## HEAVEN, OR HELL?

Whenever anyone in the family had any issues with their computer, they called Billy. Even though Billy was 18, he was really skilled when it came to technology, making him the go-to for such cases. It had been a hobby of his since forever, and he didn't mind helping his family anyway.

His mom came up to him one day with a request: her best friend, Jenny, had some issues with her computer. It's not like Jenny couldn't afford a specialised technician to take care of the issue, but all the good ones were busy or charging an absurd amount. She needed it working as soon as possible since she had a work project to deliver and the damn machine wouldn't function.

"Okay, mom," said Billy. "I'm not too busy tomorrow. Would that be fine with your friend?"

"Yeah! Tomorrow is perfect. Jenny is really nice, I'm sure she'll hook you up with some cookies, at least."

"That doesn't sound too bad," said Billy with a smile. "Hopefully they'll be chocolate chip ones."

"I'll make sure to tell her."

“No, mom! She’ll think-”

“Nonsense. You’re doing her a favor. She won’t mind.”

“Okay, fine,” said Billy, admitting defeat. “Tell her I’ll be around in the afternoon.”

“Will do.”

Billy figured that it would be some dumb thing and he would be done in less than an hour. Free cookies paired up with fresh air would be nice, and Jenny’s house wasn’t too far off, so he could walk there and stretch his legs in the process. He had a normal build, leaning on the thin side, but a bit of workout never killed anyone.

The next day, the young man took off and walked to the house where he was needed following his GPS. It wasn’t a mansion, but it was slightly more luxurious than his house. He knocked on the door.

“Coming!”, someone said from inside the house.

Billy had seen Jenny before, but he was still taken aback by his beauty. She had a great figure, with prominent curves and an hourglass shape, and long legs that brought the whole piece of art together, and a blonde head of hair that almost seemed like a crown. The most important part was that she had beautiful feet, which Billy noticed right away, since the first time that he met her. Her feet were delicate and it was noticeable that she took care of them. He had to make a conscious effort to avoid looking at them when she opened the door.

“Billy, hi! Thank you for coming with such short notice.”

“No problem, Ms-”

“None of that. Call me Jenny.”

He hesitated a bit, but she was asking him to do it, after all.

“Okay, Jenny.”

“Wonderful. Please, come in.”

“Thank you.”

The beautiful woman opened the door fully and guided him inside. The house was spotless. Billy took the chance to take a peek at her feet as she walked in front of him, but being careful not to get caught because it would be too embarrassing since he wasn't a good liar. He could navigate his way out of any problem if it had to do with a computer, but there was no plan if he got caught and people suspected of his fetish; he would simply blush.

Jenny was wearing flat shoes, and he got to look at her soles for a brief moment as she walked. They looked amazing.

“The computer is in my bedroom. I've been really busy today, so I couldn't clean up as much as I wanted. I'm sorry about that.”

“Oh, it's okay. Don't worry about something like that.”

The woman showed him into her room and he sat down on her reclining chair in front of the computer.

“I'm going to be downstairs baking some cookies since a little bird told me that you liked chocolate chips,” said Jenny.

“I do, but you don't have to go through so much trouble.”

“Don't be silly, you're literally saving my life here. You'll get some delicious cookies as a reward.”

“Thank you very much. I'll get to work then.”

What Billy had in mind as a reward was to smell Jenny's feet and to have her rub those smooth soles on his face, but the cookies would be fine since he couldn't ask for something like that. He chuckled at the idea of blurting it out and see what she would respond.

Billy turned the computer on, and it was as sluggish as a stagnant swamp. He scratched his head thinking about what it could be, and he got to work. Once he found out that the machine was full of viruses, he was able to come up with a plan to clean it up. He downloaded a couple of programs to take care of the viruses, and soon enough, the computer was clean and ready to go.

He realised that it took him just a few minutes, and Jenny should still be in the kitchen baking those cookies. He spun around on the chair, bored, and pull out his phone to waste some time while the treats were served. He stopped dead in his tracks when he spun around and saw Jenny's closet. The sliding door wasn't fully closed, and he caught a glimpse of a pair of shoes in there.

His heart started beating faster as he realised the kind of opportunity that he had in his hands. Faster was an understatement, and it got so bad that he had to take a few deep breaths before getting up from the chair. He first walked out of the room and looked at the living room downstairs, cupping his hand behind his ear to try to hear where Jenny was. She was indeed still in the kitchen, as her flat shoes made a sound as she walked.

*It was now or never.*

Billy walked back into the room and went straight to the closet. It was like he accidentally walked into heaven when he slid the door open. A few pairs were scattered there, and even some pantyhose.

His heart was no threatening with climbing out of his throat with how crazy it went. A few of Jenny's pairs were right there, within his reach. He dropped to his knees and took a pair of white shoes from the closet. The material was fancy, and he spent a few seconds just feeling the weight of them on his hands. He turned them around, making sure to study every bit and angle.

Once Billy was satisfied, he slowly brought the shoes closer and closer, until he was able to detect Jenny's faint smell. That was it, he couldn't hold back much longer. His nose got buried in the pair of shoes, and he sniffed loudly, like a wild animal trying to catch his prey.

