LADY LOOKING FOR SISSIES

Dear Jeri,

I had arranged to meet one of the transgendered advertisers from your fantastic magazine and his girlfriend took these photos. We started by having him take off his clothing so I could see he was wearing the bra and panty I had sent him during our correspondence. Next I tied his hands together and then I stuffed his panty in his mouth. Then I wrapped them over his bulging mouth and over his eyes, pulled down his panty and gave him a real sound spanking with my bare hand and followed up with my paddle and a few other "Toys". When I finally untied him, he scurried out promising never to return. For me crossdressing is just the start of something good and really makes this whole experience really special. So if there is anybody out there who agrees, I'd love to hear from them. Especially those aspiring TV's. Write to: Patricia Hayward

SLAVE TAKING HORMONES TO GET BIG TITS

Dear Forced Womanhood,

Mistress Kristen has ordered me to send you these recent photos of my training and eventual transformation. Some time in the next few weeks my makeup will be tattooed on and all my hair removed. While my breasts are growing, the plastic surgeon says they need to still need to get bigger before he can do implants. Thus, I still have to use padding. I can't wait until I have nice big tits. I am sure Mistress Kristen will keep you informed of my progress towards being her sissy slave.

LADY TURNS MAN INTO A SHE-MALE SLAVE TO SATISFY HER AND HER LOVER

Dear Forced Womanhood,

I am Mistress Cindy and it all started a year ago when my cousin Brian was wearing my clothes and that's when Brian told me that he likes to wear women's clothing and he always wanted to be a little sissy girl. And that's when I told Brian that your wish is coming true and that he will be a little sissy she-male slave. He agreed.

"Now Brian I am going to start the process by giving you female

WOMAN MAKES MAN INTO BEAUTIFUL SHE-MALE BONDAGE SLAVE TO BE ENJOYED BY MEN AND WOMEN

Dear Forced Womanhood,

Ever since I can remember I have enjoyed binding males, and it became a growing obsession. I was left a large inheritance so after college I didn't have to work, and could support my male slave whenever I found him. Your magazine really opened my eyes, and I decided a she-male would be much more fun to have

hormone pills and shots and then, Brian, we are going to see a judge to have your name changed from Brian to Bambi."

Months later Bambi has breast implants done to size 36DD and she has permanent makeup put on her.

"I am going to put this chastity device on to your little tiny penis." Then I told my sissy slave, "We are going on a girl's night out to see the Chippendale's show and afterwards I have invited four very sexy men to our house, two for you and two for me. They have high expectations of you."

For the first time Bambi was flirting with the two I had arranged for her. Bambi was giving her first blowjob and deep throating her first cock and Bambi put all ten inches deep down her pretty little throat and she was also getting her ass fucked for the first time and Bambi loved every minute of it. She became a real pro at getting fucked and sucking cocks and all four men said that Bambi is the most beautiful sweet calendar sissy girl.

Now my sissy slave has a career in sucking cocks and getting fucked like a real pro.

One day I told her that I am getting married to my lesbian lover and she will be the bridesmaid at our wedding. "Now you will have two Mistresses to serve. Oh, and we also decided you should have balls cut off so you can't cum anymore. My girlfriend despises cum, especially little sissy girl cum."

Mistress Cindy

than a male slave. Through your Readers Column I contacted Bryce, a TV who really looked great all dressed up. He lived only thirty miles away, and we began dating. In almost no time I moved him into my large secluded house as my chained French maid, in various uniforms from your catalogs. He also agreed to take your hormone pills with true female estrogen, as well as use all of your creams.

For some time things were wonderful. Bryce's body steadily became more femininely shapely, helped by constantly wearing a corset and 6" opera pumps, to tone his leg muscles and raise his arches higher. His hair was silky, his breasts grew, and he absolutely loved being tied up and left for hours while I was out. I used a variety of gags, from ball and penis ones to scarves, and he was tied in a large variety of she-male clothes from your Transvestite and Transformation catalogs: skirts and blouses, satin and latex dresses, lingerie, gloves, high heels, and other accessories. Then his penis began to shrink and he tried to stop his feminization. I overpowered him and took him out to the small guest house, where he was kept tightly bound and gagged for two weeks in push-up bra, corset, stay-up nylons and 6" black opera pumps. I spanked and paddled him, beat him with a limber riding crop, tied small weights and such to his cock and balls, suspended him and swung him by his prick, walked on him in 8" heels and dildoeed and face-sat him for hours. He realized his folly and surrendered to my strong will.

I tripled his pills and use of creams, gave him long hours of female lessons, whipping his penis and balls when he screwed up, and chastised him with your non-permanent, nonpiercing pure silver chastity until he could finally only take a FL2 frenum chastity that was put on forever. Later his tits were ready for large implants, and he became Bridget, a lovely she-male whom is taken by one and all as a true woman.

I mostly prefer my pussy to be tongued, and Bridget has become quite an expert. There are times I have girlfriends over and we enjoy lesbian sex, then we really go to town on poor Bridget with our dildos, and face-sit her until she passes out from lack of air. The girls all say she licks pussy better than any man or woman.

On rare occasions I get the itch for a male cock in my three holes, and have one or more males over for the night or weekend. A thin gag between her teeth, Bridget is tied on a couch with ropes in a frilly short nightie and 5" white patent opera pumps to watch me get what she can no longer give me. I wear a brief cut out chemise, thin collar, elbow length gloves and 7" knee-length boots.

It all depends on my mood as to whatever I reveal to the man or men that Bridget is really a she-male. Sometimes I hide her tiny prick in one of your realistic female vaginas and say it's her "time of the month." Either way, the men are allowed to fuck her mouth, ass, and tits, and cum in her pretty face. When I've rested, I strap on a big dildo and get into the fray. It's fun to see her

simultaneously mouth and ass fucked while beating-off another male with her tied hands. We fuck and dildo her to exhaustion, then rest a bit and start all over again. Bridget is so much fun to bind and sexually abuse!

MASTER TURNS CROSS DRESSER INTO HIS BEAUTIFUL SHE-MALE SLAVE

**Dear Forced
Womanhood,**

I met Jim, now June, who was a crossdresser, through an ad in your Transformation Magazine. We met and I told him I was bi-sexual and wanted a half-man, half-woman. He was excited about being changed into half-man, half-woman. In other words – a she-male!

Over a year I made him take your vitamin hormones which gave him a large size "A" breast – perfect for a size "C" breast implant. In just one year I had changed him into a beautiful lady. Now, Jim, who has legally changed his name to June is my beautiful sex slave. I can screw her, get blow jobs whenever I want. The deal was, if I helped change him into a beautiful lady he'd have to service me, cook, clean and be my servant. He agreed! Actually, we both enjoy our positions of Master and slave.

BOB NOW BRIDGETTE, LOVED DRESSING UP AND FEELING HELPLESS. HER WIFE GRANTS HER WISH

I married Bob knowing he loved dressing in women's clothes. For me it was a complete turn off. But what he didn't know was that I was marrying him for his money. Imagine me, a secretary, marrying into millions!! I could put up with anything, so I bit my lip and said, "Why of course it's alright with me. After all it's just a harmless past time, right?"

