From where i'm
standing, she looks like a
goddess...Huge, Invincible ...

Perfect!

Look at her...
Just look at her...

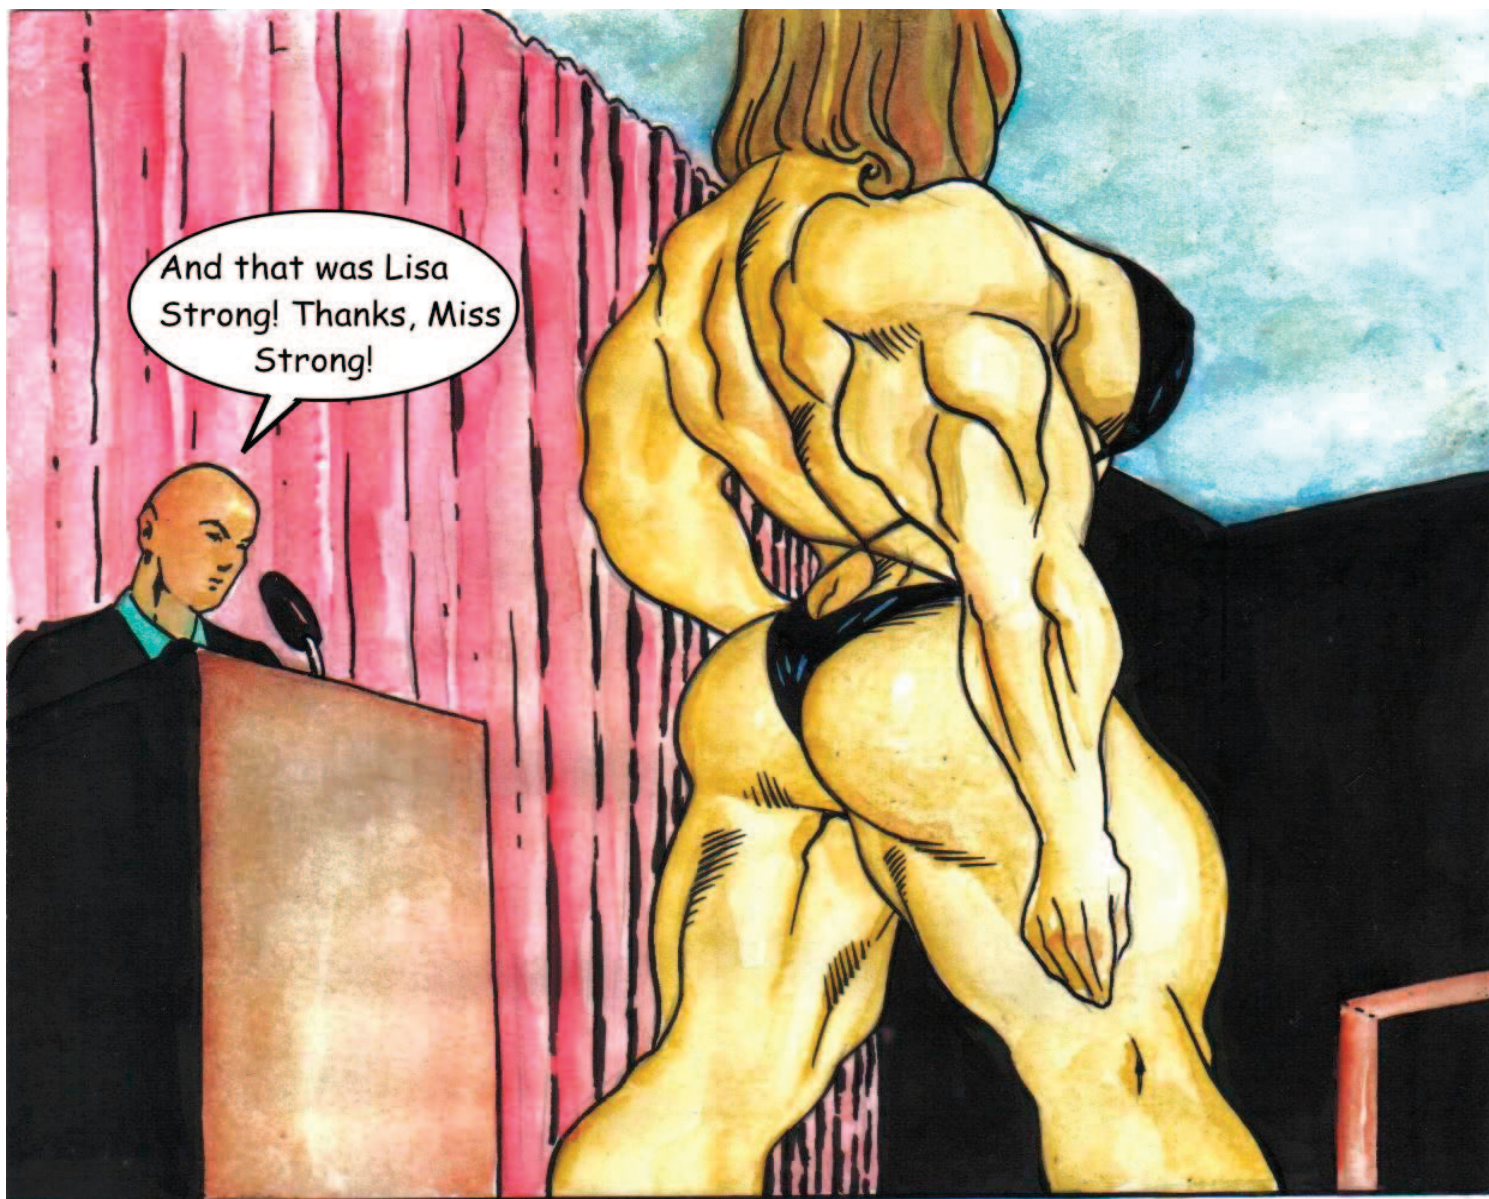

Look at that face!
What a knockout!

That's why a picture
worth a thousand words...

