Franky Wears Skinsuit Of Yor Part 3

Hmm...
So this is the suit that Franky used to turn into Mama

It looks
just like Mama!
Spy gadgets
are so
amazing

Since Franky was able to turn into a perfect copy of Mama by wearing this does that mean...

Before I test it for myself... I need to make sure Mama isn't home

Huh?
An unknown number is calling

Hello~
Who is
calling?
It's
the Garden...
We have a
job for you
Thorn
Princess

I see... What is the target?

We can't share that information over the phone... You will need to travel to Italy right away to meet the client

I see...
Understood
I will leave
immediately
.....

You're going to Italy?

Yes...
It seems
that the person
who was originally
meant to go
has fallen ill

Ohh...
I see...
Thats a
shame

Perfect! Mama will be away for a few days

Seems like he bought my excuse... I can't tell him it's actually a job from an assassin organization

Woah!
Mama is so
cool!

When I wear that spy gadget suit I will become Mama so that means I will also be an assassin!

Huh?
A text with
random
numbers
and letters

Lets see
it says
"go to this
resturant
to meet with
an important
informant"

Seems like Papa also needs to head out... Perfect timing

30 minutes later

I think I got everything I need

I need to catch my flight~ I will see you two in a few days

Bye bye Mama! Take care and have fun in Italy

I need
to get going
as well...
Franky will
come over and look
after you until
I get back

Make sure you behave and listen to Franky

I will make sure to behave! Bye bye Papa

Now
I can finally
put my plan
into action

Hi
Becky!
It's Anya...
I have something
incredible
I want to
show you

Yeah...
It's nothing silly I promise...
It will let you get closer to my Papa if you wear it

Perfect! Becky will be here soon... I need to get ready

Okay... Loid and Yor are both out...

This is the perfect opportunity to get that suit of Yor back

Time for me to become Mama!

Come on Franky you can smuggle the suit passed one little girl... Don't be nervous

Ahhh...
Just need
the face to
align

Everything already feels soo different... Almost got it

Phew...
That should
do it

Seems like everything is perfectly in place

I just noticed my voice sounds exactly like Mama's voice

I really turned into Mama!

OMG!
I have Mama's
huge boobs
now!

I have the body of an adult!

Let me get up first before I explore more of Mama's body

Huh!?
I'm being
pulled down
by Mama's
boobs

How am
I even suppose to
stand up
with this extra
weight constantly
pulling me
down?

Okay...
Okay so far
so good...
Just stay balanced
Anya...
Don't fall

Focus Anya... Don't get distracted by the new sensations and feelings

Phew!
I did it...
But just
standing up
in this body
is tough

How was Franky able to navigate and walk around as Mama with such ease?

Shoot!
I got distracted
and leant
forward
slightly

I can't stop it! I'm falling forward

I guess it is going to take some time to learn how to move around like this

DING!

Huh?
Ohh that
must be Becky
she got here
earlier than
I thought

I need to distract Anya and get the suit fast

FRANKY? What are you doing here?

YOR!? Weren't you suppose to be on a plane to Italy?

Shoot! I forgot that Papa asked Franky to watch me

Ohh... Erhm... There were some last minute changes

Crap!
Now it will
be even harder
to get the
suit back

Ohh...
I see...
If you want
I can still
watch Anya
for you

Oh no... I'm loosing my balance again!

Watch out Franky!

I am so sorry Franky... I must have tripped over something

Franky are you okay?

Is this a dream?

Please tell me you aren't hurt or anything

Yor... Could you get off me... I can't get up

Ohh! Of course... I'm so sorry for falling on top of you Franky

Huh? Something is poking through your pants Franky

Crap!
I got an erection from Yor sitting on me

Huh?

What is going on here!?

You're Anya's mom! What are you doing with another man that isn't your husband

Shoot! What bad timing
Wait Becky it's not what you think

Please let me explain everything
Wait Yor! Please watch where you are stepping

ARGHHHH!

My jewels... Have been... Crushed

No...No..
Nooo...
I'm loosing
balance
again

Stop!
Don't you
dare move
closer

I can't stop! Please move Becky!

Oh no...
I'm soo
sorry Becky
I'm not used
to having
such big
curves

Gwet...
Yur... Bwest...
Owff my
Fwace

A few moments and a quick explanation later

Wait so you're actually Anya

Exactly!
I'm wearing
a super cool
spy gadget
that turns
me into
my Mama

As you can see it's a suit that turns the wearer into a perfect copy of my Mama

See!
Isn't this
the coolest
thing you've
ever
seen!?

WOW!
It's actually some kind of disguise!

So it turns the wearer into your mother! Do you think it would work if you wore it together?

Hmm...
I don't know...
In theory
it should
probably
work

In that case... Lets test it together

Yes!
Lets test it together and then we can both be my Mama

I got the head! Make sure to stay very still Anya

So now I just adjust the skin around the face... Correct?

Exactly Becky... Just pull until the face fits

Ohh!
I think I
almost got
it perfect

Ahhh...
Phew...
Did you do it Becky?

I think so Anya

Wow!
I feel
so different
now

I know
right!
It's a crazy
feeling

Ahh...
Ahhh...
Testing...
1...2...3

My voice and my body are really the exact same as Anya's mother now

Wow!
Her breasts
are heavy!
No wonder
you couldn't
control your
balance in
this body
Anya

Your mom's breasts look and feel a lot bigger up close! I'm surprised I didn't get knocked out when these mellons hit me

Is this what Loid wants in a woman? Is he into huge boobs?

What is it Becky? I didn't catch that

With my body and voice an exact match of Anya's mother then I would techniqually be...

I'm Loid actual wife right now!

Sorry Becky it's hard to hear inside here can you repeat that

Becky?
Can you
hear me?

You said your real mother is going to be away for a few days right Anya!?

Yes...

BY TSF AI

Perfect!
I will pretend
to be your
mother for
the next few days...
So I can
spend time together
with my
lovely husband
and make
him happy

What
have I
done...
