

Thanks again for driving me to work, Clayton. And making dinner for us.

Of course, I'm happy to do it. Anything to see you smile.

You're so good to me, sweetie. I wish I could spend the rest of the night with you, so I can show you my appreciation.

That would be nice. At least someone still appreciates my hard work.

Is everything alright, Clayton?

You seemed a little distant during dinner.

It's nothing. I don't want to bother you with it before work.

Clayton, you're WAY more important to me than my job. If something is wrong, I want to help in any way I can.

Alright... The truth is that my job has gotten far more stressful than I expected.

In the last few weeks, my department has shrunk, and my boss has made me work overtime to keep up with the workflow.

Is that why you've been so exhausted for the last couple of weeks? Your boss is working you to the bone?

Yeah, and it doesn't sound like it's gonna get better soon.

My boss told me today that he can't afford to hire any new employees yet.

I'm so sorry, Clayton. Your boss shouldn't be forcing so much work on you.

What are you going to do?

I've been thinking about that all day. And I keep thinking about looking for a new job.

Looks like you lucked out, babe. We have the dressing room all to ourselves.

Thank god. I was worried that I might freak out some dancers by being back here.

I don't think you have to worry about that. Everyone knows who you are.

Didn't you say something about a new stage manager?

Candi? Yeah, she won't bother us, either.

She's nice, and always willing to give advice. A little anxious at times, but she means well.

Hey... is that the new lingerie I bought last week?

I've been wearing them a lot lately. The lace feels good on my skin.

Wearing it before my shift gets me all hot and ready, too.

You're plenty hot, even without that lingerie.

Damn, even after dating you for over a year and a half, I still can't get over how gorgeous you are.

Has it really been a year and a half already? Time really does fly when you're having fun.

But I certainly wouldn't change a thing about the last year and...

Hey, is that what I think it is?

Woah, that's the necklace that changed you into Jazmin. How did that get here?

I gave it to back to Keyshawn a year ago.

I'll bet he's still using this thing to teach disrespectful guys a lesson. Heh, maybe one of those guys is working the floor right now?

I've never thought about being a woman before, since I always thought it could never happen to me.

But now that there's a magic gender-changing necklace in front of me...

It's got me a bit curious.

Putting it on could be a once in a lifetime opportunity. Most guys don't get to see themselves as a woman.

Plus, Jazmin did make being a woman sound pretty awesome.

I guess it can't hurt to wear this thing for a little while.

No one's around to judge me, so this could be just a fun little experiment.

It's not like I want to live as a woman. I'm just interested in seeing what I'd look like.

You know what? Sure, why not?

I can try it on for a few minutes, and then just change back.

There's no harm in that.

I definitely want to watch this happen, though.

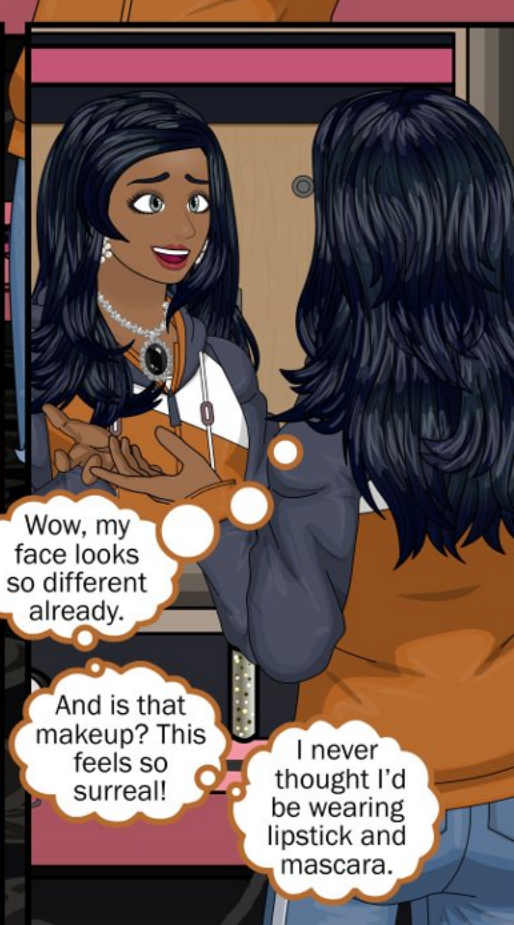

Maybe I should take a few pictures to show Jazmin later?

Woah! My beard falling off feels so weird!

This thing works quick.

I hope it grows back when I put on that other necklace...

Wow, my face looks so different already.

And is that makeup? This feels so surreal!

I never thought I'd be wearing lipstick and mascara.

I've watched Jazmin turn into a woman a couple times, but it feels so different when it's happening to me.

My lips are so plump, now.

And this makeup really makes my eyes stand out.

Heh, Jazmin is gonna be so shocked when I tell her about this.

She'd never believe that I would actually put on the necklace.

Oh man! My hair has never been this long before.

Jazmin was right. This does feel jarring already.

Especially this hair tickling my neck.

I can feel my hands tingling.

Damn, my hands look so tiny now!

I didn't realize that the transformation would make me feel a little numb.

Maybe I should stop this? It's getting weirder by the second.

No, I want to see this through to the end. There's no harm in a little curiosity.

I gotta see how this is affecting the rest of my body.

It looks like my arms are already smaller, too.

I'm not sure how I feel about all my hard work at the gym fading away in just a few seconds...

Huh, it looks like I kept some of my muscles.

That's interesting. I expected to look nearly identical to Jazmin.

I guess the changes are a little different for everyone.

Now I'm even more curious to see how my female body will differ from Jazmin's.

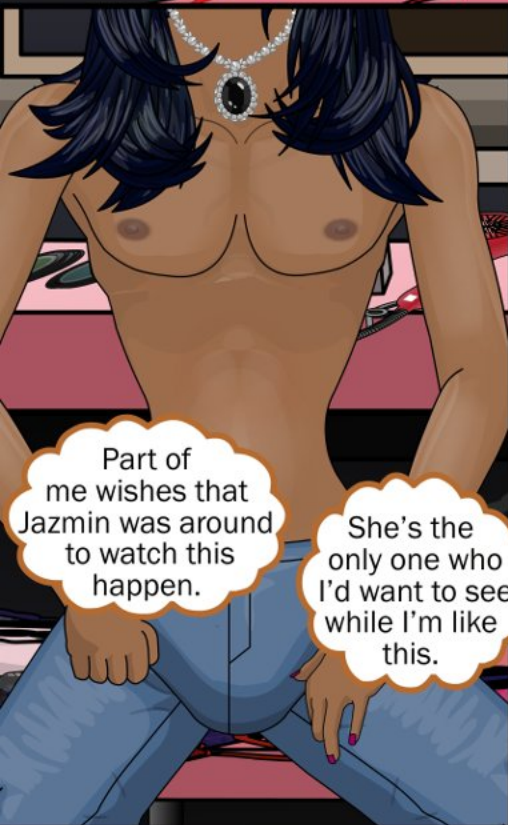

Since I'm by myself back here, I don't see the harm in taking my shirt off.

I wonder how it'll feel to have breasts grow in?

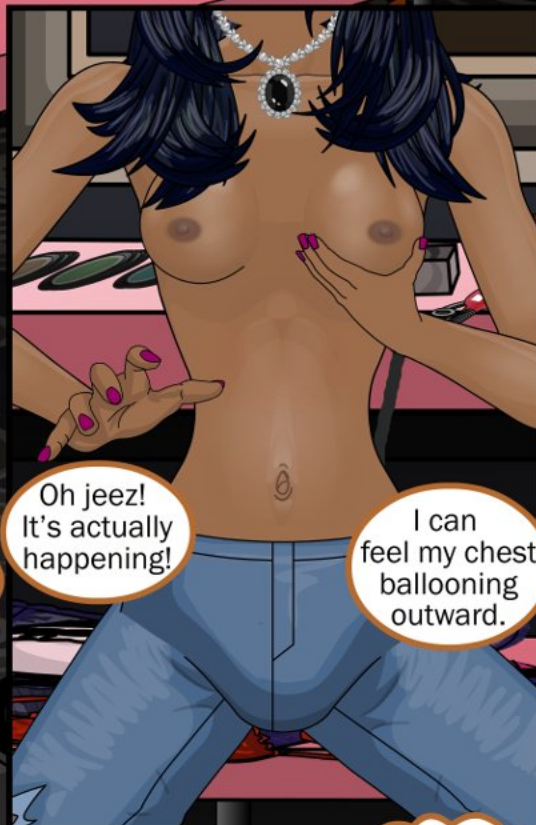

Jazmin always loves it when I tease her breasts, and she often talks about how much she loves having them.

Heh, I'm getting a little anxious to find out.