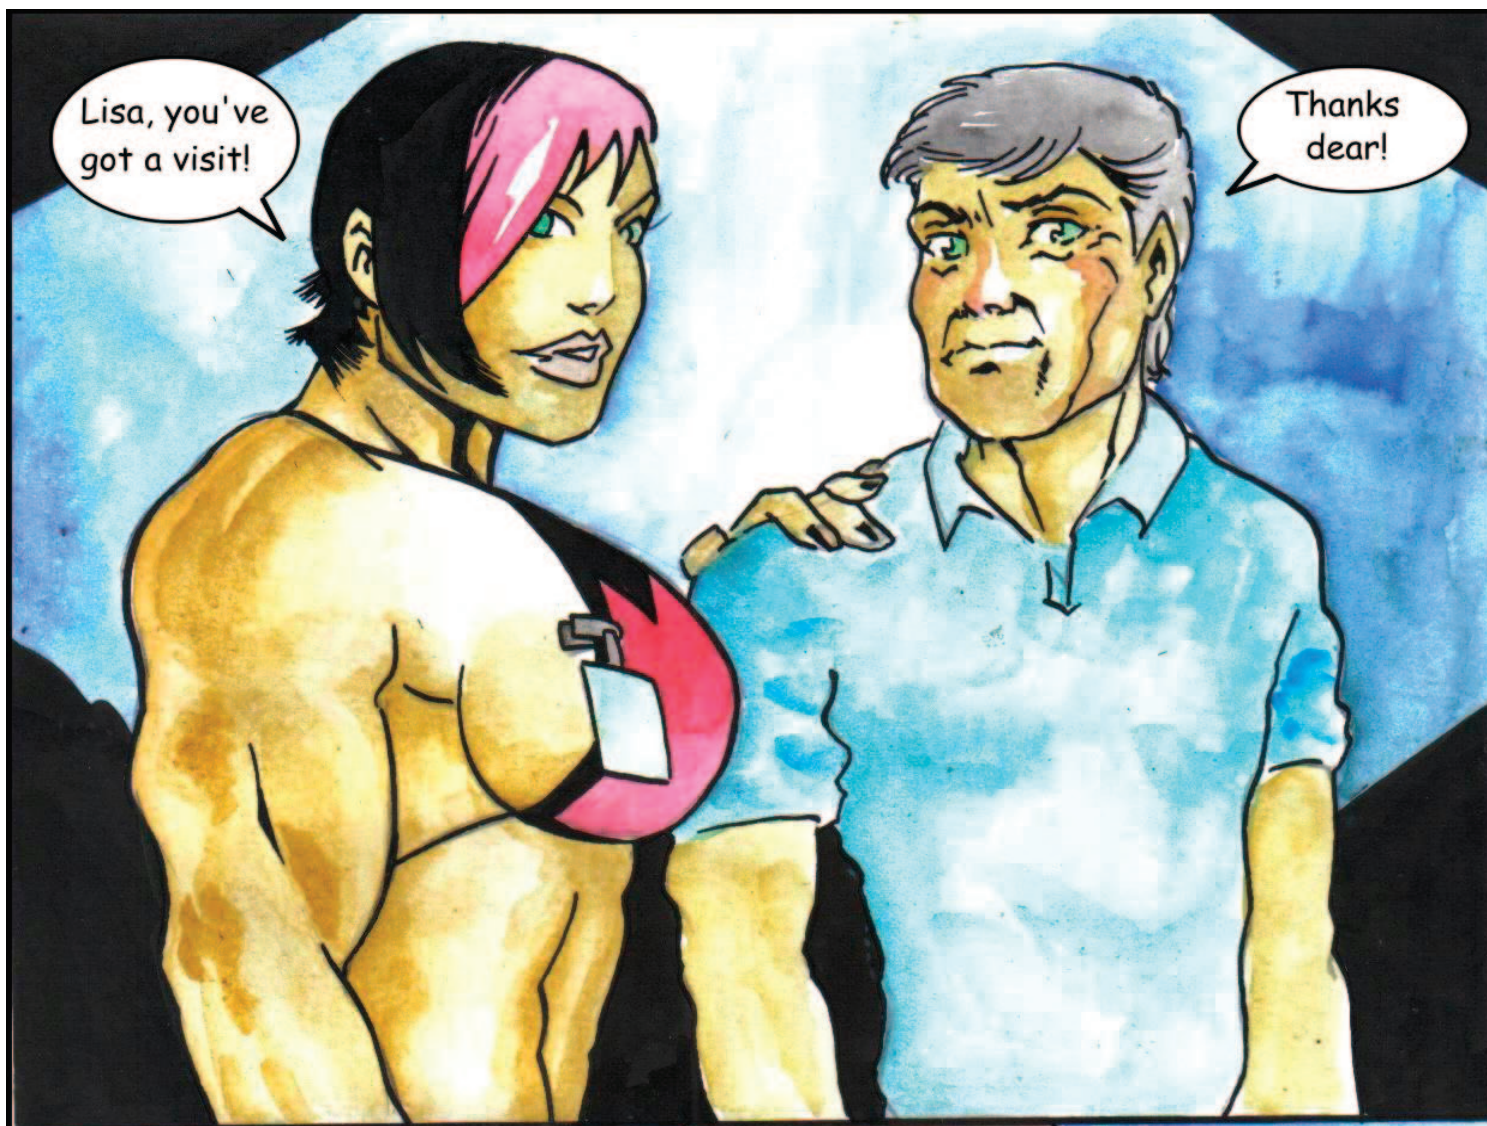

And that was Lisa Strong! Thanks, Miss Strong!

Oh, look at that butt... Big and round...
She's going off... I got to talk to her... I'm going to the backstage...

