THE PUNISHMENT FITS THE CRIME.

The warden stretched in his office when his secretary called him.

“Sir, your noon appointment is here.”

“Thank you. Send them in.”

Harry was a man in his fifties with the kind of belly you only get with a life filled with food and drinking. His jolly cheeks made him appear quite friendly, but he was a strict warden that ruled his prison with an iron fist.

The door to his office opened, and Jeremy, a skinnier man of a similar age, walked in.

“Jeremy. Come in, sit down.”

“Thanks, Harry.”

“How’s our little project going?”

“It’s going to be approved by the Senate next week.”

Harry shook a fist in the air triumphantly.

“You know how last year was the worst year for the prison population,” continued Jeremy.

“Yeah, 2070 marked a new all-time high for prison overpopulation. Tell me about it; I see it here every day.”

“Exactly, that’s why it wasn’t hard to convince them to pass the bill. That, and a few donations here and there.”

“As is tradition.”

The two men laughed loudly. They knew how to navigate the system.

“The alternative rehabilitation bill should go live soon enough. I’ll come to see you, and we’ll have a beer over the news.”

“My doors are always open for you.”

The two men shook hands, and the visitor went on his way. Harry saw his round ass on the chair again after the door closed and looked to the ceiling. There were rumours of reworking the entire prison system, and he wasn’t going to let them take their job. Being a warden was his pride and joy, and this bill would keep the status quo, albeit with some slight changes to how things were done.

Chris was the first inmate that Harry chose when the changes went live. Chris was a man that stalked and sexually harassed women, which got him locked up and serving a few years. He was well behaved and respectful towards the guards and the warden, which was rare in those places.

Harry went to see Chris to share the good news and offer him the opportunity to shorten his sentence. The warden’s secretary guided Chris into the office. He was handcuffed, and there was a guard outside, but Harry wasn’t afraid or threatened by the younger man.

“You wanted to see me, director?”

“Yes, Chris. Sit down. How would you like to get your sentence reduced to half of what is it?”

“That would be pretty damn good, to be honest.”

“And let’s say that you can serve it outside the prison.”

“Now I’d say that you’re pulling my leg, sir.”

“I would have said the same until recently when a piece of legislation went through.”

“What do you mean?”

The chubby man smiled at Chris, smelling his increasing excitement.

“I mean what I said. You can get released from here, and yes, you’ll still serve half your sentence somewhere else for rehabilitation and all that, but no longer behind bars.”

“I want it. I’m your guy.”

“I know you are, my dear Chris. That’s why I called you here today. Would you like to be the first one in this prison to try this method?”

“Yes, absolutely. Sign me up, please.”

Harry knew that Chris would accept. It was as easy as he expected, and he didn’t even ask about the fine print of the deal. Chris was impulsive and rash, so the deal was sealed without discussing the details. That was the last time that the fat director ever saw Chris, but he would stay in contact with the people in charge of him, getting updates on his situation, proving that the pilot test was a success and that he would be able to enrol more inmates in the same program. His position was safe and sound, and things would be able to continue as usual.

Chris was released the next day, after the paperwork was done, to the care of another party. This other party was a couple that lived together in the same city where the prison was. The man thought that it was a couple of

fellow men until he got closer and realised that they were two *very* masculine looking women. Nothing like the women Chris would lust after.

The law enforcement officer that accompanied him gave the women some forms to sign.

“There, and there,” the officer said, pointing at a piece of paper filled with tiny letters.

“Mhm. I think I signed every line now.”

Leona, the woman who signed the papers, checked them one last time to make sure that she didn’t miss anything. Her wife, Ruby, read along the lines from where she was standing, next to her.

The women had short haircuts and were in great shape, Leona being the more muscular of the two. She was a brunette, while Ruby had fair skin. Both were taller than the average man and enjoyed working out, which contributed to the manly appearance. Many people had mistaken them for men, just like Chris, especially since they never wore makeup.

