Excerpt:

I took a deep breath and used my key to open the door. I stopped in my tracks almost immediately after. Standing in the kitchen with a cold beer in her hand was Emily. She was bare naked and her cock was out, though it was somewhat flaccid. It was also covered in a slight sheen of liquid.

“Close the door,” she said, rolling her eyes at me and taking a sip of her beer.

My eyes widen as I heard her and I quickly made my way into the apartment, closing the door behind me as fast as I can. “Emily?” I asked in a small voice, turning back towards her.

She just smiled and placed her beer down before sauntering over to me. Placing one hand on the back of my head, she pulled me close and kissed me on the lips. The smell of sex and her own scent filled my nose. I tasted the familiar taste of Lina’s sex as she pushed her tongue into my mouth.

When she pulled away from the kiss, I was rock hard and out of breath. She smiled at this before she reached down and pulled my shirt over my head. “Sorry about the long wait. Things kinda got out of hand and we ended up losing track of time.”

I was still flushed from the wonderful kiss but I had enough presence of mind to frown. “You left me out of the first time.”

She smiled sheepishly at me before leaning down to give me another kiss. This one was soft and chaste. “Sorry,” she said, her

hand gently caressing the side of my face. “Won’t happen again. And to make up for it, I have a present for you.”

“I present?” I asked skeptically.

“Yep,” she said with a mischievous smile. “It’s in the bedroom. A nice creamy treat I know you’ll love. I made it with Lina just for you.”

I flushed as I realized what she meant. My body tremble and my cock twitched. Saliva filled my mouth and I had to swallow.

Emily smiled at my reaction and wrapped an arm around my shoulder, leading me over to the bedroom. “Come on, you’ll love it.”

The distance from the front door to the bedroom was not far. Lina's apartment was average sized and it should have only taken seconds to get there. Yet it felt like an eternity as the anticipation built in my heart.

When we got to the doorway and I saw what was inside, I stopped in my steps. My eyes widen and I stared for a moment. I had known what I would see but I still felt surprised at the sight.

Lina was lying naked on the bed, looking very tired and very satisfied. She had a small content smile on her lips and her eyes were closed as she rested. A thin sheen of sweat could be seen on her large breast as they gently moved up and down. Her blonde hair was splayed messily around her head and her long, smooth legs were open wide in the direction of the door. I had a feeling that this was a deliberate choice, on either Lina’s part or Emily’s.

My eyes were glued to the area between her legs. Her normally tight, bare slit was now slightly red and opened wide. A

thick, white cream slowly dripped from it and my mouth watered at the sight.

“Go on,” Emily whispered into my ear, gently pushing my back. “Have a taste. We put a lot of effort into making that wonderful pie for you.”

Chapter 1:

“So, what do you need?” Emily asked as she plopped down onto the couch beside me with an ice cold beer in her hands. Droplets of condensations slowly dripped from it onto the couch and she took a quick gulp before letting out a satisfied sigh. Her short black hair swayed slightly as she turned to look at me.

Due to the hot summer, she was wearing a thin black tank top and a pair of red shorts. Her breasts weren't overly large, but they strained against the tight fabric, showing me way more than I should be seeing.

I flushed and looked away. “Emily!” I said in a pleading tone.

“Oh don't be a prude,” she said with a laugh, scooting over on the couch and wrapping her arm around my shoulders. Due to the height difference between us, her breasts were quite close to my face. I tensed up a bit at the contact before I relaxed. “We've been friends since preschool. It's nothing you haven't seen before.”

I sighed and then gave her a weak glare. “You didn't have tits in preschool.”

Emily laughed again and gave me an amused smile. “No, I didn't. But I did have tits when you walked in on me that one time. I still remember how you squeaked and ran away.”

I sighed. The tension I had been feeling was washed away by the familiar teasing from my best friend. She probably did that on purpose. She'd always known how to calm me down was I was nervous.

"I need your help," I finally said.

"Oh," she said, taking another sip before putting the beer onto the coffee table. "With what?"

I looked down and my face flushed. "With Lina."

She gave my shoulder a comforting squeeze. "You two get into a fight or something?"

