Franky Wears Skinsuit Of Yor Part 4

This is all still so crazy we actually look just like your mother now Anya
Anya agress with Becky! Anya is excited to play around together as Anya's Mama

I can't wait to.... Huh... Wait! my legs won't move... Help Anya I'm loosing my balance

Huh? What is going on Becky?

What happened? Are you okay Becky?

I'm fine Anya... I just forgot that you are the one wearing the legs

Can you please move the legs so it's easier for me to balance

Sure thing Becky! Leave it to Anya

How is this Becky? Perfect right!

What kind of pose is this Anya!? This is not helping us balance at all... Just sit down for now

Sorry about that Becky... I can't see anything from in here so it's hard to move correctly

I can see that! Uhh... We need to cordinate better or we won't get anywhere in this body

Listen!
Since you're holding my legs on your shoulders... Move the same foot you feel me move on your shoulders

Ohh!
Thats a great idea Becky!
Anya will do exactly that

Now
that we have
a system...
Moving this
body should
be easy

Finally we are back to standing up straight

How are things looking out there Becky!? Did Anya move the legs the right way

It's working fine for now Anya! But remember to always follow my lead understood!

Understood! Anya will follow your orders Becky! Now what should we do first as Mama?

Uhhh...
Hopefully Anya won't get in the way of me spending time with her dad while pretending to be his wife

Meanwhile in the hall outside the appartment

I can't believe Yor just fell on top of me and then she stepped right on my crotch

And the worst part is that there is no way the real Yor is home already

So it has to be someone who found the Yor skinsuit I left inside Anya's room! I'm getting it back!

DING
DONG

Huh!
Thats
the doorbell...
But who could
it be?

Was
that the
doorbell Anya
just heard
Becky?

WOAH!
Steady Anya!
Move slowly
forward
okay!

Sorry
Becky! But
Anya is excited
to see who
is ringing the
doorbell

Uhh
Can I help
you sir?

Sir?
It's me Franky
I babysit Anya
all the time for
you and Loid...
Don't you
remember
me ''Yor''

Ohh
right Franky!
Sorry about that...
I've had a lot
of things on
my mind
lately

Ohh
is that so!
I'm here to
look for something
I might have left
last time I was
here

I won't take much of your time "Yor"

It's fine feel free to take your time looking around for the thing you lost

Does he know I'm not the real Yor? Surely he has no idea

I don't recognise him but his name is Franky

Did you say it was Franky who rang the doorbell?

Shoot! Franky was the person that wore this skinsuit of mama before us

The person wearing the skinsuit of Yor right now has to be Anya

Anya should still be home at the moment right Yor? The thing is she might have taken the thing I left here... Could you get her for me

Ohh... Right!
Erhh... Let
me go get her...
Just give me
a few moments
Franky

This is not good Anya! He definitely knows that we are not the real Yor
Shoot... We need a plan quickly to get out of this situation

A plan...
Hmm...
Wait a minute
he only mentioned
you Anya

Huh...
How does
that help
us Becky?

I don't think he knows I'm also here... Which means he probably thinks you are the only one wearing this skinsuit

If thats the case then we might have a way out of this situation after all

Anya is not sure she understands what Becky is saying

It's very simple Anya! All we have to do is first remove this skinsuit

Arghh...
I thought
putting it on
was hard...
But taking it
off is proving
equally
hard

Hurry
up Becky!
We can't let
Franky walk in
here

I'm trying my hardest! But this thing is super tight around the face

Phew... Finally got it off

Great work Becky!

Now
let me get
down from your
shoulders
Anya

Anya
you need to
go out and keep
Franky distracted
while I wear
the skinsuit
of your
mom

Understood!
Anya will keep Franky distracted while Becky wears the skinsuit of Mama!

This is perfect! When Anya leaves the room she would have taken the skinsuit off and then I can just walk into her room and take it back

Then once I have it back I will never let anyone else get their hands on it again

Hi!
Mama told
me you wanted
to ask me about
something
uncle Franky!

Hi there Anya! You see I'm looking for something I lost can I look in your room?

