

A man with brown hair and a grey t-shirt is wincing in pain, his eyes squeezed shut and teeth bared. He is positioned in front of a woman whose back is to the camera. She is wearing a blue and yellow striped shirt and grey pants. Her buttocks are pressed against his face.

LOOSE LIPS SINK SHIPS.

“**Y**ou don’t look too good, Jeff.”

“Yeah, I bet I don’t. I’m pretty bummed out, Gary.”

“What happened?”

“You can guess.”

Jeff let out a long sigh of defeat. Gary, his coworker and friend, knew what it was right away since it wasn’t the first time that his friend went through it.

“They denied you the promotion, didn’t they?”

“They did! It’s so unfair and infuriating, I’m telling you.”

Jeff and Gary usually had their lunch together at the social media company they worked for, and Jeff knew that his friend was really upset, since it easily showed in his face in the shape of those wrinkles, the popping vein, and the red color on his cheeks.

“I don’t get it, you know?” continued Jeff. “I work hard all the time, I go the extra mile, my metrics are actually good, and so on. Despite all that, they gave the promotion to that new girl.”

“Huh, didn’t she join the company last year?”

“Yes! I’ve been around for way longer than that, and they still overlooked me.”

Gary took a sip from his hot coffee. Black and bitter, just how he liked it.

“Listen,” Gary said. “sometimes things seem unfair, but-”

“No, they don’t seem unfair. They are unfair, which is different.”

“Fine, fine. They are unfair, but you can’t get discouraged like that.”

Jeff was so angry that he burned his tongue by being careless while drinking his coffee, and he had to bite it to avoid getting into a lengthier rant. Ironically, the mild pain helped him calm down.

“You’re right. I’ll try not to think about it.”

“That’s a good boy,” Gary said in a mocking tone. “Now get your ass back to work before they fire you instead of just denying you a promotion.”

Jeff laughed at his friend’s joke. He was right, he had to get back to work, but that didn’t make the anger go away. Instead, he kept thinking about the whole thing while working, and his mind couldn’t focus on whatever the task at hand was.

The truth, for him, was that women should be earning less money than him, and obviously, they shouldn’t be getting promotions instead of him. They were taking them from him, and he was over it.

“I’ve asked for a raise so many times over the years,” muttered Jeff under his breathe after checking that there was nobody else around. “So many times and they still can’t do that for me.”

He stopped working and kept thinking about it. Actually, women, in general, seemed to advance faster in that company. For one of the biggest and most famous social media companies, that couldn’t be right, or was it?

He checked the internal records and confirmed his theory. Women were advancing at a much quicker pace than the men in that company, regardless of qualifications or time working there. It was outrageous to him, to say the least.

Jeff's head was a mix of sadness and anger, and he decided that a few drinks would help him calm down. He went over to Gary's cubicle to see if he would join him.

"What do you say if we go for a drink after work?" asked Jeff.

"I don't know, man. I need to do a ton of chores. It's laundry day," said Gary.

"Really? You're blowing me off because it's laundry day?"

"Well, yeah. I don't want to come to the office and stink up the place because I had to recycle an old pair of pants."

"You're so lame."

"But I won't smell bad."

Jeff gave him a playful punch on the shoulder as they both laughed. He still wanted to let off steam, so he figured that he would hit the bar by himself. He had a couple of other buddies at the office but they seemed swamped with work, so he didn't want to disturb them.

The man continued with his day, making sure to get all his work done in time to be able to leave right as the clock said that it was five o'clock sharp. The clock moved slowly, but the time finally arrived, and Jeff left the office with a smile. The smile didn't last long when he remembered the denied promotion and subsequent raise, and the frown remained on his face until he got to the bar.

The neon lights under the sign welcomed him, even though it wasn't dark outside yet. For a second, he felt a little self-conscious about the fact that

the bar was pretty much empty, but it was understandable since he went there straight from the office.

“Whatever,” he thought to himself.

He got the attention of the barman and he got a beer to start it off. It felt good as the cold drink went down his throat, so he took another sip and another one. Soon enough, the beer was gone, but it was only the first of many.

More people arrived at the bar as the time passed, and Jeff kept drinking, doing some shots in between bottles of beer. Despite not getting the raise, his job paid well, so he wasn’t worried about the bill. He joined another table and bought everyone a round of shots, which got him from dizzy to drunk.

Jeff was having the time of his life. The people that he met were nice and appreciative of his kindness when he bought round after round of shots for everyone there to enjoy.

Sadly, the night couldn’t go on forever, since he still had to go to work the next day. He pushed it to the back of his mind and continued having fun.

After a few more hours, he finally got a taxi to get home when he felt that it was getting late and he was very drunk. Instead of going straight to bed when he got to his apartment, he made a decision that would unleash a chain of events that he would have never expected. It was as simple as taking out his phone. That sounded harmless, but the problem was what he did with it. He logged into his social media account and started posting away.

“Women shouldn’t be paid as much as men.”

That was the first line. It didn’t get any better after that. His fingers moved so quickly that an outsider wouldn’t guess that he was drunk at the time.

