No one noticed the meteor that fell that night...

But the cows sure loved how the grass tasted after.

I can't believe how huge our cows have gotten while we were studying abroad for a year!

They're huge? I thought that was normal cow size!

If your brains were half as big as your boobs Kim you'd know better!

Cut it out Julie, we need to get to work now that daddy left us the farm.

These will take forever to pick!

Hell no I won't help but I'll definitely give you a ride once in a while Hahahaha!

Pam I will gladly try and come over as often as possible to help on the farm.

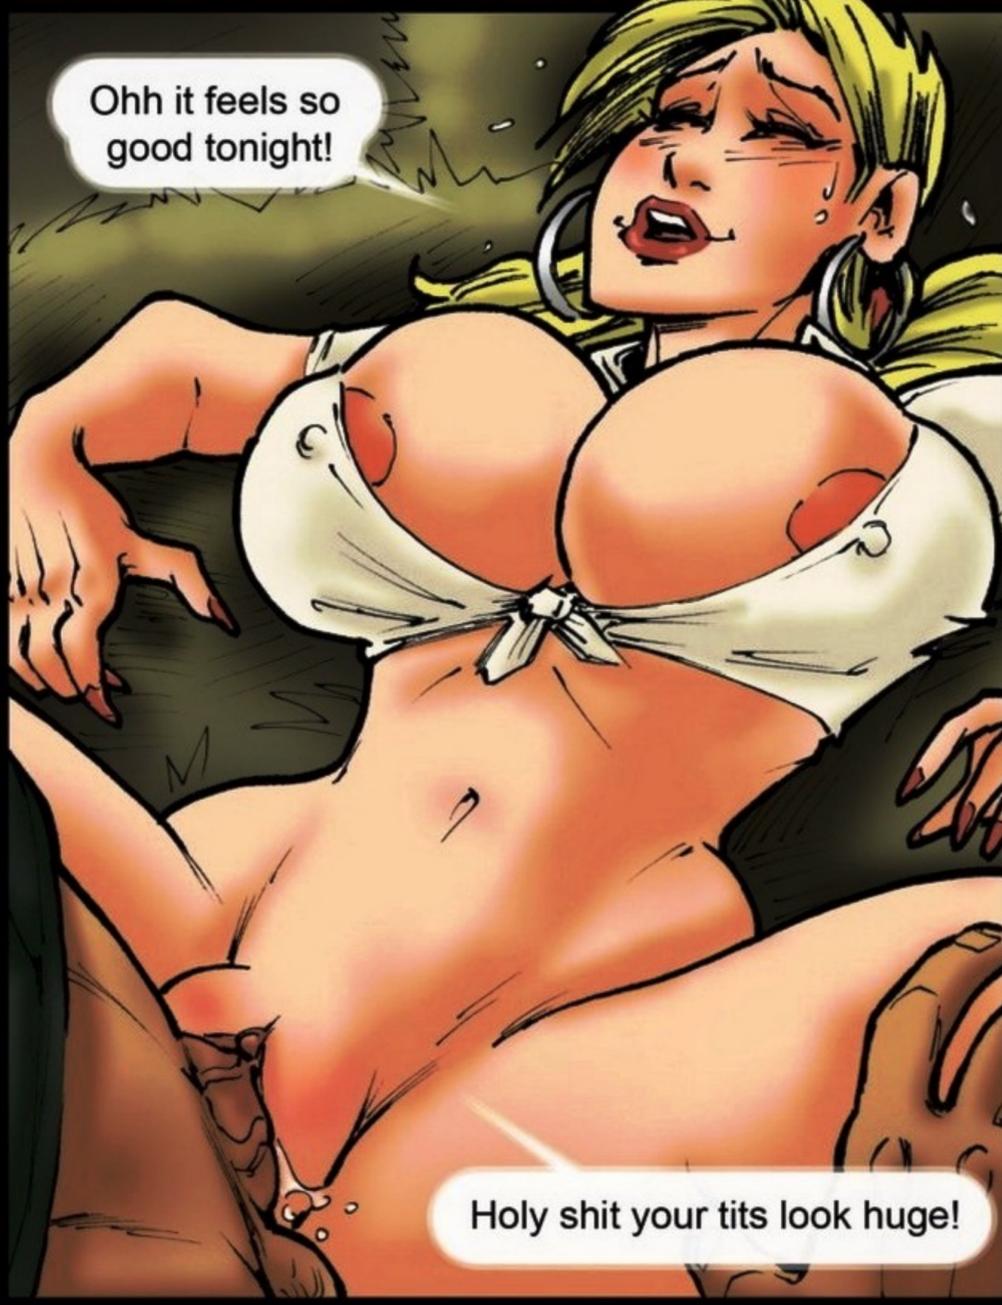

Thanks honey I knew I could count on you.

You're such a dick sometimes Ken!

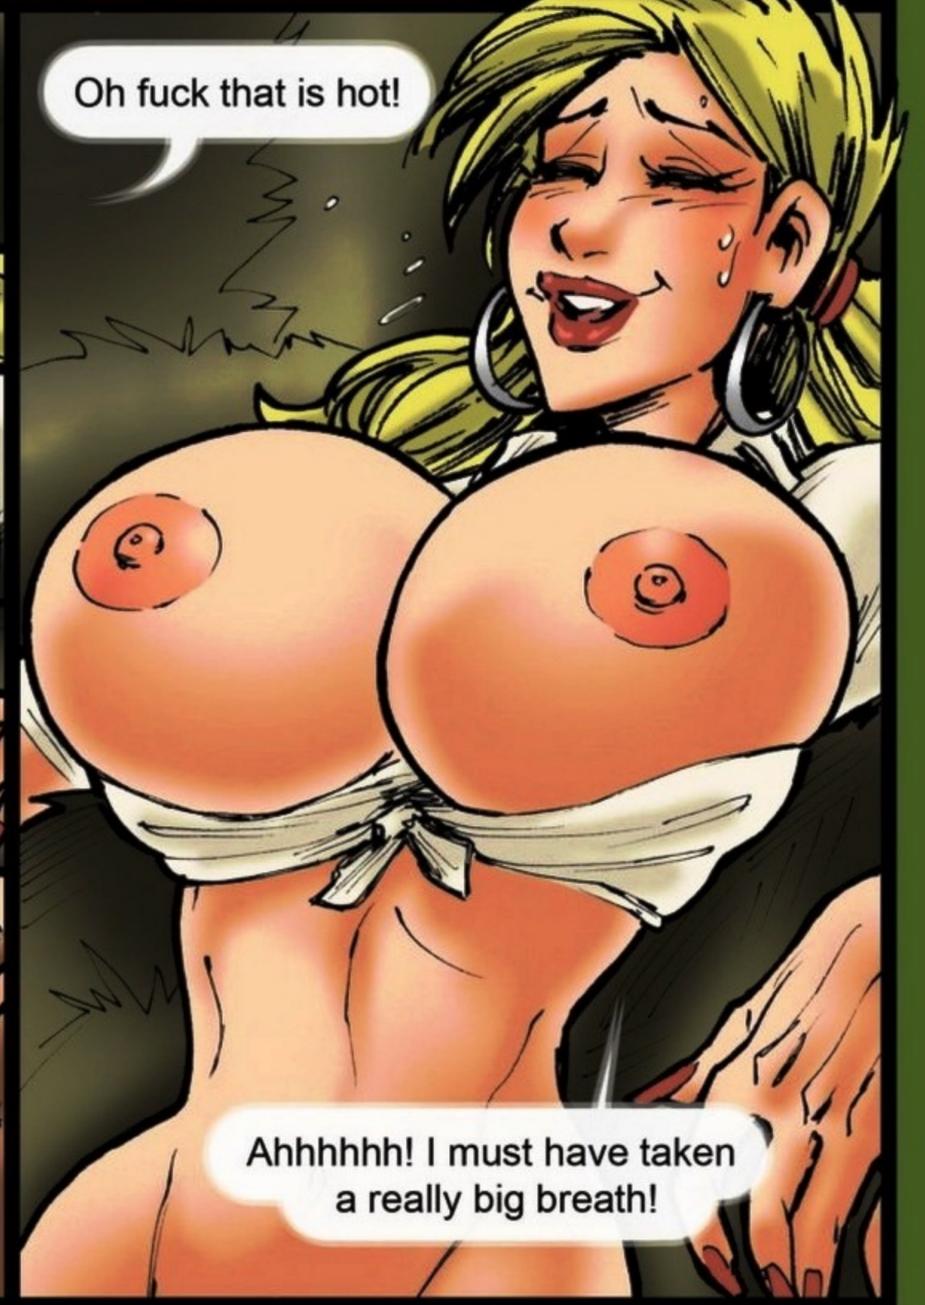

Don't you mean a big dick Kim!?