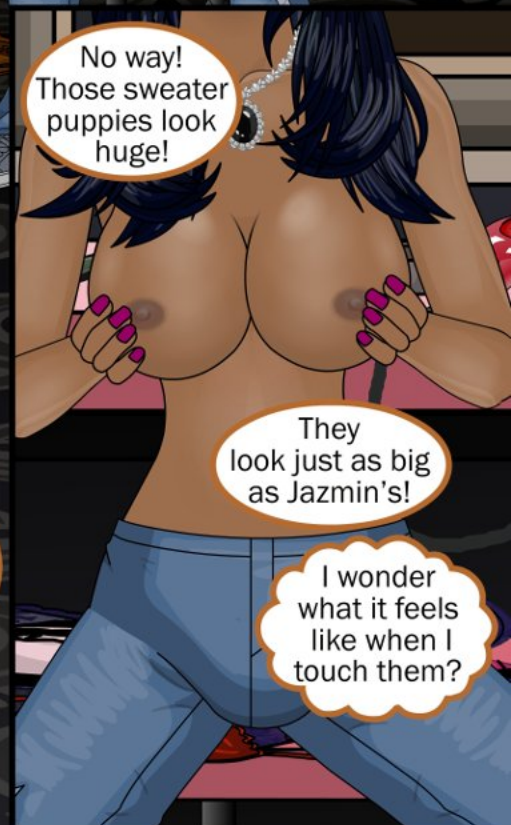

Part of me wishes that Jazmin was around to watch this happen.

She's the only one who I'd want to see while I'm like this.

Oh jeez! It's actually happening!

I can feel my chest ballooning outward.

No way! Those sweater puppies look huge!

They look just as big as Jazmin's!

I wonder what it feels like when I touch them?

Mmm, that sent a cool chill down my spine.

Maybe I should play with them a little?

Wait, was that really my voice? When did that happen?

I didn't expect my voice to sound so high-pitched or... sweet.

My nipples definitely feel more sensitive now.

And are they bigger, too?

I didn't expect these breasts to be so big... or so sensual.

Touching them definitely feels more stimulating than when I played with my nipples before.

Now I see why Jazmin loves it when I play with her breasts.

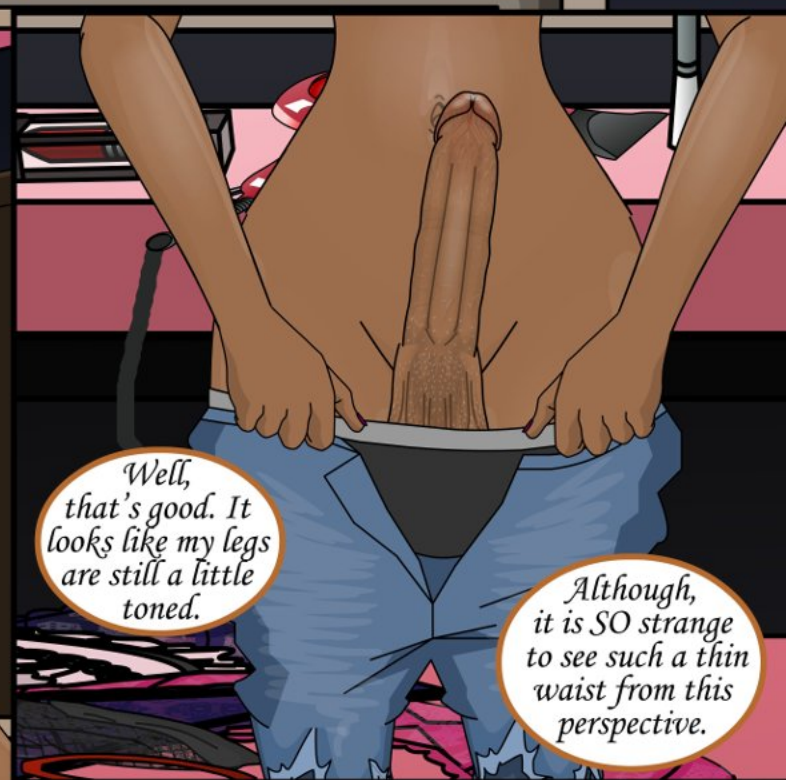

I kinda want to keep going. Playing with them will help me figure out the best ways to please Jazmin later.

But I don't think the transformation is done yet.

I'm curious to see what the rest of my body will look like.

For now, let's get these pants out of the way.

Well, that's good. It looks like my legs are still a little toned.

Although, it is SO strange to see such a thin waist from this perspective.

You know, watching this happen is a little more fun than I expected.

After the last few weeks of stress at work, I needed something interesting to happen.

And this butt is certainly interesting.

Heh, of course the necklace would give me a booty to rival Jazmin's.

Why wouldn't it?

Oh boy. I can feel my dick tingling now.

Do I really wanna see myself with a vagina?

Well, it's a little too late to stop now.

Just a little longer, and this tingling feeling should stop.

Mmm... the tingling is getting even stronger.

It doesn't feel bad, though. That's so weird.

I... I think it's done.

That felt so different than I expected, but I *am* rather impressed with the results.

I don't look half bad as a woman.

Wow, who is that beautiful lady looking at me?

It's nice to meet you, miss.

It's so hard to believe that's really my body.

I've gotta take at least one picture of her before I change back.

I can't wait to show this pic to Jazmin.

We'll both get a kick out of this later, after I explain everything to her.

It can't hurt to make her look sexy for the camera.

You're the newest dancer, correct? Keyshawn told me that there'd be a new girl tonight.

N-new dancer? B-b-but I'm not really a-

No time to explain, honey. You've got a performance to get ready for.

Is she fucking serious?! Me?! Dancing on stage like THIS?!

Calm down, Clayton. I'm sure if I talk this over with her rationally, I won't have to perform for a bunch of horny guys.

H-hey uh... Candi, was it? You're the new manager?

I think there's been a misunderstanding. I- I'm not supposed to be on stage.

You're naked in the changing room of a strip club.

Nice try, but you're definitely in the right place.

No, wait. Don't you recognize this necklace? Do you know what it does?

Nope, except that it makes you look pretty. But you can't go onstage and strip with just that on.

Does she not know about Keyshawn's gender-changing necklaces?

Hold up, you don't understand. This necklace belongs to Keyshawn.

Look, sweetie. I'm sure it felt great to get a special gift from Keyshawn.

But you need to be on stage in less than four minutes. I'll help you get ready.

You'll look great in this. The guys will love it.

Fuck! I can't get a word in edgewise with her, and now she's strong-arming me into performing.

This can't be happening to me! I can't be a stripper!

Why don't you put this on, and I'll prove how sexy you look in it?

A-alright, I'll try it on.

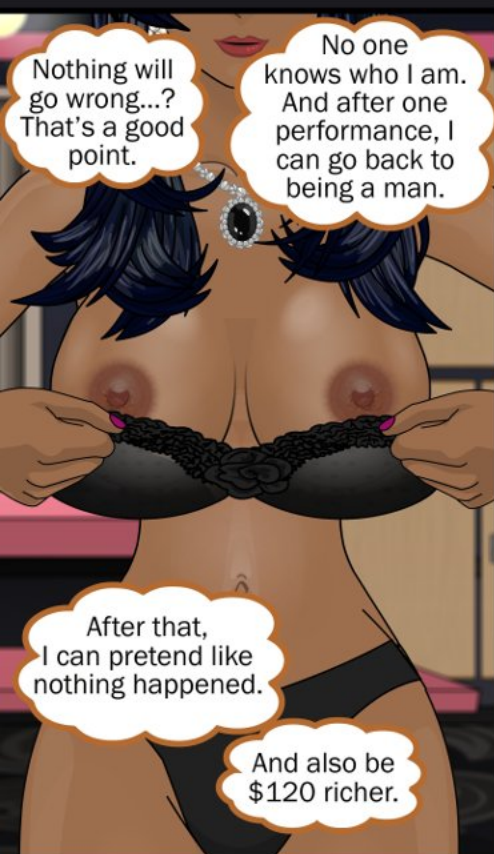

Even if I don't perform, at least I'll get to see how I look in this outfit.

That's the spirit! You're in safe hands with me, sweetie.

I've been in this business for over a decade now, and I always make sure my girls feel safe and protected.

Nothing will go wrong on my watch.

Nothing will go wrong...? That's a good point.

No one knows who I am. And after one performance, I can go back to being a man.

After that, I can pretend like nothing happened.

