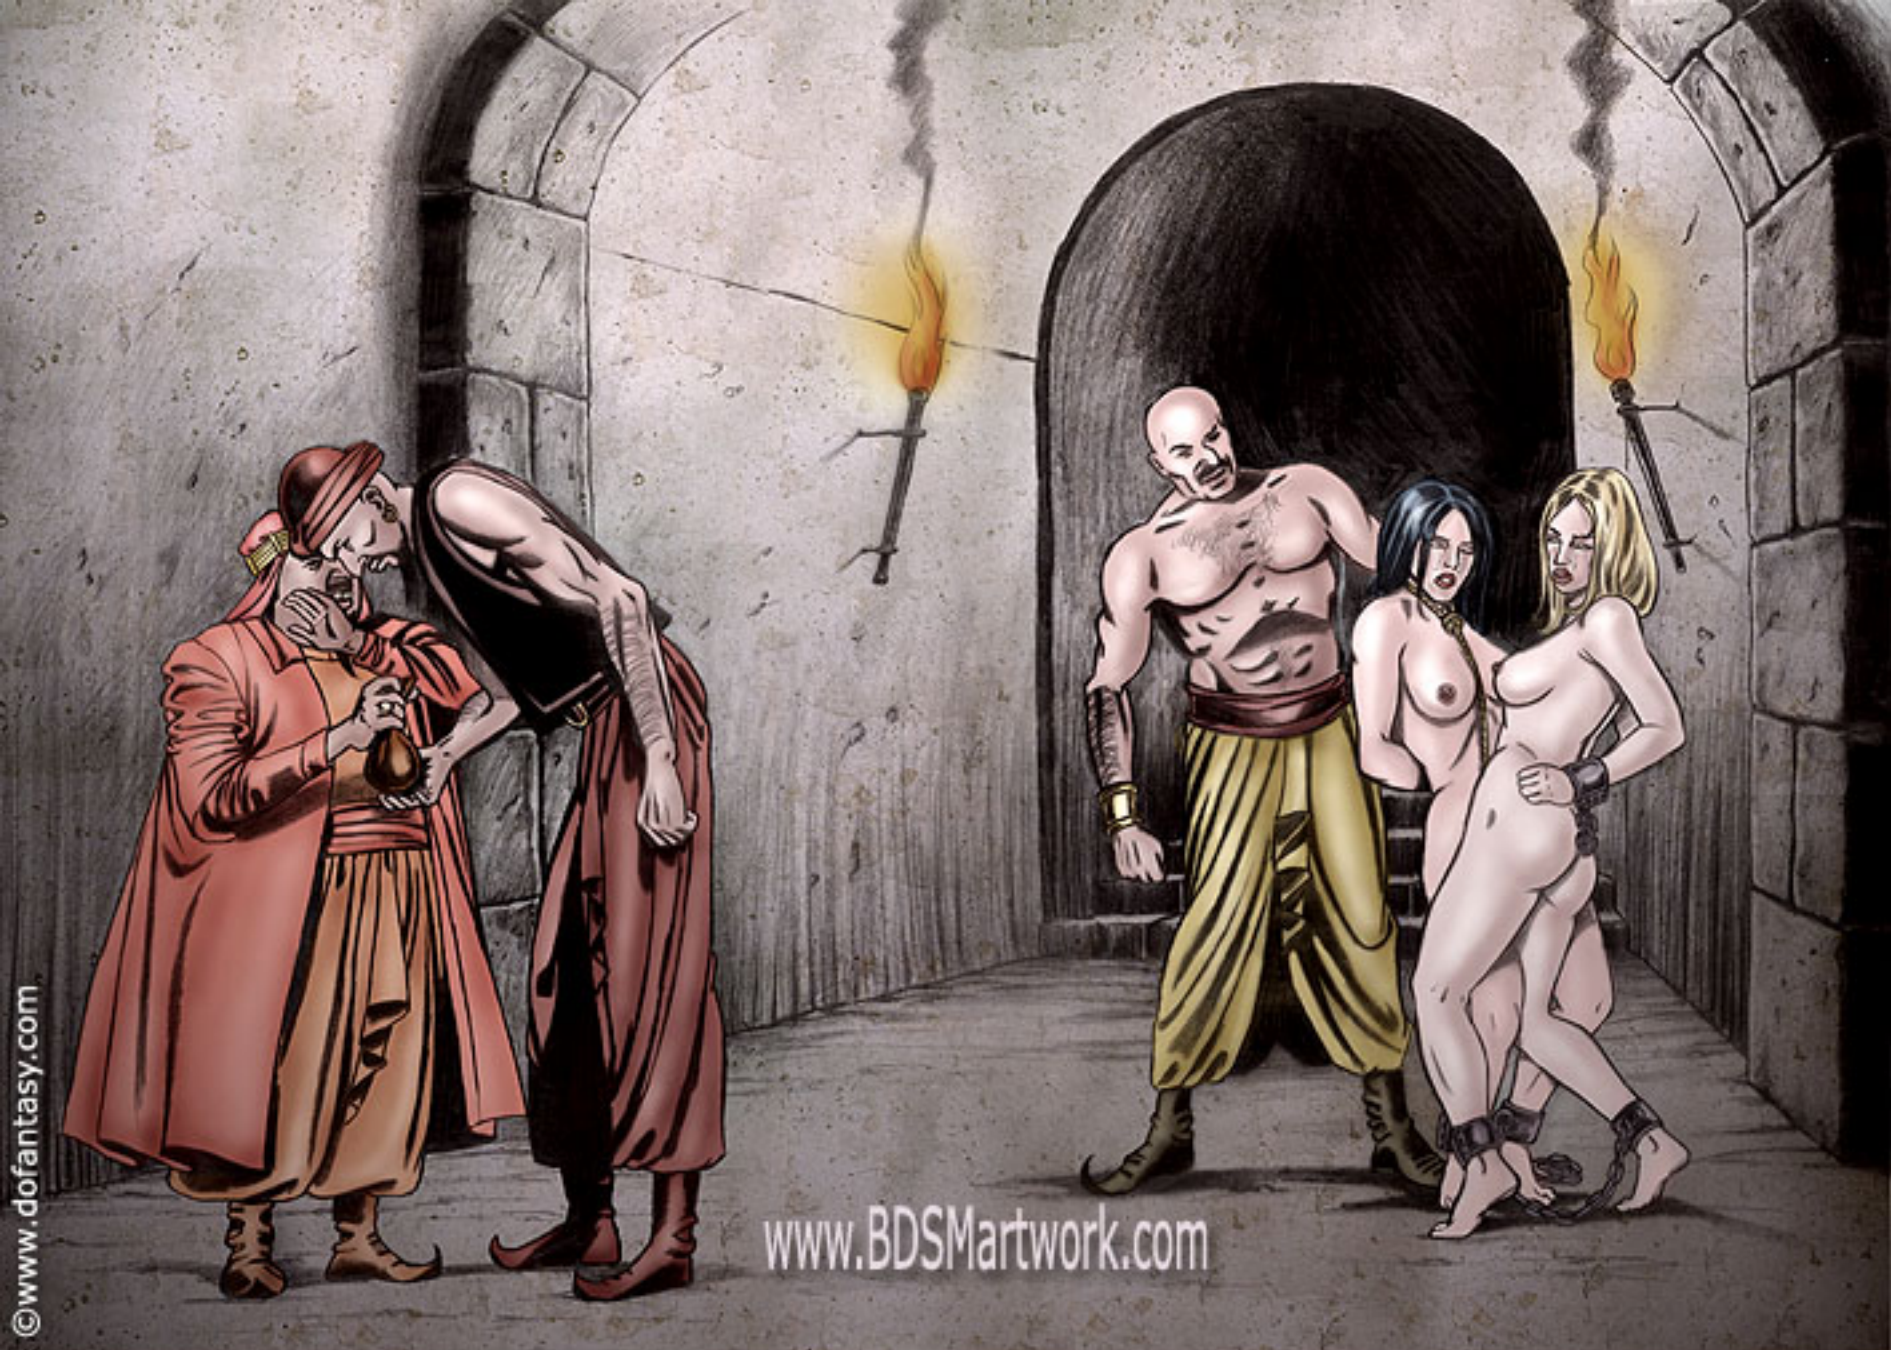

"See what i mean? Wet and dripping all down their legs! Virgins, but hot virgins, a good combination!"
"Yes, this is what I call a tight slit! You can forgive a pair of cunts like that for being so Christian..."
"Can't believe they're still virgins! Are Christians stupid?"
"No... they're all gays, Ha! Ha! Ha!"

www.BDSMartwork.com

©www.dofantasy.com

"Walk slaves! Swing those asses and show the gentlemen here how sexy you can move!"
"Bah! What do I want to see them walk for? I'll break their ankles so they can't escape."
"He's wasting his time, it is useless, nobody is gonna pay more than 5000! The white pigs are mine Ha! Ha! Ha!"

"C'mon girls, you've been sold to this gentlemen. You belong to him, and he can do whatever he likes with you. So better be good girls and don't give him trouble! And don't be so sad, he's a rich man... You'll work in bed, not in the fields, ha! ha! ha!"
"Gag them with the big prick gags, you know... the long, sticky ones with that horrible taste. I want them to know what's in store for them from the very first instant!"

©www.dofantasy.com

www.BDSMartwork.com

"Open this pretty mouth wide slave. Your master wants you gagged"
"C'mon it isn't that big and it doesn't taste that bad. Your master wants you to get some practice..."

"Better get used to it, Christian dog. Suck dick is a must do for pretty slave girl!"
"Oh, yeah... cry like a child, your tears taste good! C'mon, relax and don't get nervous or you'll choke yourself. You've to learn to breath with all the job inside!"

"Yes, my pretty slaves, I love my old cock kissed, licked and sucked by my slavegirls. As I do like to have my arsehole tongued and worshiped. Yeah... you'll have plenty of fat Arab dick and arsehole, I tell you! Christians dogs are made to eat shit!"

"Tie the muzzles tight. Christian dogs bite"

Hours later

"Like my Palace, slaves. Better you do 'cause you're gonna end your fucking live here!"

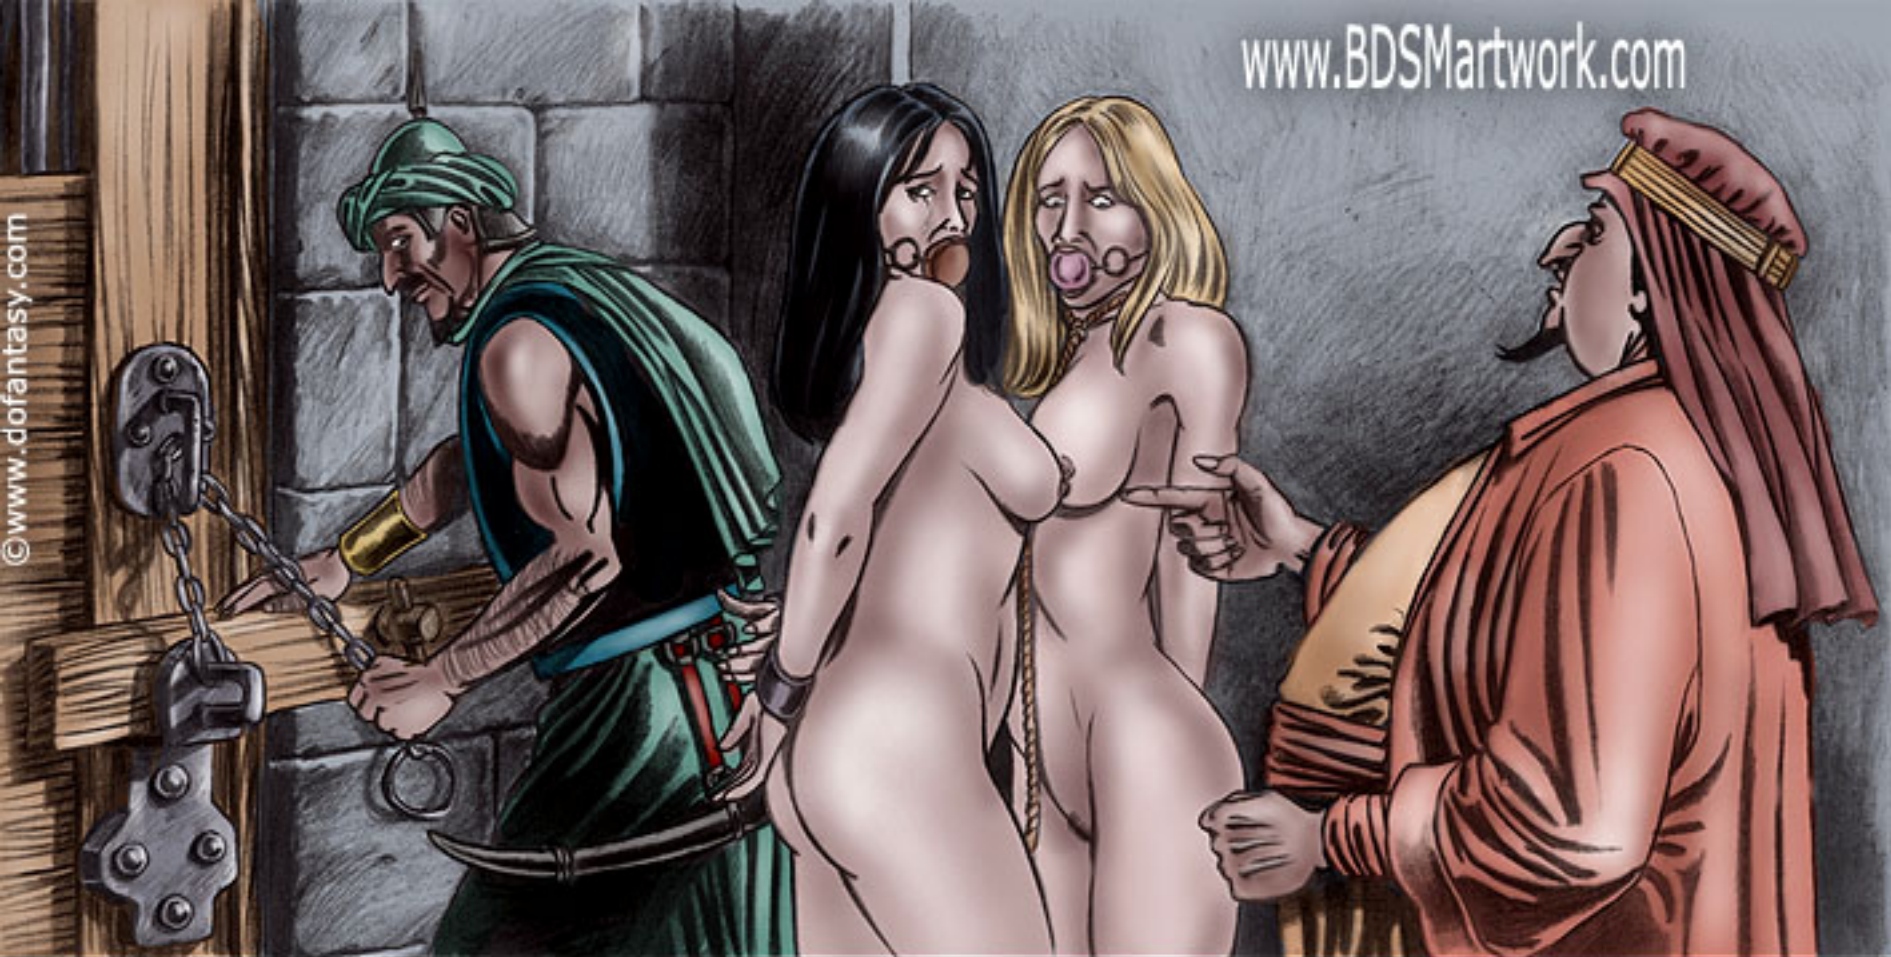

"C'mon, come in. I'll show my dungeons. Sorry but I can't rape you now but there are certain formalities before I bust your cunts. I'll have you branded and ringed before. Yeah... we're going to have a lot of fun together! I've paid five thousand for you both and you're going to pay me back each single cent!"

©www.dofantasy.com

www.BDSMartwork.com

"Yes... Abderraman Al-Sahid brands and rings all his animals, bitches too...."

"A slave with chains on her tits and on her nose is a docile slave, believe me. The slightest tug, and the angriest beast becomes the meekest of lambs... an excellent touch, you will agree, and very aesthetic..."

www.BDSMartwork.com

"Welcome to your new home... you'll be here for some time before i shut you in the harem with the rest of my concubines... We'll have a great time here, I promise!!!"

©www.dofantasy.com

www.BDSMartwork.com

Go ahead, jailer, they're all yours... you know my tastes, i think. Ha! ha! ha!

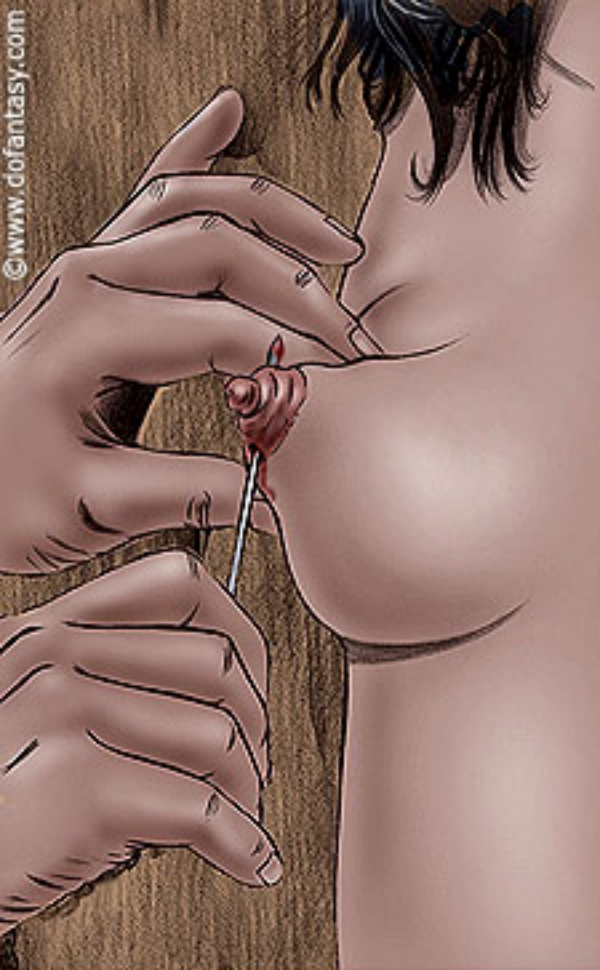

www.BDSMartwork.com

"Shall I start with the blonde, Your Excellency?"
"No, work on the brunette first. Chain the blonde bitch to the stocks so she gets a front-row view..."
"Shall I remove the gags, Your Excellency?"
"Mmmm... yeah, remove this one. I want to hear you scream and beg for mercy, my little slave..."

www.BDSMartwork.com

"We use a sharp needle on our own kind. It's less painful. We use a red-hot meat hook on christian slaves. It digs in and cauterizes the flesh, and it hurts like hell!
"No... please... don't mutilate me... For Christ's sake, don't ... NOOOOO!!!"
"Shut up, infidel, and spread those creamy thighs for your Master's rings..."

©www.dofantasy.com

www.BDSMartwork.com

"You've got a lovely pair of suck-tubes, slave... They'll look lovely with rings on them..."

"AAAARGGGGGHHHHHHHHH... PLEASSSSSSSEEEEEEE... NOOOO!!!"

www.BDSMartwork.com

"You see, Christian bitch? It's as easy as that. Look at the nail, it's still hot, ready to pierce you again..."
"Wait, jailer, first put the rings on her tits. Now you're no more than ringed cattle, slave... Al-Sahid's cattle!"

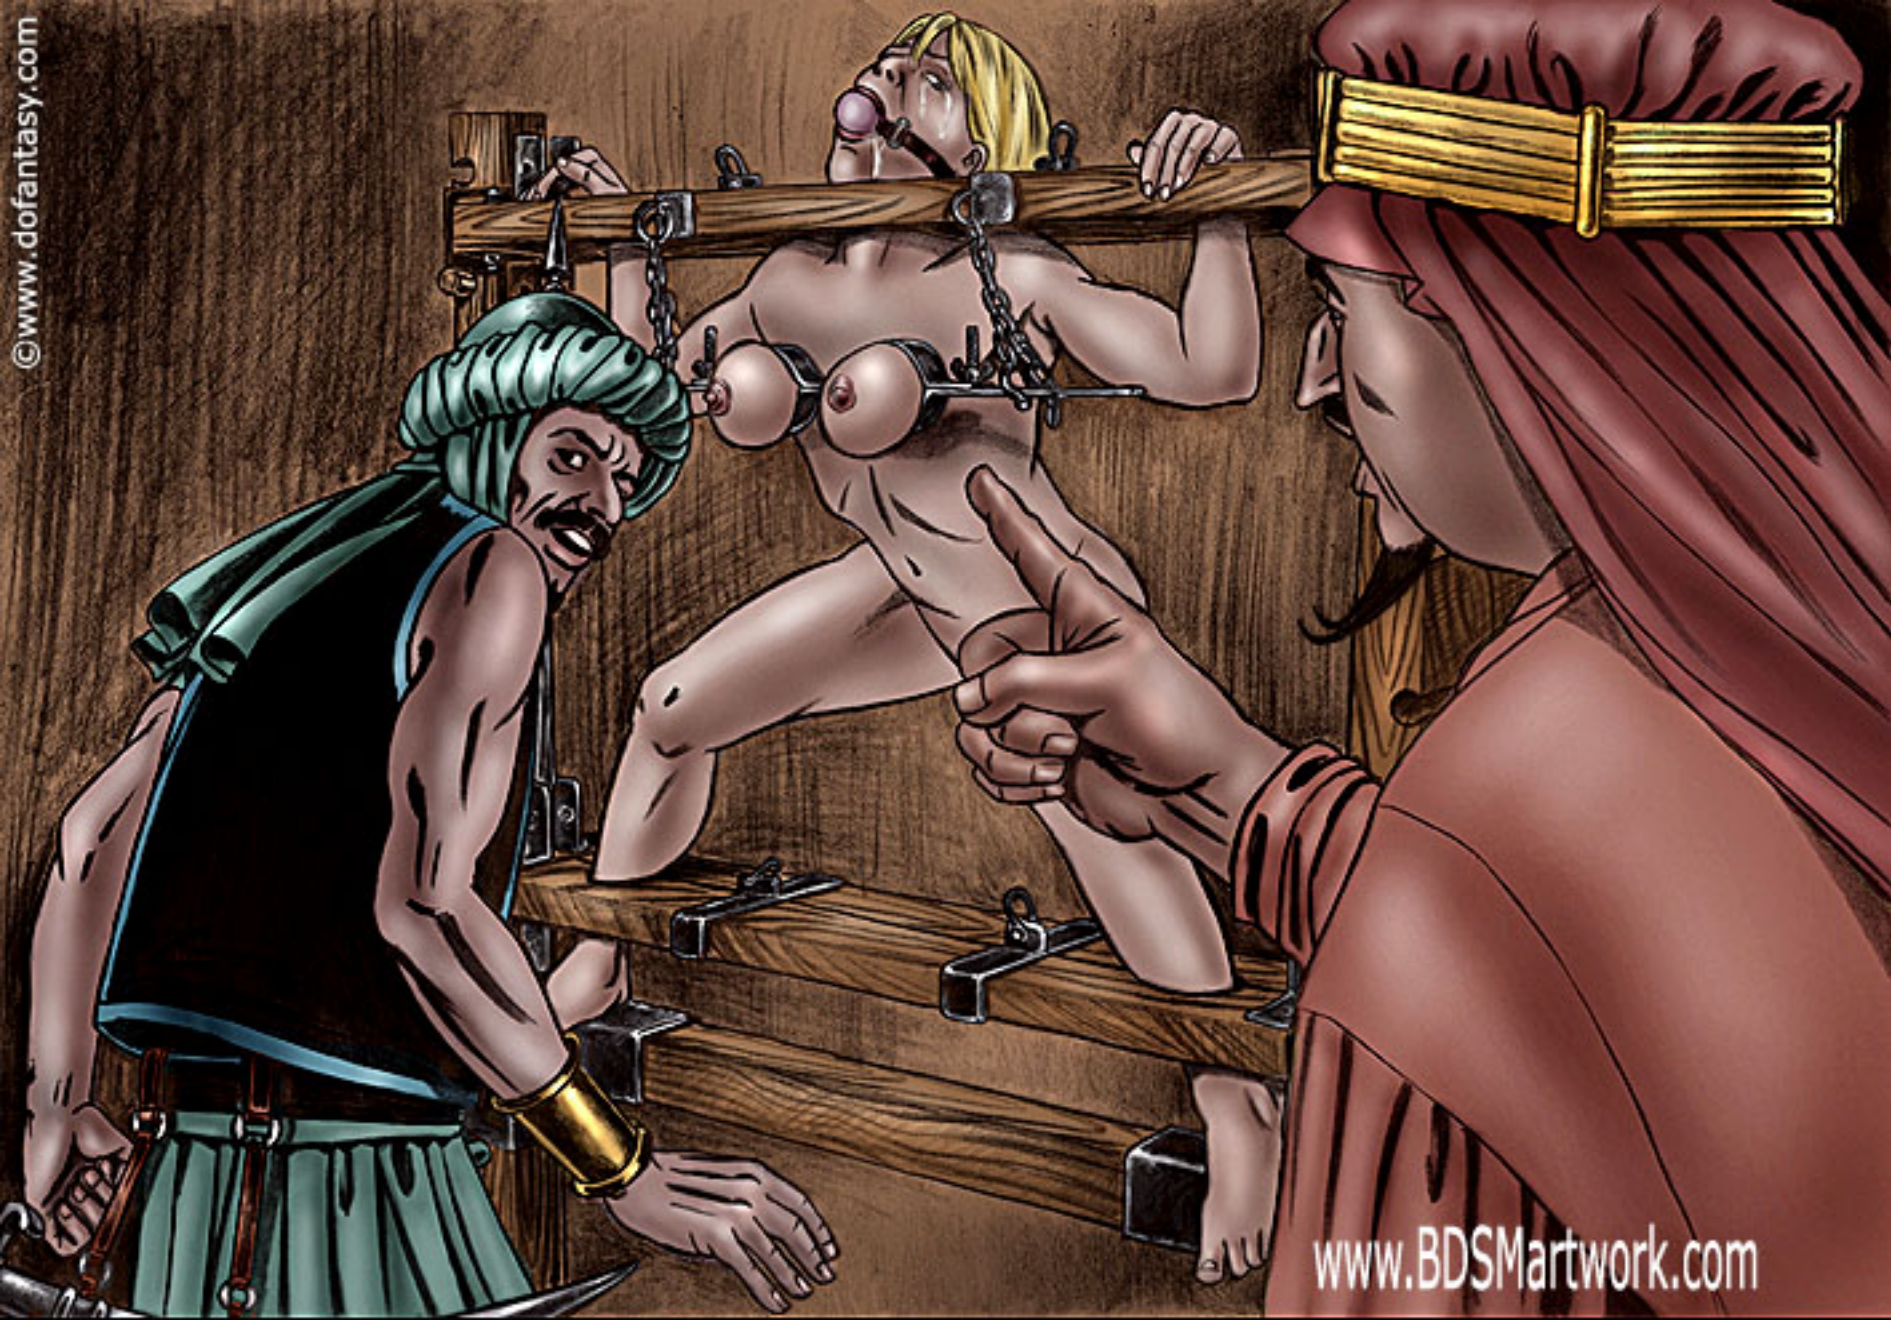

www.BDSMartwork.com

"I suppose my slave can guess where the new ring goes. Jailer, tell the Christian bitch where it goes."
"With pleasure, Your Excellency. It goes on that sensitive little spot that only you infidel females preserve..."
"No, please, stop... you'll kill me!!!"

"You'll be even more sensitive with this on, slave... and more obedient. Ha! ha! ha!"

"AAAARGGGGGHHHHHHHHH... NOOOOOOOOOOOOOOOO...!!!

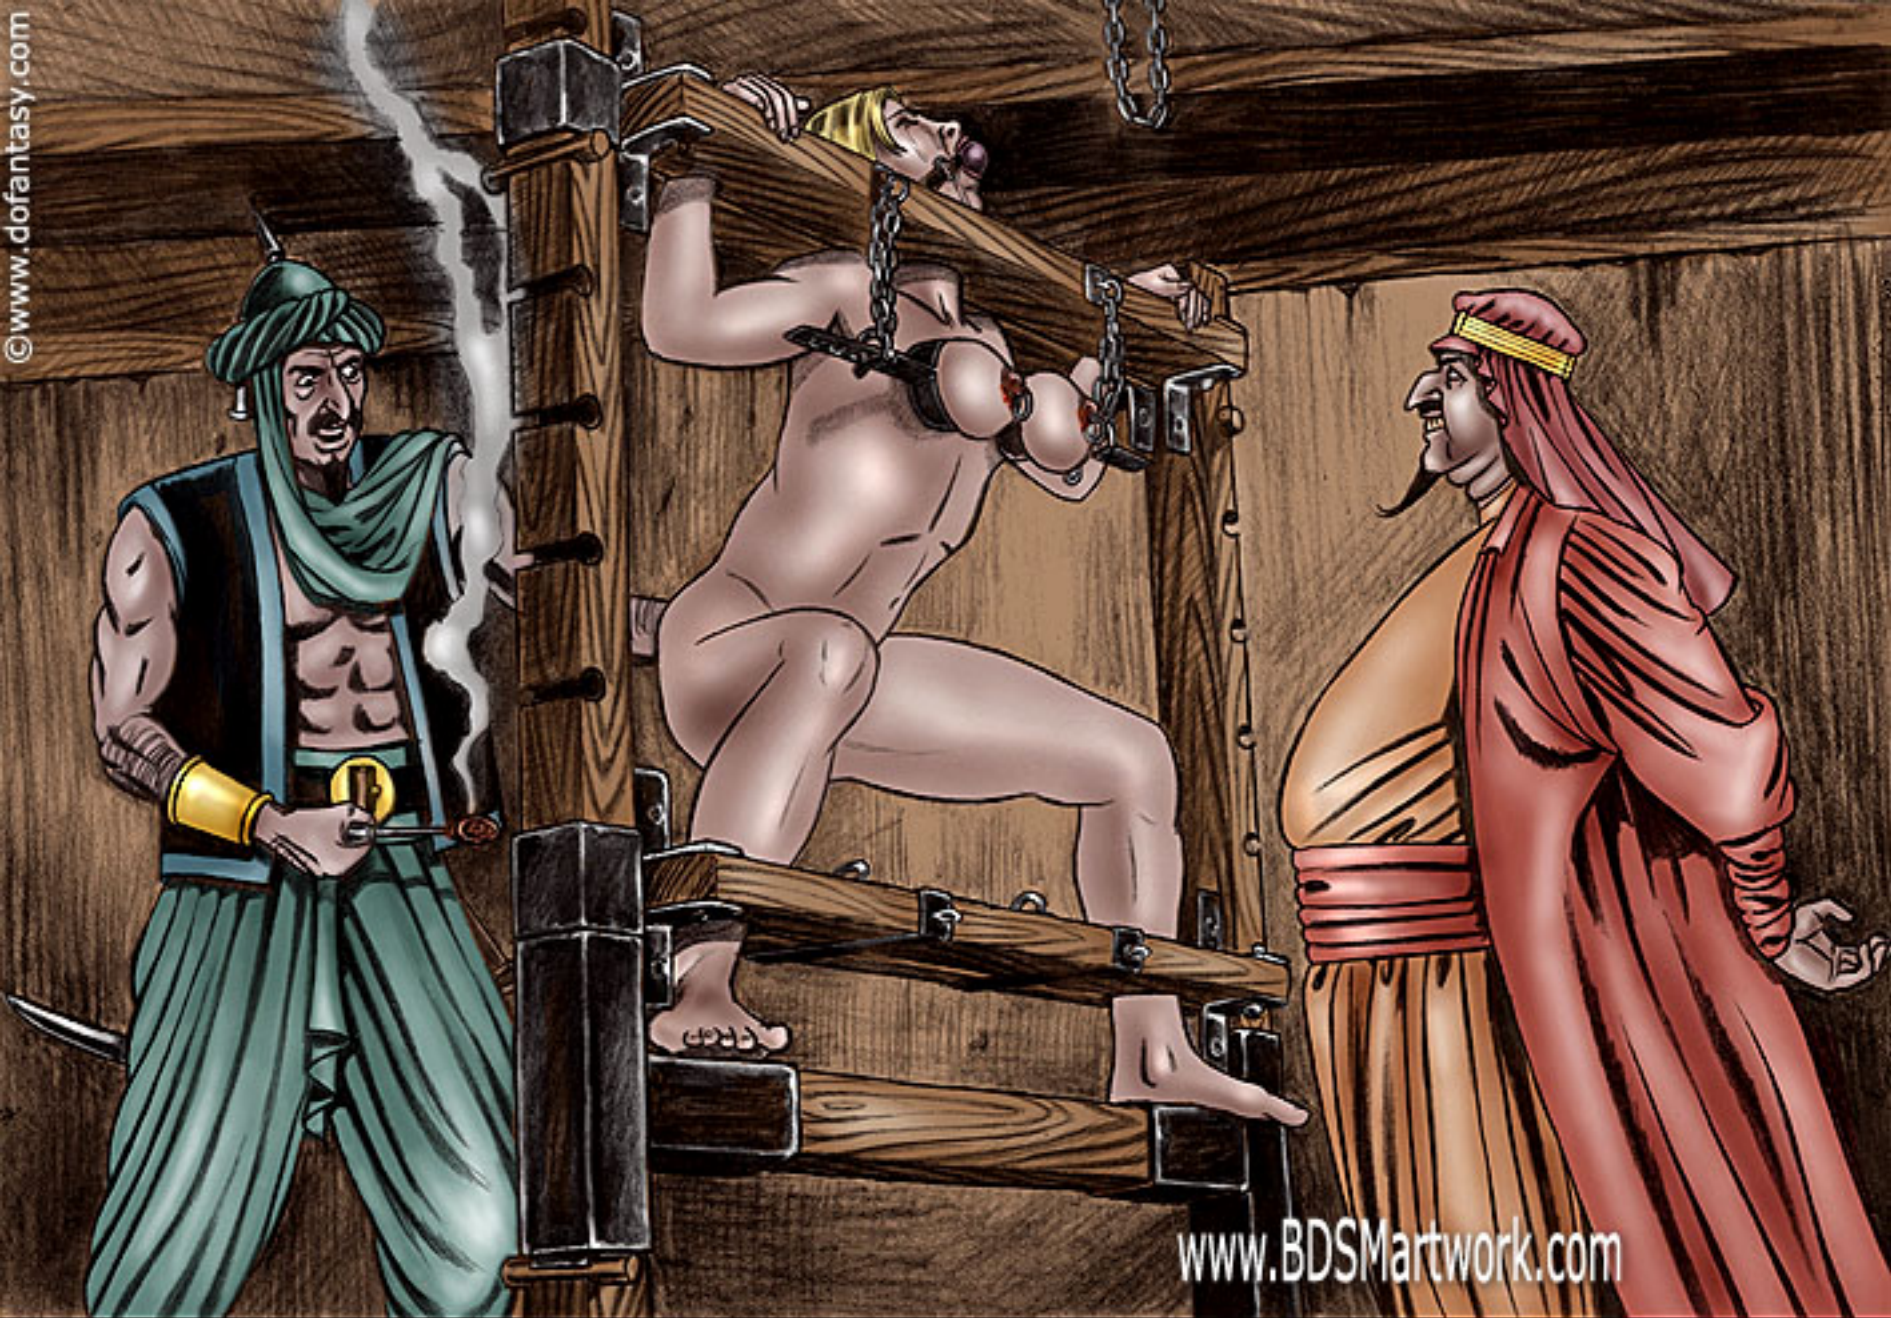

www.BDSMartwork.com

"Now get working on our beloved blonde slave... do her nips first. Take a deep breath, you blonde slut! I'm going to ring you as I did to your sister. And as blonde slaves are a rare commodity around here, I'll brand you like a cow too. Don't want to get you lost, do we?"

www.BDSMartwork.com

"Take it slowly, jailer. Let the slut feel the meat hook going into the flesh..."
"MMMMMMMMMMMMMM...MMMMMMMMM...!!!!"

