SLAVE MAID ON DUTY

Dear Forced Womanhood,

I have been ordered by my Mistress Kristin and Mistress Sabrina to provide you with a monthly update of my transformation to their she-male slave.

The first picture shows my on-going discipline training and the fact is that when ever I am in their presence my cock and balls are to be tucked, taped or tied between my legs. In this case they are tightly tied to the post.

The second photo shows my new "Slave Maid" uniform. I was recently taken to a boutique for some 5 inch heels.

I have been told that any time I am not on duty for the next month I will spend in standing bondage wearing my heels.

That should help tighten my calves and ass as well as forcing my breasts to project more outwardly.

Until next month,

Slave Frances

DOMINANT SHE-MALE

I'm a very dominant she-male who enjoys making real men very submissive to me. I realize this is not quite what Forced Womanhood is about - but it's still domination. I love to make men kiss my feet and then suck my cock.

A SESSION WITH MISTRESS CINAMON AT AN ELEGANT MISTRESS ESCORT SERVICE

You were planning a trip to Reno, Nevada. Just out of curiosity you decided to check the Internet to see if there were any professional Mistresses to play with in Reno. And there she was, Mistress Cinamon, a lovely brunette who obviously loved to dress up her sissy boys. You called her and let her know when you were arriving. Mistress Cinamon informed you that she owned the only two licensed escort services in the City of Reno. That certain fantasies could not be legally played out, but that she had devised special scenarios to accommodate the desires of her clientele. You met with her at a local casino and chatted for awhile to make sure you were both comfortable, then proceeded to her nearby office. There Mistress Cinamon allowed you access to her vast array of lingerie and sissy outfits. Mistress Cinamon had everything from long red satin negligee's to slut wear... she even had a wedding gown... and a pretty lace pink dress and matching hat. Mistress Cinamon also had a nice

selection of shoes for you to choose from. You picked out the sluttiest pair you could find. You choose a sparkly spandex outfit for yourself and then Mistress Cinamon helped you apply your makeup and choose a wig. Mistress Cinamon had a vast array of toys... just as she had promised. You weren't in the mood for a paddling... You knew what you wanted... and so did Mistress Cinamon. You suddenly felt very shy and out of control, blushing like a young girl as you pointed to the largest dildo on the shelf. Mistress Cinamon just smiled in her knowing way. She liberally applied lube to the dildo you had so shyly picked out, you stood there like a shy little girl at her first dance and watched with increasing excitement. You could tell by the way Mistress Cinamon lovingly caressed the dildo as she applied the lube that she loved her work... and was looking forward to seeing you love having that dildo slide up your tight little girl hole.

A SESSION WITH MISTRESS CINAMON AT AN ELEGANT MISTRESS ESCORT SERVICE

Continued from Page 4

Mistress Cinamon kept up a sexy running story almost the entire session. It was like having phone sex and an in-person session at the same time. Her seductive voice and nasty suggestions just turned you on even more. You decided right then and there to call her phone service at 866-246-2666 when you got home so you could explore all your fantasies. You were also looking forward to experiencing all the other phone mistresses that worked for her and checking out her website www.pinkpantyboy.com. You already felt like you knew Mistresses Savannah, Velvet, Ginger, and Simone because Mistress Cinamon had skillfully worked them into the sexy story she was telling you during your session.

Mistress Cinamon told you to imagine that Mistresses Savannah, Velvet, Ginger, and Simone were right there in the room with you, watching your every move. She told you to make sure you picked up a business card when you left and that you should visit her website www.pinkpantyboy.com to see all the sexy photo scenarios of Mistresses force feminizing men.

Mistress Cinamon had whispered in your ear as she helped apply your makeup exactly what was expected of you. And now it was time... time for you to truly become her sissy bitch.

She carefully placed the dildo on the chair as she gave you that come hither look... The dildo looked so large... You could feel it spreading your girl hole, erotically, painfully stretching it, slowly pushing up inside you.

Mistress Cinamon thought it was pretty cute that you loved panties so much that one pair wasn't enough for you. She loved the fact that you had picked out a pair of thong panties and then pulled a pair of sheer hot pink panties over them.

You hesitated and voiced your concerns that the dildo was too large for your delicate little girl hole. Mistress Cinamon gave you a loving hug and told you that you could slowly ease down on the dildo at your own pace. That she enjoyed seeing the lubed up dildo ease into your girl hole very slowly, that she found it... exciting.

Mistress Cinamon assisted you in slowly sliding your panties down your hips. She obviously enjoyed every moment, every motion she made, and ... your shy eagerness.

Mistress Cinamon kept on talking you through inserting the dildo in your tight little rosebud hole in her sweet sexy voice... "That's right you sweet little bitch. Get the tip of that dildo in your tight little hole, I know you can do it sweet girl, I know

The sweet sexy talk coming from Mistress Cinamon's lips encouraged you, "Oh yes baby girl, I can see that dildo going up inside your sweet little pussy hole. I love those strangled sounds you are making. Take it baby, come on take it all! Oh yes, Mistress loves to see that dildo jammed up your girl hole! That's right baby girl, sit all the way down on that thick dildo, don't you feel full inside? Mistress Cinamon knows you love it."

