## AN ERROR IN JUDGEMENT.

Getting a job in Adamo, one of the most luxurious shoe stores out there, wasn't easy. Ryan had to go through a lengthy selection process that involved more interviews than he had to go through in all his other jobs and an extensive background check.

Ryan was a young man in his mid-twenties. He was tall and well-groomed, which gave him an edge in the selection process. He carried himself with elegance, and he always dressed up neatly. The training lasted two months, but he was finally able to start working full time. The young man had a secret that he kept from his employer and everyone else in his life, and it was what motivated him to get a job in the industry.

His customer service was exemplary, and he quickly gained the trust of his superiors. Maybe he got complacent, or he thought that he was invincible, but one day everything changed. The day started like any other: he woke up at five in the morning to shower; he made himself a healthy breakfast and got ready to leave. He went to the Adamo shoe store where he worked and opened it up.

So far, so good.

The first client came in a few minutes after opening the store. Mornings were usually slow, and that one was no exception. The client, an older

woman, requested to see a few shoes, and she tried a couple on, but none of them were to her liking. Ryan, being the expert salesman and customer service specialist that he was, didn't falter.

"Young man, I'm not sure if any of these are for me."

"I can assure you that you look beautiful in all of them. Now, I understand that it's quite important for you to find the perfect pair, and I promise that we'll find it together."

The older woman blushed, and she reached for one of her wrinkled cheeks.

"You flatter me too much. Okay; I was ready to leave but we can keep trying."

Ryan got an assortment of shoes from the back for the older lady. She tried them on and finally found a pair that fit her expectations. Ryan smiled, proud of his work.

He was so focused on the older woman that he didn't notice a second client entering the store. This time, it was a much younger woman, around her mid-thirties.

The woman had an aura of elegance that caught Ryan's eye. Her brunette hair bounced over her shoulders as she walked, and sunglasses covered her green eyes. She had a slender frame, with curves accentuated by her expensive outfit. Her black heels were one of the most beautiful pair the man had ever seen; they were a closed-toe pair, hiding the woman's feet and leaving the details to his imagination.

His heart fluttered at the mere sight of such a gorgeous woman. She approached him with grace, her heels click-clacking on the floor as she went.

"Good morning and welcome to Adamo. I'm Ryan; how can I assist you today?" he asked, using his most charming smile.

"Hi, I'm Melanie. I'm looking for a new pair of heels."

"Do you have anything in mind?"

“No. I’m open to suggestions. They will be a gift for myself.”

His mind was racing, trying to figure out what the perfect pair of shoes would be. He could only visualise so much in his mind without looking at her bare feet, but he didn’t want to suggest that. His solution was to get started with a few pairs that would allow him to see her in all her splendour.

“I have a few things in mind,” he said. “Let’s give these a try.”

The young man brought some shoes and left them on the floor, in front of her. He got down on one knee and opened his palm towards her feet.

“May I?”

“Yes. Go ahead.”

He steadied his heart as it banged relentlessly in his chest. He delicately took the black heels off, and the mere sight of such perfect feet made him pause for a second. He grazed her skin with his fingertips, but it was enough to get his imagination going. He wanted to rub her feet, massage them, taste them... but he had work to do. He closed his eyes and imagined a few models that would look good on her, and he went to get them after she tried out the ones that were already there.

Nothing worked for the gorgeous woman. Ryan didn’t lose his charismatic smile for a second, and he was set on pleasing her and finding the suitable model that fit her tastes. His lust proved to be too much, and his cock became erect after handling her feet for a few minutes. He couldn’t help it; her feet were perfect, and her skin was the smoothest and most beautiful that he had the pleasure of touching. It was distracting, but he carried on.

Ryan became too aware of how sensitive his cock was, and it became too distracting. The mere contact with his pants was almost too much to handle. Lady luck was on his side as the woman stopped him by raising her hand.

“Let’s take a small break. Where is the restroom?”

“It’s over there, around the corner,” said the man as he pointed in the right direction.

She got up and walked in that direction without wearing any shoes. Ryan stared at her feet as she walked away and sighed when she was out of sight. It was almost too much stimulation, but then he saw her heels. She left them there, unattended, while she went to the bathroom. His cock was hard and throbbing, and he couldn’t keep his hands from reaching out and grabbing her shoes.

The material was of top quality. He caressed her heels and appreciated the model, but that wasn’t enough. The young man buried his nose in the shoes and inhaled deeply, filling his nostrils with the heavenly aroma. He exhaled and quickly inhaled again, repeating the process over and over while his cock released a few precum drops that stained his pants.

The smell was too good. He put a hand in his pants while still smelling them, massaging his cock while panting with desire and desperation. The world didn’t exist anymore; it was only him and his keen senses. Losing track of his surroundings was the worst mistake he ever made.

Ryan was so entranced in his forbidden acts that he didn’t notice the woman returning from the bathroom. She didn’t make any noise, as she wasn’t wearing shoes. She caught him red-handed, with her black heels against his blushed face and his hand rubbing his cock inside his pants.

