

shiver

Man... we
still have so far
to go...

How... how
are you not cold?
You're not even
wearing pants...

Duh, I made
myself all fluffy
and adorable!

This fur is
super warm!!

I... see...

You know... I
can make you
fluffy and adorable
too~

Er... pass.

Aw, come
on! I can see
you shivering. It's
super warm and
cozy~!

long sigh

You know what, fine.
You're not gonna leave
me alone until I give
up anyway.

Yaaaay!! Okay, what
do you wanna be??

I... I dunno. Something
good in the snow, I guess?
Like I guess reindeer are-

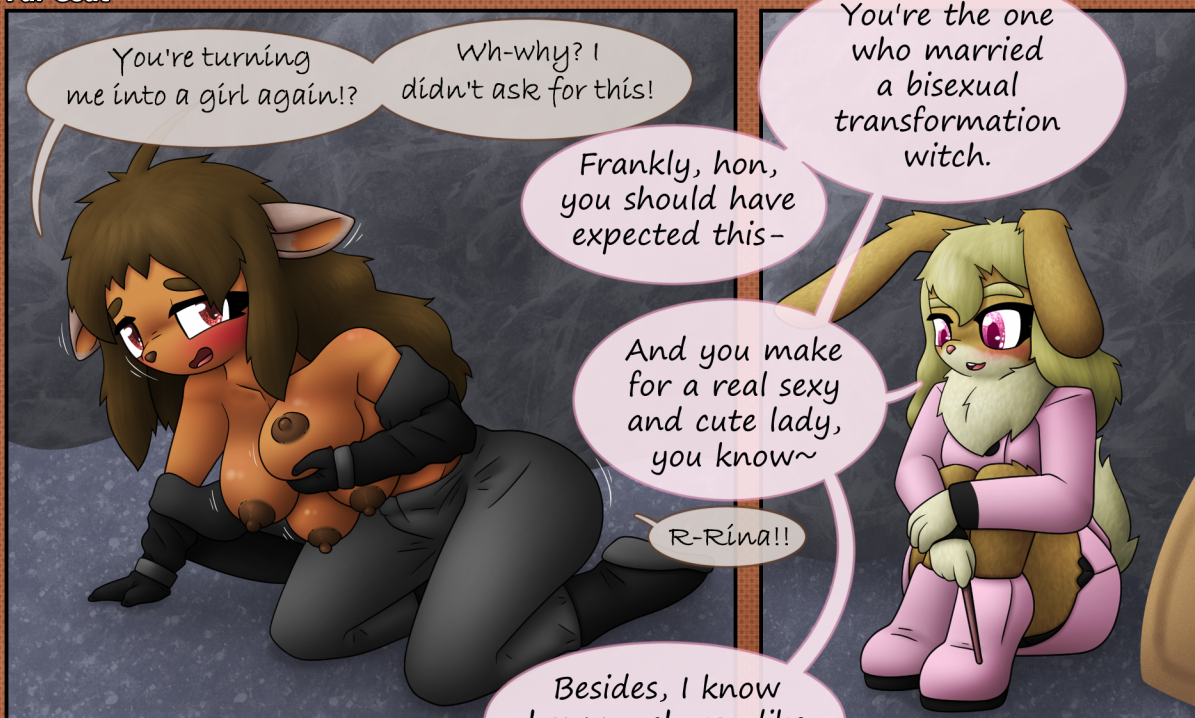

gasp

Reindeer!?

Wait-

You know, I
thought you were
gonna pick something
boring like wolf
or whatever-

Nngh... Are these... Yeah...

My feet are turning into hooves... That's so weird...

W-wait-

H-hey, slow down!!
Let me take off these clothes first, yeesh!!

Aw, but I like seeing you bust out of them...

Hm, you're still wearing pants, maybe I could blow up your ass so it pops right out of them...

NO! No, no, no no, no!!

Look, they're off! So don't even!

Aw... Well, watching you take the clothes off your rapidly changing body is hot too...

sigh

Well... What are you waiting for?