Mistress Cinamon put her hands on your shoulders and instructed you to bounce up and down on the shaft of that erect dildo. Her sexy voice purred in your ear how much she could tell you loved it. She told you she knew you were her type of girl... nasty and so sweetly slutty.

Mistress Cinamon encouraged you to bury your face in her nice big breasts while you had that dildo shoved up inside your pussy hole. You could hear her mesmerizing voice softly chanting to look deeply into her eyes and to know that you were hers. Her sissy slut. The sissy that enjoys being her bitch.

You could feel her fingernails digging into the flesh of your ass cheeks, spreading them wide, stretching your hole around that dildo rammed deep up inside you. She wouldn't let you get off of that dildo, she keep running her fingernails up and down your arms and thighs, whispering in your ear that you were a slut.

Mistress Cinamon told you that a huge black man wanted you to suck his cock, you were loving every minute of her entrancing voice... and nasty seductive ideas...

Mistress Cinamon helped you push your limits and take your fantasies further than you ever had before. She encouraged you to raise up and slide down the dildo inserted in your pussy so that you could truly experience the feel of being a girl, just like you had always secretly wanted.

You had never before been able to play with a woman while dressed up. Mistress Cinamon not only dominated you, but gave you the girlfriend like experience you craved... and she did it oh, so very well.

The feel of that dildo sliding in and out of your pussy hole while she continued to whisper nasty sensuous things to you made you as hard as rock...

You secretly enjoyed hearing Mistress Cinamon say that she knew you really wanted to suck cock, to be fucked by a real cock, by a real man...

MAN MEETS THE LOVE OF HIS LIFE AND WITHIN ONE YEAR HE IS TURNED INTO HER VERY SUBMISSIVE SHE-MALE SLAVE

A year after meeting my sweetheart I was turned into her she-male slave.

Let me start at the beginning, I was already a crossdresser. She was somewhat of a tomboy. In the past she had enjoyed affairs with women. But she also enjoyed men.

She wanted someone that was half-man/half woman. I showed her your magazines Forced Womanhood and Enslaved Sissy.

The first month I met her she made me wear a lock-on bracelet and she told me I was hers to do with what she wanted.

She was soon keeping me in bondage and letting me out only when I promised to do what she wanted.

She enjoyed women's breasts and she made me take hormones to enlarge my breasts. The hormones reduced my penis so that she could chastise it. I could no longer have sexual intercourse. This made me a slave forever.

She made me dress in all ways that she liked to see me.

She liked me to caress her in all ways, especially sucking on her nipples. She would dress me in sexy little outfits and had a leash

from the bed to my collar and would make me kiss her sweet beautiful buttock and kiss her feet and tell me how I was her sweet slave for life to satisfy her the way she wanted and do whatever she asked.

I loved her so much I would do anything she wanted. We soon got married and we went everywhere together and enjoyed each others company in every respect.

She told me that if I didn't do everything she asked she would change me into a full woman with breast implants and surgery to make me a woman so I could never be a man again!

SHE-MALE SECRETARY

Dear Forced Womanhood,

I am Susie, a soft and sexy, she-male secretary and obedient lover to my boss, Master Dick.

About a year ago I was introduced to him at a local bar by a friend of mine. We talked awhile over a few drinks he bought me. At the end of the night he decided that I would become his new secretary the following Monday, but with strict rules. I was to always wear short mini skirts and four or five inch heels and sexy type blouses, which seemed very reasonable to me, so I said okay.

Well, that was a year ago. Since then, I now have moved in with my Master and live with him as his

lover and housekeeper. I see to all of his wants and needs. I keep my Master happy constantly. Which is easy because he is so very handsome and well hung with a big cock that I adore to play with. I have become a very good cock sucker and look forward to pleasing my Master at all times.

At the office I do my secretary duties. On Tuesdays and Fridays we have our afternoon delights in his office. Which is lots of fun.

My Master Dick has also given me implants too, I am a nice 38DD. He loves playing with my tits too. And I just love it because it makes me very hot.

We both love reading your wonderful magazines too. Forced Womanhood and Enslaved Sissies and Maids are so good. We both love to read them. I also take your hormone vitamins, which also work very well, my skin is so nice and soft now.

What more could a girl want? I have nice clothes and shoes and sexy lingerie to wear for a wonderful man who I love and obey. All I have to do is be a good little bitch and do as I am told. Yes, life can bring great rewards if you're a sweet, submissive, little she-male doll like me.

**Secretary and Lover,
Susie**

SKIRTS AND HEELS HELP WIFE DOMINATE HUSBAND

For months I knew there was something wrong with our marriage. When I finally got it out of Pat, frankly, I didn't know what to think. "He wants you to be more in charge, is that it?" My best friend, Diane, asked. "Actually he said he'd really be relieved if I made all the decisions. More or less to be in charge," I said. "Girl, I think you just hit the jackpot. Deep down he's obviously submissive, and, basically he wants you to dominate him," she stated, which I had the feeling was what he was saying. I just didn't know if I liked the idea or not.