Mmm yeah gimme that big dick!

Ohh it feels so good tonight!

Holy shit your tits look huge!

Oh fuck that is hot!

Ahhhhh! I must have taken a really big breath!

Babe your tits are really nice and swollen tonight!

Mmm they feel so sensitive too!

Give it to me hard from behind!

Wasn't the top of her head below my shoulder before?

Harder baby! Why arent you fucking me as hard as usual?!

Your dick feels soft!

Did she just get bigger? I must be more drunk than I thought I was.

Fine, if your not in the mood get off the farm. I'll go get myself off!

Why wont these stupid shorts fit?
I better lay off the sweets a bit!

Maybe my clothes got
wet and shrank?

Oh crap I can't keep
my balance! Noooo!

ZZZZZZZ

The next morning...

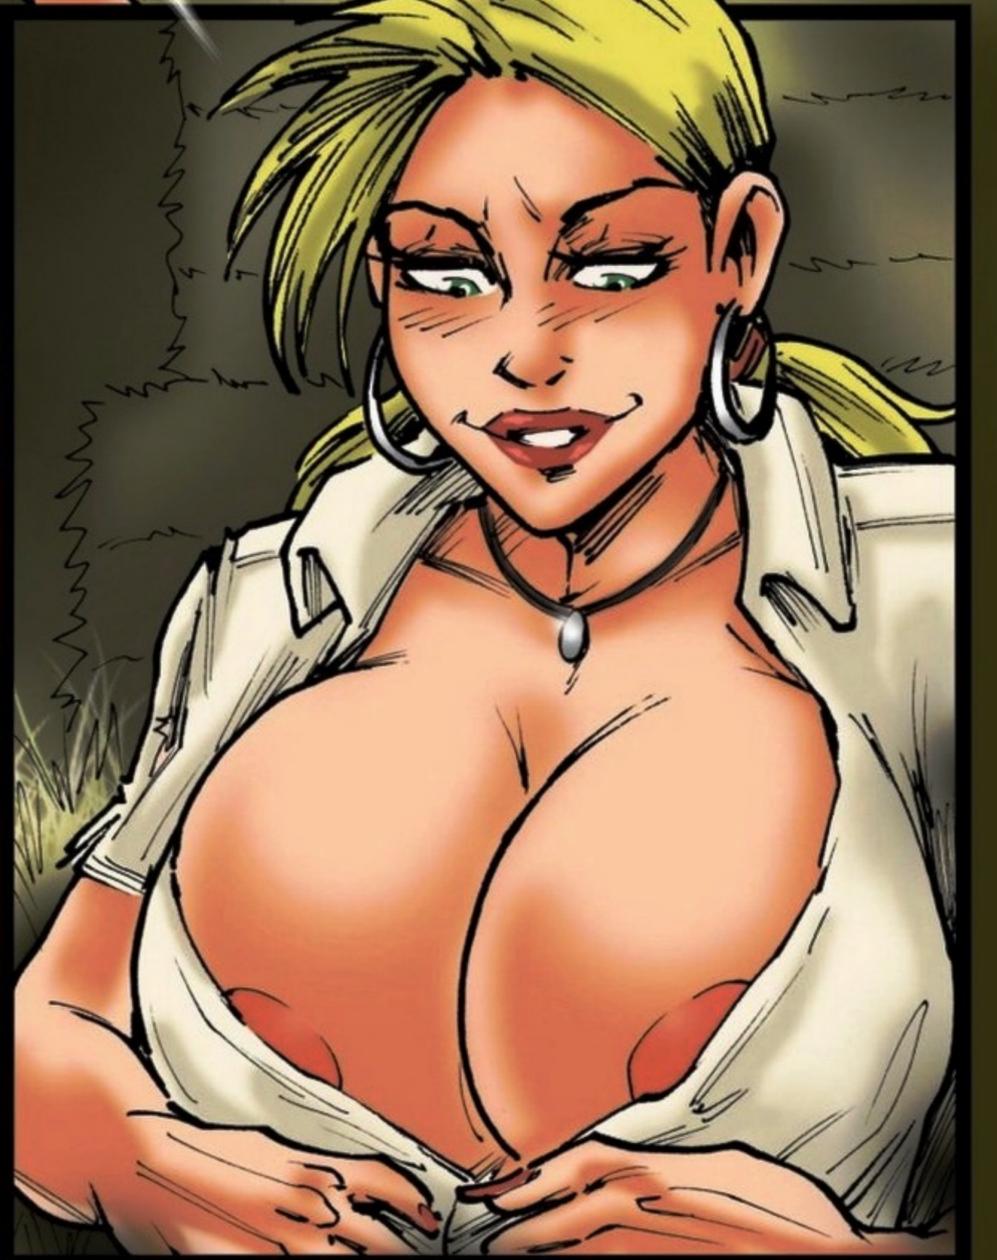

Ohhh my
aching head!

What the heck
happened last night?

Ken got me drunk and must
have been rough
with me again!

Aww man what the heck
happened to this shirt?

Hmmm I coulda sworn
these fit yesterday!

Hey sis nice outfit!
I wish Lara wore
clothes as
tight as yours!

Yup, hey,
I think I'll go to the square
dance bar tonight,
wanna come?

Hi Julie!
Nah this thing fit me
just fine yesterday,
I must be putting on some
weight from all the farm
food I've been eating.

Really? The farm
food eh? I wonder...

Am I imagining
things or is she
also taller than
yesterday?

Nah, I want to cook a
nice big meal for Lara...

