THE PERFECT SLAVE.

Anyone would say that Natalie had an easy life. Sure, she was popular, gorgeous, talented, and so on. And what a better setting for her to thrive than college. There was, however, one small complication, and that was that she couldn't find anyone that would let her enact her fantasies.

The thing was that Natalie had a peculiar fantasy that not many people were excited for, and "not many people" would be an overstatement, since none of them wanted to help her out. What she wanted was a man that would happily eat her shit and drink her piss, and getting rejected again and again took a toll on her.

She was happy to provide them with enormous amounts of pleasure as well, since she had the most amazing body crowned by a gorgeous face, and she knew how to work both of them. She was second to none when it came to using her mouth, and her pussy was tight as could be, but it wasn't enough to convince a man to help her indulge in her fetish.

How hard could it be to finally convince someone so she could have the time of her life? She had luscious blonde hair, she was tall, she also had prominent curves with perky tits that bounced as she walked and such a perfect ass that it drew many stares as she walked around campus.

That question kept bouncing around Natalie's head as she sat down to take one of her college classes. She felt a pair of eyes on her, which wasn't anything out of the ordinary, but she was curious as to who it would be. She subtly turned her head and managed to catch the guy staring at her before he quickly avoided his eyes.

She recognised the guy. That wasn't the first time that she caught him staring at her, and given his shy nature she concluded that he probably had a crush on her since no playboy vibes were coming from him that would suggest that he just wanted her for a night and that's it.

It clicked right then and there in her mind. Maybe this guy could be the one to help her make her fantasies from true if he was so infatuated with her. Suppressing a smirk, she waited until class was over to approach him. He saw with wide eyes how this beautiful girl walked up to his seat and his nervousness was so obvious that he started sweating on the spot.

She sat next to him and offered him a warm smile.

"Hi, I'm Nat," she said.

He was sweating in such a way that it was almost comical, but the girl didn't make fun of him. "I know," he said to himself, "I've been watching you for a while."

"Nice to meet you, Nat. I'm Lucas."

"Lucas, huh? Nice to meet you too."

The young man moved around in his seat as the nervousness kept increasing. He was basically living his dream since the girl that starred in most of his fantasies and that appeared in his mind when he jerked off at night was sitting next to him. It was almost unreal, and it was about to get even better, but he didn't know that yet.

The two of them kept talking for a while, with Natalie taking the obvious lead. She kept the conversation going since it wasn't like Luke didn't want to talk to her, he was just too awkward and kept stumbling over his own words in an attempt to keep the conversation going on his end. Being shy, that proved to be a difficult thing to do, especially with that goddess of a woman sitting next to him.

"I'm kind of hungry," she said. "Do you want to go get something to eat? There's this burger place nearby, it's kind of okay."

Luke felt like he was living in a dream. Nat not only sat down next to him and they talked for a while, but she also invited him to go grab some food? Of course, he was going to accept that offer.

The burger place was a small local business, not a chain, which made it even better because it wasn't overly packed with students. The girl kept asking questions to get to know him better, and his nervousness slowly faded away a little bit. He was feeling more comfortable around her after the initial shock passed.

They ordered some food, and this was part of Natalie's plan, even though Luke didn't know about it. She needed to have some food in her belly to process in time for later, as she was going to need it before the day was over.

When it came to flavour, the food was nothing fancy, but it would do. The fries were great, and the burger was subpar. Luke wasn't focused on the food anyway, as he only had eyes for the gorgeous woman that, for some reason, approached him after class. He still wanted to pinch himself to check if it was a dream or not.

Once she knew that he was the ideal candidate thanks to his crush on her, she made her move.

"You know," she said, "we should hang out some more. Come to my dorm, and I'll be waiting for you there."

She tore a piece of paper from her notebook and scribbled something on it, before giving it to him and walking off. The play could have been seen as

risky, but she was convinced that he would come, and her intuition was usually correct.

Luke stared as the beautiful girl walked away, leaving him sitting there, and looked at the piece of papers in his hand. She had written specific directions so he would be able to get to her dorm. It suddenly hit him that he would be alone with her behind closed doors, and his heart started pounding on his chest as if it was going to explode any moment now.

He carefully folded the piece of paper and put it in his pocket after memorising the directions. There was no need for him to do that, but he was so excited that he read over them several times, unable to believe that something like that could really happen to him. He headed to her dorm and found himself knocking on her door a few minutes later.

Inside, Natalie smiled to herself, since she knew who was knocking on her door. It had to be Luke. Once again, her intuition was right.

“Coming,” she playfully said while going to the door.

