HUSBAND IN THIRD MONTH OF TRAINING

Dear Jeri,

Recently I found your magazine in my husband's bottom drawer. I read it and I liked your whole concept. I told Alan I found his stash of magazines and I liked what I read in Forced Womanhood. He was all smiles when I told him if that was what he wanted, then that's what he'd get. But for this I would date other men. He agreed. This photo is of his third month of training.

JOHN IS NOW JO ANN

Hi Forced Womanhood,

I'm enclosing a photo of my now she-male slave in bondage and severe discipline. She-he is now used to heavy bondage. He used to be John, now he's Jo Ann. I enjoy women and I also like a penis so I changed John over the last two years to Jo Ann so I could have both a man and a woman. I made him get triple "E" breast implants just for me. You should see the men stare at Jo Ann with these big tits she-he now has. She has more men after her than I do. I love it. We'll write again soon.

MAN WANTS TO BE DOMINATED AND SUCK COCK

Dear Forced Womanhood,

My name is John and I'm 42 years old. I'm a submissive male 6' 2", 185 pounds and eager to serve all. Since I was a teenager I have been wearing women's clothing and still enjoy it. I've always wanted to be a woman. I need to be dominated and controlled at all times. I enjoy sucking hard cocks and getting my tight ass fucked. I also like eating pussy. I am looking for a Master or Mistress to transform me into a beautiful she-male slut/slave/maid to serve others, I'm willing to take feminizing treatments and other pills to transform my body and wear sissy clothing at all times. I'm honest, caring and obedient. I take orders very well. I also have a foot fetish (women's) and a shoe fetish (women's). I would like to develop size 35D or DD breasts and don't mind being chastised as long as I can suck cock and swallow hot cum daily, get fucked many times by different men. My new name is Jeannie.

**Sincerely yours
Jeannie**

P.S.

Can you please publish my ad. I'm really ready for a change of life and not happy being a man. Sorry no photo yet.

BONDAGE LOVING MAN IS PERMANENTLY TURNED INTO A SEXY HELPLESS SHE-MALE SLAVE

WIMPY MAN IS CHANGED INTO A SHE-MALE BY HIS OLD HIGH SCHOOL FLAME

Dear Forced Womanhood,

It started our senior year of high school. I was at Connie's house for a swim, and her parents weren't home so we were making out hot and heavy. Suddenly she jumped up, ran to the utility room, then returned with clothesline and said she was binding me so we wouldn't "go too far." Intrigued, I let her do a good job of tying me from shoulders to ankles. The feel of ropes on my near naked body and the awareness of my total helplessness at the hands of a busty, bikini clad, brown-haired beauty made my cock rock-hard. We made out even more lustily, and I was soon begging for sexual relief. She promised I could have it if I agreed to be made up and dressed in her lingerie. Horny and even more intrigued, I said yes. Freeing my legs, she led me to her bedroom, tugged off my swim trunks, sat me at her dressing table, and shaved my few leg and body hairs.

Continued On Page 6

Dear Forced Womanhood,

My feminization began as a fluke when I was in high school and my cousin Kenny came for a week's visit. I loved our past tie up games, and since my friends had outgrown them, I was left down to hear he now preferred to bind teenage schoolgirls. An idea came to me, and I left Kenny watching TV in my room and went first to the attic, where I took some of Mom's old high school clothes from a trunk, then to her bedroom. I put on a lacy bra (stuffed) and panties, lightly made up my face (including red lipstick), brushed and sprayed my long hair into a girlish style. I was slim and Mom's height so the ruffled midriff blouse, stay-up nylons, pleated skirt, and 3" stilettos fit perfectly. Returning with a big handful of ropes from the kitchen, I struck a seductive pose in my doorway and Kenny gaped in surprise. He tied me up eagerly all over the house until it was time for my parents to return and kept me gagged, so my voice wouldn't spoil the female illusion. I always enjoyed the feel of ropes on my body, and the new added spice of sexy female clothing touching my skin and my lovely femme image in the mirrors kept me in a horny, blissful state. The rest of the week was like a wonderful dream. I was tied up as a schoolgirl whenever my parents were out. I was sad when Kenny left, but thanks to him I discovered the thrill of feminization, which I included in my self-bondage from then on. Unfortunately, it was a long time before I found someone who would tie me up like that again.

I had to wait until I was working and living alone to really start looking for a woman who shared my desires. I found your superior magazine and sister publications, and it was comforting to see so many men and women not only shared my fantasies but actually practiced them with others. I stared at the photos of sexy, bound she-males, in everything from sissy dresses and Mary Janes, schoolgirl and French maid uniforms, to erotic leather and latex outfits, and longed to be one of the models. I finally got the nerve to send a photo of myself bound in lingerie and 5" stilettos to your Readers Column, and Kara contacted me. Happily, she lived in the next town. We dated and went for walks and drives with me bound and feminized; she even insisted I drive to her house in sexy clothes, and on those occasions I was the world's safest driver. We married, and both having investments, moved to a remote house where I agreed to use all of your feminizing pills and creams and become a she-male. Soon my skin became softer, my breasts grew, my blonde hair was more lustrous, and my figure rounded out, helped also by a corset that nipped my waist and gave my hips and rump a feminine shape. To firm my long legs and give my calves that "just right swell" before tapering down to my trim ankles, I wore 7" stilettos during my femme lessons with Kara, then as a French maid doing housework, and also slept tied up in them, a corset, and baby doll nightie. But my contentment was shattered when I saw my penis was shrinking!

Reminding me of my wish to be a she-male, Kara kept me in strict bondage, spanked, whipped, dildoad, and walked on me in 8" stilettos until I was submissive, then greatly increased my use of pills and creams. In no time my cock became so little it was locked permanently in a FL2 frenum chastity and my tits were ready for big implants. I am now Paula, a lovely she-male model/sex slave who passes as a genetic woman whenever I wear one of your artificial pussies. Redheaded Kara loves having men over for sex and first making me watch, usually penis-gagged, wrists and ankles in chains while clad in a black leather corset, cut-out panties to show my tiny metal imprisoned prick, black 3/4 length gloves, and short, ruffled socks over my stay-up nylons, and #1 Baby Doll shoes with two bow straps. Then it's my turn to suck and be fucked (in the ass and between my big tits) while Kara takes pictures. Men are intrigued by my wilted cock, sexy female body and lingerie, and the contrasting little girl socks and shoes. Having once been a man, I know all the things to do to please a man and I'm forced to reluctantly do so. As a reward, Kara then joins us and we put on a "lesbian" show for the man. Afterward, the two of them dildo and penis fuck me to complete exhaustion. Still, I love everything they do to me!