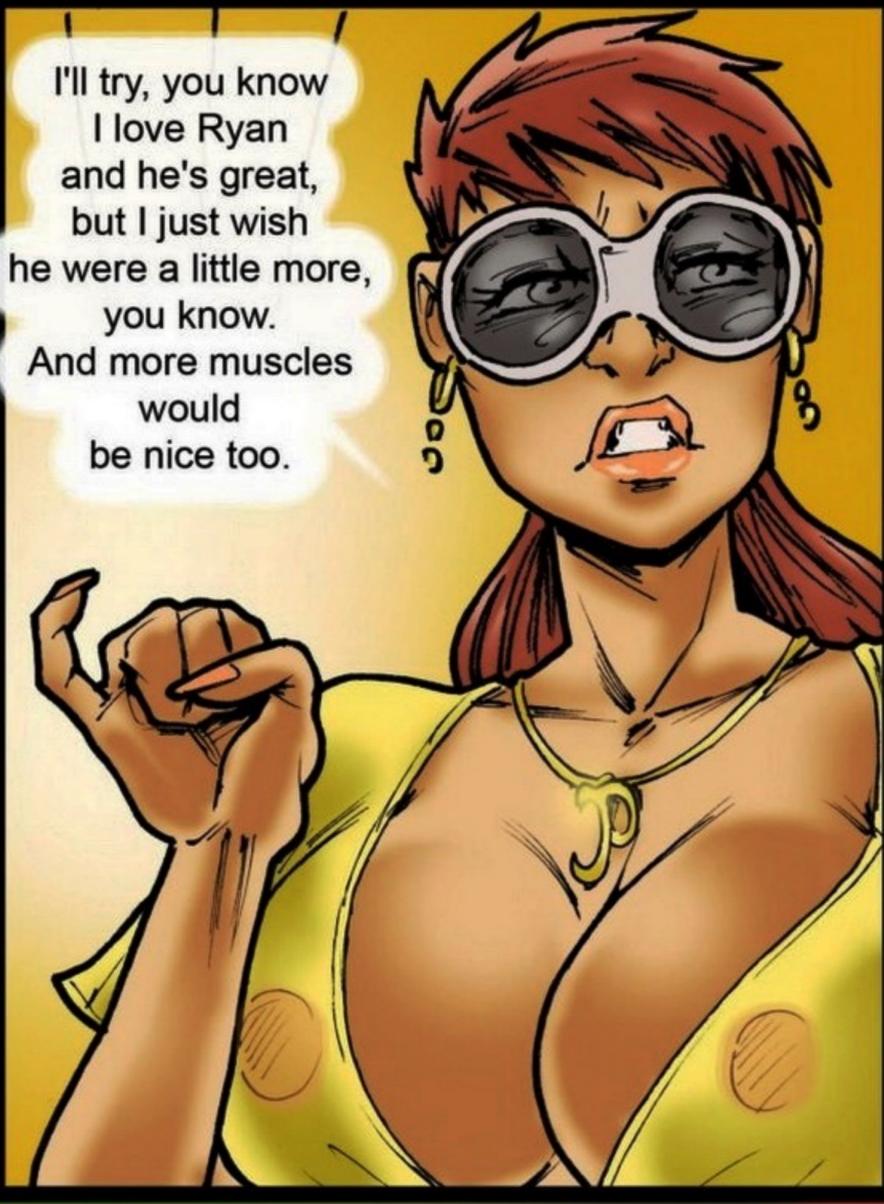

You and Kim try not to get into any trouble, ok?

Hey Julie, me and Ryan are going to try and sell some of these chickens and cows to the other farmers in the nearby cities. There's no way we can take care of all of them. We'll be back in a couple of days.

We'll try! Have fun with Ryan in those motels!

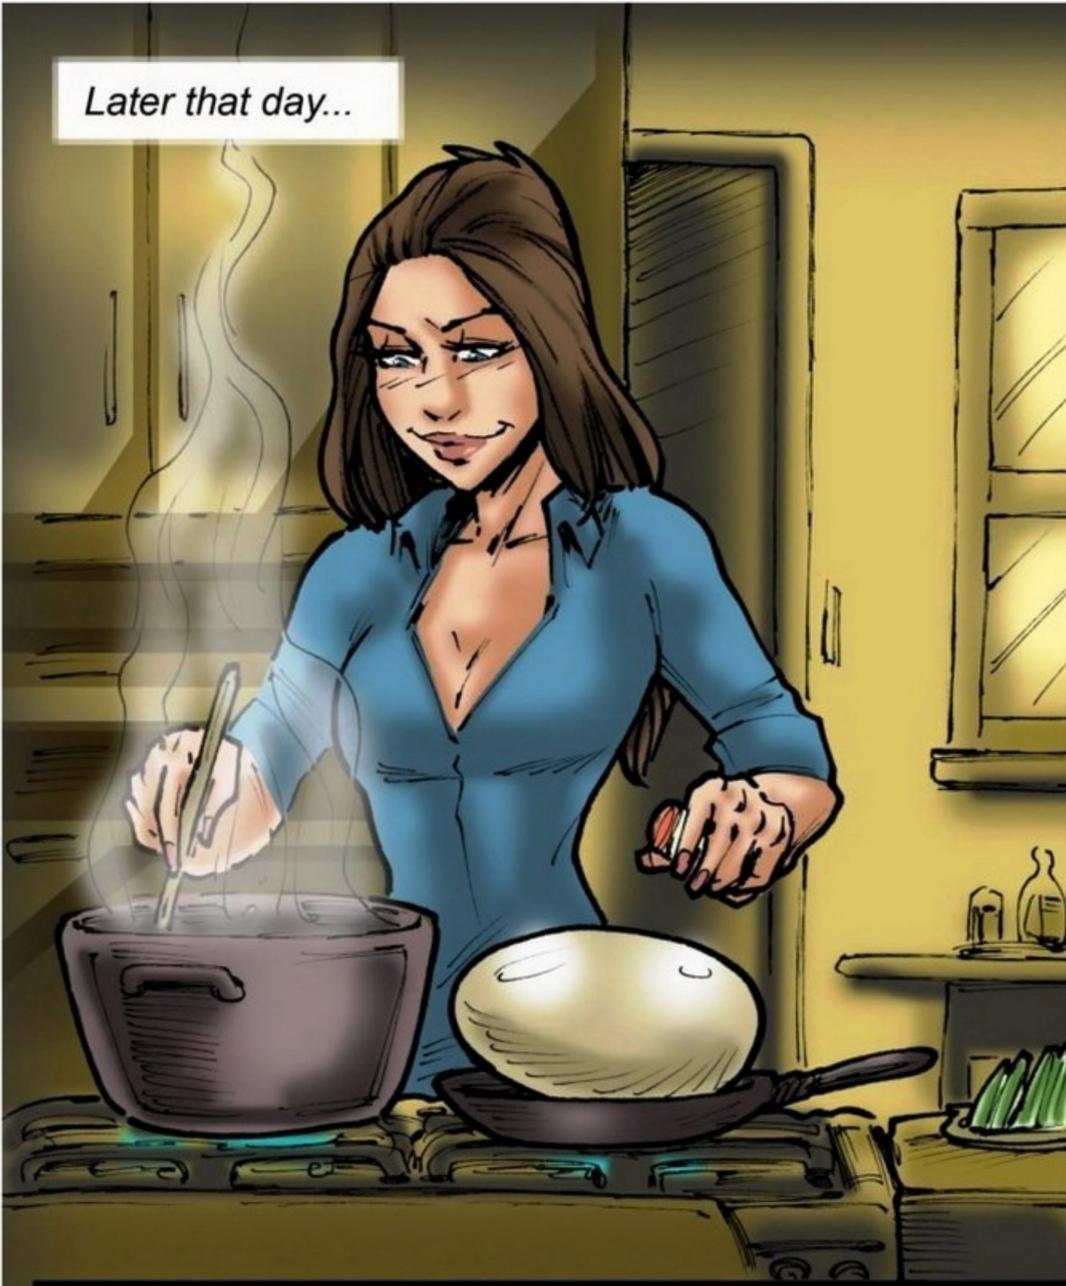

I'll try, you know I love Ryan and he's great, but I just wish he were a little more, you know. And more muscles would be nice too.

At least with Lara I don't have to worry about that, and she has a nice long tongue to make up for it!