“What women should do is focus on their duties in the kitchen. They need to cook delicious food for their men and that’s it.”

He kept on rambling about how women should learn their place and not get in the men's way. Eventually, he fell asleep on the couch without taking off his clothes.

Jeff woke up the next morning thanks to his alarm that was blasting from his phone. He sat up with a killer headache and went to take a shower. He didn't remember what he posted last night on social media, so the only worry that he had was about that headache, his hunger, and how much of a shitty day he was about to have because of the hangover.

Little did he know that things were about to blow up.

He quickly got dressed, fixed himself something to eat, and took a painkiller for the headache before darting off to the office. He was on his way to the office when everything slowly came back to him. He then remembered what he posted, and felt guilty for doing so. Regretting his actions, he deleted everything before he arrived at the office.

There was something wrong when he entered the building. He felt many eyes on him, who watched his every step. Women were avoiding him, which puzzled him even more. By the time that he got to his cubicle, it wasn't only the women, pretty much the whole place went silent whenever he got into a new area.

"What the fuck is going on," he said to himself.

He had just sat down in his cubicle when a coworker told him that the boss was looking for him.

"Oh, no," he thought. "Could it be...?"

The CEO of the company was a stunning woman that had a powerful aura. She wasn't only driven and beautiful, but also ruthless when it came to managing her company. Jeff went straight to her office, where Kayla, the CEO, was waiting for him.

Standing close to Kayla were two other beautiful girls, her two advisors.

The air in the room was quite dense and he gulped loudly as he sat down in front of them. He knew right away that there would be consequences, and he could only hope that they would let him keep his job.

“Thank you for joining us, Jeff,” said Kayla.

“No problem, boss. What can I do for you today?” he asked, trying to act oblivious.

“Don’t play games with me, Jeff. You know what happened, and if you’re here, that means that I know as well.”

Her blue eyes pierced right through his soul as she put a golden lock of hair behind her ear. Her advisors were as serious as she was.

“I’m sorry, boss. I was drunk last night.”

“I’m going to be honest with you. I don’t care. What you did is inexcusable.”

“I know... I’m sorry.”

“That’s not good enough. I’ll have to let you go. Pack your things and get out of my building.”

Jeff’s soul dropped to his feet when he heard those words coming from her full lips. No, it couldn’t be.

“Boss, listen. I’m sorry. I’ll do anything to make this right.”

Kayla arched an eyebrow and a smirk appeared on her face.

“Actually, there’s something that can be done. I was going to make you this offer, in case that you want to keep your job.”

“Okay, thank you. Yes, please.”

Kayla’s smile widened, and the same type of smile appeared on her advisors’ faces.

“You have two options: you can lost your job and go home, or become our toilet slave.”

The words that came out of her mouth took him by surprise to such a degree that he thought that he heard incorrectly.

“I’m sorry, what?”

“Our very own toilet slave. You’ll drink our piss and eat our shit, whenever I want, and as much as I want.”

The surprised look on Jeff’s face was exactly what Kayla had anticipated, but what she didn’t expect was that he would accept quickly.

“So... let me get this straight. If I become your toilet slave, I’ll get to keep my job?” he asked.

“Yes, and we can also pretend that nothing happened.”

He needed that job. He had just moved to a bigger place thanks to the salary that he perceived working at this company, and losing his job right now would be more than just a hassle.

“Okay,” he said. “I’ll do it.”

Kayla’s advisors exchanged a knowing look with excitement.

“Wonderful,” the CEO said. “In that case, you’ll start right now.”

“Okay. I’ll do it if that gives me the chance to stay at the company.”

Kayla told Jeff to sit on the floor in front of them, and he did as he was told. He sat there, with his legs crossed, when the first advisor stepped forward.

“Open wide,” said the girl as she took off her skirt and panties.

She walked up to the man and rubbed her pussy with a confident look on her face.

“Mhm, I’m ready,” she said.

Jeff opened his mouth as big as he could and she brought herself closer to him, putting her pussy right on top of his mouth with her legs spread. A warm stream of urine poured from her and into his mouth, filling it with its distinct flavour. Jeff gulped it down slowly to make sure that he wasn’t spilling anything, but a few drops bounced from his lips and onto his shirt.

The smell of piss filled the room while Kayla’s smile remained fixed in place. She was waiting for her turn, but she wanted to be the last one to get her chance with her newly acquired toilet.

The advisor tapped her pussy a couple of times to make sure that everything was out of her system. Jeff licked her lips to keep any drops from falling off. The particular flavour was almost overwhelming, but it wasn’t bad. Something was awakening inside of him, and it all started with that first taste of the girl’s piss.

The second advisor stepped forward as the previous one put her clothes back on. She wanted him to drink her piss as well, but she gifted him something else before that. She took off her skirt as well, but she showed him her ass first, spreading her cheeks with her hands. A loud fart came from her asshole and hit him directly on the face. The fetid smell went up his nostrils without giving him the chance to react at all.