©www.dofantasy.com

www.BDSMartwork.com

"Now for the branding, christian slut! Al-Sahid's personal brand! Al-Sahid only uses the assholes that belong to him... Proceed, jailer!"

"NNNNNNNNNNNN...NNNNNNNNNNNNNNNNNNNN...!!!

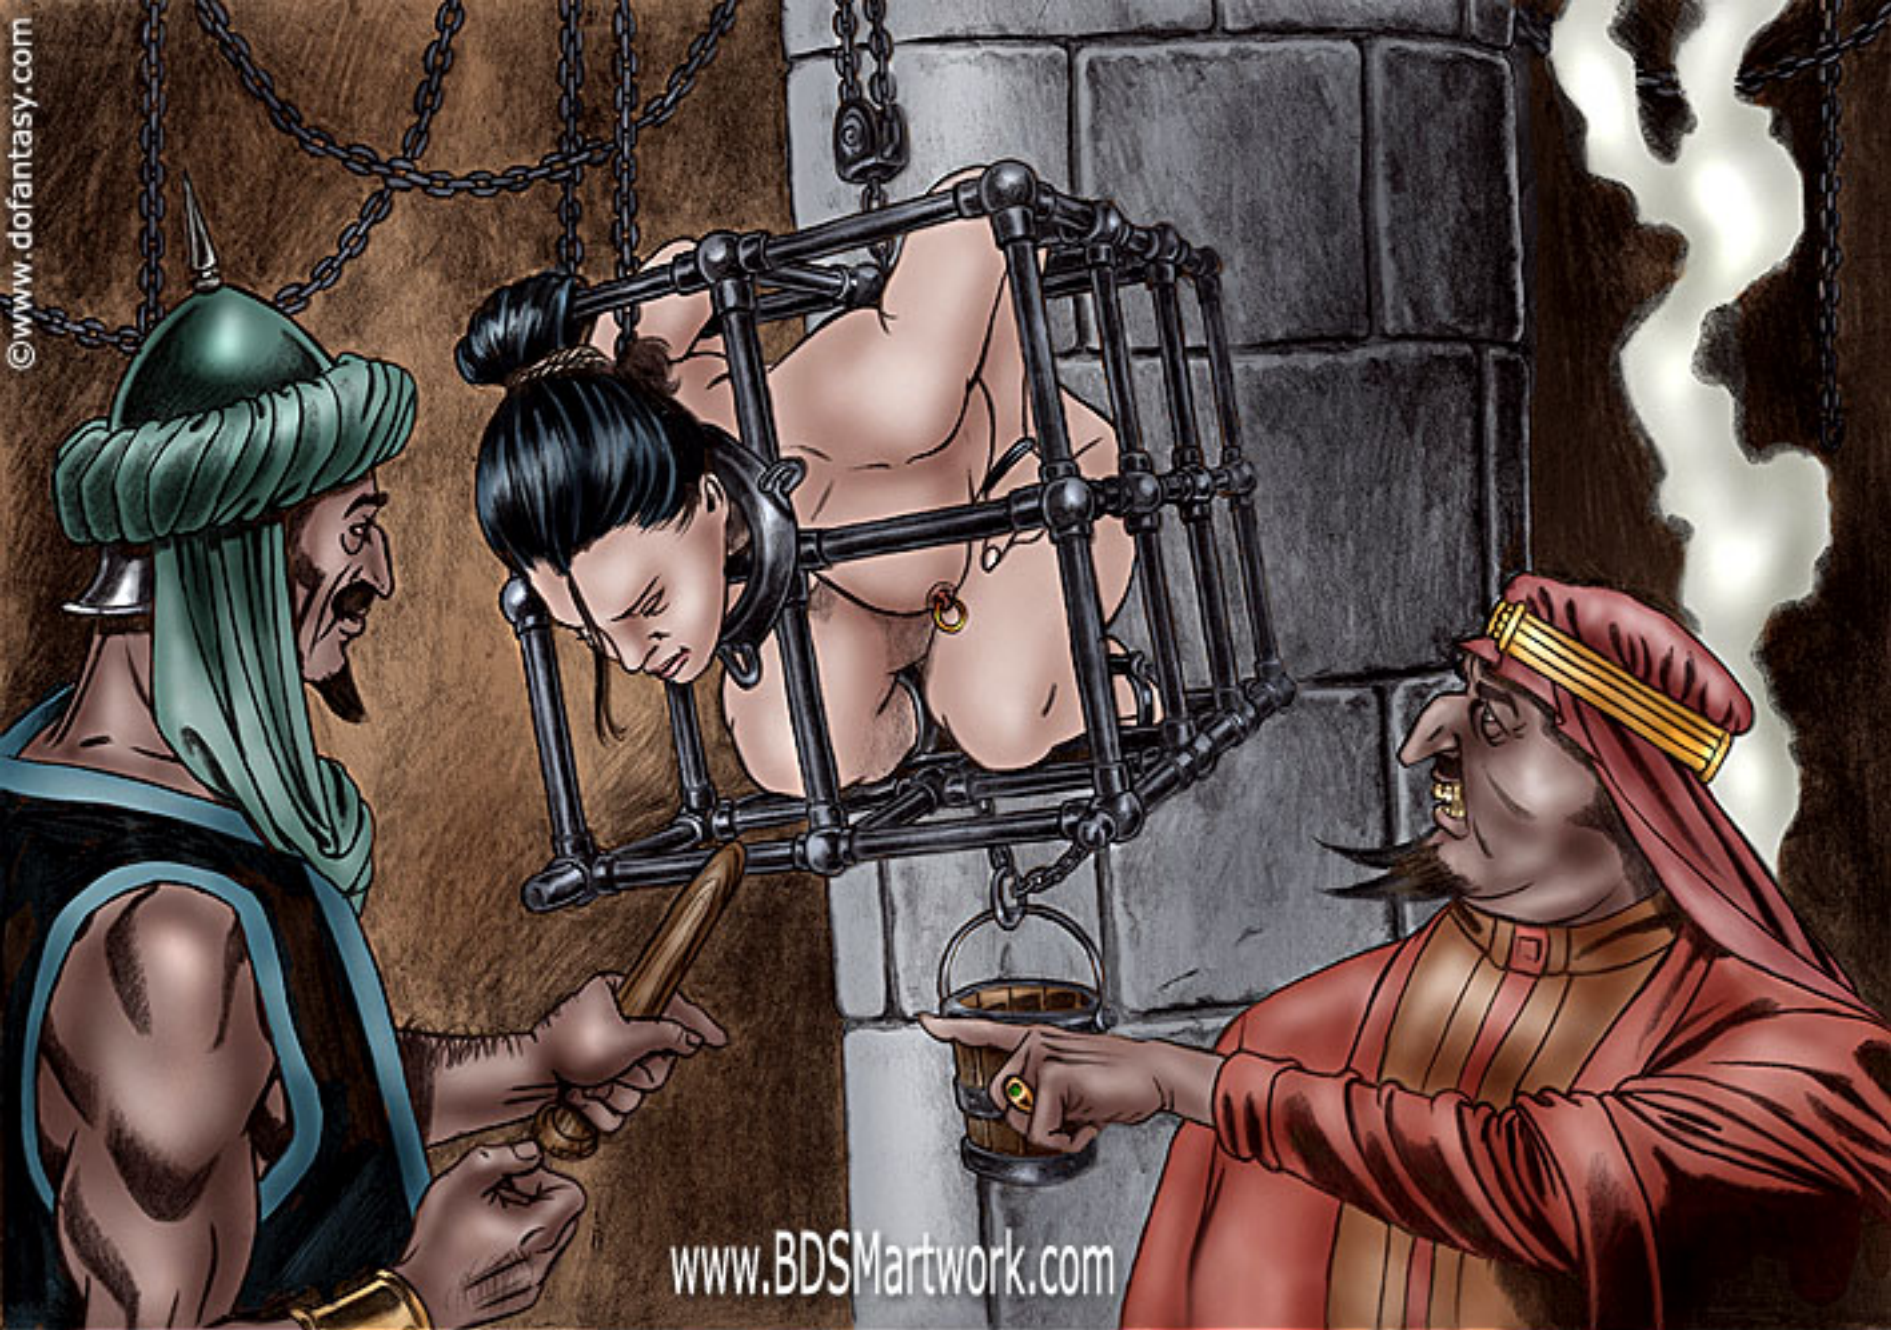

"How does my English Lady feel being branded like mere cattle? Ha! Ha! ha!"

©www.dofantasy.com

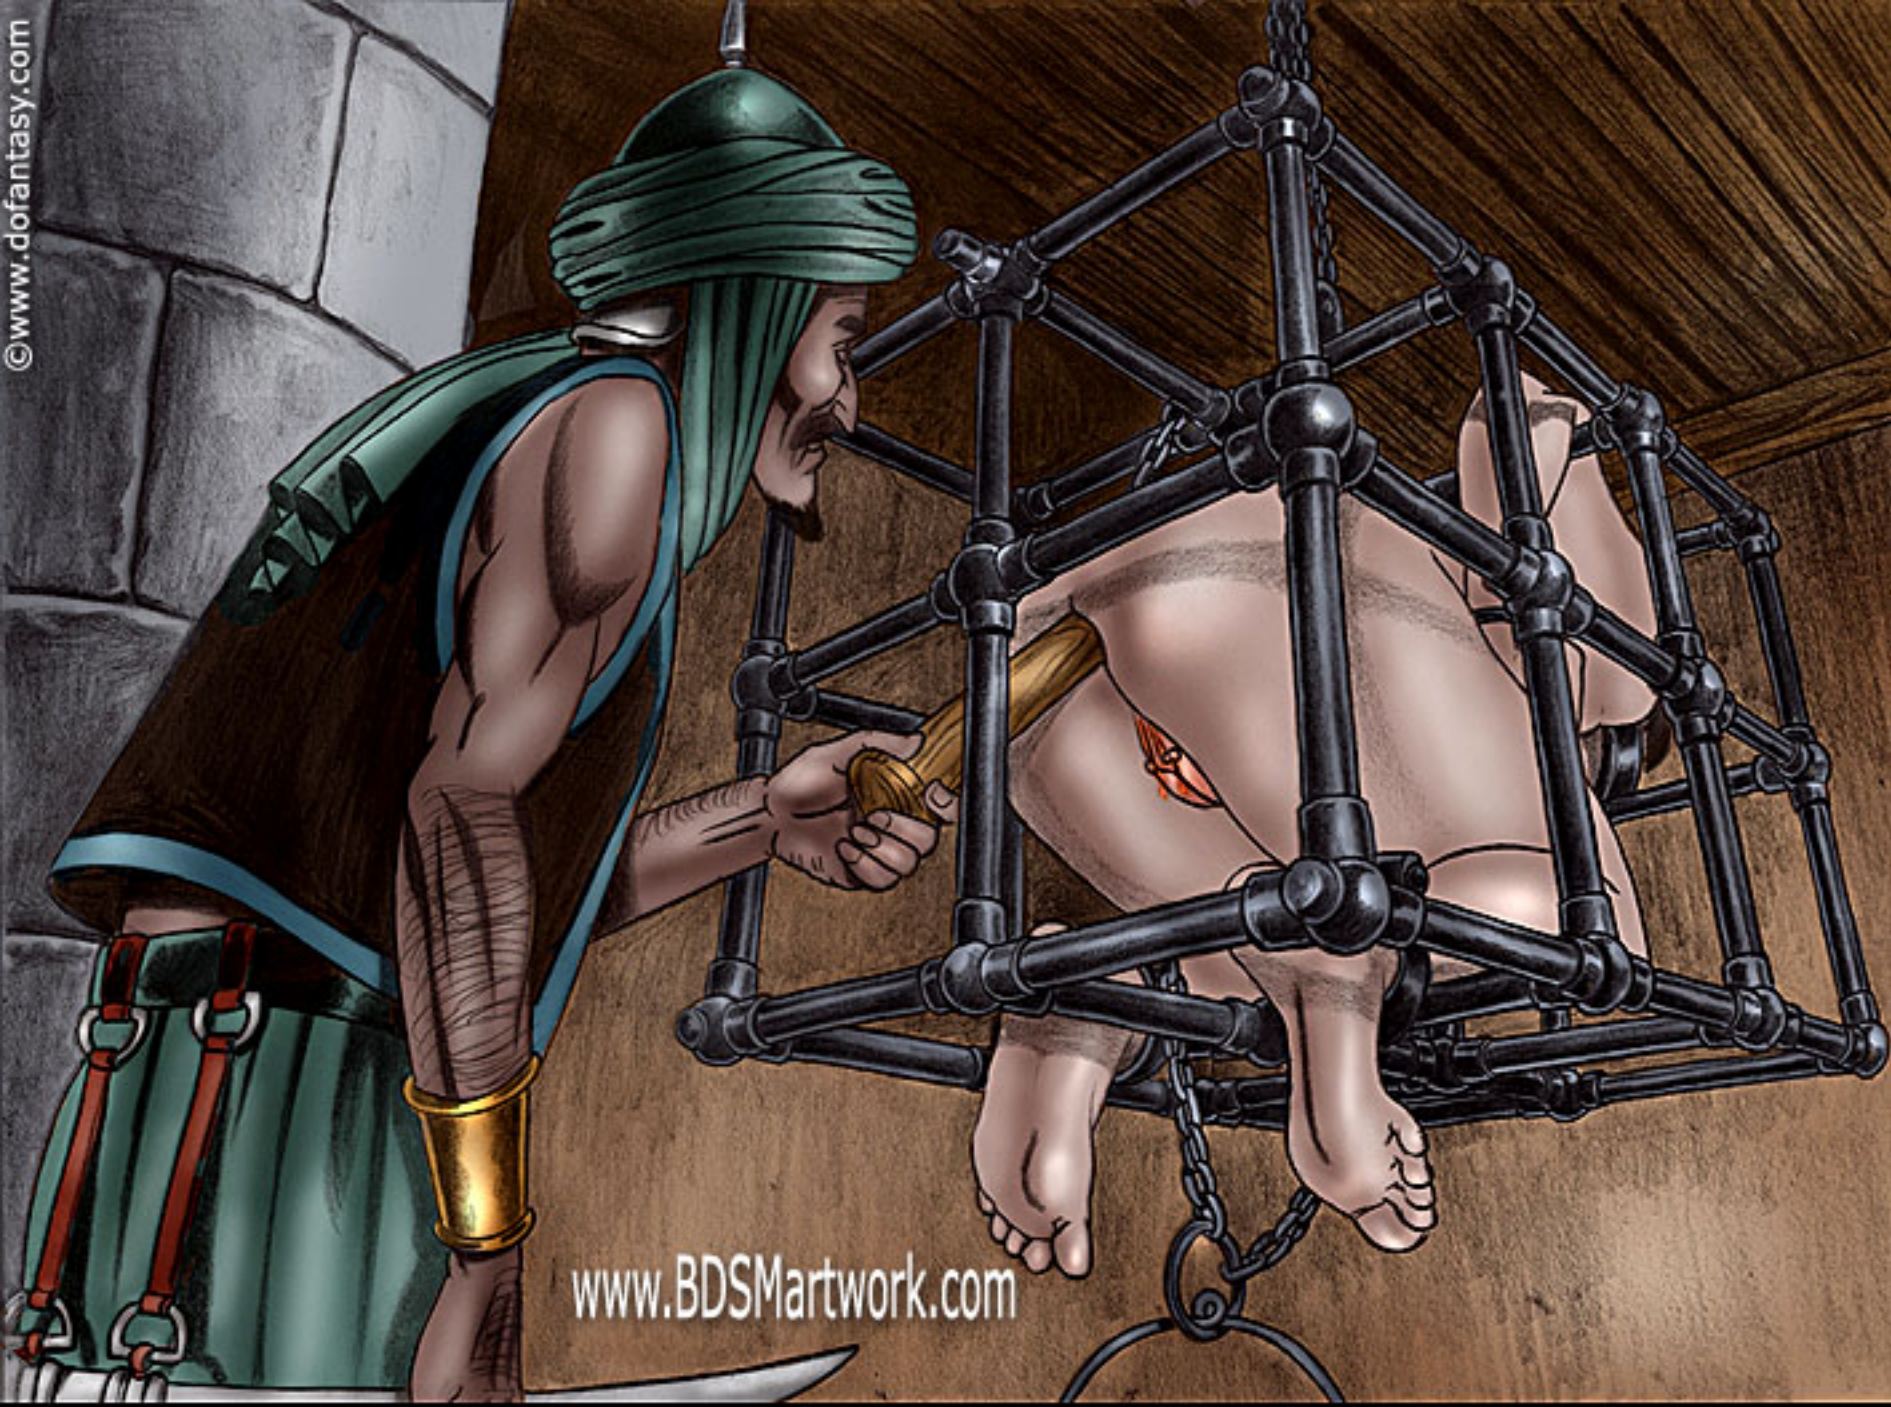

"ARGGGGGGHHHH!!! UGGGGGGGHHHHHHHH!!!

"Mmmm... it smells like roast lamb! 'Haps one day, when I get tired of using you, I'll have one of those big tits roasted for dinner. Of course you'll have a portion too, slave... not the nip, of course, that exquisite morsel is reserved for your Master!"

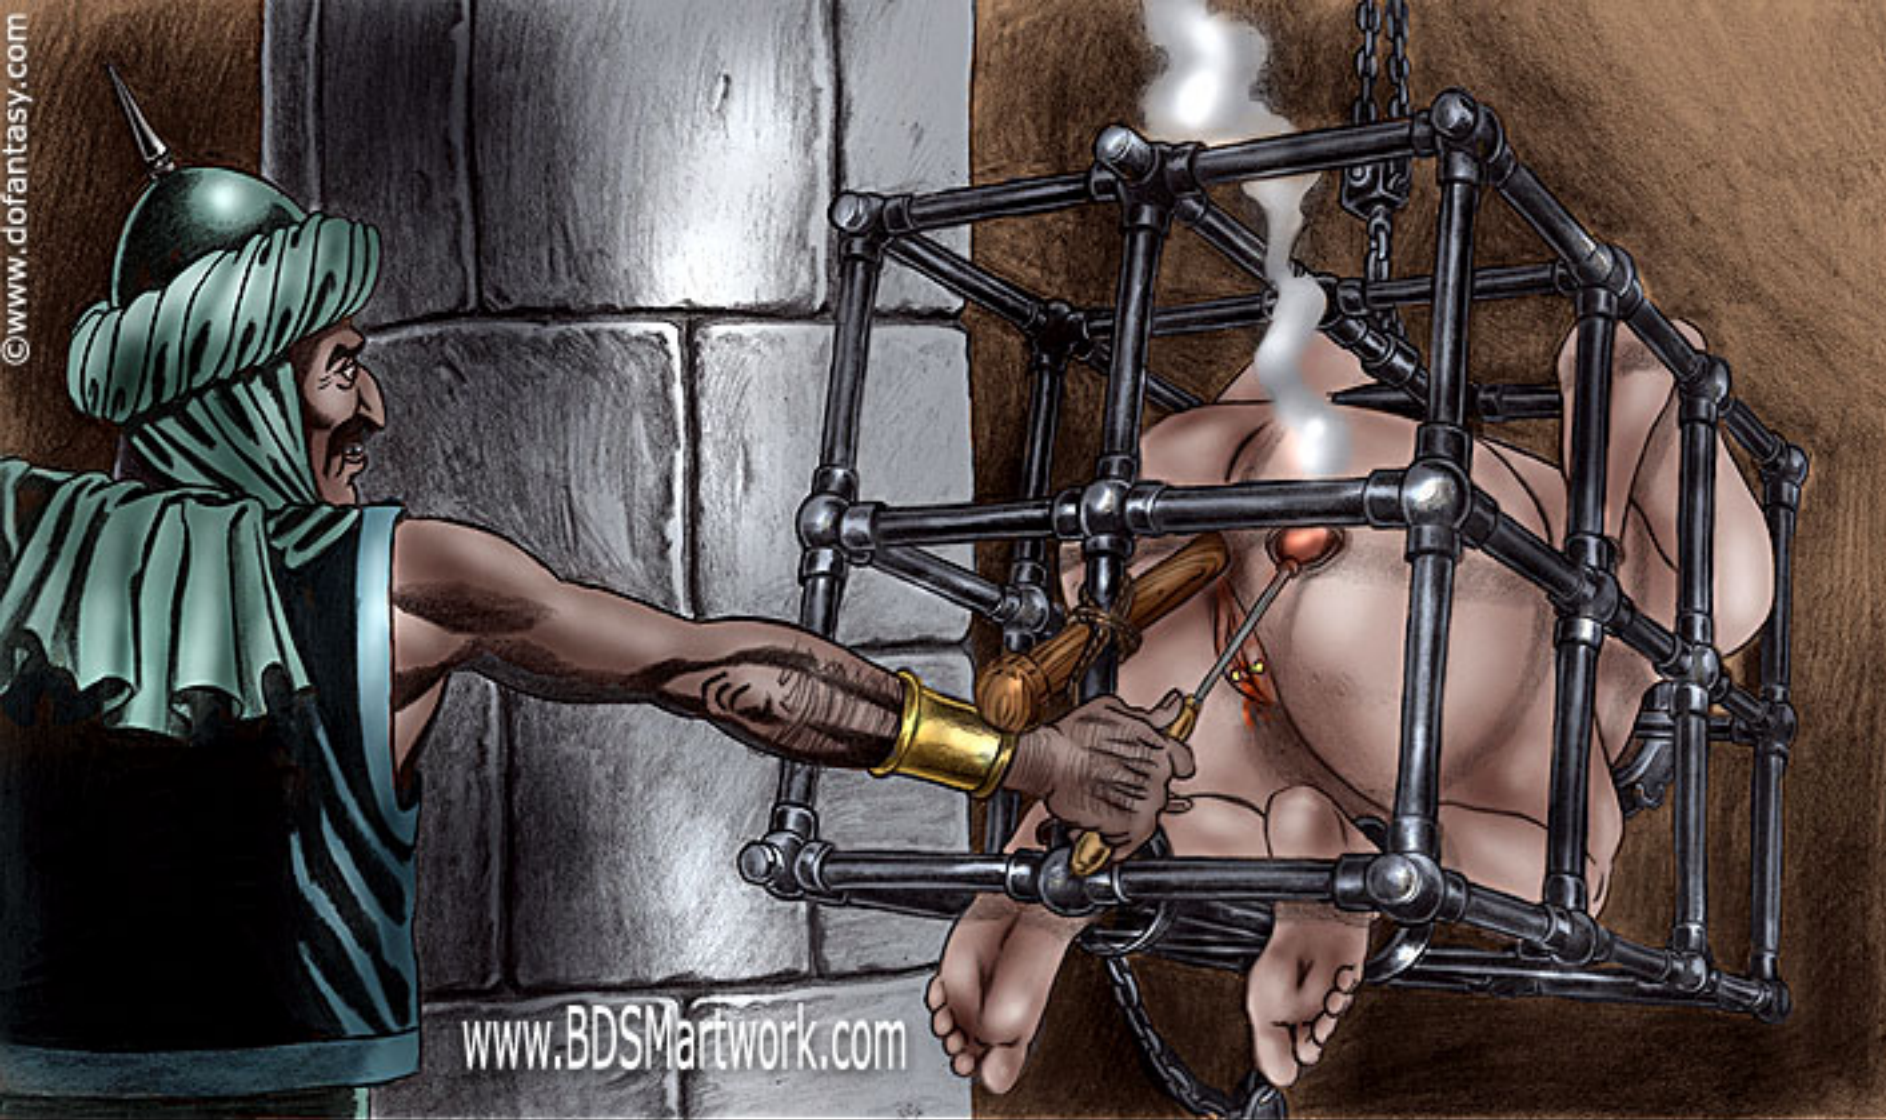

www.BDSMartwork.com

"You're not going to get out of the branding. You're my favourite Christian bitch. It would be a pity if you got lost. And the favourite gets a good ass job. See this wooden stake? It will keep you from moving that sexy butt of yours while you're being marked... Any idea how a stick can keep you still under the hot iron? Answer your Master, bitch!!!"
"No... I don't know... Master... please ... don't brand me..."

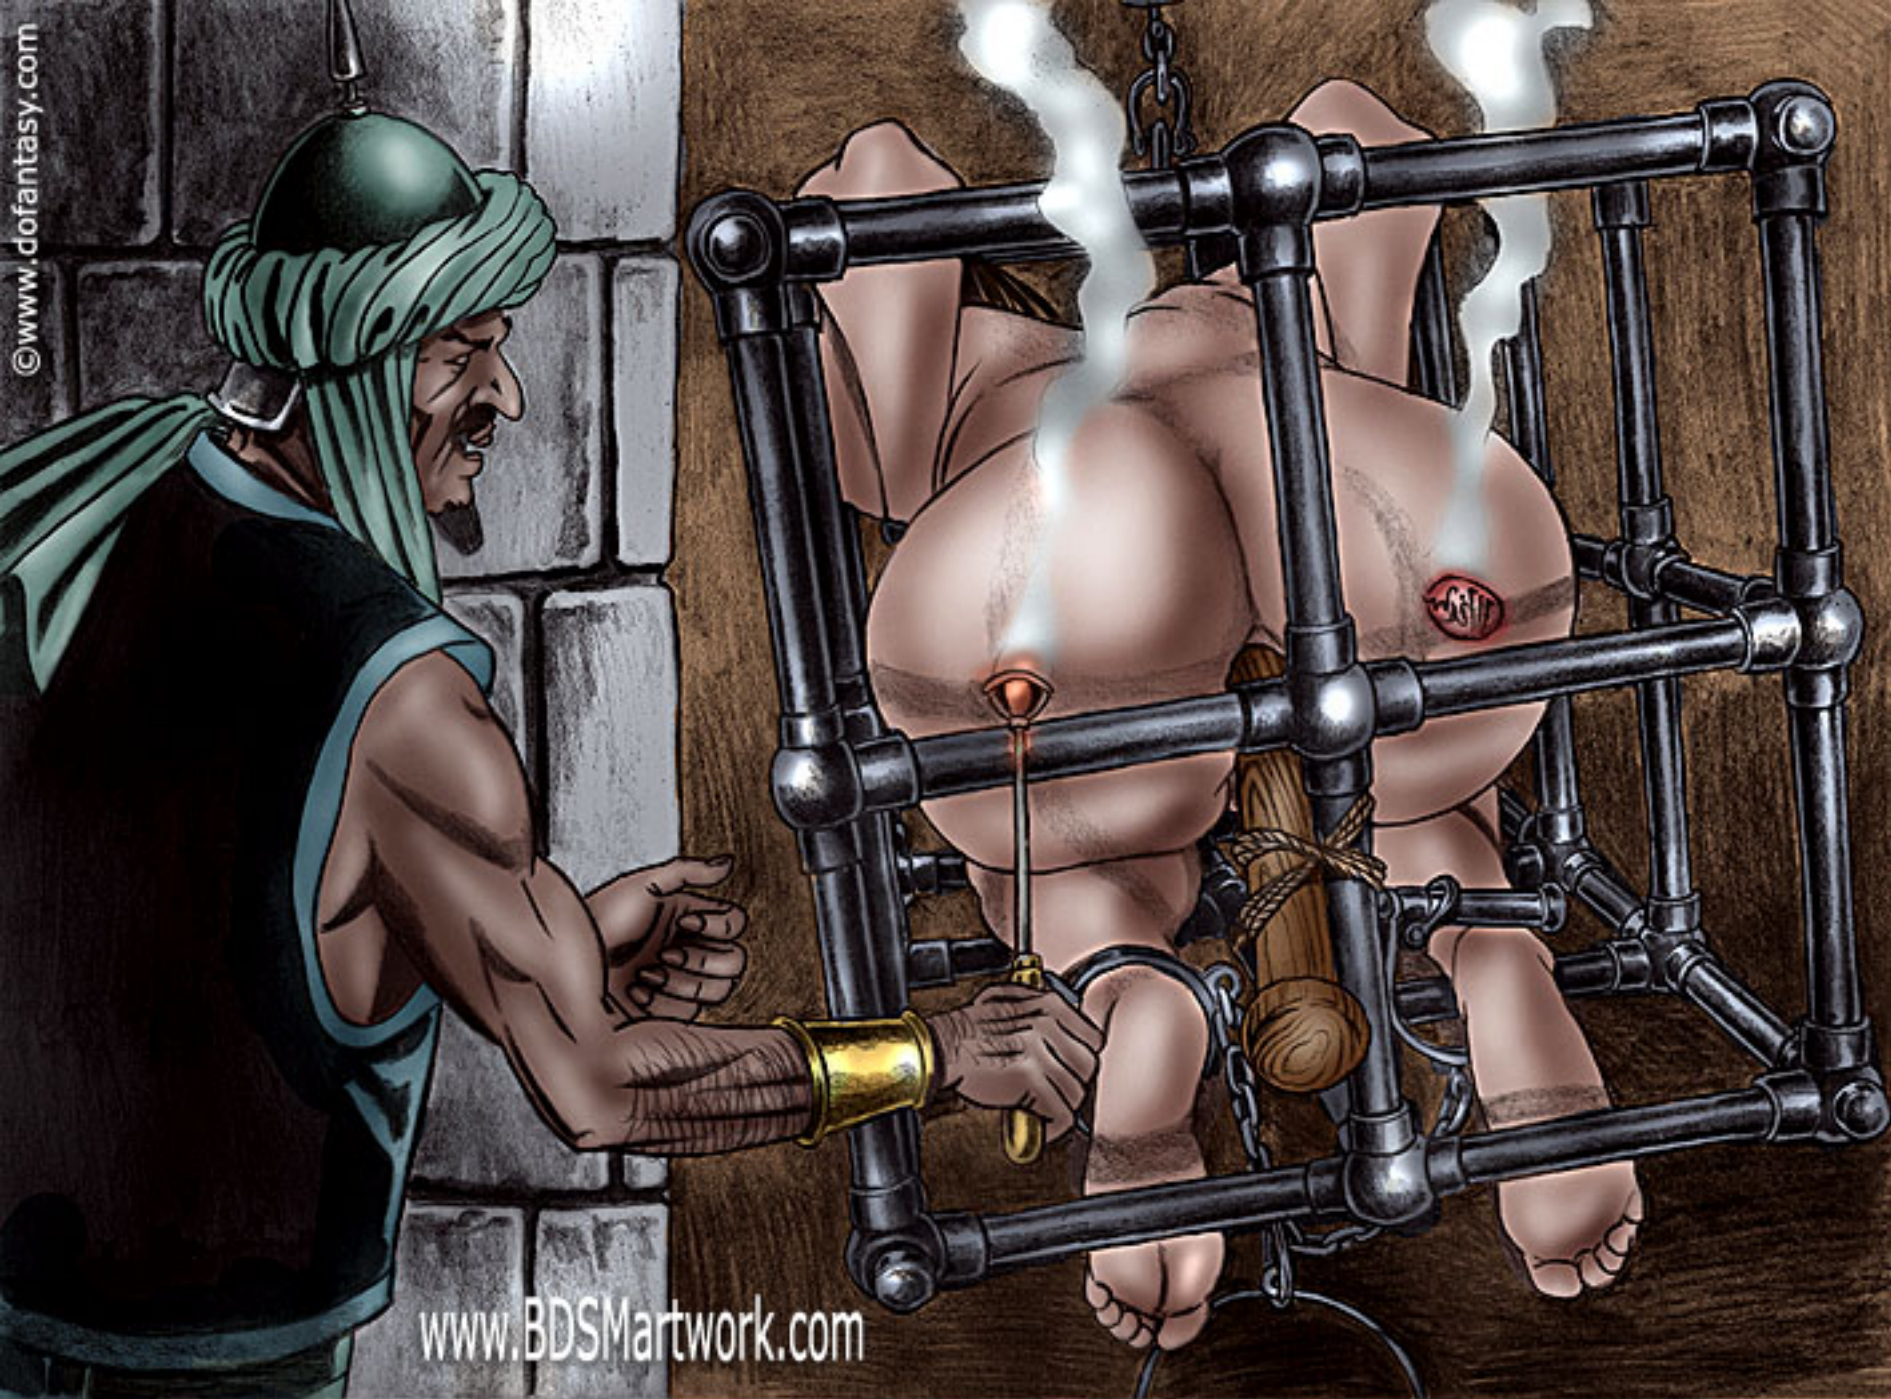

www.BDSMartwork.com

"I'll tell you, slave... It goes up your ass-hole, then it's tied to the cage! Ha! ha! ha! Brilliant, don't you think? Stick it up the bitch, jailer!"
"With great pleasure, Your Excellency"
"No... please... no.... AAAAAARGHHH!!!"

www.BDSMartwork.com

"Pity you can't see it, slave. It is an excellent mark, neat and well placed... A wonderful sight when I dog-rape you... Mark the slut's other cheek too, jailer. We don't want to lose this one..."
"My pleasure, Your Excellency"
"NOOOOOOOOOOOOOOOOOOOOOOOOOOO"

www.BDSMartwork.com

"HMMMMMMMMM, your burnt flesh smells like roasted lamb too, just like your blonde sister's. You make me feel hungry... You make me feel lots of things, slave!"

www.BDSMartwork.com

"Feel more like my slave now, do you, Lady? Ooops, sorry, you're not a British Lady anymore, you're a fuck-slave now... Do you understand that you really belong to me, fuck-slave? Answer, bitch!"

"Yes... yes.... Master..."