Sure!
But Mama
is also in Anya's
room looking
for the thing
you lost

So this is what wearing the legs feels like

It feels nice to finally wear the whole skinsuit myself... But I need to hurry up

Huh...
This time it was
a lot easier to wear
the skinsuit...
Maybe I'm just used
to it at this
point

Once
I open this
door I'll
finally have
my skinsuit
of Yor back

I let
go of the face
a bit to quick...
But it sounds like
I did it right

It sounds like I did it just in time to show Franky that the "real" Yor is indeed home

Ohh
I'm sorry
franky I forgot
to ask you what
it is that you are
looking
for

I guess
my head really
is a bit in the
clouds
today

YOR!!!

But...
How... Why...
What are
you doing
here?

Come
on don't tease
me so much Franky...
You asked me to
help you look for
something
remember

Oh...
Erhh...
Sorry Yor
maybe I left
the thing at
my home

I see...
I hope you
find what
you're looking
for

Yeah...
I hope I find it soon...
It's really important

There is no way the real Yor is back already... But if it isn't Anya wearing the skinsuit then who?

I guess I have no choice but to use my plan B

You did it Becky! He had no clue that you're not actually Anya's Mama

Becky...
Are you
feeling
okay?

I...
I did it...

Ehhh...
Becky you can take the skinsuit of Mama off now that Franky is gone

Take the suit off? Now why would I ever do that Anya

I've finally become Loid's wife and this time I have control over the whole suit

How did Anya not seen this coming

GAAAAAA!

I'm not going to take this skinsuit off any time soon... After all if I did that I would loose this body that Loid loves

Wait
Becky you can't
just keep it
for yourself!

Ohh...
And how would
you stop me?
I'm a lot taller
and stronger
than you now

Sorry Anya
but I need to
get more aquinted
with my new body
before my dear
husband gets
home

Finally some privacy to get a perfect look at my new body

I need to get used to having this mature and curvy body
So how about I start with getting undressed first

Wow...
Her tits... Well
I guess they
are mine now...
They look
even bigger
without the
sweater

From the moment I first saw Yor... I felt incredibly jealous of her incredible curves

I thought there was no chance I would grow up and have a body that could even come close to rival hers

But look at me now! I have the exact same body and even the exact same voice as her now

HOLY
COW!

These things are beyond big! They are massive... And not to mention very soft

These are breasts women only dream about having
And I'm sure most men dream about feeling a pair this big

And it's not just the breasts that have volume to them

Lets
get out of
these pantyhose
and take a proper
look at what
I am now carrying
around in the
back

Oh my... Look at this huge ass

I never thought that exploring my new body would be this exciting

So this is what Yor's body looks like in it's naked glory

Before
I get ahead
of myself
Lets
see what kind
of outfits Yor
has that I can
use to seduce
my dear
Loid

Meanwhile at Franky's place

Since whoever is wearing that Yor skinsuit... Seem to be wary of me

I'll
simply just
have to use one
of the other
skinsuits I got my
hands on

I'm glad I got this skinsuit of Camilla... One of Yor's work colleagues

With this
I can easy
get closer to
the fake Yor and
look for the perfect
opportunity
to take the
skinsuit
back

Though I would probably need to do something about the real Camilla just in case

Thankfully my long term friendship with Loid.. Who is master of disguise has taught me a few things

But all of that can wait until I'm done wearing this skinsuit

Phew...
I think that
last strech
did the
trick

Let take a good look and see if there is anything wrong with the skinsuit

Woah...
What a view...
I didn't get
to take a good
look at Yor's
body

...This is my first time being in a naked female body... Her breasts are smaller than Yor's breasts

But they are far from being small... And they feel so soft to touch

This is crazy... I can fondle these big tits all I want and no one would know

But as much as I would want to play around with this body

I can't
let myself get
too distracted
until I get that
Yor skinsuit
back

I have to focus on getting that skinsuit back from whoever is currently using it

But
after that
I wouldn't mind
spending a long
time playing
around with this
body