CHEATING HUSBAND IS NOW SYLVIA

Hi Forced Womanhood,

My husband was cheating on me with my best friend, Jennifer. When she told me we decided to turn him into a she-male slave for the rest of his life. And now it was time for his punishment. I told him he had to address me as Madam Mistress. He was also going to take hormone pills and get shots. His name was changed from Steve to Sylvia and he was to have breast implants and have permanent Tattooed makeup. "And now, Sylvia, there is no mercy for you when I weld a chastity device on your tiny little penis, do you understand me?" "Yes, Madam Mistress." "That's a good little girl. This device will prevent you from having one of those nasty little hard-ons ever again. Oh, and you will address my live-in lover as Sir Master." "Yes, Madam Mistress." "Now, Sylvia, your Master and I are going to weld on your cast iron wrist cuffs and ankle cuffs. For a celebration, you will suck your first cock and you are going to get fucked tonight for the first time. Do you understand?" "Yes, Madam Mistress." "Now Sylvia, I am going to put on this electric shock collar and if you don't do what I say, you will be shocked! Do you understand?" "Yes, Madam Mistress." "And what do good little girls do?" "Suck on Sir Master's cock." "That's right. Now suck Sir Master's cock and lick his balls. And then Sylvia, you will eat my pussy out while Sir Master fucks your virgin ass." It was clearly a good night and it's been that way for quite some time.

Thank you, Tina

Next my face was made up and my long hair combed in a feminine style, then she dressed me in frilly black underwear (stuffing the bra), garter belt, nylons, waist-cincher, and 3" high heels that weren't too tight. The reflection of a sexy bound "girl" staring back at me made my horny cock leak pre-cum juice. She put me on the bed, tied my legs and ankles together, and lay on top of me while we kissed and rubbed our bodies together with much greater passion than before. She pulled my lacy panties aside, pulled out my stiff, drooling cock and then her parents drove up. What happened next changed my life forever. They were in the house and calling to Connie before she finished untying my many ropes. She answered that she and a "girlfriend" were in her room, preparing to go visit friends. I had no choice but to go along with her. Leaving my arms tied, she slipped a halter top over my bra, put a skirt on me, and draped her school sweater about my shoulders. The black nylons hid my rope-marked ankles, and I nervously tottered along with her on spindly heels. Somehow, we made it out of the house and into my car, where Connie, in shorts, halter and high heel sandals, drove. It was thrilling to receive admiring looks from male drivers as we drove to

our lonely "make out" spot in the woods, where we were so aroused that we did "go all the way" with me tied to a tree with a myriad of ropes. From then on, Connie had me change into clothes she brought in her tote bag and then be made up and tied up on our dates. That continued when we went to our hometown college. Afterward, we married and moved to another state where we began my real feminization with pills and creams from your company. Soon we both lost our parents so there was no one to know about my she-male change, and with our inheritances we didn't need to work. We bought me many erotic outfits from your Transvestite catalog, including various restraints, as we both loved my helplessness. My tits grew, my skin became softer, my blonde hair more lustrous, my figure more shapely (aided by a corset and 6" heels, but my prick began to shrink and I tried to stop it all. Connie tied, spanked, whipped and dildoad me into submission and increased my use of the pills and creams. My penis was locked in a FL3C frenum chastity that prevented erection with heavy pain until it could only take a FL2 chastity that was put on permanently. Then my jugs had huge implants, and I became "Doris," a ravishing she-male bondage slave.

When Connie wants a male cock (something I can't give her) I watch, tied and gagged in brief, erotic outfits and 6" heels, while she's well fucked in all three holes by the man or men. Then it's my turn and I'm mouth and ass fucked. Often my upper arms are chained so I can use my hands to fondle the man's cock and balls while I'm ball or penis gagged. Then he screws my ass while I moan into my gag, which is later removed so I can suck his messy cock clean and have him cum on my face. In a corset, collar, long gloves, nylons and 7" stilettos, Connie watches my sexual abuse, then joins in with her dildo. Sometimes I'm left in a tight top and brief ruffled skirt, pulled up so I can be ass-fucked, but soon it's removed and I'm tit-screwed, sucking the man's dong as it comes out from between my big mounds. Men agree I'm better than any woman, and Connie is pleased but envious, which means I'm in for very heavy bondage and abuse at her lovely hands when we are alone. Still, I love everything that's done to me by my gorgeous, dominant Mistress.

LADY MAKES WEEK HUBBY INTO GORGEOUS SHE-MALE BONDAGE SLAVE FOR THE ENJOYMENT OF HERSELF AND HER MALE LOVERS

Dear Forced Womanhood,
Harold went to a boys' boarding school from grade school through high school, and being small for his age, was always cast as a girl in student plays. As a result, he came to secretly enjoy

wearing party dresses, petticoats, ruffled panties and socks, and Mary Janes with small heels. Later he graduated to teenage dresses, blouses, short, pleated skirts, bobby socks or over-the-knee stockings and penny loafers for the plays,

with lacy bras and panties underneath. Sometimes he played an adult woman and wore lingerie, sexy dresses, garter belts and nylons and 3" stiletto heels. He loved those parts most. By then he also wore long wigs instead of having his longish hair styled like a girl's. In his senior year there was a play that really changed his life forever. He was a schoolgirl detective who, disguised as an adult femme fatale, was discovered and tied and gagged by the villain. Harold was so turned on he had to keep his erect cock pressed tightly between his thighs. Since it hadn't happened before during boys' tie-up games, he knew it was the added stimulus of being dressed as a young woman. From then on he sought out plays where the heroine was tied up. Harold and I met during a play at a neighborhood theatre. Still youthful, though he was out of college, he played a teenage boy who was kidnapped and disguised as a girl, and I was his abductor. I have loved tying up males since my childhood games, and finding one who liked to be bound in female clothes really aroused me. We rehearsed at my apartment, and I dressed him in my lingerie and old schoolgirl clothes before tying him up. He stayed bound for hours without complaint, and during breaks told of his bondage parts in boarding school plays. We continued dating after the play ended, and I

insisted Harold be bound as a sexy woman at his place and mine. He discovered your excellent magazine and sister publications, and we decided to marry before turning him into a she-male. He had investments and I had a well-paying job, so we took a lonely house in the woods and sent for your various feminizing pills and creams, as well as sexy she-male clothes and bondage items. At first it went fine. Harold cooked and cleaned in chains and a French maid uniform and 5" stilettos. Then he changed to various sexy lingerie or latex dresses, etc., from your catalogs and was tied and gagged to a footstool while I read or watched TV. He slept in a corset and 7" stilettos, to nip in his waist and give his hips and butt a femme roundness, and firm his thighs, calves and trim ankles. In almost no time his body was feminized by your natural herbs and vitamins with true female estrogen, and his small breasts grew while his skin became satiny and his dark brown hair more lustrous as his figure became shapelier. Then he found his prick was shrinking and tried to stop his feminization. I tied him in the attic in a corset, nylons and 6" stilettos and spanked, whipped, dildoeed, walked on him in 8" heels, hung him from a beam by his wrists and ankles and swung him by his cock and balls, and made him crawl in ropes to lick my shoes and cunt. He gave up and his prick was locked in your penis

chastity that engulfs the whole genital area, and kept like that until it was so tiny it could only take a FL2 frenum chastity that was put on forever. While his small breasts were still growing nicely I had men over and had sex while chained "Holly" watched me get what "she" could no longer give me. Wrists and ankles chained in a kneeling hogtie while in thin leather collar, opera-length gloves, waist-cincher, white slip (pulled down about her hips), matching nylons with lacy socks and #5 Baby Doll Shoes with one dainty strap and little girl heels, Holly loves having her tits sucked by me while the man fucks my ass, then my pussy dog-style. "She" meekly takes the man's gooey prick into her mouth and sucks him off, licking it dry before letting it wilt out of her mouth. I love seeing him cum in her face and all over her jugs, then ream her taut ass good while she licks my cunt. We have so much fun with Holly, and once her growing boobs are ready for nice big implants she can be tit-fucked and suck the man's cock simultaneously, just as I do. Holly is my perfect, obedient, bondage-loving she-male slave who loves all that's done to her and even begs for more!