But, I gave it my best try. And it was a disaster. Pat wanted to debate and talk about everything I told him to do. "I have a friend Irene, you need to talk her. Her husband's the same way, and, as far as I can tell they have a perfect marriage," my friend said. So, I had a long talk over drinks with Irene, and when I left I knew a lot more about my husband and precisely how to deal with him. A week went by before I had everything I needed. That Friday I treated him to fantastic sex. "I hope you enjoyed that Pat, it may be the best sex you have in quite a while," I said.

"What are you talking about?"
"You'll find out in the morning," was all I stated. I expected a lot of hollering and screaming the next morning, and there was, when he woke up to find a Frenum Chastity Sheath from Centurians locked on his penis.
"This 'my taking charge' idea isn't working out and you know it. You argue and debate everything I tell you to do. Yet, I know its what you want, isn't it?" I asked.
"I'm really trying, honest. It's hard to suddenly give up making decisions," he admitted.
"I know, so I'm going to force you to give up. You are going to learn to do precisely what I tell you,

Continued on Page 14

because until you do," I pointed between his legs, "that chastity isn't coming off." After his begging and protest eventually died off I said, "From now on I am in charge. In our marriage I will wear the pants, which I will wear from now on to symbolize my authority while you, just as symbolically, will wear the skirts and heels." "What? You want me to wear skirts and heels. I'll never do that," he protested. "Fine, that will be no sex for a week," I stated. "No sex, but..." "It's now two weeks. Here are your new clothes. Don't come downstairs unless you're wearing them. You won't like my reaction," I warned. But, an hour later, he did come down not wearing them. It was unfortunate that I was the one who worked out, while he sat at his computer all day. Because after I had him bent over a chair, I paddled his ass until he was begging me to stop. Not too long later he came down dressed in what I had left him. I had picked out the fullest, pink satin skirt that I could find coming below his knees. Then at a Western shoe store I found a mass of four of the frilliest petticoats all sewn together. Then matching four inch heels, a garter belt and seamed nylons. The first things I taught him was how to walk, sit and stand posing properly. "I'll give you a week to learn, then every time I don't see you walking, sitting or standing correctly I add one day," I dictated, then watched his face go deathly pale with disbelief as I barked out my demands. "As the lord of the house, and the one wearing the pants, my needs and what I tell you to do come first. Since you work at home, and your business being down, you have plenty of free time. So, I'm assigning you all the chores. You'll be given a list of what I want done in the morning. All chores will be done by the time I return. Chores not being done correctly adds one." "But what about my work?" he protested. "I don't care about your work. Do it when you can. From now on you will address me as, Dearest. If you forget, speak to me in a disrespectful tone of voice, or raise your voice to me I add a day. If you argue, question anything without my permission, or approval, I add a week. As to sex, well, you aren't having any for four weeks now. However, as the head of the house, you will service my needs whenever, and wherever, I order you to. Each Friday I will review your progress. I will set a maximum of 20 no-sex days you're allowed per week, for the first month. Each month it goes down two. This Friday, for example, if you have more than twenty you'll be paddled as an incentive to try harder. Plus, I will add one additional incentive you are not going to like," I stated. I then had him give me the keys to both cars, and to sign a blank paper. Unfortunately, he asked me what it was. "I told you not to question anything I tell you to do, now sign it!"

When he did, I said, "All money has been transferred to an account under my name only. All checks you receive will go there. When you need money all you have to do is tell me what's it for, then I'll decide if you can have it. I will also decide when you can use either car." Well, to say he was in a state of shock was an understatement. How serious I was came about when he got up after dinner. When I asked where he was going he said, "To the bathroom." "You didn't get my permission first, did you. That will be another week," I said sternly. That first Friday was really the true turning point, when I informed him he didn't have twenty but 42 no-sex days. When I ordered him to bend over the chair. If he had refused I would have called the whole thing off, but, already sobbing, he did so. Which is when he began to lose all respect for himself. When I told him to take off his shirt and he saw what I was holding, he broke into fresh sobs. "Please, Gretchen, I mean Dearest, please don't make me wear that," he cried, as I strapped the D-cup bra on him, then inserted balloons I had filled with sand. "That stays on until at the end of a week. I don't have to paddle you, I suggest you try on some of my blouses. Your shirts will never button over your new, enhanced figure. I also noticed that you have runs in both your stockings and your seams aren't straight. From now on, when your seams aren't straight, or I see a run it adds another day. I suggest you shave your legs, but just a suggestion," I said. He improved remarkably by the end of the second week, but not enough to avoid being paddled. "I think you need a better reminder of who the head of the house is. From now on you'll curtsy whenever I tell you to do something, before you speak, and before you enter or leave a room. Two days added if you forget, one for an improper curtsy. Oh yes, from now on you'll wear these," I added, handing him the heaviest, dangling earrings I could find. All he did was hang his head in shame. He was miserable, but I was being too pampered to notice or care. He was now polishing my shoes, hand washing my undies, and doing everything else I could think of. And he just took it, well, so be it. He was, naturally, having the hardest time learning to sit, walk and stand correctly. So I bought him what I called his "day skirt". The tightest, red hobble skirt in which he could barely put one foot in front of the other. Then I caught him for the second time taking off his heels without permission, he pleaded about how much they hurt. "You'll never get used to them if you're always taking them off, so you'll be wearing these from now on," I said, handing him a pair of five inch heels with a wide, locking ankle strap. A few Fridays later I decided as a further gesture of just who the boss was I said, "From now on whenever I leave the house, or come in, you'll kiss my feet."