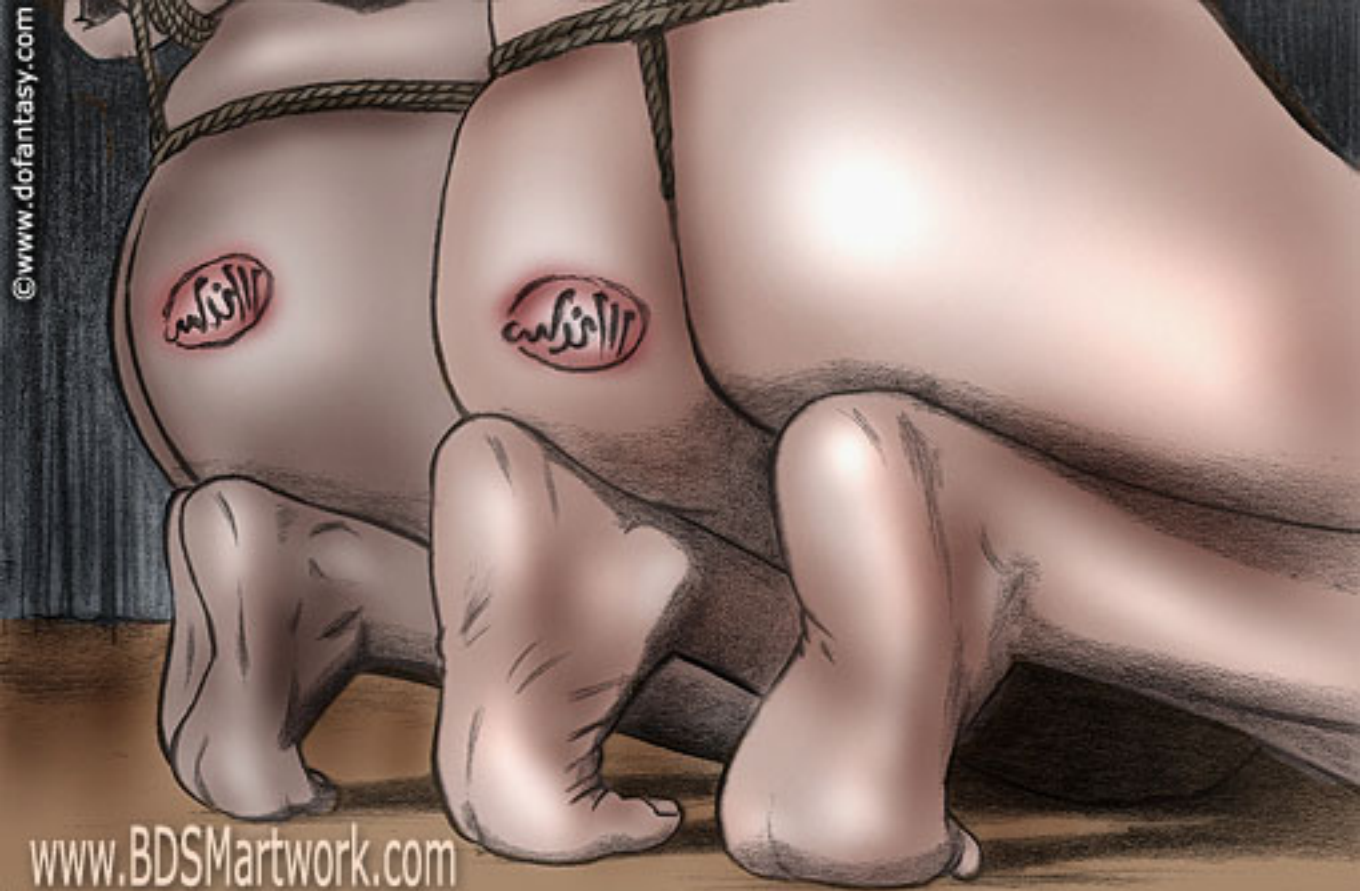

"Do you know how you're going to serve me?"

"Y... yes... M... Master..."

"That lovely body of yours is gonna be in intimate contact with your Master's body. You're going to please me and you're gonna do the most disgusting things you can imagine; do you understand that, slave?"

"Y... yes... Master..."

"Then take the slave out of the cage, jailer..."

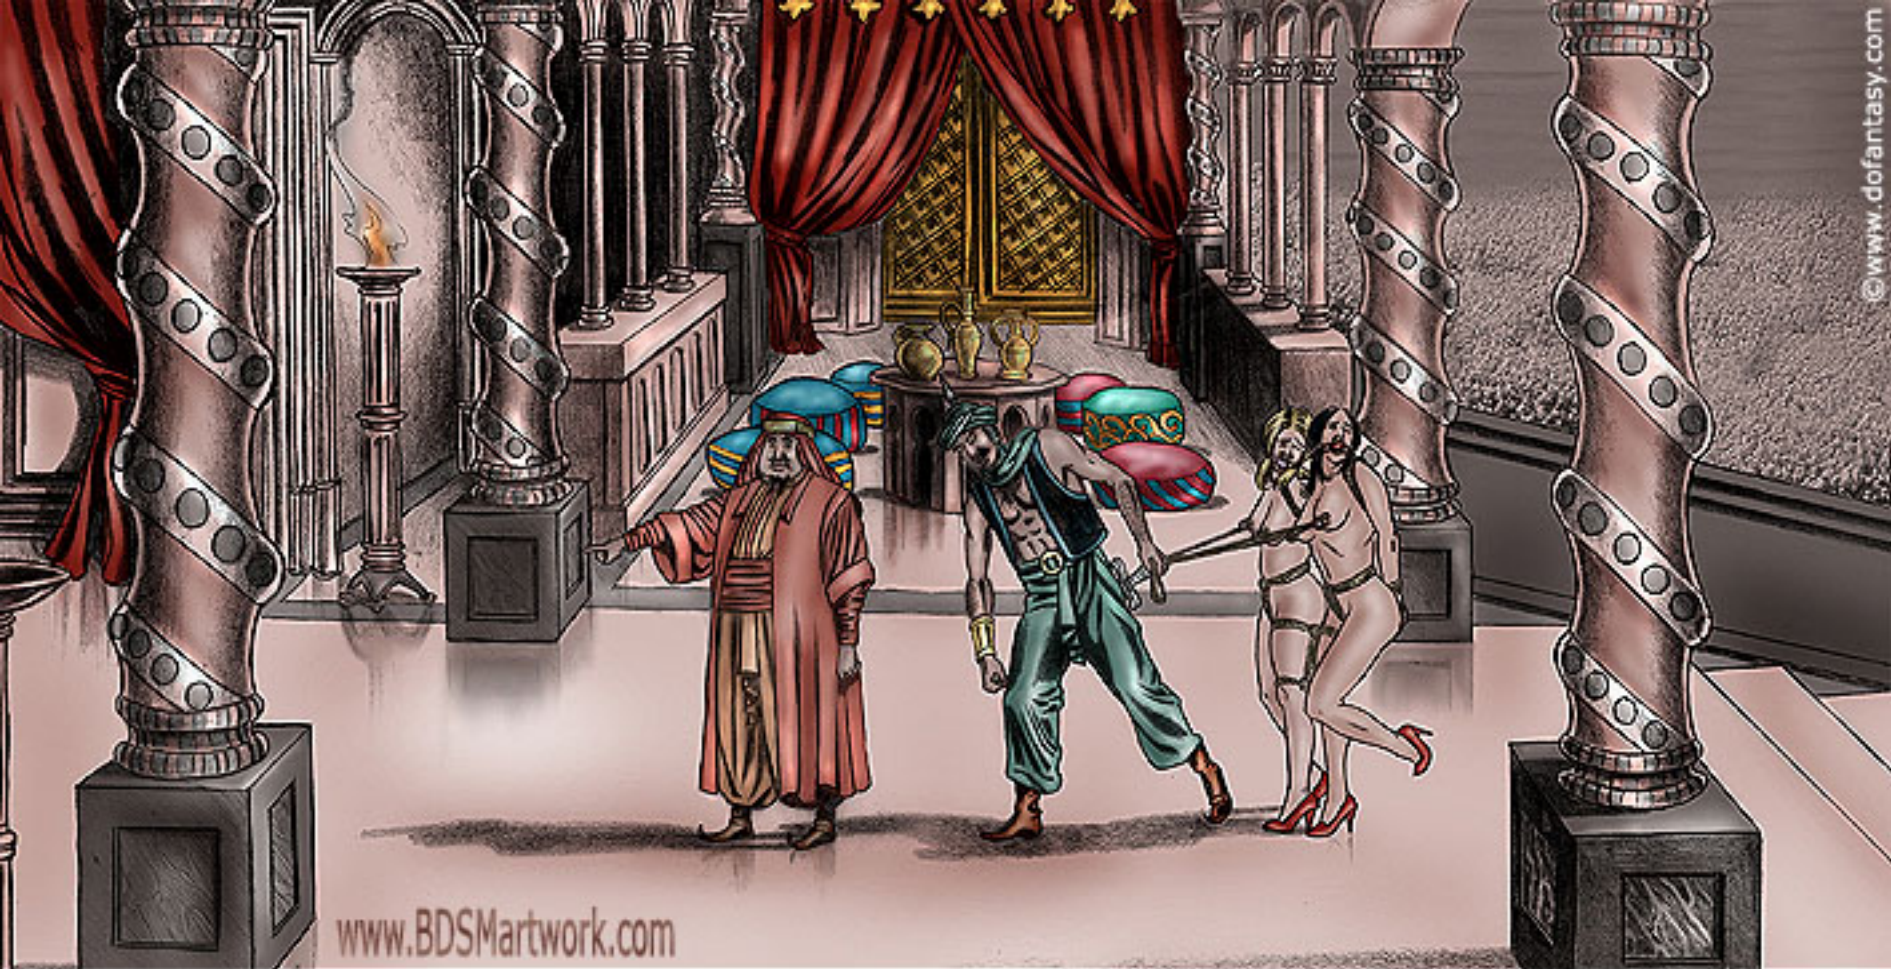

www.BDSMartwork.com

"Now that you have my mark stamped onto your asses, you can go to my chambers. The night is here. It is time to enjoy what I have bought."

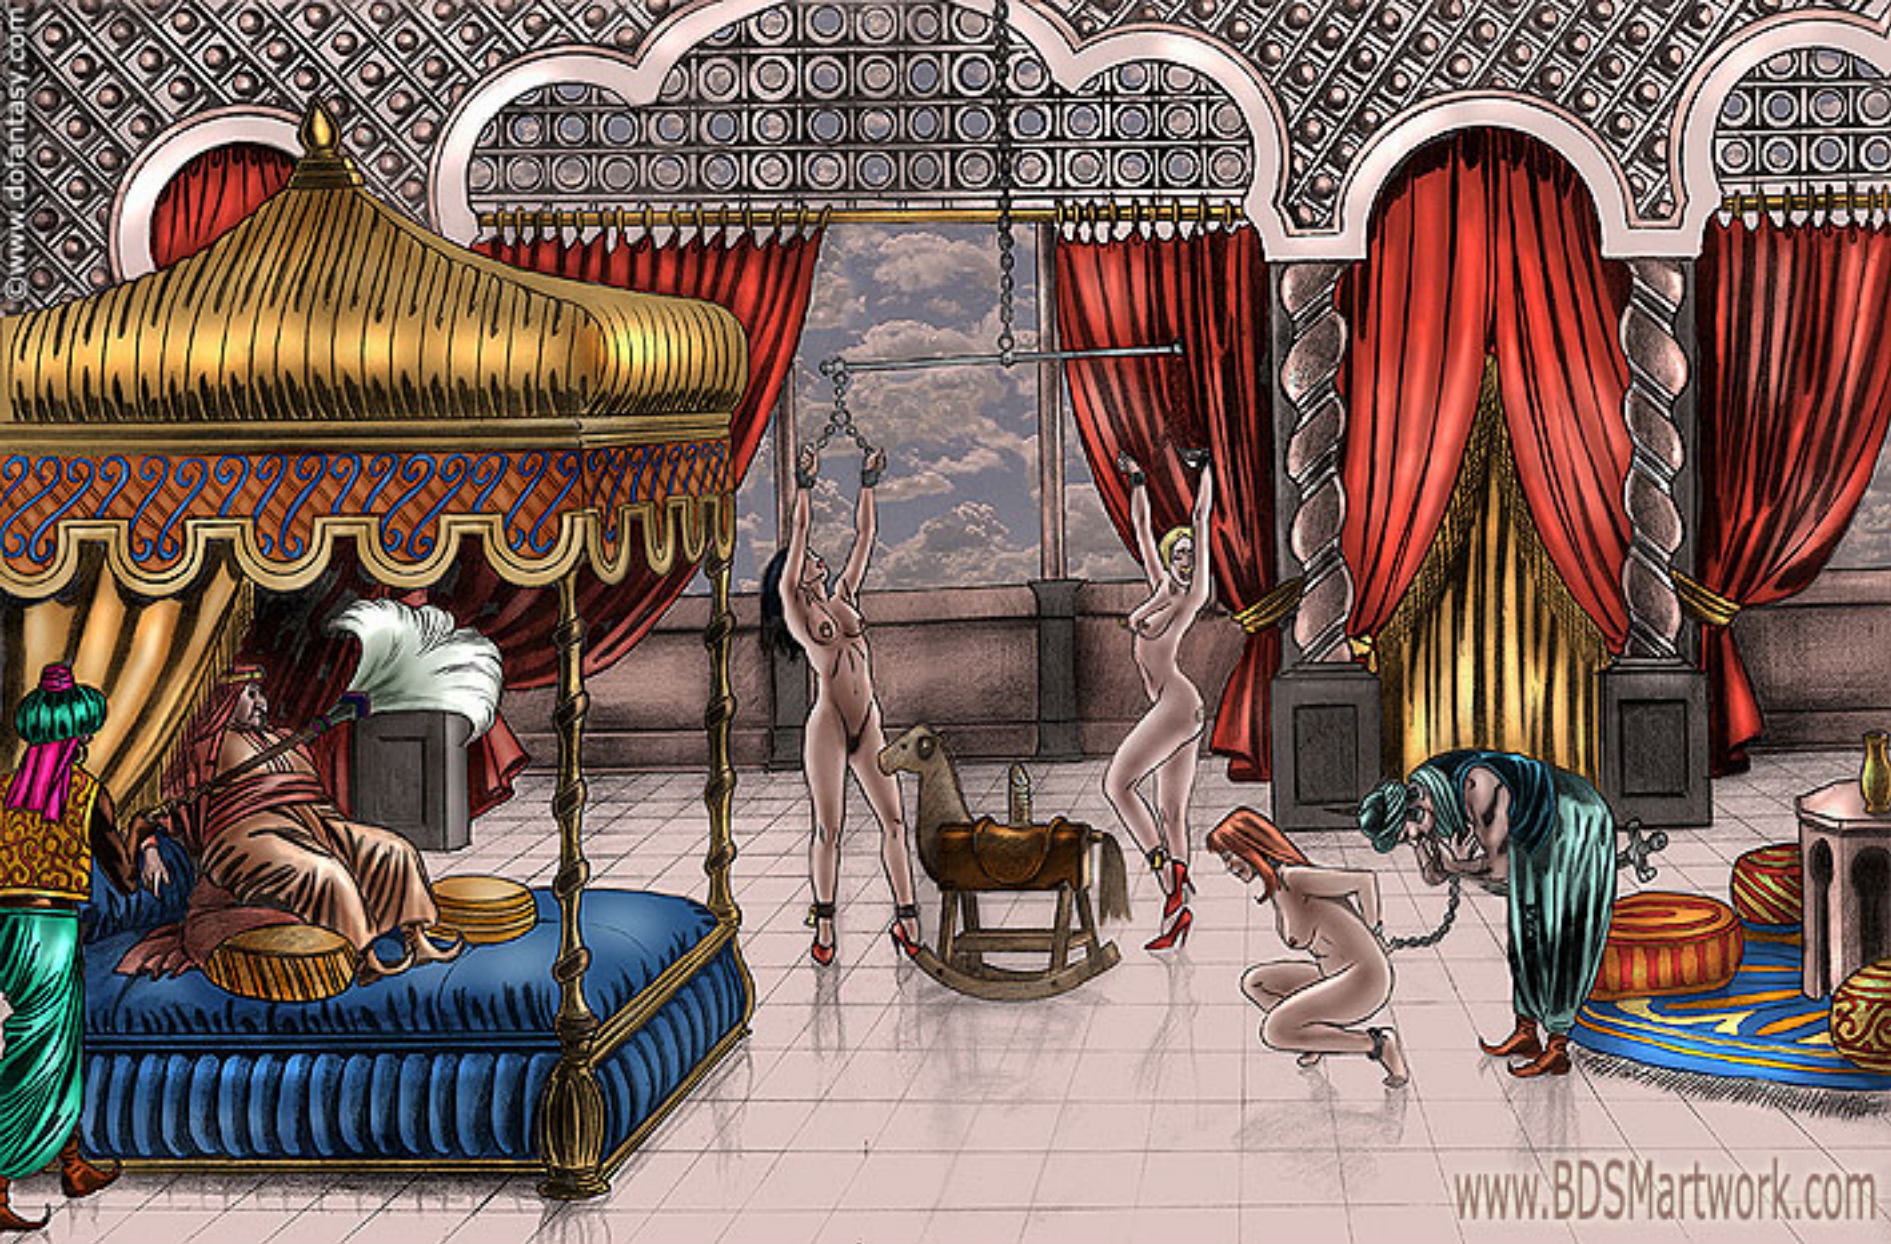

"Scrub the dirt off them and put the little shoes on them, the ones I like so much, the ones that lift buttocks, that make legs longer and more provocative that make calves rounder and make a woman's buttocks jolt when she walks. Ah! And put the bells on their ankles. It is a great pleasure to me to hear their music when I rape a woman..."

www.BDSMartwork.com

"Stand them in front of the rocking chair and bring my white fuck toy. I'm going to explain in some detail exactly what kind of service I expect from my Christian slaves..."

©www.dofantasy.com

“The slave you ordered, Emir.”
“How is my Christian bitch this morning, after her night’s punishment? I trust you still have some energy left for fucking?”
“Yes, Master. Your humble slave desires nothing more than to be fucked by her Lord and Master.”
“I’m sorry to disappoint you, slut, but your master has some new white prick cases. Ha! ha! ha! but don’t worry, your master will see to it that you come... And you, bitches, look and learn...”

"This is Jasmine. She's every bit as white as you are, you see! She's had the honor of being my favourite for almost a year now. She knows exactly what I like. She has achieved this state of knowledge through having my illustrious bollocks emptied into her several times every night all year... Isn't that right, my frisky young slave?"

"It... it is, my Master. It has been an honor for... for such a humble, worthless slave as I am."

"Splendid. And now it is time for you to teach this pair of sluts how to make their Master's semen flow like milk and taste like honey."

"That... that too will be an honor for... for your humble slave, Master."

"C'mon, Christian dog, jump over here and fuck that stake as if it was your Master's glorious manhood..."
"Yes... Master, this humble is slave is going to fuck the stake at once, Master."

www.BDSMartwork.com

Look at the slut! See how she's dripping! See how she rubs her cunt over the cold marble playing a perfect belly dance... Take good note of the rhythm, the slow snakelike movement of the hips, that is how Sheik Alrashid's slaves must move when they are serving their Lord and Master.

It is a slow, hypnotic rhythm that moves the hips as she slides up and down her Master's member, from tip to base, slowly but unceasingly... See how she is gentle and strokes the stake, and yet squeezes it to give more pleasure... She is giving all she can, all a sex-slave can and must offer her Lord and Master...

www.BDSMartwork.com

"Steady, white whore and open your eyes wide and look and learn all this slut knows of love's arts. It is for your own good. From this moment on, you will have only one aim in life, to serve your Master sexually..."

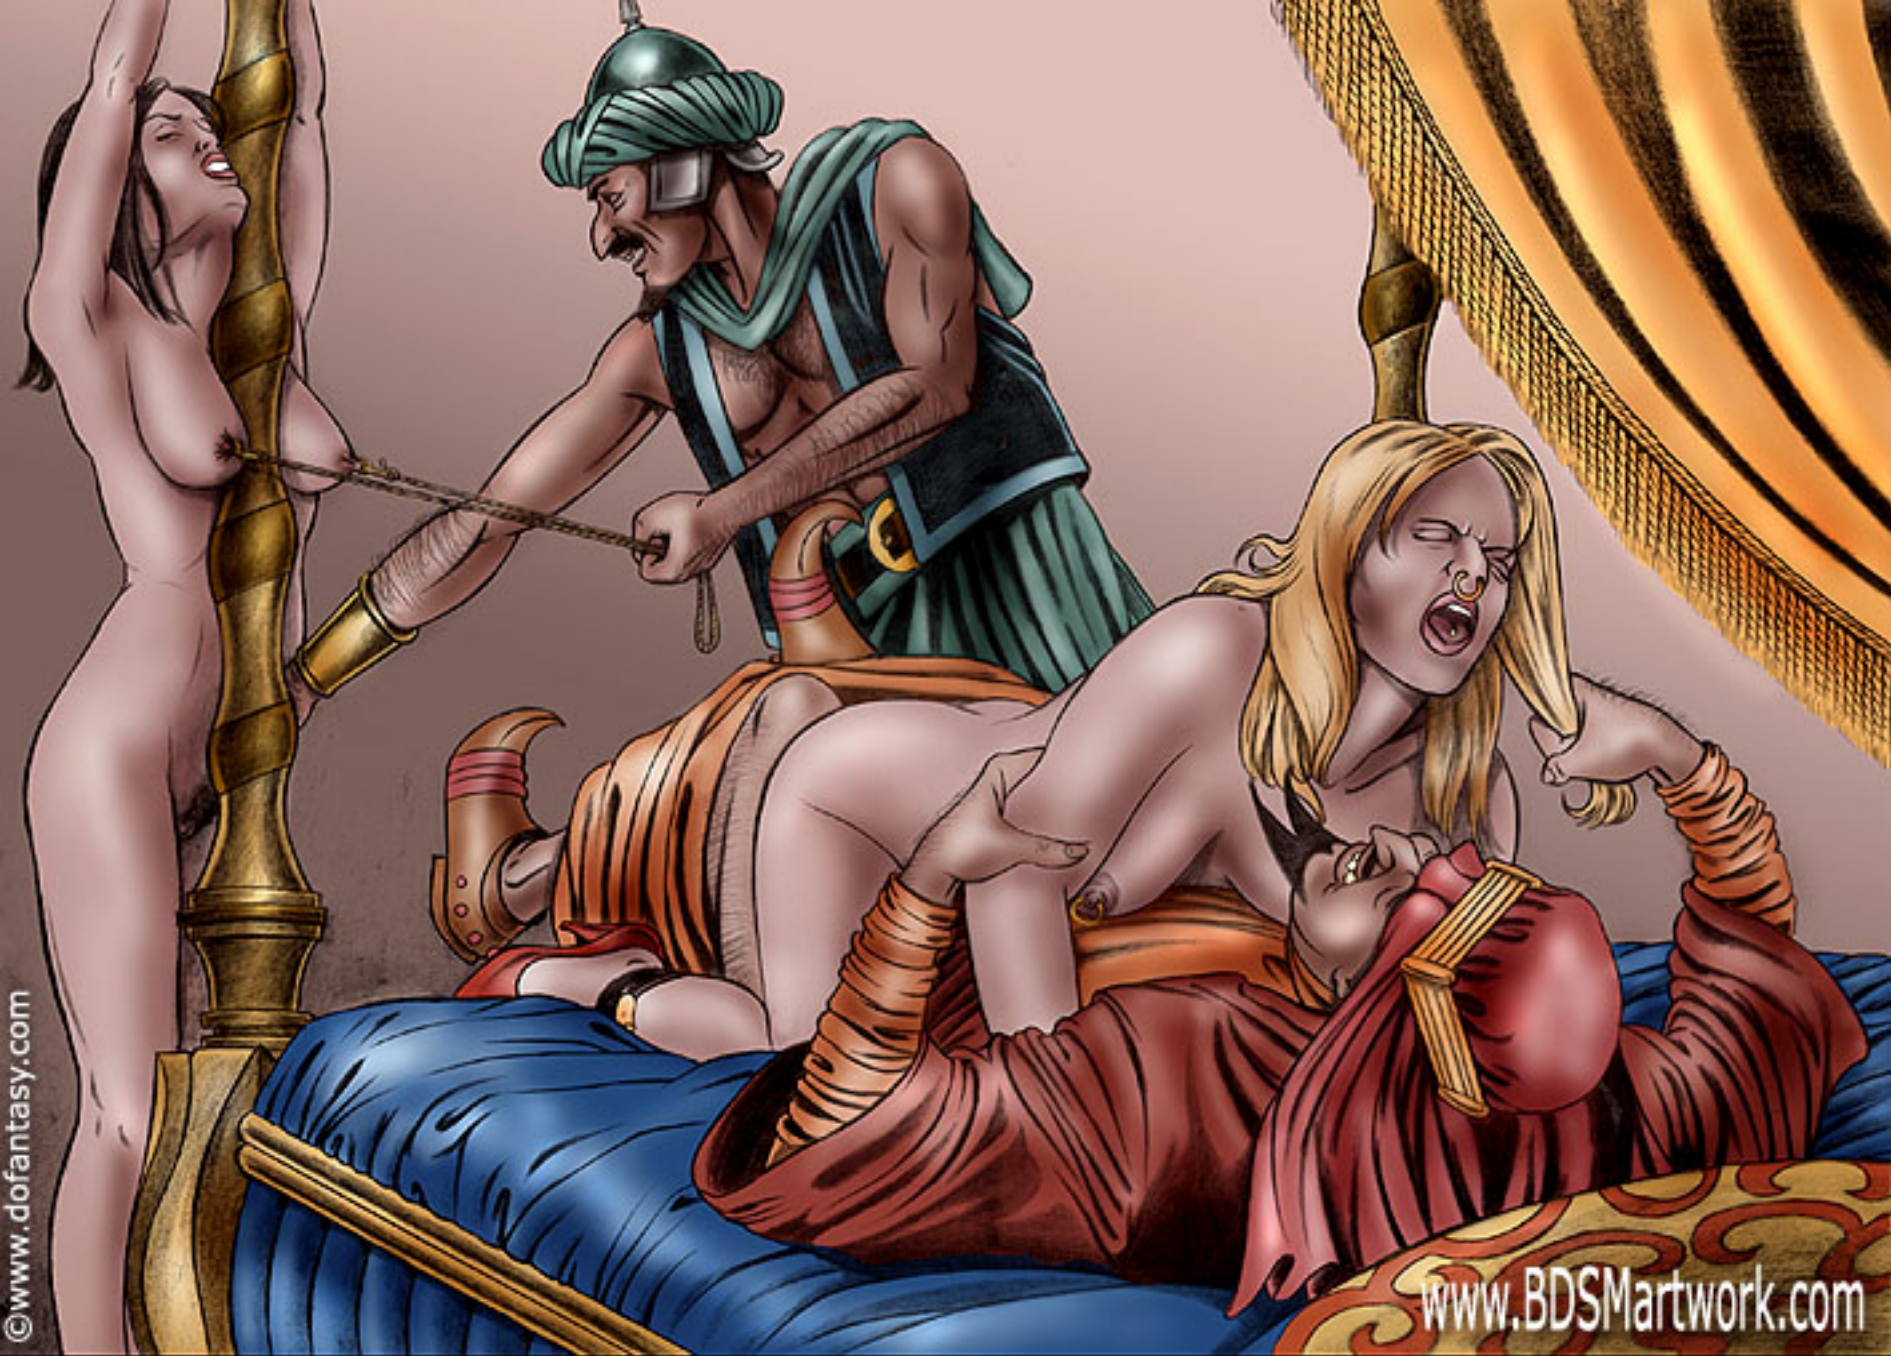

"Please, leave me alone... you're hurting me..."

"Shut up, you white bitch... Nothing that you own is yours any more. Body and soul, you belong to the person who has acquired you... Look how this slave fucks the marble. Look at the wavy movement in her hips... they call this the belly dance in my land. You will learn it under the whip, as Jasmine did before you... Tonight you will have the honor of riding the sacred penis of this most excellent man to whom you belong, Emir Al-Rashid. You will place every square inch of your soft feminine skin at his disposal, you will stroke him with your full white tits, with your shining thighs, with your lips, mouth, and infidel's tongue. And of course, with your wet slut's cunt..."

"I shall begin with the blonde cunt. Bring her to me. And you, my dark-haired tit-bearer, watch closely all the things that I do to your sister because you're next..."
"NO! ... Stop! I don't... I can't... I feel sick! I CAN'T LOOK!"

www.BDSMartwork.com

GUARDIAN: "Bring your big wet man-squeezer over here, slave. Let me tickle it up for you. It'll make you good and hot for the greater pleasure of your Lord and Master... It'll be your turn when your slut of a sister has finished."

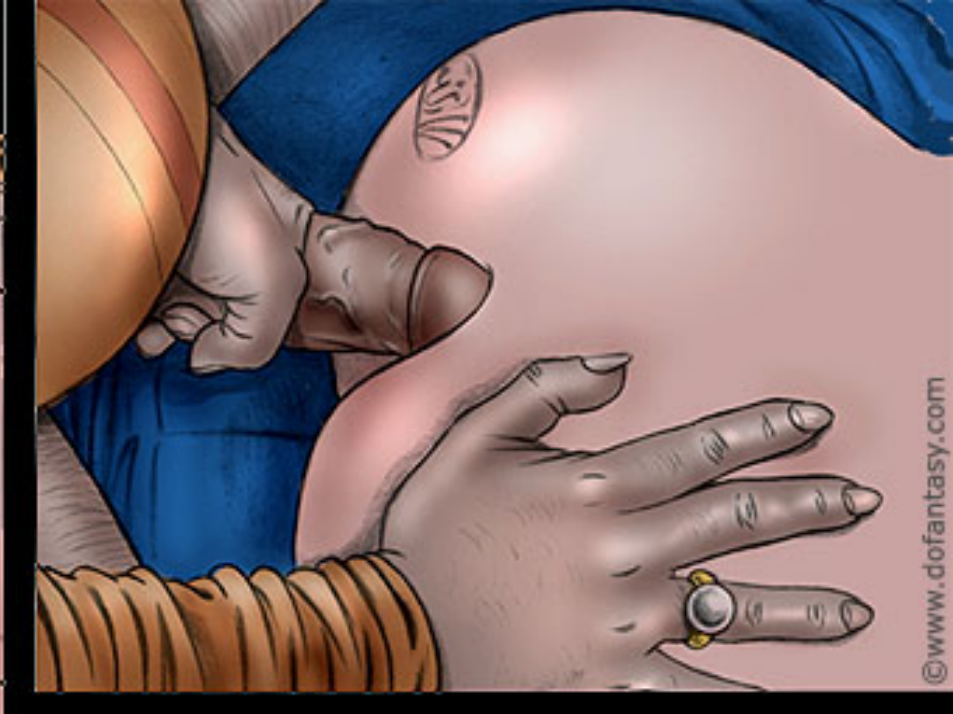

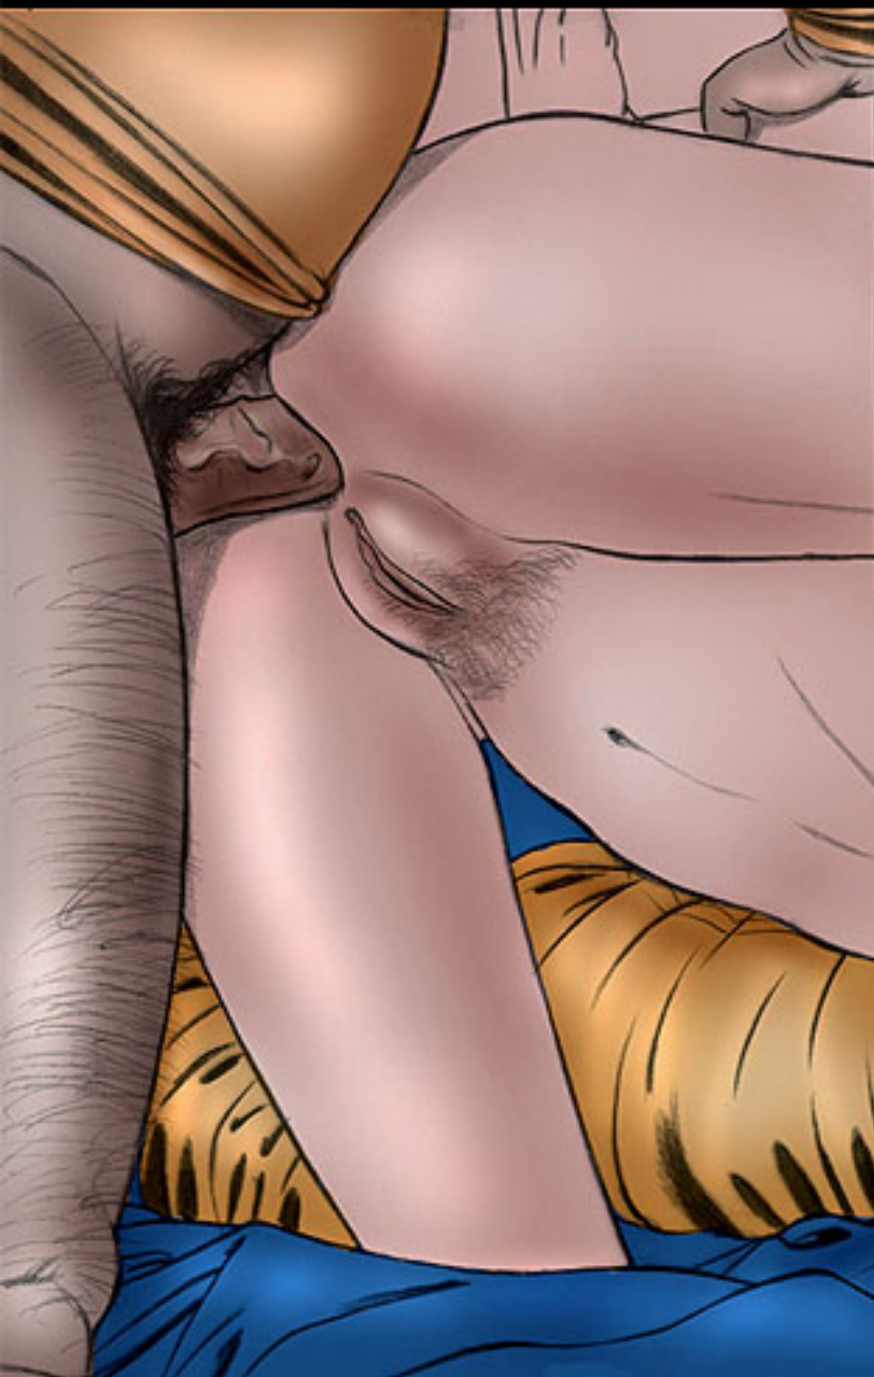

EMIR: "Can you feel your Master's prick throbbing, Christian slut? Hmmm... you're tight for a slut, but you're too juicy to be a virgin... That makes you a Christian whore. Move your ass around, you big whore, squeeze your Master... yeah... do it... mmmm... I like the feel of your smooth, warm, white skin... yeah... fuck... fuck... FUCKKKKKK!!!"

