Huh
...Franky?
Why are
you here...
Also why are
you only
wearing
boxers?

Oh...
Thats because...
you see I was on
my way over here
when I got splashed
with a ton of water
and I used your a terrace
to dry my clothes
but the wind swept
them all away
while I was
in the bathroom

I....See...

I better head out and find my clothes see you guys later

Did Franky seem nervous to you Loid?
Yeah... He wasn't his ussual self for some reason

BY TSF AI

To Be Continued?

So Anya~ how was school today? Did you make lots of friends?

This isn't Mama...! It's Mr. Franky! Why is he wearing Mama's skin!?

U-uh... School was... okay.

Oh no
it's Loid...
Stay calm just
act like Yor!

This is actually the perfect opportunity to test the suit and mess with loid

I just
got to play
the role of
house wife
should be
easy enough

Welcome home darling~ You must be so tired

I missed you today my dear husband

...Y-Yor? Are you feeling okay today?

Oh don't worry darling I'm just a little tense...

I'll feel much better... if my wonderful husband would be so kind as to give me a foot massage~

...A...
foot
massage?

Hehehe...
let's see if
the great
Twilight can
say no
to these
legs...

...Alright
If it'll help
you relax
I don't
mind

Mmm~ Loid... you're always so considerate

It's the least I can do You've been working so hard lately

Hehehe... unbelievable The great Twilight down on his knees massaging my feet! This suit is amazing

Papa…
That's not
Mama!!
It's Franky!!
But if I tell him…
It'll ruin
everything!

Oh
Loid~
don't be shy
Go a little
harder...
right there

Well... maybe I just want to be pampered by my husband tonight~

...Yor you're being unusually forward tonight...

Mmm...
You know
Loid...
my shoulders
are awfully
tense too
A quick shoulder
massage
would feel
amazing right
about
now~

You really are tense tonight Yor

Heh...
gotta admit
my shoulders
actually were
stiff...

I mean...
no wonder
carrying around
these huge things
all day
would wear
anyone
out

Thank you Loid... I feel so much better now~

Heh
...Who knew
getting
pampered
in this body
would be
this good...

I'm going to the bathroom for a moment to freshen up

Don't miss me too much while I'm gone~

Heh...
This tech
is insane
I really am her
right now

Her tits are so heavy... no wonder my shoulders were sore

I should really use these curves to really mess with Loid... He won't know what to do or think

Hah...
who knew
being Yor
could be this
much fun?

I'm home~! Anya and Loid did you two eat yet?
Y...Yor? But I thought... Didn't you just go to the bathroom?

Eh?
No...
I was just out running a quick errand

Crap...
Sounds like
the real Yor
is home

No... no...
I gotta get out
of here
NOW!

Yes...
This will work... She won't find me in here...

I have to get this suit off quick then

I need to be quite... If they hear me while I'm taking the suit off I'm a dead man

I'm going
to miss
this body
for sure...
But as long
as I have the suit
I can be Yor
whenever
I want

...Almost there! Just a little bit more

Almost...
Almost...
just a little
more and
I'm free

Phew...
I can't take the suit with me right now so I'll hide it in Anya's room for now

I'll have
to make sure
that no one
finds it
until I can come
back tomorrow
and collect
it

Okay… think Franky… what excuse could possibly explain this?!

I'll have to hope I can talk my way out