After adding the earrings I made him paint his nails and toes. Then came lipstick and makeup. He cried when I permed his longish hair giving him an all too feminine hair style. To cure him of his pathetic protests and pleadings I make him gag himself, which stays in until the same time the next day.

To improve his figure I insisted he wear a corset from then on, laced as tightly possible. Which allowed me to purchase several maids outfits for him. Six months later that's all "Patti" is now, my maid. I am rightly addressed as "Mistress". Every Friday,

precisely at five, he must handcuff himself over a kitchen stool and wait for me to come home. It could be hours later before he has his, or her, weekly review. As to me, I couldn't be happier. I literally don't have to lift a finger to do anything any more. Patti

is getting so close to my promise of unlocking his little thing, but, thank god, I doubt if that will ever happen.

DOMINANT WOMAN READS FORCED WOMANHOOD AND STARTS TRAINING HER LOVER NICK WITH A STRAP ON DILDO *Story on Page 18*

Story From Page 16

Dear Forced Womanhood,

My name is Lolita. I've enclosed some photos of me starting to train my lover Nick. After we both read your magazine we thought it would be fun. This was our first and second session. I thought Nick would look much better as a woman anyhow. I read enough of the Forced Womanhood articles from other readers to give me an

idea how to start. Besides, I'm somewhat of a voyeur. I'd like to see Nick dominated and then turned into a slave slut. I slapped him around until he agreed. I made him put on panties and a bra to start, then a little makeup. Then I tied him to an end table and wrote "Sissy Cock Sucker" all over his back with my lipstick. I made him suck a vibrator to show him how he will have to suck a real cock some day.

I spanked him until he could take the whole dildo down his throat. I left him tied to the table all night and told him he would learn to take cock in his ass tomorrow morning. At the crack of dawn he was awoken with a smack across his face. I tied him to a chair and applied lipstick to his mouth and cock. After a little nipple torture, he was ready for his training. I untied Nick and made him kneel in front of me.

“You are going to clean my boots until they are nice and shiny. Then I have a surprise for you I'm sure you'll love.”

With my boots clean I put on a strap on dildo I got from Centurians and made him suck it until it got juicy so I could fuck his ass.

His cherry ass was hard to get that dildo into. He winced as I drove it deeper. Finally, I got to the end of the shaft and said, “You better be ready for a hard fucking! I'm gonna pound that sissy ass!”

And I did for at least an hour.

“This is just the beginning of your training,” I told him that when I was through with him he would be a full woman that men will fuck and make him give head, before and after.

“And I'll just watch and laugh. You're an asshole of a man - so you might as well be a woman.”

I untied him and made him get down and kiss my boots, again for good measure.

“Now you need to clean this dirty strap on, sissy cock sucker. Yeah, suck that dirty cock I just had in your ass!” I commanded, enjoying the humiliation.

Once I was satisfied that it was clean, I fucked him again. This time the dildo slipped right in.

MISTRESS FRITA TURNS MAN INTO SLAVE, THEN CHASTISES HIM PERMANENTLY TO BE HERS FOR LIFE

My name is Frita, I'm the Mistress of my slave Veronica who I have completely changed into my very submissive she-male slave. I've always enjoyed a woman's body, but also a man's, so I decided to turn Gerome into Veronica a year ago.

MAN MAKES TV INTO LOVELY SHE-MALE SLAVE AND MARRIES HER IN A WEDDING DRESS

Dear Forced Womanhood,

From grade school through middle school, I had a friend Leslie who loved to pretend he was a girl when we played. Often he wore his mother's lingerie, dresses, high heels, brushed his long hair into a female style, and even put on makeup. As this

The first thing I did was make Gerome take your hormone vitamins to soften his body to a nice soft feminine feel and rounds out his hips and nipples and enlarge his breasts with nice nipples. I kept him in bondage and only let him out when he'd promise to do what I asked of him. I made him get permanent makeup, which was nice black eyeliner and tattooed on bright red lipstick. Then I had him get "Frita's Sissy Slave" tattooed on his buttock.

I make him dress just the way I want and that turns me on. Sometimes as a slut with high heels, sometimes as a schoolgirl and sometimes as a sissy.

Yesterday, I made him get his frenum pierced so I could use one of your frenum chastities.

That night I bound him up in one of your sissy dresses in frilly socks and baby doll shoes and bound him up while I slipped on the chastity. I

caged him so he couldn't complain.

I slipped it on then I did what he really didn't expect. While he looked down I put on the break-off screws and broke them off into the chastity. His eyes told the whole story.

