«Whoa Diane, I would have never expected you to actually sleep with Marc last night. I thought you were into more athletic men!» Bob said to Diane in front of him.

«Me neither...I think the alcohol got me this time...I would not drink that much anytime soon!» Diane replied, kind of confused about the event too.

«Or maybe you really wanted a dick that night» Bob winked.

«What? No! What are you insinuating you pervert?!» Diane replied, annoyed.

«I just mean that you are a dick-craving slut, nothing more. This isn't an insult, just something I realize. I mean, I am sure you would like to play with your tits in front of me to tease me» Bob replied calmly.

«What? Fuck no, I am not this kind of girl!» Diane added, seconds before she let her hand run on her shirt sensually, grabbing her bra and pulling it up and down to make her tits giggle.

«I guess you want me to make them bounce like this?~»

«Yes, that's perfect! They feel so soft, I want to

fondle those babies!» Bob said, going behind her, his hand sound cupping her tits.

«They...are...so good! I hope you don't mind me doing this?»

«Not at all, they are just boobs, no harm in letting you play with them. Here, feel them all natural~» She added, taking off her shirt, and letting Bob run his hand on her bare skin.

«I never expected you to be this nice to me, Diane. I am really enjoying this» Bob smiled, focused on her boobs so much, that he barely made any sense when he talked.

«We are just the two of us since our friends are looking for Marc in the city. So, if you want...I can help you to relieve the pain your erection is causing you under your pant. I can give you a titty job, then a blow job if you want» Diane said, going on her knees in front of Bob, which smile got wider and more stupid than ever before.

«Don't worry, we are friends, this is just a dick, a mouth, and some tits, this is ok~»

«Oh damn, if ever I knew I would get worked on my personal part by Diane one day~» Bob sighed, enjoying the feeling of Diane's assets on his member.

She sucked on him for a moment, her tits becoming slightly red from the friction.

«I am...I am about to come!» Bob suddenly said, Diane immediately gulping down the whole dick inside of her mouth, deep throating until she could barely breathe.

She waited for a little like this until Bob finally released his cum inside of her.

She finally let him free, getting the last drop from his tip, before gulping it down whole, with a little smile on her face.

«I...I guess I really wanted to do you, I am not usually this quick to let me play on my like this...especially titties jobs...I don't really enjoy working my boobs on the other's dick...I really think I wanted to do it this time» Diane added, going back to her clothes.

«Does it means, I have my chances to nail you soon?» Bob asked, still playing with his member to get it hard again.

«What? No way, I am not this easy! I am for Marc for now, in case you forgot the news that he was supposed to keep a secret!» Diane replied, looking at Bob wanking his member, her bra in her hand, ready to put it on.

«Stop looking at me with this smile, you creep me»

«I just mean...Marc disappeared this morning, if I heard the story well from yourself, as you woke up alone on his bed. So...we can totally do it now» Bob explained.

«I can't deny such a fact...well, this changes everything then, you convinced me! Where do you want to do it?~» Diane smiled, throwing her bra to Bob, before coming back to him.

«On Marc's bed?»

«On your own friend's bed? That's naughty...I love it~» Diane purred, taking Bob's hand before heading toward Marc's room.

Once they reached it, Diane jumped on the bed, looking at Bob, biting her lips in anticipation.

«Well, we are there. What do you want to do? Do you want me on top of you? Or you nailing me from above?» Diane moaned, stretching on the bed like a heated cat.

«I want to see those boobs jumped everywhere, ride me like a cowboy!» Bob replied, leaning on the bed.

«And one cowgirl for you then~» Diane moaned, sliding Bob all the way inside of her pussy.

They fucked the whole afternoon, not realizing the time was going on, as they reached a climax over climax, Diane's inside soon squirting Bob's cum out from being full.

When they finally ran out of breath, they looked at the clock on the wall and remembered their friends were supposed to be back anytime soon.

«Oh my gosh...this was...» Diane started to say, trying to get her breath back.

«Wonderful? The best sex you ever had?» Bob tried.

«No...yes...I mean...I wasn't really into you but... weirdly, I wanted to do you» she replied, concerned.
«Don't talk about our little time with each other, ok? I don't want them to believe wrong things, I am not like this, it was just...an impulsion»

«Ok ok fine...as long as we do it again sometimes» Bob added, reaching for her tits.

