Femdom Gang

“It’s so fucking hot today “ Tanya shook her towel before she positioned on the grassing as it felt the pounding heat under the unrelenting sun.

“It’s beautiful” Rachel the busty blonde was already laying on her towel soaking up the summer sun “We hardly get enough of it around here” She squinted back up at Tanya.

“Guess we should soak up as much as we can” Tanya winked and gently prodded Kate’s feet “Don’t fall asleep there princess, we’ll need to be back up in about an hour’s time”

Kate slid her feet under Tanya short skirt and flicked her toes up, taking the skirt up before Tanya casually slaps the feet away “Short enough?”

The trio were soaking up the afternoon Chicago sun before they made their way to the outdoor summer event. Tanya wiped her sweating forehead, rubbing the building sweat, glad she was wearing the minimum clothing possible for the day out She was dressed in a white t-shirt, cut so low and wrapped ever so tightly that the flimsy material struggled to contain her bulging large breasts. Her short red skirt barely covered her thin lacy black panties. The busty blonde couldn't bear to wear any more clothing in the scorching heat.

She looked down at her friends, they all dressed the same today. Flashing copious amounts of cleavage on display and a lot of accidental panty flashing to the public walking through the park.

The three University students were enjoying their summer break and were in Chicago to attend the annual Summer Domme event. A event hosted to cater to Domme's of all ages in an open and safe environment. All three females were regular attendees of the event and were naturally dominant women, in control of the men in and passing through their lives. All three were skilled in the art of using their sultry and curvy bodies, wrapping men around their sexually enticing fingers and taking them on an unforgettable journey of submission. Each of the busty young women dressed to seduce, showing off the curves and leading men on. They were showered with presents, propositions and on occasion downright dirty suggestions. But they always led the proceedings in the end. Unleashing the dominant side on their unsuspecting males.

Tanya looked down at the two girls and subtly clenched her thighs. She could feel her pussy moistening at the thought of what lied ahead at the Domme event. Goosebump sprouted across her arms as she relished the thought of taking a sub she had never met before and introducing to the ultimate role of submission in front of her fellow Domme's.

The event was held in the summer outdoors in various location across the states. It was a place where Dommies could network for free and was catered and paid by paying male subs. Subs who would pay an admission fee of \$100 to face humiliation and domination at the hands of one of the Dommies . The event was always a hit. Last years event hosted over 50 Domme's and 200 male subs.

Tanya pulled the sides of her skirt down as she fell a sudden gust of wind lift up her tiny fabric covering her panties and flashed them to the world. The busty young blonde smiled and she reminisced over last years event. Last year, the trio were involved in impromptu pegging party where each of the three females popped the anal cherry of two males each. Two males who had never been anally fucked before became the ultimate subs to the females as they submitted her backdoor cherries and were rewarded later that day, as they slid their face between their Mistress's thighs and serviced her with their tongue.

Kate, Tanya and Rachel had all booked this event in their their calendar well in advance and were eagerly awaiting the next few hours.

“Hey Kate” Tanya whispers to the girls

“Yes”

“Don’t look now but I think the guy to your left might be sneaking a few pictures of your underwear” Tanya quietly whispered. She discreetly nodded to Kate’s left towards a young male, who looked he was in his early twenties. Alone and cradled up against a tree trunk, he appear to be just reading book but Tanya was sure she had spotted him taking out his phone and positioning it in perfect view when Kate lifted her foot up to kick her skirt. He surely would have got perfect view of her panties.

“Hey honey” Tanya asks Kate “Let’s test this out, lean over Rach and pretend your are taking something out of her handbag, make sure your skirt rides up high enough to showing off your panties”.

Tanya watches as her friend flashes the man and observes him casually lifting his phone and facing it towards Kate’s ass.

“Call him over Kate” Tanya growled “Let’s teach him a lesson”

Kate flips back over and parts her legs in the man’s eyesight providing him with the perfect view of her pantyclad pussy. She pops one of her fingers into her

mouth and slowly simulates a blowjob gesturing him to join her.

Tanya watches as the man grabs his bag and phone and shuffles towards to the trio of girls.

“Were you taking picture of us” Tanys enquires seductively as she stroked the young man’s arm.

“Um....no.....no.....what are you talking about” he violently shakes his head nervously.

