SOMETIMES THE GRASS IS GREENER ON THE OTHER SIDE.

The party was going to be a blast. Jimmy was no stranger to a few drinks and a good time, but his housemates assured him that the party would be bigger and better than any others he had been to before. The three girls that lived with Jimmy were gorgeous, and they had enough charisma to invite every person on campus that they wanted successfully.

Rhonda, Marsha, and Lilly were young and beautiful college students. They liked to enjoy themselves and have a good time more than they wanted to study, which wasn't anything new with girls their age. They were the ones who wanted to party constantly, and Jimmy played along.

The word of the celebration spread like wildfire, and a lot of college students attended it. Jimmy and the girls danced around and drank like that was their last day on Earth, but the guy went a little overboard, even mixing different types of alcohol. It was a no-no, but he was too drunk to care or notice what he was doing.

A blur of dancing, music, and booze left Jimmy passed out against his room's door. He woke up the next day with a killer headache and vomit on

his clothes. He was completely drenched in it. The foul smell from his soiled clothes made him gag, and he almost threw up again. He rubbed his eyes, trying to adjust to the light of a new day while the headache drilled away on the sides of his head.

“Good morning, sunshine,” said Rhonda.

“There’s nothing good about this,” he said, pointing at his vomit-covered clothes.

“Yeah, you kinda reek,” said Marsha.

“I’ll take a shower.”

“The bathroom is all yours.”

They handed him a glass of water to hydrate a little before the shower. The two girls went back to the kitchen, where Lilly was preparing breakfast for all of them. They needed a full tummy before working on cleaning the house. It wasn’t as trashed as other times, but they still needed the energy.

Jimmy took his filthy clothes off and got into the shower. The cold water woke him up and helped with the headache a little, but he was still suffering. He closed his eyes as the sides of his head pulsated and let the cold liquid soothe him. He felt better.

“Oh, fuck.”

He was already done with the shower and had a towel wrapped around his waist when he realised that he didn’t have clean clothes. He forgot to do laundry, and the unusable clothes on the bathroom floor were the last he had.

“The girls won’t like it if I’m walking naked around the house.”

He got out of the bathroom, still dripping, with nothing but the towel. He went to the kitchen, where a hot meal and his upbeat friends waited for him.

“I have a situation,” said Jimmy.

“Let me guess,” said Rhonda, “it has to do with your lack of clothes, doesn’t it?”

“Yeah, how did you know?”

“Maybe because you’re standing half-naked in the kitchen, genius.”

They all laughed, and Jimmy smiled at his dumb question.

“You don’t have anything clean, do you?”

“No. I fucked up.”

The girls thought about an alternative, and Lilly quickly came up with something.

“You can borrow some of my clothes for the time being,” she said.

“What? No way,” he said.

“I don’t see any other options for you. You can’t go down to the laundry room while naked.”

Jimmy thought about it for a second, and he realised that he was forced to take the offer. They all ate their breakfast before it got cold, and he went to Lilly’s room with the rest of the girls in tow. She handed him a skirt and a lacy top that should fit him. The girls had jeans and more neutral-looking clothes, but they wanted to mess with him for forgetting to do his laundry.

Giggles were had all around when Jimmy came out of his room wearing the feminine clothes he borrowed from Lilly. The guy was slender and of average height, which made it easy for him to fit in them.

“Swirl around for me,” said Rhonda while laughing. “Let me see what you got.”

Jimmy offered them a smile and a middle finger, and he took off to do his laundry while the girls laughed to the point of tears.

He grabbed his clothes and went to the self-service laundry, hoping that nobody would see him. Thankfully, it was empty.

Maybe it was because nobody saw him or because he always wanted to do it and didn't know, but he started to enjoy being in women's clothes. He twirled around while he waited for his clothes to be done, letting the skirt fly and getting some fresh air on his thighs. He caressed the lace on the top, and he smiled at how pretty it was.