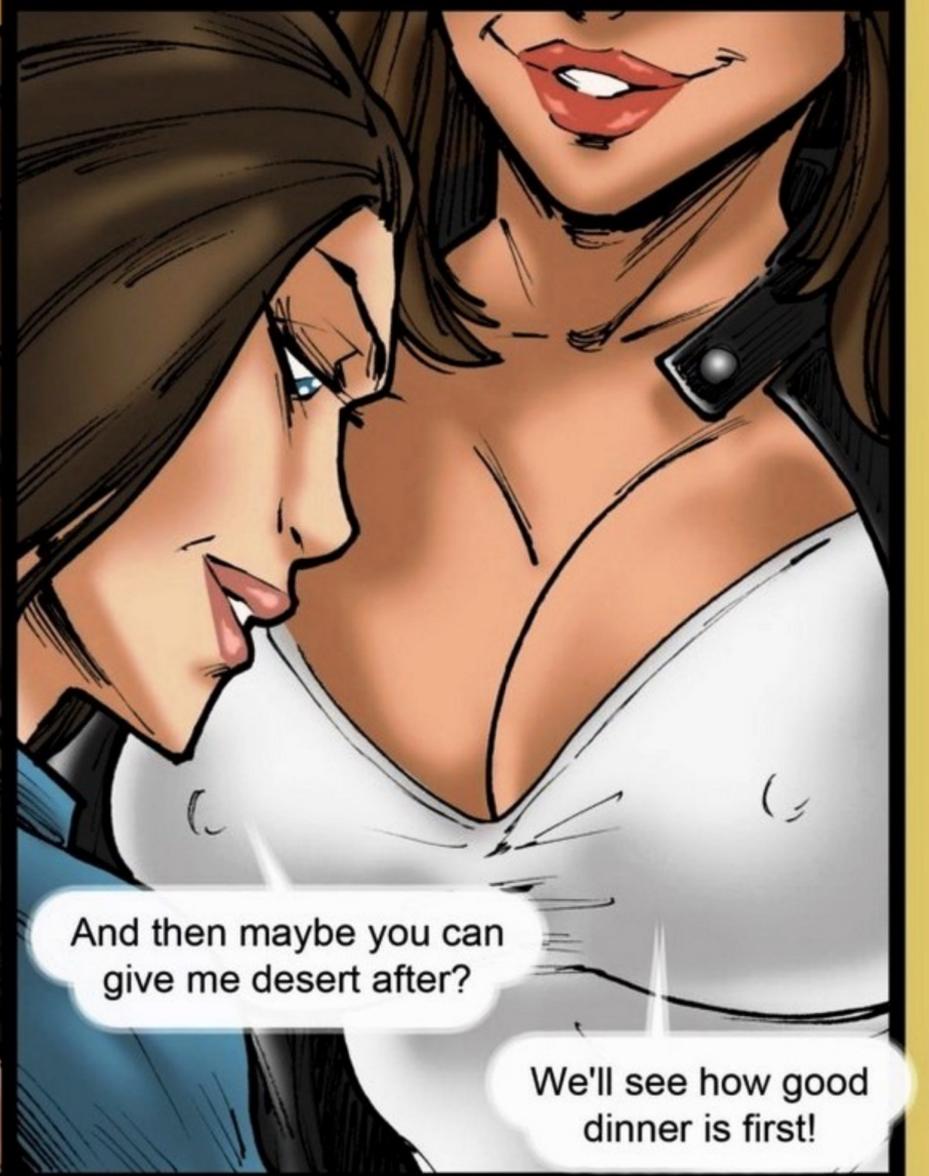

Later that day...

Baby I'm home,
is dinner ready?

Mmm almost ready hon.

And then maybe you can
give me desert after?

We'll see how good
dinner is first!

How come you don't want any of the food you made?

Here, have some more wine Lara.

Are you trying to get me drunk Julie?

Of course not!

Oh you know I always prefer to eat take out instead of farm food, I'm so bored of the stuff.

Eat up baby there's plenty more.

Mmm good I'm starved, I had a small lunch!

That was yummy baby, but I really want you to eat some of this good food too!

Eat up Julie, I want you to have some meat on your little boney body.

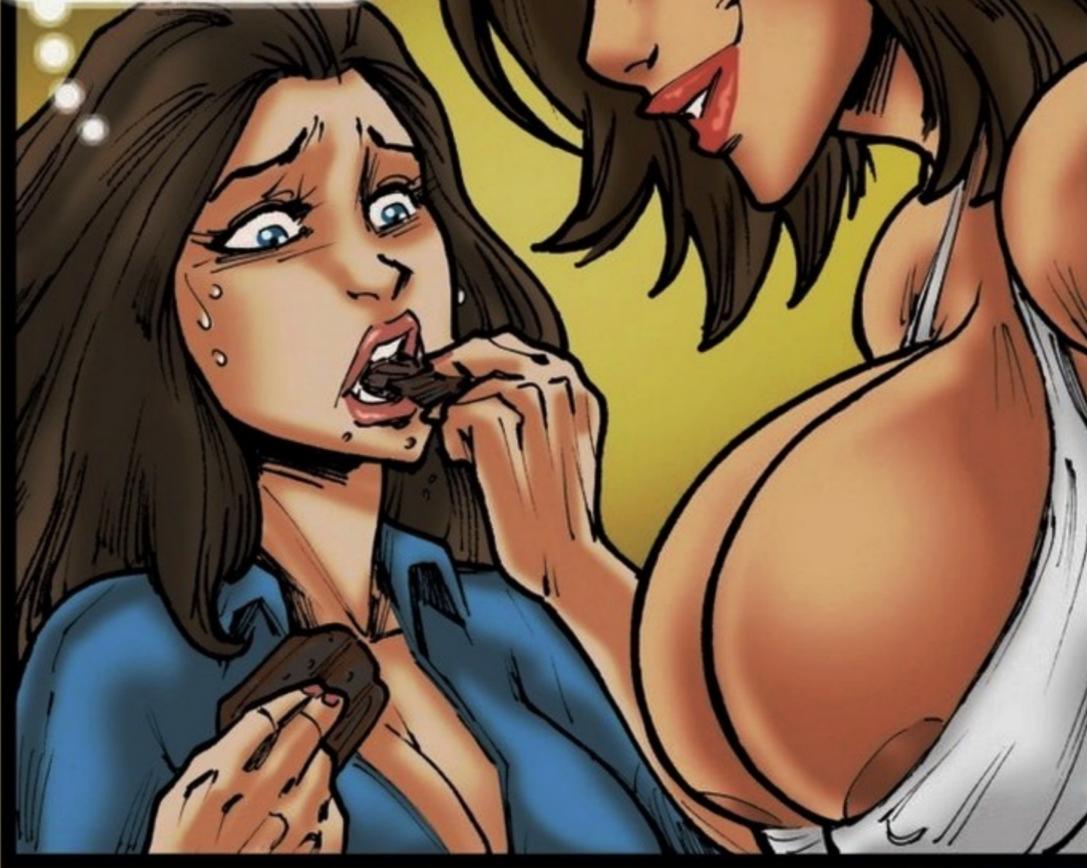

Mmphhtrrt!!!!

Wait baby you're very drunk and very big I...

Keep eating or I will force you to eat!

My clothes are starting to feel tight...