I shook my head and looked up at her. "It's nothing like that. It's just..." I bit my lips and shook with embarrassment. "I think we're having problems in the bedroom."

Emily's eyebrows jumped at this before she let out a slight chuckle. "And you've come to your lesbian best friend for some advice about straight sex?"

I glared slightly and let out a loud breath. "Well, when you say it like that, it makes me sound like an idiot."

Emily laughed and poked my cheek. "That's because you are an idiot. But don't worry, I'll help as best as I can. What's the problem?"

"Well..." I said, trailing off as I looked down at my lap. "I don't think I'm satisfying her... with my dick. Like, I think I'm good with my

tongue but..." I trail off again, feeling too embarrassed to speak again.

"Has she said this?" Emily asked when I didn't continue to speak.

"No," I said with a shake of my head. "But I can tell."

"How?"

"Because..." I started to say, but the words died on my lips. They were too embarrassing and so humiliating.

"Because?" she prodded.

I shook slightly and took a deep breath. "It's because I have a small dick," I whispered out.

Silence filled the room for a moment. Then, Emily started to shake and finally, she bursted out laughing.

"It's not funny!" I shouted at her but she just continued to laugh. She even threw her head back and covered her mouth. I just glared at her impudently until she calmed down.

"Sorry," she said, pretending to wipe a tear from her eye. "It's just so funny."

"It's not," I said, with a whiny voice. "It's a serious issue. She doesn't say anything about it but I know she not satisfied. I can tell she's faking when we have sex."

"Well, why don't you talk to her about?"

“I’ve tried,” I said, sighing. “She says that it's fine and that she just happy being with me... But I’ve caught her masturbating with big dildos. I’m not enough for her. That’s why I need help.”

“Well...” Emily said with a sigh. “You could try just using toys on her. Maybe get a strapon.”

I deflated at that. “Really? That doesn’t sound so great.”

She shrugged her shoulders. “There really not that much else you can do. All that crap on the internet about growing your cock size is fake. The only real stuff is probably surgery and I doubt you want that.”

I shivered at the idea of getting surgery on my penis. The very idea made it hurt. “Yeah, I don’t want to do that.”

She nodded. “I figured,” she said before a thoughtful look appeared on her face. “Taylor, take off your pants.”

I blinked in confusion for a second before what she said really sunk in. My eyes widen when I realized what she had said. “What? Why?”

She rolled her eyes at me as if I was being silly. “Don’t be a baby about it,” she said, reaching down and pulling at my pants. “Maybe you’re worrying about nothing. Let me see it so I can be sure.”

“I can just tell you my size,” I said, desperately trying to keep my pants up. “And I’ve told you! I can tell she not satisfied.”

Emily ignored me and pulled my pants and underwear down. My little cock was exposed to the room and she sucked in a breath as she saw it.

I looked away in embarrassment. "See, I told you."

She didn't say anything for a long moment. Then, I felt a hand around my cock and I shivered at the feeling. I turned to look at her in shock. "Emily, what are you doing?"

"You're flaccid. How can I tell if you're not hard?" She squeezed her hand around me and I moaned. I knew I should stop her but it felt too good. Her smooth hand was heavenly.

Slowly, I grew hard in her hand, getting only to three inches long. My girth didn't increase much and stayed almost the same sizes as when I'm flaccid.

"Huh," Emily said, looking down at my little cock before looking back up at me. "You really are that small."

I felt tears start to build up at the edges of my eyes. I was so humiliated. "I told you."

Emily rolled her eyes. "You don't have to cry about it. It's not like I'm gonna judge you cause you're small. And since you really are this small, I still have one more suggestion."

"You do?" I asked, wiping a few stray tears.

"Yeah," she said, nodding while her hand was still wrapped around my now dripping cock. "You could always invite someone bigger into the bedroom."

“You mean...” I said, imagining some big jock guy pinning my girlfriend to her bed. His big thick cock would push between her tight lips and spread her open wide. She would moan in pleasure as she finally got the big cock I knew she wanted.