Mistress Marlene

LADY MAKES WEEK HUBBY INTO GORGEOUS SHE-MALE BONDAGE SLAVE FOR THE ENJOYMENT OF HERSELF AND HER MALE LOVERS

Dear Forced Womanhood;

Ever since my school days I have been a tease, and am still one to this day. I found that a man will do whatever you want if you have his cock in your mouth. My thing is I love to tie a man all up, naked, and either do a slow, sexy strip-tease or take his prick into my mouth for a short time. Either way he is panting for sexual relief, which I promise to give him if he will first let me dress him in lingerie, stiletto heels and a wig, then make up his face. I keep him in bondage the whole time, also making him lick my pussy until I'm pleased, and then I usually suck him off instead of fucking him. I much prefer to have my pussy licked and fingered than stuffed with a rigid dick that usually shoots its wad before I come and leaves me horny and frustrated. I went through a variety of men before I settled on Lester. Medium height, girlishly slim and handsome, blond-haired Lester looked so great in lingerie and makeup. It had taken a spanking on his bare bottom to make him totally obedient, but once he accepted me as his Mistress he then did whatever I asked. Learning that he was out of work, I had him move into my house and begin his she-male slavery. I tossed out all of his male clothing and kept him in a combination corset and padded bra, panties, garter belt, nylons and 4" to 6" stiletto heels. He let his hair grow longer, and I taught him

how to apply makeup. I chose sexy she-male clothing and accessories for him from your Transvestite and Transformation catalogs, including lock-on sissy dresses, and artificial pussies. He was in some sort of bondage constantly, and tied and gagged securely and locked in a closet whenever I went off to work. I would return on my lunch break and free him for a time, then bind him in a new way until I came home. He used your many hormone pills and creams, and practiced hard in the classes I gave him in how to talk and behave like a woman. Things were going well for a time. Lester's hair was silky, his skin softer, his body more rounded (also helped by continually wearing a corset that nipped his waist and gave his hips and butt a rounder, more feminine appearance, and the high stiletto heels that toned his lovely legs and ankles and raised his arches even higher), and his breasts grew nicely. I encouraged him to play with his nipples and breasts, which were even more sensitive as his body continued to change. Then he noticed that his penis and sex drive were diminishing as his breasts became larger. Panicked, Lester tried to stop using the creams and pills. Enraged, I easily overpowered him and kept him in severe bondage in the attic for two weeks. I hung him in a hog-tie from a rafter and swung him by his cock and balls. Besides lashing him with a

thin riding crop, I spanked, dildoeed, walked on him in 8" stilettos, and face-sat him for hours, making him eat my pussy until he passed out from lack of air. He ate from pet dishes while tied in a tight ball with a humming vibrator up his ass. Soon, he sobbingly admitted defeat. I locked him in your penis chastity that engulfs all the male genitals until a FL4A Frenum Chastity arrived, and increased his use of creams and pills, and hours of female lessons. He did housework in a scanty French maid uniform and 6" heels, wrists and ankles cuffed and chained, and a ball or penis gag in his red mouth. Finally his breasts were ready for large implants and his tiny cock was locked permanently in a FL2 chastity and he became "Leslie," a gorgeous she-male who passes for a true woman. I delight in showing her off to my male and female friends, whom she pleases with her mouth, ass, and skilled hands. The men enjoy tit-fucking her and cumming in her mouth and face. Tied and gagged, she is made to watch me have sex with men (something she can no longer give me with her tiny prick) even though I desire a tongue in my cunt. It's ever so enjoyable to own and dominate a sexy, obedient, sissy she-male slave!

Mistress Doreen

Dear Forced Womanhood,

I often take my wimp hubby to my best girlfriend's house to further his training. She had her submissive hubby dressed as a darling French Maid. I complimented her on how realistic her breasts looked. She pulled down the Sissy's top to show off the enhanced C cup real breasts. I then noticed the smooth bulge free panty crotch and remarked approvingly. She ordered the wimp to remove his panties. Imagine my surprise to view the smoothly shaved genital free crotch of her hubby. She had taken him to a clinic in Mexico for a simple castration and upon seeing some examples, she decided her wimp didn't need an empty scrotum and a non-functional tiny penis and these were removed along with his balls. Another plus having my slave fully emasculated is a new enthusiasm in servicing my lovers orally and anally. Before he was cut he was reluctant to suck my lovers' cocks unless they had been just withdrawn from my pussy. Now he eagerly sucks them hard so they can fuck my pussy good. Some of my lovers even like to pull out from my pussy to shoot off all their cum into hubby's eager mouth. Most of my lovers have fucked hubby's tight little asshole and claim he is tighter after he was cut.

Dear Forced Womanhood,

I recently received issue 45 of Forced Womanhood and as always, I loved it. I especially loved "Princess on Parade" on page 20. Sissy Rachelle looks so very good. She should be thankful that she looks so good when she is dressed. I really love her story. I wish that something like that would happen to me. I envy sissy Rachelle because she is finally able to live her life as a woman. After I read her story I got to thinking about my life. I would gladly become a personal maid and sex slave. Also, if I could find an understanding man, I would gladly become a Master's personal maid and sex slave. I would cook and clean and take good care of him. In exchange I would live full time as a woman and give him (and only him) all the sex (oral and anal) he wanted. Sissy Rachelle is very lucky to have found a Master that is so god to her. Also, she's lucky to receive a generous clothing allowance so she can shop like there is no tomorrow. Keep up the good work and thanks for everything.

Sincerely Yours, Richard

Dear Forced Womanhood,

Once again Mistress Kristin has ordered me to bring you up to date on my training. This Polaroid was recently taken when Mistress had to go out for a few hours. She decided that since it was a nice day I should wait for her outside. She tied me up to the clothesline post at the end of the driveway. I was very visible if someone came to visit. Actually, some did drive in the yard, but I have no idea who they were. The inside photo was taken at a girlfriend's house. I was taken there to show how much progress I've made. The outside picture was taken in front of a beauty salon where I had been taken for a manicure. Hope to see myself in your magazine.

FEATURE PHOTO INTERVIEW WITH CROSSDRESSING BONDAGE BABE LOUANN

by Marlayna Lacie

When I attended DOMCON Los Angeles last year, Mistress Torturella was at her booth working it. In her booth was a sexy crossdresser who was bound, gagged, blindfolded on display and in exquisite Shibari style rope bondage! I complimented Mistress Torturella on her sexy look and booth. Thanked her for working with on more than a few photo articles for BIZARRE magazine and politely asked who her new bondage babe was?

