

So, are you trying
to kill me like you did to
the others, huh ?

Yaaaaaahhhh!!!

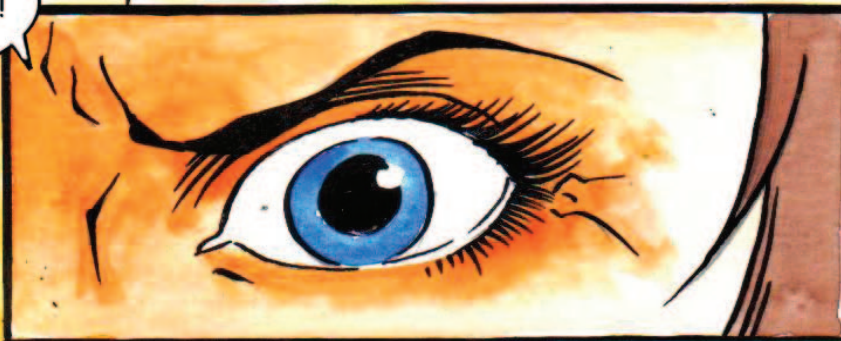

They're
not dead...

They're living, like
you and me, but can't
move, or speak... They're
immortalize in their
beauty...

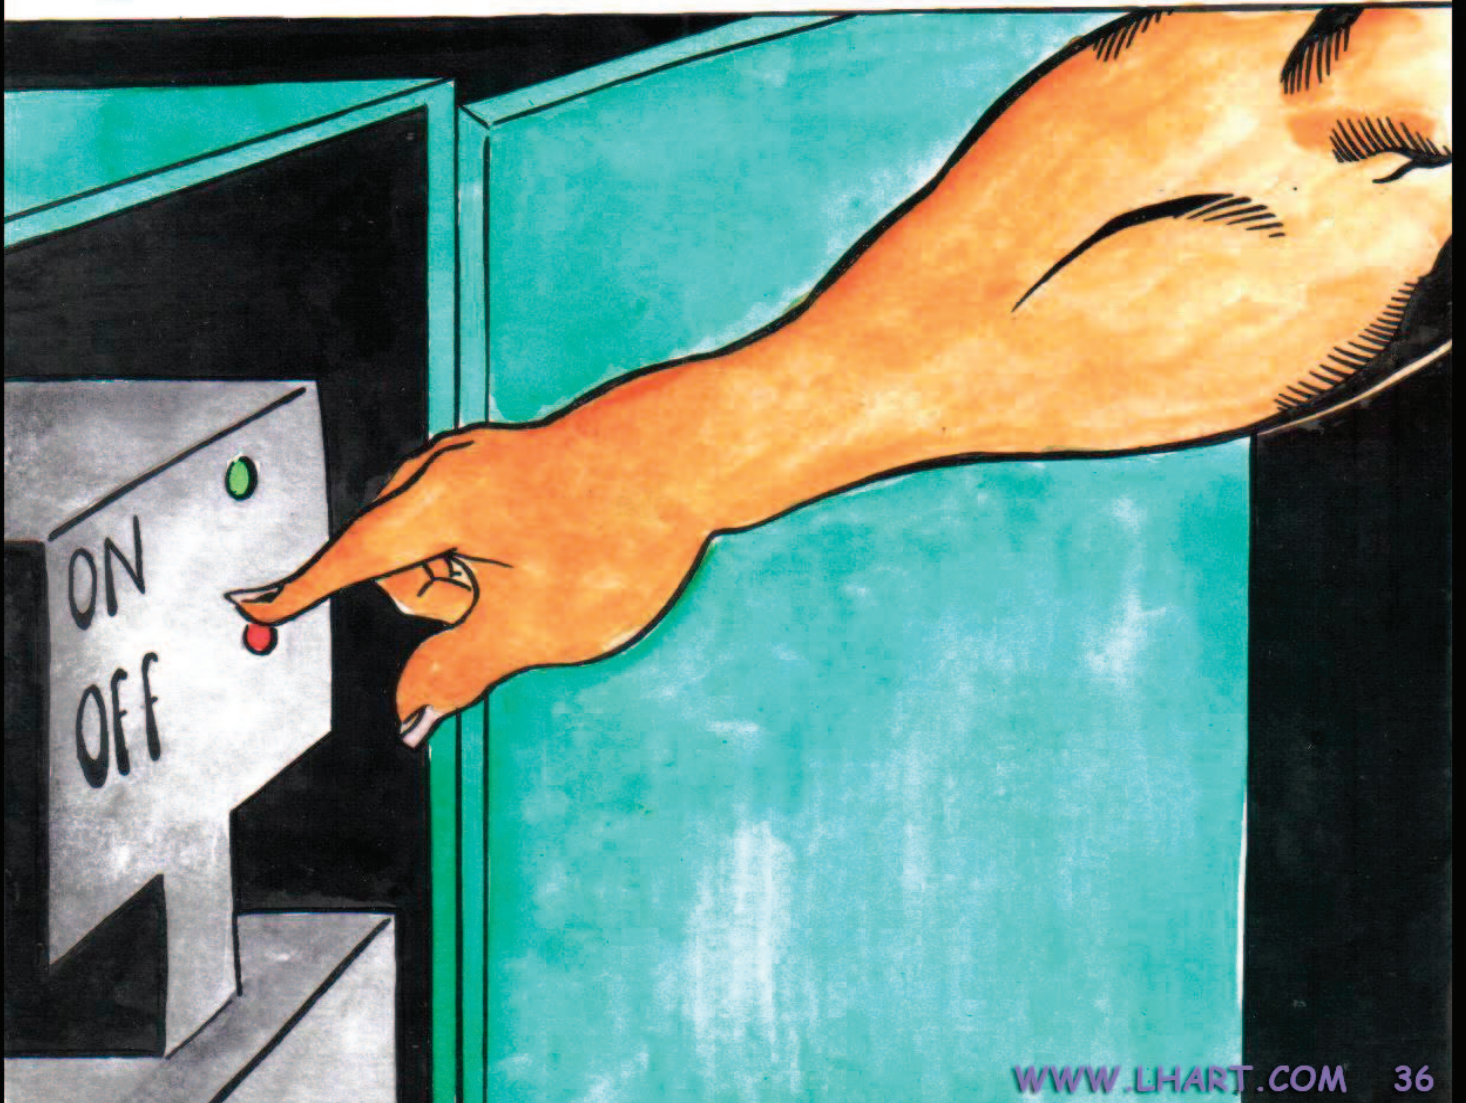

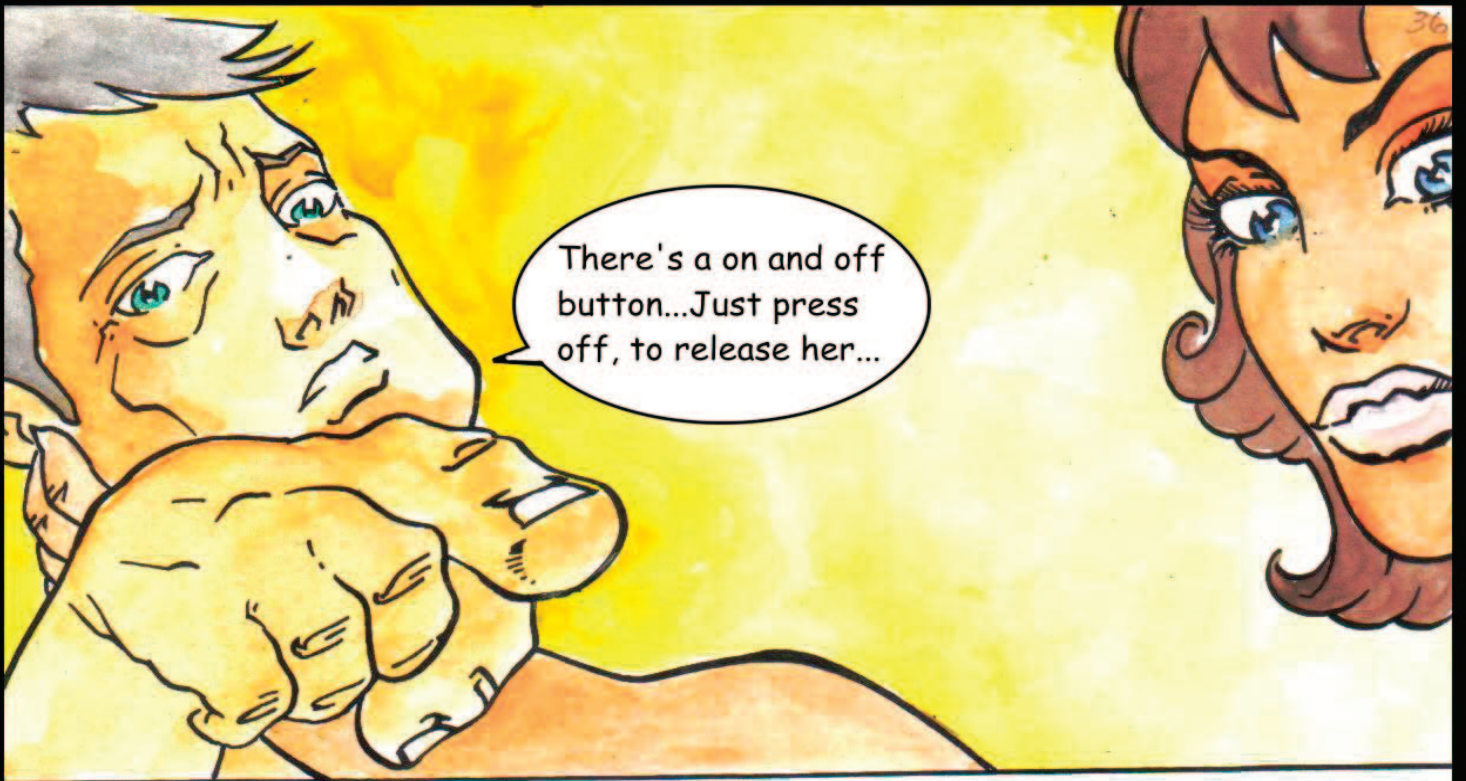

You... Sick...
Bastard...

You've denied
them their freedom!
bastard!

Tell me how to wake
her up! How to release
them all!

In about three minutes her eyes begin to blink and she begins to move her arms. Soon she is able to be helped down from her "statue" base...