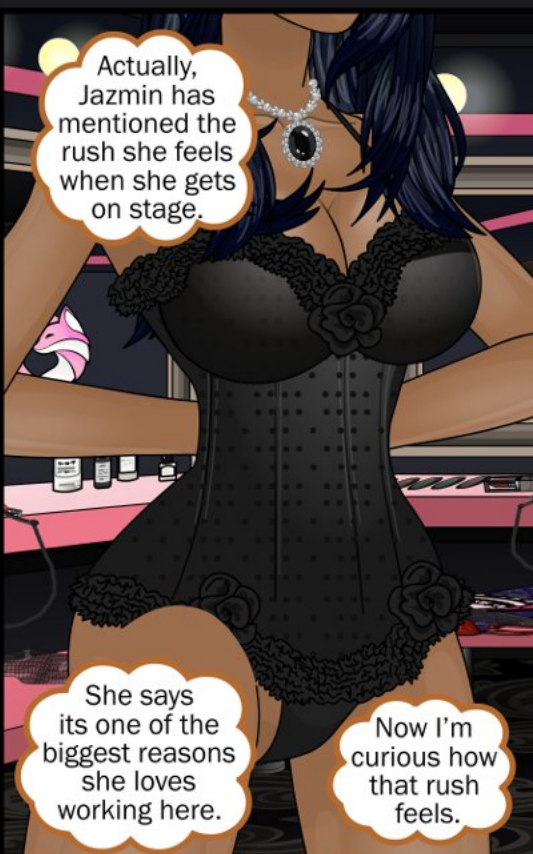

And also be \$120 richer.

And wait until you feel that adrenaline rush when you get on stage.

Adrenaline rush?

Between the music and the cheering, the rush of excitement will come to you.

Actually, Jazmin has mentioned the rush she feels when she gets on stage.

She says its one of the biggest reasons she loves working here.

Now I'm curious how that rush feels.

Well, I'm still nervous as all hell, but Candi has piqued my curiosity again.

I guess I could give it a try.

Alright, how do I look?

You look beautiful, darling. You're gonna kill it out there!

I can't believe I'm about to do this. Look at all those men!

Oh god! I totally forgot about Jazmin being out here! She's gonna see me strip, too!

This just keep getting weirder by the minute!

I'll let the DJ know that you're ready to go on.

Once they announce you, just let that curiosity of yours take over!

Wait, I-

Fuck! There's no way I can talk my way out of this now.

It feels like my heart is gonna leap out of my throat.

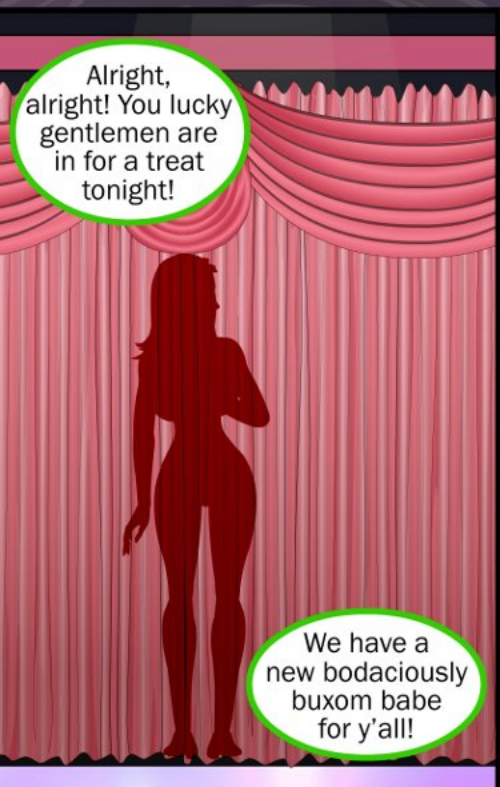

Calm down, dude. No one knows who I am like this, so there's no repercussions for doing one dance.

Not a bad turn out tonight. I could definitely make a lot of tips with this crowd.

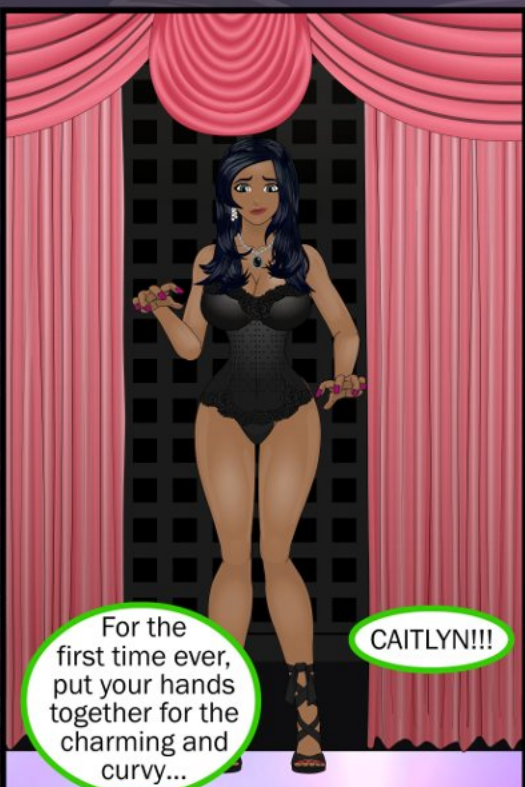

Especially since Gerald is here, too.

I'd better pay him a visit while Clayton is still backstage.

Alright, alright! You lucky gentlemen are in for a treat tonight!

We have a new bodaciouslly buxom babe for y'all!

For the first time ever, put your hands together for the charming and curvy...

CAITLYN!!!