“What the *fuck* do you think you’re doing?!”

The loud words brought him back to reality. He couldn’t believe how badly he lost himself in the moment. Anyone could have walked into the store and caught him just the same. Nobody did, but it was so much worse.

“I’m sorry, I... “

He couldn’t say anything. His brain was fried, and no words came out of his mouth after that. He started sweating like a madman while the woman’s green eyes pierced right through his soul. Her expression was severe, and her arms were crossed.

It was like time had stopped for Ryan. One moment had potentially ruined his life because he couldn't keep his desire in check.

"I'm sure your employer will be less than thrilled when they hear about this."

That made him snap back to reality. He was about to lose his dream job over this, and he wouldn't be able to work in the industry again.

"Wait. I'm sorry."

"Just saying sorry won't make it right."

"I know. It's just that... I let myself go. You have such perfect feet and the type of beauty you don't see every day. I know that doesn't make it right, but I don't know what else to say. I fucked up."

Melanie kept looking at the young man on the floor. She didn't move a muscle as she studied his reactions.

"Why do you like my feet so much?" she finally asked after a few seconds that seemed to stretch into infinity.

"They're perfect. Your skin is smooth and healthy, and the shape of your feet is amazing. Your toes are the best size for your feet and complete the picture nicely."

The woman wiggled her long sexy toes after his words, and his eyes were glued to their every move. His, pulsing throbbing cock threatened to cum, and it would have if it wasn't for the stressful situation at hand.

She sat down where she previously was, surrounded by the rejected pairs of shoes. She put her black heels on and walked towards the store's entrance.

She put a hand on the door's handle and looked back at the man who was just getting up from the floor.

"You'll hear from me soon," she said, and she walked out.

Ryan dropped to the floor again, sobbing uncontrollably. She was going to tell his boss, and his life would be over. As much as he was concerned

about the situation, he kept thinking about her and her feet. The mesmerising fragrance from her black heels, the way her feet looked when she walked to the bathroom, and the wiggle of her toes when he was caught.

He locked the door and went to the bathroom to compose himself. He washed his face and straightened his clothes. Whatever it was going to come his way, he had no say in it anymore, but he had to make it through the day.

He came out of the bathroom as the usual Ryan, an upbeat and charismatic seller that always tried his best to please his clientele. He unlocked the door, and the day continued like normal when the next client came in. It was a pair of twins that were looking for matching shoes. Their feet were terrific, but he could not enjoy himself as he helped them because his head only had room for the previous encounter.

The day was over, and it was time to close the store, and there were no phone calls from his boss and no visit from the police. He was thankful, but it only made him stress more. He went home and finished his day with an abundant dinner and some ice cream. Maybe the next day would be his downfall.

Ryan had a nightmare about him in prison until the alarm woke him up. Back to reality, he went through the motions and went to work. His boss wasn't there, nor was the police.

The day seemed to be like any other: a few customers here and there, but nothing out of the ordinary. Until Melanie showed up, that is. The woman dressed in an elegant outfit with neat shoes, like the previous day. Ryan was freaking out internally at the sight of the woman, but he kept a relaxed front since he was helping another customer.

“Good morning. I’m here to pick up my package.”

Her words confused him, and it showed on his face. What package was she talking about?

“You said that you’d keep it in the back for me. I’m in a rush, can we go get it?” she said as if she read his mind.

“Certainly,” said Ryan, and he addressed his other customer. “Will it be okay for me to retrieve her package while you decide on a pair?”

“Yeah, go ahead.”

Ryan stood up and guided Melanie to the store’s back, where they kept a fair amount of shoes. He opened the door and closed it behind them. The room was big, but it was cramped because of all the shoes that were kept there. The young man was confused and nervous.

“Kneel,” she said.

Was she going to make him beg for forgiveness? He kneeled, as requested, and she put her right foot on his thigh.

“My feet are sore from walking around today. Be a good boy and give me a nice foot massage.”

“I-I have a client out there, I-I should get back to them..”

“Did you already forget that I caught you smelling my shoes and jerking off to them?”

The words hit him like a ton of bricks. She was correct; she had the upper hand.

“I’m sorry about what happened yesterday, I...”

“I’m not interested in your words. What I want right now is a foot massage, and you’re moving your mouth and not your hands.”

Was this a setup? Ryan had so many questions, but he had to comply. She didn’t say it outright, but she held what happened the previous day over his head. The young man took her shoe off and held her foot in his hands. She was slightly sweaty, but it was the same perfect foot that he saw during her last visit. An overwhelming urge to smell it came over him, and he tried to bring his face closer to it.

“Tsk, tsk. I didn’t say that you could do that.”

He froze in place. He was losing himself again to lust.

“Massage my feet. *Now.*” She said sternly.