A tear came down his eye and he knew he had been chastised as my slave for life, and now only to satisfy me by letting me play with his nicely enlarged new "C" cup breasts. Now he could only satisfy me with his hands and tongue. I told him, "You're now mine forever! You will never be able to have sex or be with anyone else. And your penis is all locked up just for me. From now on you will do everything I ask! You will start by sucking on my nipples until I climax."

continued he became more adept with makeup, modulating his voice, and using girlish gestures, and I soon accepted the illusion. Our divorced mothers worked, so we had the after school hours together. Reminding me that women were now liberated, Leslie played most of the boy games and was fun to be with. We were sad when, my mother remarried and I had to move to another state.

The new kids weren't into such "things," and were mostly dull and unimaginative. For a time Leslie and I wrote, but our letters dwindled, and finally stopped. Shy, I didn't date much in high school. I didn't like the "mind games" most girls played, preferring a fun, straightforward girl like Leslie. My date life wasn't any better in college. After graduating I received my real father's inheritance, invested the large sum wisely, and got a job in the Claims' Department of a large insurance company. My first case was propitious. Adrian, a TV living as a woman, had been tied up and robbed by a burglar. I couldn't believe it when a slender, young blonde beauty opened the door in a sleeveless, black latex micro-mini, stay-up nylons, and 4" stiletto pumps. There was an instant attraction, and soon we talked about other things besides business. It was as if I were with a grown-up Leslie. She even enjoyed the same things and found being tied up a fascinating sensation too. She showed me your terrific magazine and other publications, and I stared in awe at the gorgeous TVs and she-males in bondage. We began dating, and as soon as her claim cleared we took a secluded place and started Adrian's transformation into a she-male with all of your hormone creams and pills with true female estrogen. I also bought her more sexy she-male clothes and things from your Transformation and bondage catalogs.

Adrian did house chores in a brief French maid uniform, 5" stilettos, and her wrists and ankles chained. When I came home I would have her change into a latex or leather outfit, or keep her in lingerie (she constantly wore a corset to nip her waist and give her hips and rear a femme shapeliness) and bind her with ropes or leather straps. She slept tied up in a corset and sexy nighties, and I often penis gagged her with my own prick. Unlike real women, she was always ready for sex and never refused what was asked of her. But then she saw her little cock was shrinking, and begged to stop her treatments. I wanted a real she-male and wasn't interested in her cock, so I dragged her up to the attic in lingerie and 6" stilettos and disciplined her there for three weeks.

I kept her tied in many strenuous positions, spanked her pert butt scarlet, lashed her front and back with a thin crop, hung her in suspension and swung her by her small boobs and cock and balls, made her crawl in ropes to kiss my shoes, lick their soles, and suck my cock. I ass-fucked her and also used dildos and vibrators with various speed settings. She finally gave in and promised to resume her pills and creams.

I locked Adrian's cock in a FL3C frenum chastity that prevented hard-ons with heavy pain and kept her in tight bondage whenever I went out until I was sure she could be trusted to be left in wrist and ankle chains to clean house. Finally her prick was so tiny it could only take a FL2C frenum that was put on permanently, and her tits were given big implants. Her name was changed to Adele, as Adrian is a unisex name, and there is nothing masculine about my stunning she-male with her soft skin, silky blonde hair, rounded, shapely female body, and big firm breasts.

Adele was ecstatic when I told her we were to be married. We ordered your wedding dress, and were wed in private by a sympathetic minister. I had chains put on our four-poster and attached her in place. We took wedding photos of her partly chained in white cuffs, veil, corset, revealing her large jugs, stay-up fishnets and 6" stilettos, a bouquet in one hand. I kept her chained the entire honeymoon, and she willingly did all I asked and more. A she-male is the best wife, as she doesn't have the hang-ups a woman does, and is very submissive.

Master "Randy" Randy

None of my forcibly trained and converted she-males are gay. So, it's no wonder the resistance I meet when I explain that their primary function will be to satisfy the male business men I have dealings with. A well trained she-male almost always adds the perfect "closing touch". It's necessary to chain the she-male to a post with a tightly lacing posture collar to keep the head

immobile. I start them out easy having them take just the first six inches and after a lengthy period of sucking inflate the trainer a mere inch. After I see them calmed down I suddenly shoot a mere pint down them to suck and swallow without choking or losing their breath. I keep them on a rigid, daily schedule of four times a day. Every two days adding an inch,

inflating an additional half inch and jettisoning another half pint down them. In precisely twelve days I have them trained to take the full twelve inches, inflated to the maximum and taking a full three pints. All without gagging or spilling so much as a drop. What I call, "a full mouthful". Not surprising I've never failed to close a deal with all the terms in my favor.

I loved college. I was one of the most popular girls on campus and in my sorority. Another dominant sorority sister showed me your great magazine, and I was instantly hooked on TVs and she-males. I was so envious when Marcy returned from a date and told how she'd cajoled him into wearing her

my she-male husband. I made him start taking your hormones when I first met him. I kept him on three of them twice a day. The Natural Feminizer changed his entire body to a more desirable, softer female form. The Triple Strength Mammary really worked wonders to enlarge his breasts and nipples to where I could make him get nice large "D" cup implants.