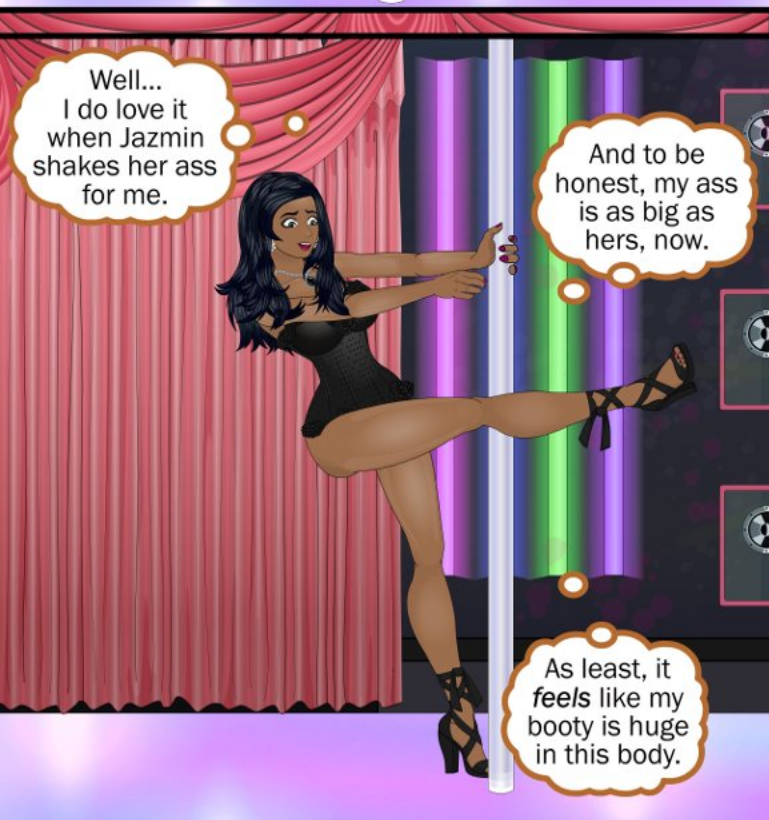

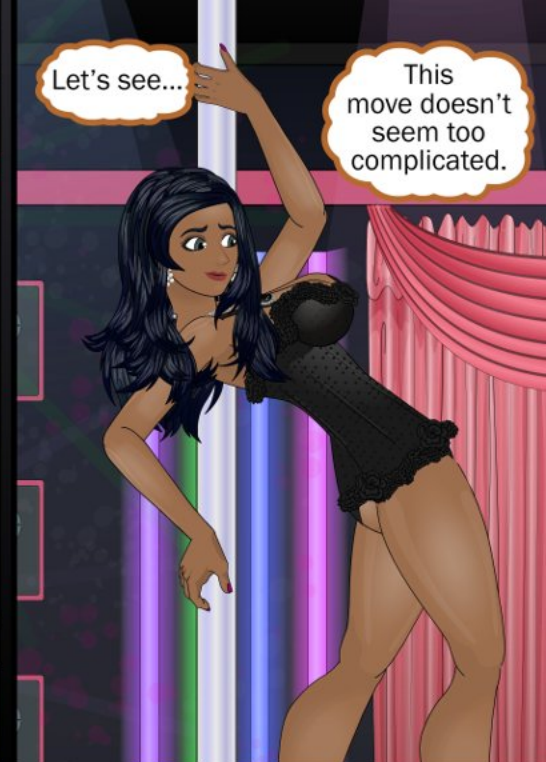

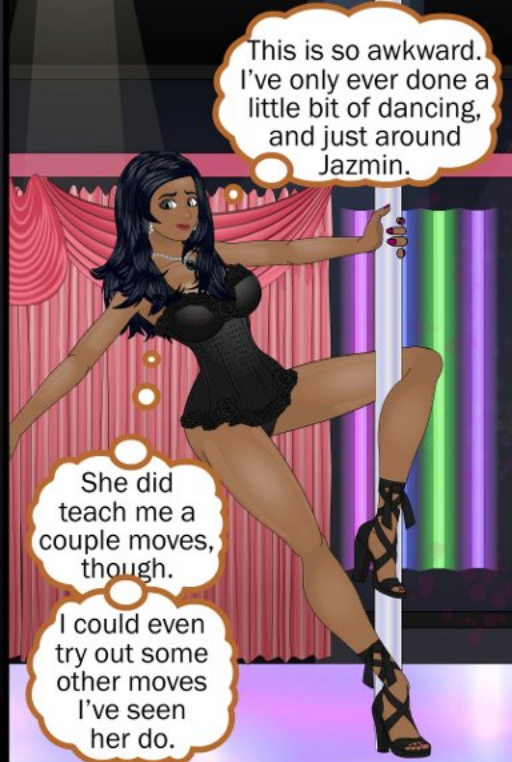

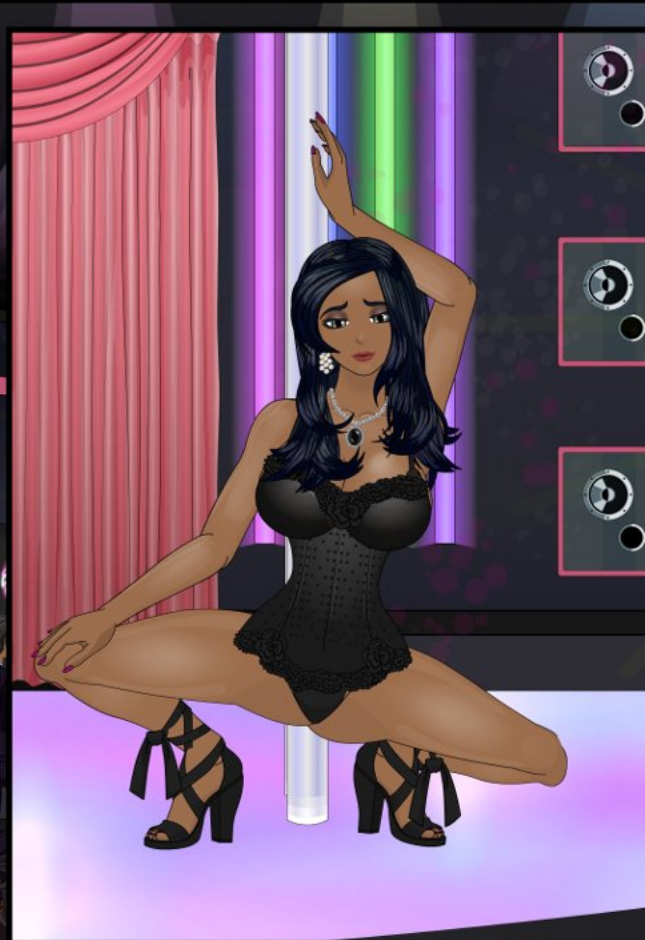

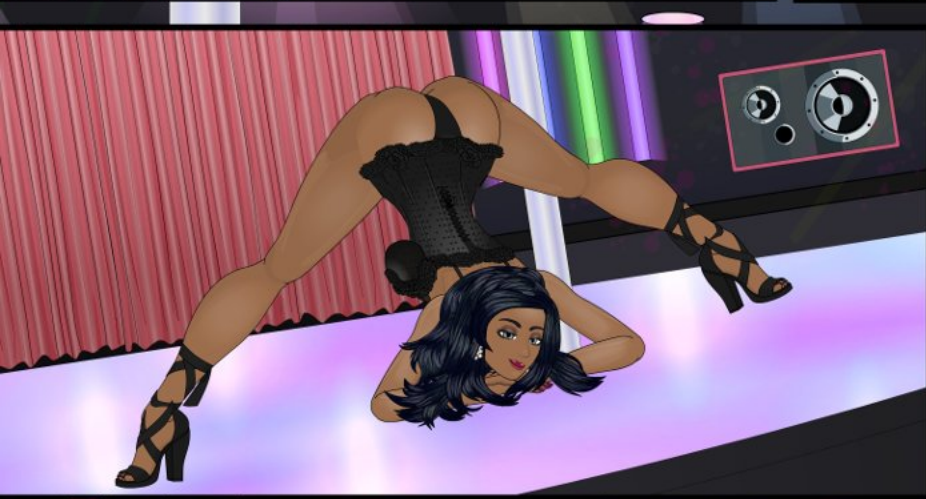

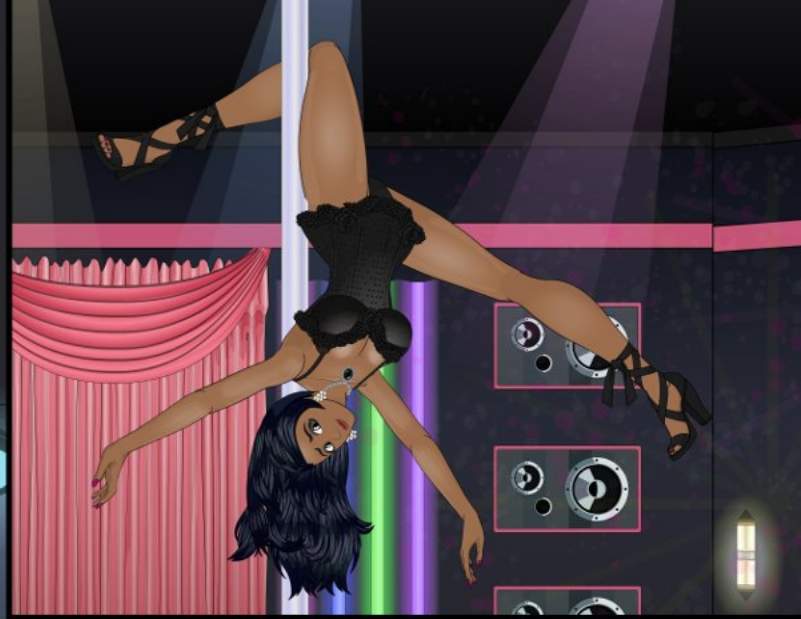

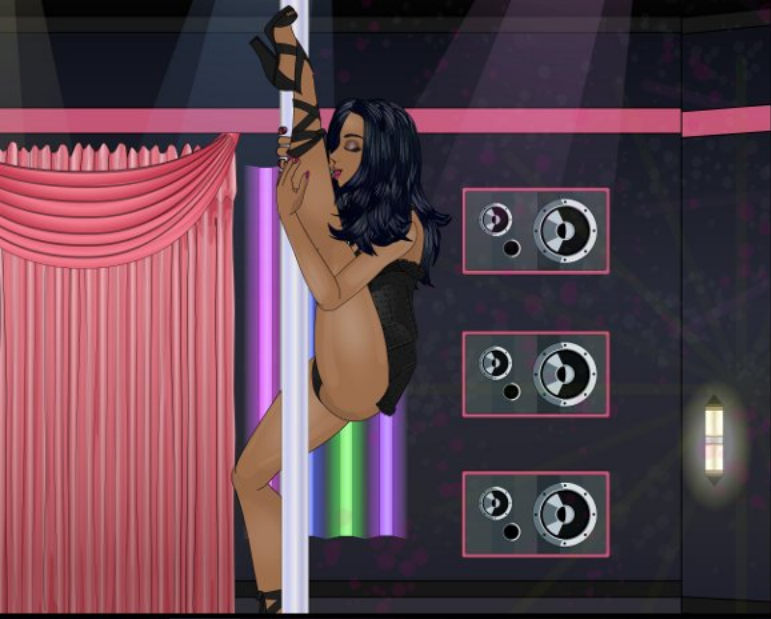

Wow, just look at them all! I don't think I've ever had so many men watching me.

Alright... I can do this.

For the next few minutes, just pretend I'm not Clayton.

For now, I'm Caitlyn.

Looks like someone's in a good mood.

I'm always in a good mood when I get to spend time with you, Jazmin.

Such a sweet thing to say. Would you like a private dance? Then we can spend a lot more time together.

I know you got the cash for it, baby.

I've got it right here. Why don't you start with a lapdance, sugar?

You know, after all the time we've spent in this club, I'm still surprised you turned down my offer for a date.

I enjoy our time together, Gerald. You're so generous and assertive.

But you know I've got a boyfriend that I'm madly in love with.

