

FREE HYPNOSIS SESSION

By TGedNathan

And after the party I was like: "you don't know me" you know?

It was one wild party last night, if you know what I mean.

Yeah, it was wild man!

Oh no...

don't tell me that's another scam artist over there?

Oh my god, I can't think of that embarrassing day when I...

wait... what was it again?

Anyway, thank you so much, here is your payment!

You're welcome! Have a nice day.

WOOSH!

Why are you like scamming people with those cheap tricks?

WHEP

You're a dirty gypsy, you know that?

I understand that you're sceptic about what I do.

Inception?

There is much misinformation about hypnosism. It's a lot more like the movie "Inception".

Yes. you see, your mind is made out by various layers of consiousnes.

FAIL...

What I basically do is change one simple core belief or idea in your deepest layer of your mind.

Your mind will fit that idea to make it all sense, like dominos falling one by one.

POINT!

Tss... you are full of lies. Is that a story you tell others to get in your pants?

WOOSH!

Jeesh... you're one nasy bitch...

Me? A bitch? Says the lady with public hair on her head!

Great joke, isn't it?

Yeah... really funny...

Haha...

You know what?

I'll give you a hypnosis session for free!

That way we can figure out whether hypnosis is real or not.

Haha, sure why not.

Let's begin! Look into my hand...

As long as you're looking at my hand, you'll feel relaxed and believe everything I'll tell you.

You believe you're a man. That you've been born and raised as a boy. When you look at yourself you only see your illusion of your manly body.

What the hell is this gypsy talknig about? She just tells things that are just plain obvious!