Well it was harmless, but hardly a past time. As soon as he'd get home, he'd had have Marie and Jean, two of his live in maids, who he paid well to tolerate his hobby, help transform him into sweet, helpless

"Bridgette". And how "she" liked to feel helpless. I couldn't, for a minute, imagine suffering with a corset on. But Bridgette's sorry excuse for a prick would get stiffer and stiffer the tighter they laced. Nor could I imagine walking around in ridiculously high five inch heels. But "she" loved how they forced her to wince in the tiniest steps. What disgusted me was how much it excited him/her, and this is how "she" wanted me to ravish "her" in bed. Obviously, he wasn't much of a man, but there was no way I was going to give up the money or the lifestyle.

One night as I was ravishing "her" I thought, if "she" wants to feel helpless then so be it. The next day I sat down and sketched out an outfit that my pathetic excuse for a husband would experience the ultimate in helplessness.

Looking through the neat Centurian catalogs he had stacked up by the bed I picked out a couple of ready made articles. But the dress, and especially the boots, were going to have to be custom made. So, I contacted Jeri Lee at Centurians. and when she saw my sketches she enthusiastically agreed to make them up.

"You realize your hubby isn't going to get much of a thrill when you put him or her in this hobble dress. I swear I've never seen anything so restrictive," she commented.

"That's exactly the purpose. I don't imagine his dick will so much as twitch when I'm finished with him." I said.

"And these boots. Really, I've never seen a more treacherous pair. You can't really expect her to be able to walk in them."

"Oh she'll walk in them!" I declared, "She's not going to have any choice!"

It took about three weeks, but when I had everything I called the maids and him in. "I know what a thrill Bridgette gets, getting all dressed up and feeling so femme and so wonderfully helpless. So, as a surprise I ordered an outfit that you'll feel even more divinely helpless in."

"You did? Could I try it on?" he said trying to hide his excitement.

"But, of course. In fact right now, although you'll

need Marie and Jean to help you. I noticed how many pages you'd notched in your Centurian catalogs that show armbinders, so I got you a pair. They go all the way up to your shoulder, isn't that exciting. Girls, you can put those on Bridgette first." I instructed.

Which was not easy at all. First, they slipped his hands into the hard leather mittens. Then, they had to painstakingly lace then all the way to her shoulders. "Can you bend your arms, or hands, even a little dear?" I asked.

"Well yes, a little." she admitted.

"Oh my, that will never do. Bridgette wants to feel so totally helpless, don't you? Please lace them much tighter girls." I ordered. And they did until only, by really straining, could she bend the elbows a little.

"Now head back, face up as high as you can, raise it. I know how much you like feel of a really tight collar, so I got you Centurian's Corset Collar. That's next girls." I said.

When it was on I asked him if he could still move his head side to side and up and down. And without thinking he tried and was able to. "Obviously girls it's much too loose. Take up the laces and really tighten them." I ordered.

"Oh p-please, it's too tight and I can't move my head at all!" he cried out in alarm.

"Well, you're still breathing I see so obviously it's not as tight as I could tell them to lace it. Now, are you sure it's too tight?"

"No, actually it isn't." she said quickly.

"Now Bridgette, I also noted the check marks you made next to all the great Centurian hobble skirts and dresses. So, I guess you've always fantasized about how helpless you'd feel in one, am I right?" I asked and when she blushingly admitted it I smiled and said, "Well I not only got one for you, I decided that that none of them were restrictive enough for you. So I had one custom made just so you'd feel totally helpless in it."

"Totally?" she asked nervously.

"Oh yes, you'll see. Girls, it's time for Bridgette's dress." I instructed.

I smiled when I saw the relief on her face when the girls took it out of the box. It was black patent leather, and looked deceptively innocent. That is until they wrapped it around her and started pulling the laces tight in back. For it laced from the shoulders to the knees. Five sets of laces that gradually squeezed and imprisoned her tighter and tighter in it.

"What's the most you've ever laced Bridgette?" I asked.

"I think four inches until she begged us to stop." Marie said.

"Well then, I think if you lace her down six inches she'll really feel helpless," I said.

"S-Six, Oh please n-no, I couldn't bear it, please," she begged.

"And if she complains don't hesitate to lace it down seven inches," I said sternly. Which shut her up, except for the tortured gasps and moans every time they yanked the laces.

When they were finally finished, and it seemed to take forever, I told her to bend over.

"I-I can't!" she cried out in alarm.

"No, not even a little? I specifically requested absolutely rigid steel stays, shoulders to below the knees. Are you feeling more and more help-

less, Bridgette, honey?" I asked sweetly.

"Please, no more," she begged.

"Be patient sweetie, we're almost there. Just wait. Girls, her boots next," I proclaimed.

Poor, poor Bridgette. Her face turned to white chalk when they took them out.

"My God, I can't imagine anyone being able to stand in these, let alone walk in them," Jean commented.

"I'm sure Bridgette will eventually be able to walk, in a manner, in them. After all you'll be putting them on her feet every day," I promised.

"S-She's right. No one could walk in them. No, I won't wear them," she declared weakly.

"Now Bridgette, what I'd like you to do is to ask Jean and Marie to please put your wonderful boots on you as nice as you can, or when they do you'll end up sleeping in them, standing up," I said.

Obviously that thought horrified him, so meekly he said, "Please Marie and Jean would you put my wonderful b-boots on for me?"

As he looked down he moaned in fear as they forced his helpless feet into the truly torturous looking knee high boots and began lacing them up. I am sure I would have had the same fearful look if they were being put on my feet. For they had four inch high rocker platform soles and staggeringly high pencil thin eleven inch heels. However, besides the extreme arch in his feet his feet were being forced to conform too, what

would make them nearly impossible to walk in was that the heels curved in so that they nearly touched the soles and so offered no support at all. And, the tiny portion of the rocker soles that touched the floor was well behind the balls of her feet. The center of gravity was precisely in the middle of his severely arched feet. So it was impossible for Bridgette to use either the heels or soles for support. And to hobble her even more a chain was permanently attached from the back of one heel to the other. When her boots were padlocked at the top I cheerfully said, "There now, what you've, I'm sure, always fantasized about, all dressed up and totally helpless. Oh poor thing, you have such a divinely helpless, terrified look, doesn't she girls? Now Bridgette I've put up with your little "hobby" as you call it for too long. It's obvious your not a real man, I mean just look at you. So, I'm going to have to find a real man to satisfy me, like tonight. And since your obviously not a real man in any sense of the word I've decided to allow you to live out your "hobby" full time, 24/7. You are now the new junior maid. Jean and Marie will keep you busy with chores throughout the day. For your part, girls, look through all of Bridgette's Centurian catalogs and put together some outfits she can work in that will ensure she feels helpless at all times."

Turning to my shocked, sissy husband I said, "You have been permanently demoted from the man of the house, although you were never much of one, to junior maid. Are you comfy in your new outfit Bridgette?"

"Oh God no, please it's torture," she pleaded.

"Girls, this will be Bridgette's punishment uniform. How long she spends in it depends on how well you judge she's done her chores," I instructed.

Epilogue:

Each evening when I get home, I love to get a drink and relax on the sofa and be entertained by watching Bridgette staggering, terrified about the room. On the rare times when she's actually done her chores to the girls satisfaction I'm always amused by the most creative bondage uniforms they've come up with for her to do her chores in.