“I saw you take photos of my friend when she bent over” Tany flicks an imaginary speck of dust off his shoulder and trails her finger slowly down to his waist.

“No.....tha.....tha.....that wasn’t” he stammered

It was crystal clear from his response and his actions that he were taking photos of the girls. She smiled to herself. She was going to get this man to admit the truth and he would become her foreplay for the Summer Domme Event. A little teaser for her pussy to get her juices flowing. Tanya suddenly feels a dull beat between her thighs picking up noise as her pussy awakens to the plan.

“Well that’s a real shame” Tanys pouted her lips “If you were, we were going to provide you with the perfect upskirt photo collection”

The young man's eyes quickly widened as Tanys words began to sink in. Was he really walking into a treasure chest of gold? Could this be true? Without thinking twice the young man pulled dug out his phone from his bag and stammered "My....my.....my name is Dennis and I am a amateur photographer for a fetish site"

Tanya smiled.

"And you girls are stunning, if you are up for it. We can arrange for some proper photos here" Dennis tried to catch the eyes of all three females and was welcomed by three warm smiles.

"Let's have a look at what you have taken so far" Tanya moved closer to touch his phone.

Dennis flicks through his phone and cycles through the different pictures he had taken of the trio today. His overeagerness was leading him into a trap. Tanya gently eases the phone away from him and continues flicking through the images herself. The various shots taken appear to suggest he had been following the trip for a while. But more importantly, the images taken focus on their feet and their asses. She discreetly glances over towards his crotch and can sense Dennis is getting turned on.

Tanya's inner Domme indicates to her that Dennis has a feet and ass fetish. Something which she can exploit and use to punish young Dennis.

"Why don't you start by taking a few risque pictures of me" Tanya smiles as she smells Dennis's cock spring to life inside his jeans. She slaps the phone into

Dennis chest, drops down to the floor and lays on her back slowly spreading her tanned legs in front of the stunned peeping tom.

Dennis snaps a few pictures and holds his gaze at the lacy underwear between her legs growling for his attention. The thin pink fabric was embroidered with some lettering. The curious voyeur leans in and reads the words 'Cherry Popping Angels'

He tries to discreetly adjust his stiffening cock, struggling to hide his arousal and continues taking pictures while Tanya poses in various dirty poses. Flashing her sexy underwear in each, subtle yet always present.

"Why don't you grab a true upskirt shot of me" Tanya teasingly prods Dennis inner thigh with her toes "Lay on your back and I'll hover my legs above you, get some real candid pictures in"

Dennis can't believe his luck. Is this really happening?

He excitedly lies on his back on the fresh grass and drools uncontrollably as the busty young student places each foot by the side of his head offering him a prime viewing location of her panty covered mound.

Tanya allows Dennis a few shots and then steps back, placing her feet on either side of Dennis's hips and lifts the front of her skirt up a tad in a teasing pose.

"These shots are beautiful, you have the perfect body for these" Dennis grins from ear to ear "But can I ask you a question"

“Go for it honey” Tanya and her gang of Domme’s knows what is coming next

“You underwear says Cherry Popping Angels” Dennis replies “What does that mean”

“I’ll tell you on one condition” Tanya smile

“Anything”

Tanya slowly licks her lips drawing her mark in “”Open you legs wider and beg me to kick you in the nuts”

The peeping tom can’t believe his luck, he spreads his legs wides and look down at the Domme’s tanned legs, trailing his eyes up to her body.

The busty young blonde simply smiles and holds Dennis’s gaze as she swings back her right leg as far back as she can, holds her weapon while tensing her thigh muscles and propels her sneakers forward homing in between Dennis vulnerable open legs crushing his hungry and willing testicles. Tanya watches as Dennis is frozen, the phones trembles in his hand and she sees a smither of drool rolling down the side of his chin. Before he is able to react, she thrusts another powerful kick into his sore and tender orbs.

“Well that’s a good question you ask” Tanya replies as if nothing out of the ordinary had occurred “Well you know how men keep score of how many

virgins they have popped the cherries of”

She swings her sneakers into Dennis’s bruised nutsack once more.

“Well me and my little gang of Domme’s here’ We make it our mission to pop the anal cherries of men we met and keep our own little tally”.

Dennis’s hands shoot down to clutch his throbbing family jewels as he curls up in the fetal position. The sounds of the park fading away leaving Tanya’s world smothering his own thoughts.