Ryan put his skilled hands to work. He rubbed her heels, arch, and between her toes. She sighed in satisfaction and wriggled her long sexy toes as he rubbed them, clearly enjoying Ryan’s pampering of her feet. The small amount of sweat served as a lubricant, and it made it easier for him. She didn’t say anything, but her face showed that she liked it. He went up her foot and to her ankle and then back down. She put her foot on the floor and offered him the other one. He repeated the process all over again, to the woman’s satisfaction.

Time passed, and Ryan grew worried about the client out there. There was also the slight chance that his boss walked in and went directly to the back room upon seeing an unattended customer and his employee nowhere to be seen.

“All done,” he said.

Melanie stretched her feet and smiled.

“A job well done.”

He put her shoes on and stood up. He didn’t move, awaiting further instructions.

“That’s all for today. I’m feeling better already.”

“Let me explain what happened yesterday.”

“There’s nothing that your words can explain better than your actions already did.”

The woman gave him a piece of paper.

“That’s my address. Come by tonight after you’re done with your shift.”

She opened the door and walked out of the store. Ryan was stunned, but he swallowed his feelings and went back to the client that awaited him.

“There you are,” they said. “I decided for this pair.”

“Wonderful. I’ll ring it up and bag it for you.”

“Thank you.”

The client cheerfully exited the store with a new pair of shoes under their arm. Ryan took out the piece of paper from his pocket and stared at it for a long time. Her address. What did she want? He figured that she would take advantage of him again, but he didn’t know precisely how. He pocketed it and went about his day.

It was a slow day in Adamo, which Ryan appreciated because his mind was elsewhere. He kept thinking about Melanie, her perfect feet, and the threat that hung above his head. He went through a different route when the day was over, heading towards her place instead of home. His heart banged away in his chest the whole trip, and he was a little sweaty when he got there.

Her place was almost a mansion. It was a big house with an impressive and well-kept garden. It was nighttime, but she was enough lights on for him to appreciate it. He parked his car and walked up to the front door. Melanie answered it after a couple of knocks.

“Hello,” he said. “I’m here, as you requested.”

Melanie was wearing a robe and nothing else under it. A knot prevented Ryan from seeing anything under it. She was beautiful even while wearing only that.

“Punctual, I like it. Come in.”

The young man entered the house. There was nobody else to be seen.

“I live alone, if that’s what you’re thinking about asking,” she said when she noticed that he turned his head left and right as they walked to the living

room.

“I didn’t mean to pry.”

“That’s all right. You see, none of the lovers that I’ve had in the past were able to appreciate and worship my feet appropriately.”

Ryan opened his mouth, but she stopped him before he said anything.

“Before you think about protesting or worming your way out of this, let me assure you that I already have your boss on speed-dial, and I won’t hesitate to give him a call. Do you want your life to be over?”

The young man looked defeated.

“No.”

“You’re my slave from now on, and you shall call me mistress when addressing me.”

“Yes... mistress.”

“That’s better.”

The woman guided him to the living room, and she sat on the couch.

“Get on the floor, where you belong.”

“Yes, mistress.”

Ryan sat on the floor as she took off her slippers. Her toes were recently painted, a bright red greeting the young man.

“Show me what you can do.”

He started with a quick massage, and his body reacted against his will. His cock quickly became erect in his pants while she touched her gorgeous feet. He pressed his face against her feet, and she didn’t stop him this time. He inhaled, sending himself to Nirvana at the mere smell of her feet. He licked them clean, starting from her toes and moving towards her heel. The taste of such a heavenly pair of feet made his cock throb uncontrollably, and it got a whimper out of him.

She put her toes under his chin and turned his head to face her. He was blushed, and he had tears in his eyes. His desperation and lust were evident.

“You can barely keep yourself together, huh?”

There was no answer from him. She didn’t need one since she already knew the answer. She used her other foot to rub his cock through his pants, and the young man let out a loud moan. He shivered and tensed his jaw. She smiled down on him.

“Mistress.”

“Yes?”

“May I touch myself?”

“You may.”

Ryan unzipped his pants and took his cock out. It was veiny and ready to explode.

“I’ll do something better for you.”

Melanie placed both feet on the sides of his cock, arching them and moving them up and down, jerking him off. He had to put his palms against the floor to avoid falling over from the pleasure. He couldn’t believe that such a gorgeous woman with the most perfect feet would be doing that to him. The bright red from her toes moved up and down his shaft as he struggled to contain himself.

She opened her robe, but he couldn’t even focus anymore. His senses were overwhelmed, and the woman sped up relentlessly. She rubbed her heel against the head of his cock, and that did it for him.

“Mistress, I’m going to cum.”

He wasn’t done saying that when he came. Thick ropes of cum landed on her feet and himself while he moaned, relieving his balls from the constant pain that had built up. She cleaned the warm liquid from her feet on his clothes while the poor man struggled to keep it together. His whole body

was shaking, and his cock moved on its own even after emptying himself on her feet.

It took him a few minutes to get back to normal. It was the most intense experience that he ever had, and then he remembered that he was now her slave. He was at her mercy, and he'd have to follow her every command.

He now belonged to her.