He still wasn't sure why he was enjoying himself that much. He adopted his grumpy face again when his clothes were ready, and he went back home. The girls were busy cleaning, but they welcomed him home and commented on how pretty his outfit was. The joking tone wasn't lost on Jimmy, who once again offered them his middle finger.

Jimmy went to his room and closed the door. The truth was that he wasn't annoyed by the outfit anymore, and the annoyance was all for show now. He eventually took them off and wore his own clothes, but what happened didn't escape his mind.

"Thanks for the clothes, Lilly. I'll wash them and give them back to you."

"No problem. Let's hope that you remember to do your laundry next time."

"Don't worry," he laughed. "I will."

He helped them clean the house, and it was spotless before it was time for dinner. They ordered a pizza to relax from working all day and watched a movie in the living room together. Jimmy couldn't focus on the movie because he kept thinking about how Lilly's clothes made him feel. He wasn't sure about it, but it was something new that bounced around his mind.

Life continued as usual, but the following weekend all the girls were out, and Jimmy was the only one home. He had already washed Lilly's clothes, and he was ready to return them, but he had an impulse to put them on again, especially since he was alone and nobody would see him.

"What the fuck am I doing?"

He was confused with his actions, but he still took the clothes and put them on. He stood in front of his mirror and admired himself. He realised that he was giddy and happy. The skirt and top were soft and felt good against his skin.

He danced around in front of the mirror, beaming with happiness and smiling so hard that his cheeks hurt after a few minutes. His dancing slowly became more feminine, and he wasn't sure why he wanted to do it, but he was having a good time. He sang along the music he played, and he tried making his voice more high-pitched and feminine just to see how it would sound; he liked it.

He walked around the house doing chores and going about his day while wearing those clothes. Jimmy kept the feminine voice and mannerisms, acting like an actual girl for the rest of the day. A car parking outside sent him running to his room, where he quickly undressed and put the clothes away. His heartbeat went through the roof, and his body was filled with adrenaline.

"We're home!" the girls announced.

"All right," he said from upstairs.

He put on his regular clothes and went downstairs to finish his chores. There was something new building up inside of him, and it was more exciting because nobody else knew about it, not even the girls.

The thought of dressing and behaving as a girl didn't escape his mind throughout the week, and he decided to embrace it entirely over the following weekend. He had a good relationship with the girls, so it was the natural next step to come clean to them about his new lifestyle. He went all

out and joined them downstairs that weekend while being dressed as a girl with some clothes that he bought that week.

They were stunned when Jimmy showed himself dressed as a pretty girl.

“That’s new,” said Rhonda.

“I like it,” said Marsha.

“Those clothes fit nicely,” said Lilly.

Tears began forming in Jimmy’s eyes, overwhelmed by the positive response. The girls went up to him and hugged him tightly. He felt like a woman, and the clothes made him happy; the fact that the girls would accept him and his choices meant the world to him. Even though they were close friends, people can react unexpectedly to stuff like that, which worried him.

“Thanks, girls,” said Jimmy.

“Next time we’ll take you shopping. How does that sound?”

“Like a dream.”

“You got a deal.”

“I was also thinking about being called Jemima instead of Jimmy.”

“No problem, Jemima.”

Jemima cried in his friend’s arms.

Everyone got used to Jemima wearing women’s clothes and acting like one. As promised, the girls took him to get new clothes next week. The store clerk did a double-take when greeting them since Jemima looked and acted like a woman.

They all helped him get a new wardrobe for his new self. They had amassed a comically large amount of clothes by the end of the day and took them to the counter. They all chipped in as a gift since they wanted to see Jemima

happy. The clothes were colourful, delicate, and feminine, just like he wanted them.

“We should celebrate,” said Marsha when they left the store.

“Celebrate what?” asked Jemima.

“Anything. Everything.”

“That we’re alive,” added Rhonda.

“And that you got some cute as fuck clothes,” said Lilly.