The vicious Domme leans in, gently lifting his chin with her finger to meet his gaze. His trembling face bears witness to his tearful eyes

“You have two options now sweetheart” the coldness in her voice is betrayed by the smile creeping across her face “You can hand me your camera and we destroy the pictures or you can keep the pictures and me and my girls play a little game with him”

Tanya allows her ultimatum to sink in for a few seconds “So which will it be”

“Wh.....Wh.....Wha.....What.....What kind of game are you talking about” Dennis whimpers out

“The kind you will like” Tanya slowly peels off her panties, ensuring Dennis gets a sneak peek of the heaven between her legs. The Domme hovers the pink lacy underwear above Dennis’s face and watches as the natural scent of her pussy take him over. She drops the underwear on his face and watches as he takes a deep sniff, inhaling the fresh scent of her womanhood.

Dennis replies “Le....Le....Let’s play”

Tanya rolls her underwear up and stuffs the pink ball of material in his mouth. She swings her dangerous leg back once more and launches it between Dennis’s legs once more, crushes his phone against his throbbing testicles.

“Let’s have some fun” she looks down at the peeping tom, gagged and drooling over her knickers clutching his sore testicles.

The girls watch as Dennis’s groans clutches his bruised and sore testicles and wait for him to recover while they soak in the sun. Allow Dennis some much needed respite.

As his groans subside and Dennis’s clutch on his nutsack loosens. Tanya saunters up to him and lays him flat on his back. She bats his trembling hands away from his groin leaving him exposed for further temptation to Tanya’s vicious foot.

Tanya hovers her bare bottom ass above Dennis's head and watches as his face is suddenly glued to the breathtaking beauty between her legs. She gracefully glides her ass cheeks down and hovers the entrance to her anus above Dennis's mouth.

The voyeur's tongue leaps out and attempts to slide into her winking browneye but is just a fraction of an inch too far.

The sensual Domme simply smiles down at her willing sub and without warning, resumes her descent and sits on her sub's face, smothering his perverted mouth and taking his breath away. She grinds her hips back and forth as she rubs her clit against the tip of Dennis's unsuspecting nose and breathes in heavily as Dennis's surprised tongue squirms its way into her hungry anus.

"Just my kind of bitch boy" Tanya laughs as she clenches her ass cheek muscles and traps Dennis's tongue inside her anal walls.

"Lick me good my little manslut" Tanya feels Dennis's tongue thrashing against her anal walls begging for release, stroking and probing the inner reaches of her anus. She presses her ass down on his mouth and sucks in his oxygen enjoying the pleasure of the weak man beneath her.

She lifts her ass for a fraction of a second and listens as Dennis's desperate lung frantically breathes in the air around him, filling it's deprived body of oxygen. Once she feels he has enough, she drop her ass flat on his face and continues grinding her ass crack against his nose.

Kate unbuckles his belt and tugs his jeans down and watches as Dennis's cock is

standing erect begging for attention, clearly enjoying the smothering Tanya's ass is taking Dennis's face through.

Kate yanks down his boxer shorts and watches as his erection springs into the open spitting pre-cum across her face.

"Naughty naughty" Kate giggles as she slaps the cock hard and watches Dennis's torso jerk in reaction.

Kate angrily grabs the meat of Dennis's erect penis and squeezes the thick member, milking his pre-cum from in shaft into the sunny open. The young Domme rubs her fingertips across the tip of penis and spreads his man juice across the entrance to his urethra.

Rachel grabs a steel sounding rod from her handbag and spits across it's length.

"Brace yourself bitch boy" Rachel giggle ignoring Dennis's muffle.

Rachel teases Dennis's urethra with the tip of the metal rod and then slowly slides in the intruding object. The silver objects shape struggles to slide in cleanly and so Rachel gently retracts the device an inch and reinserts the rod pushing it further and further with each pump. Eventually the rod is sealed tightly within his cock.

Kate wraps her palm back around his shaft and starts to slowly jerk him, with the metal rod inside of his cock.

Rachel cups his swollen balls and rolls the delicate orbs between her fingertips. “How is he doing down there” Rachel asks Tanya.

“I think he may need some air” Tanya giggled as she lifts her ass up momentarily as watches as Dennis’s moaned in pleasure from the unexpected handjob while struggling to grab all the air he could fill in his lungs.