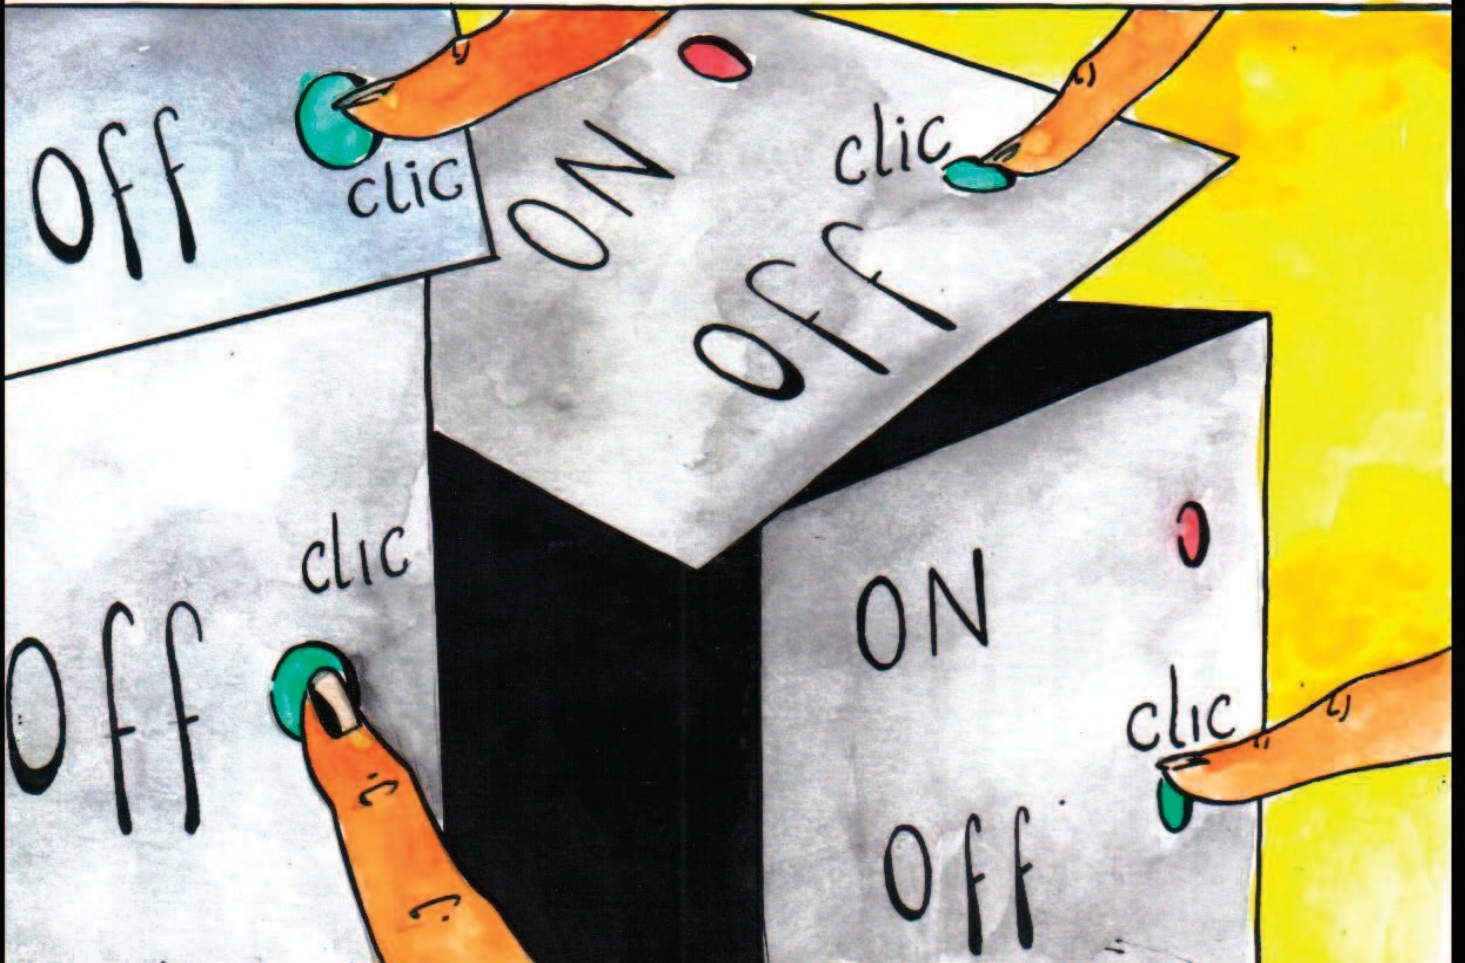

Hnnfff... Is it ended?
The nightmare finally
ended?

I guess...
Are you ok?

I think so...
Kind of dizzy, but
i'm fine...

Good! Wait here,
i'll release the
others...

Lisa releases the rest of the women and soon the old man's garden is filled with female body builders, some missing for nearly 20 years! They all look at him with deadly thoughts, until Lisa takes action...

And now, Mr.
Collector...

We've
found the PERFECT
statue base for you...
First in a series...??

SCHMOE #1

The end.