TWO LESBIANS TURN MAN INTO THEIR CHASTIZED SHE-MALE SLAVE TO GIVE THEM ORAL SEX

Attention To Forced Womanhood:

I was dating Leon, who just didn't give me what I needed sexually. I told him that I had a lesbian lover and if he wanted to stay with me, he'd have to be a girl. I was surprised when he said "Ok change me into a girl". Well, my girlfriend and I did, and to make sure he stayed our little she-male, we chastized him so he could no longer bother us with his penis. Now he satisfies us orally and we have turned him into our oral giving housekeeper who must be pretty and ready for us at all times to do what we want.

TV GETS MORE THAN HE BARGAINED FOR AND BECOMES HELPLESS SHE-MALE BONDAGE SLAVE/SLUT

Dear Forced Womanhood,

I don't know how or when it came about, but I've been obsessed with bondage and feminization ever since I can remember. In my room I would put on an old pair of my mother's black lace panties and tie my legs and ankles with clothesline, then do my wrists in token bondage so I could get free quickly if need be, and gag myself with a scarf. Then I would stare at my mirrored image and make up bondage stories in my mind, where I was either a girl or a boy who'd been kidnapped and feminized. Often I'd read stories like that, usually a comic with a girl tied up and imagine I was her. None of my few friends were into tieup games, much less feminization, so I was left amusing myself. Over time I had a stash of my mother's lingerie and high heels that I'd rescued from donation boxes for my secret fantasies. In high school and college I really tried to put aside my obsession, for fear of what others might say or tell friends. I dated some but never found the "right" girl. When I was out of school and had a job and my own place, I made up for those dull years big time. I found your super magazine and other publications, and was cheered to see lots of men and women shared my desires. I also read that crossdressing can't be cured, but it's harmless so there's no concern. That was fine as I had no wish to give it up! I ordered sexy lingerie, clothes, wigs, and high heels from your Transformation catalog and would dress up, make up, and tie myself up every day after work. It was nice to be able to do so without worrying that Mom or a friend would walk in on me unexpected. Still, I wanted a beautiful woman to dominate me, so I sent a picture in one of your black latex micro-mini dresses, nylons and 5" stilettos to your Readers Column. And that's how I met Jean, who was not only gorgeous and dominant, but rich.

Very soon I quit my job and became a maid, cook, and bondage toy in her isolated house. My male clothes were tossed, and I only wore sexy lingerie, dresses, skirts and blouses, and French maid uniforms, 4" to 6" stilettos, wigs (while

femininely shapelier. Then I saw my dick was dwindling and panicked. Jean said I was to be a she-male—period.

Overpowered, I was taken to the cellar and tied to an "X" frame, a mouth-stretching ball gag

crammed between my teeth. For three weeks I held out, wearing only a waist nipper, stay up nylons and 6" stilettos. I was face slapped, spanked, lashed with a velvet-covered whip, walked on with 8" heels, dildoad, face-sat, and made to crawl while tied to kiss her shoes. My abuses continued day and night until I finally gave in to Jean's will and was taken from the cellar.

My uses of pills and creams increased, as did my hours of female training, and my cock was locked in a FL4E frenum chastity. At last my tits were ready for large implants and my tiny prick was put permanently in a FL2C. I am now Brenda, a lovely, she-male bondage slave/slut who passes for a woman.

When Jean gets the itch for something I can no longer give her, she attaches me to the foot railing of an iron frame bed, legs spread wide, by my chained wrists and ankles and my metal encased cock. In only a hair ribbon, back lacing corset, stay-up stockings and 7" heels, I stand facing the bed and watch the "hot" action. After Jean is fucked out, I lean over the low railing and clean the man's messy prick with my tongue, letting him cum in my mouth, face and boobs. Then he ass-fucks me and Jean dildoes me. All night I'm made to do all sorts of

degrading acts that secretly delight me. Other times she has two or more men over, and I'm really in for a very long night of fucking, sucking and amusement. Still, I love every minute of it!

She-Male Bondage Slave/Slut Brenda

growing my own hair long), and nighties. I agreed to use your hormone pills and creams with natural female estrogen and become a she-male. Jean insisted I constantly wear your Deluster fabric waist nipper (to trim my waist more and give my hips and butt a femme roundness) and high heels (to tone my leg muscles and slim my ankles), even sleeping tied up in them. Things were great for a time. My breasts grew, my skin was soft, my hair silkier, and my figure

PAUL, NOW PAULLINE GETS "HER" FILL OF BONDAGE, 24/7

Before we were married, Paul introduced me to bondage. He wanted me to tie him up, or strap him down, or restrain him in some way. I didn't really get turned on, but I loved him so I went along. It turns out he more than enjoyed it, he was addicted to it. We got into it seriously when he showed me his collection of bondage catalogs from a company called Centurian. Then it got to a point where he couldn't get off unless he was in bondage. Well, that did it for me. He certainly wasn't the man I thought I'd married.

"I've had it with this bondage stuff! No more," I declared.

Well Paul begged and pleaded, but I was adamant, until I said, "I'll reconsider, but only if you act out a fantasy I've never told you about." "Sure, I'll do anything for you, you know that," he swore.

"Well, deep down I've always wondered about making love to a woman. And since I don't want to be unfaithful, if you dress up as a woman and make love to me as one, then I'll continue to do your bondage thing for you," I said.

Well that shocked him, but as I knew, he didn't really have any options, so reluctantly, not liking it, he agreed.

"Great! Then first thing tomorrow we'll go down to Betty, my beautician and get you started," I declared.

"W-What? Why do I have to go to your beauticians?" he asked.

"To make it as convincing as possible. You're not fulfilling my fantasy if you look like a guy in drag, are you?"

"I guess not," he had to agree.

I told Betty of my plans and she was all for it. "Isn't this going really too far? I mean these things are huge and they look so real," he said sitting in Betty's chair, looking down at the melon sized tits we'd just glued on him.

"Well my fantasy girl has the biggest tits and blonde hair and pierced ears and the most delicate eyebrows."

"Not on your life, this is going too far!" he hollered and tried to get up. Which was when Betty and I strapped him down to the chair.

"Oh my, we have a long way to go yet. We'll have to hide this thing anyways. Girls have pussies, they don't have dicks. So we'll need to pussy you and see that you're properly made up. Betty says she has a special makeup and bright cherry red lipstick that lasts forever."

"Forever? What the hell are you talking about?"

"Well Pauline, oh yes, that's my fantasy girl's name, and now it's yours. You can't live without your bodage fetish, and you agreed to be my fantasy girl. So now you're my bondage girl, 24/7."