Instead of another party, they opted for a private celebration with just the four of them. Getting drunk while dancing to girly music and eating snacks sounded terrific, and they all loved the idea. The alcohol proved to be a little too much, and quickly enough, the four of them were utterly wasted.

They talked about everything they could think of, including makeup, clothes, sports, hot guys at campus, movies, and series. It was an all-girl celebration, and Jemima wore his new clothes that the girls helped him pick and buy.

The conversation drifted off to their love lives and sex. Jemima admitted that he wanted to try being fucked in the ass, but he didn’t have anyone to do that with yet.

“Have you tried any apps?” asked Rhonda.

“I did, but everyone there is so forceful and rude that I didn’t feel comfortable with any of the guys that messaged me.”

“Yeah, some of them are nasty.”

“What about in real life? Have you met anyone out there?” asked Marsha.

“Not yet. I admit that I haven’t put much effort into it, but since it’s a recent change, it’s kind of overwhelming.”

Lilly sipped on his drink and butted in.

“What about a girl?” she asked.

“I’m not sure what you mean,” said Jemima.

“A girl can fuck you in the ass, too.”

The other two girls got wide-eyed at Lilly’s words. She was usually the more modest and quiet one of the trio, but she had a hidden, naughtier side when she got drunk.

“Are you talking about a strap-on?” asked Jemima.

“Sure am. I say we give it a shot.”

“We don’t have one of those,” said Rhonda.

“Maybe you don’t, but I do.”

“Wouldn’t it hurt?” asked Jemima.

“Maybe, I don’t know. I’ll make sure to work you with my fingers first. You can rest easy.”

Lilly got up from the couch and went to her room, leaving the rest of them with their jaw on the floor. The cute and quiet Lilly came back with three giant strap-on dildos.

“You have three of those?” asked Marsha.

“Yeah. It’s for all three of us, but there was no real opportunity to use them... until tonight. I kept them a secret so it would be a surprise.”

“Count me as surprised,” said Marsha.

“Me too,” said Rhonda.

Jemima didn’t know how to react. He wanted to try getting fucked in the ass, but this was so sudden, and getting fucked by his friends was something that he didn’t consider. He didn’t know that Lilly had those either.

He wasn't opposed to the idea, though. Finishing his drink in one gulp helped him gather the courage to agree to Lilly's idea. After all, why not?

"Let's do it," said Jemima.

Lilly brought her hands together with excitement. She was the most excited out of them, so they all agreed that she would go first. Rhonda went for a bottle of lube from her nightstand, and Marsha served another round of drinks for everyone; the recent turn of events sobered them up a little, and she wanted to keep the fun flowing.

Lilly stripped down to her underwear and put on the strap-on dildo.

"Get naked, Jemima. What are you waiting for?"

The cute little Lilly had a hidden dominant side that emerged when she was drunk. She wasn't forceful, but she was assertive and charismatic. Jemima complied and took everything off. He got on the couch, and Lilly positioned herself behind him, rubbing the dildo against his bare asshole.

"Rhonda, would you mind.. putting some lubricant on me?" He asked nervously.

"My pleasure."

Rhonda poured and rubbed the lubricant on the dildo, making sure to get it on everything. They didn't want his first time to hurt like hell. Lilly got some on her fingers to stretch his asshole first.

"It's just my fingers. Don't worry, okay?"

"Okay."

She rubbed the outside of his asshole first to get him in the mood, which evidently worked when they saw his cock getting hard. She penetrated his asshole with her index finger, swirling it around and stretching it enough for him to be able to take two fingers. She spent a few minutes playing with two fingers inside of him, making sure that he was ready.

That wasn't her first time pegging a man, but her friends didn't know. She had experience and a liking for it that she put to good use.

“You like this, don’t you?” she asked while flicking his cock.

“Yes.”

“You’ll like it even more.”

She flicked his cock harder, and he let out a whimper while his angry cock pulsed on its own, jumping up and down. His engorged veins filled it with life.