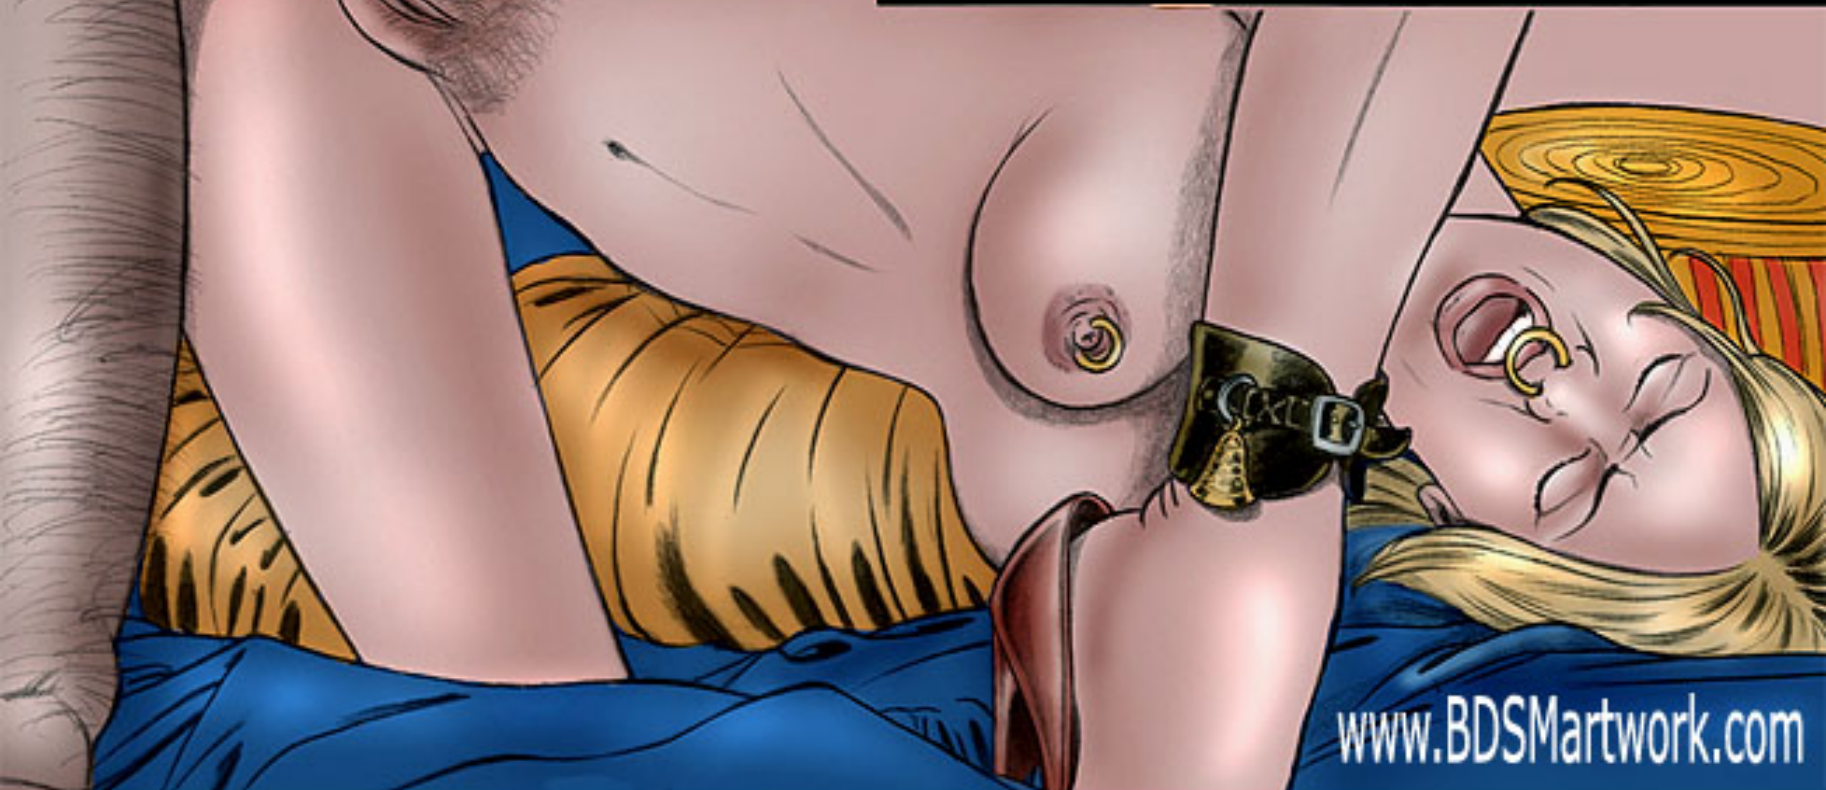

www.BDSMartwork.com

"Hummm... that's a cute little bumhole, slave, it's even tighter! Get off me and go down like a dog. Show me your asshole, good and high... Down, slave!"

www.BDSMartwork.com

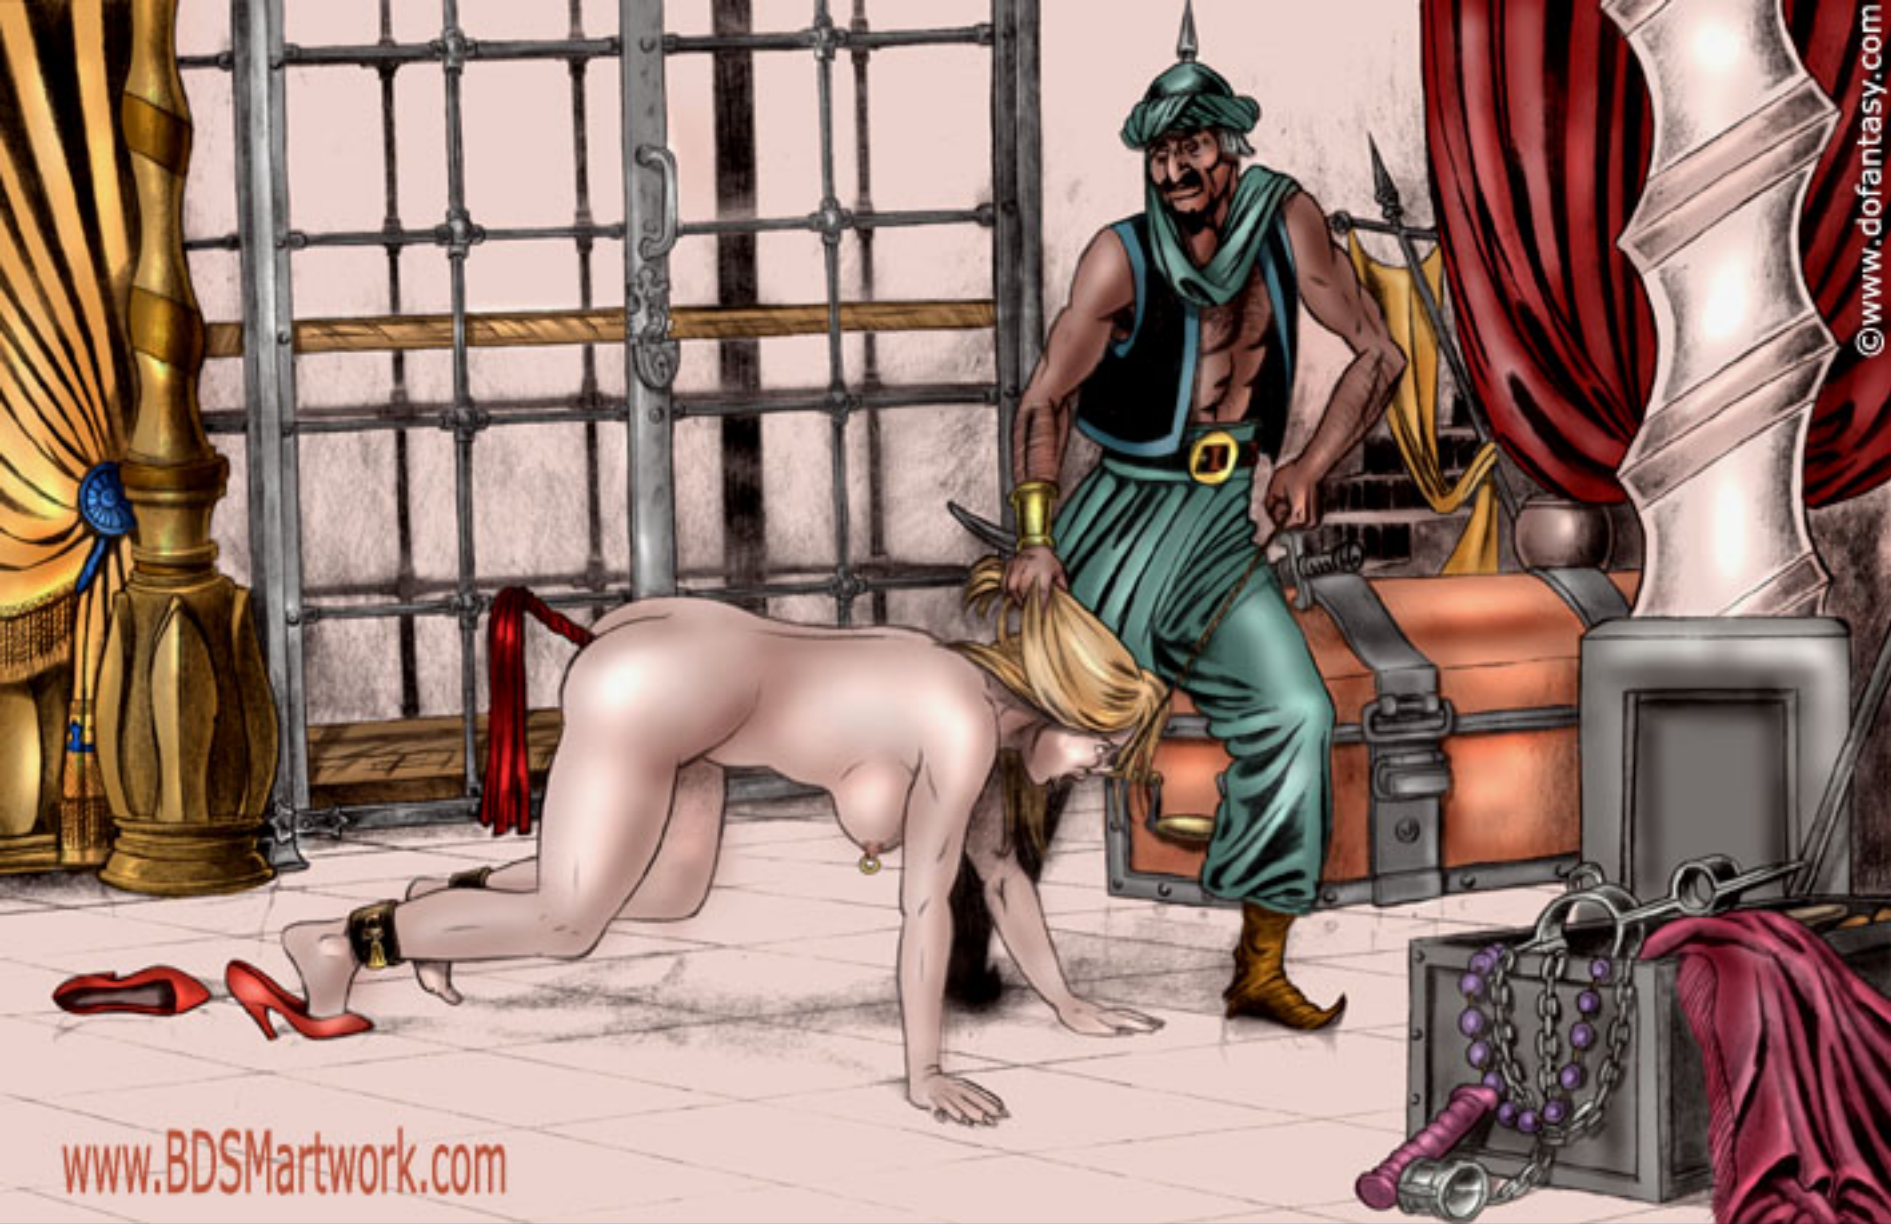

"Your Lord and Master is going to ride you in your dark, secret place, slave... Ha! What would your suitors say in London if they saw you now, stark naked, on your knees, presenting your lovely bottom to a Moor who's old enough to be your grandfather? Ooh! Ugh! Take that! Bathe your bowels in your Master's come! Feel his milk sloshing around in you!"

"Now for a soft suck, slave... if I feel the slightest touch of a tooth I'll have all your teeth pulled out. Then I'll start on your dear little sister, and I'll have all the bones broken in her hands and feet... c'mon, lick! It's Christian dog's shit! Ha! Ha! Ha!"

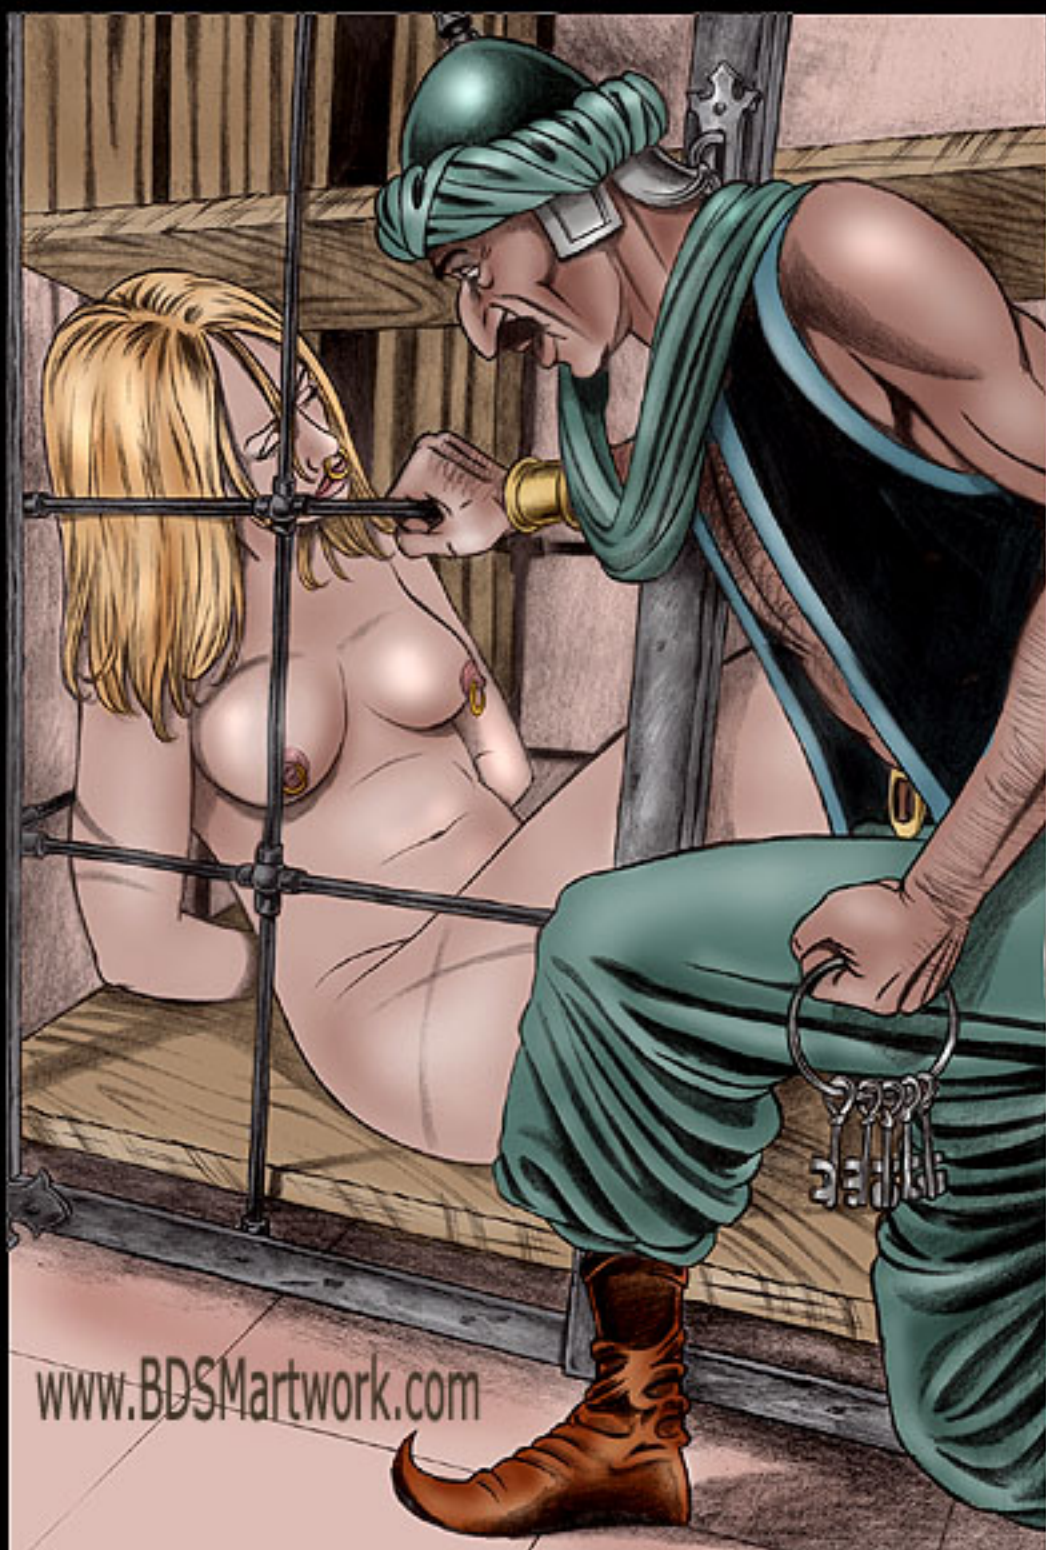

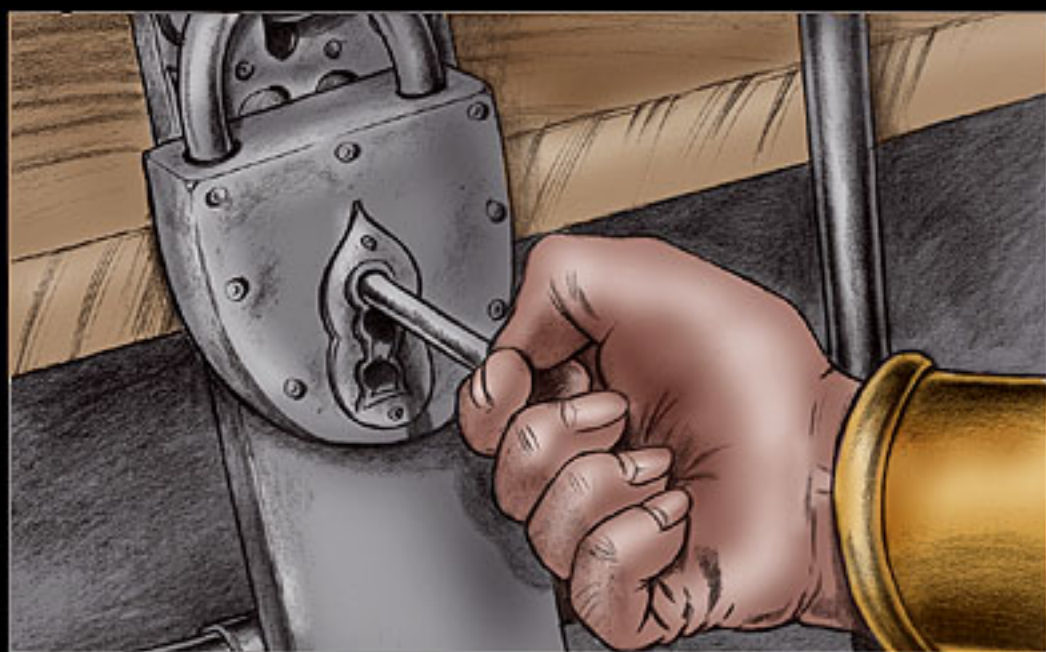

"That's the way... nice and easy... Now lick up every last bit of shit from your Lord and Master's sacred phallus. Suck, damn you, more spit! I want to hear more sucking! Hmmm... Your Master likes fucking your face. He's going to give you a present, nectar from his sacred bollocks... yes, yes... agh! ... swallow deep, slut, your lives depend on it..."

www.BDSMartwork.com

The Emir is exhausted after raping the young Englishwoman. He decides to have a nap and has her dragged away and shut in. He needs to get his strength back so he can rape the lovely brunette who is tied to the feet of his bed. The poor girl watches him, terrified and disgusted... "Down on all fours, you bitch, and come with me. Time to go to your kennel, till your Lord and Master feels the need to empty his balls in your asshole!"

www.BDSMartwork.com

"You won't be escaping from this kennel, you bitch. Nice white tits you're carrying there! When your Master gets fed up with playing with them, it'll be my turn, and I can promise you'll regret the day your slut of a mother gave birth to you!"

Two hours later, the Emir wakes up with an erection...

"I was dreaming about you, Christian. Look how it left me! Bring her over, guard!"

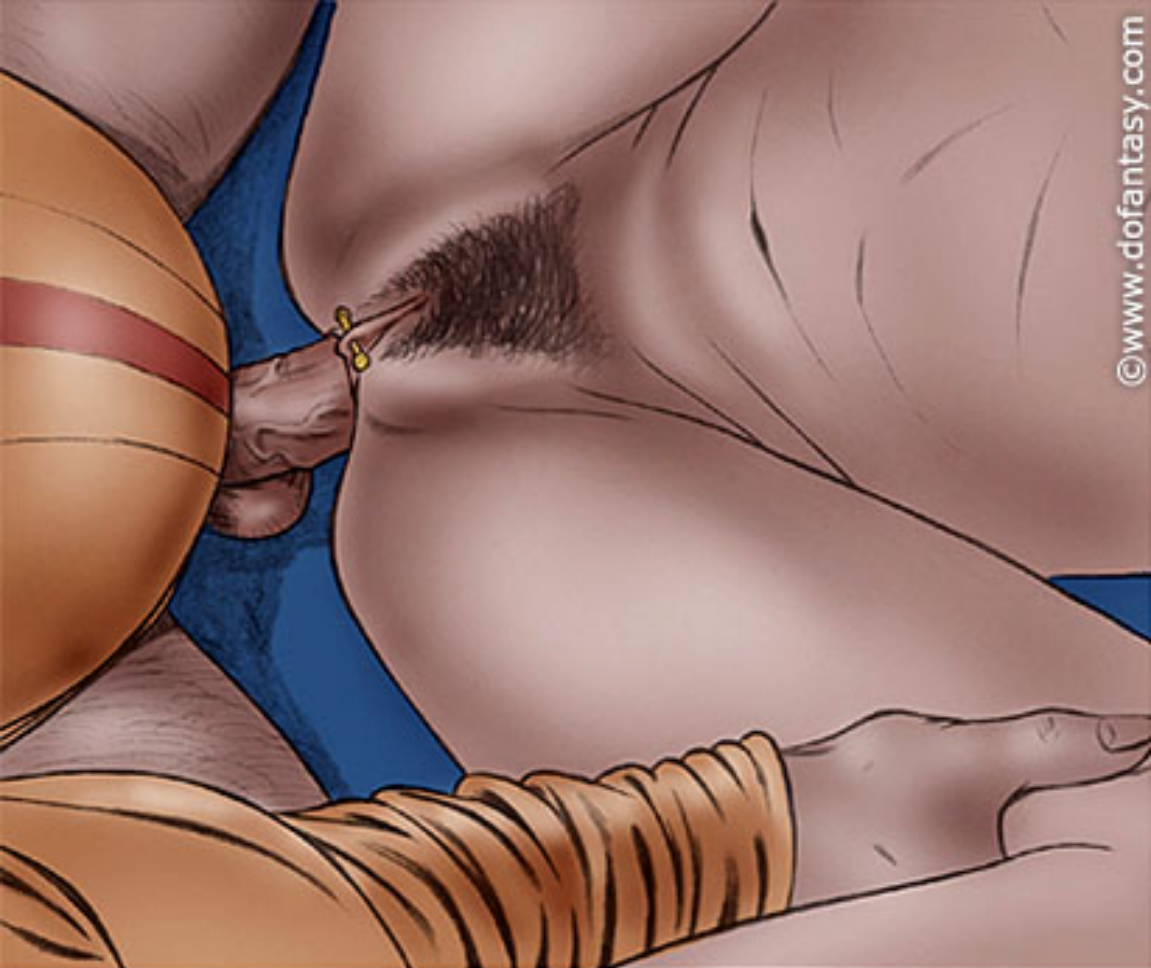

"You heard your Lord and Master, slave... The time has come to serve him with your dirty slut's body and your slave's asshole..."

"NOOOOO! Get your filthy hands off me you smelly slob! NOOOOOO!!!"

www.BDSMartwork.com

"Hmmm... high spirited, eh? Hold this leg right back, guard, I'm going straight in... Take that, you slut!"
"ARGGGGGHHHHHHHHHHHHHHHHHHHHHHHH"
"That's the way, twist around ... cry ... shout... That's what I like to see. There's nothing like raping a high-spirited slave... a colt waiting to be broken in... there is much pleasure in your wet, slurpy, Christian cunt, I can see that..."

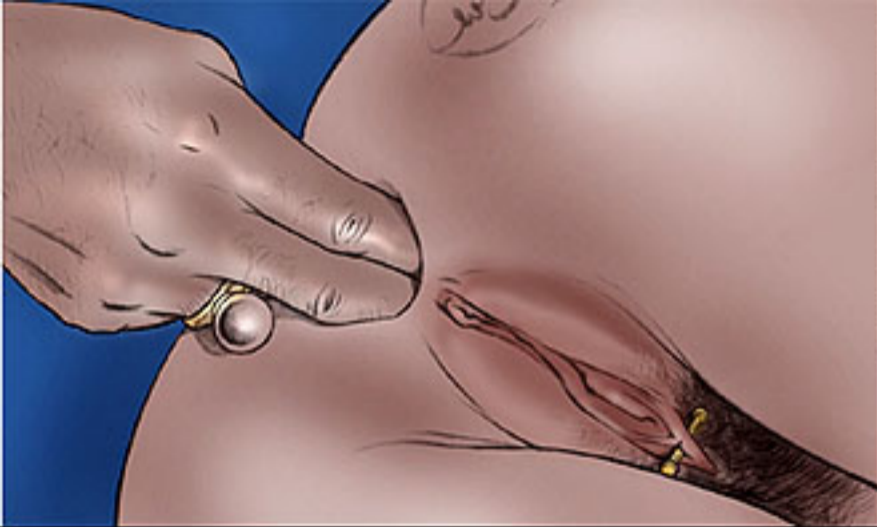

"Now we'll push your other thigh back, so your Master can get a clear shot at your big juicy pussy, and ... ugh! ... here we go, infidel! Oh, that's a tight fit!"
"NOOOOO!!! PLEAAAAASE!!! You're hurting me!"

www.BDSMartwork.com

"It's an honor for an infidel like you to suffer pain for her Master's pleasure! You're a proud, big-cunted bitch, no doubt about that! But remember, slut, you carry your Master's stud in your cunt. So this wet little pussy is his now. You're a nice little pussy, aren't you? Ha! ha! It's moving it's lips like it wants to speak. Ha! ha! ha!"

©www.dofantasy.com

"Now your Holy Master's going to finger-fuck your Christian bitch's asshole..."
"AAAAAAGHHHHHHHHHHH!!!"

www.BDSMartwork.com

"This will teach you to be so proud! Feel your Master's Holy prick? It is deep in your brown hole! Your brown, wrinkly hole is learning how to obey, and so will you, Christian bitch!"
"Never! I will never submit to you! ... Aaagh! Stop, please, you're hurting me ... Aaagh! ... I can't stand it! ... PLEEEASE!"

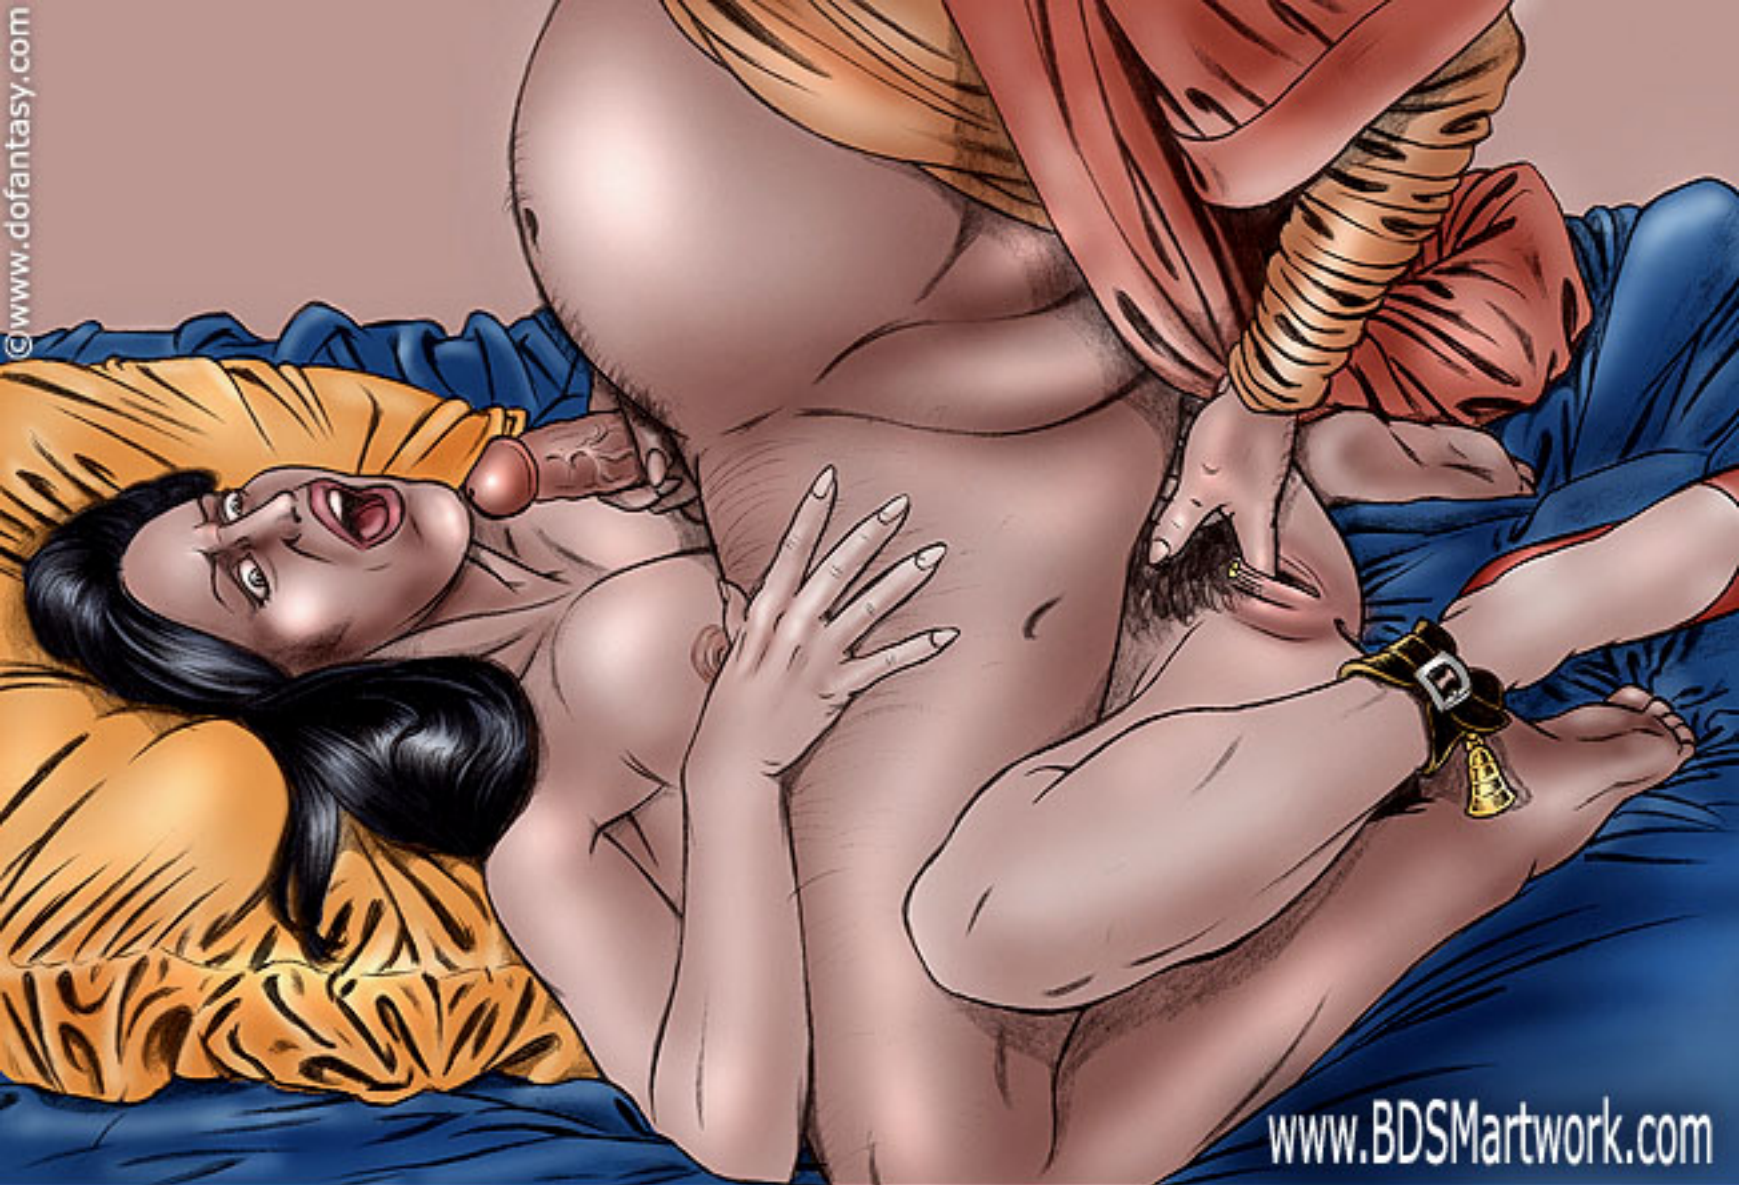

www.BDSMartwork.com

©www.dofantasy.com

"Yes, that hurts, doesn't it, when your Lord and Master wiggles his dick around in your slave's asshole! It is an honor for your shit to be so close to his magnificent penis! Speak, slave! Is it an honor for your smelly brown asshole to be penetrated by your Master? Is it?"