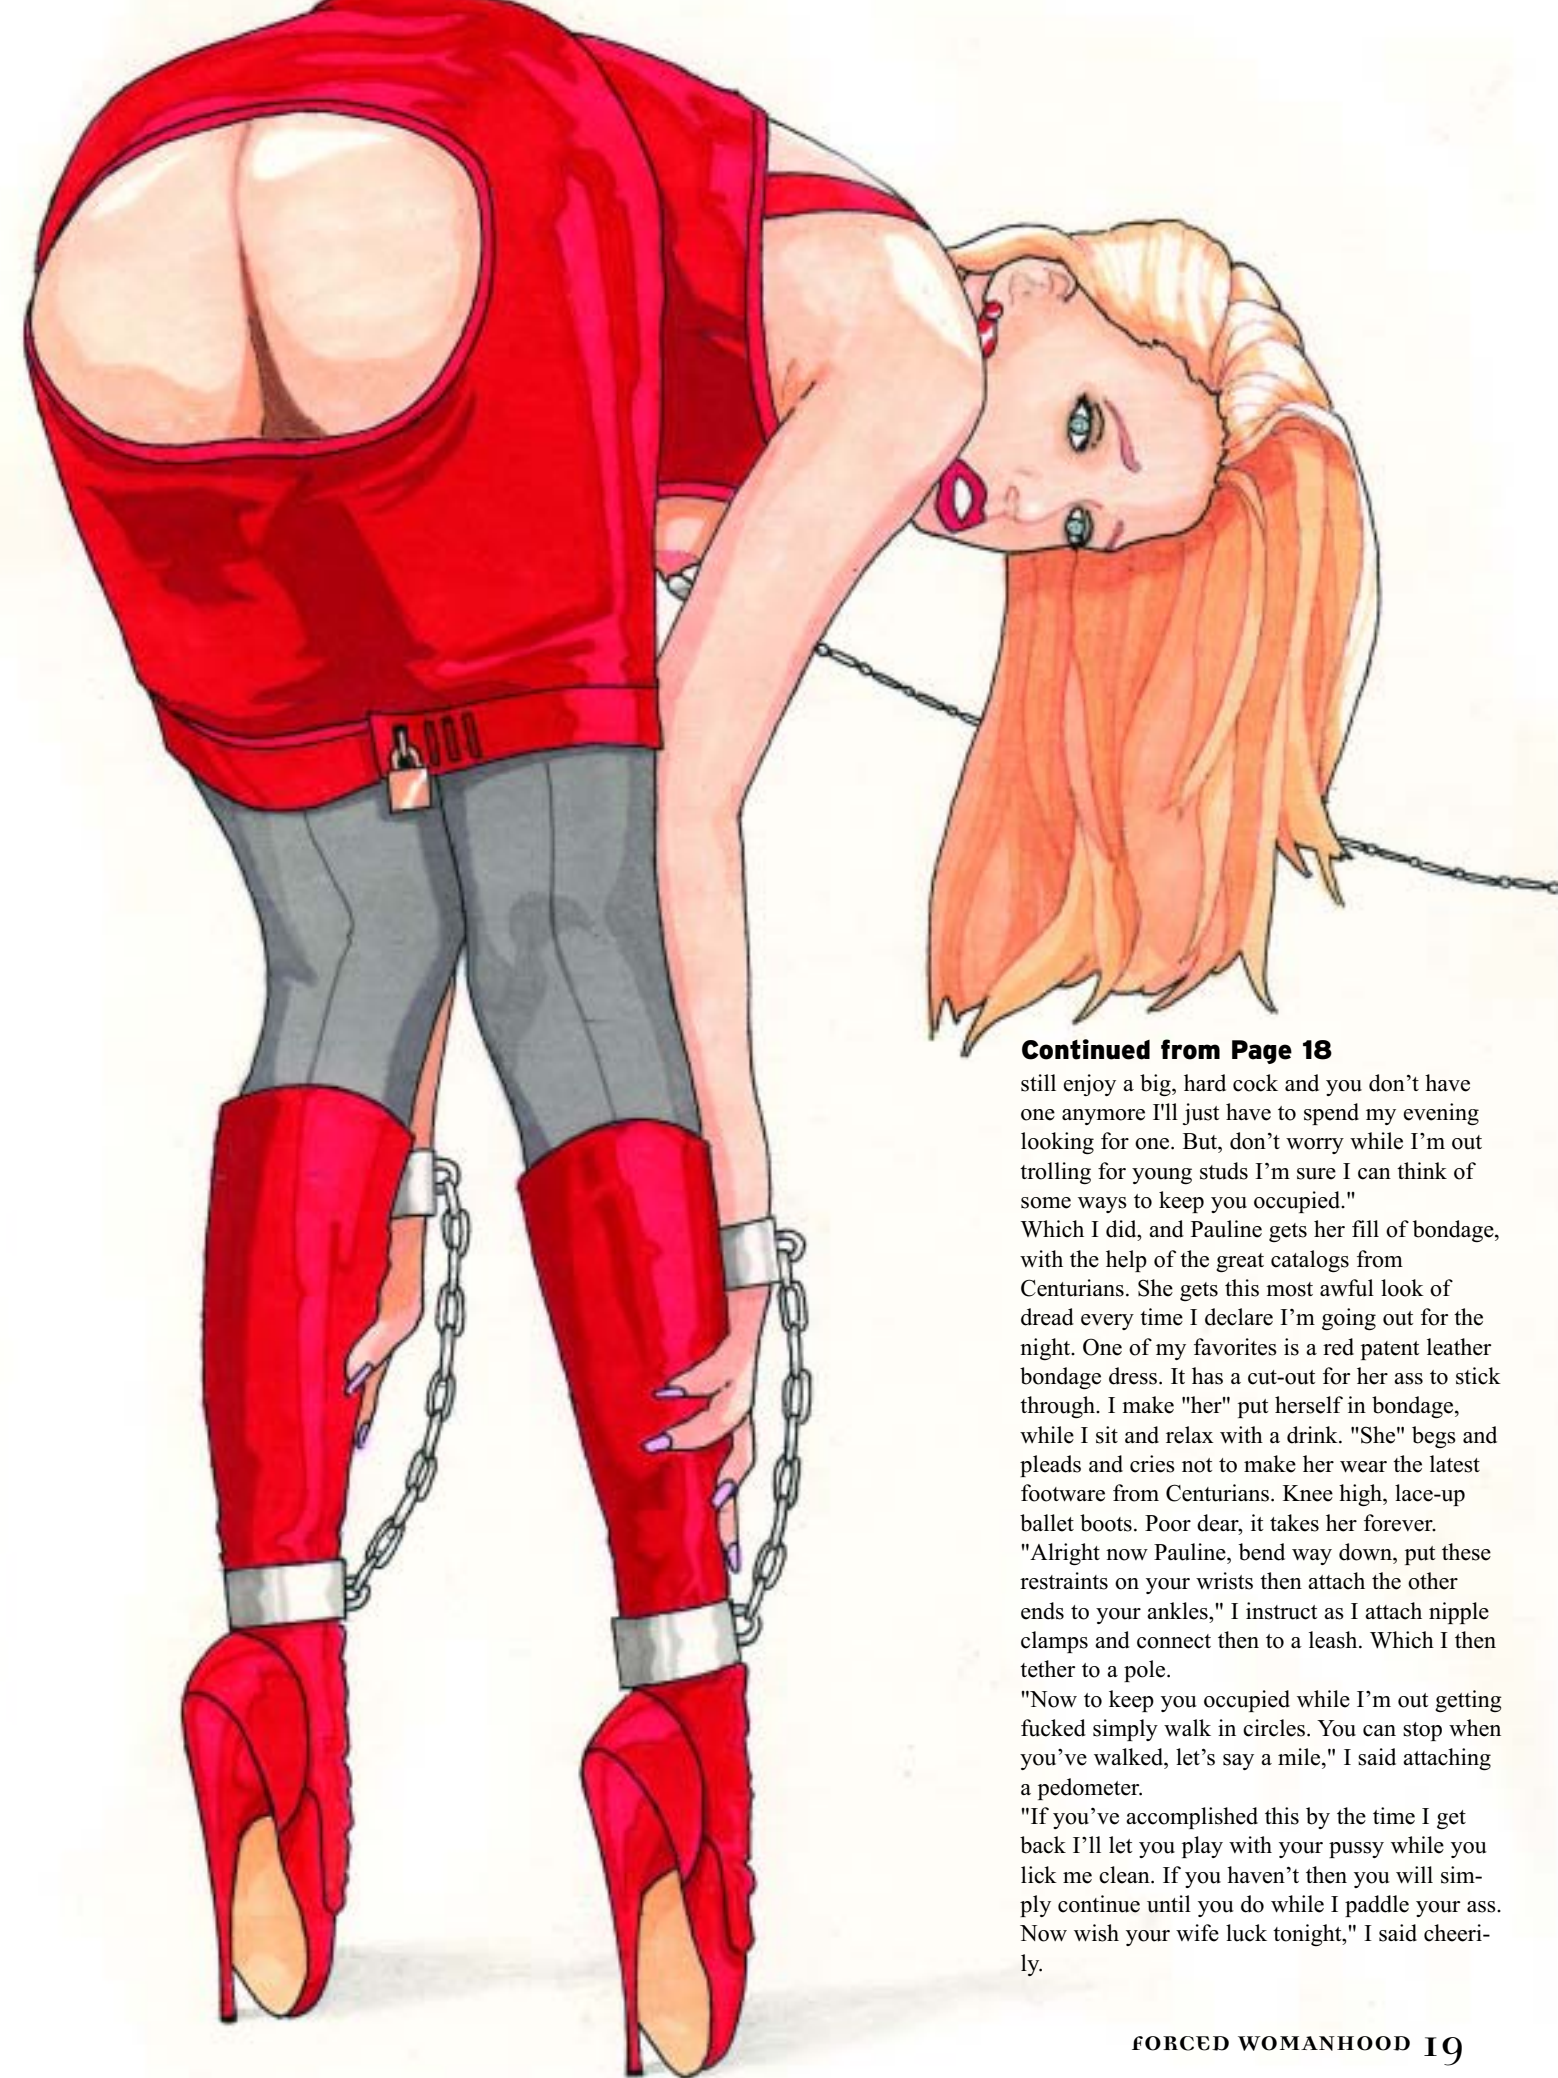

"24/7, you can't be serious?"

"I didn't put a time limit on it, you did!" I gloated, then to twist the knife I added, "And since I

still enjoy a big, hard cock and you don't have one anymore I'll just have to spend my evening looking for one. But, don't worry while I'm out trolling for young studs I'm sure I can think of some ways to keep you occupied."

Which I did, and Pauline gets her fill of bondage, with the help of the great catalogs from Centurians. She gets this most awful look of dread every time I declare I'm going out for the night. One of my favorites is a red patent leather bondage dress. It has a cut-out for her ass to stick through. I make "her" put herself in bondage, while I sit and relax with a drink. "She" begs and pleads and cries not to make her wear the latest footwear from Centurians. Knee high, lace-up ballet boots. Poor dear, it takes her forever.

"Alright now Pauline, bend way down, put these restraints on your wrists then attach the other ends to your ankles," I instruct as I attach nipple clamps and connect them to a leash. Which I then tether to a pole.

"Now to keep you occupied while I'm out getting fucked simply walk in circles. You can stop when you've walked, let's say a mile," I said attaching a pedometer.

"If you've accomplished this by the time I get back I'll let you play with your pussy while you lick me clean. If you haven't then you will simply continue until you do while I paddle your ass. Now wish your wife luck tonight," I said cheerily.

WOMAN TURNS MAN INTO HER REAL GIRL TO BE COMPLETELY OBEDIENT TO HER EVERY COMMAND

Hello Forced Womanhood:

I am writing per your magazine request to tell you that since first reading your incredible magazine over three years ago that it has changed my life to exactly what I'd dreamed of. I was in an adult book store and saw the title of your magazine and it excited me. I bought it and liked all stories of people who changed men into girls. I was dating Aaron a somewhat feminine man. When I showed him the magazine I told him that this is what I want. I said, "I want a complete obedient