I shivered at the image and much to my embarrassment my cock twitched in Emily’s hand.

“Not oppose to the idea, huh?” She asked with an amused tone.

I glared at her and pushed pulled at her hand. “I am opposed to it. And let go, you’re gonna make me...”

“Cum?” She offered, squeezing me gently and making me shiver.

“Emily,” I said, pleadingly.

“Fine,” she said, taking her hand off my leaking cock. I could see some of my precum on her hand and I blushed. “Now why are you opposed to the idea?”

I looked at her incredulously. “You’re kidding, right? Ignoring the fact that I don’t want to be near another guy naked; what if Lina leaves me for the guy?”

Emily shook her head. “Then you learned that Lina’s not the girl for you.”

I sigh in exasperation. “Emily!”

“Okay, okay,” she said, a teasing smile on her face. “I was just kidding. Instead of testing your relationship like that, just get

someone who you know will never betray you.”

I looked at her in confusion. “But, I don’t know anyone like that.”

She raised an eyebrow at me. “You think I would ever betray you?”

My confusion just grew. “Of course not. But you’re not a guy.”

“So?” she said simply and continued to look at me.

“And you don’t have a penis,” I said, trying to end this strange line of thought.

Emily just smiled at me before she took a hold of one of my hands. “I’m gonna show you a secret, Taylor. One that I’ve been keeping from you.”

I looked into her eyes trying to figure out what she meant. She continued to pull my hand forward and then she pushed my hand against her crotch. My eyes widen, but before I could pull away, I felt something.

She smiled at me and looked down and her crotch. I followed her gaze and saw the bulge that I was touching. The bulge that had definitely not been there before.

“What?” I said, looking back up at her in confusion.

“I’m a futa,” she explained simply.

I scrunched up my face in confusion. “What’s does that mean?”

She smiled and moved my hand up and down on her bulge. Instead of feeling disgusted, I felt my face heating up. "It means, that when I'm horny, my clit turns into a cock."

I looked back down at her crotch and then looked back up at her face again. I opened my mouth to speak but nothing came out. I was still very overwhelmed by this realization.

"So," Emily said, squeezing her hand over mine, making me squeeze her. "Now that you know I have a cock. Want me to make fuck you girlfriend and make her feel good? I promise that I won't steal her from you."

I shivered at the thought. A similar image to before popped into my mind. This time, though, it was Emily pushing Lina onto her bed. Emily's big cock spreading Lina's pussy opened wide while I stared at her gorgeous ass. My cock twitched and I gulped.

"Is that a yes?" Emily asked, leaning closer to me. "Cause if it is, I have some conditions."

I tried to ignore the feeling of her body so close to me as well as the feeling of her throbbing member underneath her thin shorts. "Conditions?"

"Mmhm, I'd be willing to help you out cause you're my best friend, but I won't do it for free."

A small spark of irritation filled me. "Getting to have sex with Lina isn't enough?"

She smiled. "Nope. You've met some of my girlfriends. All of them are just as hot as Lina. I can easily get a girl like that."

I frowned slightly and jealousy filled my heart. "I guess..."

"So are you willing to accept my conditions?" she asked with a smirk.

I stared into her eyes for a long moment but sighed and looked away. "This is silly. Even if I agree, I don't know if Lina would. And if I brought this up and she said no, she'd probably dump me for asking, thinking I was weird."

"Don't worry about that," Emily said, letting go of my hand so she could make me look at her. "If she really is as unsatisfied as you think, she'll probably be willing. And you won't even have to do the asking. I'll approach her. There never been a girl I've set my eyes on who I couldn't seduce and with your consent she'll give in easily."

I shivered as I looked into her lustful eyes. There were still other problems I could think of, but the image of Lina writhing under Emily was too enticing. And I really wanted to make Lina feel good, even if I'm not the one doing it. Most important of all was it would be Emily. She is my best friend in the world. If there anyone I would trust to do this for me, it would be her.

"Okay," I finally said. "If Lina agrees then I'm fine with that."