Well... I could be a better boyfriend than him.

Gerald is lucky that he's my wealthiest regular.

He's WAY too pushy for my tastes, but he always pays handsomely for my time.

So as long as the cash keeps coming, he can be as pushy as he wants.

Woah, check the new girl out! I'm digging that confident stride of hers.

Who is she, Jazmin?

I uh... I'm not sure. I've never met her before, I think.

Huh... there's something very familiar about this new girl.

Not only that, but I think I saw her using some of my usual moves earlier.

Where have I seen her before? Is she one of Mariah's friends?

Heh, this isn't as bad as I made it out to be.

I've never really been the center of attention before, but I've *definitely* got their attention, now.

I should probably step it up a little.

I do want the full experience of a strip dance from a woman's perspective.

And since I'll only be a woman for a little longer, I might as well have some fun.

So enjoy them while you can, boys!

Because these tits aren't going to be around much longer.

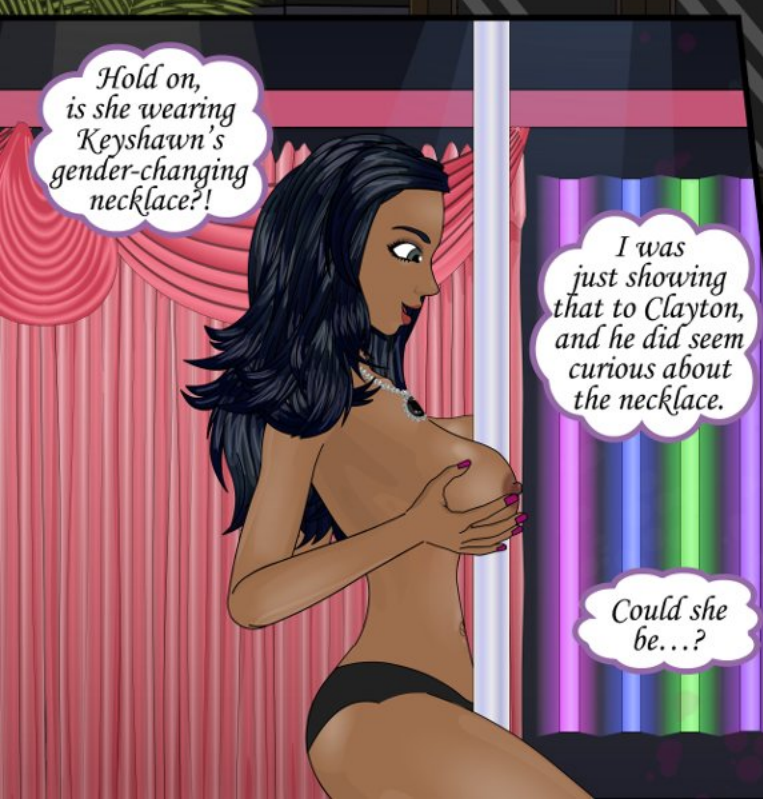

Heh, I'm definitely feeling that adrenaline rush now. It feels great!

Damn! She sure knows how to work it. And I'm digging her abs.

Did Gerald's erection just get bigger?

Wait... I feel like I've seen her outfit somewhere before.

Hold on, is she wearing Keyshawn's gender-changing necklace?!

I was just showing that to Clayton, and he did seem curious about the necklace.

Could she be...?

GASP!
Oh my god!

Clayton?!?

I don't see Clayton anywhere in the crowd. There's no way he'd still be backstage.

Maybe he went back home?

This new girl does look a bit like Clayton. But why would he put on the necklace?

I know he said he was curious about magic, but I never thought he'd want to turn into a woman and perform on stage!

It would explain why she's using some of my regular moves...

But the strange thing is... she's actually doing pretty good up there.

Maybe I'm just overthinking all this?

She could be the guy Keyshawn was punishing in the first place, and Clayton is in the bathroom or something?

Either way, I definitely wanna know more about this new girl.

It's funny. A few minutes ago, I was terrified of stripping for a bunch of strange men.

But now that I've gotten the hang of this, it's actually a little fun.

Oh god! I didn't notice Jazmin watching me until now!

She's totally focused on me, too. Has she figured out that it's me?!

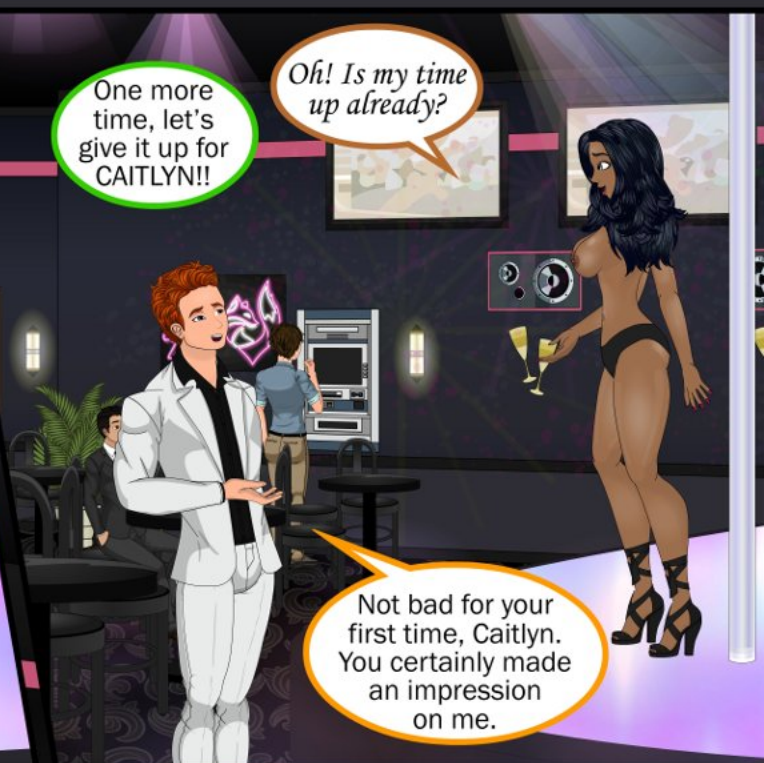

How am I going to explain all this to her?

No. Don't worry about that right now.

I should just enjoy this moment while it lasts. Maybe Jazmin is enjoying this, too?

Just pretend I'm dancing only for her.

Shit! I think she's onto me.

Is this necklace special to you? I- I had no idea.

Don't worry, it looks cute on you. But that necklace has a... special meaning at the Frisky Vixen.

R-really? I just thought it... went well with my look while I was changing.

Yeah, funny thing about that. I was just backstage, and I didn't see you changing.

In fact, I didn't see any girls backstage. Care to explain, Caitlyn?

Well, you see... I just... this is...

I don't like lying to you, Jazmin.

I'm not really Caitlyn.

It's me... Clayton.

Oh. My. God.

I can't believe you not only put on the necklace, but got up onstage and stripped for a bunch of strangers.

I didn't think you had all that in you. But I'm happy to be proven wrong.

Wait, so you're not mad at me?

Why would I be mad at you? I'm impressed you actually pulled off those moves on the pole.

I'm a little shocked you chose to turn into a woman, but I'm proud of what you did up there. That takes courage, especially for a man.

Thank god. I was worried that you'd think I'm weird for dressing up like this.

I already thought you were weird long before you put on that necklace, sweetie.

But I love you because you're my kind of weird.

Aww, thanks for being understanding, babe. I love you for your weirdness, too.

Can I just say... I cannot believe my boyfriend is a cuter girl than me.

Why did you put on the necklace, anyway?

After you made turning into a woman sound so interesting, I was curious to see what I'd look like as one.

I guess after the last few weeks of stress at work, I wanted to try something that might be fun.

And you thought stripping for a bunch of horny men would be fun?

That was... not what I originally wanted to do.

Honestly, I only wanted to be Caitlyn for a few minutes.

But then that Candi girl thought I was the new dancer, and forced me to put this number on and go up on stage.

Did you tell her that you were really a man?

Not in those exact words.

Although, Candi can be very persuasive. She made me curious about trying it out one time.

If I'm gonna be Caitlyn just once, I might as well go all in, right?

Giggle!

That was the same belief I had when I first became Jazmin.

I know, but I've had my fun being Caitlyn, now.

I've settled my curiosity. I want to go back to being your boyfriend.

I'm just kidding, sweetie. I'm just still stunned that you went through a whole strip routine like a professional.

You really think I did well up there just now?

Absolutely. I thought about putting a few bucks in your thong, myself. If that job of yours doesn't work out, I could mold you into the next great stripper of our generation!

I- I don't think I'd be comfortable with doing that again.

Come on! Don't you wanna be coworkers with your girlfriend?

GASPI!
You and I could be the first millionaire strippers if we worked together!

Now you're just teasing me, aren't you?