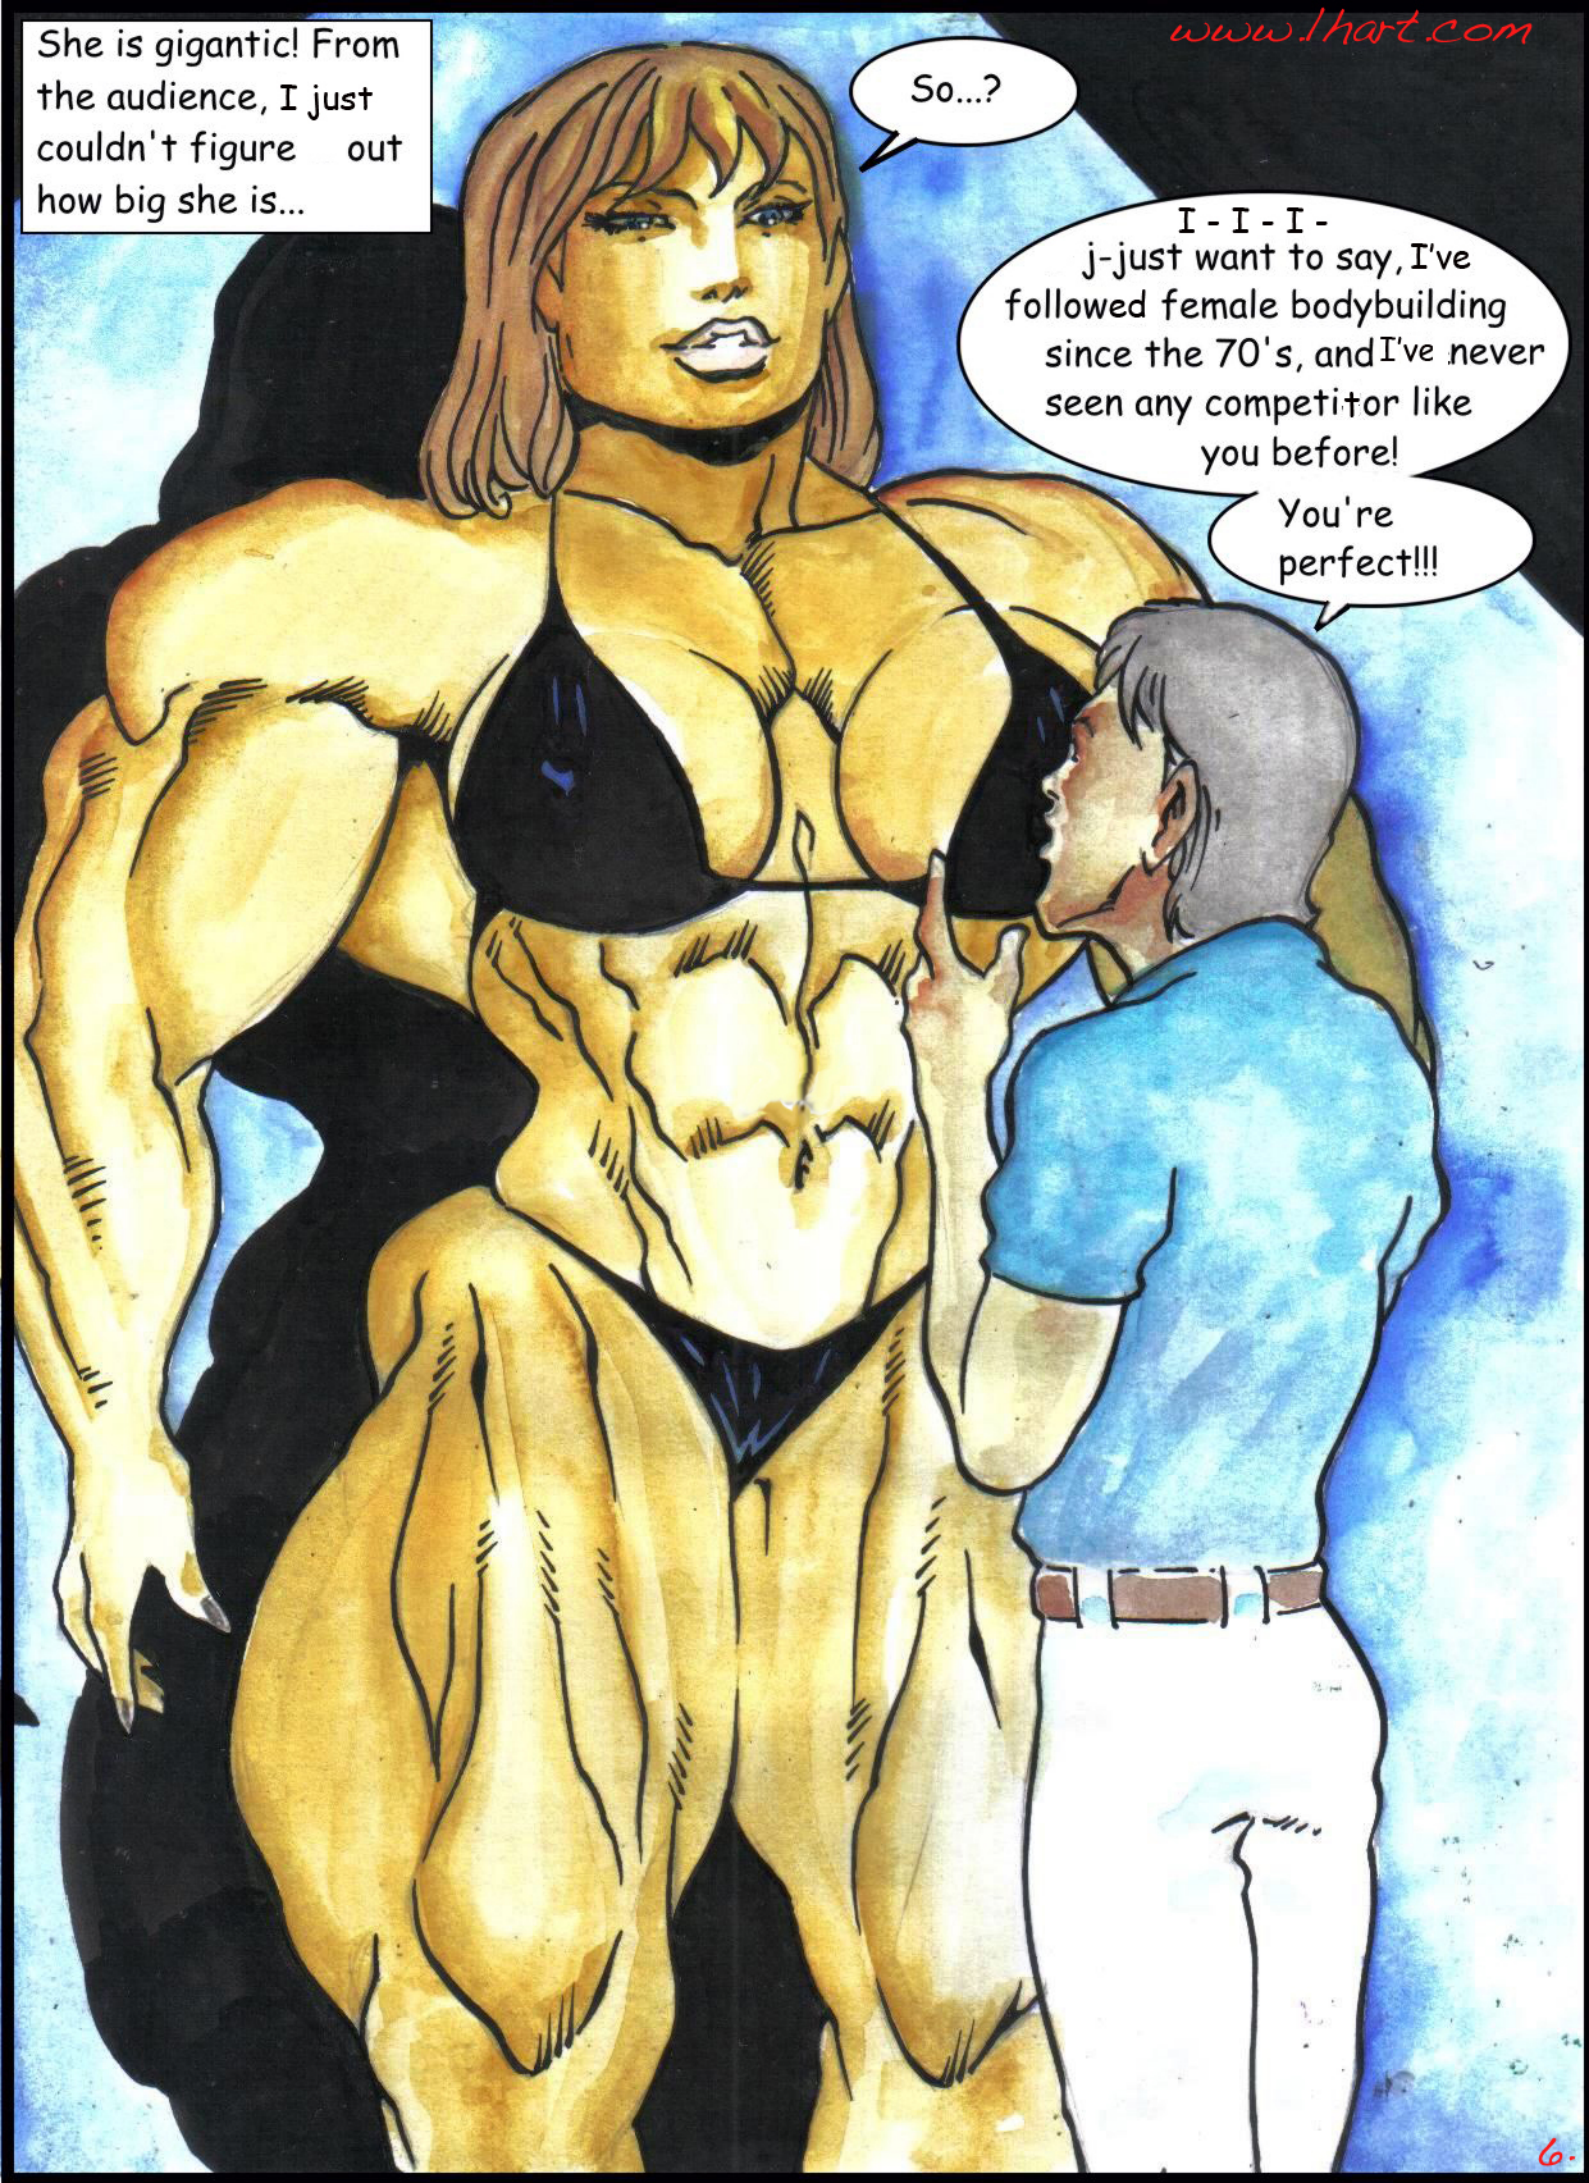

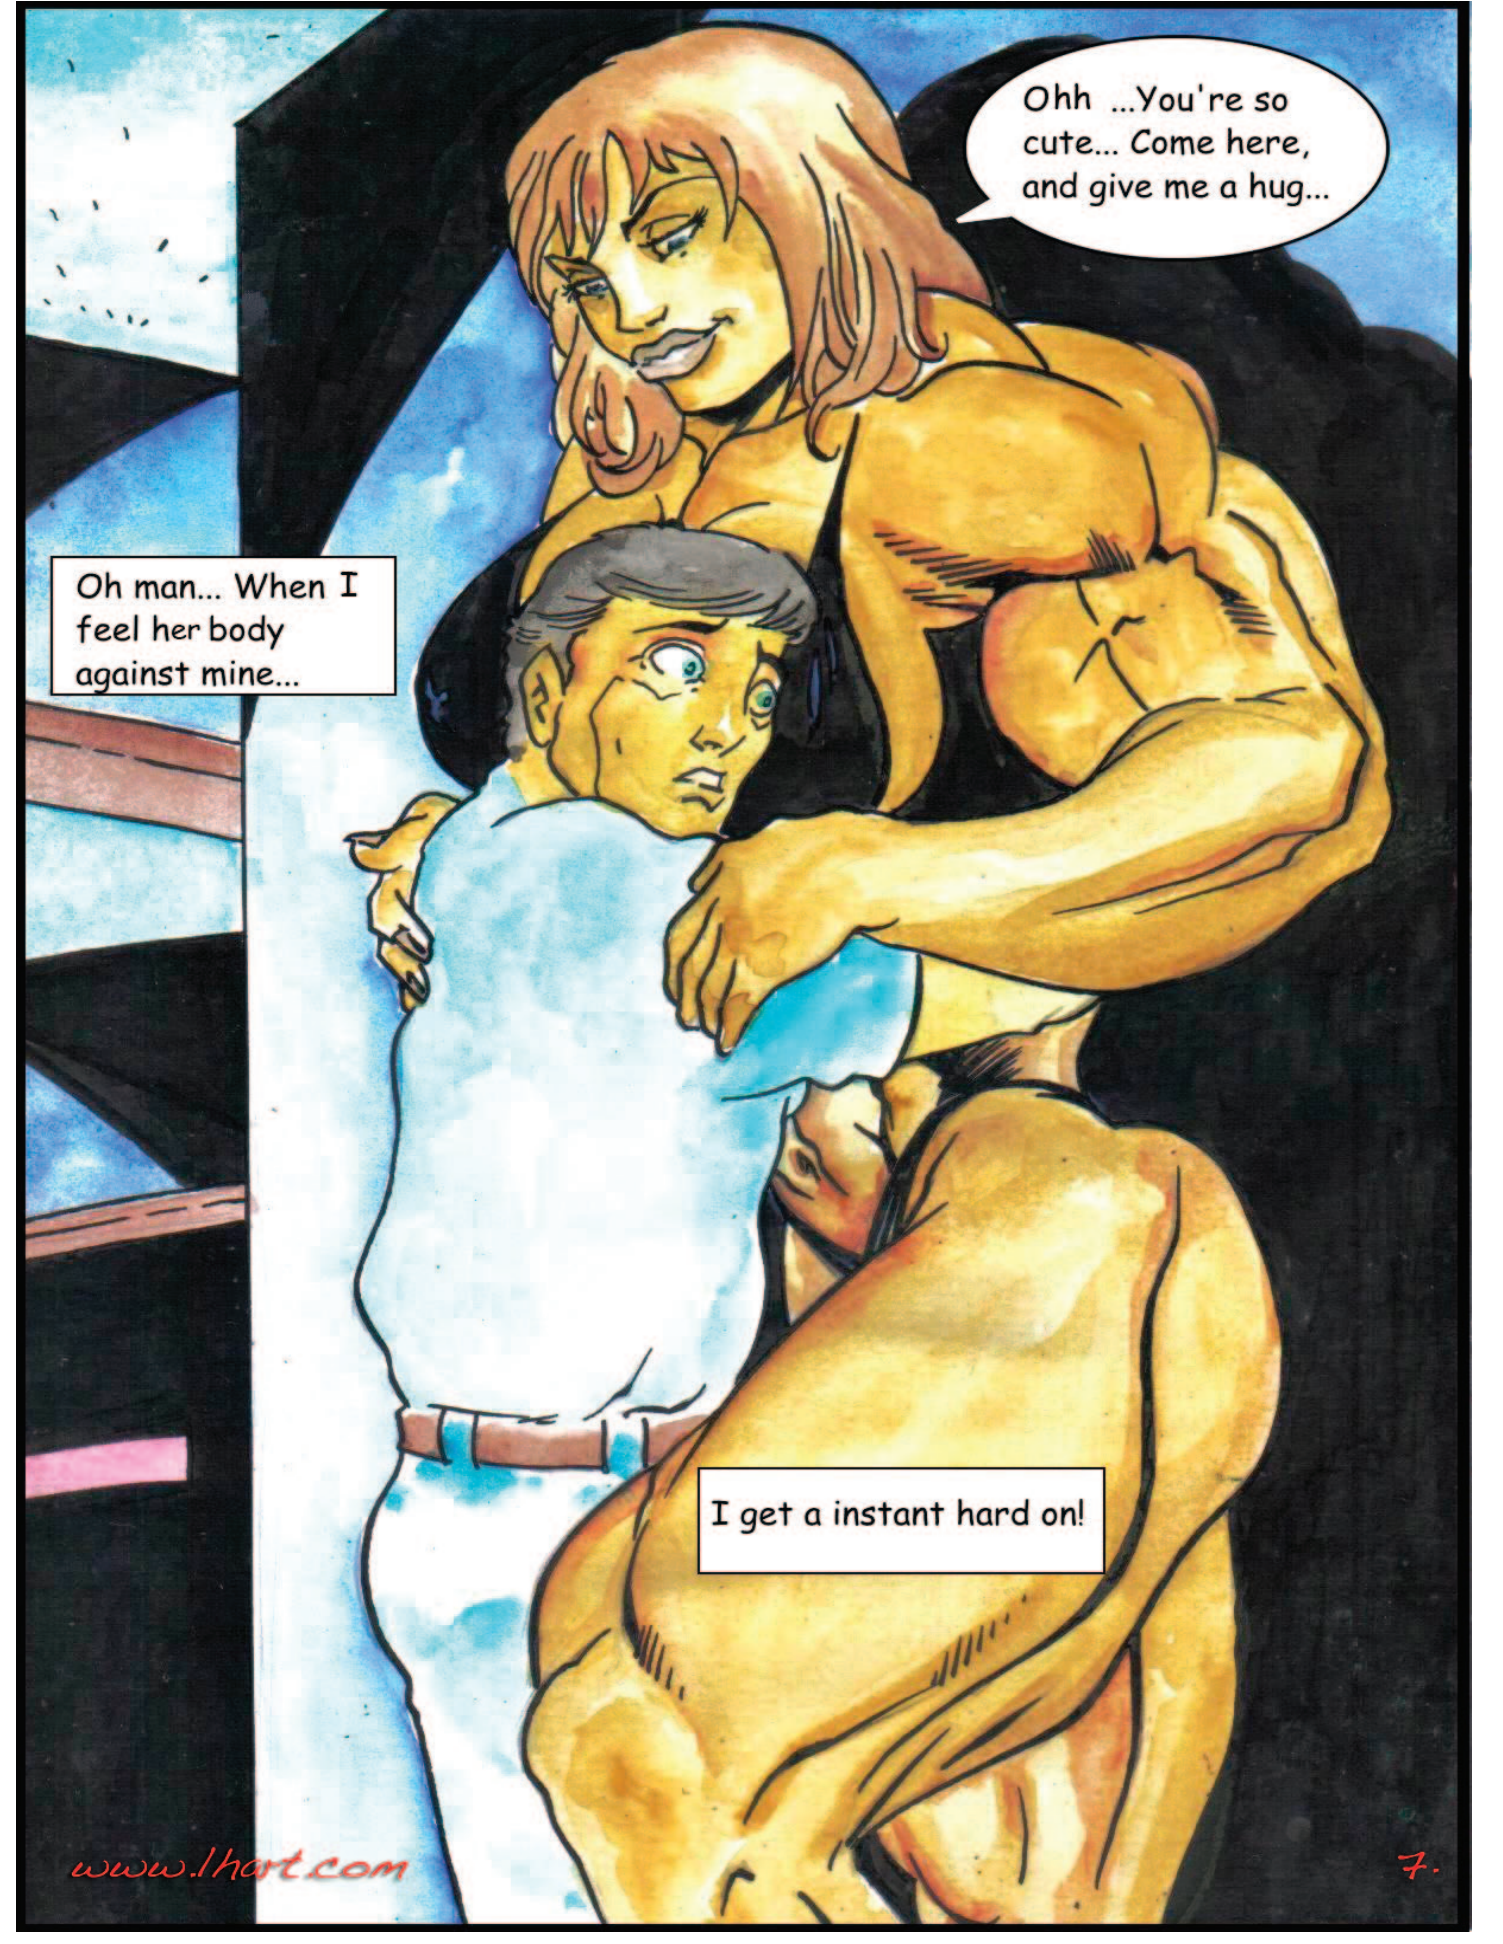

She is gigantic! From the audience, I just couldn't figure out how big she is...

So...?

I - I - I -
j-just want to say, I've followed female bodybuilding since the 70's, and I've never seen any competitor like you before!

You're perfect!!!

Ohh ...You're so
cute... Come here,
and give me a hug...

Oh man... When I
feel her body
against mine...

I get a instant hard on!

Hey Lisa, just to say
the score's out, and you
didn't qualify for finals...
Sorry girl...

Don't worry...I was counting
on it... I guess I'm too big for
the stupid judges guidelines...
So mister...I guess I'm free now.
Wanna go somewhere?