She opened it and let him in. He was still nervous, but nothing near how bad it was after class when they started talking. There was just a tiny amount of sweat on his forehead, and the girl thought that it was adorable.

“Thanks for coming,” she said and pointed at the couch so he would sit down.

“I should thank you for inviting me,” he said as he sat down.

“No problem. Dark or light?”

“Excuse me?”

“Beer. Do you prefer dark or light beer?”

“Oh, I’m sorry. Light would be fine.”

She was more of a dark beer type of girl, but she wasn't going to let something as dumb as that so spoil what could become an unforgettable evening. She grabbed a bottle from her fridge, opened it, and went back to him. She sat on the couch and handed him the bottle.

"Thank you," he said, and he took his first sip.

"We should play something," she said while tapping on her chin with her index finger. "What about truth or dare?"

"Okay, sounds good," he said, gulping hard.

"All right. I'll start. Truth or dare?"

"Hmm, dare."

"Kiss me on the cheek."

He almost choked on his beer. Was she going to let him kiss her? His cock involuntarily twitched with excitement. He leaned in and gave her a kiss. The feeling of her smooth skin lingered on his lips, and he wished that the feeling would last forever. It was his turn now, but he was too awkward to take advantage of the opportunity.

"Truth or dare?" he asked.

"Dare."

"Okay. Uhm, do a headstand."

"Yeah, I can do that."

She was in good shape, so it wasn't a difficult thing to do. What he didn't expect was that gravity would act on her tits in that way, pulling them towards her face when she did the headstand. She held it for a few seconds and stood up again, making sure to do a little jump to make her tits bounce some more for him.

It was her turn now, and he picked dare again. This time, he had to kiss her ass cheek. His cock went out of control as his lips touched her ass, giving it the best kiss that he had ever experienced so far in his life. He felt a little self-conscious about having a boner, but she pretended like she didn't see it.

Luke, thinking that he was so clever, dared her to bring her elbows together, which caused her tits to get squeezed in such a way that it seemed like they were about to pop out from her top. After a few seconds of that fun little dare, she brought the stakes up a notch.

She dared him to lie on the floor without being able to move until she said it was okay to do so. He quickly got on the floor and saw as she squatted on his face and let out a loud fart on it. He felt the hot air coming out from her asshole as the smell also hit him. He didn't know what to say, but he enjoyed having her ass close to his face a second time.

He was so excited to see where this was going, that he skipped his turn. The young girl asked him to lie on the floor again, and he quickly complied.

“Open your mouth and close your eyes,” she said with a wink.

Luke didn't know what to expect, but if his crush was telling him to do something for her, he could do it, dare or no dare. He closed his eyes and opened his mouth, unsure of what to expect. Meanwhile, Nat had slid down her pants and panties and she squatted over his face again. This time, however, she wasn't going to let out a fart on his face, as she had much better plans for him.

As quietly as she could, she pushed with all her might. There was a rumble in her tummy, and a big turd slowly peeked out from her asshole. He had no idea what was going on since that was the way she wanted to go about it. She kept silently pushing, spreading her cheeks with her hands. Soon enough, the turd was almost all the way out.

Luke didn't know what was about to hit him, but he was obedient and kept his mouth wide open for her. She finally got it all out, and the giant piece of

shit landed on his face and in his open mouth, which caused him to gag and choke. She stood up and she stopped him when he tried to do the same. The fetid smell quickly fill the room and invaded his nostrils in an aggressive fashion.

“Eat it all and I’ll kiss you on the lips,” she said with a smile.

He had mixed feelings about it, but he wanted her so bad that he wanted to make her happy. His eyes were watering from the combination of the initial shock, the choking, the taste, and the smell. It was a titanic task, but he started chewing on the enormous piece of shit, breaking it down enough for it to fit in his mouth. He kept moving his jaw up and down until it was broken down enough that he was able to swallow it little by little.

After he was done with what seemed like an impossible task at first, she asked him to lick her clean. He wiped away the tears and stretched his tongue out towards her ass. He started with her ass cheeks, carefully cleaning them from any shit that was smeared on them in the process, only to move on to her asshole next. Her little tight hole was covered in faecal matter to the point that there was still a little piece hanging from there. He took it with his teeth and swallowed it whole since it wasn’t too big.

Once he swallowed down the remaining piece of shit, he used his tongue to clean her asshole as well, making sure to leave it spotless. He wanted her to be happy with his work, and so he did his best despite the smell and flavour that flooded his senses.

All of that left Nat so aroused that she almost had trouble thinking straight.

“Forget about a simple kiss,” she said. “If you also drink my piss maybe I will fuck you.”