Torturella smiled at me like the feral cat that ate the pheasant and had ducklings for her dessert! She replied, "Oh, that's my new slave LouAnn and I will have her contact you as I have your number Marlayna." We made eye contact and both knew it was a done deal. Then I took off for photo-op fun and had a most memorable time in the City of Sin and lost wages!

A few weeks after I received an e-mail from LouAnn and it was not long after that we were chatting on the phone about common interests and the scene. LouAnn told me that all of this was all so new and exciting to her and I asked her to send me a photoset or two.

They featured her in various maids outfits and in fun bondage but there was no story! Timing is everything and a few months before this years DomCon event I asked LouAnn if she was still up for doing an exclusive interview with me for TRANSFORMATION. Right away she said, "Yes, Marlayna, I like your idea so let's meet up at DomCon."

Plans were made and I managed to spend some time with LouAnn and also take a few photos. For your information DomCon was a major "tranny bash" with non-stop show and tell party and parade of kinky-verlinky scenesters and I was 'working it' and on the go from day one!

DomCon was last weekend and I just checked my e-mails tonight and there was one from LouAnn asking me to checkout her website www.cdbondage.com as she had just added a new gallery with her photos from DomCon. This made my panties bunch and got me rolling on her interview.

So with no further ado the interview with LouAnn for you!

Marlayna: Where were you raised and born?

LouAnn: Long Island, New York till mid high school and then I spent my last 2 years in Kansas City, Missouri.

Marlayna: At what age did you realize you were different and that you were NOT like most (if not all) of the boys?

LouAnn: I would have to say that was around 13. When I started going to rock and heavy metal concerts in the 80's. Back then metal

chicks dressed to the hilt and I enjoy how they dressed. Big hair, spandex, thigh high boots, the whole leather and lace thing. I knew I was different in some aspect from my friends in dating girls. Other than wanting to make out with them. I also wondered what it would be like to dress like them, wondered what it feels like. In a way I wanted to feel how sexy they dressed more than making out with them.

Marlayna: Which came first, the women's clothes or the rope and bondage?

LouAnn: Women's clothing definitely came first. I didn't enjoy bondage as a male. I'll do it but there is nothing more sexier than feeling sexy in women's clothes and bound tight. The security of it is just so yummy. Like a big body hug someone mentioned to me. The bondage came from watching TV I think. Every day after school I'd rush home to see the next episode of Batman. The very few scenes where batgirl would be bound by the villains. Oh then Linda Carter as "Wonder Women" came out! From that point on "Game Over", I had to find out what that felt like to be in Crossdressing Bondage. I would still love to re-enact those scenes. Hint hint ...

Marlayna: Please tell us about the first time you got all dolled up and transformed yourself into a sexy bondage babe.

LouAnn: My first time all dolled up and ready to be in bondage was with my girlfriend. I was very nervous first of all because I finally came out of the closet with her. For a long time I was very un easy dressing in front of her. But as time goes on I got more confident in who I am. She has never been exposed to the lifestyle I am in now and she allows me to feel who I am. She did all my make up and when I finally looked in the mirror I saw for the first time who LouAnn is. It was very sexy moment in time that I got to feel what it's like to be fem, game over! I was hooked! We did some private bondage on the bed and then it clicked on how sexy, arousing and the feeling of helplessness all in one ball of wax.

Marlayna: What was your first or most memorable experience when you started crossdressing/bondage play?

LouAnn: So far my most memorable has been this years DOMCON LA 2005. I did six outfit changes through the whole three day event. Gowns, maid uniform and various sexy evening dresses. I got tied up three times in some cool rope bondage, lead around on a leash as a maid in chains and cuffs and can't forget being in the presence of the Worlds top Beautiful Dominatrix's. I was so confident and truly felt who Louann is and what she represents.

Marlayna: Many submissives say that the ultimate bondage experience for them is that they totally escape from one reality to another or that it takes them to a new different and sexciting place and space like NO OTHER! What is it like for you when a mistress becomes like a black widow spider and wraps, spins and binds you like a helpless cricket or fruit fly?

LouAnn: It's the most exciting thing I have ever done in my life! For one to be dressed up feeling sexy and fem, then to be tied up with no escape, forced to struggle as Mistress sensually teases, torments, paddles, spanks and whips me for her pleasure. There are so many feelings going on for me it's an elation like no other.

Marlayna: When did it click in? When did you realize or say to yourself, "Yes, this CrossDressing Bondage lifestyle is for me".

LouAnn: I didn't one day just wake up and say "this is for me", a lot of thought process went into it, trying to find myself, who I am, what I am, why I want to do it. I'll answer this in two ways. As in my private life at home, I've always known this was something I've always wanted to do because it turns me on. For the last few years I have been attending local events and parties and finally have truly experienced the true lifestyle of the Crossdressing/BDSM Community and scene.

Marlayna: I know when I first arrived on the scene I had a whole lot of preconceived notions and expectations. What was your first "shock" when you started experimenting and 'testing the ropes' as they say?

LouAnn: From my fantasies to reality, why I didn't start to do this earlier In life. Also the acceptance of who I am as a crossdresser within the community.

Marlayna: We both are 'camera queens.' A few words please about your first bondage experience in front of the camera.

LouAnn: Wow, that was nervousness of something I've never done before. But like anything else we all do, the more you do it the better you get at it. It was an amazing experience that confirmed my desire to be in the lifestyle and how exciting every time I have a session, it will always be different and take me to higher limits. My first time was at Mistress Cyan's dungeon dressed in a blue evening dress. Bound in chains and cuffs in a standing spread eagle. Spanked, flogged legs trembling, counting to 10 through my gag as I'm paddled. It was so amazing, more than words can tell as they say. The anticipation of what's she going to do next, how much more can I take, the heavy breathing as I approach my sub space. Being dressed up feeling sexy even adds more of the intense feel-

ing to the whole fantasy.

Marlayna: We also both enjoy attending fetish/bondage conventions. Fill us in on the magnet! Please tell us what excites, turns you on and compels you to attend these show and show play parties!

LouAnn: I like to be an exhibitionist, to strut my stuff. It excites me that other people are excited in what I've created and I get to show it off. To see all the sexy dominatrix's of the world! Just to be in the presence of my peers. It's such a turn on when other women/dominatrix's give me praise in how good I look and what I wear. Most of us dream of what its like to be with them and I think I reverse that in I make them wonder how sexy it would be to dominate Louann.

Marlayna: A blatant (name dropping) plug here as I want you to tell us the names of some of the people on the scene that you have met that have made a major and positive influence on you

LouAnn: First off I would like to thank all my FANS! and friends. Giving me the support to keep creating my vision and fantasies. My girlfriend for allowing me to be who I am, relating and understanding how I feel. Yes there are women that will accept you as a crossdresser. Mistress Cyan for her kindness and generosity, her dedication to the lifestyle and her willingness to teach and educate newbies in the BDSM world. Marlayna Lacie for giving me this opportunity to be the T Girl Bondage Photo Slut that I am and giving the fans a look into my world of Crossdressing Bondage. I've met Vesta, Yasmin Ling, Irene Boss, Ms Genevieve, Torturella, Ms Norma Jean, Ms Aya Jo, Rubee Tuesday, Ms Antoinette and everyone else I couldn't remember off the top of my head. Each has given me something special in my heart that made a unique influence on me.