I love his breasts. I love to suck on them and he looks so feminine and womanly with his new beautiful breasts. I also made him take Estro-Glan which he still is made to take.

When he's with me he must be dressed in whatever I put out for him to wear. Also, of course, a collar is a must. After four years, he is so beautiful that he turns me on.

I make him kneel at my feet as a very sweet, submissive pretty lady, he always now has to be all woman for me including full makeup and the shoes of my choice. At night he'd better be in a very pretty negligee for my pleasure. We both love our life together like this because of your great magazines and superb products.

lingerie and heels, then letting her make up his face and tie him up for hours like that while they made out. After he'd eaten her pussy good, she gave him a blowjob and pulled his cock from her mouth at the moment of climax and had him show-er his made up face with his own cum. My cunt was hot and wet, and I was determined to find a willing victim to feminize and dominate.

Despite my great looks it wasn't that easy. Some boys refused, others agreed but once or twice was enough. After graduation I got a computer job with a company in a large college town and decided to try again, this time through your Readers Column. I received many applications, and settled on Wilson, a slender, girlishly handsome man just out of college.

From our first date Wilson submitted to my every desire. He was feminized and bound and sexually teased all evening. When I made him cum in his pretty, made up face, I had a strong climax without even touching my cunt.

We soon moved into an isolated house outside of town and began his transformation. I ordered him all sorts of sexy clothes and things, as well as hormone pills and creams with natural female estrogen, from your Transvestite catalog, and threw out all of his male clothes. Dressed as a French maid, wrists and ankles chained, he did housework while I earned us a living.

After a time I was able to mostly work at home, and could bind and dominate Wilson all I wished. Very soon his skin was softer, his blonde hair silkier, his figure more shapelier (helped also by your waist nipper of Deluster fabric), and his tits grew nicely. Then he saw his prick was dwindling and refused to continue. I had invested too much to let him stop, so I overpowered him and

tied him in a closet in a taut, compact ball with a multitude of ropes, penis gagged, and clad in black bra and panties, waist nipper, stay-up nylons and 5" pumps.

For over two weeks I spanked him with my gloved hands, strung him up to the door and lashed him with a thin crop, smashing it down the middle of his ass and searing his hole and both cheeks simultaneously, and also whipping his cock and balls. I dildoad him for hours, besides face-sitting him until he passed out and almost choked on my cunt juices. Wilson realized the hopelessness of his situation and sobbingly gave in. I increased his uses of creams and pills, and gave him long hours of female lessons, whacking his asshole and cock and balls with the crop. His prick was locked in a FL4A frenum until it could only take a FL2C frenum that was permanently attached. Then his tits had big implants, and he became Winona, a ravishing blonde she-male who passes easily as a true woman. With your Home Piercer kit, I pierced her nipples and put on large gold rings to run small chains from down to her frenum's ring on occasion.

When it's football season I dress her like a cheerleader in a turtleneck sweater with stripes of the college colors on the upper arm (I have many sweaters with different school stripes), then tie Winona on the bed, sweater up to show her chained boobs, hands crossed behind her back, her chained cock peeking out from her bikini panties, long legs in stay-up stockings and lace-up, three-quarter boots, ankles tied apart to a long wooden stick, a mouth-filling red ball gag silencing her, and red rib-

bons in her hair. She waits like that until I return after the game with one or more college boys. If the team has lost, she cheers them up fast.

I first get what I want while she watches, all bound up.

I'm well fucked,
Mistress Julie

MAN PICKS UP CROSSDRESSER IN A BAR AND TURNS HIM INTO A BEAUTIFUL SHE-MALE

Dear Forced Womanhood,

My story is similar to many in your magazine. I met Tim in a gay bar. Tim was just a half-assed crossdresser. I bought Tim a drink and we started talking. In short, Tim moved in with me. I told him, "I don't fuck men in drag, but if you want, I'll help change you into a beautiful lady." Tim agreed rapidly.

In less than a year, with the help of your various products and the information we read in your Transformation magazine, I had transformed him into Tina. Your hormones softened her body and enlarged her breasts so she could have beautiful full, breast implants.

Now she services me all in ways when I want to fuck. Tina is there for me and always willing to give me head. She's now my live-in wife who takes care of the house, the cooking, and of course, me. I love snuggling up to her soft feminine body.

Mr. John

NEW READER TO FORCED WOMANHOOD STARTS TO TRAIN HER HUSBAND, HOPEFULLY INTO A FULL FLEDGED SHE-MALE

Dear Forced Womanhood,

I'm enclosing a photo of me and my future she-male slave. We only started reading your magazine this last year and we were both so intrigued by it.

I only started three months ago training and keeping Harold in bondage, making him wear female clothes and taking your hormones which I can start to see some improvement, but I have a long way to go to turn him into a beautiful she-male. I realize it takes time and constant bondage and discipline to keep him on the right track. But, believe me, there's already been a lot of improvement from the one masculine hairy man I started with.