Chris never imagined the kind of situation that was waiting for him. He regretted his decision at times, but things were just about to get started. He looked at Leona, then at Ruby, and back at Leona. They looked scary at first, but he was sure that it couldn’t be worse than being imprisoned. They indeed had a softer side.

“Everything seems to be in order,” said the law enforcement officer after reviewing the paperwork. “I know that you must be aware of it, but I have to remind you as part of the protocol that the prisoner has a microchip in his neck, which replaces the ankle bracelets from before. If you have any issues, give us a call.”

“Thank you, officer,” said Leona, shaking his hand.

The officer’s hand hurt from the handshake since he wasn’t expecting her to be that strong. He played it off to save himself the embarrassment and went on his way. The cruiser drove off, and the couple went into their house with their new tenant in tow.

“Thank you, guys, you’re doing me a solid.”

“Who the *fuck* said that you could open your mouth, bitch?”

Chris was taken aback by Leona’s retort. Maybe he didn’t have a softer side, as he hoped.

“I’m sorry, god damn.”

“Watch your mouth around me. I don’t think you quite understand the situation you’re in.”

“I’m supposed to live with you and help you with chores or whatever you need, right?”

Leona and Ruby straight up laughed at him.

“You got sent to us to carry out an alternative sentence, not to be our roommate and wash dishes,” said Ruby. “You’re trash, and you’ll be treated accordingly.”

Chris realised that the women were serious. They didn’t like him, that was expected, but they were going to be rough with him.

“Okay,” he said.

“That’s more like it,” said Leona. “Now, come here. I’ll show you to your room.”

Chris felt relieved. At least they would give him a room. He wondered if the bed would be soft, but he would settle for anything at that point. When he thought about being okay with anything, he never thought they would show him the bathroom.

“Here you go,” announced the couple.

Chris looked puzzled and looked at them to see if it was a joke, but it wasn’t.

“You’ll need to clean it up. It was about time that you got to work, anyway.”

The women handed him a broom, a mop, and a bucket before leaving him there. Chris was still excited about being out of prison, so he got to work diligently. He sang to himself as he worked, being careful not to be too loud in case that his new guards wouldn't like it. He left the bathroom spotless; "I could eat from this floor," he thought.

Leona went to check on him right after he was done. She inspected the bathroom carefully and seemed happy with the work done. She walked in circles, taking a look at everything.

"Okay. Not bad."

"Thank you, Leona."

Her face distorted in such a way that Chris thought that she would punch him in the face.

"You're to call me *master*, not Leona. The same goes for my wife."

Chris thought that it was silly, but he wasn't going to die on that hill.

"Yes, master."

Her face went back to normal. She nodded once in approval.

"Very well. Go to sleep because tomorrow will be a busy day."

"Okay, thank you."

The woman turned off the lights and closed the door as she left, and Chris sat on the floor. It was cold, but it would have to do. He didn't think it would be worth asking his new master for some blankets or a pillow since she made it very clear what she thought of him and his position in the house.

He tried sleeping sitting down, but it was too uncomfortable. He got on the hard floor and eventually fell asleep.

Morning came fast, and he woke up with a stiff neck and some back pain. He would get used to it; he was good at adapting. Once he woke up, he reminded himself that he was in a very privileged position: he would only have to serve half his sentence at this house, and he was no longer behind bars. He wasn't free, but this was better than a prison.

Or so he thought.

He wandered around in the house and went to the kitchen, where the women were preparing breakfast.

“Good morning, masters,” said Chris cheerfully, embracing the madness of the nickname. He wanted to keep them happy, which would make his stay more pleasant. “What are we having today?”

Chris sat down at the table. Leona was cooking some scrambled eggs while Ruby read something on her phone next to her. They both looked back at him with a puzzled face. Ruby walked up to him and..

BOOM!

Slapped him hard on the face.

“Get off that fucking chair! It's not meant for you and I don't remember inviting you to sit down.”