Marlayna: I LOVE YOUR WEBSITE! Please tell our readers what they will be treated to when they log on.

LouAnn: OH, A HUGE HARD ON! Over 6000 photos spanning my whole collection of clothing and bondage sessions at home and in the dungeon. You will see cheese cake photos of me posing for the camera in sexy evening dresses, gowns, fetish wear, maid uniform, secretary, formal waitress, PVC catsuit, high heels, knee and thigh high boots. Bondage in rope, leather cuffs, chains, real padlocks, tape, male chastity CB2000, pump vibrating butt plug and various dungeon toys provided by The Sanctuary. Streaming Video sessions with Mistress Cyan, Torturella and Ms Norma Jean. See each Mistresses technique in breaking me into the sissy slut I am. Taking me further and further

into my fantasyland. I've created a world of what its like to be dressed sexy, playing with the worlds best Professional Dominatrix's, bound and dominated.

Marlayna: It is obvious you are a busy gal. However, I want to know what new projects you are working on that have your panties bunched and 'rope bag' at the door?

LouAnn: Inspired by Batgirl I will be doing sessions with Ms Norma Jean where our superhero trannie gets caught snooping in the dungeon, knocked out and held in bondage. Watch as our supertrannie tries to struggle and escape her bondage. Maid LouAnn needs some domestic chores training while she is bound and brought to the dungeon. My next visit with Lord Ross, will put me in some rope suspension bondage. I met Ms Aya Jo at DOMCON LA 2005, a Japanese Dominatrix. I am in process of creating a fantasy for that one. A girl can't let out all her secrets...

Marlayna: OK! Here we go with one of my favorite wrap up questions. Do you have any advice for crossdressers who are new to the scene and are finding themselves and fantasizing about and attracted to dominant mistresses and bondage?

LouAnn: where do I start! I wouldn't say I know it all, but a few things I've learned. Don't be afraid to ask questions, its okay to say I'm new to this. Finding your ultimate fantasy takes time, don't expect it over night. Makeup takes practice, don't be discouraged. Entering a new relationship, be honest with your feelings. Life is a lot harder keeping the crossdresser in the

closet. The true woman will understand why you feel that desire. As a male we never get to feel sexy by clothing. It's a valid feeling to have. I'm attracted to it because I like to feel how they

look, SEXY. If you never wore a full gown made of satin you are totally missing out!

CLOSET SLAVE IS GOOD FOR WIFE AND HER FRIENDS

We'd gotten into a heated argument about my spending money. He wanted me to buy him things and to look nice for him, but each time I came home with a new dress or pair of heels for myself, he'd bitch about how much they cost, yet when I bought something for him no matter what the cost, he'd get excited. Last week was the final straw! I had bought a 6 inch pair of "fuck me heels" a lace see-through blouse and a sexy mini skirt (all in hot pink) that I planned to wear when I went out with the girls.

On nights that "we girls" get together, I'd tie him up after he dressed in some of my old things, then I'd tease him as he hung there unable to do anything but beg to be humiliated. As I pinched his tender nipple, he'd beg me to abuse him, to bring back a cunt filled with someone else's cum for him to suck clean as he knelt in front of me worshipping my wet pussy.

This time he started bitching about all the money I'd spent! Saying things like he wished we'd never gotten married and that if I couldn't control my spending he'd file for divorce and send me back to Sri Lanka. Instead of arguing with him, I reached out and began pinching his nipples! Before long he was kneeling in front of me begging to be abused! I told him to get dressed as I continued to pinch his nipples. The harder I pinched them the more he begged me to abuse and humiliate him. After almost a hour of begging I finally allowed him to dress. Explaining that he was about to get his wish!

I watched as he rolled a pair of nylons up his legs and hooked them to the garters of a corset that I helped him tighten (shrinking his waist by eight inches). I locked one of your leather chastity on him, then glued a clothes hanger to his nipples and handed him a bra, took two water filled balloons and inserted them in the bra. He slipped a blouse over his head and stepped into a pair of five-inch heels. I locked his wrists to his waist and led him to the closet. I pulled a pair of lace panties up his legs, slipped a pair of my soiled panties over his face with the crotch against his nose, leaving him there to wish I'd giving him a quart of stupid juice (wine) to help him through whatever I had planned, as I hung the hanger over the pole and reached inside his panties, jerked him to a climax and fed him his own cum as I squeezed his testicles until he licked my hand clean.

I was still so pissed off that I put on the pink outfit and reminded him, that he'd been begging me to punish him for a long time. That after his little

outburst, I'd decided that he would get his divorce, but not right away, I was going to change him slowly into the little pervert that he'd been begging to become. Then and only then would he get his divorce! I told him that by the time we were legally divorced, he would have the large double D tits he wanted, also I was going to have him castrated, then have his name changed from Carl to Carolyn and his passport (sex) changed to that of a woman so I could sell him to

in a corset, nylons, heels, a pair of water-filled balloons covering the nipple clips, filling his bra, a black long sleeved blouse and black ankle length skirt. How he'd lace the leather helmet over his head and lock it then lock the slave collar around his neck with the keys attached to the back walk downstairs and outside before locking his wrist behind him and then started the mile walk to her apartment. Once there he'd open the door hoping it wasn't locked and carefully make

his way to her bedroom, kneel at the foot of her bed and begin to suck her toes until she woke up. She'd put a blindfold on him and take him out on the front porch, hook a leash to his slave collar and leave him to wait for her. Sometimes she'd go back to bed and other times she'd lead him back to his house still blindfolded by his penis chastity, his arms still locked behind him then tie him to the tree out front and leave him until early morning before releasing him.

As I was leaving, I told him I had a better idea that he could suffer the humiliation of hanging in the closet with the front door open so anyone entering the house, might walk into the bedroom and discover his little secret Oh! I did get my itch scratched that night and fed him a somewhat sloppy breakfast the next morning when I finally returned and untied him. When he had cleaned me with his tongue I told him to open wide as I released a stream of golden liquid and had him tongue fuck my ass afterwards. Since then that's the way he spends his time when I go out.

At present he has lost four inches from his waist, he wears a training bra all the time to remind him of his slave status. Cleans the house, does all the ironing and washes most things by hands. He is always dressed in some of my old things unless he's working.

He spends his nights between my legs begging me to forgive him. He's worried that I really might change him and sell him to my cousin who would like nothing bet-

ter than to come live here. What do you think! Should I?

Thanks for a wonderful magazine with so many great ideas.

WIFE AND MAID MAKE HALLOWEEN COSTUME PERMANENT

Story on Page 22

WIFE AND MAID MAKE HALLOWEEN COSTUME PERMANENT

It was when Sophie, my maid, came to me in tears that I finally decided what to do with my husband, Martin. He had forced himself on her several times over the last couple of months and had said he'd have her fired if she said anything.