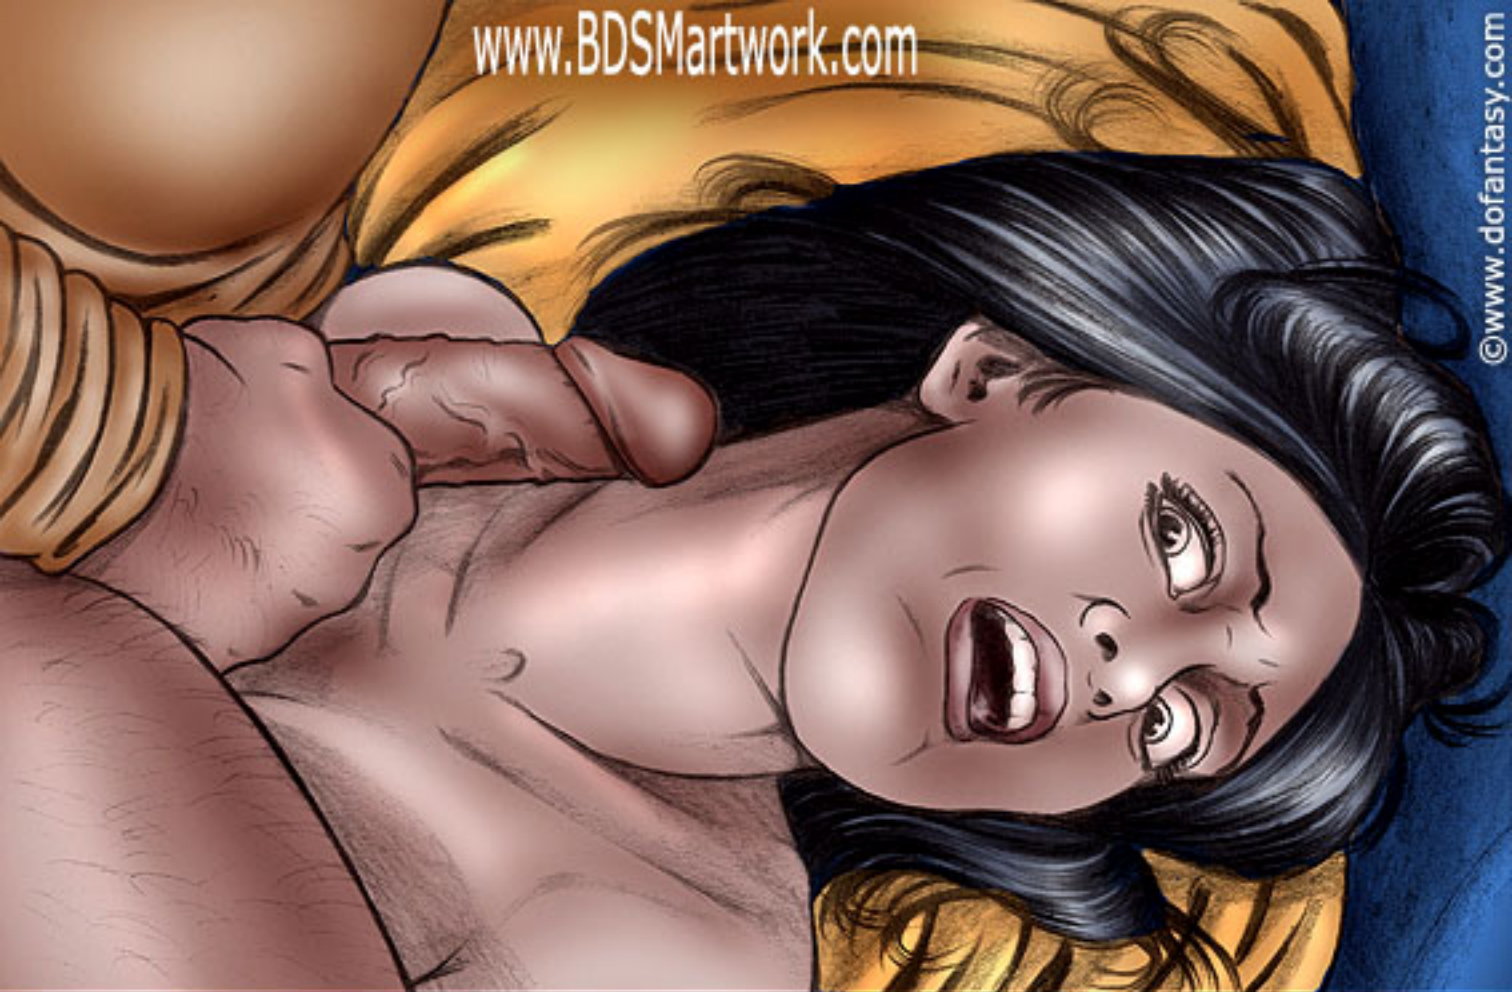

"NO! It is humilliating... it... it is a great dishonor! Ugh! STOP! PLEEEEEEEASE!"

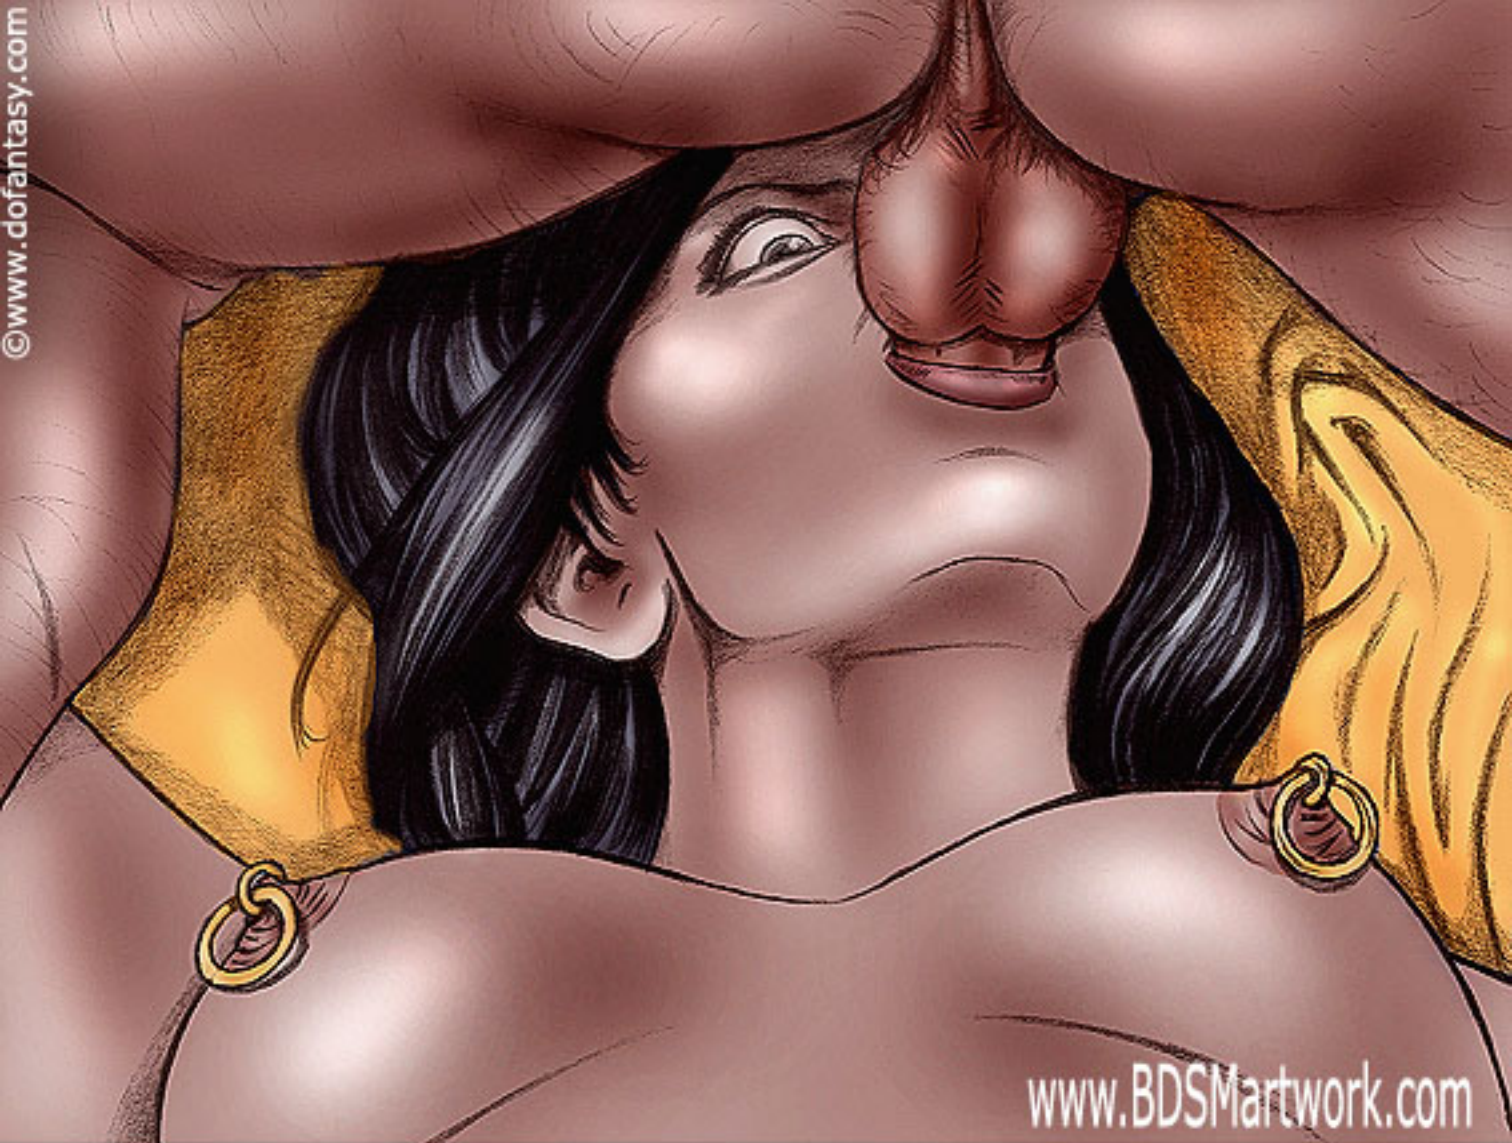

www.BDSMartwork.com

"Then perhaps this will be an honor! Suck on your own shit, slave! Suck hard on your Master's impure penis. Lick hard and suck hard, or your own shit will be your only food in many days! Your Master wants to see his dick clean and shining! C'mon slave, obey or I'll tear apart this cunt of yours!"

"OOOH! OOOOHH! Stop it, you crazy bastard! OOOH!"

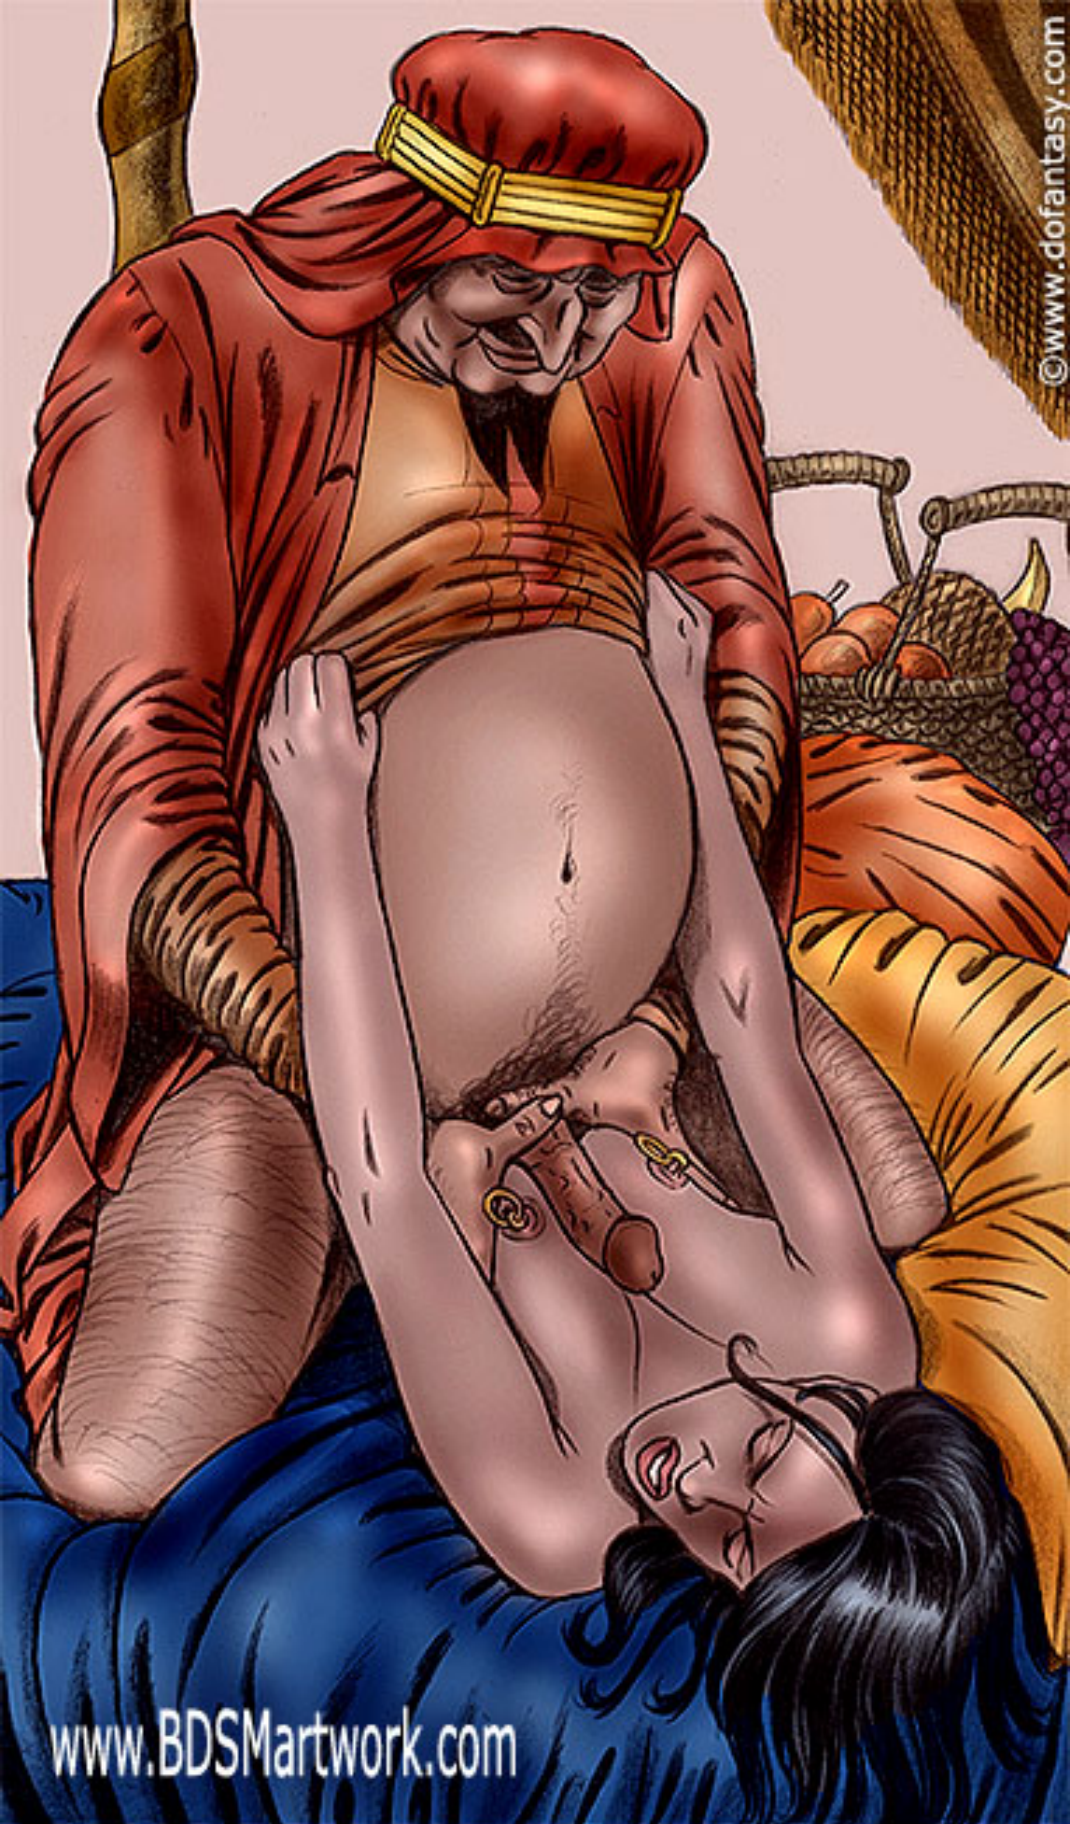

"Open wide, you filthy slut! You want your Master's tear off your bitch clit too? Open wide now! Take it all in and suck hard!"
"NOOOO! It is disgusting! Take that filthy, repulsive thing away from me! PLEEEASE!"

www.BDSMartwork.com

"AAAAAGHHHHHHHHHHHHHHHHHHHHHHHHHHHH!!! NOOOOO! Alright, I'll do it!
Stop... stop ... stop hurting me!"

"Now... you see? you're a good little Christian lapping dog. C'mon, take it
all the way down your gullet! KEEP YOUR EYES OPEN, SLAVE!!! Suck, suck,
suck! I want to hear you slurping and licking me!"

www.BDSMartwork.com

"Now it's nice and clean, and your Master will dry it between your big slave's tits. And if your Master presses your tit's together, his worthless slave will give him more pleasure..."

"No, please ... Please Master! ... Please Master, no, please, don't..."

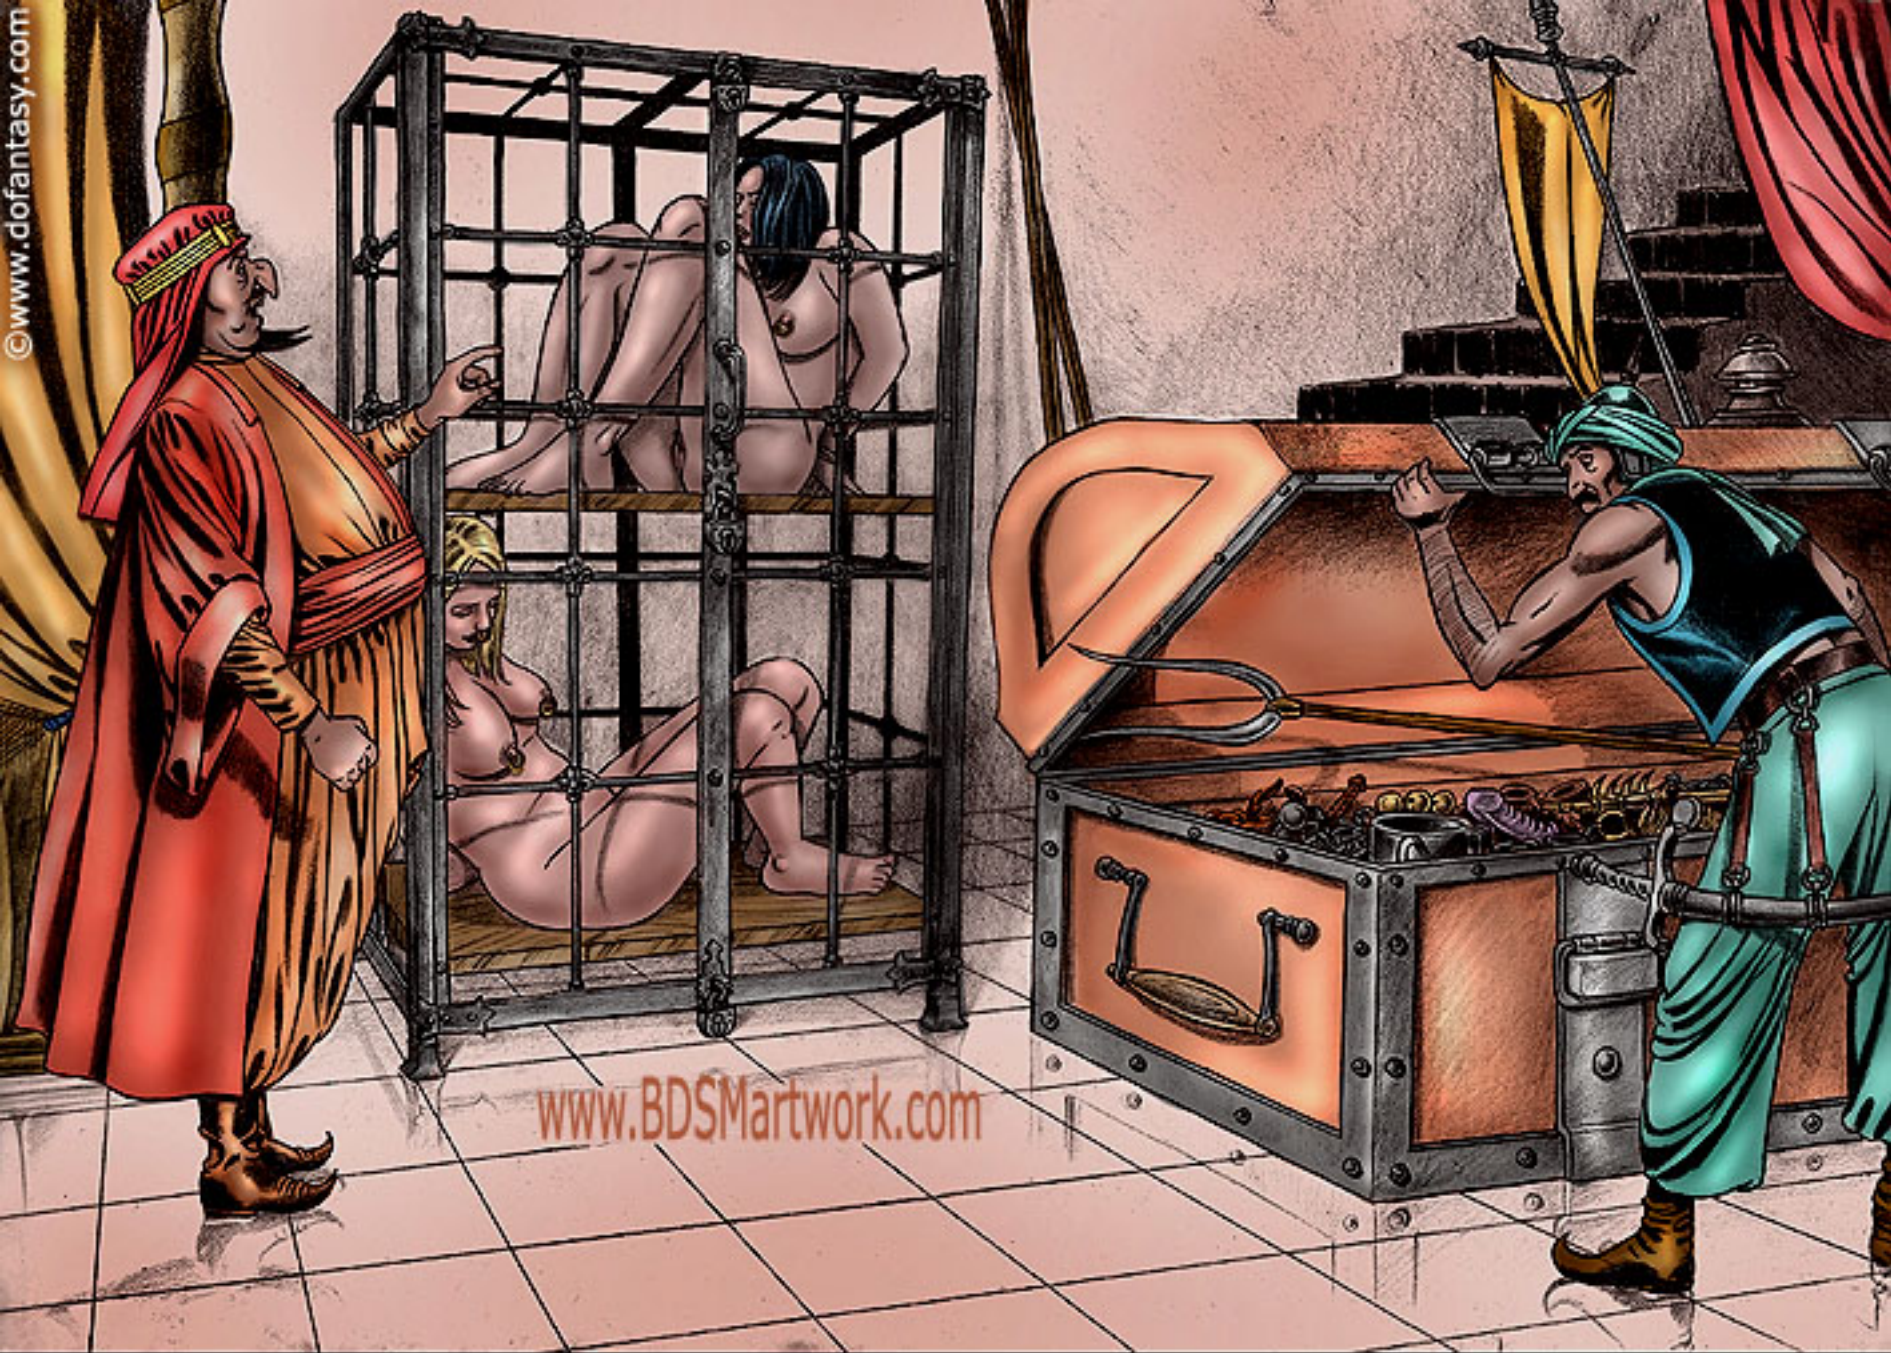

"Now it's nice and clean, and your Master will dry it between your big slave's tits. And if your Master presses your tit's together, his worthless slave will give him some pleasure..."

"No, please ... Please Master! ... Please Master, no, please, don't..."

"Aaaagh! Take that, you dirty slut! Take that in your proud slave's mouth ... ugh ... and take that ... all over your proud slave's face ... ugh!"

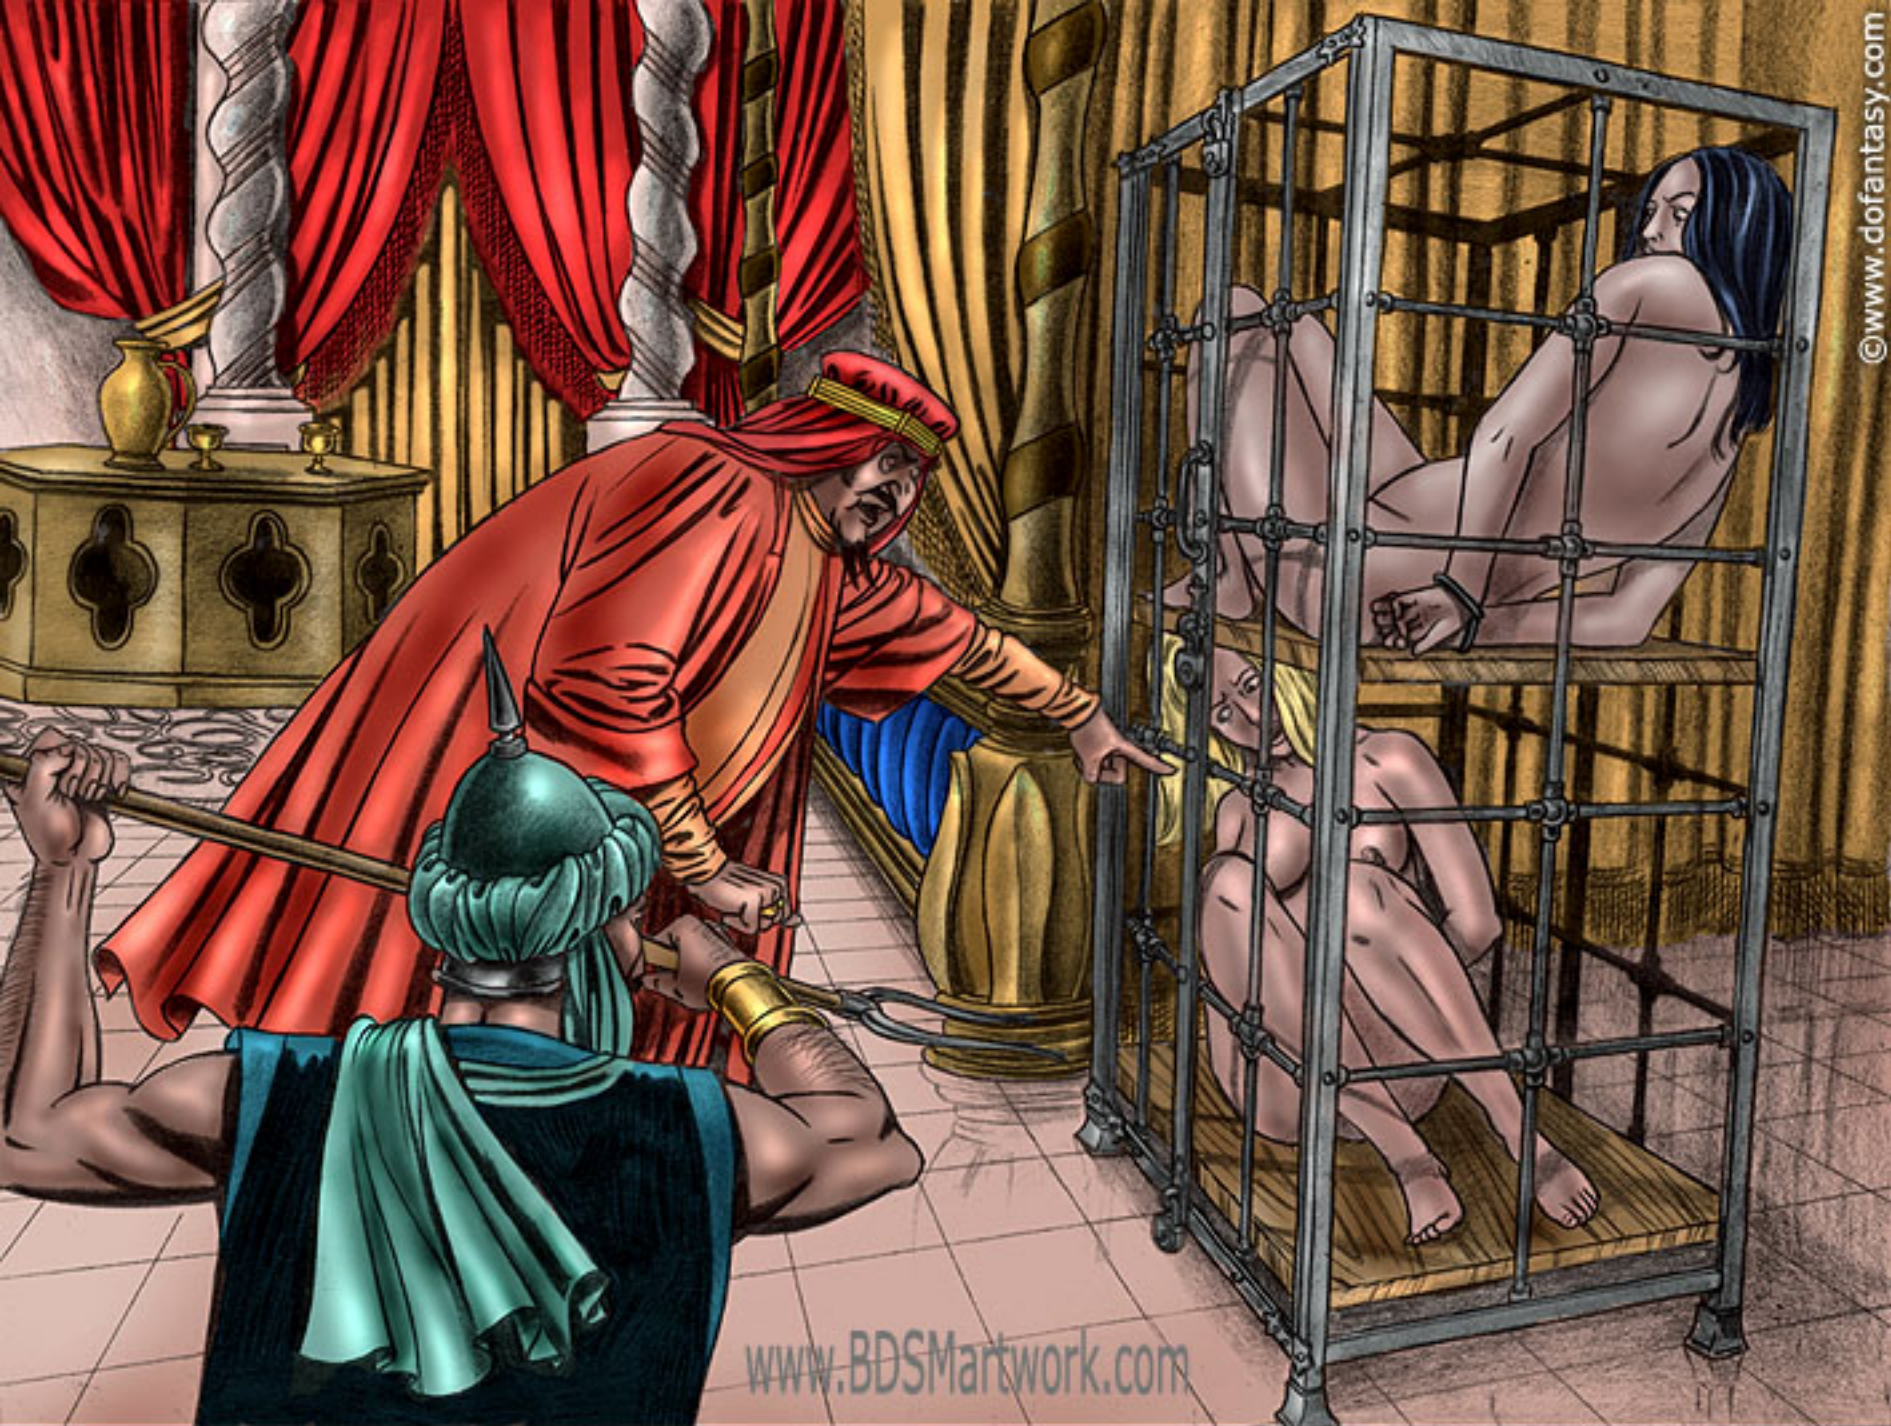

"AAAAGH! NOOOOOOOOOOOO!!!"

"How are my Christian bitches this morning? A hot Christian bitch makes a good start to the day, better than breakfast! Ha! Ha! Ha! Let's see... which one?"

www.BDSMartwork.com

"I'll have the blonde honey-pot!"

