

Oh babe, i'm
gonna cum! Oh yeaah!
Ownnnnn...
Yeeeeeeaaaaahhh!

A few minutes later...

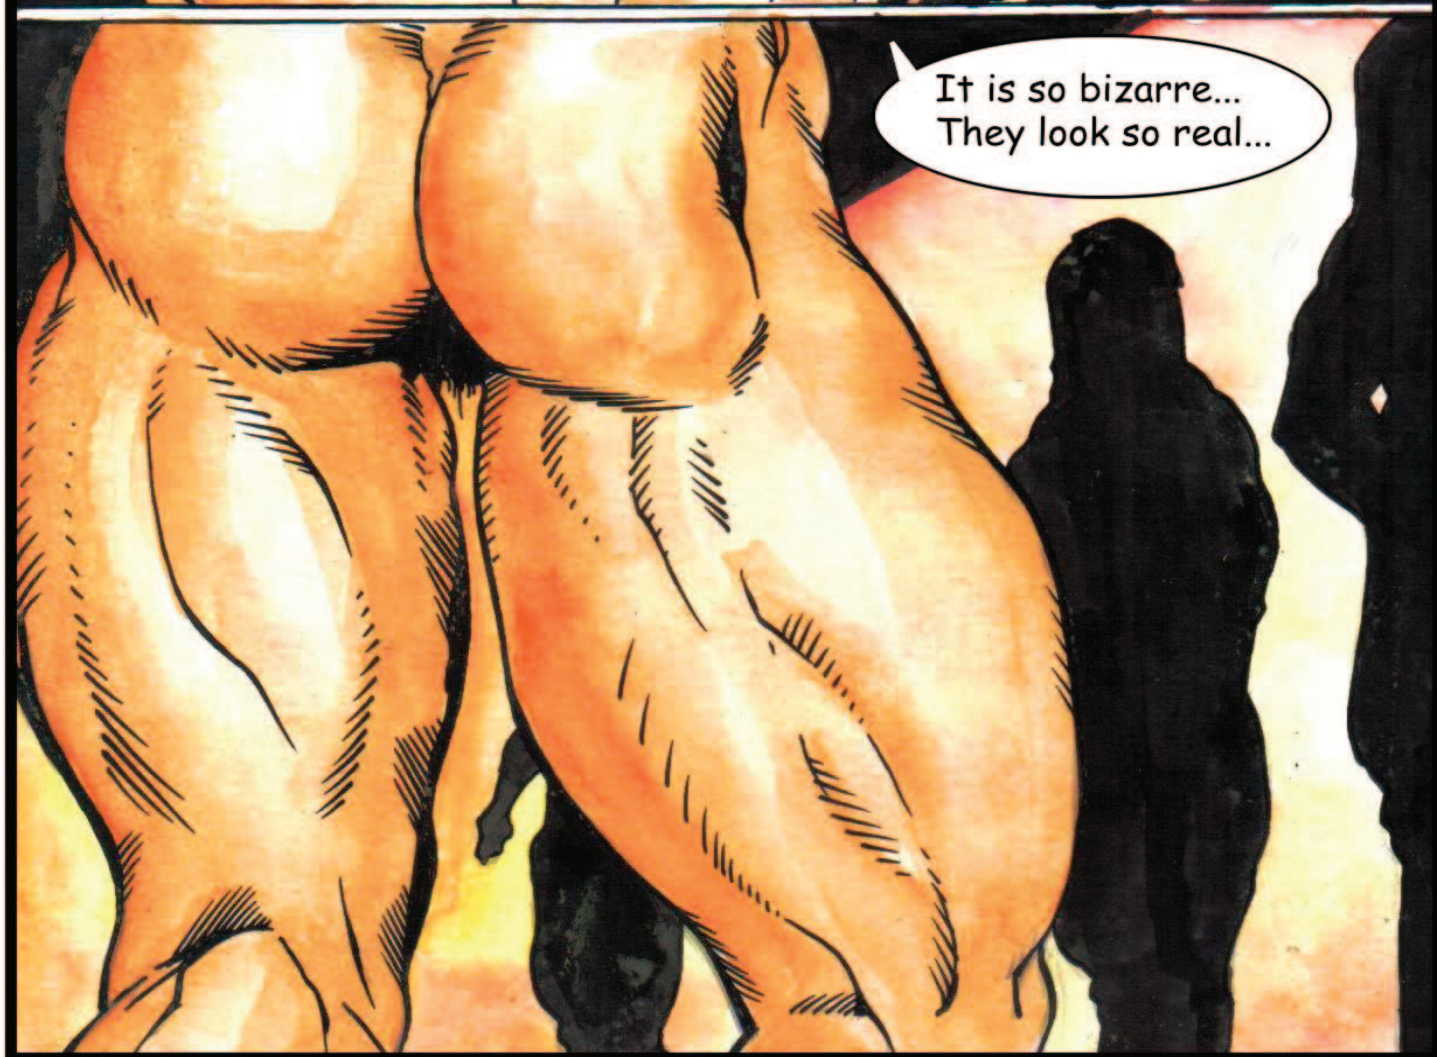

Not bad for a old guy...
Well, I'll try these high
heel shoes for a
walk around...

Zzzzzzzzzzz...

This place is really huge!
Hey, it's another
room full of statues!

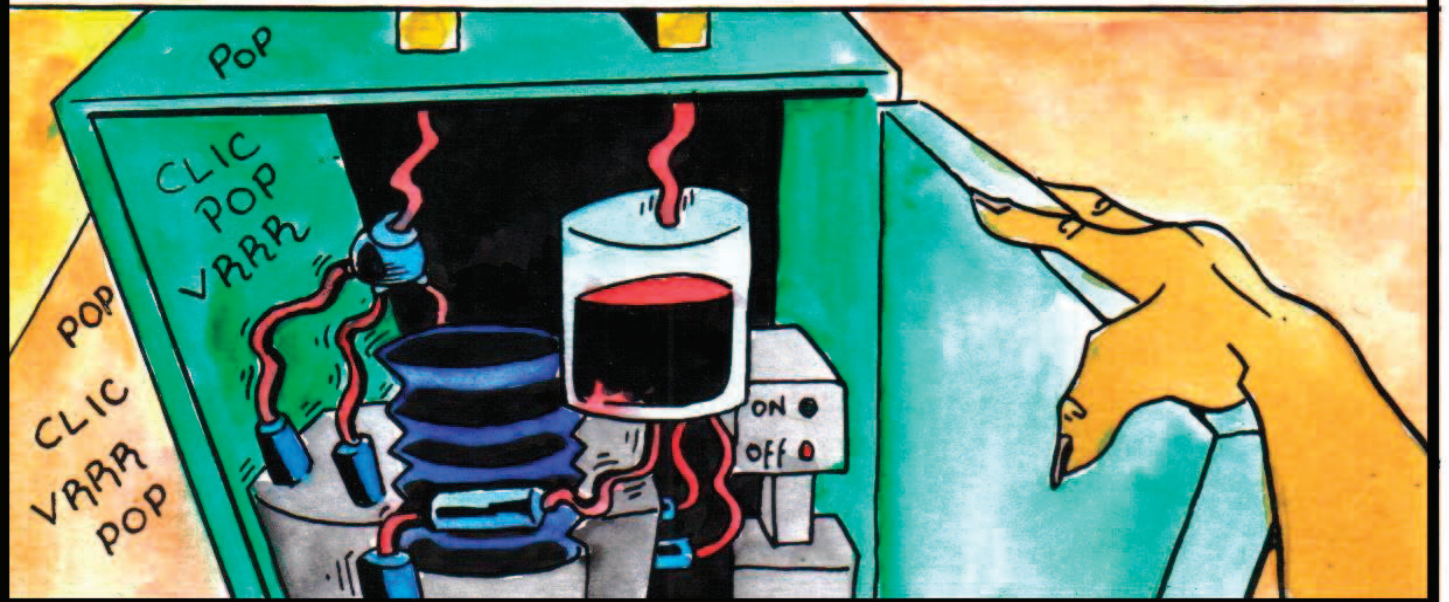

It is so bizarre...
They look so real...

It's strange...Like at
any moment, they may
... Talk?

What's that noise?
It is coming from the
base of the statue!

Oh God! They're not statues!!! It's people!
On some kind of weird
mechanism keeping
the girls alive !!!
WHA-?

Yaaahhh!

Put down that seringe,
you sick old bastard! You're
planning to turn me into another
statue in your collection?

To be concluded...