At the office I let him be the demanding, assertive, Mr. Macho he liked to pretend to be. But at home, I ruled the roost. He was a hen-pecked hubby who knew better than to cross me.

"Halloween is coming up next week and you are going to a costume party. There's a big prize for the best costumed man and you're going to win it. I've gotten you the perfect costume, you're going as a maid," I declared.

"A maid? No, I was thinking something more like Superman," he protested.

"You're going as a maid. And you're going to be so convincing everyone will think you're actually a girl in costume. When I reveal you're actually a guy that'll so shock everyone that I have no doubt you'll win hands down. And if you don't win I put that chastity sheath on you and you stay locked up for three months. Am I clear?"

"Yes, Kelly," he replied meekly.

I made all the arrangements with my beautician, who couldn't wait to get her hands on him, and got his uniform, and other accessories, at Centurians. Then just to show how serious I was, I locked his dick in the chastity sheath he so hated.

"This stays on until the party. If you don't win it may never come off," I threatened, then told him to get in the car. When he asked where we were going I said, "To Margo, my beautician. First she needs to make a convincing girl out of you, then I'll train you how to act like a maid."

"Is this really necessary?" he asked when he heard me tell Margo to wax his ears to toes including a bikini wax.

"If you're going to pass as a girl dressed as a maid, and fool everyone, you have to feel like a girl," I said.

When he left, hours later, he was well on his way. Margo had expertly made him up. She had plucked his eyebrows, made his lips fuller and cherry red. Pierced his ears and glued on one inch longer fingernails.

"You won't have to worry about doing your makeup I used the long lasting kind, it will wear off in a week. Your eyebrows will grow back and the holes in your ears will close," she assured him.

Looking in the mirror he asked where I had gotten the black wig. "It looks so real," he commented.

"It does, and Margo temporarily tied it so it won't come off," I said, trying hard not to laugh.

Once home, I put him in one of Sophie's uniforms and three inch heels and proceeded to drill him on precisely how a maid was expected to act. All day, every day until the party. I'm sure he was relieved that Sophie had taken a vacation.

The night of the party I told him to get undressed.

"I thought this was what I was going to wear," he said.

"Oh no Muffy, by the way that's your maid name, I've gotten a special outfit that everyone will go crazy over. But first, we've got to get your breasts on," I declared, and as he stood there I glued huge, melon-sized tits on him.

"My goodness, I didn't know women's breasts were so heavy. I feel like I'm going to topple over," he exclaimed, and with good reason. I would be too if each of my tits weighed ten pounds.

I absolutely loved the uniform from Centurians. It was blue and white checked with deep cleavage and a frilly satin apron. It came with a matching corset which I couldn't wait to lace Muffy into. For the past week I had kept him moderately laced in a waist cinch. By the time I was finished lacing it, I'm sure he would find it unbearable.

"Oh Mistress Kelly, please it's too tight," he gasped as I put my foot in his back and really yanked.

"Unfortunately it's a size too small for you, so I'm really going to have to get it as tight as I can," I said, pleased to hear him address me as I'd taught him/her.

After the uniform came slutty, fishnet hose, then red, patent leather shoes with not four inch but five inch heels with ankle straps that I attached locks to. The long, red earrings finished her.

"These heels are really too high and why did you lock them on, Mistress Kelly?" he asked.

"Red looks great with your uniform and they only had five inch heels. You have two hours before the party, practice in them. As for the locks they only came with them, not buckles."

Still complaining, this time about how heavy the earrings were.

"Well, they are a little, but I've worn lots heavier," I lied. In reality they were two pound fishing weights that I had painted red. When we got to the party Muffy was a big hit, but the night ended in utter humiliation for her, as I suspected it would. She had lined up with other men when the costume

judging started. But she was so convincing as a girl nobody believed she was actually a man. Finally she was told to prove it by lowering her panties, well there was no way she was going to show her chastised dick so she was made to line up with the girls. And, of course, he didn't come in first.

He was in tears, as I had hoped, when we finally left.

On the way home he said, "I can't wait to get this corset and heels off, they're killing me and my ears really hurt, these earrings are so heavy."

"That will have to wait a while," I said, and when he asked why I told him he would see. When he did he turned deathly pale as he watched the video of him and Sophie again and again. I had installed the camcorder the day after she had come to me in tears.

"Obviously I can ruin you," I said.

"Please, I'll do anything," he begged.

"What you'll do, from now on, will be up to Sophie. She's been complaining about how she needs a junior maid to help her, and you're it. What do you think Sophie, is she trainable?" I asked, after she had quietly slipped into the room.

"I'm sure she'll be after I get her properly broke in," she grinned.

"You can't be serious," he said in disbelief.

"Quite serious. Your tits, they're glued on permanently. Your makeup, your lips, all permanent, as are your impossibly long nails. That's not a wig you're wearing, it's your own, dyed hair. The earrings are glued on. You're locked in your heels and you can't loosen the corset yourself, can you? The paper you foolishly signed legally changes your name to Muffy Divver," I gloated, then asked Sophie if she'd come up with a schedule.

"Yes Maam. I feel she can easily be worked 15 hours a day, seven days a week. Her official title will be Junior Slut Maid. As such her duties will include licking your pussy and anyone else's on your command. Sucking your boyfriends' dicks and, of course, getting fucked in the ass. And slut, the first one who is going to fuck you is me. It's called payback. You don't mind do you, Maam?"

"No, of course not. You can use Muffy however you want. As far as I'm concerned, she's yours now," I said as she raised her skirts. Poor Muffy almost fainted when she saw the protruding monster.

"Meet Jumbo, Muffy. You and I are going to become good friends," she promised.

**Dear
Forced Womanhood,**

I have written before. It's now been two years since I started training my sissy husband. He has been completely changed into a beautiful girl. I now make him suck my lover's cock to get him all excited for me. Last night I had him in the pretty dress we bought out of your catalog and the Oxfords with Baby Doll socks. Thank you so much. You are the only company like this. Please keep it up.

Mistress Jan

MOTORCYCLE SLAVE

Last week upon returning home I made the mistake of leaving a pair of panties under the seat that I'd stolen from one of the places I'd visited. My wife found them before I'd had a chance to clean the cab out after my last run! Normally I go out for three weeks at a time driving cross country. I'd stopped by one of my friends on the way and swiped a pair of red panties out of the laundry basket that belonged to Hia Yan, who is from China (and is small whereas my wife Sasha is from India and larger). When Sasha found them she went ballistic and accused me of cheating on her. I promised her that I had never cheated on her other than to steal a pair of panties or dream of being abused by some woman and that I'd do anything she wanted me to, to prove it. After a few more questions she seemed to be satisfied so I forgot all about it until last night after we returned home from a bike ride. We'd been out with some friends and I had a difficult time keeping my eyes off Mary Lou who wore a leather mini skirt and matching halter top. As she climbed on her bike I could see the crotch of her white lace panties. If Sasha hadn't been with me I would have gotten in trouble because the sight of Mary Lou made me want to lick her "all over". Sasha punched me in the back and told me to keep my eyes where they belonged! All day long I dreamed of what Mary Lou looked like with her thigh highs and white panties. I put the bike in the garage before entering the

house. Sasha was standing there in a pair of five inch heels and thigh highs waiting for me, as I looked at her she handed me glass and told me to drink up. Maybe it was the heat or it might have been what she put in it, but whatever it was, it hit me and I knelt at her feet. Little did I realize at the time just what she had in mind! Time to play dress up she said as she pinched my nipples. I begged her to dominate me.