Tanya dropped her ass without warning on his face and the girls watched as his body jerked upwards with magnificent force propelling the rod from his cock.

Rachel presses down on Dennis's vulnerable orbs and applies gentle pressure “Lick her” and presses down slightly harder “and make sure you go deep”

Tanya clasps her thighs around Dennis ears and locks his head into position. The horny young domme maneuvered her clit across Dennis’s lips and releases a gentle moan as she feels Dennis’s tongue involuntarily explore the walls of her womanhood. She grabs onto his head and jerks him forward, egging him on to thrust his tongue deeper into the confines of her dark and warm pussy.

Tanya gyrates her hips back and forth and Dennis becomes a man no more, he is now just a tongue. A useless man with an appendage designed to stroke, probe and lick the very essence of Tanya’s thirsty pussy. Dennis’s tongue pushes deeper into the abyss, thriving on the air between her thighs. The darkness that circles above his eyes remind his his only use right now is his quivering and trapped tongue. Tanya clenches her thighs and traps the salivating piece into her pussy, she smiles as she watches Dennis squirm under her signalling for air. She holds her muscles for a few more seconds before she releases and pushes her ass back. Dennis hungrily gasps for air as he filled his lungs with much deprived

oxygen, taking in every ounce he is able to fill inside of him.

Tanya is too turned to wait any longer and she quickly drops her pussy back on Denni's open mouth mid-gasp. Rachel senses Dennis's need for encouragement and swiftly pinches one of his delicate orbs reminding him what is required of him.

Dennis's tongue continues to fuck Tanya pussy, deeper, faster and harder. Pushing further with each thrust, exploring the very depths of her hole. Tanya picks up a rhythm as she began to gyrate with each thrust and slowly controlling the pace of thrusts. She grabs Dennis's head with both of her hands as she presses down further as her pussy kicks up a gear. Hungry and thirsty for more his tongue. Dennis knows what's required, his lonely and exhausted tongue suddenly kicks into overdrive as it relishes his challenge.

Tanys clenches her thighs tighter around Dennis's head and she feels her walls begin to tremble with her pending arrival. Gripping Dennis's head harder and grinding deeper into him. Tanya suddenly unleashes a primal feminine scream deafening the park as she unleashes a torrent of her womanly juices into Dennis's unsuspecting mouth, flooding his body with her power and sexual energy.

Rachel tugs on Dennis cornered testicles reminding him who is in control

Dennis fails to control the torrential downpour from between the Domme's legs and watches helplessly as her juices spill out of his mouth and all over her face, rolling down the side of his cheeks drenching every inch of grass around him.

Tanya unstraddles Dennis's face and leans in and whispers in his cum soaked ear "Are you ready to learn first hand why we are called the Cherry Popping Angels?"

Dennis simply looks in the the Mistress's eyes and says "Take me, it's yours for the taking"

"What is" Rachel's words caress Dennis's lips as they dance across his mouth

"My anal cherry, take it Mistress, it belongs to you"

"Turn over and present your ass to me" Tanya glared down at her submissive slave as her words turned cold.

Rachel's wrapped hands around both of Dennis's sore testicles and cupped them neatly reminding Dennis of his precarious position. She tugged them up and the girls watched as Dennis's body followed her lead, taking care to stay as close as he could to the nuts she was prying away from his body. Rachel suddenly released her grip and faked a knee. Dennis flinched violently and cupped his balls in anticipation of the pain.

"Remember who is in charge here" Rachel's icy breath reminded Dennis that although he was a willing participant to their game. This was for the enjoyment of the Domme's and only the Domme's.

Dennis lies on his stomach as instructed and felt his cock stiffen against between his stomach and the grass as he felt Rachel's hands gently part his ass cheeks.

"I love it when a man begs me to fuck him in the ass" the young Domme slides a

finger in and explores the sub's untouched anal entrance. She strokes the sides of his walls "Beg me my little bitch boy"

"Please Mistress" the words sounded natural as they escaped Dennis's trembling lips "Take my virgin ass"

"How hard" The lonely finger was joined by a second and then a third as Dennis's ass stretched to accommodate the invasion.