«I think soon enough, I will miss them»

«I don't know...I have to think about this... I enjoyed it, but...I don't know» she said, heading to the shower. On her way, before she reached the door, she froze for a moment, before turning back to Bob.

«You have a shower to take too...you know I like to save water for the planet, so...Want to share the

shower with me?~»

To this obvious invitation, Bob couldn't refuse and gladly followed her for yet another quicker passionate time in the shower.

Later, at the end of the afternoon, the two were back in the living room, dressed and clean as if nothing happened.

They heard a knock on the door, and seconds after, their group of friends entered the house, with bags of groceries in their hands.

«Finally fucking home!» Ethan said, looking at Diane and Bob on the couch.

«You too acted like responsible adults while we were struggling to carry all those stuff?»

«Wait, you did groceries? Weren't you supposed to look for Marc?» Diane asked, concerned about this turn of events.

«Marc? Nah, don't worry for him, we know where he is, and lucky him, he is in a really comfortable place we all would like to get into» Alex replied in place of Ethan, a huge smile as he looked at Bob, that answered him with an equally huge smile.

«So...you two...we weren't too long? You found something nice to do?»

Friendly Confusion

Bob and Diane helped the two others to empty the groceries, the 3 men laughing between them whenever Diane wasn't there.

Everyone went back to do whatever they wanted for some hours, until Ethan knocked on Diane's door, before entering.

«Hey Diane, we are going to play some poker. Wanna come?» Ethan asked a deck of cards in his hands.

«Hugh...I don't know how to play it, so be gentle, ok?» Diane replied, following Ethan toward the living room where the others were already seated.

She looked at the group of men and realized Marc was back there.

«Marc! You are back! Where have you been this whole time? And...Alex doesn't want to play with us?» she asked, seeing Alex wasn't there.

«Me? Oh, I was in a very pleasant place...I wish to go there more often, hahaha!» Marc laughed, the other laughing with him, making the whole situation very weird to Diane that didn't understand anything.

«And Alex, he is where I was earlier, he will be back, don't worry»

«By the way Diane, are you ok to play with us?» Bob

said, with a smile on his face.

«Since we don't have any money, we are playing strip poker. Is that ok?»

Diane first got a surprised face hearing this, and was about to reply was the negative, her face clearly showing what she thought about this.

She then turned to a more thoughtful attitude, before smiling back at Bob.

«That could be an interesting challenge! And as I said to Bob earlier, those are boobs, that's natural, and I have no shame to show them. But, it is if I lose before you, of course...which won't happen, I hope!» she replied.

«So let's go!»

«We knew you were a cool girl» Marc smirked.

«Being my friend has some benefits~» Diane replied, pushing her tits under her shirt.

Bob distributed the card, and they began the first turn.

They all played what they had to, and at the end of the turn, Diane was the one that lost.

«Oh damn...I just can't fake...I am so bad at Poker, hahaha!» she laughed, taking off her shirt.

«Ok, ready for the second turn!»

Friendly Confusion

After only 9 turns, Diane was fully naked, while all the other had removed barely anything, except a shirt or two.

«Oh damn, I am so clumsy, I have nothing else to take off if I lose!» she said with a sad pout.

«Well...time to introduce some forfeit then, if you want to keep playing with us of course» Bob added, a smirk on his face.

«Of course, I am not into losing, I can do this all day!» Diane replied immediately, holding her boobs together, legs wild open on her shaved pussy.

«Hey, I understood that reference! I didn't know you were as much of a nerd as Alex! You are full of surprises!» Ethan said, looking at Diane's pussy, unable to stop to look at it.

«And you haven't seen everything~» Diane winked, closing her legs.

«So, what do you want to do now if someone loses?»

«What about the one winning dare the loser to do whatever he wants if they have no clothes left?» Bob proposed, looking toward everyone, receiving nods of approval even from Diane.

«Ok then, let's continue»

They did another turn, where Ethan won, and Diane lost again.

«Yeah, I won!» Ethan exclaimed, looking toward Diane.

«And you lost...so...I dare you to suck my dick»

«Huuuum, a fare dare. Ok then~» Diane smiled, going between Ethan's legs, sliding his member down in her mouth, working on his member until he finally came. «You finished quickly! And so much...I can barely gulp everything in one go...Uuuurgh»

«Well, you are kind of a fantasm on the campus, everyone dream of having a go with you. This, plus I never expected you to be this good!» Ethan explained, his hand going down on her tits, playing with them sensually.