pretty girl to be my complete slave." I then said, "If you don't agree right now to be turned into my girl slave, then I will find someone that will." And I said, "If you agree, I'll marry you when you have been completely turned into my girl slave and are completely submissive to me in every way." Aaron thought about it for a week and then told me he loved me so much that he agreed. It's now been three years since I started turning (Aaron who is now Ellen) into my obedient girl. I started by giving your vitamin hormones Triple Mammory, Feminique and Estroglan twice daily.

After three years on these he now has pretty natural small size "B" breasts that are soft and nice. I kept him in bondage and started training him to be obedient to my every whim. He was made to wear whatever I told him. I trained him in walking in heels, dressing, makeup, and so on. He's made to wear a slave collar whenever we go out. He has a lock-on slave bracelet around his wrist. He is made to kiss my feet and my buttock to show his obedience to me. If he upsets me in any way or doesn't do what I've told him, he goes into heavy bondage until he begs for mercy. When I come home from work he'd better be wearing the outfit I put out for him and, of course, immediately kiss my feet and tell me he loves me. Last month I went through with my promise to him. We both got married in wedding dresses. When we retired to our honeymoon suite he was so beautiful. He had on a beautiful white bridal outfit under his dress which was a white corset with attached garters to white bride pattern stockings, high heels and a bridal veil. I bound his hands behind him and had incredible sex. But afterwards I pulled out your permanent pure silver

metal chastity and told him that this is my ring of love to you. I proceeded to bind him up. Then I pierced his penis just behind the head and followed the instructions and used your permanent rivets to put it on his penis forever. He then cried as I held him in my arms and told him that he was now mine forever.

DOMINANT WIFE MAKES SUBMISSIVE TV HUSBAND INTO SEXY SHE-MALE SLAVE SLUT

Dear Forced Womanhood:

Christy and I met at a single's bar when he was Charles. Being dominant, I sized him up right away and knew he was just right for me. We went to my secluded house on the edge of town, where I had him strip for bondage sex and was delighted to find that he wore sexy black panties and stay-up fishnet stockings under his clothes. Leaving him in them, I tied his wrists in front of him and had him browse through your magazine and other publications. He was enthralled, and agreed eagerly to spend the night feminized. I put makeup and a blonde wig on him, stuffed a bra and added a corset, and he looked great. He stayed bound and feminized all night, loving my cunt with his mouth and settling for an occasional blowjob. We began seeing each other regularly, and Charles soon gave up his job and moved in as my maid/slave. We ordered all of your hormone pills and creams with natural female estrogen and set about turning him into a lovely she-male. He did the house chores as a chained French maid, switching back and forth from the regular black satin and fishnet uniform to your latex maids uniform with latex stockings and locking 5" red pumps instead of 6" black opera pumps. He was chained and penis gagged in either outfit. I wanted him to get used to having a cock in his mouth, as I had delicious plans for him. Very soon Charles' slender body became more girlish, helped by constantly wearing your Deluster fabric waist nipper that gave his hips and butt a more shapely roundness. His hair was

silkier, his skin softer, unwanted body and face hair disappeared, and his breasts began to form nicely. When he finished his work he would play with his breasts, massaging the fat to the front and teasing his sensitive nipples, until I returned from the office to have him change into one of your sexy she-male outfits and put him in restrictive rope bondage. Things were going along super, until Charlie found that his little prick was diminishing in size. That was fine with me, as I mostly want my pussy tongued instead of prick-fucked. He threw a hissy-fit, so I knocked him out with an uppercut and dragged him down to the cellar, where he stayed for three weeks. I spanked, face-slapped, walked on him in 8" heels, dildoad him night and day, and made him eat my pussy until he almost choked on my love juices. Finally he came to his senses and gave in. Until I was sure I could trust him, I kept Charlie tied and gagged and locked in a closet whenever I went out, and had him do housework on weekends when I was home. I doubled his pills and uses of creams, and gave him female lessons every day. His cock was locked in your non-permanent, non-piercing chastity until it became so small it could only take a FL2 frenum that was put on permanently. His tits were then ready for big implants, and Charles forever became Christy, a gorgeous she-male whom no one suspects isn't a genetic woman. While Christy loves my pussy expertly, I sometimes get the urge for a cock in my pussy, and have a man over. Usually one real fuck is enough for me, and he has to tongue me the rest of the time. While tied and scarf-gagged, Christy looks

on in a brief baby doll and cut-out panties that reveal her tiny silver encased prick. After I am completely sated, I let the man have her for ass-fucking. She is also mouth and tit-fucked, and he cums repeatedly in her lovely face. I love to sit or lie there on the bed in my collar, long gloves and front-zipper red corset and fondle my big tits and pussy while watching the man bind and debase my helpless she-male beauty. Then I finally get in there with my dildo and ream both of their asses. The man enjoys Christy so much (she used to be a man so she knows all that he likes) that he willingly lets me tie him up and face sit him while Christy rests up for our next go-round. It's such fun to bind and dominate both a real man and a she-male at once, and this often goes on for the whole weekend!

SCI-FI LOVING DOMINANT WOMAN MAKES MAN INTO HER OWN SHE-MALE BONDAGE SLAVE/SLUT

Dear Forced Womanhood,

As a kid I loved sci-fi/fantasy comics and movies with near naked men and women chained or tied up. My favorite story was where men were enslaved and transformed into women on a strange planet before finally escaping and changing back to men. My pretty, young, widowed mother (who was more a friend than a parent) didn't mind if I acted out the sci-fi story, binding my male friends, putting makeup on them and combing their hair in feminine styles. Mom thought being all tied up helplessly was a fascinating sensation and was often also my captive, letting me practice knots and various tie-ups on her. It wasn't until I graduated from college with honors and was making my way up the corporate ladder of a large investment company that I discovered your superior magazine and other publications. I was instantly aroused by not only pictures of bound she-males (many in erotic, almost sci-fi outfits) but instructions how to actually turn a man into one with your many hormone pills and creams and tight corsets and stiletto heels. It was just like my favorite sci-fi story, only real and not fiction. The question was: where to find a man willing to undergo the sex change? A month later Clark moved into the next apartment and I had my answer. Slim, femininely handsome, and somewhat tall for the woman I secretly wished him to become, he blushed when I showed him your magazine, then admitted being tied up and dressed like a woman for a week while pledging a fraternity. He was surprised to find he secretly enjoyed it. That night he was tied up in bra, panties, garter belt, nylons and 5" stilettos, hair styled and face made up, and we had sex for hours. We saw each other daily, and soon took a secluded house where we began his transformation. My excellent paying job and shrewd investments ensured that he didn't have to work and could

stay home, doing housework in chains and brief French maid uniform and 6" stilettos. When I came home I had him put on a bondage fashion show for me. I particularly liked the erotic latex

tied him in many muscle-straining ways, spanked, whipped, walked on his cock and body in 7" stilettos, dildoad, hung him in suspension,

and made him crawl in bonds to lick my shoes and pussy. Finally he gave up and resumed his feminization. I locked his prick in a FL3C frenum chastity that prevented hard-ons with heavy pain until it became too small and could only take a FL2C frenum that was put on permanently. Soon his tits were ready for big implants, and Clark became Candy, a stunning she-male whom no one suspects isn't a true woman.

Whenever I get the urge for a cock in my three holes, I have a man over and make tied and gagged Candy watch me have what she can no longer give me. Sometimes I take pity on her briefly and put her in a head harness, blindfold and small gag, with her wrists tied behind her, her big boobs jutting above her corset, her tiny cock in cut-out panties, her long nyloned legs spread and chained, lacy socks on her ankles and #2 Baby Doll shoes with two dainty straps and little girl heels on her feet, instead of her usual 6" stilettos, and she can only hear us having marvelous sex.

After a time we include our bound she-male

costumes, many reminding me of Sci-fi outfits. He slept tied and gagged in long gloves, tight corset, stay-up nylons, and 6" stilettos, to help femininely shape his figure and long legs. I gave Clark lessons in being a woman and made sure he used the creams several times a day and took all of the pills, even grinding up more secretly in his meals. His pert breasts grew, his skin became softer, his body more femininely rounded, and his long strawberry blonde hair more lustrous. Soon he saw his penis was wilting and tried to stop the treatments. Knocking him out with an uppercut, I dragged him up to the attic, where I kept him bound for over a week. I

slave into the sex games, making her lick my pussy and then suck the man's cock while he tit-fucks her. I dildo her ass while the man rests after cumming in her mouth and face, then he's ready to screw her taut ass good, bending her over with her long-gloved arms, tied at the wrists, raised up so he can enter her asshole easily. We bind and sexually torment her in between having sex with each other. It's all such great fun that goes on all night!

ASPIRING ACTOR BECOMES A BONDAGE MODEL-PERMANENTLY

I should never have gone on the interview my agent sent me to. But, I was desperate. "It's not an acting job, they want you as a model for a catalog and video. Do you know anything about bondage?" she asked. I did and it certainly didn't appeal to me. "Too bad. It sounds innocent enough. No whips or S&M stuff, and it pays five grand a month for three months of shooting, and you'd be under contract to promote the video and their products for 50 grand," she said. My jaw dropped, so I went, figuring out I could always turn it down. but, I still couldn't figure out why they wanted me. At 5'6", I wasn't tall, and while I was twenty-three I looked a lot younger. At the interview were four stunning women. I was disarmed by how friendly they were, and puffed up about how perfect they thought I'd be. "Although we would have to make a few minor alterations in your appearance, James," the photographer said. So before I realized what I'd done I'd signed the contract and two days later I was at