His heart skipped a beat when he heard those words, and he never agreed to something so fast in his life. After eating such an impressive amount of shit directly from her asshole, some piss would be easy.

She squatted over his face for a third time before letting her piss out.

“There’s one thing, though,” she said. “You can’t spill even one single drop, or the deal will be off.”

The pressure was on but he was confident that he could do it. He opened wide as the golden liquid came out of her tight pussy and into his mouth. He carefully placed himself in such a way that would ensure that he got everything without wasting a single drop.

Her urine was warm and it had a distinct taste. It washed down the taste of shit that lingered in his throat. The excitement was overwhelming and his cock was absolutely hard ever since he heard those beautiful words escaping her lips: “maybe I will fuck you”.

True to his word, Luke gulped down everything that she produced and not a single drop was wasted. He was so accurate that it didn’t even get on his chin, and he showed her a proud smile when she was done and she looked down on him.

“Well,” she said. “A deal is a deal.”

She slowly and sensually took off her clothes, while the man did it in such a hurry that he almost ripped his shirt apart. This was beyond his wildest dreams and he was more than ready for her. Nat told him to lie on his back again, and she lowered herself over his hard cock. She was so turned on from the previous game that she was soaking wet, which caused his cock to slide right in like it was made for her pussy and nothing else.

They both started moaning as she moved her hips in circles, almost strangling his cock from how tight her pussy was. She moved faster and faster, reaching for her tits to tease her nipples in the process. He reached for them as well, taking them from her hands and punishing them harder. Her nipples were hard and sensitive by then, and he took advantage of it.

The moans that got louder and louder served as confirmation that he was doing something right, but it was mostly the pent-up pleasure that she had from him eating her shit and drinking her piss. Finally, after looking for so

long, she found a man that would help her make her fantasy come true, and the experience had exceeded all her expectations.

She bit her lip and kept moving her hips, now back and forth, as she felt an orgasm building up deep inside of her. The room now smelled of shit, piss, and sweat from the intense workout that the couple was doing.

The orgasm hit her like a waterfall, washing over her with such an amount of pleasure that she felt like she was losing her mind. Her body jerked randomly in such a way that his cock got stimulated almost too much. That on top of her pussy tightening up even more made the young man cum inside of her, unable to hold it in any longer.

He exploded and filled her up with an insane amount of cum that spilled from her pussy to his body and the floor. She stood up with shaky legs and went for some tissues to clean herself up, while the man regained his breath. She sent him home with a smile and after blowing him a kiss, and he went on his way as the happiest man in the world.

She walked up to a bookcase and reached between two books, retrieving her phone. She pressed stop and could barely contain her excitement. She had recorded everything, and even though he was gone and the night was over for him, it wasn't for her.

She took her phone to her bed and made herself comfortable on her sheets as she played the video from the beginning. Her pussy was still sensitive from the intense orgasm, but she was ready for a second round. She slowly rubbed her pussy lips as she relived all that happened that day, going through the kiss on the cheek, the headstand, the kiss on the ass, and all the way to the main event. She saw herself squatting down on him to let out a fart, and then to push out a gigantic log made of stinky brown shit.

A finger went into her pussy as the piece of shit landed on him on the screen, and she pleased herself with that finger for a couple of minutes before using two and then three. Watching him consuming her filth was

exciting and it brought her a different level of pleasure as she was watching the events unfold on the small screen.

Her focus shifted from the phone to her own body at that very moment, as she hit all the right buttons and rubbed her clit. She was so sensitive that it was almost painful, but she kept going regardless of that. The orgasm that was building up now felt more intense than that one that she had with Luke. A combination of reliving everything that happened and the fact that she now had a recording that would last forever and that she could watch again whenever she felt like it contributed to a better experience.

She pressed her thighs together and she dropped the phone on the bed when she finally achieved the sought-after state of absolute ecstasy that covered her body and made pure pleasure go through her veins and extend to every single bit of her, from head to toe. The lightning that started from her spine and numbed her senses after elevating them for a moment lingered on her body.

She was finally done for the day. Even if she tried, she wouldn't have been able to move, as the pleasure was too much for her to handle. She remained there, motionless, except for her chest that kept going up and down as she tried to catch her breath from such an overwhelming experience.

In the end, she had managed to get herself someone to have fun with and that would help her indulge in her fetishes. She had a feeling that this wouldn't be the last video that she would record in the near future.

She closed her eyes as her senses returned to normal. She felt her consciousness drift away as the sleep that she needed so much took over, but she smiled one last time before succumbing to eat, excited that she had found the perfect toilet slave for her.