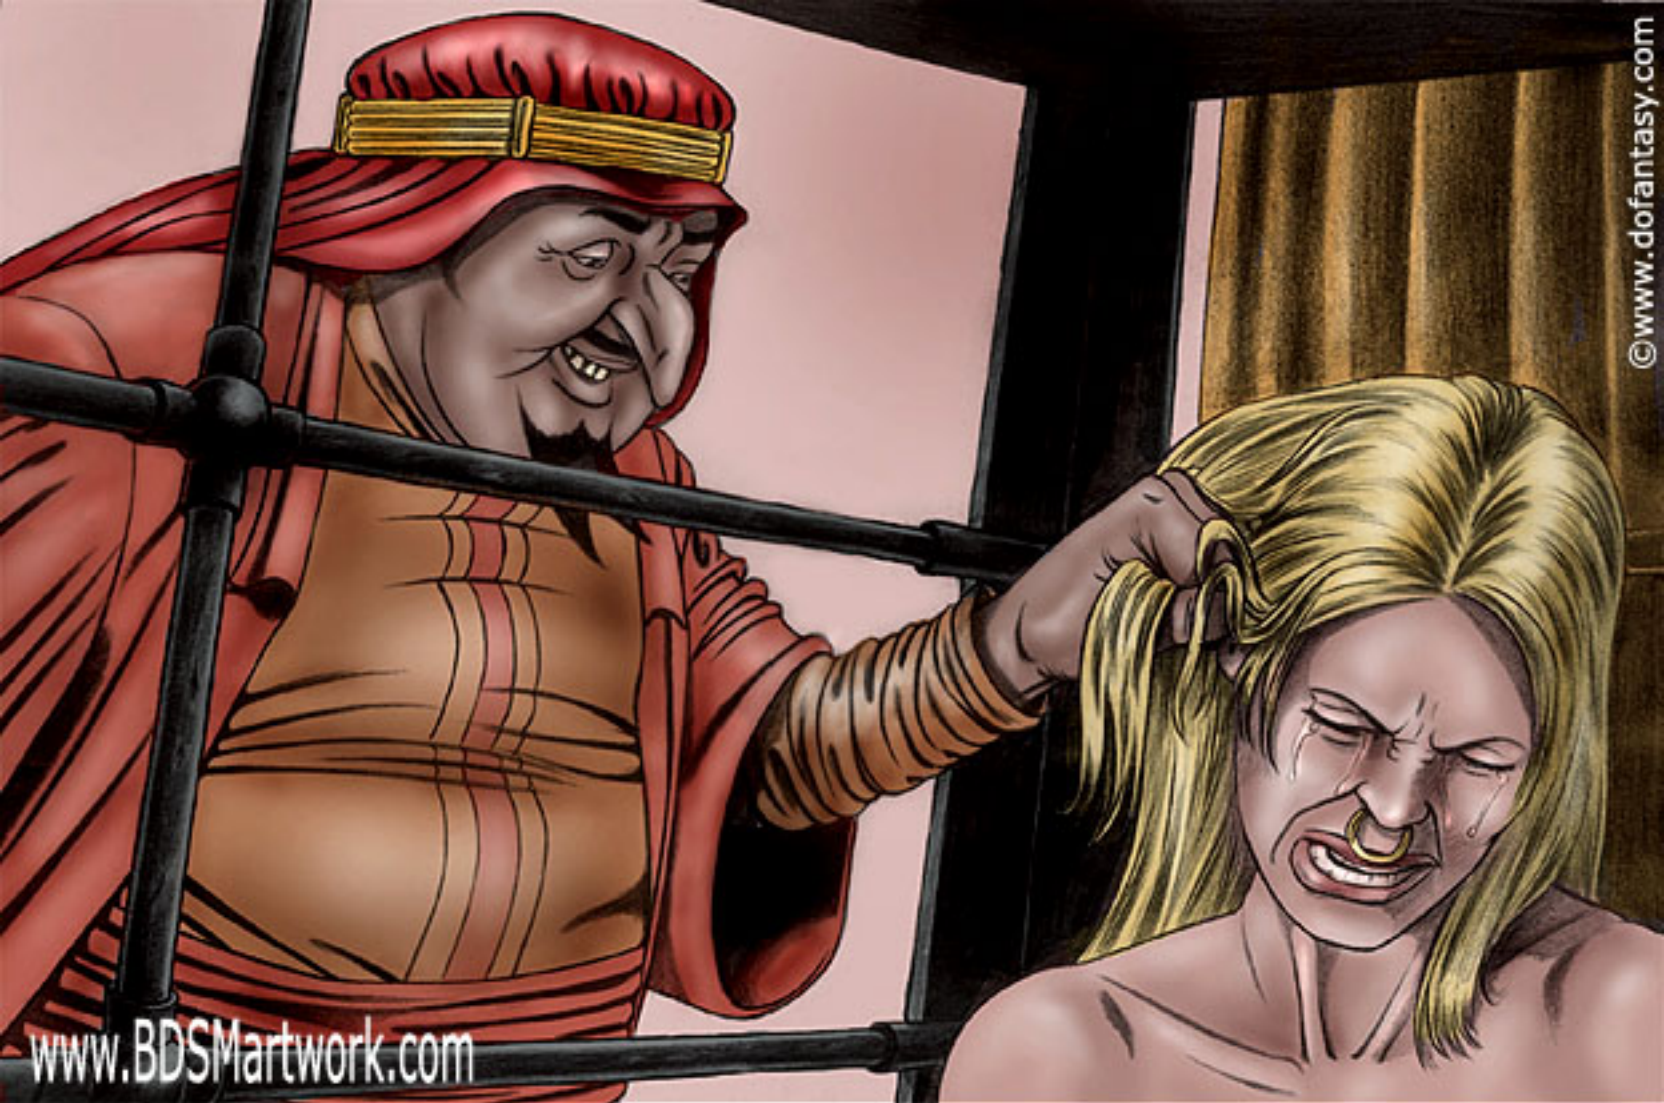

www.BDSMartwork.com

"I get served breakfast every morning. Today it's you."

"Over here, slave."

"NOOOOOOOOOOOOOOOOOOOOOOOO!!!"

www.BDSMartwork.com

"It's an honor for you, slave, isn't it? Your cunt will be your Master's honey. Your mouth will flow with his milk."

www.BDSMartwork.com

"Ah, such silky skin, so soft... and such a tempting neck. Elegant but strong. We'll see if it can embrace my prick. Lick your lips, Christian slave."

©www.dofantasy.com

www.BDSMartwork.com

"Open your mouth and suck the Emir's prick. Yeah... use your tongue now. Stick the tip in the hole on the end... that's better ... ah! ... again... do it again my little Christian bitch!"

www.BDSMartwork.com

How do you feel with your nose ringed ... chained in a cage ... on your knees ... stark naked ... and sucking the prick of the glorious man who is now your Master ... The man who possesses you totally... What would your friends in London say if they saw you now? Well, that's your life from now on... waiting in a cage for my balls to top up again... Ha! Ha! Ha!

"You see how useful white slaves are? We'll keep you in cages, with your tits and cunts naked, waiting to serve your Master, waiting to receive his cum. Your parents would be so proud to see you now. Your London boyfriends too. Suck on, you slut, drink deep of the Emir's milk, it's on its way..."

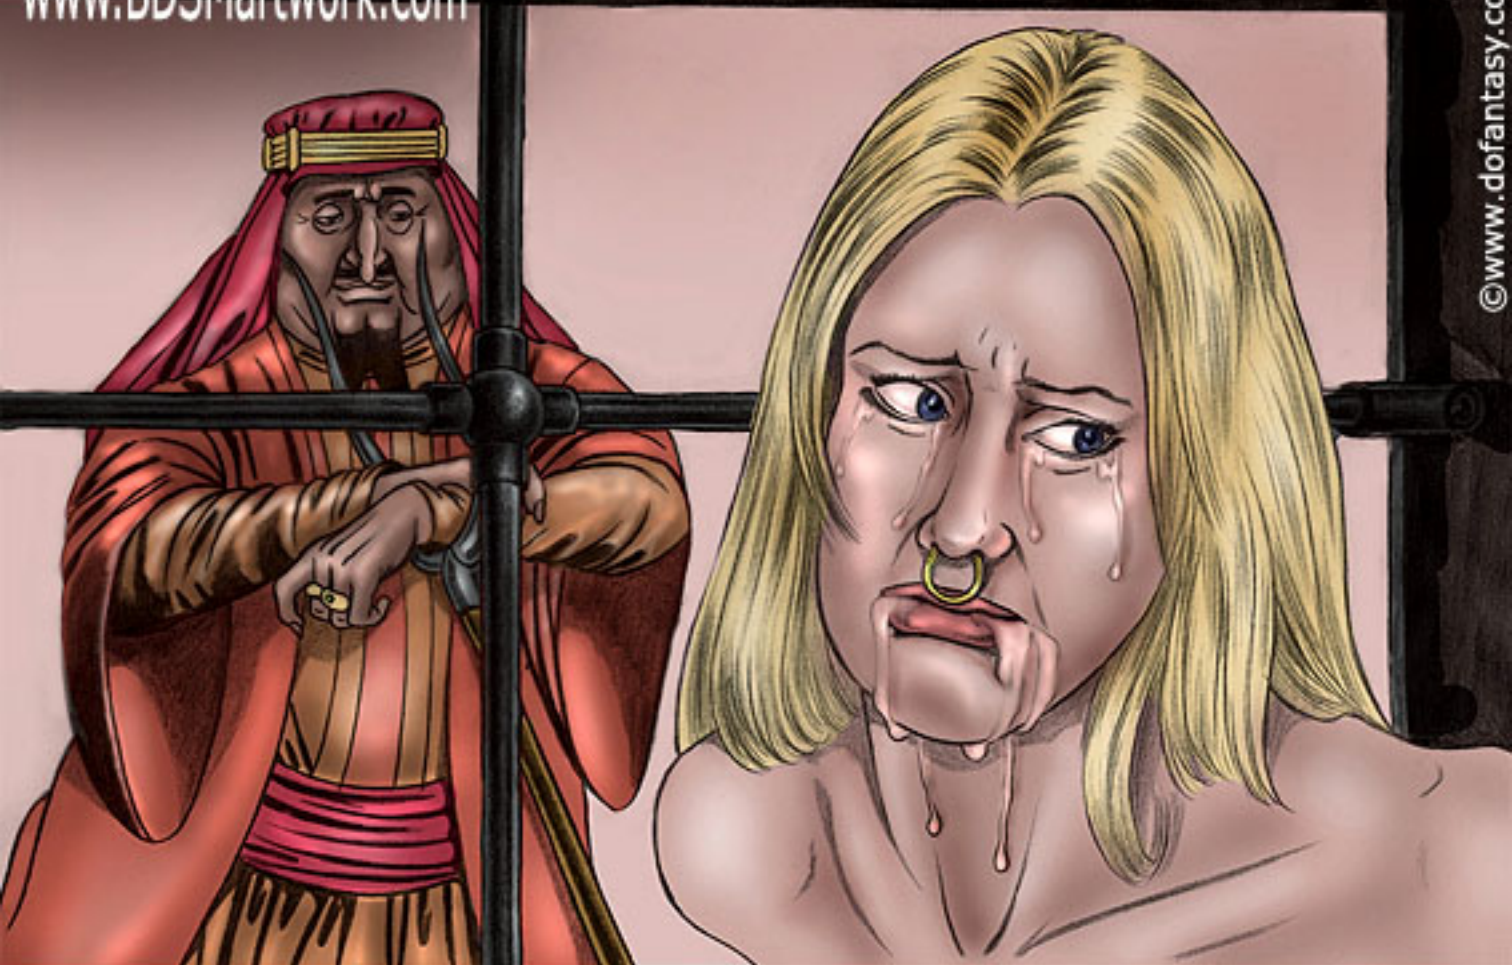

"You're wasting it, white slave. Swallow it all now, suck it in... the Emir's milk is nectar, a delicacy for a Christian dog."

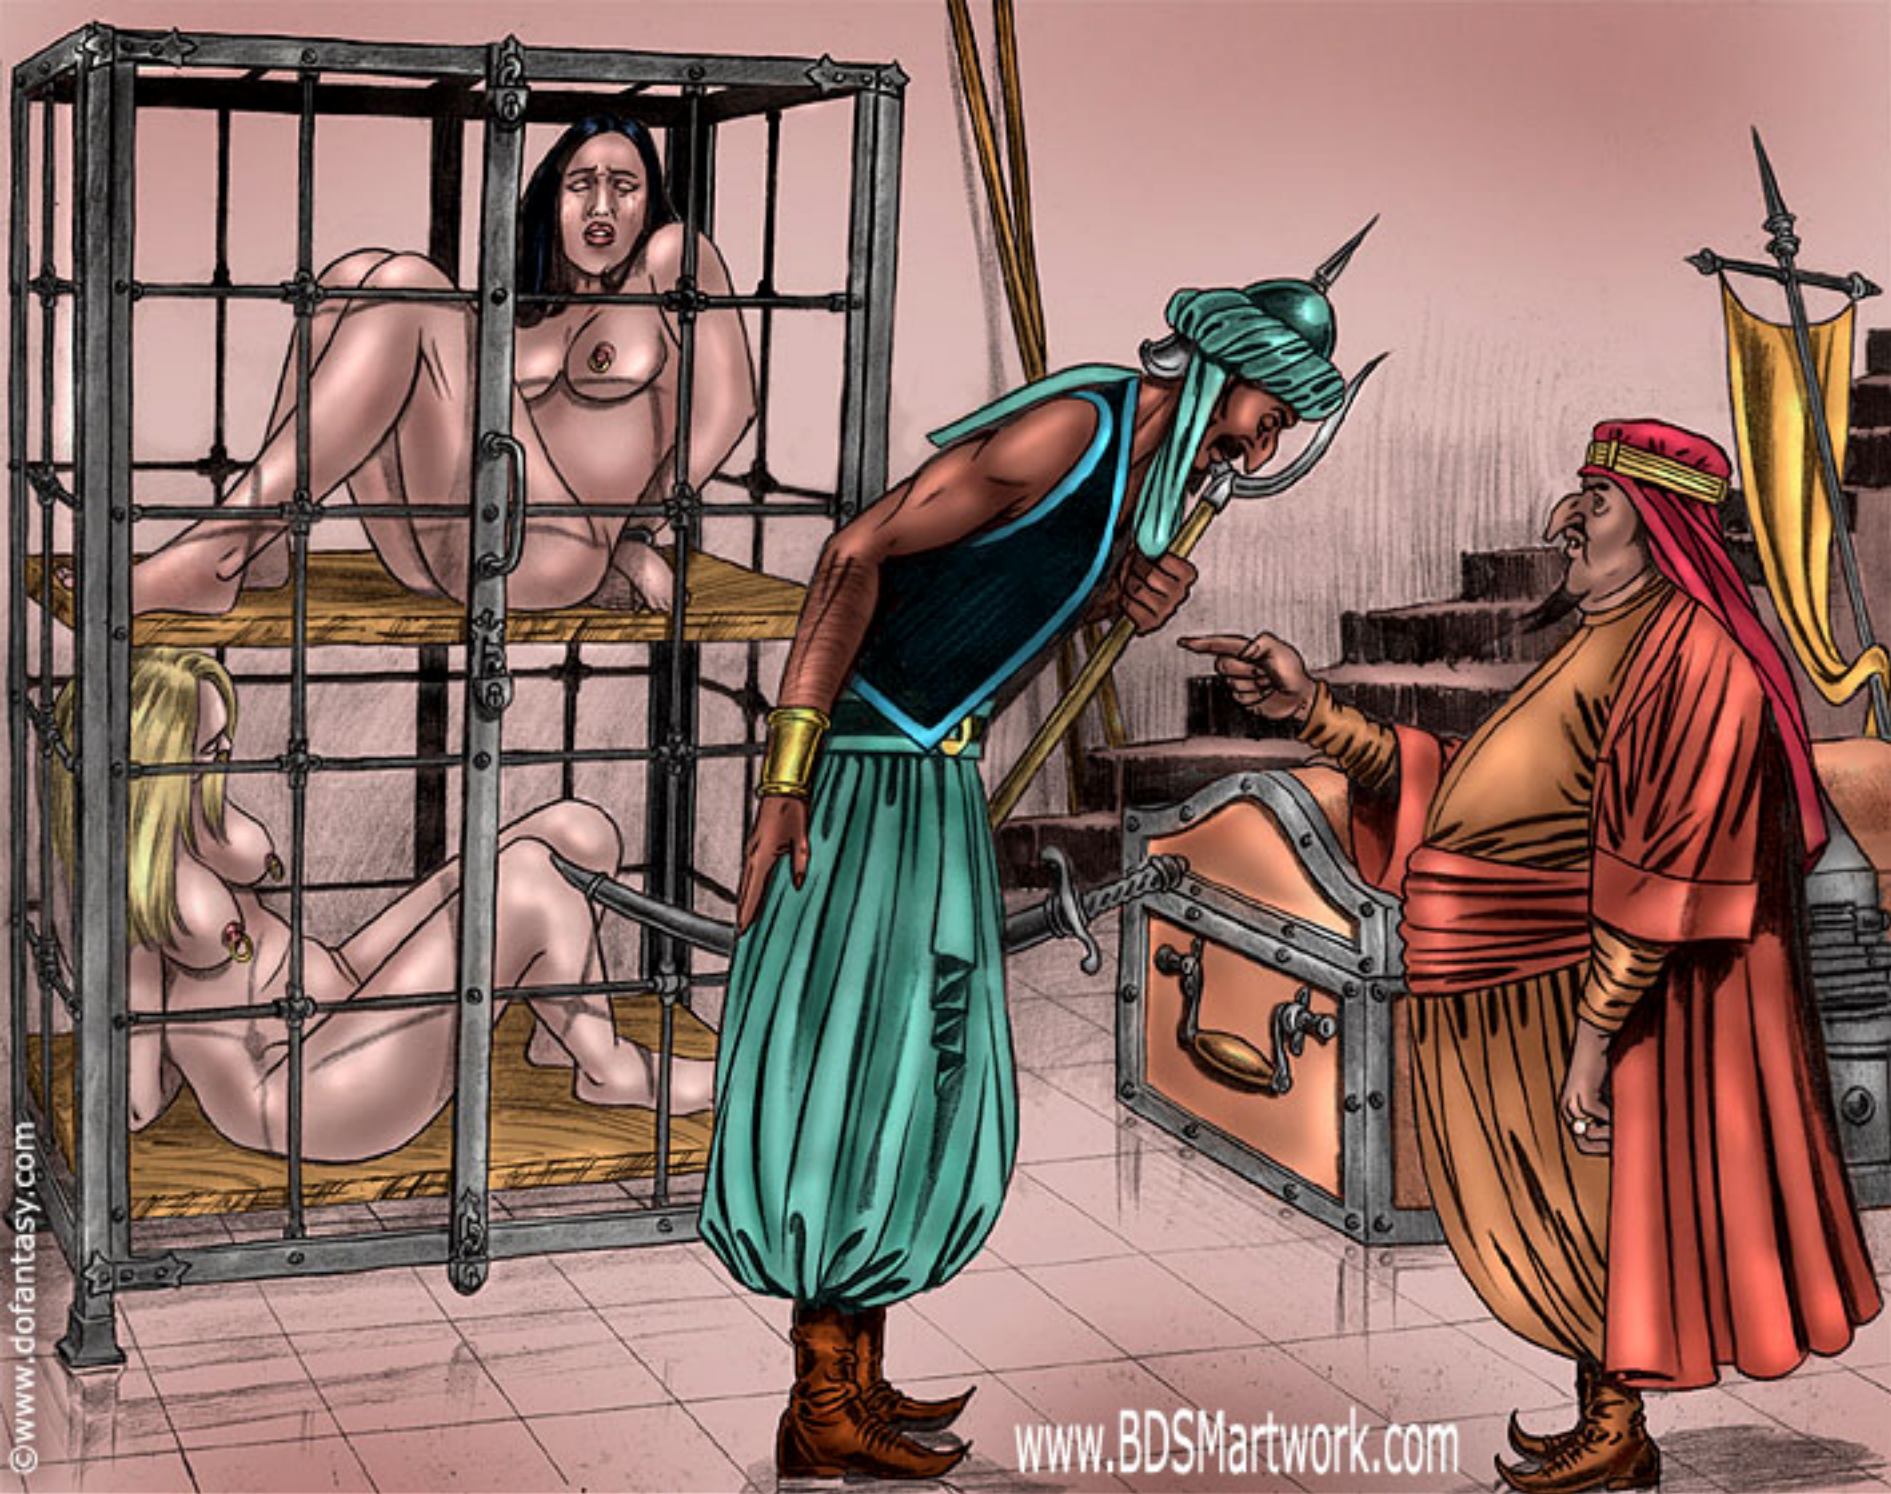

www.BDSMartwork.com

"Suck, will you! I'm still dribbling. Suck it when it oozes out. Good... that's the way. Swallow it, dog... Oh yeah... I love to fuck that pretty face of yours..."

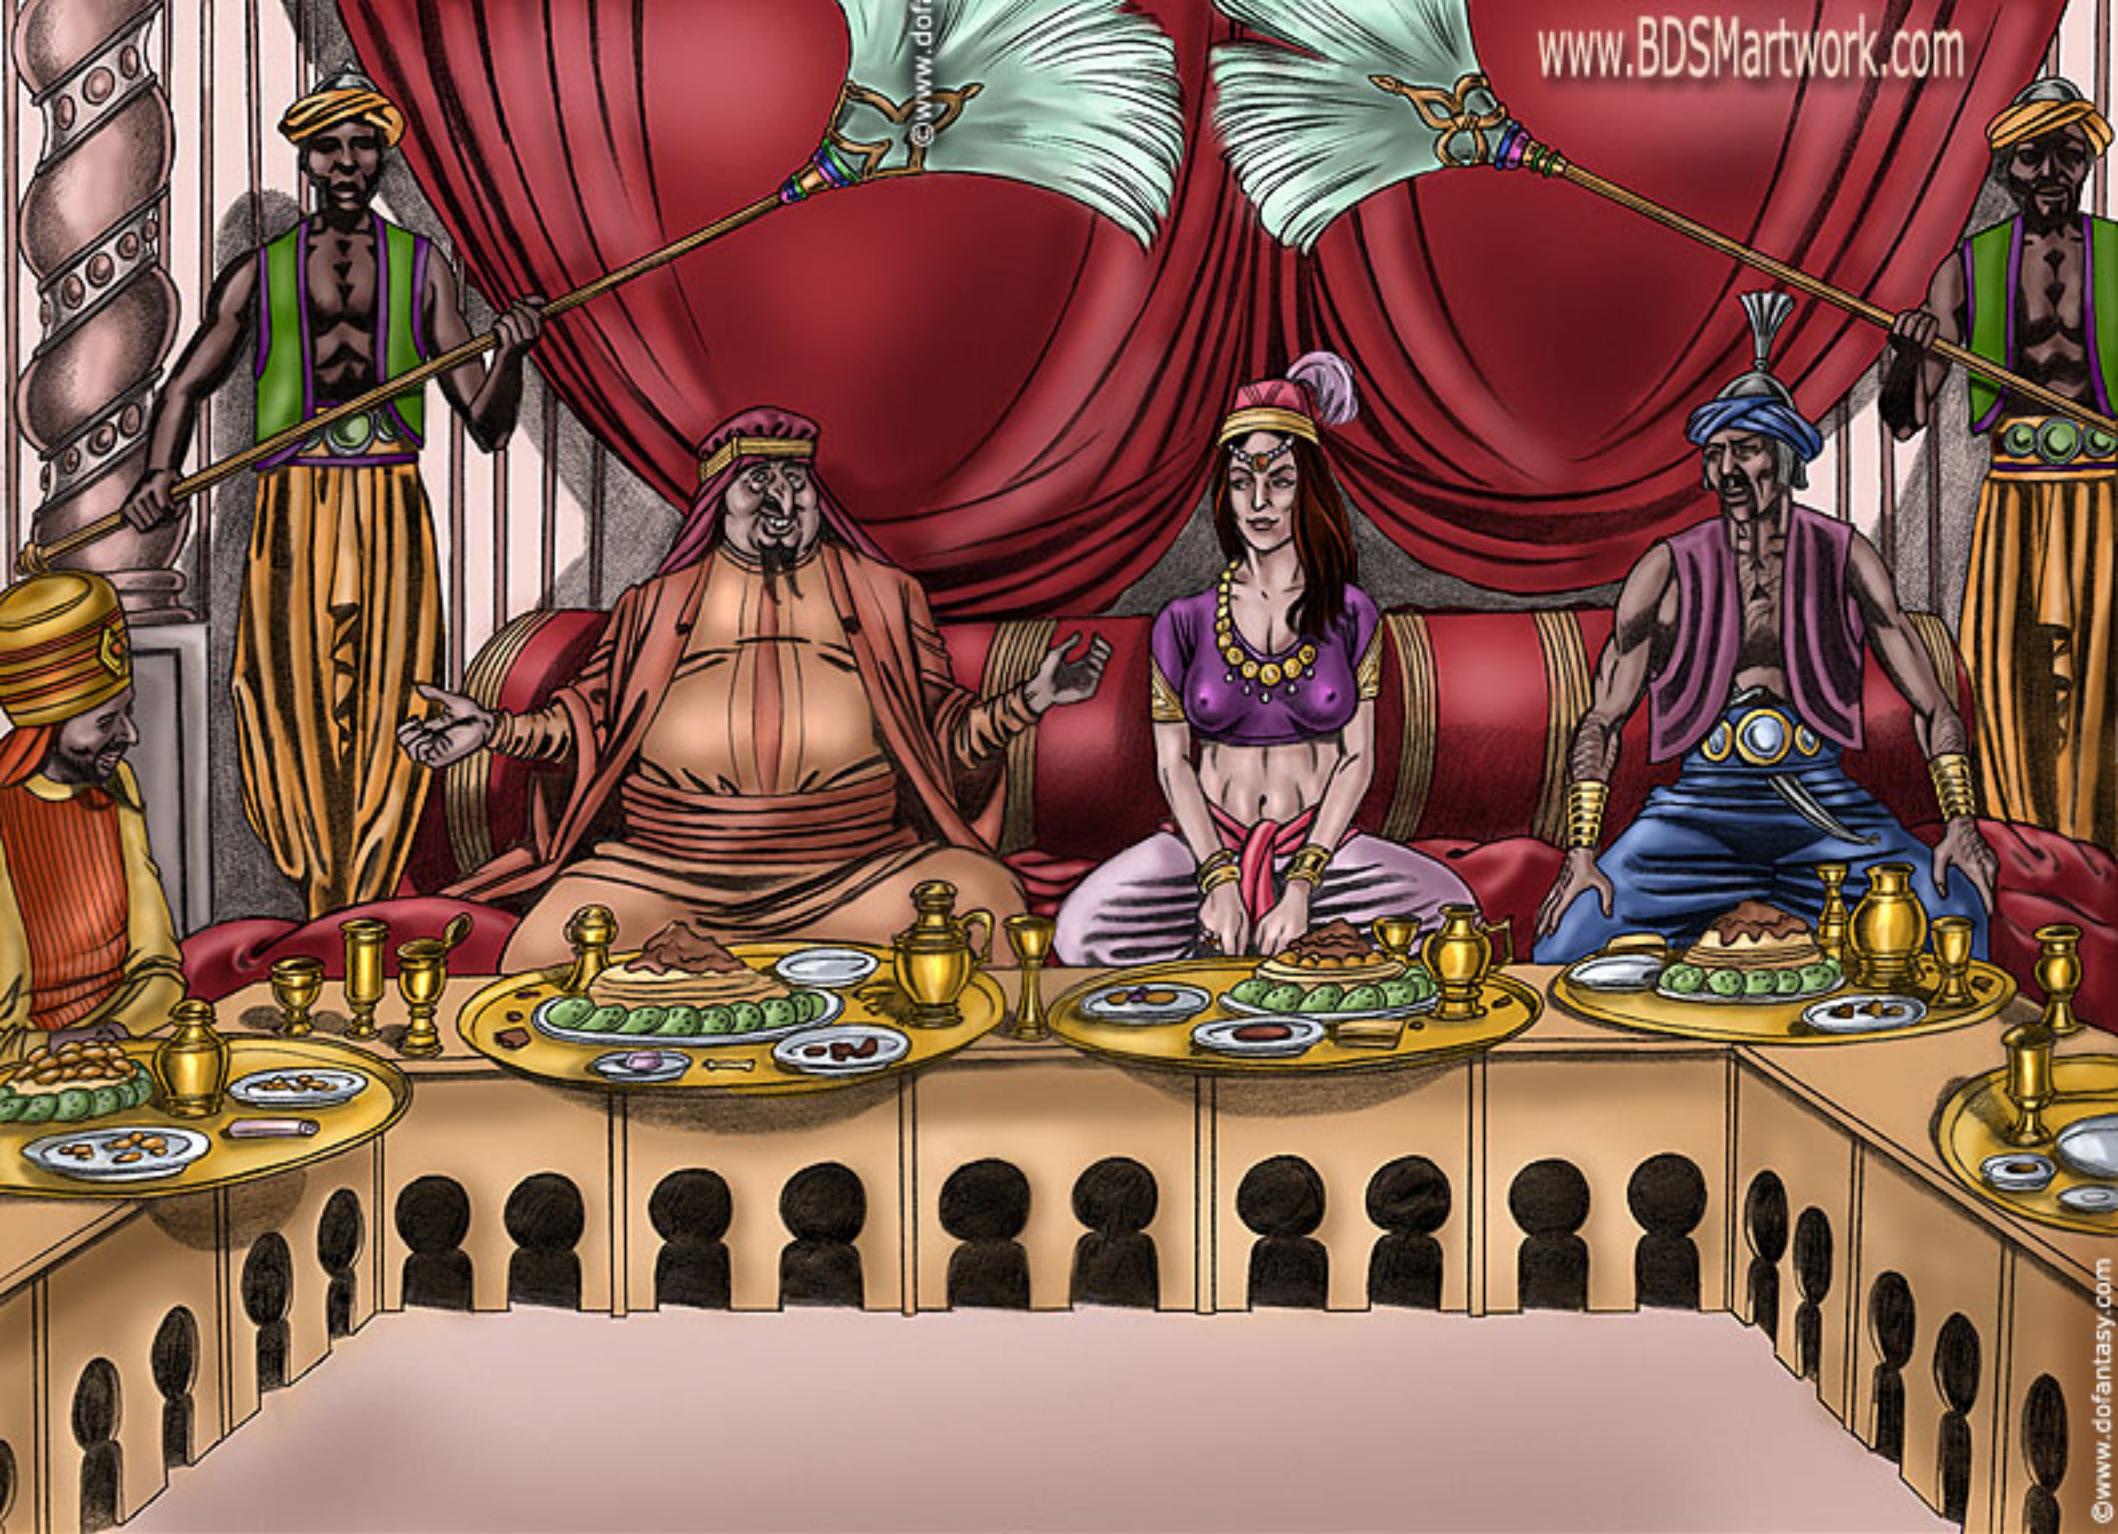

"You were good for a white bitch. If you carry on like that, I'll put you in a cage with my dogs. You can fuck and suck your own kind then. Are you pleased?"