The man almost fell by the sheer force behind the woman's hand. She wasn't even the buff-looking one, and she was that strong. He couldn't imagine what a slap from Leona would feel like. His cheek throbbed as he got up, holding back tears, and walked away from the chair.

“That's better,” said Ruby. “I won't hold back next time.”

“To answer your question, my rude friend,” said Leona. “My wife and I will have scrambled eggs with buttered toast and some cheese. As for you, don't worry, we'll bring you something to eat later today as your breakfast won't

be ready for a while. We'll let you know when it's done. You should go to your room for now and stay there until we need you."

He was hungry, but she didn't give him any other option.

"Okay. Understood."

"Wonderful. Now get out of my sight."

Chris went back to the bathroom, defeated. At least they fed him at the prison, and Harry, the director, was good to him. He got along with most of the guards. He shook his head to stop him from daydreaming and idealising the prison. The reality is that the average house was way better of a living situation, even if he was confined to the bathroom for the time being. Maybe they would give him his own room in the future, and things would improve.

He heard a knock on the bathroom door an hour later, before the two women came in.

"We thought that you might be getting thirsty, so we brought you something to drink."

They were right. He licked his lips, which were dry and chapped. The last time that he had some water was the previous day, before leaving the prison. He was happy to have something to drink.

"Open up. You better not spill anything."

Chris looked confused at Leona, who pulled her pants and panties down in front of him and took them off.

"Get on your back, flat on the floor."

"Huh?"

BOOM!

Leona kicked him on his ribs. It felt like she cracked a rib, and he rubbed his side to make the pain subside.

“Just do as you’re told.”

He complied. The woman looked down on him with a smile, positioning herself above him with her feet at the sides of his head. Then she coughed loudly, clearing her throat and then..

TU!

She spat a big, thick amount of saliva onto his face.

“As I said, open up!”

Still in shock from being spat on, he reluctantly opened his mouth, already knowing what she meant by not spilling anything. They didn’t bring him any water, but they still had something for him to drink. Leona closed her eyes and exhaled slowly as she let out a stream of warm stinky urine that showered Chris. He opened his mouth, but he only got half of it in it, with the other half splashing him on the face. The piss dripped down his cheeks and onto the bathroom floor.

“I feel better now,” said Leona, laughing.

“You were saving up too much,” said Ruby, “and now you made a mess on the floor.”

“That’s fine. Chris will clean it up.”

“After he’s done with mine, that is.”

Ruby did the same as her partner, taking off her pants and panties.

“This time, you’ll actually drink it all, so come get closer to the tap.”

Chris wiped the piss from his face with the back of his hand and got on his knees in front of Ruby. She patted him on the head and brought it closer to her pussy. Chris pressed his lips against her entrance, and he felt the liquid flow into his mouth almost instantly. It was warm, and it tasted slightly

different from Leona's. He wondered if it had something to do with their diet.

He gulped it all down by the orders of his master, and at least his thirst was quenched. He felt disgusted, but it was nothing compared to what would come his way.

Leona and Ruby left the bathroom, and Chris cleaned the mess up. He didn't want to make them angry.

They came back for him later that day.

"It's time for you to stretch a little," said Leona. "Come with us."

The man followed the married couple to the kitchen, where a feast was served at the table. They had a little bit of everything, and the entire house smelled wonderful, of freshly cooked food. He didn't grab a chair this time, learning from the slap on his face.

"It looks good, doesn't it?" asked Ruby. "Leona is a wonderful cook. You'll stand there while we eat."

Chris was starving, but he was forced to watch as they tortured by eating everything themselves. He hoped that they would share their scraps, which he would happily eat and even bark for them if that's what they wanted, but he received nothing. Half an hour later, the plates were clean, and the women were full.

"Oh, Chris. If only you could taste her cooking," said Ruby.

"He will, in a way."

Both women laughed, which worried the poor man.

"Actually, I think I'm ready for it," said Leona.

"Me too."

“Let’s feed the man, then.”

The women shared a kiss and a mischievous smile. Chris remained there, waiting for further instructions.