a secluded Victorian mansion. For some reason, shortly after arriving, I fell dead asleep. When I woke up I did so terrified. I was in some form of weird bondage device. A sort of cross bar attached to my wrists and ankles. There was a huge ball gag in my mouth. Red, little girl shoes and frilly ankle socks were on my feet. I could barely breathe, my waist felt crushed. My god, I was in a corset! When I looked up there were the four women looking down at me. "Oh god, don't miss that wide-eyed, terrified look. It's so perfect," one of them said. "Try not to be too scared Nicki. Oh yes, that's your model's name, Nicki Kream. You've been out for about a week while we made some changes in your appearance. Here, I'll show you," she said, bringing over a full length mirror. Oh no! This couldn't be me! My face was made-up like a girls. I was now a brunette with a feminine hairdo. I had boobs, then I looked down to see a sheath locked on my shrivelled up penis! "The market we cater to we define as sissies, she-

males and men who, for one reason or the other are being forcibly feminized, with bondage as the central theme. We think you have that perfect sissy look, although to enhance the look we had to give you sissy titties, add five inches to your ass, and reduce your waist by six inches. And so that we don't have to waste time making you up each day your makeup has been dyed on. Nothing to worry about, it's all reversible when your contract is up," she said, to my great relief. "Each new catalog and video has a theme. This year the storyline is that you've been brought to the sissy Mansion to be turned into a sissy and then acutioned off to the highest bidder. the difficulty we'll have is to always keep that scared, terrified look on your face. However, as you'll find, we've become quite good at that. Unfortunately you won't like what we'll be doing, and you're free to beg and plead, but please do so facing the camera. Naturally you won't like acting like a sissy, but when you don't you'll be punished. Or when you've been really

resistive we may force you to suck a big, fat cock. Vanessa, catch that horrified look, it's exactly what we're looking for. Now Nicki, try to remember not to take any of this personally. we really do like you, just think of it as play acting," she said. Gratefully I was relieved when they released me, but it didn't last long. My arms were put into an armbinder and severely laced. A posture collar was buckled so tight I couldn't move my head. Impossibly high heels were put on my feet that I could barely stand in. A leash was attached to the sheath on my penis and I was led into a studio, where it only got worse. Something called a spreader bar was attached to my ankles, forcing my legs wide apart. A chain, dangling from the ceiling, was attached to the end of the arm binder. The other end was clipped to the penis sheath. The ball gag was removed and I stared, terrified, as another gag, they called a penis gag was produced. "Just look at that expression! Priceless. Oh my

they do struggle so the first time they're penis gagged," the photographer dispassionately commented. I sweated profusely under the hot lights, not able to move a muscle as I was photographed from every angle. When they broke for lunch her assistant asked, "What do you want me to do with her?" "Oh, just leave her as she is, I'm not quite finished, and we'll be back in an hour, or two," I heard the photographer say. When the day was finally over the photographer patted my head, like I was some pet, and said, "You did really well, Nicki. I know the first day is always hard, but it will go much easier on you if you just keep repeating, 'I'm a sissy' over and over to yourself." I hated it, but I learned to act precisely like the sissy they wanted me to be. I didn't have any choice. I was never so relieved when they announced that the catalog and video were finished, but my relief

was all too short lived as I was reminded that the contract I'd signed included promoting both for the rest of the year. I was then loaded into the back of a van. I had no idea where we were when the van finally stopped. Blindfolded I was led into a room, where I heard a voice say, "Go over her head to toe, get her accessorized and up on the display table. The room is already nearly full." Sometime later I found my self chained to a pedestal, then was blinded by lights as the curtain in front of me was pulled aside. "Ladies, let me proudly present sissy of this year. The highest bidder will be able to claim her at the end of our promotional tour," I heard an announcer say. All I could think is that I should never have gone on that interview.

DOMINANT MASTER MAKES CLOSET TV INTO GORGEOUS SHE-MALE AND HAS "HER" WATCH HIM HAVE SEX WITH BLACK GIRLFRIEND

Dear Forced Womanhood,

Being shy, I practiced self-bondage and feminization alone in my apartment. I was cheered by your magazine and other publications of glamorous she-males in bondage and would daydream about having a Master or Mistress to bind and dominate me. At last I got the nerve to send a photo of myself to your Readers Column, and that's how I met Master Karl.

We began seeing each other, and he insisted that I always be dressed and made up—even ordering me to drive to his small, isolated house like that. He loved tying me up just as much as I loved being tied, and I was bound the moment I walked in his door until it was time to leave. We even went out in public with my arms tied behind me and hidden by a coat or sweater. Soon I agreed to quit my job and move in as his slave maid.

Things were wonderful for a time. Karl convinced me to become a she-male and begin taking all of your many hormone pills with true female estrogen and also use your creams. I did the chores in a sexy black latex French maid uniform, fishnet stockings and 5" opera pumps, either red or black, my wrists and ankles in cuffs and chains and a ball gag in my mouth.

When Karl got home from his high-paying job, he would have me dress in one of the many erotic outfits from your Transvestite and Transformation cata-

logs and then really tie me up. I always slept that way, often with a real penis gag in my mouth for the night, and in 6" pumps and a corset that nipped in my waist and gave my hips and ass a female roundness.

My skin became softer, my hair silkier, my breasts began forming, and my slender figure was more girlish. Then I was surprised to see that my penis was diminishing as my body grew more and more feminine. I begged to stop the pills and creams, but Karl bound me to a door with my long legs spread wide, in only your waist nipper, garter belt, nylons and 6" pumps, and first spanked and whipped me, then raped my vulnerable ass repeatedly. A penis gag muffled my sobs, and I was left standing with a humming vibrator up my butt all night long.

By morning I had realized the futility of resisting. Karl screwed my ass again, then released me from the door. I sank to my knees and obediently took his prick in my bound hands and stuffed it into my mouth, cleaning it well with my tongue and then swallowing his cum. By the time his limp dong slithered from between my red lips it was shiny clean. I was penis gagged and hogtied and stayed that way until he came home from work in the early evening. My lesson well learned, I resumed my pills and creams.

Being "bi," Karl had begun dating Jaylee, a sexy black lady, who sternly gave me female lessons,

swatting my ass and cock and balls with a ruler every time I made a mistake. Your non-permanent, non-piercing pure silver chastity didn't protect my balls and prickhead from the ruler. After what seemed a painful eternity, I walked, talked, and acted like a woman. Jaylee still delighted in binding me and whamming me with the ruler just for fun.

Finally my cock could only take a FL2 frenum that was put on permanently, ending my sex life, and my breasts had large implants. My male identity completely vanished and I became Peggie, a gorgeous, submissive she-male whom everyone believes is a real woman, unless Master Karl decides to show them my tiny prick.

Karl and Jaylee love having sex in front of me while I stand tied and gagged in a sleeveless dress, stockings and 6" opera pumps, a slave collar around my neck. Jaylee is just as expert at cocksucking as I am, stretching it out for a long time before letting Karl climax. She also makes fucking take just as long, and the two enjoy taunting me, as it is something I can never do again. When they are satisfied, they rest and then begin sexually abusing me. I'm mouth, tit and ass fucked by Karl and dildoeed by Jaylee, who also shoved one of my breasts into her twat and rubs its nipple over her clit until she climaxes. The two have their way with me often until dawn. Still, I secretly love all they do to me.