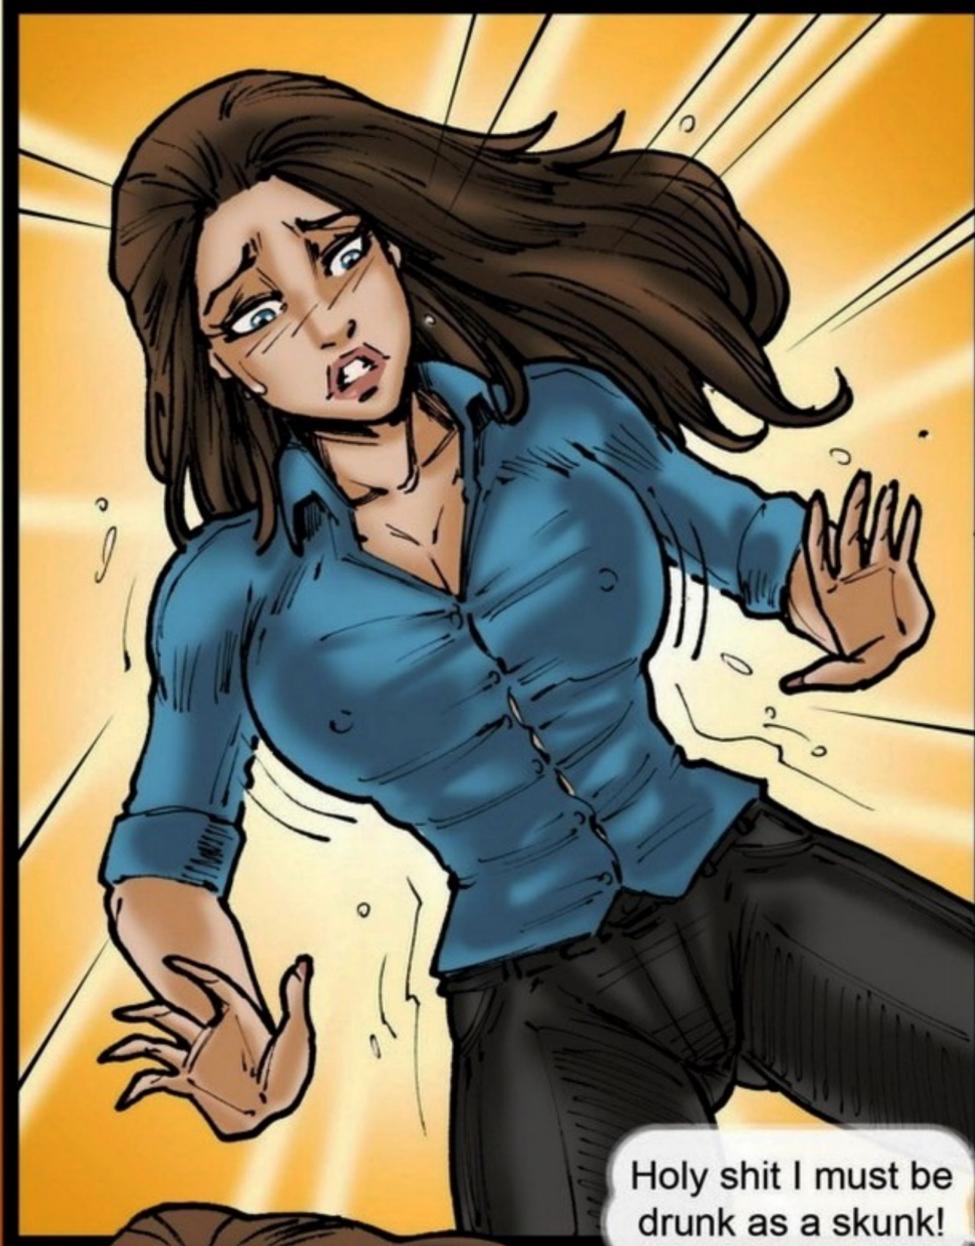

I can't cook as good as you baby so have a raw egg! All the big athletes eat them!