Meanwhile back at the Forger resident

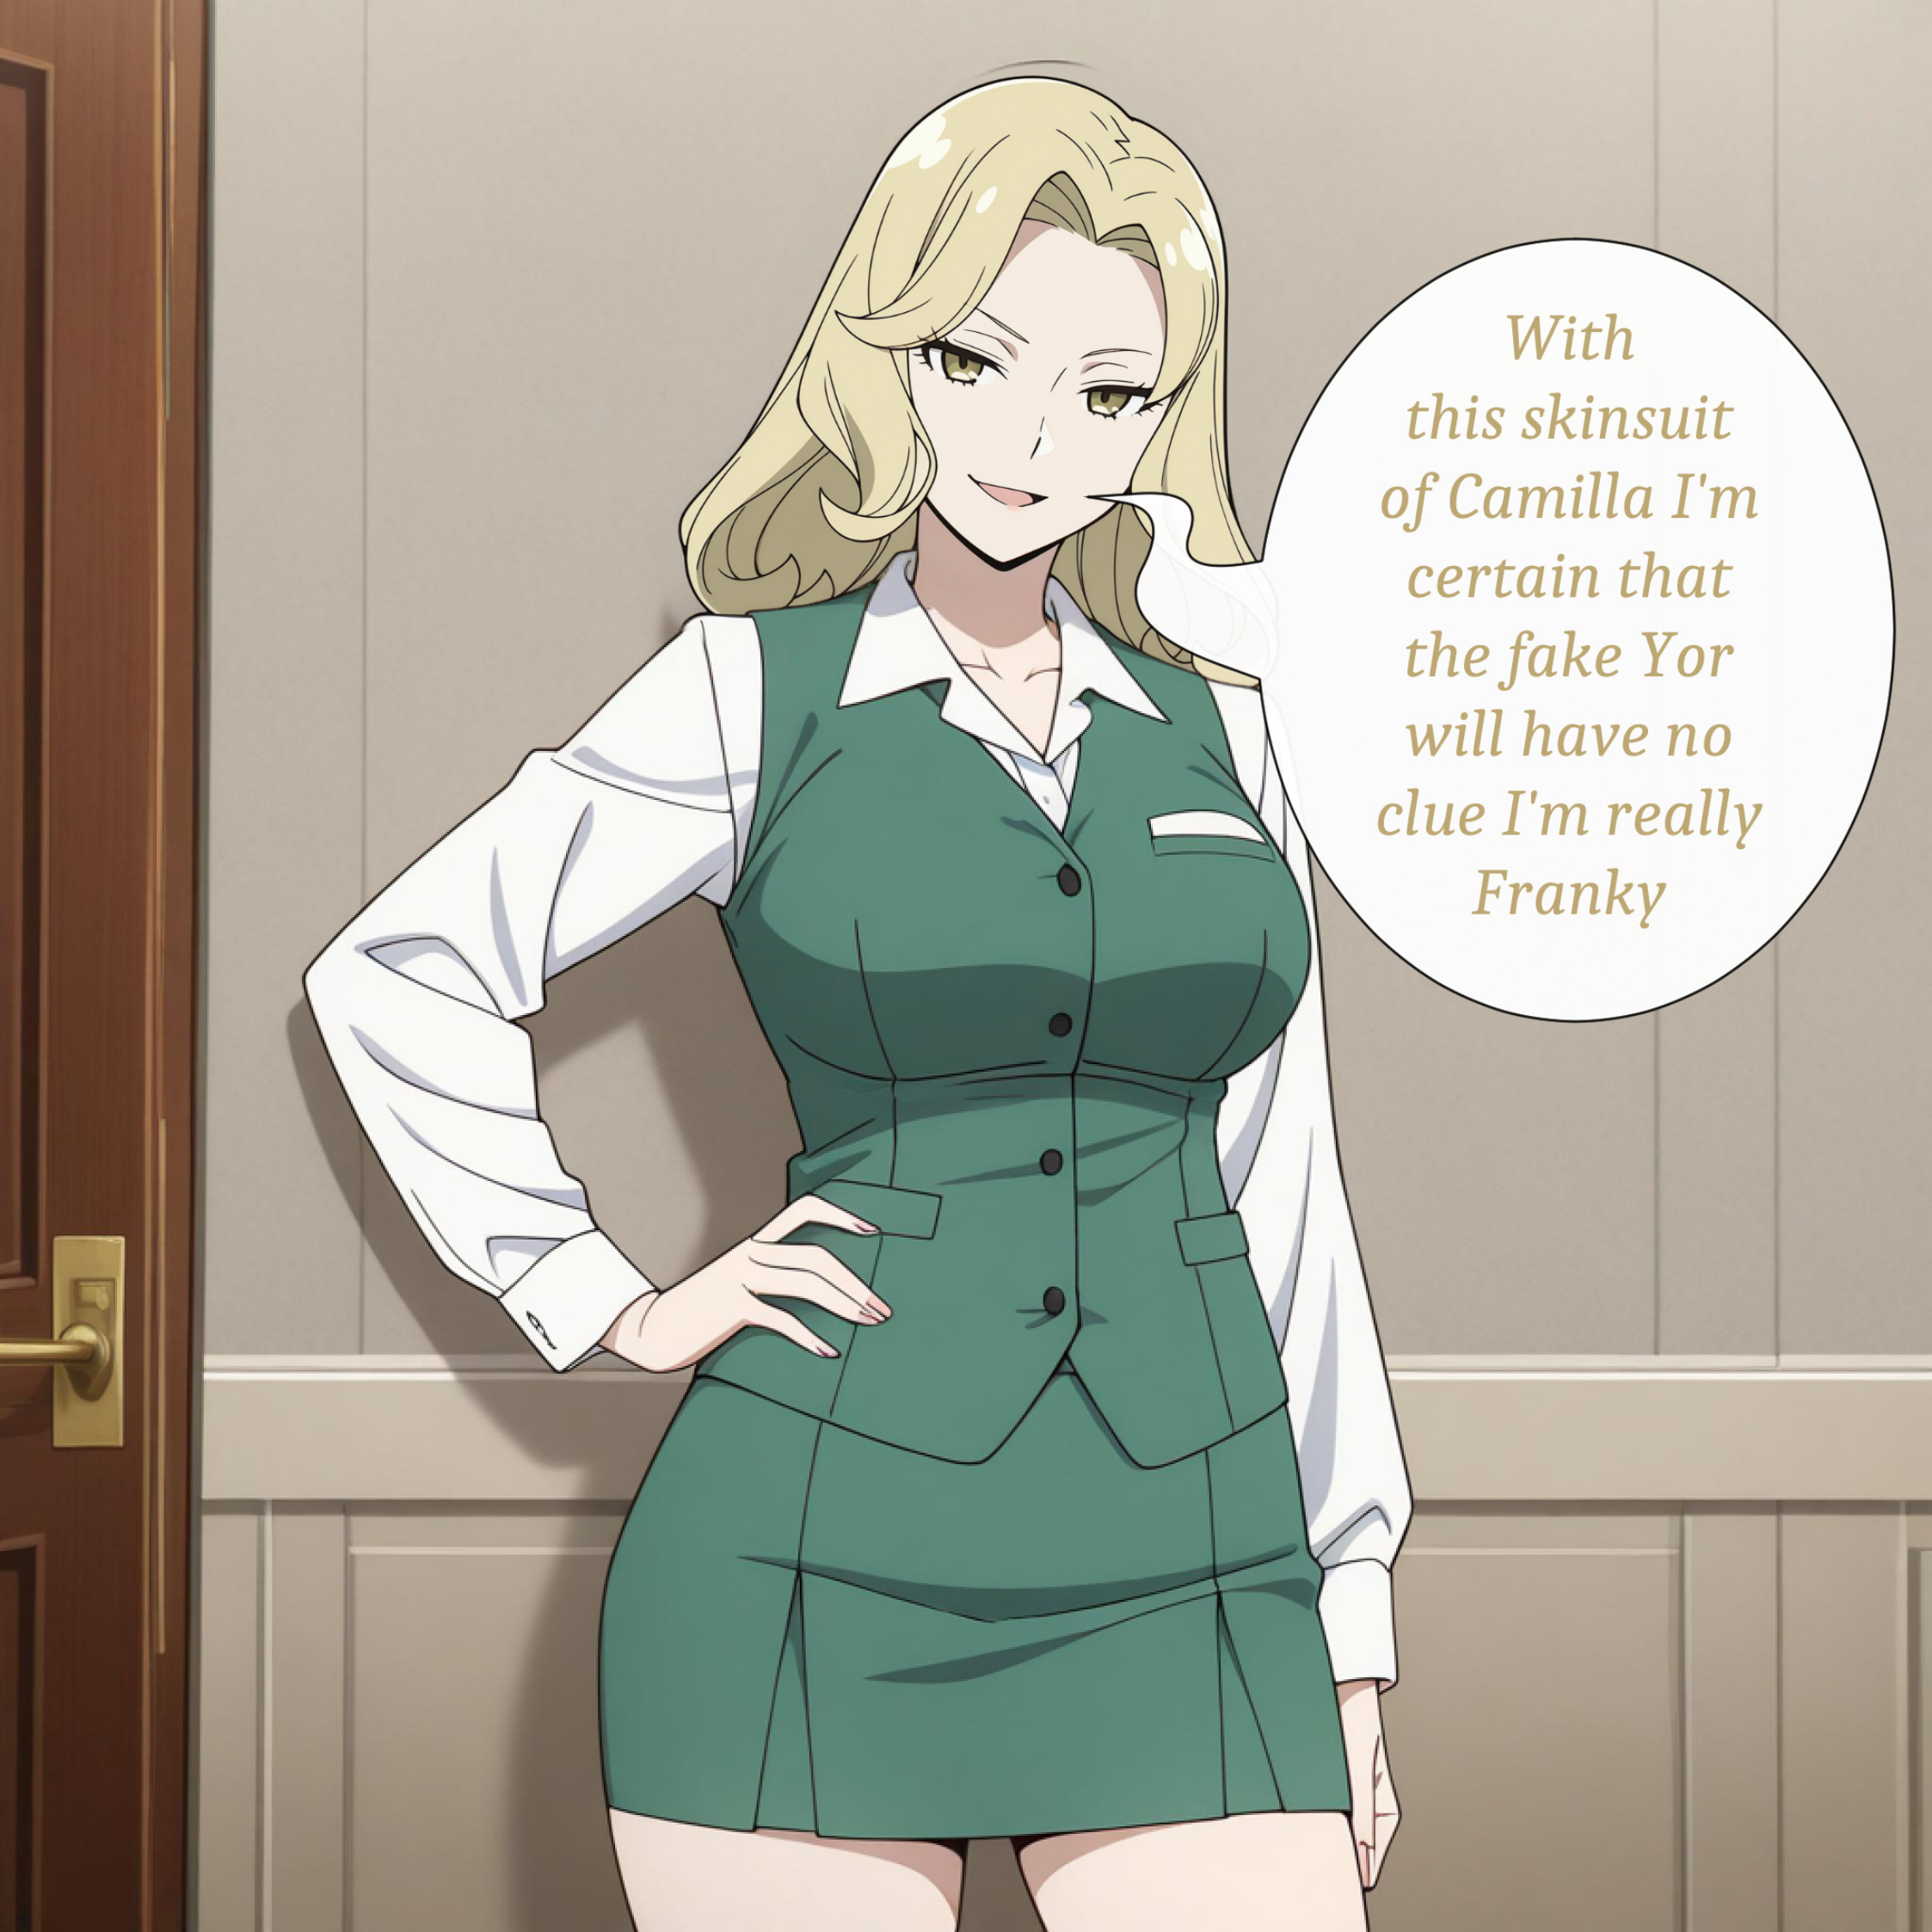

Woah... Is this some kind of cosplay? It's soo easy to move in this outfit

Wait!
Could this
be something
that Loid enjoys?
Hmm... Maybe
he likes when
women dress a
certain way

If thats
the case...
Then I'm certain
this outfit
will make him
very excited

Outfit should be perfect... Thank god I got a copy of her work uniform just in case

With this outfit my disguise is 100% complete

With this skinsuit of Camilla I'm certain that the fake Yor will have no clue I'm really Franky

Time to pay my dear work colleague Yor a little friendly visit

A few minutes ago at an undisclosed location

Hmm... Very intersting... I'm glad that out of the 852 listening devices I planted in Loid's home... 4 of them were not found

So Franky was wearing a skinsuit of Yor and now this Becky person is the one wearing it

That means if I get my hands on that skinsuit and wear it... I can be Loid's wife

.....

I'm getting that skinsuit back
I need that skinsuit no matter what
I'm never taking this skinsuit off