«Especially because of those babies, they are so nice to play with»

«I am quite proud of them too, can't get enough whenever I give myself a little happy time~» Diane smiled, glad about the compliments.

«As for the other...experience, that's it. Ok, next turn so?»

«Yeah, Bob, reshuffle the cards, let's do another round» Ethan said, still recovering from this pleasurable time.

Friendly Confusion

They started another round.

Ethan almost lost way less focus since his balls were emptied, his post-nut clarity and sudden need to sleep, hitting him like a brick in the face.

«Oh no, I lost again! You guys are too good!» Diane said, looking at Marc.

«So...want me to suck you too?»

«Nah, I had enough with you yesterday. But, I do have a little gift I want you to try. It is right there!» Marc replied, pointing toward a bag of clothes.

«Ok! What is it?» Diane asked, picking the clothes from the bag.

«Oh, a bunny costume! Nice! Are you sure it is my size?»

«Don't worry about that, I am sure it will fit you again» Marc added, realizing he said a word he shouldn't have said.

«Wear it, and do a lewd pose. I will take some pics to remember it»

«Weren't you already recording me sucking on Ethan?»

«Yep, for souvenirs» Marc smiled, getting the camera ready to take some pics once she could be done.

«Now go dress, and come back later»

Some minutes passed before Diane came back in her

bunny suit.

«Hello, boys...How am I?» Diane asked, posing for the men to look at her.

«I told you, perfect fit» Marc added, taking pictures with his phone.

«Whoa Ethan, why are you naked?» Diane asked as she posed.

«We did another turn while you were away, and I lost them all...I am not really focused since your work on me» Ethan explained, covering his member with his hands.

«But now that you are here, I can focus again. By the way, I am a little cold...dare to sit on me and stuff this into you? I am the only one that never gets to taste the inner you»

«Huuuum, a dare outside the poker? Ok ok, I can help you then I guess» Diane smiled, coming toward Ethan before sitting on him, making sure he got the time to slide himself inside of her before really sitting down.

«Are you feeling better?»

«I feel like I am wearing something now... you smell so nice, and this bunny suit is so exquisite» Ethan added, his hands running on her body.

«Thanks for the gift Marc, it was an amazing choice. Ethan...how are you so hard this quickly? I feel your member filling me inside all the way..This is amazing~» Diane moaned gently, moving her hips slowly.

«Will you be able to focus enough if I...move my butt on your legs like that...sliding you back and forth?~»

«I...will ...Try... This is so good, the college whore... fucking a nerd like me» Ethan managed to add, reaching out to grab the cards held by Marc next to him.

«I should say, so far, making out with any of you felt way better than any boyfriend I had before...I want to hang out more often with you if this means we can keep doing...this~» Diane moaned, sitting whole on Ethan again, making their body clap.

«I wonder...we are 3 since Alex isn't there...I wonder how it is to have you all at the same time in me~»

«Wait, you want us to do-»

«A foursome Ethan, yes. I want to be filled from everywhere...don't you want to try that? It would seal our new relationship forever~» Diane explained, waiting for the approbation form the other.

«This, I can't agree more. Let's celebrate our new and wonderful group relationship by nailing you» Marc

happily replied, looking everywhere in the room.

«But we can't do this here. From what I saw on some videos, a bed would be more comfortable»

«Alright, let's get to it! I am so excited! And not only because Ethan was hard inside of me» she winked, sliding herself away from Ethan, before heading toward her bedroom, closely followed by the 3 men.

«Here we are...so who goes where?~»

«I was not finished, I am still blue balled!» Ethan said.

«To be honest, I spent a whole night already with her, so I will go to the back entrance» Marc added.

«And personally, I love to see your cute face sucking me balls deep...I'll take your mouth» Bob concluded.

«Ok, so first Ethan you lay down, I will mount you. Then Marc come from behind, and I will grab Bob's part with my head...let's dance~» Diane smiled, making sure everyone was in place before she moved in.

They all went inside of her the way they described it, making Diane moan loudly, but not for long when Bob filled her mouth with his asset, as they started to move all together, spending the rest of the day making sure Diane couldn't handle a single more drop of cum.