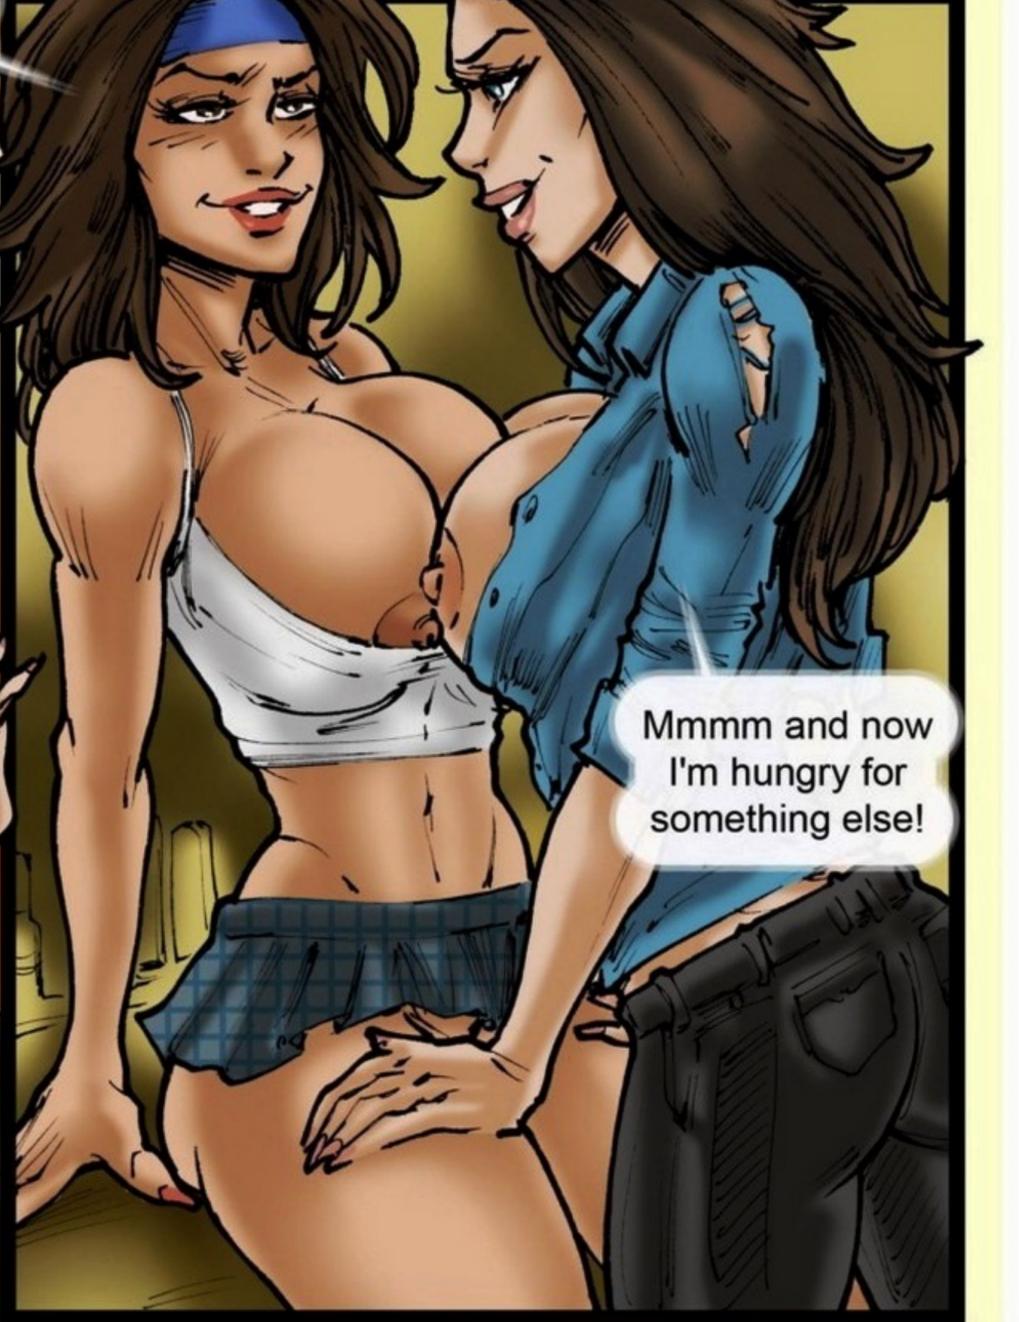

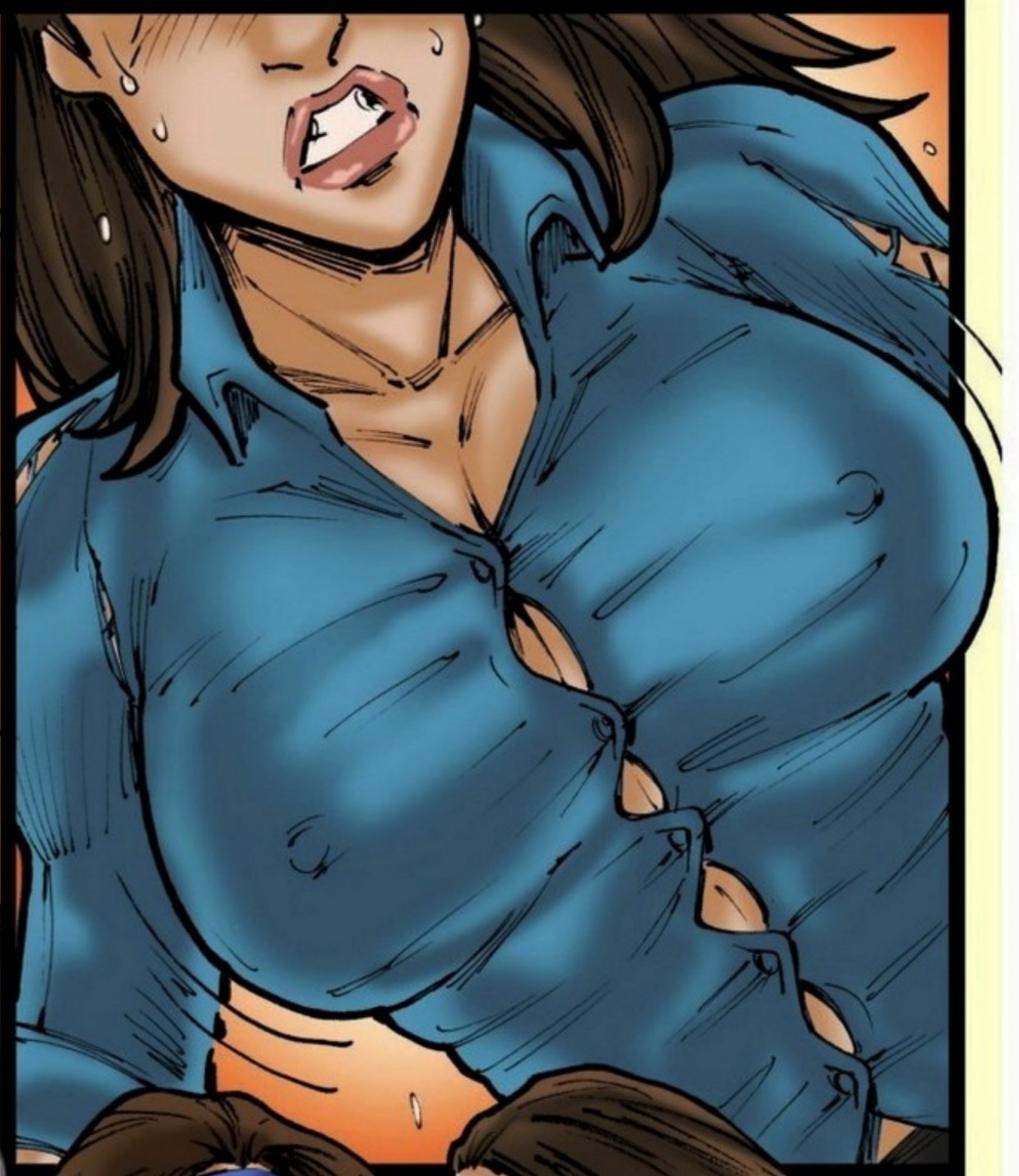

Aww
I just wanted you
to have some protein
so maybe one day
you grow up big and
strong like me hahaha!

Lara
that was gross!

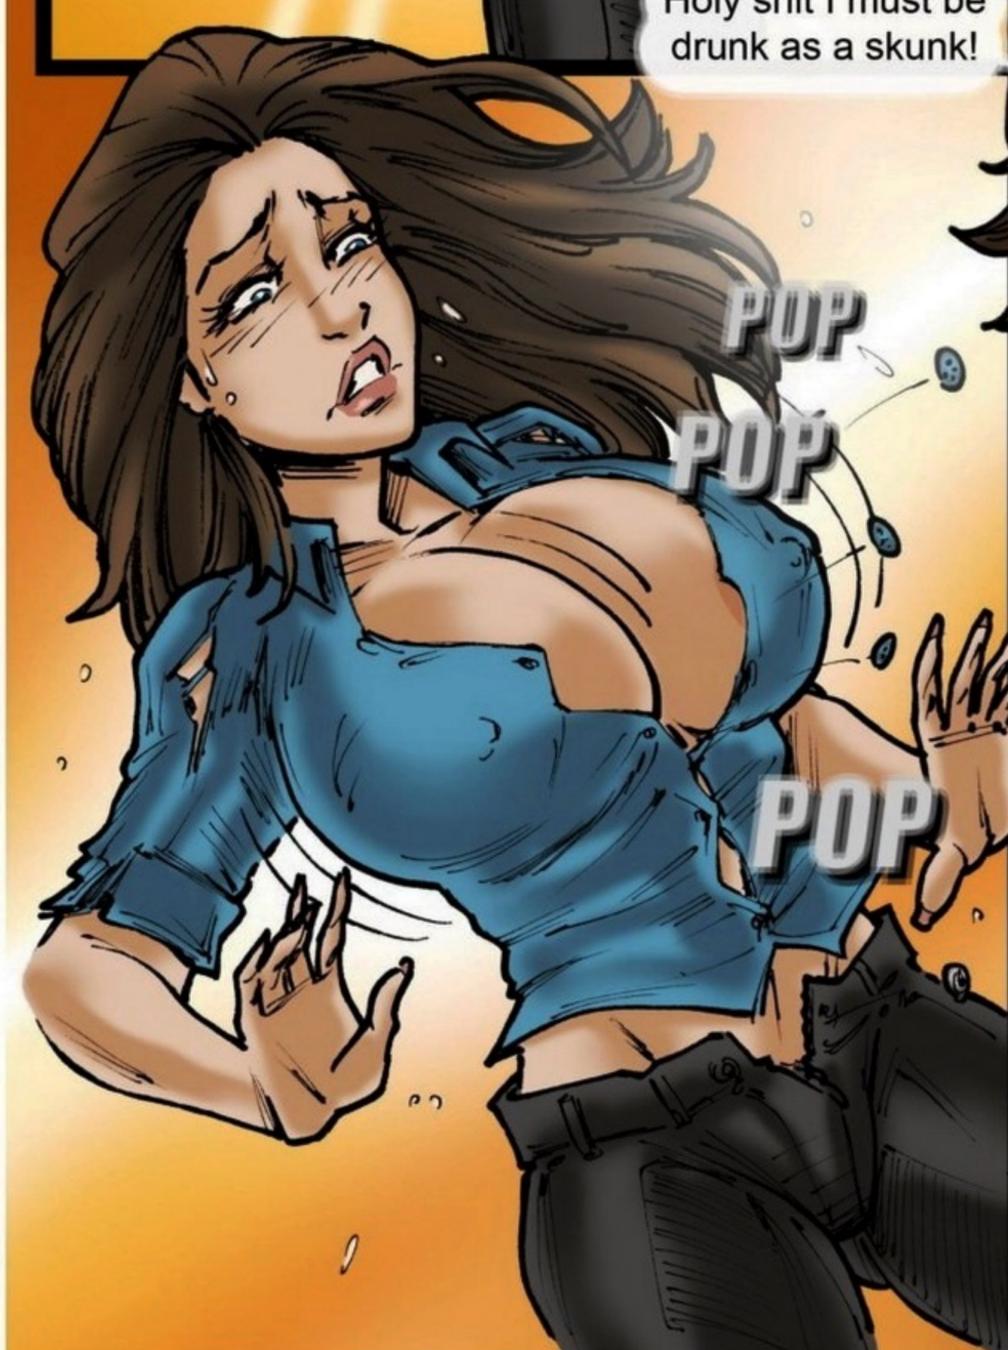

BURRRRRRRRRRRST!

Holy shit I must be drunk as a skunk!

Mmmm and now I'm hungry for something else!

CREEEEAAAK!

Holy shit what a great fucking dream!

And it's not over yet!

Eat up little Lara!

You..you're growing so big so fast, and your tonugue! Ahhhh!!!

Fuck yessss ahhhhhh!!!!!!

So one of the cows got loose and did this? And one of the chickens flew through the roof?

The next morning...