Please find enclosed separately an order out of your bondage catalog and an order for shoes and more hormone pills.

Love to all at Centurians,

Pamela

WIFE CHANGES HUSBAND INTO SUBMISSIVE TRANSSEXUAL OVER SIX YEARS

Dear Forced Womanhood,

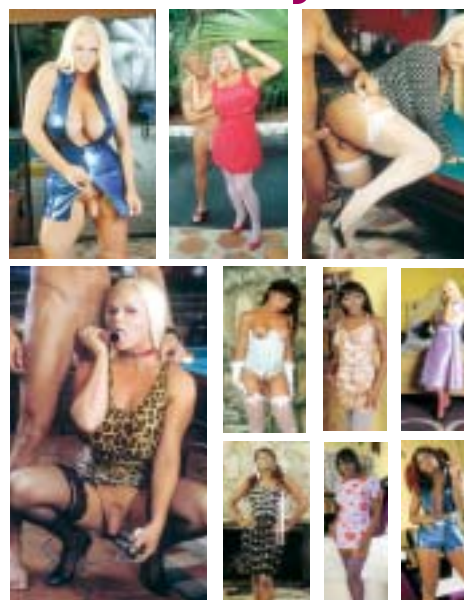

Before I start, I would like to tell you how much we enjoy your publications and products. You make the very best items, and your delivery is much better than anyone. I have turned my husband into the most beautiful submissive transsexual. I've written to you before and ordered lots of your items through the years. My once husband has been chastised, tattooed, pierced and given beautiful large breast implants. He is now my very docile, submissive slave. I keep him, now her, in constant bondage, especially your incredible armbinder. He must be dressed and made up for me at all times. I love the life your magazines have brought to us. He's my lesbian slave and we go out together that way. He gets more people trying to pick him up than me. please use art for my article as I'm a business lady and don't want our pictures published.

Jenny

P.S. for sex we use a double dildo. one end in his pretty behind and the other in me.

Enslaved Sissy and Forced Womanhood Videos

ENSLAVED SISSY MAID VIDEO #1

This is a story of a beautiful woman who isn't getting satisfied sexually by her husband, so she has extra marital affairs. One night after one of her flings she catches her husband wearing her lingerie.

This gives her the excuse she needs, she yells and screams at him that if he's going to wear women's clothes - they will only be sissy clothes for such a wimp as him.

She begins with binding him up every night and slowly changes him into a complete sissy she-male maid slave through bondage, hormones and breast implants. Then makes him suffer many humiliations of being a sissy slave including satisfying her boyfriends in all ways.

ENSLAVED SISSY MAID VIDEO #2

This video is about a wife who finds out her husband has been cheating on her. She gets so mad that she slowly, through bondage and punishment, turns him into her sissy slave to be humiliated in all kinds of ways. While he's bound up, she forces him to take hormones, get breast implants until he looks like a beautiful sissy she-male slave. She then forces him to suck cock while bound to get her lover hard for her so she can have fantastic sex in front of her new sissy slave. With constant bondage she finally brings in a man to break his beautiful cherry ass and get fucked like the sissy she is.

ENSLAVED SISSY MAID VIDEO #3

This is the continuing story of enslaved sissy Giselle. In the previous movie Giselle was a man, then she turned her husband into a sissy slave. She has now turned poor Giselle over to Mistress Foxy to be thoroughly trained as a sissy slave taught how to satisfy both men and women with her tongue, lips and mouth. That's the only way she can satisfy another because she was chastised permanently so she could never have sex. Poor Giselle is put through an ordeal of various sissy outfits until she is submissive and sweet enough to satisfy both men and women and become a complete house maid to do what ever is demanded of her.

FORCED WOMANHOOD VIDEO #1

This is a serious one hour movie about a wife who catches her husband at the beginning of this movie making love with another woman. She is so furious that she wants to kick him out of the house. Instead he promises to be her slave, not really knowing what he is really in for. Through bondage and discipline she slowly turns him into a she-male slave. Hormone injections, breast implants and finally she chastises him permanently with a metal chastity pierced through into penis. And the finale of this ordeal is her binding her she-male slave to watch as she makes love to another man.

FORCED WOMANHOOD VIDEO #2

A career woman comes home after a long day at work to find her husband slouched over a poker game with his buddy, drinking in the middle of the day and looking at porno mags. The wife, Kat, is furious, she makes up her mind right then and there that she will be the only one wearing the pants in this family and her husband will wear the panties from now on. She even takes it one step further and forces her new plaything into a permanent chastity device so that his cock won't get in the way of her pleasure anymore. Her husband is now a fully chastised she-male forced to serve using those ruby red lips to arouse and stimulate her new lovers.

FORCED WOMANHOOD VIDEO #3

This is the story of a wife and her girlfriend who decide that her lazy husband, who just sits around the house drinking and watching TV while his wife works, has to clean the house and see what it's like to be a woman. They bind and gag him then take him to their dungeon and turn him into a girl. They torture him until he agrees. They dress him up putting makeup and female clothes and shoes on him slowly turning him into a woman. Then they bring a boyfriend over and make their slave find out what it's like to be a woman and satisfy a man.