The smell from her bowels filled his system as she giggled because of the face that he pulled. Satisfied with her little surprise, she did pretty much the same thing as the other advisor, emptying her bladder quickly. Her piss tasted different, but since this was the first time that Jeff did something of the sort, he couldn’t pinpoint what the difference was.

This girl's piss wasn't unpleasant either. He eagerly drank it all up until she was done. She looked content with his performance as a human toilet, but it was time for Jeff to get a real taste for the job. Kayla got up from her luxurious seat and walked up to him.

She made him wait, strolling around him while he remained silent because he didn't want to upset anyone there and put his job in danger. He used that time to assimilate his new position and what it entailed, and he didn't find it repulsive. It was something new, that was for sure, but he was going to do his best to make sure that his new masters were happy with his performance.

"Are you ready for me, Jeff?" asked Kayla.

"Yes, ma'am. I'm ready whenever you are."

"Good. I like your enthusiasm."

"Anything for you and your friends."

Kayla seemed happy with his answer. She nodded a few times with a face of approval.

"In that case, you're going to eat everything that I... produce for you."

"Yes, you can count on it."

She placed herself behind him and ordered him to get on his back, which he did. The woman undressed completely, giving him a good view as she stepped over him before squatting over his face with her legs at his sides. There were no farts coming from her, but he could notice that she was pushing. After a few grunts and more pushing, her asshole subtly expanded.

Jeff used that time to prepare himself for what was about to come his way. The tip of the piece of shit came through her asshole, getting closer and closer to his face and his open mouth. The smell of her excrement was filling the room now, displacing the smell of piss that had been reigning thanks to the droplets that fell on his clothes.

He used his hands to spread her cheeks further in an attempt to help her. Kayla liked the initiative shown by her human toilet. She kept pushing until the first piece of shit fell from her asshole directly into his mouth. He quickly chewed, guessing that there was more coming soon enough. His tongue pushed the excrement from one side of his mouth to the other as he slowly swallowed bit after bit until there was nothing left.

He was done with that first piece just in time, as a second, longer log dropped into his mouth. He repeated the process, quickly eating it, but he wasn't fast enough. It was as if the floodgates opened out of the blue. More shit came out of the gorgeous CEO and it came too quickly for him to catch it, so it fell on his chest and the floor, next to him.

Kayla turned around and pissed on the pieces of shit that fell on the floor, and she also got some piss on his chest. When Jeff was done with the log in his mouth, he looked at Kayla, waiting for instructions. He had a good guess of what was expected of him, but he wanted to have the green light first.

“Yes, Jeff. You need to eat everything, just like I said.”

Jeff got on all fours and started eating what was left of her product as if he was a dog. His clothes were stained with shit and soaked with her piss, but he didn't seem to mind. He was on his knees and his hands, working diligently to fulfill his newly assigned obligations. As he promised himself, he wasn't going to lose his job.

Kayla and her advisors were pleasantly surprised not only by his willingness to comply but also by the skill that he demonstrated while doing so.

The piss was starting to break down the shit, so he had to slurp some of it directly from the floor to make sure to get everything. It wasn't going to be easy to drink all the piss too, but he was going to do his best.

He consumed everything on the floor and even a couple of smaller pieces that got stuck on his clothes. By the end, his mouth, chin, and hands were

smearred with shit and soaked in piss.

The man was impressed by the sheer amount of shit that came from that tiny and beautiful asshole. Wanting to keep impressing her, he asked if he could lick her clean, and she said that he could.

Jeff kneeled close to her and buried his tongue in her ass, scooping all the shit that was still there and swallowing it. It almost tickled, but Kayla remained straight-faced as the man worked his hardest to make her happy.

His tongue got deeper than anybody else had been before him. She was quite pleased with him so far.

When Jeff was finally done, Kayle got dressed and sat back on her chair. The scene looked like two different sets of two different movies. On one hand, there was Kayla, the CEO, surrounded by her two advisors in professional attires that were perfectly ironed and spotless, while on the other hand, Jeff was on the floor, filthy and smelly from all their waste. It was a stark contrast that she noticed.

“You know, Jeff,” the CEO said, “I think that you’ll keep your job for now.”

“For now...?” he asked.

“Yeah, for now. But don’t worry, because it will always be yours as long as you can do what you did today whenever I feel like it. For me and my friends, of course.”

“Yes, ma’am. You just have to tell me who I need to be a toilet for, and I’ll do it without complaining.”

“Wonderful. Someone will bring you a change of clothes, but from now on, you have to bring a bag with a clean set of clothes in case that I’m feeling playful like I did today.”

“Okay. Understood.”

Jeff was excited that despite his enormous fuck-up he was still able to keep his job. He was sure that he was going to be let go until Kayle made him this offer.

His life was going to be different now, but he was ready for it. He had been through a new experience and he came out on top, as it wasn't as bad as he expected. In fact, there was a new feeling awakening inside of him that he wanted to explore further.

He was now a human toiler to the service of his master, Kayla, and he was looking forward to more of it.