Just a little. I may never get another opportunity like this.

But even if Caitlyn is gorgeous, I like you more as Clayton.

Although... Caitlyn is getting my motor running, too.

It's probably because I know she's really Clayton, but Caitlyn is the first woman I've found attractive since I became Jazmin.

Maybe Clayton should hang onto the necklace for a few days?

Then she and I could explore our curiosities together.

But hey, I get it. Not everyone wants to be a woman forever.

Let's get you backstage so we can find that other necklace.

Great, I can't wait to-

Excuse me, Caitlyn?

I just wanted to say you were stunning up there. You took my breath away.

Please, call me Gerald. It's a pleasure to meet you.

Oh, wow! That's very kind of you, sir.

Oh boy! Did it have to be Gerald?

It's nice to meet you too, Gerald. Thanks again for the very generous tip.

After how well you performed onstage, it felt like a crime not to reward you for it.

Huh, Gerald is acting WAY nicer than he usually does with me.

I'll bet you say that to all the first time performers.

Not at all. I'm very selective when it comes to who I spend my money on.

I only go for the best, Caitlyn.

Then you're definitely a man of good taste.

Jazmin's mentioned Gerald to me a few times. She calls him a sleazeball, but I don't see it.

He seems very generous and kind to me.

And maybe it's because of the way he's talking to me, but he does seem...

...handsome.

I see that you're already familiar with Jazmin.

Oh yeah, Jazmin and I are uh... really good friends.

In fact, she was the one who got me into exotic dancing in the first place.

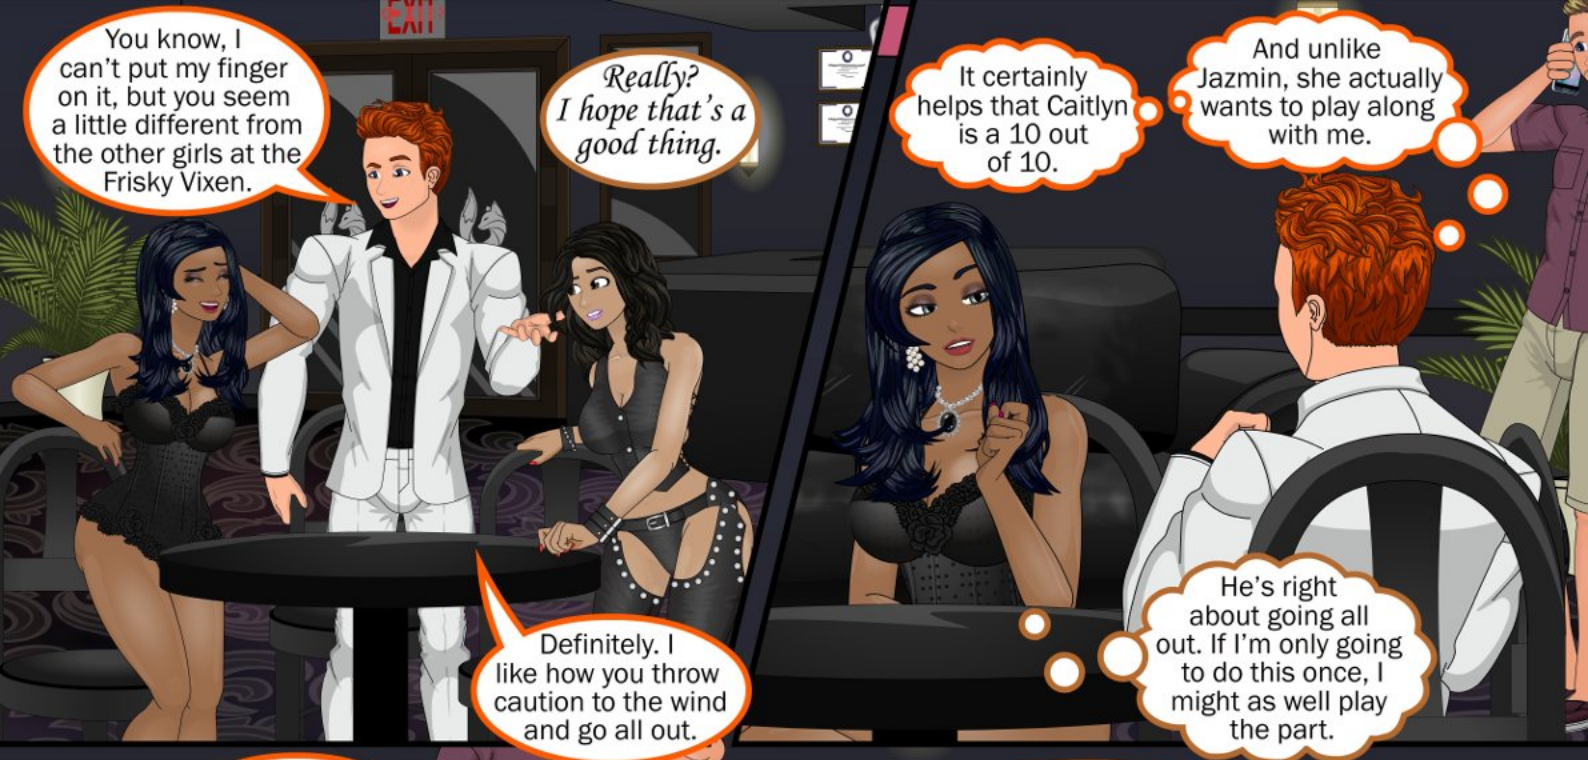

I'm glad Jazmin convinced you to give this a try. Does this mean you'll be performing here regularly?

I'm not sure yet. But if guys like you keep showing their appreciation, I might consider it.

Oh, this girl is such a flirt.

Wow, I never expected Clayton to flirt with another man.

I know I should be upset about that, but I'm impressed that he has it in him.

You know, I can't put my finger on it, but you seem a little different from the other girls at the Frisky Vixen.

Really? I hope that's a good thing.

It certainly helps that Caitlyn is a 10 out of 10.

And unlike Jazmin, she actually wants to play along with me.

Definitely. I like how you throw caution to the wind and go all out.

He's right about going all out. If I'm only going to do this once, I might as well play the part.

But now that you've got my full attention, I'd like to get to know you better. More privately.

Y-you want a- a private dance? With me?!

I've never done anything like that before.

There's always a first time for everything.

But I'm happy to sweeten the pot.

How's about \$1,000 for a private dance?

A thousand bucks?!

Holy shit! That's more money than I get from an entire week's worth of work at my current job.

Would it really be so bad to give this handsome man a private dance?

Maybe? I'm fine with flirting with him, but touching him would feel... bizarre.

Then again, I did just say that if I'm only going to be Caitlyn once, I might as well play the part.

Wait... is Clayton seriously considering Gerald's offer?

Shit! I can't leave Clayton alone with him!

Think, Jazmin. Think!

As much fun as it is to watch you two flirt, I feel like I should step in for a moment to protect my bestie.

Your offer is quite generous, Gerald. But Caitlyn is new to all this.

We wouldn't want her to feel pressured to do it, would we?

Is Jazmin seriously gonna cock block me now?

But since you're so eager, I have a counter proposal.

I'll give you a private session at half of your usual rate. We can do whatever you want.

On any other night, I'd take that offer, Jazmin.

But more than anything, I would like to spend some time getting to know Caitlyn.

Girls like Caitlyn don't come around all that often. I don't want to miss out.

This is a lot to take in at once.

I'm glad Jazmin is standing up for me, but...

Gerald clearly wants me. Badly.

Plus, it's hard to say no to a thousand bucks.

Alright, Gerald. I've given it some thought, and I'm down to go to a private room with you.

WHAT?!

Now those are terms I can agree to. You've got yourself a deal.

G-great. Lead the way, Gerald.

I didn't think Clayton would agree to Gerald's proposal. Something weird is happening here.

As long as it's only for dancing and stripping. No full service.

I'm gonna have to do something drastic.

Hold on, you two.

I get that the money is tempting, Caitlyn. But we do have rules for your own safety.

And you haven't been properly trained for private sessions.

Wait, are you telling me I can't give private dances?

You need some "guidance" before you do anything.

So I have a new deal: I'll join you both, so that I can help Caitlyn with her first private dance.

You can pay Caitlyn whatever you like, but I'll only charge my usual fee.

You did tell me once that you dreamed of having a private session with me and another girl. Now's your chance, Gerald.

You make a convincing argument. I'm down for anything, as long as it's alright with Caitlyn.

What are you doing?

Protecting you from him. But if you want the full exotic dancer experience, I want to be there by your side.

And maybe even get a taste of Caitlyn, myself.

I didn't realize that Jazmin found me attractive like this. Now I'm curious what lesbian sex with her would feel like.

Alright. Having my best friend with me will make this even better.