©www.dofantasy.com

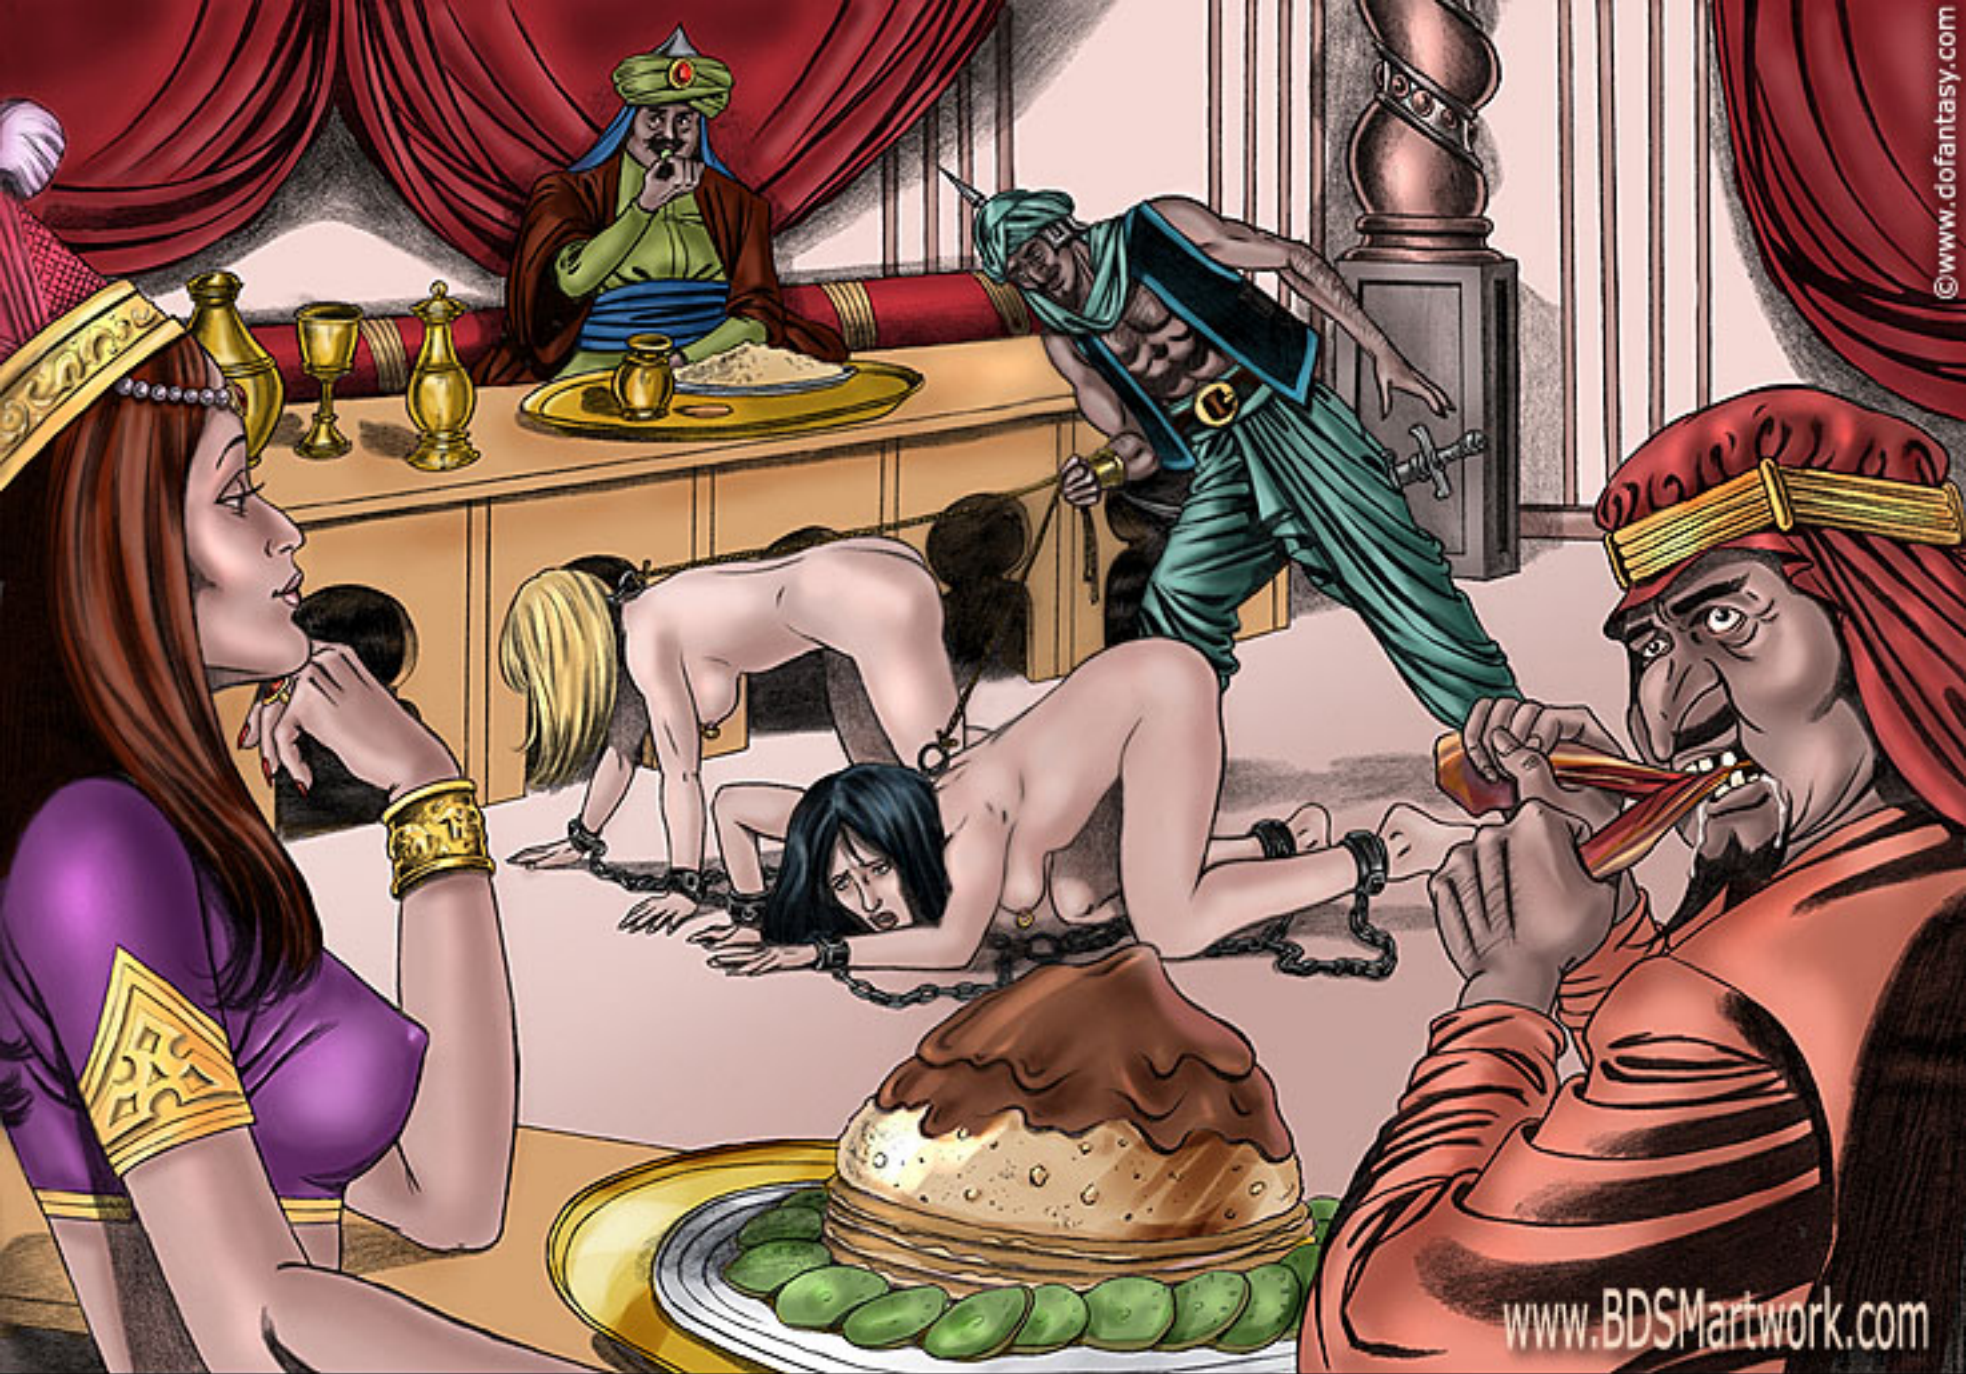

www.BDSMartwork.com

"Whip the blonde dog, ten lashes on her back will do. Then wash them. My new wife to be will be gracing us with her presence at dinner. She is most anxious to meet my new Christian cunts... Get them ready to meet their mistress."

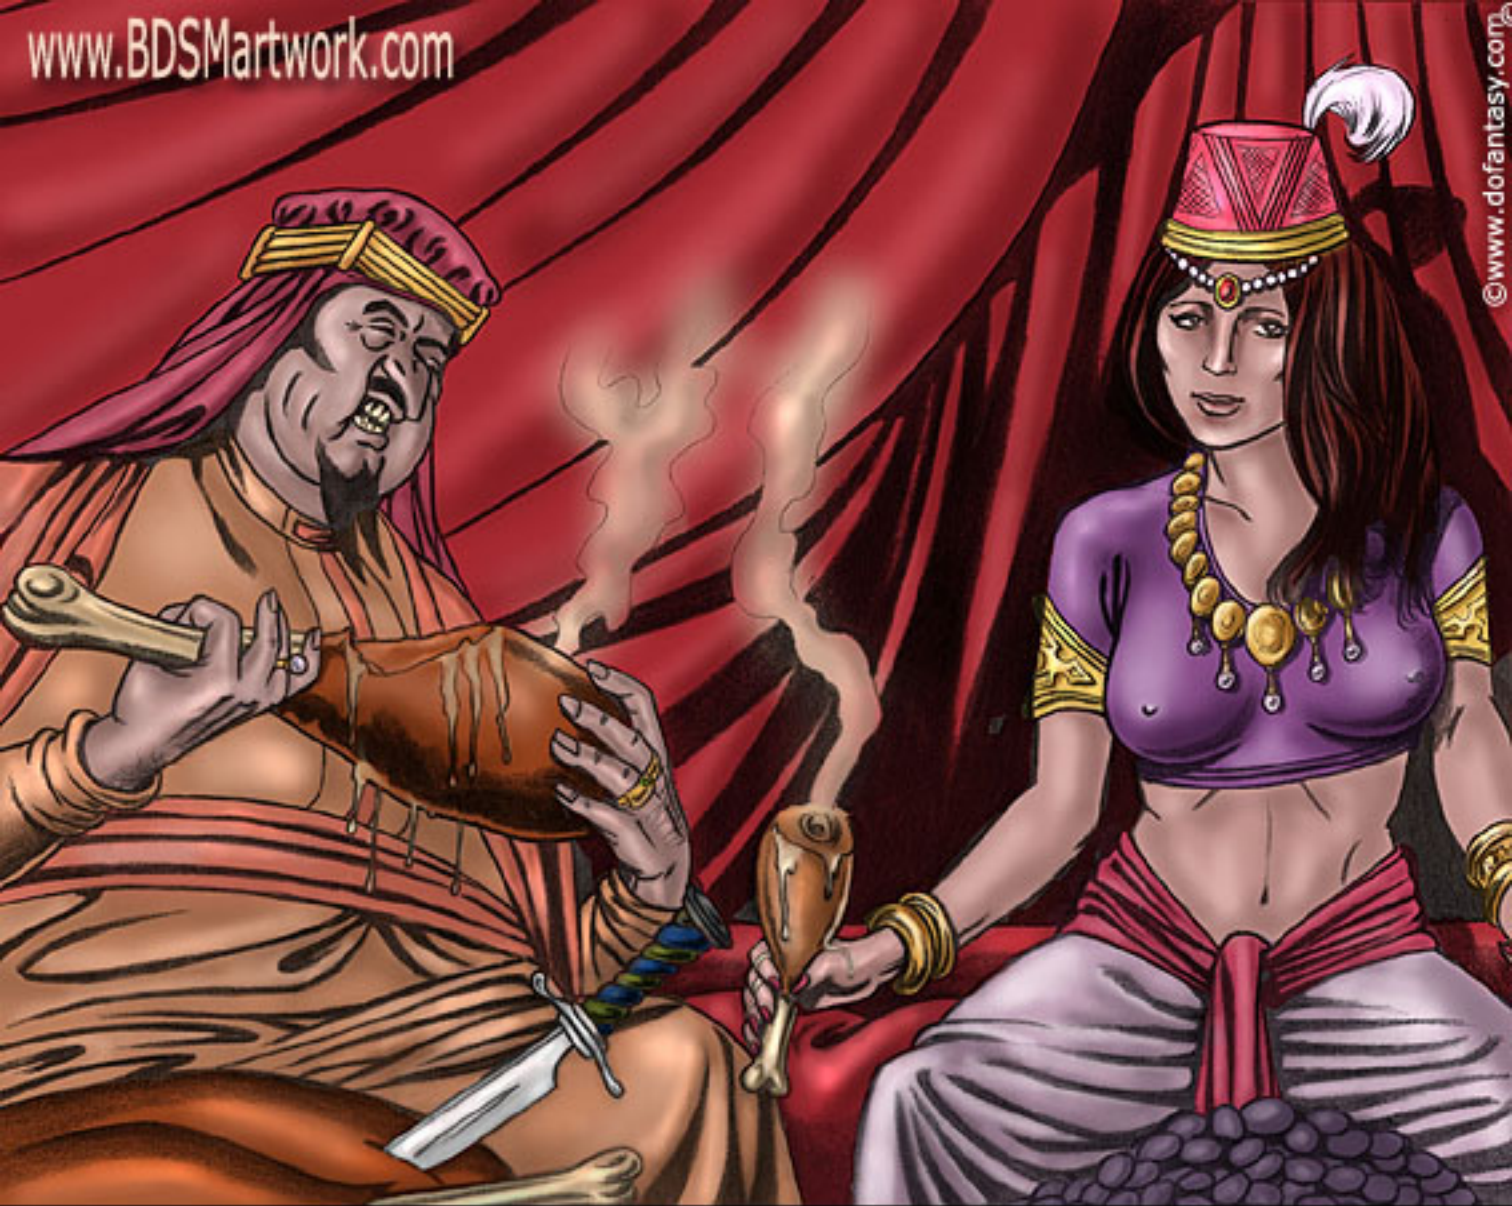

Next day, the Emir organizes a banquet to celebrate his forthcoming marriage to Princess Lamia, favorite daughter of the Emir of Oram.

"As a token of my affection, Princess, I am going to allow you to share my two new slaves. They're two sisters, English girls captured on the Mozambique Canal. White flesh..."

"As you can see, Princess, they are no longer girls! They are mere bitches, Christian bitches... I keep the brunette for myself, but you are welcome to the blonde, my dear. She's quite stubborn and selfish, I'm sure you'll like owning her."

"I thought you might like your own puppy to play with. Something exotic..."
"Thank you, Emir, I met a few like her in London. I always wanted a blonde slave of my own. This little puppy will lick me to sleep at night."

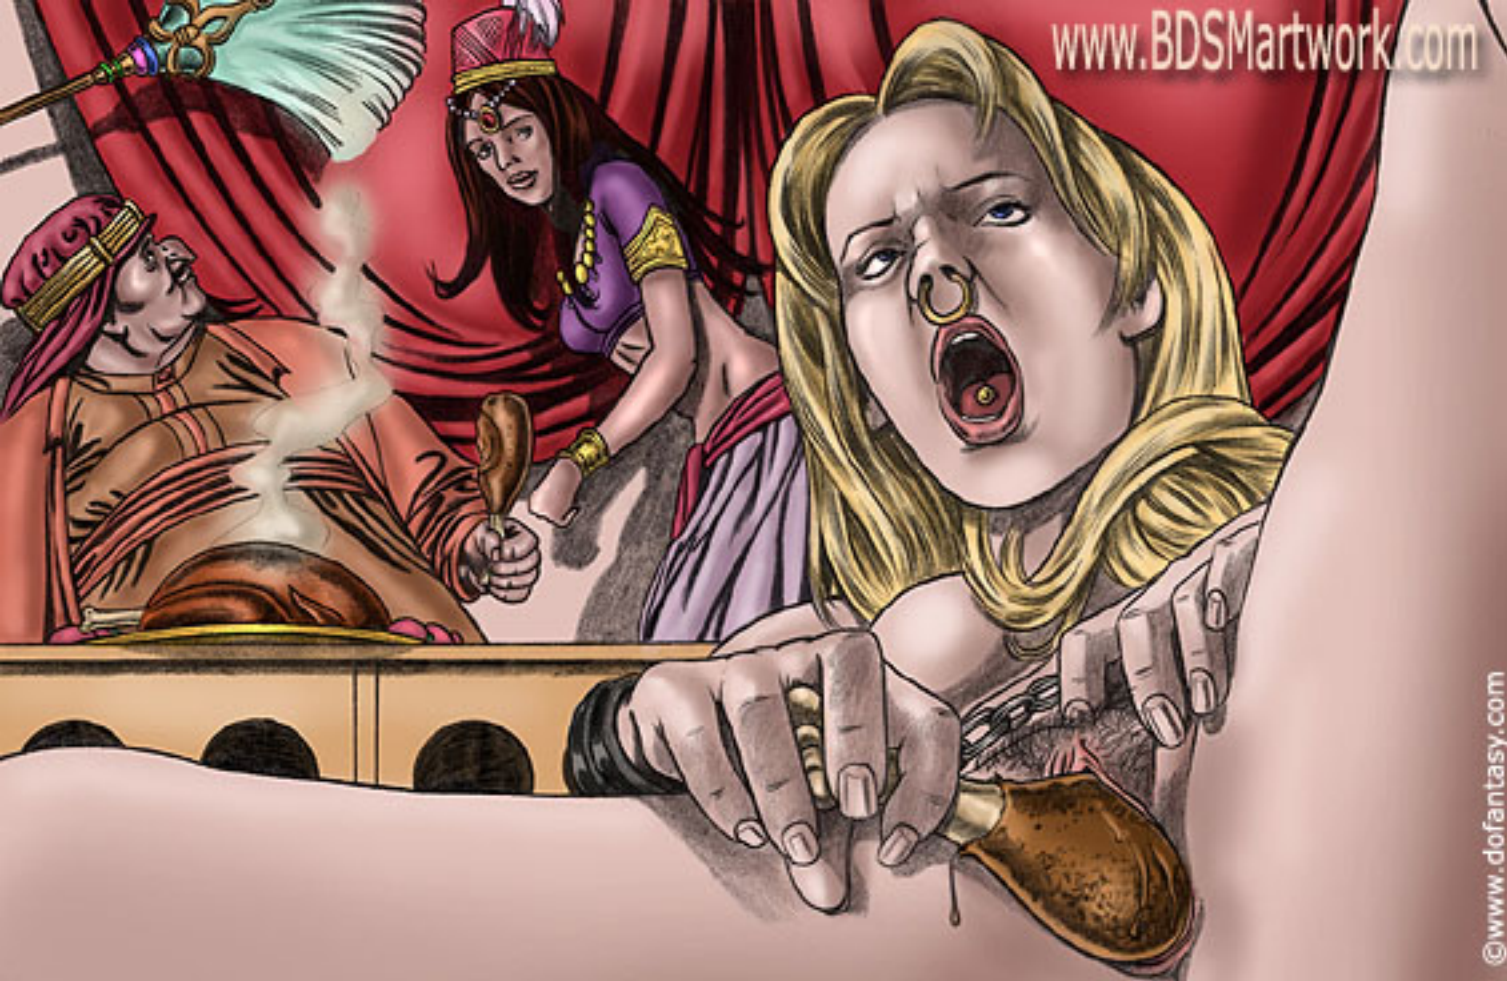

"Here, blonde! Fetch! Fetch! And stick it right up your wet bitch's cunt!"

www.BDSMartwork.com

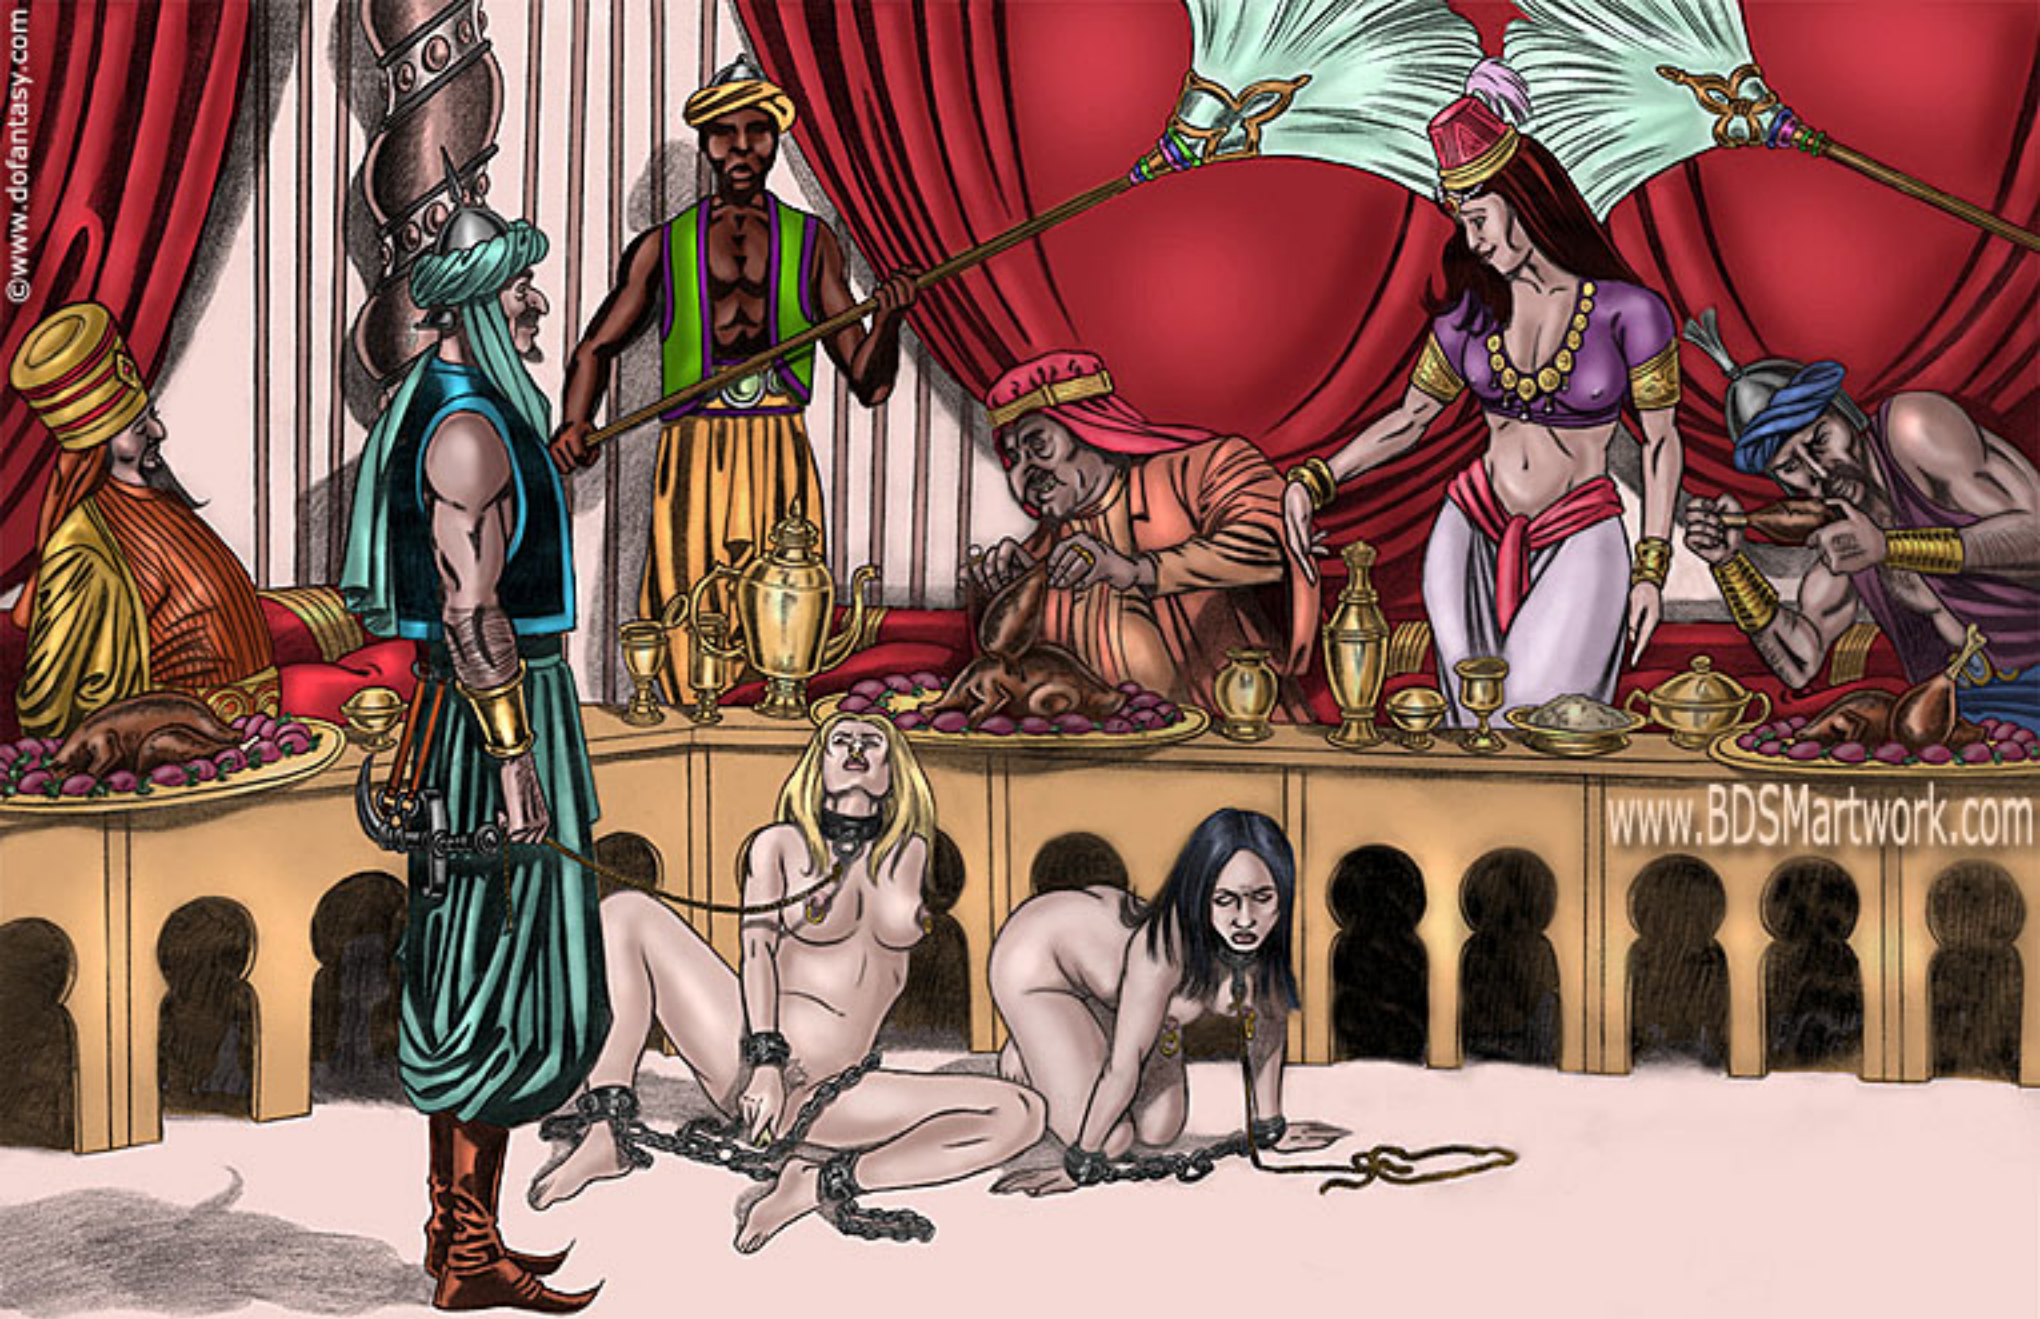

"AAAAAAGH! It stings!"

"It's soaked in hot spice. Come on now, there's a good doggy! Fuck yourself with it! Come in front of all of us, we want to see what a Christian bitch looks like when she's spending herself!"

"Emir, I don't like the way your dark slave just looked at me. Will your Highness allow me to teach her a lesson?"

"Of course, princess. My slaves are your slaves."

"You! Dark one! Get up on the table like the bitch you are! Raise your buttocks! Show us both your Christian holes! You're going to learn a lesson in humility..."

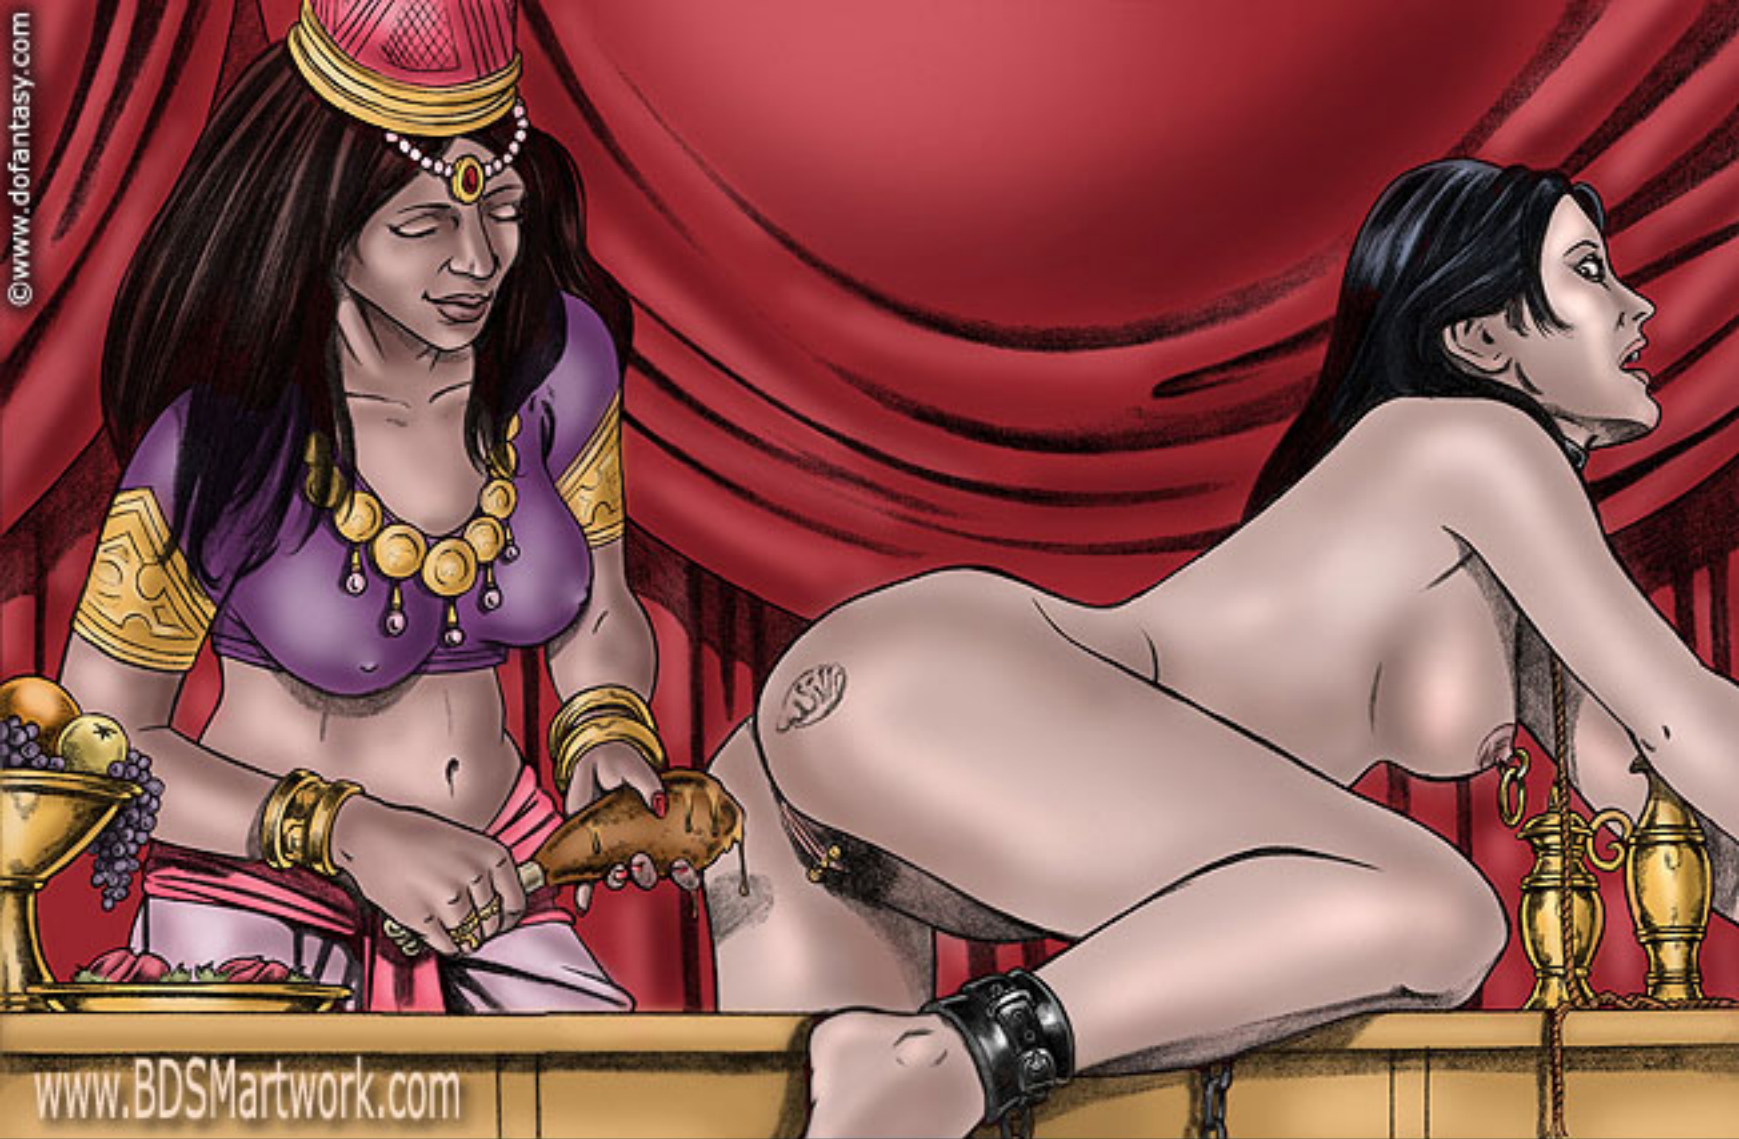

"Your cunt is wet! Smells too! You're on heat, aren't you? I'll ask your master if he can find a Great Dane to mate with you. Would you like some pups of your own?"

www.BDSMartwork.com

"Mmmmm! Tight and juicy, your little bumhole, Christian dog! Has your master fed you yet?"
"No, mistress."

www.BDSMartwork.com

"You must be hungry too! I'll give you a spicy turkey thigh as well. Come on, you bitch! Stick your bum up in the air! Breathe deeply, relax your asshole, let it suck..."

"NOOOOOOOOOOOOOOO!"