She grabbed his hips and smacked his right ass cheek before pushing the dildo against his entrance. The girl did it slowly so she wouldn’t hurt him. The dildo entered him bit by bit until it was halfway inside. She moved her hips from side to side to stimulate him and to stretch him further, making sure that he was ready to take it all. He was not only prepared but eager as well.

She thrust until the dildo was entirely inside. Drool spilled from the sides of his mouth as he felt the enormous dildo inside of him, and he sobered up completely. He was unable to articulate himself, but he moaned freely and loudly. The other two girls watched and got turned on by the show. Lilly smiled when she noticed.

“Don’t worry, girls; you’ll have your turn.”

The girl picked up the pace and fucked him like there was no tomorrow. A wave of pleasure hit Jemima full-on, covering him from head to toe in a veil of ecstasy and mild pain that elevated him to new heights. He had never experienced something like that, but he wanted more and more. His fantasy was for that night to never end. Lucky for him, two other girls wanted to fuck him in the ass with their own same strap-on dildos.

Lilly buried her nails into his ass cheeks, leaving red marks on his delicate skin. The dildo moved relentlessly, guided by the cute girl. His insides were punished by it, and the pleasure kept building up. Rhonda saw how a few precum drops landed on the couch while he was getting fucked. The drops became more frequent, and she knew that the time was close.

“You’re about to cum, aren’t you?” asked Lilly, noticing the drops as well.

“Yes,” said Jemima, between grunts, gasps, and moans.

“Good. Let’s make it count.”

She used her entire body weight to fuck him deeply and roughly, hitting spots that he didn’t know he had. The orgasm exploded from deep inside of him and numbed his whole body, putting him in a sort of trance that left his limbs unusable.

Lilly took the dildo out from his gaping ass while a pool of cum formed under him. She smiled down on him and did an exaggerated theatrical bow to the other girls, joking about how she was able to give him such a powerful orgasm. He was a babbling mess who couldn’t stop smiling.

“My turn,” said Marsha.

She stripped down, and Lilly helped her put on the strap-on dildo.

“It’s my first time wearing one.”

“Don’t worry about it. It’ll come naturally to you.”

Lilly was right. Marsha quickly reapplied more lube to it and got to work. She pushed the dildo in one swift motion into his dilated asshole and thrust like she was an expert. The relentless punishment that his asshole was getting brought a smile to Jemima’s face, and he bit his lower lip, trying to muffle the never-ending moans.

Lilly and Rhonda rubbed her pussies at the sight of the man getting fucked in front of them. There was an atmosphere of pleasure and delight that filled the house. Marsha forced him to cum a second time, and she stopped and spanked him hard enough that it hurt her hand and it left a lasting red mark on him. He gasped and panted as the semen dripped from the tip of his cock, but it wasn’t over yet.

He barely got his breath back before Rhonda got her turn. She was fierce and strong, more than her friends, and it showed in the way that she fucked

him. There was feral energy emanating from her, and his asshole was the witness.

“Cum for me, one last time,” she said.

He was so sensitive that he got light-headed. The pleasure was overwhelming, and his body stopped responding because of it. He was in another reality, thanks to his friends.

“Okay,” he managed to say, between moans.

Rhonda rubbed her nipples with one hand while keeping the other on his lower back for leverage. The third orgasm was the quickest one, as Rhonda managed to hit the right spot from the beginning. His cock, red and angry, shot the last bit of semen that remained in his system, adding to the pool that stained the couch. He finally dropped on it, unable to keep himself up with his hands as his arms shut down and failed him.

It was the wildest party that any of them had been to. It started with some drinks, and it ended up with Jemima being fucked by the other housemates. The three girls had enjoyed themselves, although not as much as him. Lilly was the only one that had done it before, but all of them performed better than expected.

Jemima passed out from the pleasure and the over-stimulation of his senses, and the girls let him sleep it out. They covered his naked body with a blanket, and Rhonda, the last one to make him cum, kissed him on the forehead.

It was an intense day and one that neither of them would ever forget.

For my fellow sexual deviants.. Keep having fun ;)