"You want to be dominated," she asked!
"Yes! Mistress!"
"Should I beat on you for looking at Mary Lou! Maybe tie you up and invite her over!" She led me into the bedroom where she had laid out what she wanted me to put on and watched as I pulled the garter belt on then slowly slipped the nylons up my legs hooking them to the garters. She helped hook the waist cincher around my waist and hooked the bra behind me, playing with my nipple rings as she stood in front rubbing her tits in my mouth. She had me put the leather penis chastity on, strapping my penis in tightly. She stuff the bra with a couple of sand filled balloons, had me stand while she slipped the armbinder on me then laced and locked it on.

I was led out to the garage and told to sit on the bike. She slipped the panties over my head and left me, returning with the camera and began taking pictures. Then laced and locked the helmet over the panties and left me for the night, telling me

that she was going over to Mary Lou and said that she might decide to show Mary Lou what a sissy I was. She also said she might send my friend a few of the pictures asking if they were missing a pair of red panties. I begged her not to, promising her anything. When she returned early this morning she removed the helmet and laid me on the floor, removed her panties and fed me a wet meal of cum as she rode my face to a couple of climaxes, telling me that she was going to turn me into a she-male sissy and give me big breasts of my own so I wouldn't be looking at Mary Lou or any other female. After licking her clean, I tongued her ass and promised to do whatever she wanted. She removed the armbinder but made me wear the panties over my head as I clean the house. I'm still wearing the penis chastity as I sit here typing this letter to you as punishment.

Tomorrow she's making me buy two dozen pairs of red panties to wear while I'm on the road and has threatened to buy a metal penis chastity from you to lock me in when I'm away from home. She wants me to make an appointment with the doctor for hormones. One of her friends has patches that last for two weeks and she said that she would mark them to make sure I take them. She's also going to order some of the sissy clothes to lock me in when I'm home.

MS. SIREN AND HER CAPTIVE SEX SLAVE

Story on Page 28

Ms. Siren recently had me start a website called www.crossdressingroxanne.com. I knew that she wanted me to come over to her personal dungeon once a week but I didn't know what she fully had in mind. Friday night I came over to her house and after she did my makeup and dressed me, she told me that I would be spending the entire weekend as her and her two male friends' sex slave. When I told Ms. Siren that I couldn't spend the weekend with her, that's when the shit really hit the fan. Off came my short shorts and out came her horse-riding crop. "Your ass is going to turn red, you sissy faggot," Ms. Siren told me. I bent over and her leather crop went right to work on my little ass. Again I told her that I could not be their sex slave for the weekend. "Lick my boots, bitch," she insisted, and I gladly did. She punished my ass as well as my cock and turned them bright red until I gave in to her demands. Yes Ms. Siren, I cried out, I'll be all the sex slave that you so desire. Some day I'll tell you all the rest of this story. Or, you can go to www.crossdressingroxanne.com and see the ending.

WOMAN DOCTOR TURNS ARROGANT, ABUSIVE MALES INTO SISSIES, THEN SELLS THEM

"Please, this has to be a joke. Who are you anyways?" the man I have strapped to my examination table with his feet in stirrups raised above his head, nervously asked.

"Oh, you mean when I said you were here to be made into a completely feminized she-male slut? No, it's no joke as you'll find out when I'm finished with some minor surgery. My name is Doctor Garner by the way," I said casually.

"You can't do this! What the hell have I ever done to you?" he yelled, struggling uselessly.

"Why, you haven't done anything to me. But abusing your wife, slapping her in public and then loudly proclaiming to everyone that's the way all women need to be treated is not very nice. So I take nasty little men like you and transform them into she-male sluts as a public service to all women. I don't charge a dime. You'll be the twelfth arrogant, overbearing macho man I've turned into a meek, cowering, weak she-male that any woman can easily beat up. If you're lucky your new owner won't beat you up too badly, at first," I said.

"New owner? What are you talking about?" he whimpered as I jabbed him with a syringe.

"Well, you see when I'm finished training you to lick pussy and assholes and take a nice fat dildo in the rear I invite a select group of women over and I put you up for sale. Whatever you're sold for I donate to a woman's shelter.

I think you'll enjoy the auction. It can get really spirited. You can imagine the number of revengeful women who want to get their hands on someone like you. Now, do you want to spurt one last time sweetie before I put this tiny chastity sheath on that naughty thing of yours. We can't have you ever thinking manly thoughts again, can we? I always guarantee that any she-male I bring up for sale has been made permanently harmless to all women. And each time you look down at your tiny useless dick, oh, I mean pussy, sorry, it'll remind you of what you'll never be again," I gloated.

Enslaved Sissy and Forced Womanhood Videos

ENSLAVED SISSY MAID VIDEO #1

This is a story of a beautiful woman who isn't getting satisfied sexually by her husband, so she has extra marital affairs. One night after one of her flings she catches her husband wearing her lingerie.

This gives her the excuse she needs, she yells and screams at him that if he's going to wear women's clothes - they will only be sissy clothes for such a wimp as him.

She begins with binding him up every night and slowly changes him into a complete sissy she-male maid slave through bondage, hormones and breast implants. Then makes him suffer many humiliations of being a sissy slave including satisfying her boyfriends in all ways.

ENSLAVED SISSY MAID VIDEO #2

This video is about a wife who finds out her husband has been cheating on her. She gets so mad that she slowly, through bondage and punishment, turns him into her sissy slave to be humiliated in all kinds of ways. While he's bound up, she forces him to take hormones, get breast implants until he looks like a beautiful sissy she-male slave. She then forces him to suck cock while bound to get her lover hard for her so she can have fantastic sex in front of her new sissy slave. With constant bondage she finally brings in a man to break his beautiful cherry ass and get fucked like the sissy she is.

FORCED WOMANHOOD VIDEO #1

This is a serious one hour movie about a wife who catches her husband at the beginning of this movie making love with another woman. She is so furious that she wants to kick him out of the house. Instead he promises to be her slave, not really knowing what he is really in for. Through bondage and discipline she slowly turns him into a she-male slave. Hormone injections, breast implants and finally she chastises him permanently with a metal chastity pierced through into penis. And the finale of this ordeal is her binding her she-male slave to watch as she makes love to another man.

FORCED WOMANHOOD VIDEO #3

This is the story of a wife and her girlfriend who decide that her lazy husband, who just sits around the house drinking and watching TV while his wife works, has to clean the house and see what it's like to be a woman. They bind and gag him then take him to their dungeon and turn him into a girl. They torture him until he agrees. They dress him up putting make-up and female clothes and shoes on him slowly turning him into a woman. Then they bring a boyfriend over and make their slave find out what it's like to be a woman and satisfy a man.