The peculiar smell filled his nostrils and his brain as he sniffed as much as he could, as fast as he could. He alternated between the shoes and the pantyhose, dropping the white pair and taking the pantyhose, and dropping the latter to grab another pair.

The next ones that he grabbed were a pair of black stilettos. He imagined how would Jenny look walking in those shoes with such a thin heel by closing his eyes and immersing himself in his world of fantasy. Such immersion proved to be fatal, as Billy couldn't hear Jenny walking upstairs.

The beautiful woman tried to do as little noise as possible when walking up because she thought that Billy would still be working on her computer and she didn't want to interrupt him. The way her closet was placed in her room meant that Billy had his back against the entrance, and that's how Jenny was able to catch him without him noticing.

By that time, the young man was lost in his desire. His cock quickly became hard and he unzipped his pants to set it free. He kept alternating the pantyhose and the shoes with his left hand while reaching for his cock with his right hand. The sudden stimuli were so intense that he quickly oozed precum after just a couple of strokes.

No, it was too soon to cum. Billy knew that what he had was a once-in-a-lifetime chance, and he planned to make it last. He finished cleaning the computer so fast that he figured that he still had a few minutes.

Jenny had gone upstairs to her room to tell Billy that the cookies were done and that he should come downstairs to take a break. Instead, what she found in her room was the young man kneeling on the floor and masturbating while smelling her shoes. She was stunned for a moment, and she couldn't help but stare at the scene that was before her. She covered her mouth with her right hand to avoid making any sound since she didn't want to get caught.

The woman quietly walked backward until she was out of view, and went downstairs without making any noise whatsoever. The funny thing was that even if Jenny made any sound, Billy was so entranced by the forbidden actions that he was carrying out that he wouldn't have noticed.

Once Jenny found herself back in the kitchen, she yelled out for Billy.

“Billy! The cookies are ready! Come to the kitchen.”

The young man almost had a heart attack, but he was thankful that the voice came from the kitchen. He edged so much that he didn't cum, and it was too late now. He got his cock coated in precum back in his pants and he cleaned his hand on Jenny's bedsheets. He quickly put the shoes and pantyhose backed where they were and headed downstairs.

He had to stop in the middle of the stairs to take deep breaths because his cock has still as hard as when he was smelling the shoes. He was able to relax and the erection went away, finally allowing him to go downstairs. The most wonderful fragrance of baked cookies welcomed him to the kitchen.

“They're still hot,” said Jenny, quickly glancing at his crotch without him noticing, “be careful.”

“Thank you.”

Billy took a cookie and blew on it for a moment before biting down on it, oblivious that he was caught red-handed mere moments before. Jenny smirked, thinking about what she saw.

The young man devoured the cookies in record time, but he was a little sad that his secret adventures were over because Jenny would surely follow him back to her room to see the working computer.

What he didn't expect was that Jenny was going to ask him for another favour, one that he couldn't believe when he heard the words coming from her juicy lips.

“You know, Billy,” the woman started, with her lips twisted in discomfort, “I've worked so much today that my feet are killing me.”

“Yeah?”, he asked while nervously passing some saliva.

“Yeah, really. This is so embarrassing since you already helped me with my computer, but would you mind giving me a foot massage?”

“I...”

Billy was at a loss for words. Did he hear that correctly just now?

“Do you want me to... give you a foot massage?”, he asked hesitantly.

“It’s okay if you don’t want to, I know that it’s too much to ask. I’m sorry, I shouldn’t have...”

“No, it’s fine! Of course, I can!”

Jenny knew that there was no way in hell that Billy would turn her down, and she smirked at herself because of how well she played the part.

“Really? I don’t know how to thank you enough!”

Billy couldn’t believe his insane luck. He followed the woman upstairs, blatantly staring at her feet since he was behind her and she couldn’t know. His hands were about to rub that beautiful pair and he couldn’t wait.

Jenny sat on the bed and Billy pulled up the rolling chair where he was working a few minutes before. He lowered the chair a little to be in a better position. The woman extended her leg and Billy grabbed her foot. He was thankful to be wearing a somewhat baggy shirt that day because his cock sprung back to life the second he touched her soft skin. He almost got hard downstairs when she asked her for the massage, but he was able to restrain himself. Not anymore, though.

“Thank you again, Billy. That feels so good!”

“My pleasure, Jenny.”

Literally. with every squeeze of his hands he felt an orgasm getting bigger and stronger deep inside of him. He expertly rubbed her wonderful feet, making sure to cover every bit of it, relaxing her so much that she almost

moaned without noticing. He spent 10 minutes massaging only one foot, and even though he wanted that day to last forever, he had to move on to the second foot eventually.

He repeated the process with the second, gorgeous foot. He considered excusing himself for a moment to go to the bathroom, but his erection would become evident in that scenario. Just thinking about it almost made him cum: going to the bathroom, smelling and licking his hands, and using those same hands that were touching the woman's feet to rub his cock until he came sounded like heaven.

