CHAPTER 1: THE ACQUISITION

Six rich and powerful tycoons combine their resources to exploit a business opportunity and bring their own sick, twisted fantasies to life. They are... The Syndicate.

Hundreds of thousands of travel bloggers fly around the globe every year.

OMG! It's so beautiful here! I can't wait to take some selfies and start posting.

Quick shower and off to the beach!

Nearly a billion guests book vacation rentals instead of traditional hotel rooms.

Booking information is stored on the agency's server and is at risk of data loss, hacking, or deletion

JUST FORGET THE
LONG FLIGHT.

BUT HOW SAFE IS A VACATION
REALLY... WHEN THE OWNER OF THE
BOOKING PLATFORM IS A
MEMBER OF A
SECRET KIDNAPPING
SYNDICATE?

WHAT WAS
THAT SOUND?

JENNA CLARK,
ASKED TRAVEL
VLOGGER, IS ABOUT TO FIND
OUT ...

THERE, AGAIN!

HEY!! WHO'S
THAT?