FORCED WOMANHOOD VIDEO #2

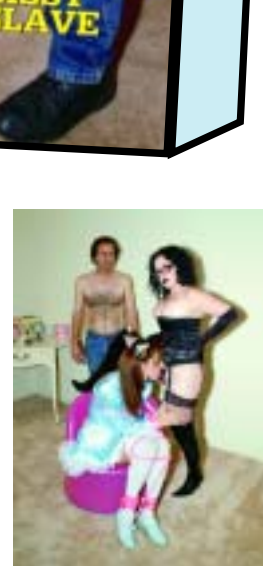

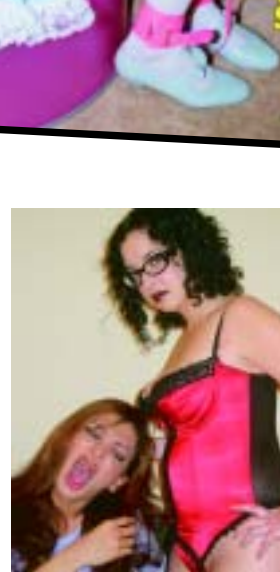

A career woman comes home after a long day at work to find her husband slouched over a poker game with his buddy, drinking in the middle of the day and looking at porno mags. The wife, Kat, is furious, she makes up her mind right then and there that she will be the only one wearing the pants in this family and her husband will wear the panties from now on. She even takes it one step further and forces her new plaything into a permanent chastity device so that his cock won't get in the way of her pleasure anymore. Her husband is now a fully chastised she-male forced to serve using those ruby red lips to arouse and stimulate her new lovers.

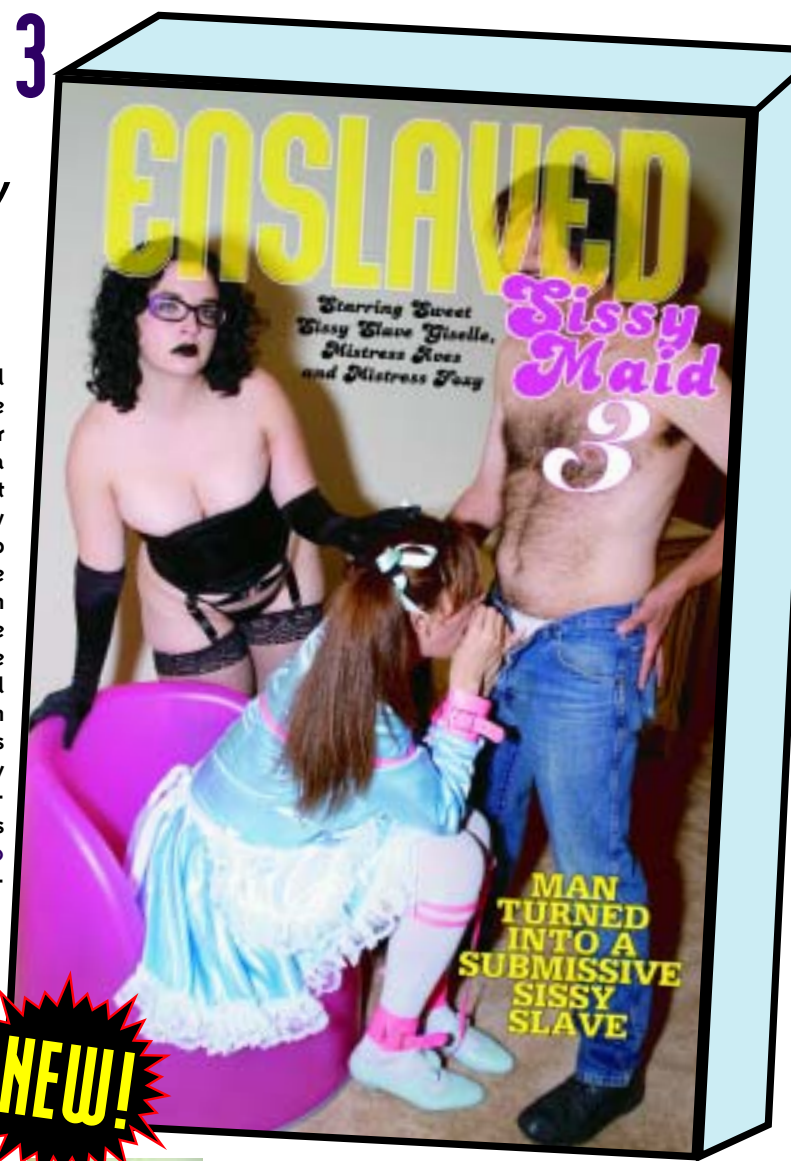

Enslaved Sissy Video 3

Starring Sweet Sissy Slave Giselle, Mistress Aves and Mistress Foxy

This is the continuing story of enslaved sissy Giselle. In the previous movie Giselle was a man, but his wife needed a man for better sex so she turned her husband into a sissy slave with hormone treatment, breast implants and heavy bondage. She has now turned poor Giselle over to Mistress Foxy to be thoroughly trained as a sissy slave taught how to satisfy both men and women with her tongue, lips and mouth. That's the only way she can satisfy another because she was chastised permanently so she could never have sex. Poor Giselle is put through an ordeal of various sissy outfits until she is submissive and sweet enough to satisfy both men and women and become a complete house maid to do what ever is demanded of her. Regularly \$39.95 to \$69.95 in stores. Our price to preferred customers is only \$29.95 plus postage

How to feminize your body with natural herbs and vitamins that have natural female estrogen

In order for you to take synthetic estrogen (Premarin), you have to get a prescription from your doctor. This cannot only be difficult to do but embarrassing as well! But did you know?

There are two herbs with natural estrogen in them that will give you the same effect as estrogen without all the side effects of possible cancer, loss of erection, etc. These two wonder herbs for crossdressers are black cohosh and blessed thistle. These two herbs will not only give you BREASTS, but softer more feminine skin and silkier hair. They will also feminize or round out your features.

If you didn't know it, TRANSFORMATION has already mastered this truly wonderful formula with its three unique vitamin hormone pills.

Glandulars are the secret! Glandular therapy utilizes raw concentrates of glandular and organ tissue. The theory is that like cells help like cells. In practical items, this means that raw ovarian concentrate, for instance, contains a variety of known and unknown intrinsic factors that support ovarian functions in the recipient. The "raw" glandulars are used in Feminant are dehydrated by a special process which insures they contain all of the enzymes and hormones that are present in the natural tissue. One of the key elements provides 200mg of raw ovarian concentrates to assist in the production of the essential hormones, FSH (follicle stimulating hormone) and LH (luteinizing hormone).

These hormones perform basic biochemical and physiological changes in the female body, including increasing breast size and softening of the skin.

Other changes include development of special glands in the fallopian tubes and uterus to promote ovum implantation, enlarging of the pelvic area, faster extension of bone growth, decrease in bone growth period and mild retention of protein and calcium.