"Your slave has a sensitive little suckhole, your Excellency. You will enjoy taming her"

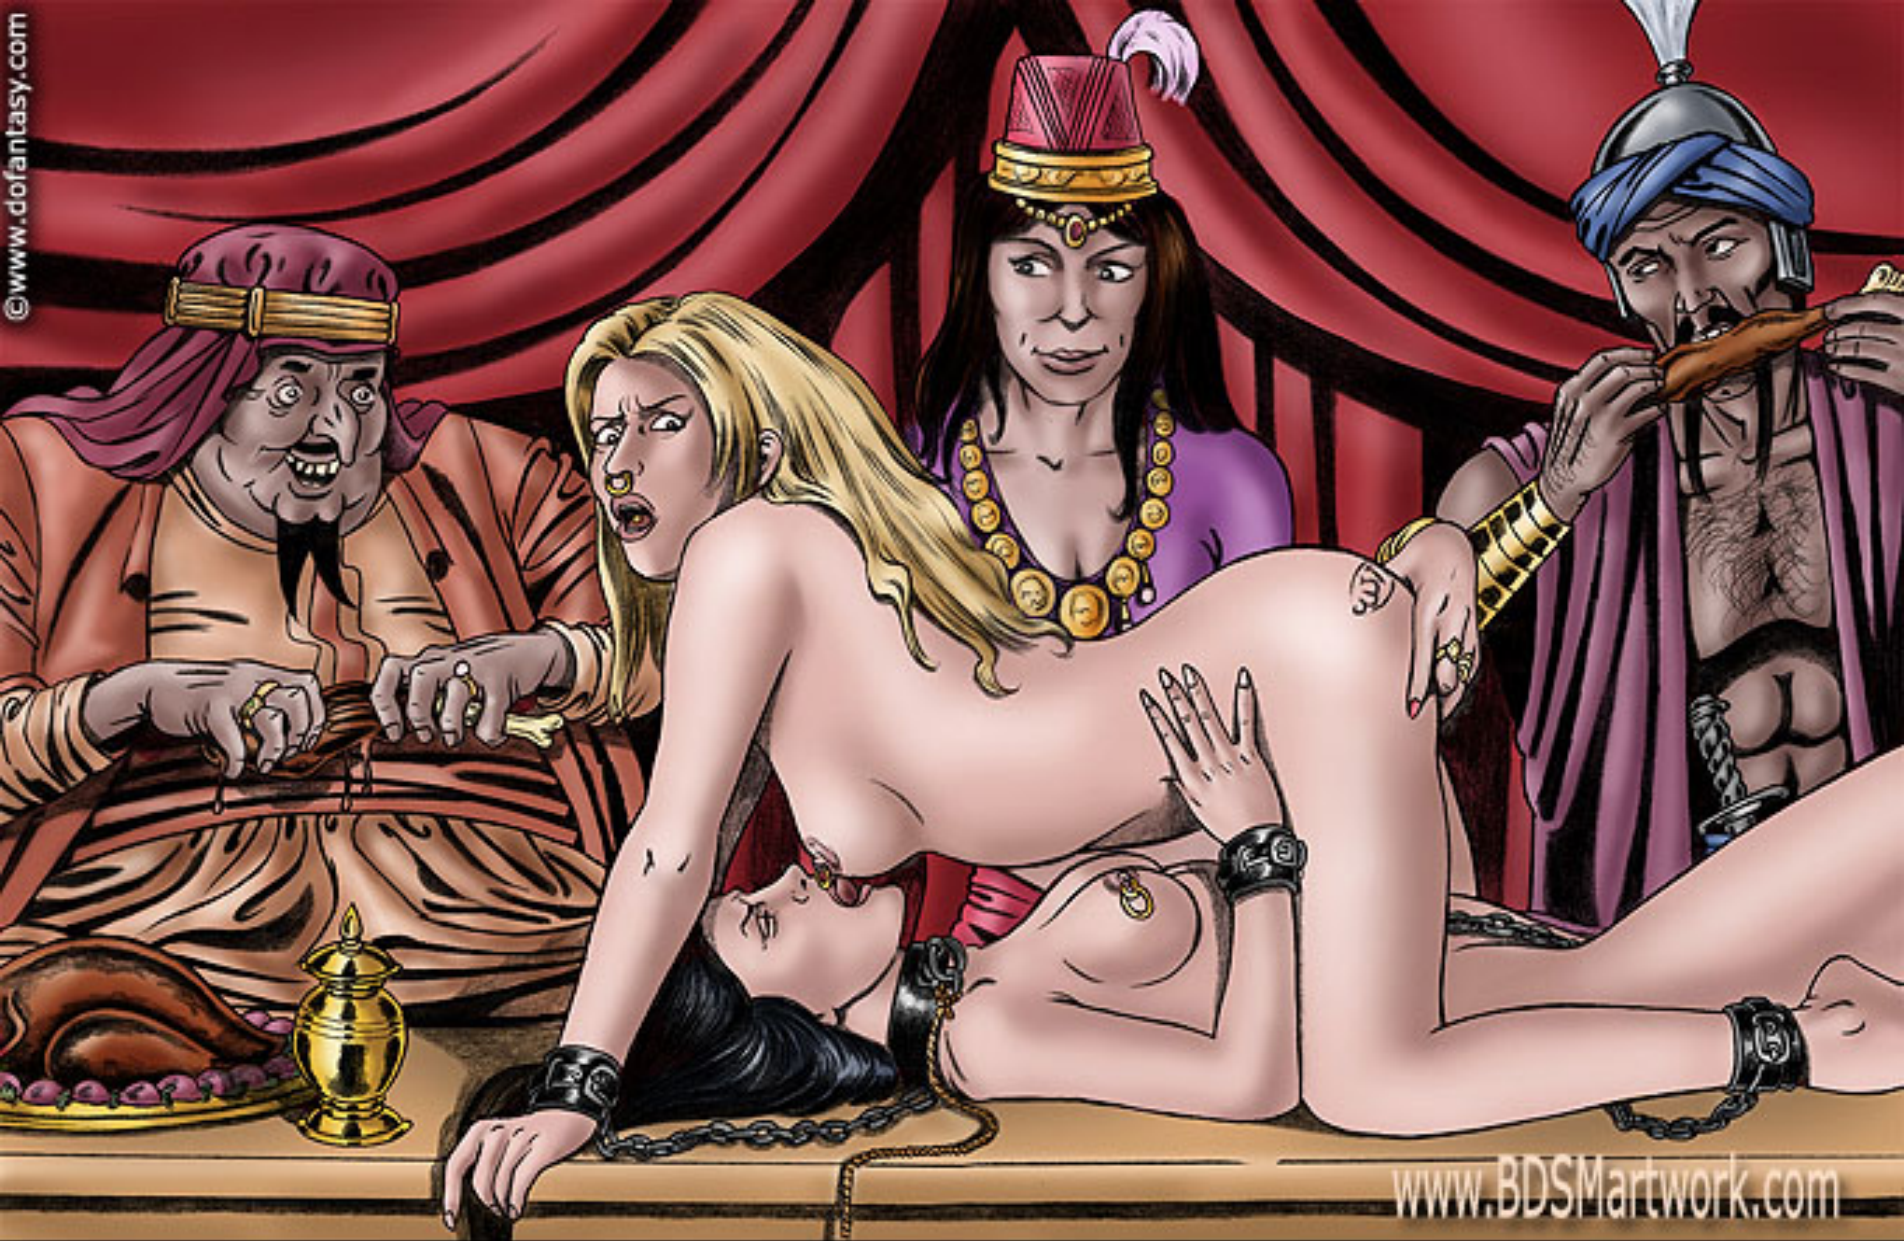

www.BDSMartwork.com

"I trust you will help me, Princess, to break these new slaves in! There's nothing like one of our own women to teach these Christian bitches how to keep their owner happy! Also, I will be a very demanding husband, and you will be able to rest more if these bitches know their job."

"I will be your wife, Emir, but kindly remember that our marriage is strictly political. These bitches can keep you happy. They can also keep me happy. Perhaps it will help me overcome my racist dislike of white women. Hey, blondie! Get up here and eat your sister's cunt! See if you can give your Master a good hard-on and give me a nice wet pussy!"

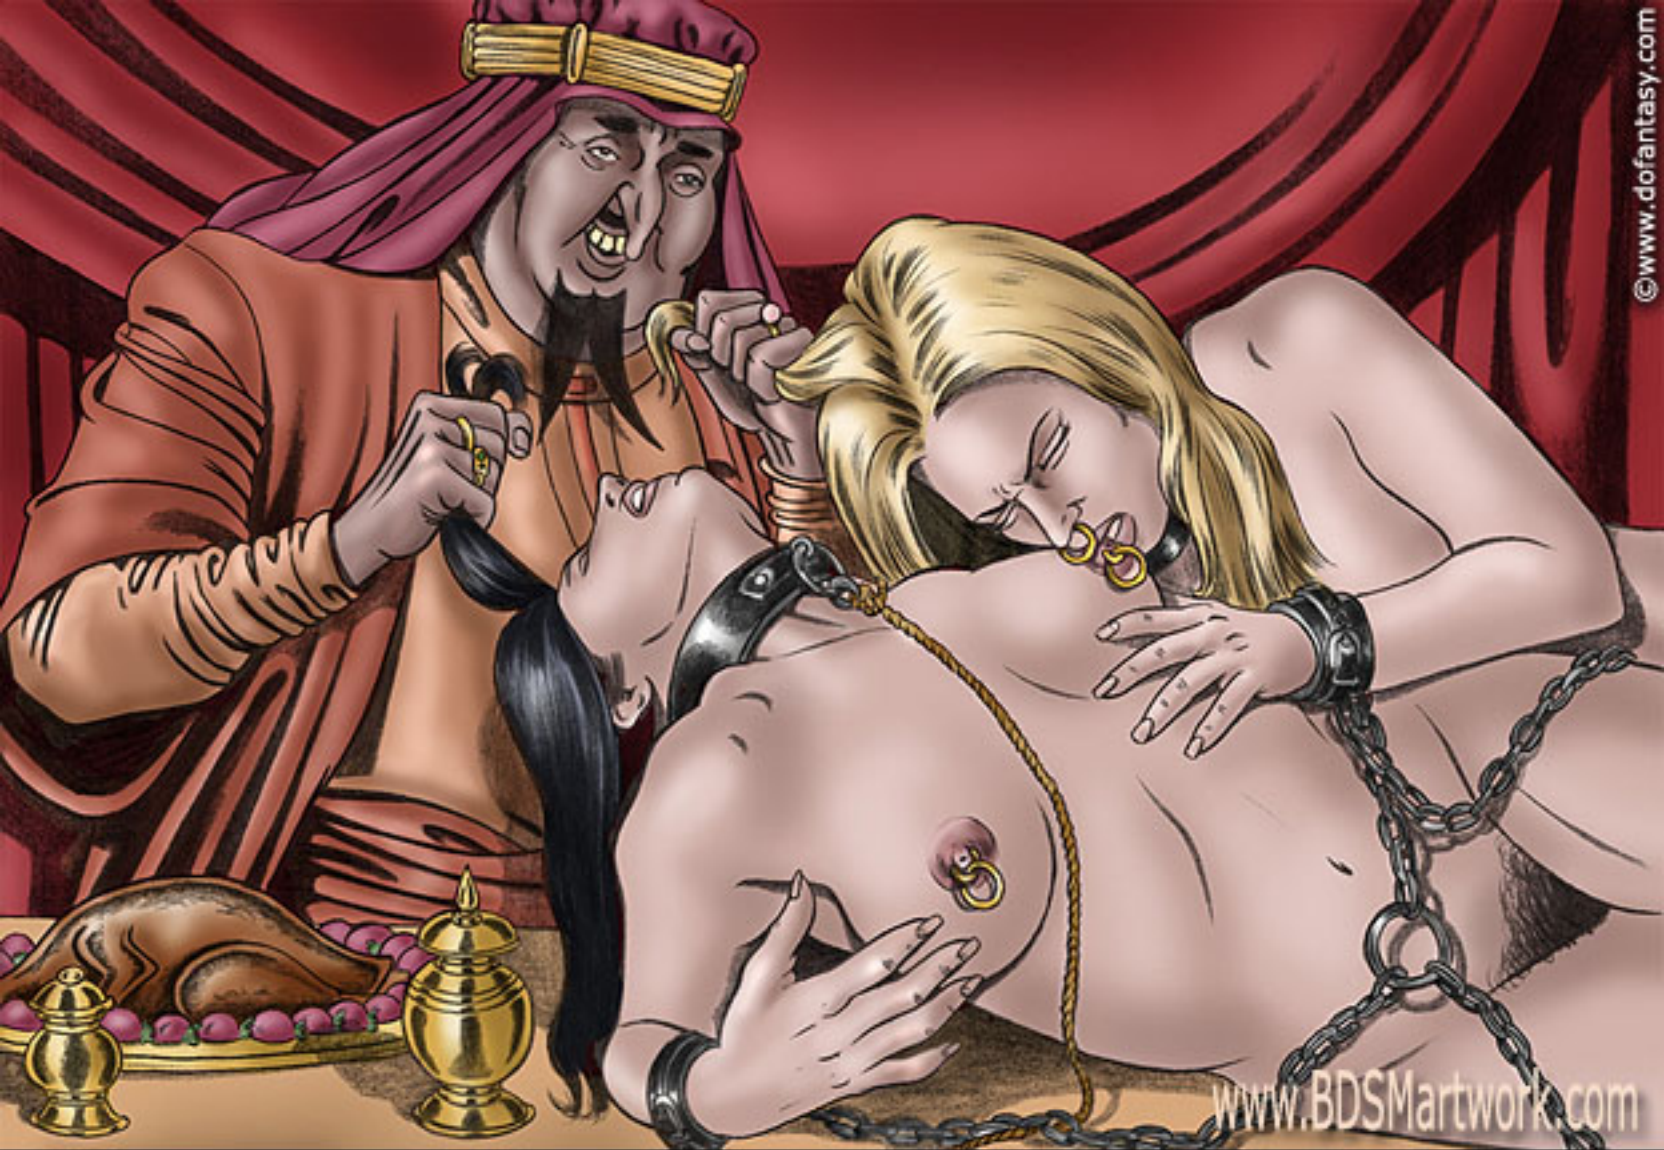

"You filthy bastards! You can't do this! It's immoral! It goes against Nature!"
"Quiet, doggy, just concentrate on your sister's lips. I'm your Master now and I like my slaves to be affectionate with each other... Now cum for me, doggy."
"Emir, my blonde slave seems competent enough at licking another bitch. I hope for her sake she's good with a Princess too..."

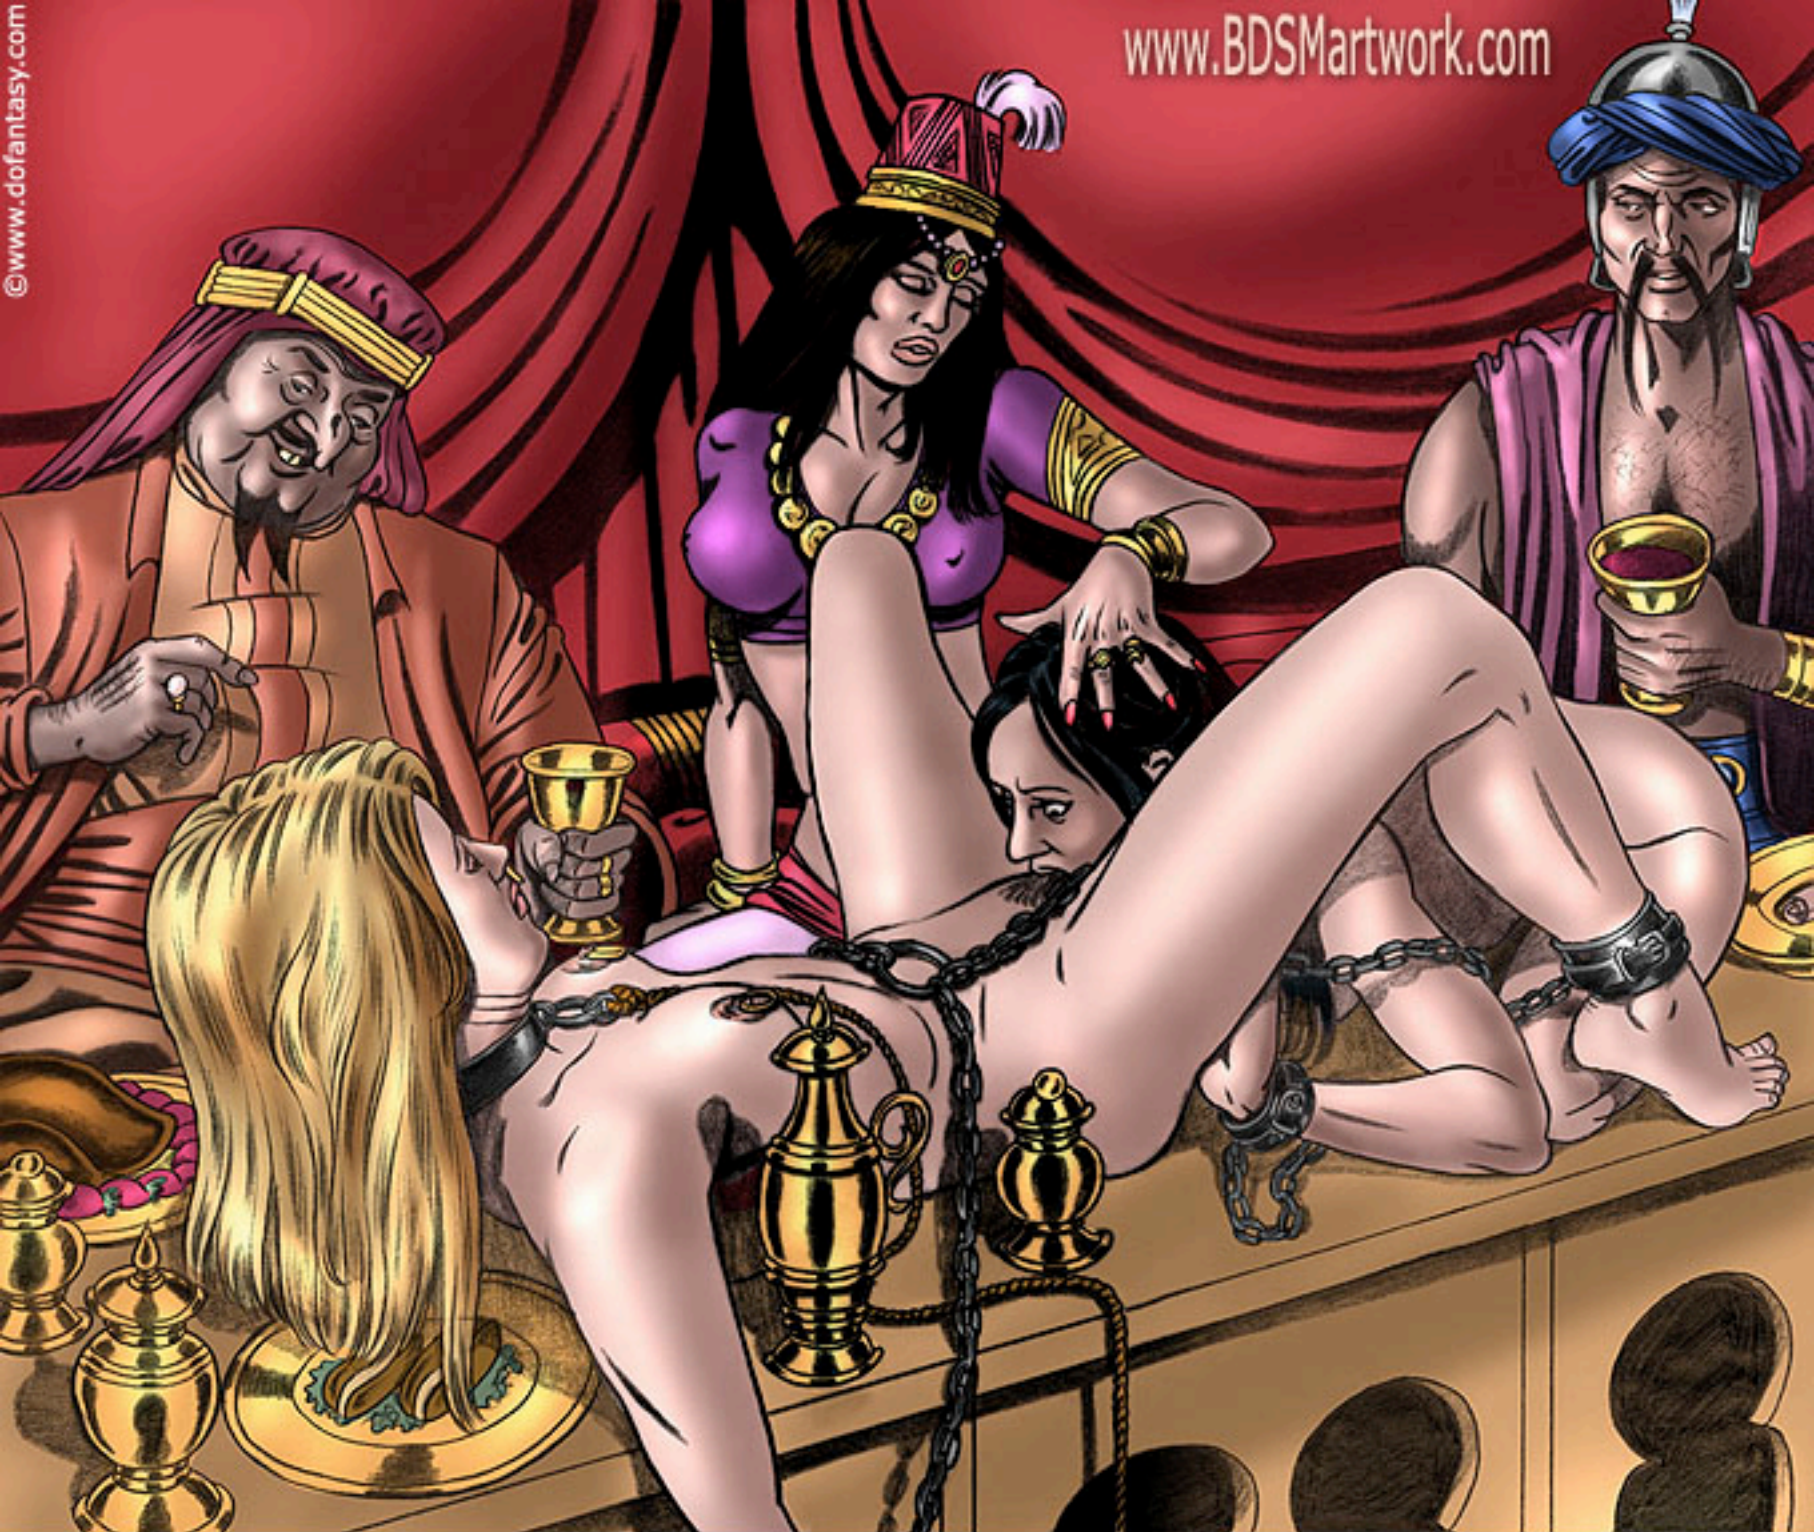

"She'll do my Princess... she can't get enough of it, look! They're all the same when they get going. Sluts, all of them, repressed white sluts! She's learning fast though! All that licking and slurping, and it's her own sister! Like animals! She probably likes it up the ass too! Her sister enjoyed the pheasant leg! Give it to this one too!"

"Yeah... the blonde bitch is tight too. Looks like they don't use their back holes in London."

"Oh, yes! I like it! I like it! I can see we're going to have a wonderful time together! I shall personally supervise your training so that you can play together with more expertise. For the moment, just carry on groping each other. I want to see you both come, here on the table... And make it wet and dirty or I'll have you strung up by the thumbs with your legs wide apart! I'll flog you personally with a leather belt on your white boobs!"

"I keep thinking about your families in London. Or your friends. They wouldn't believe their eyes, if they could see all this licking and sucking. A real pair of randy bitches, you are!"
"Get in there, infidel bitch! Use your whole face! Wipe it around your sister's cunt!"

www.BDSMartwork.com

"Use just the tip of your tongue on her clit and do it nice! She hasn't moaned or groaned yet and I want to hear the bitch singing for me!"

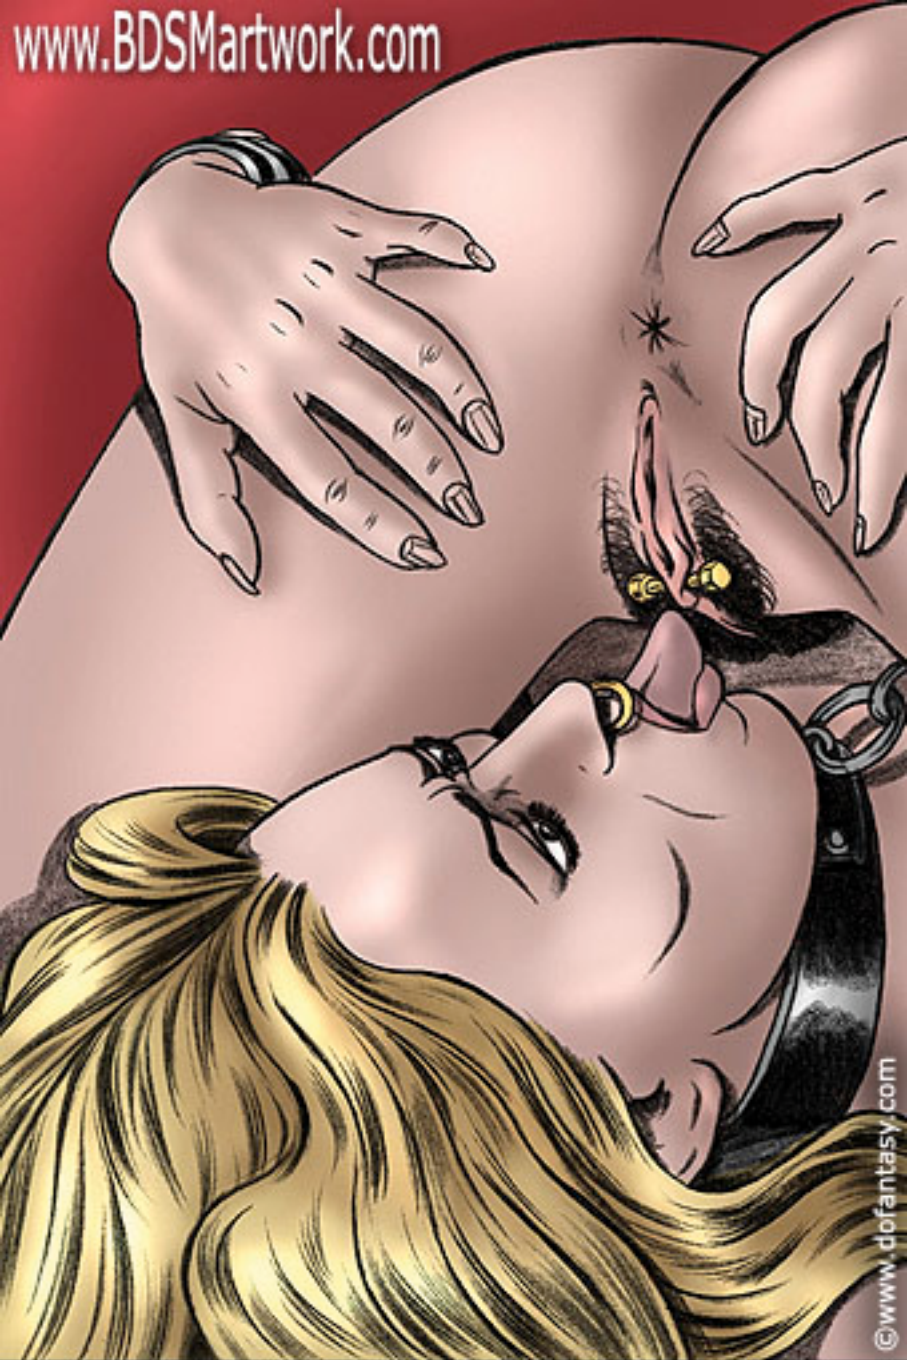

©www.dofantasy.com

"Disgusting! Like animals!
"These infidel sluts have no shame once they start! They even do it between sisters!"
"Ah, they look posh, but it's all show. They're worse than the worst of our whores. They should all be wiped out, or at least wiped clean! Look how she's dripping!"

"Get your whole face in again, dark one! You see, just a week's training, and white the sluts put on a show like this! They change from starchy Englishwomen to lap-dogs with big sex lips, lapping up each other's cunt juice. You've got to hand it to me, I'm a good trainer, Princess." "It's not all down to your training, Emir. Christian sluts are big sluts, I can tell you!"

"Your turn, blondie, tongue out! I'm thinking of chaining my blonde one to your dark slave's pussy-pin by the nose ring, Emir. They'd really be close sisters then, all night..."

"Don't you like it this way, doggie? Then turn round. Your Mistress wants you on all fours..."

Next day...

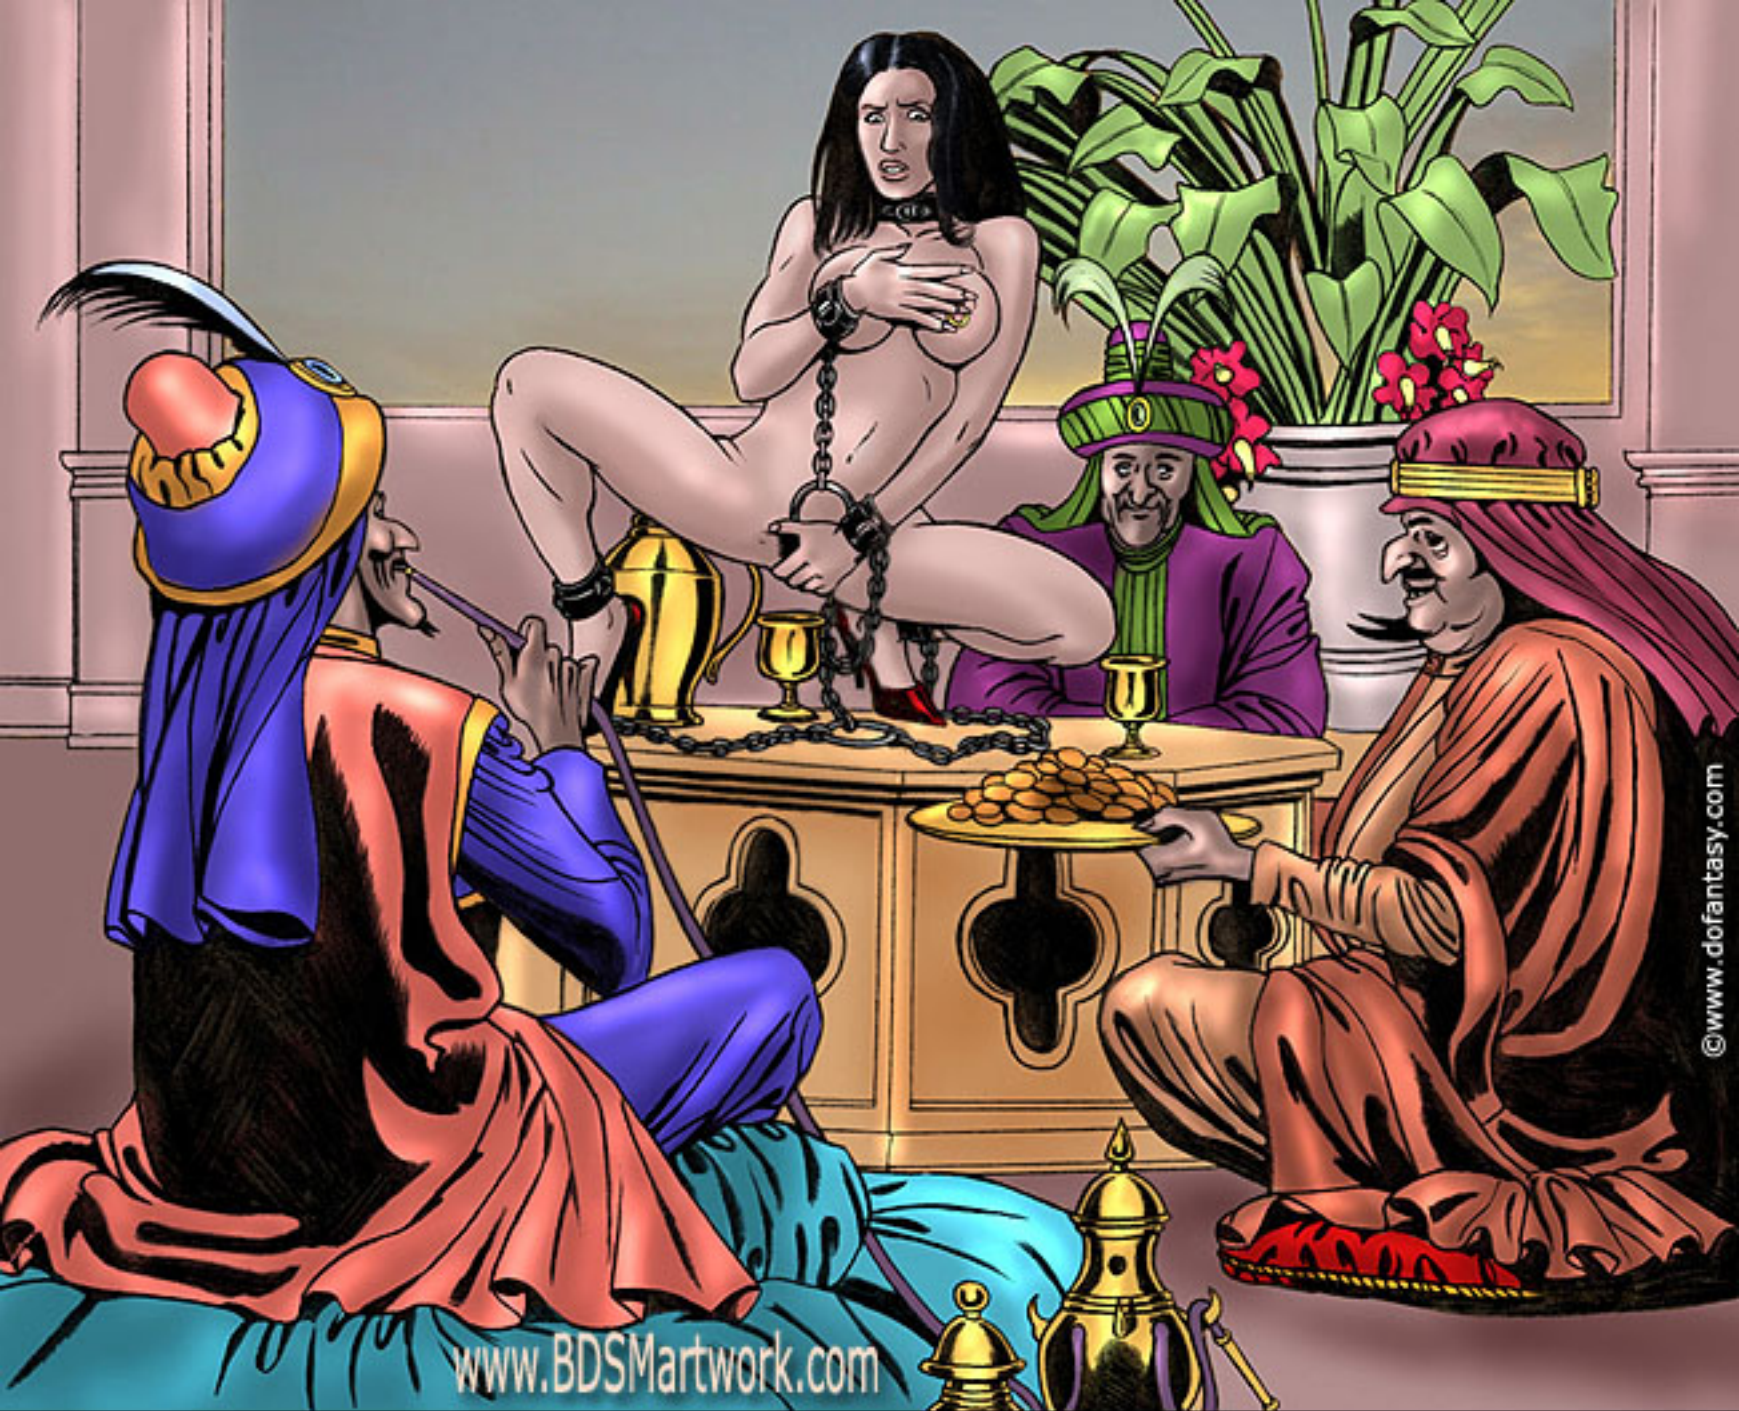

"Your slave, Your Highness."

"What you think, my beloved guests? Isn't this white slut charming? Come, slave, come over the table on all fours and show your body to this gentlemen..."

"Mmmm... you're right, Emir. The slave has a shiny, smooth white skin. But doesn't look fully trained to me."

"Squat over the table slave, and show yourself to my guest properly!"

"The slave has a pliant body. I bet she's a good fuck."

"Won't get into the details, my friend, but it is a pleasure to have such a lovely, supple young body working on top of you for your pleasure... Besides, the smooth touch of her white skin makes a real man out of his mind... You, Christian dog, show your cunt to this Gentlemen!!!"

Oh... I see you needed the slave's cunt... interesting... Did you remove her clit?"
"No I decided not to remove it for the time being... The needle pierces her clit too. It makes all these Christian bitches funnier than the rest. Having it pierced and nailed make them feel it all the time... I'm sure you know what I mean..."

www.BDSMartwork.com

“Besides you can threaten her to cut it out anytime she doesn't behave...”
“You're right. I have all planned. You know I bought this one along with her sister. When the time to castrate her arrives, it's her sister who'll to the job”