EX-WIFE TURNS EX-HUSBAND INTO CHASTIZED SHE-MALE FOR REVENGE

Dear Forced Womanhood:

I have divorced my ex husband Donald seven years ago for lying and cheating on me. That's when I told my ex-husband Donald, "You are guilty of lying and cheating on me with another woman and Donald you are a criminal for lying and cheating on me and Donald I am going to sentence you to life as my she-male slave. And now Donald I am going to start you on female hormone pills and shots and then in six months you will have your breast implants done to a size 44 double D's and then Donald you and I are going to see my good friend the judge to have your name changed from Donald to Daisy Marie."

And the next morning I told Donald that my new boyfriend was going to help me to put a chastity device onto your tiny little useless penis and weld the chastity device shut tight on your useless penis and the same day I took Donald to get permanent makeup put on her.

"Oh yes, Daisy Marie you will move into your new bedroom and your new bedroom is already for you and I have painted it pink since you like pink. And because we are divorced and my new boyfriend is moving in with us and he will be sleeping in my bedroom with me and you will

address my boyfriend as Master is that clear, Daisy Marie?"

"Yes, Mistress."

"And now Donald it is time for you to learn how to give my boyfriend your first blow job and then you will have my boyfriend fuck you in your ass for the first time. And Donald you're going to like it up your ass and in your mouth and Donald you will learn to like it and my boyfriend is going to keep fucking you all the time and you will give him a blow job all the time as well. And Donald you are going to learn to like his ten inch cock and Daisy Marie you will learn to love his cock inside your mouth and in your ass and Daisy Marie you will also learn how to kiss his balls and cock before you suck his cock. And my boyfriend and I love what I did to you by turning you into our she-male slave for life. And my slave, I am so glad that I have sentenced you to life as my beautiful slave. And we love our little she-male slave she does wonders for the two of us and she does all the house chores plus all the cooking and Daisy Marie is a good little girl.

P.S. All ex-husbands should be turned into she-male slaves for a lifetime because we are their Mistresses and ex-wife's.

Thank-you,

Mistress Rachel

DOMINANT LADY TURNS HER HUSBAND INTO VERY OBEDIENT AND SUBMISSIVE SHE-MALE SLAVE

Dear Forced Womanhood:

I have always been somewhat of a dominant lady. It's either my way or the highway. That's how I convince my boyfriend to be my sissy she-male slave. Either let me turn you into my sissy girl slave or get out!

He loved my dominant attitude and agreed.

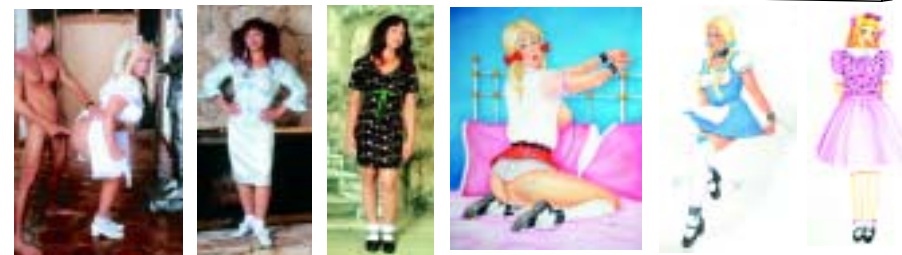

I showed him my collection of your magazines and told him that this was what he should expect. That was two years ago. Now he's fully changed into my pretty slave girl. I keep Kim, that's her new name, bound up at least one or two hours a day, which keeps Kim always very submissive. When I point to my boots or shoes, whichever I'm wearing, Kim almost immediately kneels down and kisses them to show his servitude and obedience to me.

Enslaved Sissy and Forced Womanhood Videos

ENSLAVED SISSY MAID VIDEO #1

This is a story of a beautiful woman who isn't getting satisfied sexually by her husband, so she has extra marital affairs. One night after one of her flings she catches her husband wearing her lingerie.

This gives her the excuse she needs, she yells and screams at him that if he's going to wear women's clothes - they will only be sissy clothes for such a wimp as him.

She begins with binding him up every night and slowly changes him into a complete sissy she-male maid slave through bondage, hormones and breast implants. Then makes him suffer many humiliations of being a sissy slave including satisfying her boyfriends in all ways.

ENSLAVED SISSY MAID VIDEO #2

This video is about a wife who finds out her husband has been cheating on her. She gets so mad that she slowly, through bondage and punishment, turns him into her sissy slave to be humiliated in all kinds of ways. While he's bound up, she forces him to take hormones, get breast implants until he looks like a beautiful sissy she-male slave. She then forces him to suck cock while bound to get her lover hard for her so she can have fantastic sex in front of her new sissy slave. With constant bondage she finally brings in a man to break his beautiful cherry ass and get fucked like the sissy she is.

ENSLAVED SISSY MAID VIDEO #3

This is the continuing story of enslaved sissy Giselle. In the previous movie Giselle was a man, then she turned her husband into a sissy slave. She has now turned poor Giselle over to Mistress Foxy to be thoroughly trained as a sissy slave taught how to satisfy both men and women with her tongue, lips and mouth. That's the only way she can satisfy another because she was chastised permanently so she could never have sex. Poor Giselle is put through an ordeal of various sissy outfits until she is submissive and sweet enough to satisfy both men and women and become a complete house maid to do what ever is demanded of her.

FORCED WOMANHOOD VIDEO #1

This is a serious one hour movie about a wife who catches her husband at the beginning of this movie making love with another woman. She is so furious that she wants to kick him out of the house. Instead he promises to be her slave, not really knowing what he is really in for. Through bondage and discipline she slowly turns him into a she-male slave. Hormone injections, breast implants and finally she chastises him permanently with a metal chastity pierced through into penis. And the finale of this ordeal is her binding her she-male slave to watch as she makes love to another man.

FORCED WOMANHOOD VIDEO #2

A career woman comes home after a long day at work to find her husband slouched over a poker game with his buddy, drinking in the middle of the day and looking at porno mags. The wife, Kat, is furious, she makes up her mind right then and there that she will be the only one wearing the pants in this family and her husband will wear the panties from now on. She even takes it one step further and forces her new plaything into a permanent chastity device so that his cock won't get in the way of her pleasure anymore. Her husband is now a fully chastised she-male forced to serve using those ruby red lips to arouse and stimulate her new lovers.

FORCED WOMANHOOD VIDEO #3

This is the story of a wife and her girlfriend who decide that her lazy husband, who just sits around the house drinking and watching TV while his wife works, has to clean the house and see what it's like to be a woman. They bind and gag him then take him to their dungeon and turn him into a girl. They torture him until he agrees. They dress him up putting makeup and female clothes and shoes on him slowly turning him into a woman. Then they bring a boyfriend over and make their slave find out what it's like to be a woman and satisfy a man.

In practical items, this means that raw ovarian concentrate, for instance, contains a variety of known and unknown intrinsic factors that support ovarian functions in the recipient. The "raw" glandulars are used in Feminant are dehydrated by a special process which insures they contain all of the enzymes and hormones that are present in the natural tissue. One of the key elements provides 200mg of raw ovarian concentrates to assist in the production of the essential hormones, FSH [follicle stimulating hormone] and LH [luteinizing hormone].

These hormones perform basic biochemical and physiological changes in the female body, including increasing breast size and softening of the skin.

Other changes include development of special glands in the fallopian tubes and uterus to promote ovum implantation, enlarging of the pelvic area, faster extension of bone growth, decrease in bone growth period and mild retention of protein and calcium.