How to feminize your body with natural herbs and vitamins that have natural female estrogen

In order for you to take synthetic estrogen (Premarin), you have to get a prescription from your doctor. This cannot only be difficult to do but embarrassing as well! But did you know?

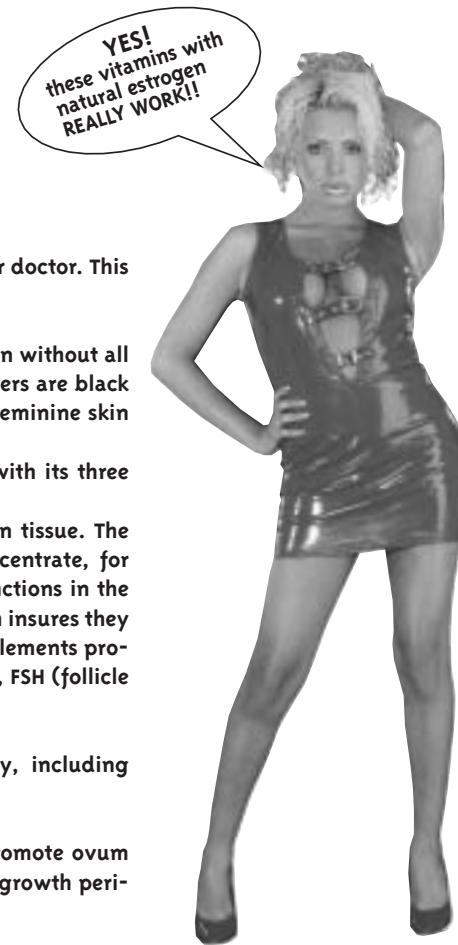

There are two herbs with natural estrogen in them that will give you the same effect as estrogen without all the side effects of possible cancer, loss of erection, etc. These two wonder herbs for crossdressers are black cohosh and blessed thistle. These two herbs will not only give you BREASTS, but softer more feminine skin and silkier hair. They will also feminize or round out your features.

If you didn't know it, TRANSFORMATION has already mastered this truly wonderful formula with its three unique vitamin hormone pills.

Glandulars are the secret! Glandular therapy utilizes raw concentrates of glandular and organ tissue. The theory is that like cells help like cells. In practical items, this means that raw ovarian concentrate, for instance, contains a variety of known and unknown intrinsic factors that support ovarian functions in the recipient. The "raw" glandulars are used in Feminant are dehydrated by a special process which insures they contain all of the enzymes and hormones that are present in the natural tissue. One of the key elements provides 200mg of raw ovarian concentrates to assist in the production of the essential hormones, FSH (follicle stimulating hormone) and LH (luteinizing hormone).

These hormones perform basic biochemical and physiological changes in the female body, including increasing breast size and softening of the skin.

Other changes include development of special glands in the fallopian tubes and uterus to promote ovum implantation, enlarging of the pelvic area, faster extension of bone growth, decrease in bone growth period and mild retention of protein and calcium.

CHASTISE YOUR SLAVE WITH OUR NON-PERMANENT, NON-PIERCING PURE SILVER CHASTITY

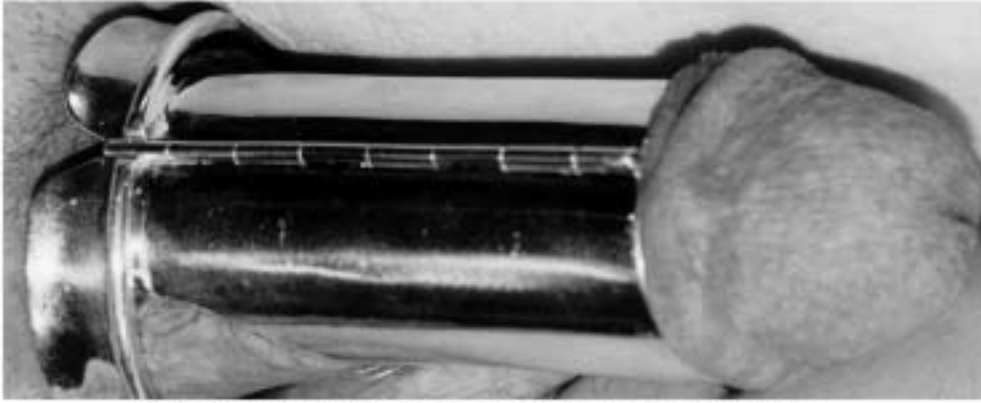

NEW!

Locking Penis Chastity

We've had many requests to come out with a non-permanent, non-piercing chastity, but one, when locked on, the slave cannot remove.

It is hinged on top and has two locks (included) that lock around and behind balls and around penis.
 It comes 1" diameter or 1 1/8". Please give preference.
 This is expensive because these are custom made for us by a special jeweler who only works with pure silver. Besides, silver or gold is the only metal that can be left on for a long time. \$849.00

Lock up your slave and chastise him. Items shown above available at Centurians.

Locks behind balls and just below the end of the penis. Fits tight down shaft.