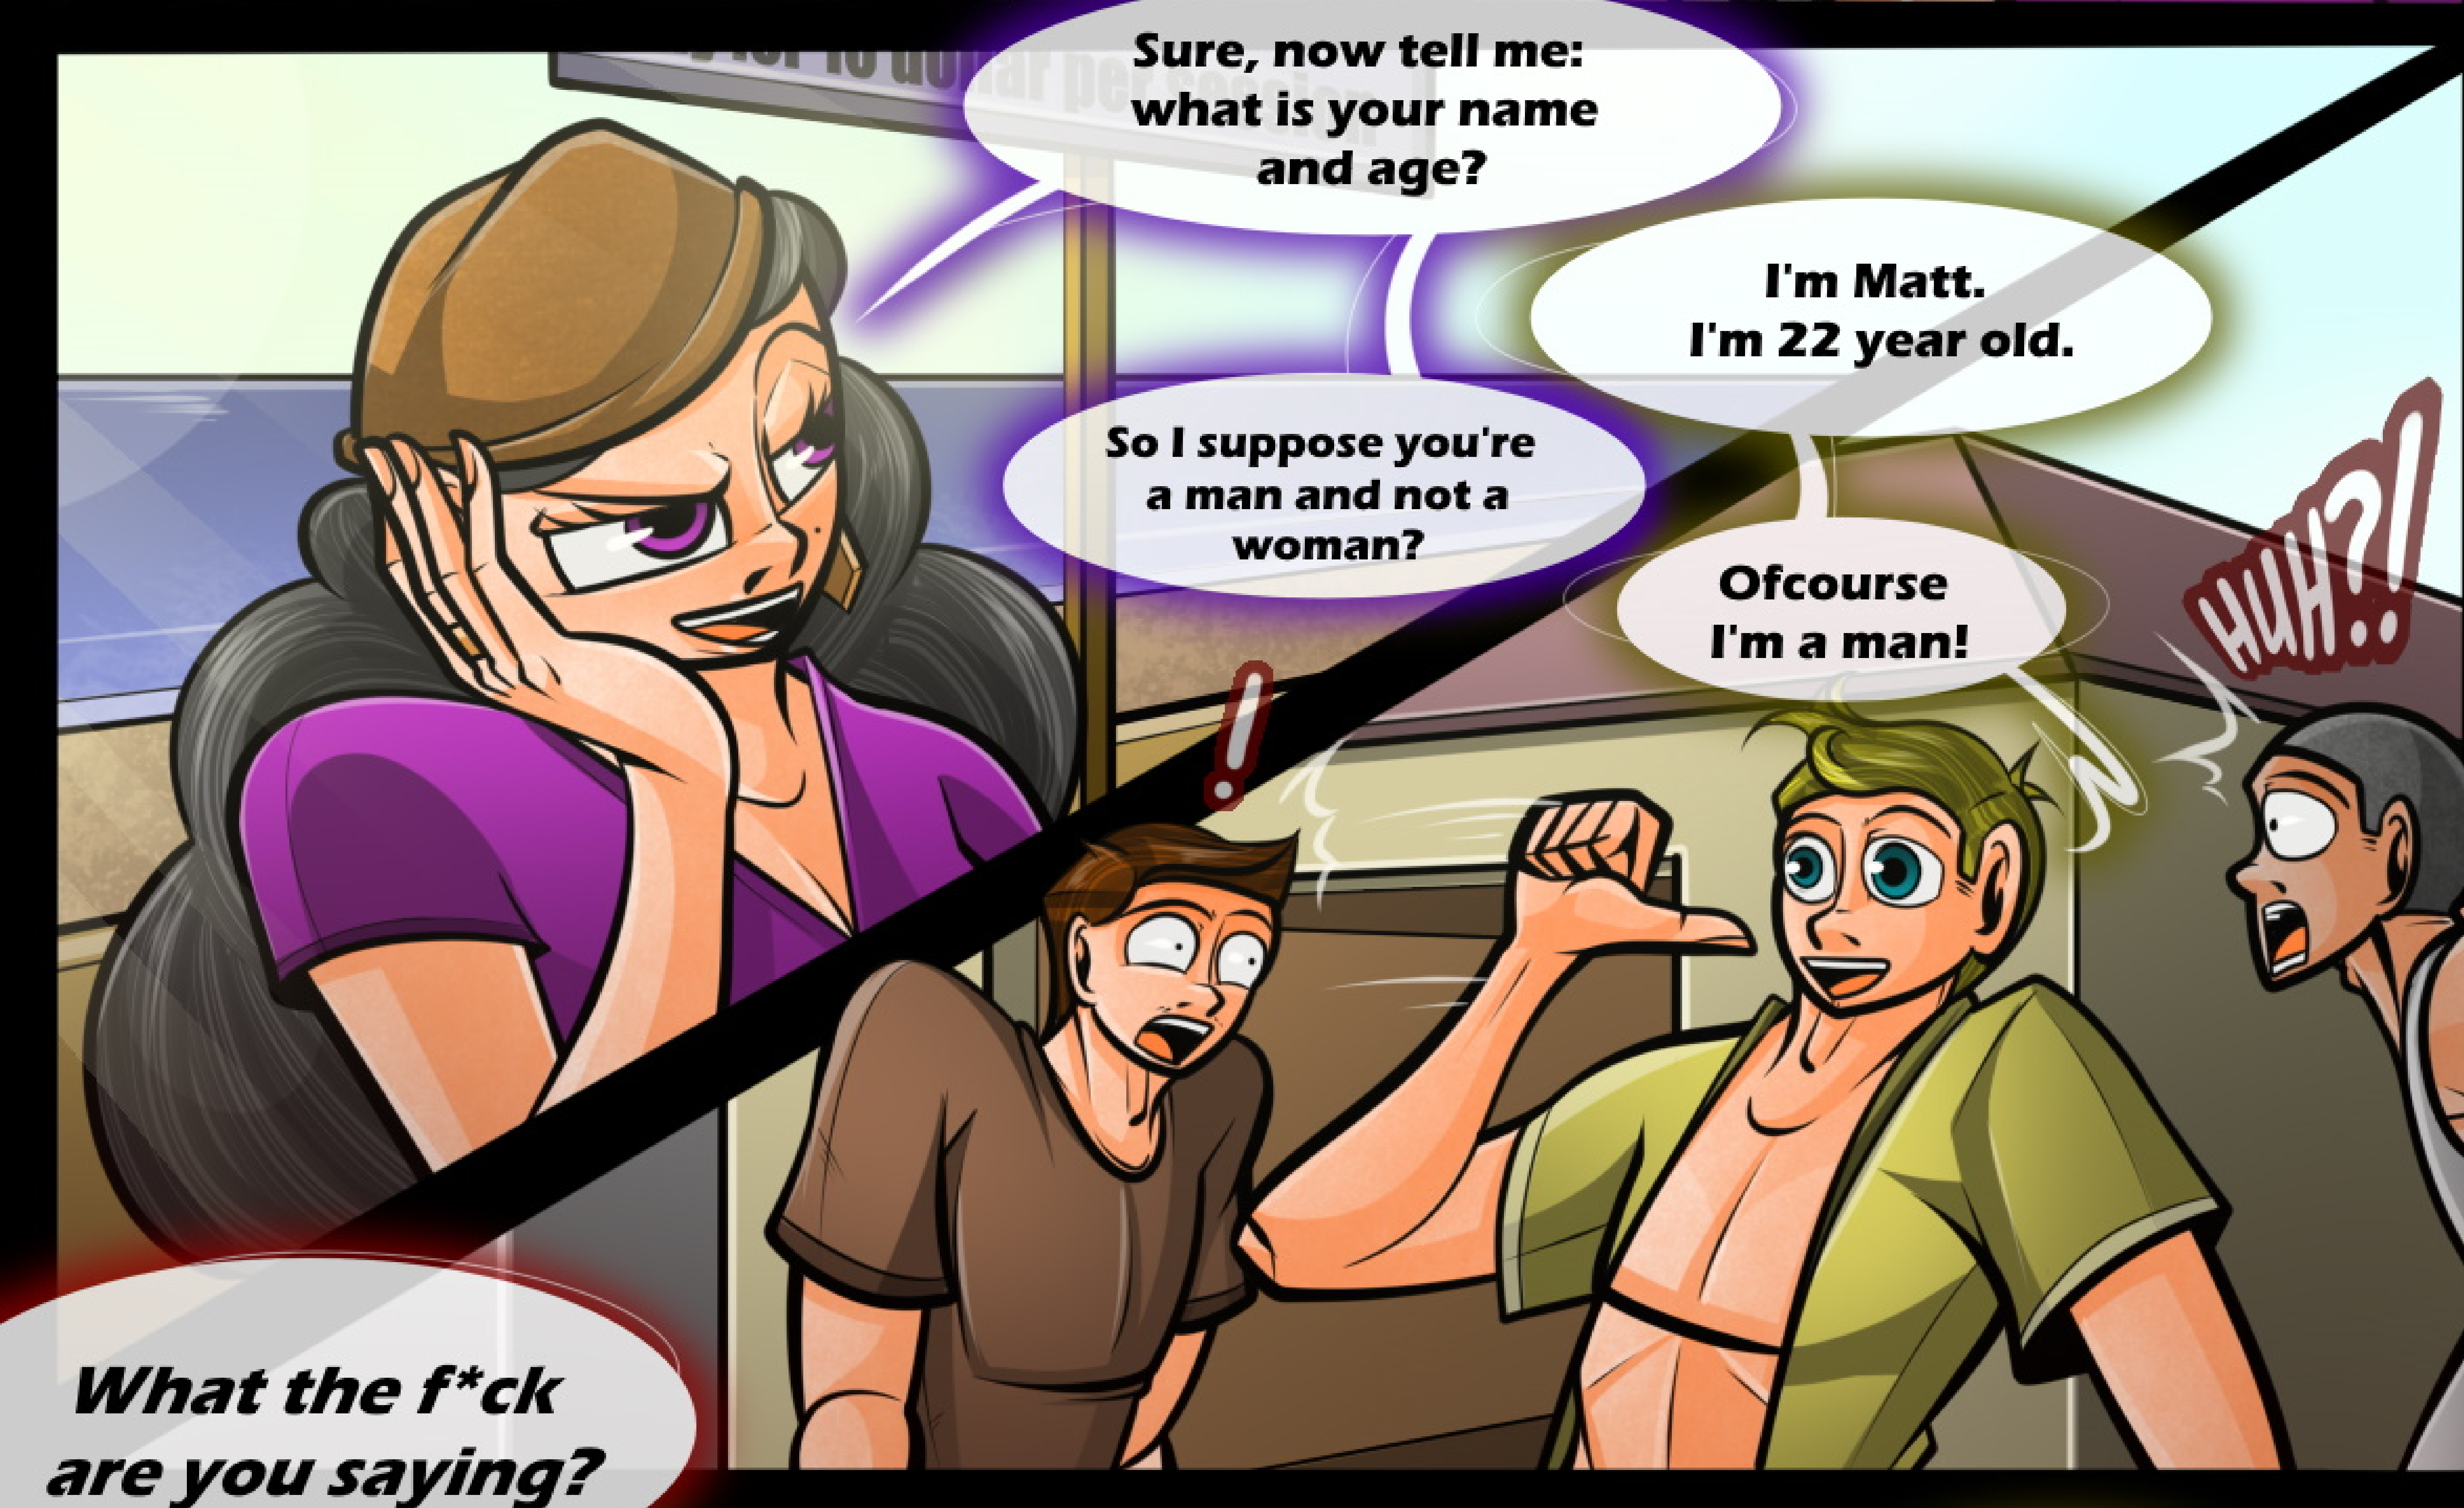

And... done!

I knew it! You're such a lying hack!

WHA...

Point!

Sure, now tell me: what is your name and age?

I'm Matt. I'm 22 year old.

So I suppose you're a man and not a woman?

Ofcourse I'm a man!

HUH?!

What the f*ck are you saying?

Huh? What is wrong fellas?

Point!

You're completely sure you are a man? I mean... look down.

Ofcourse I am! What crazy drugs are you guys on?

Twirl...

What the hell woman!
Change my girlfriend
back to normal. She
thinks she's a dude!

PULL!

Nothing is wrong man,
I already told you she
is a total hack!

Huh...?

Sure, I'll
undo your friends
hypnosis state...

...for a part...

Krrr...

Uhm...

Look into
my hand...

You will
believe the next
thing I'll tell you.

When you've stopped looking at my hand, you'll see yourself as you've always has been...