The next morning, Diane went to take her morning breakfast with the others, that were already all around the table, talking about last night to Alex that was now with them.

«Morning Alex! Where were you yesterday? You missed something! Glad to see everyone here at once, it never happened since the beginning of our weekend» Diane said, happy that nobody was missing this time.

«Eh Diane, I missed yesterday, but my morning wood doesn't want to go away now that they told me what happened yesterday. Dare to take care of it, sweetie?» Alex smiled.

«Oh no please, no more sex, my pussy is still stiff from yesterday, and I can barely walk...give me a rest first» Diane replied, sitting on the nearest chair, trying to find a comfortable position that wouldn't hurt too much.

«You can still use your mouth. Come on, your fresh protein shake of the morning!» Alex added, coming toward her, taking his member out.

«Tssssss, okay...» Diane sighed before gulping down Alex's dick.

«We were talking about this with the boys before you came, but we would have never expected you to be so into a group of nerds like us, and even to form this kind

of group relationship» Alex told her, his hand on his head, gripping her hairs.

She finished him, and once she received his load, gulped it down with a smile.

«I would have never expected this either...I thought of you all like losers before but I don't know why...now I am so happy that we have this kind of relationship! Since you asked me to come with all of you this weekend, I did things that surprised me, felt like it wasn't me, not gonna lie. This crept me, especially the first time I slept with one of you, so Marc when I started to get all seductive toward him. But now I realize it was all because I wanted it because it was me and only me» Diane added, cleaning her mouth from the remaining drops left.

«So now...I guess I have to break up with my boyfriend so I can spend more time with you, or do you want me to keep him doing those things in secret?~»

«If you break up with him, we can do this whenever we want, you can go sleep at one of our places whenever you wish» Marc said, a smile on his face.

«I guess you are right, I will do this!» Diane replied, excited about this new situation.

«I have to prepare to go back home, the weekend is almost over. Can someone help me to get up? I have still not recovered from yesterday...»

Friendly Confusion

Page 9 - by ARIBETH

Alex helped her, and she headed toward her bedroom, before coming shortly after with her luggage ready.

«Alright...I guess it is time I go back home. Thank you all for this amazing and unexpected weekend. It was fun to hang with you, we should definitely do it again» Diane happily said, a huge smile on her face, giving a sweet little goodbye kiss to each of the guys.

«It definitely was! It was a pleasure to have you with us!» Marc replied.

«Yeah true, one of the best weekends I had so far!» Alex added.

«You go, girl! It was perfect» Ethan stated.

«And if you ever feel horny...you can call any of us you know» Bob claimed, grabbing gently Diane's butt when she was in reach. «I can't have enough of you, haha!»

«Don't worry, I definitely will, I loved it too~» Diane confessed, before heading to the door.

«Oik guys, my taxi is here! Thanks again, and see you soon!»

She closed the door once she was out, and the dudes looked at her hoping on her taxi and finally driving away from them.

«Marc I never thought I would say this but...you are a genius» Alex pointed out.

«Do you think she realized something?»

«Absolutely no chances. Thanks to the costume gun, you can't know if someone is wearing you if you decide to let them be

conscious during the whole time. And judging by what she said to us, you impersonated her well enough when taking full control, as she is 100% convinced it was her own actions, under her own will the whole weekend» Marc affirmed, pulling the gun from under the table.

«By the way, did you enjoy your time as her?»

«I can't complain really. It felt weird to sleep with you at first, but the pleasure of playing with her tits as her, made it all up for me» Ethan added.

«Even if it was a bit dangerous to begin with, as I had to sneak behind her out of school to turn her into a skinsuit to bring her there»

«I am glad our bodies aren't affected by what happens when we are wearing her, because I get what she is feeling now, I could barely walk too when you all 3 were finished with me yesterday» Alex said, looking to the other guys that were all widely smiling. «I bet you enjoyed it a lot, looking at your dumb faces»

«True! I couldn't wear her tho, but as she said, we can definitely do it, again and again, another time. But Marc...where did you learn to suck this well? Your blowjob felt divine the other day» Bob stated.

«Haha! Well, you can't know this since you never used a skin suit, but you have access to the memories of the one you are wearing. So I just 'knew' how to do it» Marc explained.

«And yeah, even more since now she is into us, we can do this again and again! Talking about that...what are you doing the next weekend?»