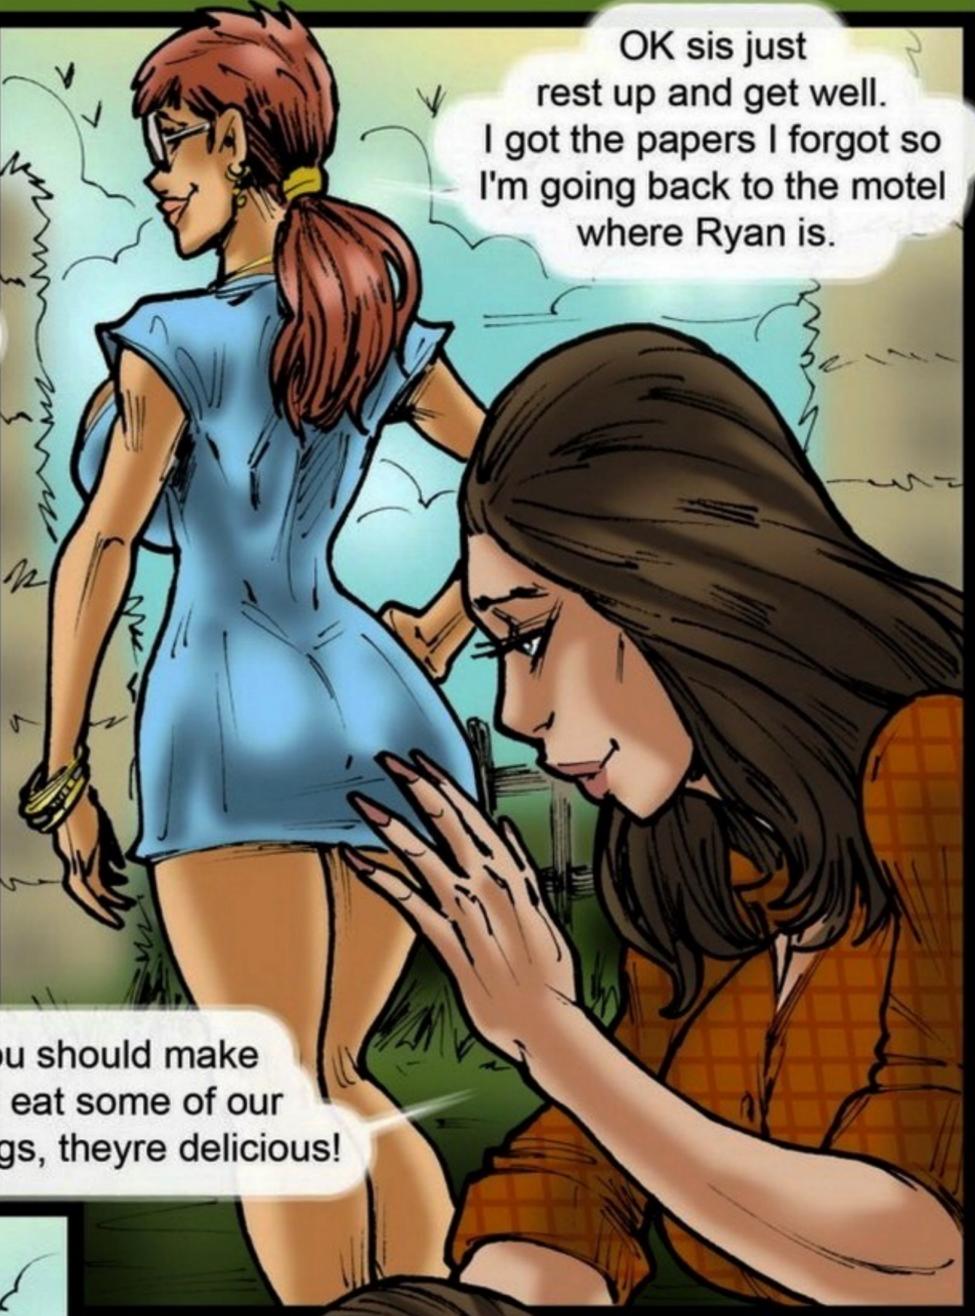

Yup that's pretty much it. These giant cows are dangerous haha!

Hmm there's something different about you Julie, are you OK?

Yeah I think I'm just coming down with a cough.

COUGH

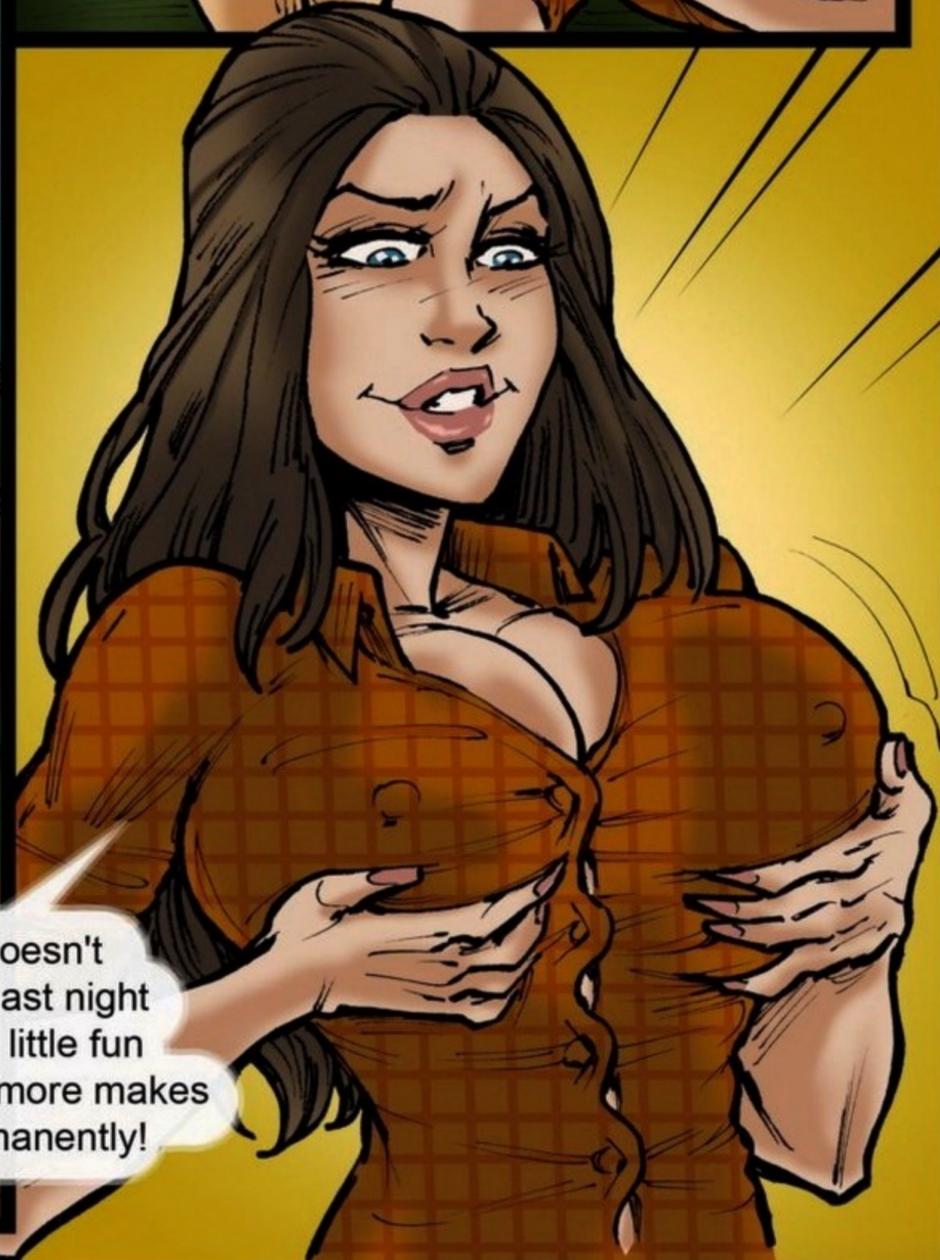

OK sis just rest up and get well. I got the papers I forgot so I'm going back to the motel where Ryan is.

You should make him eat some of our raw eggs, theyre delicious!

Phew! I cant believe both her and Lara fell for it!