“Get on the floor, just like before.”

Did that mean that they were about to...?

Chris gulped down some thick saliva and nodded. He lay on the floor as both women got completely naked. He noticed that their nipples were hard.

“I’ll go first this time if you don’t mind,” said Ruby.

“Go ahead, love.”

She squatted down on the man’s face, putting her ass almost on his face. He could smell the foul gases coming out of her asshole as she farted on him on the way down, which made her giggle. Ruby pushed, and her asshole expanded quickly and he heard a soft crackling sound as her sphincter opened, showing a sizeable turd coming out of it. Chris’s heartbeat was off the charts, but he knew that he would be in for some hell if he didn’t do as they said. Plus, he really didn’t want to go back to prison.

He opened his mouth, and the shit coming from Ruby landed right on his tongue. The flavour overwhelmed his sense of taste, just like the gases did with his sense of smell. He kept it there, unable to bring himself to chew.

“You better hurry up because I got another one coming for you,” said Ruby.

BRAAAAAAAAPT!

A huge, stinky fart blasted out of her asshole, washing Chris with its horrible stench. She laughed as Chris coughed and gagged.

She pushed again, and another, smaller chunk of shit came through her asshole. Chris quickly closed his mouth and masticated, enough to make room for the new piece. His eyes watered as the taste and smell got to his brain. The shit had a soft consistency, almost creamy, which made it easier to swallow. He didn’t open his mouth in time, causing the shit to drop on his lips and then down on the floor.

“You’re fucking useless! You can’t even do that right,” said Leona, who was witnessing the scene.

“I’m sorry,” he said, holding back tears.

“Eat it from the floor,” ordered Ruby.

Chris finished swallowing the first piece of shit and turned to the floor. He grabbed the piece, but Ruby stopped him.

“No. Drop it; you’ll eat it like a dog.”

Chris closed his eyes and ate it bit by bit until there was nothing but a smear on the floor. He licked it clean under his masters’ instructions.

“Lie down again.”

He did, and it was Leona who squatted on his face this time.

“I won’t be as soft as Ruby if you drop any of it.”

“Okay...”

Leona spread her ass cheeks with her hands and pushed. A couple of grunts later, a massive piece of shit sneaked through her asshole. It was monumental, and Chris wasn’t sure if it would even fit in his mouth, but it had to. More grunts and pushing later, it was halfway out of her asshole. He started biting pieces off of it to make sure that it wouldn’t drop to the floor. He quickly moved his jaw up and down, decimating the piece of shit with his teeth, which got it all over them. He swallowed again and again, biting piece by piece. He was able to deal with it that way, catching the last bit with his mouth before it got to the floor.

“Good job. I’m proud of you,” said Leona.

He couldn’t say anything; he still had his mouth full with the last chunk of shit. The flavour was different than Ruby’s, just like it happened with their piss. His throat was coated in the taste of both women, who laughed and kissed as the man finished his meal.

“Now you need to lick us clean. Use that pathetic tongue of yours to clean our assholes. Now!”

Once he was done eating their shit, he got on his knees and spread the women’s cheeks to clean their assholes and cracks properly. He used his tongue to get everything off them, and they looked pristine afterward. It was an impressive job.

“I’m glad that you’re so skilled,” said Ruby, “because this is how you’ll spend every day for the remainder of your sentence.”

“Indeed,” said Leona. “you can use the toilet since we don’t need it for ourselves anymore; you’re our toilet now.”

The woman got dressed and left the bathroom, closing the door behind them. Chris dropped to the floor, stunned and defeated, with the taste of piss and shit in his mouth and brain. He couldn’t focus on anything else.

He closed his eyes, internalising what Ruby said.

“Every day for the remainder of your sentence.”

Her words echoed inside his head as he realised that his masters would make him drink and eat their piss and shit whenever they needed to go, for whatever much time he had left there. That was his new job and his new life.

For my fellow sexual deviants.. Keep having fun ;)