"As hard as you can Mistress" the subtle sound of Dennis's excitement was not lost on Rachel "Fuck me as hard and as deep as you can in my virgin ass"

Rachel starts to gently finger fuck the ass with her three fingers, picking up the pace as his hungry virgin hole become accustomed to her size and rhythm "Hand me the strapon" she shouts out to Kate.

The busty young Domme grips onto Dennis hips and tugs his ass forward exposing his vulnerable anus for the ripping she was intending to unleash. She grabs the dangling strap on from Kate's excited hands and clasps the device around her thin waist. She rubs the tip and gently teases Dennis's ass crack smiling as his legs tremble in anticipation.

"Are you ready?" The Mistress asks knowing the answer

"Yes, Mistress, take me" each passing word sounds more confident than the last.

Rachel spits down and rubs her palms across the ten inch black monster strapped to her pelvis, lubing the device for penetration. Kate and Tanya join in as the plastic dildo becomes home to a cocktail of saliva. Rachel rubs the copious amount of spit across the entire length making sure she has fully lubed the thickness.

She gently presses the tip against Dennis's anal opening and holds onto his hips for leverage. The experienced young domme slowly eases herself into the anus as an inaudible pop signifies another anal cherry she has popped. Rachel retracts from the one inch invasion and pushes back into the virgin hole pushing in deeper on the second thrust. Dennis's anal walls wrap tightly around the cock as they welcome the invasion. Rachel continues to retract and gently thrust until she has loosened up Dennis's ass. Ripe and ready for a fucking.

Rachel pulls out, tugs the ass towards her and begins to thrust into Dennis firstly at a slow pace and then eventually picking up the rhythm. Using his own body as momentum, Rachel finds herself at home inside Dennis's ass as she explore the deepest untouched area of his ass. Probing and stroking every inch and every darkness. The Domme picks up the speed and starts to fuck him harder and faster. Dennis has now become simply a fucking hole for her and Rachel forgets the existence of the man below and continues thrusting with greater and deeper force. She continues to fuck the anus with reckless abandon openly in the park as passersby stand and watch the sexual events unfolding in front of their very eyes. A large crowd forming around the couple. Watching. A man naked and bent down on the grass getting fucked by a sexy young woman with a strap on. But not just fucked. Royally fucked. Rachel shows no regard for her surrounding of how deep she is fucking the once virgin as her pussy takes her over and controls her every thrust.

.

Dennis feels his ass change ownership as he submits to Rachel's total control. He gyrates his ass in rhythm back and forward synchronizing with Rachel thrusts. The willing sub wants every inch of his once virgin body explored, prodded and violated by the brutal dildo navigated by the Domme clutching tightly onto his

hips for leverage.

Rachel clenches her thighs and she feels her pussy threatening to release its force once again. The young Domme submits to her inner desires and continues to fuck Dennis's ass while unleashing an unstoppable blast of her juices over his back. Sliding down his ass crack and gently landing on her shaft providing the plastic pipe even further lube for its continued invasion. And she doesn't stop Rachel continues pushing deeper, sweat drips down her forehead and lands between Dennis's crack. Dennis tenses up as he feels his cock beginning to itch and spasm.

Rachel watches his movements and times her thrusts, pushing one final time as Dennis groans in the air as he releases his man juice between the growing puddle between his legs.

Dennis suddenly feels the weight of the Domme on his back as she collapses onto him in exhaustion. His knees tremble and he gives in to her weight and falls face first as Rachel's strapon digs deep into his ass under her weight.

The crowd in the park pulsates in size and watches on in awe at the spontaneous shows of raw female domination.

Rachel slowly pulls her sticky sweaty body away from Dennis's and towers over him. Watching the once virgin man lying at her feet

Rachel rolls over the tired and exhausted body, catching Dennis's grin glaring at her. The sub had been anally violated in front of a crowd and he looked ready for round two.

“So, my little bitch boy” Rachel spits into Dennis’s face “We are attending the the Domme’s summer party down the road”

Kate and Tanya yank out \$100 and stuff the money into Dennis’s mouth.

“I think you should join us and we can carry off where we left off” Rachel smiles as she watches Dennis’s cock twitch at the thought of more to come. She swings her foot back and sends a final devastating kick into Dennis’s nutsack and watches as Dennis rolls into the fetal position.

The young domme’s laughter punctures the air around her as she grabs her drenched underwear and tosses it over Dennis’s torso.