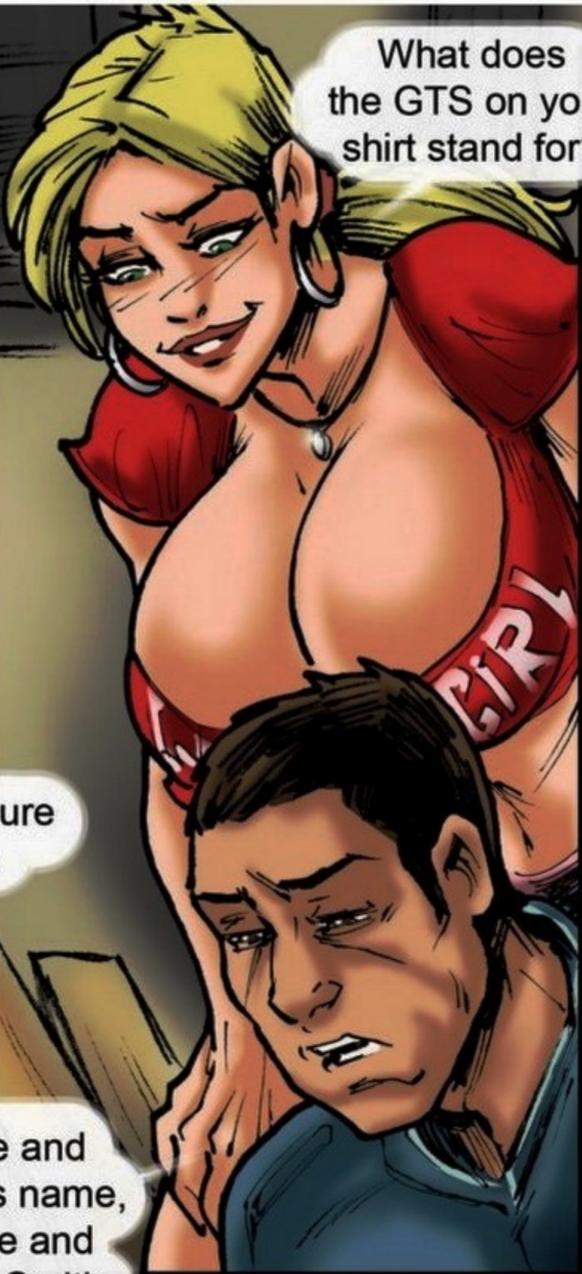

It's a good thing Lara doesn't remember anything from last night either. I think I will have a little fun with this. Specially if having more makes me bigger each time permanently!

Hi there! You two sure are doing a fine job of fixing our house.

My pleasure M'am.

What does the GTS on your shirt stand for?

It's me and my wifes name, George and Tammy Smith.

Wow! I'm 6'5" tall and I never met a woman so big... I mean tall as me!

And I'm 6' tall I've never met a woman over my height!

You're 6' tall? Maybe I had a really late growth spurt since I was a teen?

You're funny and sexy!

I am?

Hey, me and George like to experiment, want to join us?

Sure!

Meanwhile...

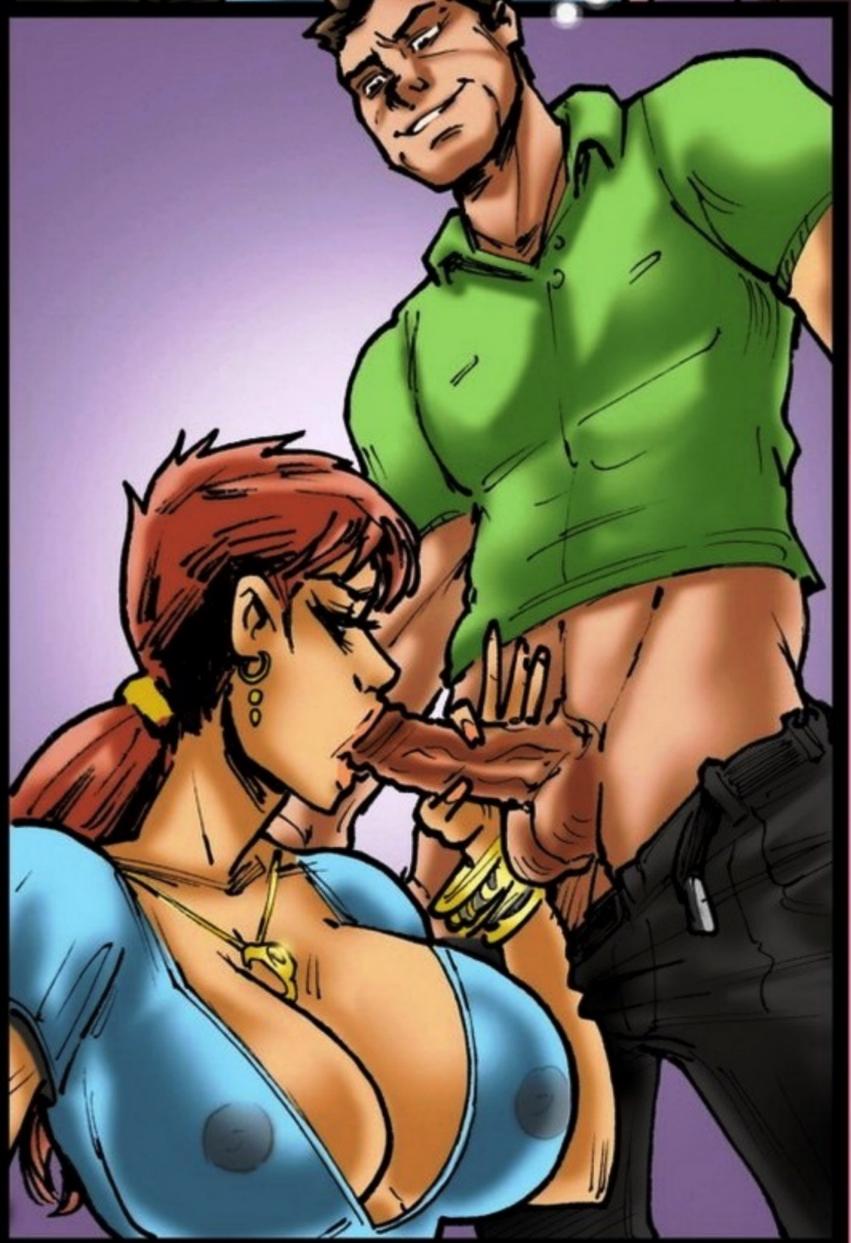

I can't believe that woman with a silver streak in her hair and brown hood bought some of our giant cows!

Woooo am I wasted!
Let's have even more fun.

So much money,
let's celebrate!

Am I imagining things
or do her breasts
look bigger than usual?

Oh I like the
sound of that.

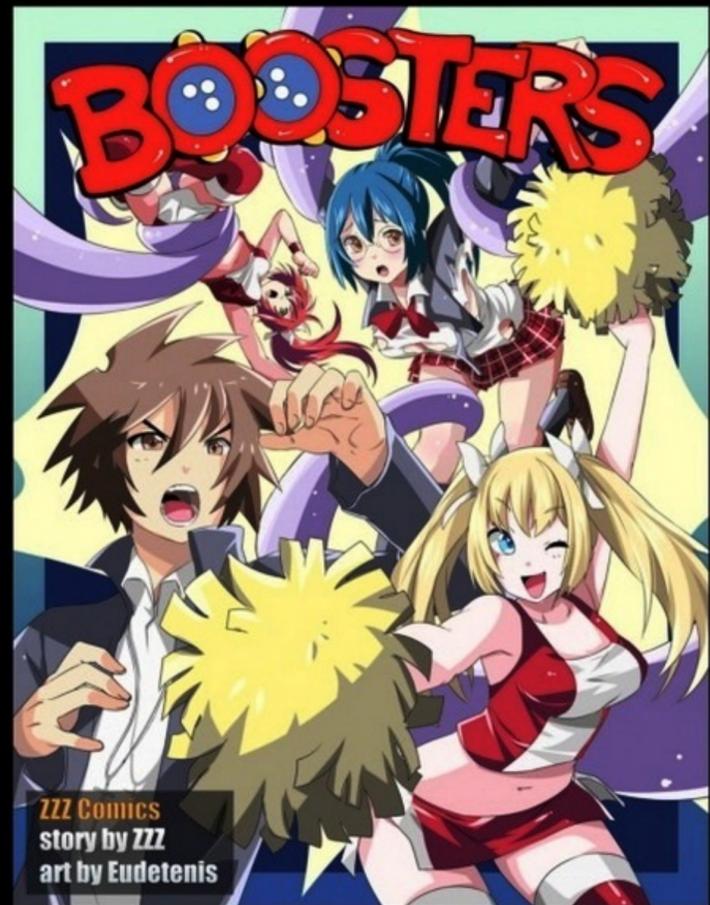

I dont know if its because
Im drunk but his little dick
feels smaller than ever!

Baby after all this drinking I'm real
hungry. I'm going to try one of these
raw eggs. Maybe you should
have one too!