I can't think of two better girls I'd rather have a private session with.

There's nothing hotter than two strippers who have the hots for each other.

But given the choice, I'd rather fuck Caitlyn's brains out tonight.

I had a feeling you were attracted to Caitlyn.

You know, I've never danced with anyone I've found attractive.

How could I not be attracted to you? You make a delicious woman, sugar.

Yeah? And what are you gonna do about that?

Jazmin might love to tease me, but I do love provoking her, too.

I could have sworn you said you were attracted to other women.

Not even Lexus?

Lexus has nothing on you, gorgeous.

You have no idea how much I wish I was in Gerald's position right now.

Don't worry about him. You're getting the better show, now.

It's been a while since I've been in command like this.

Come here, Caitlyn.

Her lips taste so sweet. Like sugar!

I'm so horny for Jazmin right now!

I don't want this moment to end!

I had a feeling these two were into each other.

This is worth every cent!

Alright, I'm glad I decided to be Caitlyn a little longer.

And I think Jazmin is glad that I did, too.

God, I want her even more than usual.

Although, it does feel awkward to do this in front of Gerald.

Why would it be awkward? He's just as turned on by this as I am.

After all, I'm putting on this show for him.

I haven't been this turned on by a woman since I stopped being Juan.

I'm so happy Clayton put on that necklace, because I get to show my love for him in a new way.

As much as I enjoy watching you two lovely ladies make out, I'm feeling a little left out.

Oh! I got a bit carried away.

I would too, in your position. How's about a lap dance, Caitlyn?

A lap dance? Well, if you really want me to.

Has anyone ever told you how cute you are when you blush?

You don't have to be nervous, Caitlyn. I won't let anything bad happen to you.

He's so confident when he says that. I can't help but trust him.

I want to know what it's like to give a lap dance.

I guess Clayton really does want the full stripper experience.

You go, girl!

It's so embarrassing to give another man a lap dance in front of Jazmin.

But I shouldn't think too hard about it. Just enjoy.

Yeah, maybe I *am* overthinking this.

This is a once-in-a-lifetime experience, and I...

I would like this to be as enjoyable for Gerald as it is for me.

I haven't seen Clayton this shy since we started dating. He really is cute when he blushes.

So... tell me a little about yourself. What made you want to be a dancer?

I guess it was mostly curiosity. I wanted to prove to myself that I could do this.

Is that why you act a little shy? Or is there another reason?

Well... I have been very unhappy with my other job recently.

So I... I wanted a new opportunity to let loose and have some fun.

It's interesting to jump into a pair of heels and dance for men's attention.

Sounds like your other job doesn't truly appreciate you. But I promise that I do.

Thanks. And I'm sorry about acting shy sometimes.

Don't be sorry. Shy girls are the cutest, especially when they "let loose".

I didn't think watching Clayton give another man a lap dance would turn me on this much.

Mmm, Clayton's even kinkier than I gave him credit for.

Keep rubbing his big bulge!

I can feel Gerald's bulge rubbing up against me. It feels like it's getting bigger, too!

I'm getting curious about seeing what I've done to him.

Y- Yes! I would like to see it with my own eyes.

So I know I said there would only be stripping and dancing, but I never said WHO would be stripping.

Does this mean that our agreement is altering?

It might be. But I promise I'll only make it better for you.

Looks like someone wants to come out and play.

May I?

By all means, gorgeous.

Wait... there's no way Clayton's actually gonna do this, right?

GASP!

Oh... oh wow!

Holy shit! Look at the size of that thing!

Wow! Clayton is even more daring than I expected!

I've never seen a cock that huge before. It's so girthy.

Gerald is way bigger than I ever was.

I can't look away from it. I feel so... turned on.

Stunned silence, I see. Are you still uncomfortable, Caitlyn?

Not at all. You just took me by surprise.

But now I think I'm ready to make more alterations to our agreement.

I was hoping you'd say that.

I never thought I'd see this side of Clayton.

It's kinda hot, watching him discover this new side of himself.

Well, if you're so good at giving head, then why don't you show Caitlyn some of your excellent techniques?

With pleasure.

Watch and learn, bestie.

I might not have sucked a guy off like a lollipop before, but I do know what guys enjoy most during a blowjob.

But right now, I just totally wanna see Jazmin deepthroat Gerald.

I'm not sure what I like more right now: feeling Gerald's precum on my tongue...

Or teasing Clayton more and more by tempting him.

Jazmin has always given first class head. It's why I admire her so much.

But more than anything, I want to see what Caitlyn would do if she were in Jazmin's position.

God, I'm getting, like, so hot watching Jazmin blow Gerald.

It's funny. I love being on the receiving end of a blowjob, but I've never thought about giving one.

Until now.

I hope you're taking notes, Caitlyn.

Although, you look a little preoccupied with other matters at the moment.

Oh! S-sorry! I just... forgot where I was for a second.

It's alright. I get lost in pleasure when I'm in here, too.

Would you like to take Jazmin's place for a while?

I'm not sure. I don't think she's ready to-

I'll do it. For the right price, Sugar.

Wait, huh?!
R-really?!?

You made
it look like so
much fun that I
wanna give a
little head
myself.

I- I mean,
if you insist.

I'm glad to
see you're not
so shy, now.

Well,
all this might
have started
out as a
curiosity.

But seeing
you like this,
it's turned
into a bit of
a craving.

Don't pussy
out now, Caitlyn.
You've, like, gotten
this far and you've
had a blast.

Just relax and
enjoy the feeling
of his cock sliding
down your
throat.

Jazmin is such a
tease, though. I
wanna give Gerald
what he wants,
now.

I need to feel
his cock hitting the
back of my throat!

Holy shit! I
didn't think I
could do that!
Fuck yeah!

I can't forget to
massage his balls.
That's totally the
best part!

Damn,
if this is her
first time, I'm
impressed.

She's a little
raw, but she's
clearly eager
to please.

Wow! I
would have never
expected Clayton
to willingly suck
another man's
cock.

Then again,
he always has
been enthusiastic
about pleasing
me.

I just
didn't think
he'd be so
thirsty for
dick.

Mmm, yeah! That's it, Caitlyn. Your mouth feels so good!

I don't know why, but I like it when Gerald showers me with compliments.

It's so awesome to know he appreciates me!

I can feel his precum on my tongue. It tastes so warm and sweet.

There are so many emotions going through my head right now, but my lust for Gerald's cock is overpowering all of them.

You look a little lonely over there, Jazmin. How about you join your friend?

A double blowjob? I've never done that before.

There's a first time for everything. Now, get over here.

Anything you say.

Oh yay! I was, like, totally hoping you would join me, Jaz!

Whatever. this'll be fixed once he puts on the other necklace.

In the meantime, I'd better show Caitlyn who the pro is around here.

Damn, Jazmin looks so good when she goes down on a guy.

And if sucking cock feels this good, there's a lot I could learn from her.

Wait... do I really want to suck a big stud off after I'm done here?

I mean, this feels amazing on so many levels, but I thought it was just a one-time thing.

All this was just out of curiosity...

And that curiousness has led to a lot of fun stuff. It's way more exciting than that totally boring job!

Could I really go back to that life after this?

I-I'm not sure. That job does totally suck.

But I'm Clayton, not Caitlyn. This isn't me at all.

Juan felt the same way before the necklace. Now look at her sucking Gerald off.

You never know who you are until you try.

Oh fuck! You two are so good at this!

I'm gonna cum!!

Damn! His cum looks so yummy on Jazmin's tits.

I could just eat it all up!

In fact...

MOAN!!!
Mmmm, yeah!!

Giggle!

That tickles! Looks like someone is still eager for more!

How about we give our customer a little show while he recharges?

I'm impressed by how well you've been taking all this. You look like you're enjoying it.

I do really like seeing how the other half lives.

Care to show me more about the pleasures of a woman's body?

That is if you're comfortable with this. I know you're not attracted to women.

I'll make this one exception, because I know it's really you in there.

Besides, I wanna know what lesbian sex feels like, too.

Lay back for me, Caitlyn.

I wanna show those big breasts of yours some love.

Yes, ma'am.

It really turns me on to see her taking charge here.

MOAN!

Oh god!!

Don't stop, baby!!

Listen to that sweet moan! I've never heard him moan that loud before.

His breasts are so soft. And his nipples taste surprisingly sweet.

If her nipples taste this good, I can't wait until I get to her pussy.

moan...

Fuck! Your fingers feel so good!

You were doing such a great job, I didn't wanna make you feel left out.

You've always been so generous.

Please keep going!

Oh god! I love the way Jazmin plays with my nipples!

They're WAY more sensitive than I expected.

Mmm, you look so delicious like this.

I could just eat you up.

Mind if I give it a try?

I'm all yours, Jazmin.