Jenny noticed that the young man was lost in thought to put her plan into action. She moved her foot to the right, ever so slightly, but it was enough to make Billy lose his grip, and her foot ended up landing on his hard cock. It seemed like an accident, but it was a situation that the woman had already crafted in her mind.

“Billy?” she asked, not even pretending to be shocked. “What is this?”

The young man got red like a tomato, and his mouth opened and closed repeatedly as he tried to say something. There wasn't anything that would save him, she could feel his throbbing cock with her sole. It was over.

“This... I can explain”, he stammered.

“Then go ahead and explain. I'm all ears.”

Billy couldn't form any coherent sentence, which made Jenny giggle.

“I already know about your fetish, so just say it out loud.”

The young man was stunned by her words. How could she know?

“I caught you earlier,” she continued, as if she was reading his mind. “I saw what you were doing upstairs with my shoes. Your cock was just as hard as it is now.”

“Okay, you're right. I have a foot fetish.”

“That wasn't that difficult, was it?”

To Billy's surprise, Jenny moved her foot in circles on his cock, rubbing it through his pants. A wet spot quickly appeared in the fabric, and it got bigger as more precum oozed from the tip of his cock. The young man moaned, unable to resist the movements of the woman sitting in front of him.

Jenny stopped when she realised that Billy was about to cum.

"You don't want to finish so quickly," she said. "Not before you lick my feet and suck my toes."

There was a shine in Billy's eyes that almost made it look like he won the lottery. He had won it, in a sense. This was something that he never imagined even in his wildest dreams.

The young man took the foot from his lap and brought it closer to his face, quickly putting his tongue out and covering the woman's foot with his warm saliva. It tickled a little, but she didn't laugh. Her heart was also beating faster than usual, but it wasn't exploding like Billy's was.

He carefully went through every bit and crevice, massaging the foot with his tongue and having a taste. She smelled and tasted out of this world, and Billy quickly put his skills to good use with her other foot. He thoroughly sucked her toes, passing his lips and tongue in-between them, almost getting drunk with pleasure in the process.

Jenny was enjoying the whole thing. She was impressed by how skilled Billy turned out to be, and watching him submerge himself in a sea of lust was a sight to behold. He had his eyes closed, focusing all his senses on the task at hand. He was like an animal, rubbing and licking her feet to his heart's content. Her smooth skin against his face added to the experience in indescribable ways.

His hand worked relentlessly, jerking his cock from the base to the tip, and back down. He masturbated with such enthusiasm that it was only because of the juices and saliva coming from him that he didn't hurt himself.

Billy snapped out of his trance when he realised that his jaw was hurting. He had spent so much energy that his tongue went numb as well, but he was

the happiest man in the world. It was about to get even better for him when Jenny announced her final treat.

“Good job, Billy. You worked so hard licking my feet that you deserve a little prize.”

“What kind of price are we talking about?”

“Sit tight and you’ll find out.”

Jenny leaned forward and unzipped his pants, freeing his angry cock. It was as red as could be, with throbbing veins and jumping up and down on its own. He was impossibly hard, and a long moan escaped his lips when Jenny leaned back and placed both feet on his cock.

“I have a feeling that you’d like to get a footjob from me.”

“Yes, please! I need it!”

The woman giggled once again, but she was serious in her intent. Slowly, she began moving her feet up and down, creating symmetrical pressure on his cock. Billy snapped his head back as his eyes rolled to the back of his head. Her feet proved to be as skilled as his tongue, and she treated Billy to the best experience of his life. He put his right hand against his face, deeply inhaling and getting Jenny’s fragrance in his system while she worked on his cock.

She used his precum as lube since her motions quickly turned his cock into a fountain. It was too difficult for Billy to keep himself from orgasming, and he exploded in a wonderful wave of pleasure. The orgasm started deep inside of him and coursed through his body like lightning, filling every cell with overwhelming pleasure that almost made him pass out. His cock shot his warm cum in thick ropes, with most of them landing on the perfect feet that provoked that reaction.

Jenny didn't stop, on the contrary, she kept going faster and harder as the man came to make sure that she was squeezing every drop of semen out of his cock. Her feet were covered with his seed, and she sighed with relief as she was getting exhausted.

Billy twitched in his seat, alternating between being more alive than ever and almost knocked out. Jenny wiped her feet against her bedsheets, not knowing that Billy had done the same before. She got up and smiled down on Billy.

“Get on the bed and rest for a bit. You look spent.”

The young man nodded and climbed on the bed with the remains of his energy. Jenny walked barefoot to the door and looked back on the exhausted young man.

“Wait here. I'll bring you some milk and the rest of the cookies.”

Billy didn't even look up. He closed his eyes and stretched his arms.

“On second thought,” said Jenny, “I'll bring you something with electrolytes as well.”

Her footsteps as she walked barefoot down the stairs made Billy's cock twitch. No matter how spent he was, his mind and body craved more. He could still smell and taste Jenny's feet, and it brought the widest smile on his face. It was a great reward for fixing a computer.