I know you're gonna get rid of this too-

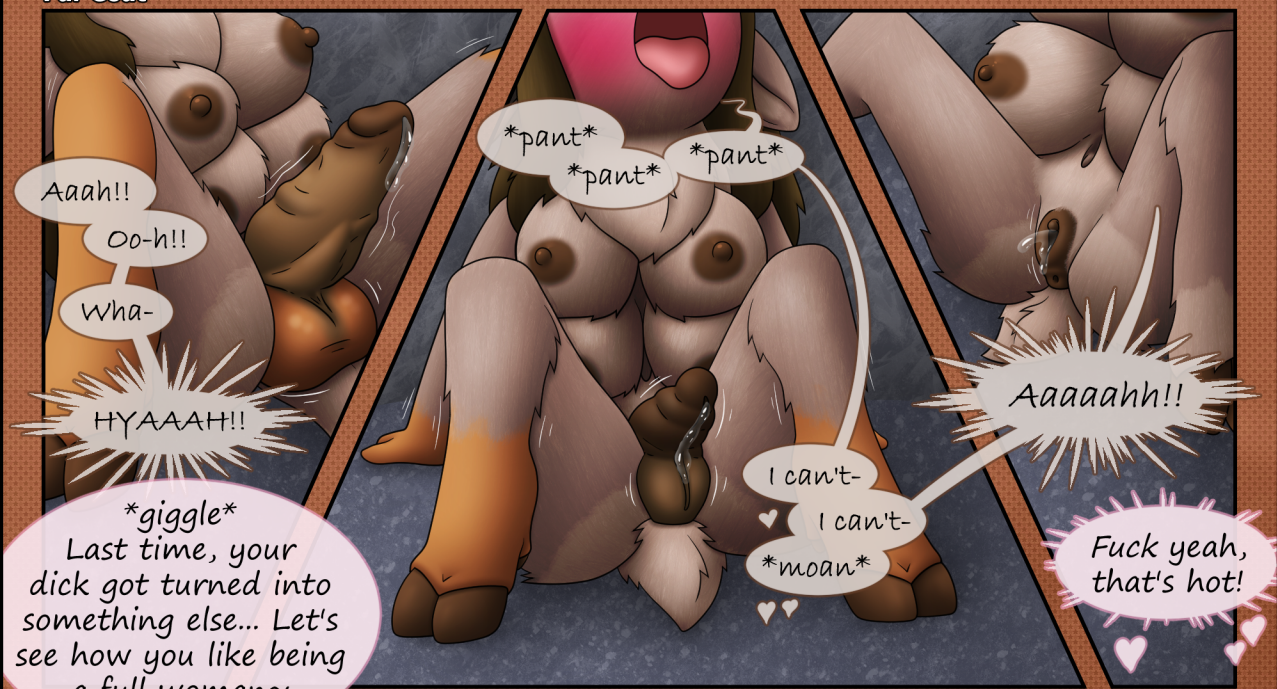

Are you asking me to get rid of it?

Ye- NO!

Aha!! I heard you!!

Th-that wasn't-!!

Wha!?
What are those!?

Why is my body getting longer!?

Rina!! What are you doing to me!?

Shh...

G-gods above...

You've grown like an entire deer out of my body!!

What the fuck!?

Yeah, you're like a centaur now!!

But why!?

Aw, come on, it's cool!!

It's an udder!

Egh, Rina, whhhhhhhhy!?

Cool? It's confus- what is that-

What am I feeling!?

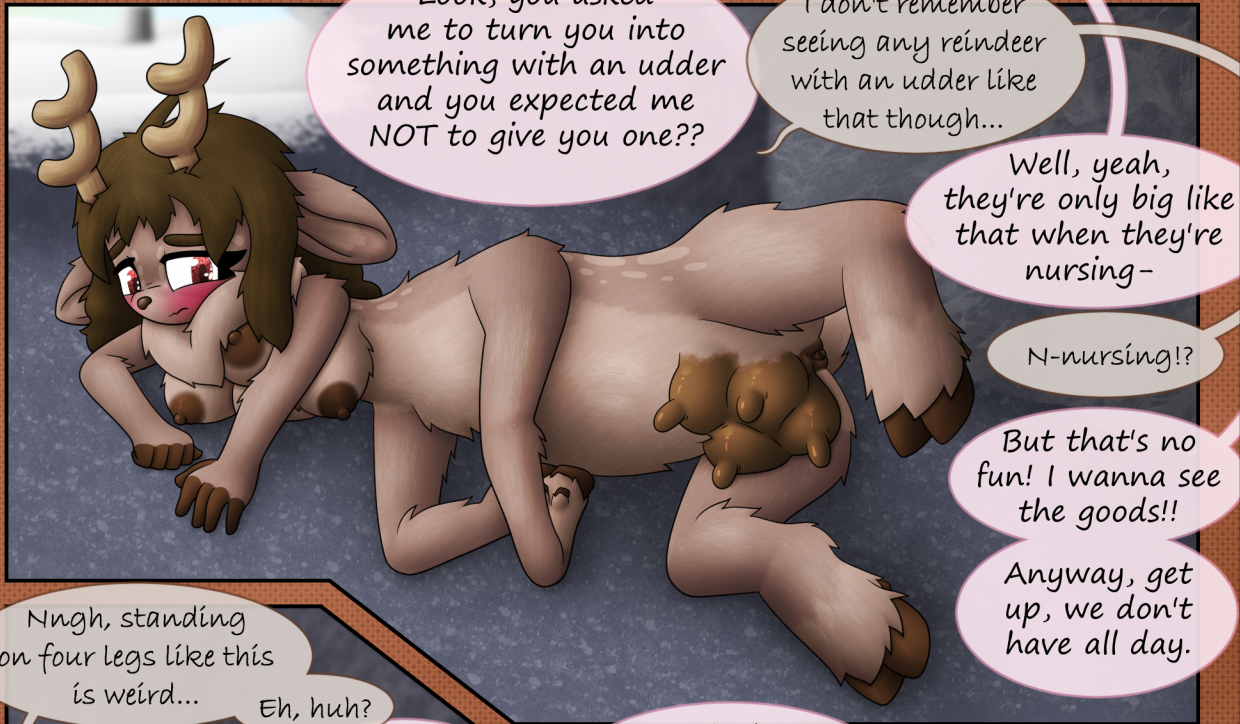

Wha-
Aw, ew, what is that!? It feels so weird!!

Ha-a-a-ah!
M-more tits!?

Eh, not quite...

Look, you asked me to turn you into something with an udder and you expected me NOT to give you one??

I don't remember seeing any reindeer with an udder like that though...

Well, yeah, they're only big like that when they're nursing-

N-nursing!?

But that's no fun! I wanna see the goods!!

Anyway, get up, we don't have all day.

Nngh, standing on four legs like this is weird...

Eh, huh?

What, you're not gonna walk out there with your tits out, are you?

giggle
I wouldn't worry about it too much.

Nnngh-there!

O-oof!
What the!?
H-hey!

I... I guess not...

...

Why is it the clothing that makes it all feel so much more real...?

You wanna explain to me again why I have to carry all our shit-

AND your fat ass!?

Aw, I'm flattered~

But what's wrong dear?

I thought you were the big strong man??

Or... are you really just a widdle girl??

Nngh...! Why you...