I want you so bad!

Slide your tongue in deeper, Jazmin!

Ah! Ah! AH!!

Fuck!!

Oh yeeesss!

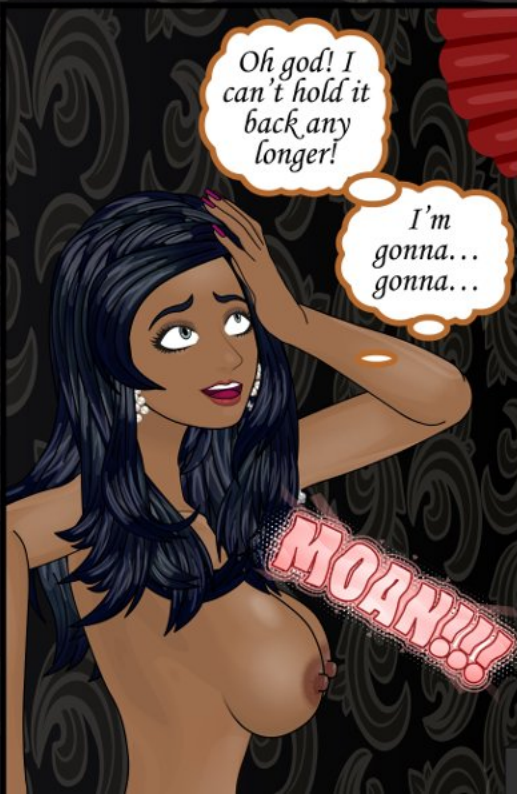

Mmm, her juices taste so sweet.

And she's practically gushing right now.

I always love it when Clayton flicks my clit with his tongue.

So let's give that a try.

Oh god! I can't hold it back any longer!

I'm gonna... gonna...

MOAN!!!

Wow! My first orgasm as a woman! That felt so...

...Earth-shattering. The first of many, I hope!

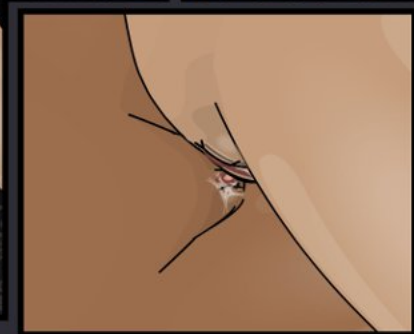

I'm not done with you yet, beautiful.

We've gotta put on the best show for our customer, right?

I can't believe how electrifying this all feels.

The way Jazmin's pussy rubbing against mine makes my whole body shake!

This moment with Jazmin makes this whole night worth it.

I'm so glad I get to experience this with her.

But... why can't I get Gerald's throbbing cock out of my head?

I guess it really is like I told him. I'm craving that sucker.

I'm surprised it took me this long to finally have sex with another woman.

It definitely feels more sensual than I expected.

I'm so glad I get a chance to experiment with Clayton.

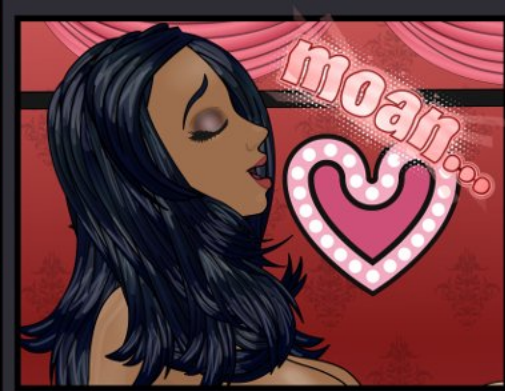

Although, nothing beats the feeling of a big, hard cock fucking me senseless.

I wonder if Clayton will start to feel the same way if he were to stay as Caitlyn?

moan...

As long as I keep him moaning like that, I don't think I have anything to worry about.

Oh yeah!
You like that,
Caitlyn?

Mmmhmm!!

He's
sending
shivers all
across my
body!

MOAN!

Wow, really?
You're busy getting
fucked, yet you still
want to make
me cum?!

I knew
you were eager
to please,
Caitlyn!

Fuck!
I can't believe
I can fit his
throbbing
cock inside
of me!

It hurts
so good!

And I totally
adore how
assertive Gerald
is being right
now.

He wants
me just as
badly as I
want him!

Oh yeah!
Daddy definitely
loves the way my
pussy feels!

I don't know
what's gotten
into me, but...

I want him
to fuck me
harder!

I wanna
scream his
name while he
pumps his cock
further into
me!

If I'm gonna be
Caitlyn, I wanna
go all the way,
now!

I can't believe
Clayton is taking
Gerald's cock
like a pro.

When did he
become such
a freak?

Oh God, Caitlyn. That's so good!

MOAN!!!

I really, *REALLY* like making you moan like that!

Fuck! Where did this wild side of yours come from?!

It's always been in me, big boy.

I just decided to finally let her out to play!

This girl is too good to be true. Gorgeous, wild in the sack, eager to please, and the tightest pussy I've ever felt!

I'm getting so close, Caitlyn!

I wanna fuck your tits before I do!

Yay! Whatever you want, daddy!

I want to feel your cock between my titties!

God, I love it when she calls me "daddy"!

Mmm, you like how my big boobies feel?

Oh fuck yeah!

I can't hold back! I'm gonna cum!!

That's it, Gerald! Cum for me!

Mmmmm, yeeeeeah!!

His cum feels so warm! I love the sensation on my skin, too!

Wow! That was well worth a thousand dollars in my book.

That felt incredible for me, too.

As hot as that was to watch, I do hope Clayton only acted like a cock-hungry slut for the money.

I've gotta say, Caitlyn, if that really was your first private session, then blew my expectations out of the water.

That wasn't the only thing that blown, was it?

I'm just glad someone really appreciates me and my "talents".

That was... not what I expected from you, Caitlyn. You're usually much more reserved.

I know, right? It felt great to take on this new persona and become an exotic dancer.

This really gave me the confidence boost I totally needed.

Now I understand why you love this job so much.

The adrenaline rush, the primal lust, and the satisfaction. It's intoxicating.

Heh, yeah. All that is definitely part of it.

I just hope Clayton still wants to turn back into a man after we're done here.

You both were incredible tonight.

Here's the other half of the money I promised, plus an extra \$200 for each of you.

But before I go, could I have a moment alone with Caitlyn?

Um... sure. I'll be outside if you need anything, Caitlyn.

As much as I want to take Clayton with me, I trust that he'll keep this brief.

Heh, alone at last. I'm glad you agreed to give me a chance.

I knew I saw something special in you, Caitlyn.

Oh, I'm not like most other girls. And you're definitely better than most men I've met.

I promised that I'd give a big tip to my favorite girl. So here's an extra \$300 just for you.

No way! You've given me over \$1500 tonight!

What if I told you there's WAY more where that came from?

Is this guy for real? How loaded is Gerald, anyway?

Let's just keep this between us, though. We wouldn't want Jazmin getting jealous, right?

Anything you say, "daddy". My lips are sealed.

You know... I really don't want this moment to end.

You're different from Jazmin.

Unlike her, you actually play along and are eager to please.

I like that quality in women.

So, how would you feel about going on a date with me?

A date as Caitlyn? Hmm... ten minutes ago, I would have said no.

But after fucking the biggest, yummiest cock I've ever seen, it makes me wanna do it again.

Plus, going on a date with a rich boy could be a ton of fun.

I wouldn't normally date customers, but I know Jazmin dated her first client, and it worked out well for her.

You've got yourself a date, Gerald.

Wonderful. I promise to treat you like a queen.

KISS

Like a queen, huh?

I wouldn't mind that at all.

Damn, Clayton! You really went all out with Gerald. It was pretty hot to watch you ride him.

I was a little worried that would make you jealous.

I'm just surprised that it looked like you enjoyed it.

Honestly? I did enjoy every moment of that.

Especially the look of gratitude on his face.

And yours, too.

So I was wondering if you could get me a job here at the Frisky Vixen?

What? But I thought you only wanted to be Caitlyn for tonight?

I thought so, too. But being Caitlyn makes me feel powerful.

It makes me want to try being Caitlyn for a while.

I- I don't know, Clayton. If you stay like this, you might not want to change back.

Don't worry about that.

I'm only doing this out of curiosity, remember?

Besides, you did say you'd do anything to help my work situation. Getting me a job here would be a great help.

Well, if you think you can handle it, I'll talk to Keyshawn about getting you a job at the Vixen.

Yay! You're the best girlfriend in the world!

Come on. I know you want some more of this big booty of mine.

Have I turned Clayton into a cock-hungry slut? I've gotta do something to help him.

Maybe it's the necklace that's affecting him?

I don't know that much about the necklace. But I'll bet Keyshawn knows everything about it.

To be continued...