Emily smiled. "Good, now onto my condition." She pulled her arm off my shoulders and stood up. In one quick motion, she pulled her shorts and panties off and tossed them aside, revealing her long smooth cock to me. "If you want me to satisfy your girlfriend, then you're going to have to satisfy me. Whether it in the bedroom with Lina or whenever I want."

I tore my gaze away from her cock and looked at her in surprise. "What?"

She smirked at me and moved closer until her cock was right in front of my face. A slight vanillay musky aroma filled my nose. "Take it or leave it, Taylor. If you don't want to then you can always buy yourself a strapon."

My mouth filled with saliva and my face flushed. "I thought you only liked girls."

"For the most part," she said, gently stroking her cock in front of me. "But I've always wanted to have some fun with a pretty guy like you."

I swallowed the saliva building up in my mouth. I felt like I should think about it more but my twitching cock made me realized there was no point. I wanted this.

"Okay," I finally said. "I'll take it."

"Good boy," she said teasingly, petting my head with her free hand and positioning the head of her cock right in front of my mouth. "Now, why don't you get started by giving me a kiss?"

I flush and hesitated for a second. Once I did this, there was no going back. It wasn't because Emily wouldn't let me go back on my words, it was because that once I got a taste, I probably wouldn't be able to resist.

I gave the large dripping cock head in front of me one more tentative look before I closed my eyes and pursed my lips. Leaning forward slightly, my lips touched it and I felt the heat and wetness. When I pulled back, I instinctively licked my lips and the salty taste filled my mouth. I was hooked.

“Good boy,” she said, petting me again. “Now keep going.”

Not needing to be told twice, I timidly licked the head of her dripping cock. More of that wonderful taste filled my mouth and I eagerly swallowed her precum. I took a hold of her cock and pushed it upwards, giving it a nice long lick along its length.

“Mmm,” she moaned while rubbing my head encouragingly. “Have you been keeping secrets from me? It seems that you’re rather good at teasing a cock.”

I flushed at this and looked up at her with a glare. She just smirked down at me and pulled my head closer to her cock. “Don’t stop now. It’s just getting good.”

I continued to glare at her for a few second before I realized I probably just looked silly, glaring at her while having her big cock in my hands. So I decided not to think about it and focused back on the task at hand.

I gave the underside of her cock a few more long licks, going all the way from tip to base. Then, I took the tip of it into my mouth and sucked gently on it while occasionally licking with my tongue.

“Mmm, that’s it,” Emily said, pulling at my hair gently to urge me forward. “Suck my cock, Taylor. Make me cum in your little mouth, then beg me to fill your girlfriend with my seed.”

My cock twitched at her words and I slowly started moving forward. Her dick slid further and further until it touched the back of my throat and I gagged.

“Easy there,” she said, pulling back from me. “You gotta learn to walk before you run. Just suck as much as you can and use your hands for the rest.”

Listening to her advice, I kept only half of her cock my mouth while I used my hands to stroke the rest of her cock. Over time, my hands got faster and my sucking got harder.

“Oh yeah, that feel good,” she moaned out. “A little more and I’ll give you a nice creamy treat.”

Encourage by her words, I stroked her as fast as I could and bobbed my head while sucking hard. She moaned again and her hips bucked slightly before I felt her cock throb in my hands.

“Yes! I’m cumming,” she said, her hands tightening in my hair. “Drink it! Drink my cum!”

Her cock throbbed again and shot a load of cum right into my mouth. I was surprised by the quantity but swallowed anyway, even as more cum filled my mouth. The warm, salty cream was delicious in my opinion and even when she was done, I kept stroking and sucking on her, hoping to get every last drop.

“That felt so good,” Emily said, pulling away from my eager hands and mouth. She slumped down next to me on the couch and pulled me close to her. Her eyes were half closed and she looked very satisfied. “Now give me a kiss.”

She wrapped an arm around the back of my neck and pulled me in for a kiss. I didn’t resist and kissed her back as her tongue pushed into my mouth and we made out. I tasted my own cum and my needy little cock twitched as it went untouched.

In the back of my mind, I wondered if I was cheating on Lina, but that thought quickly disappeared when I felt Emily’s hand. She wrapped it around my cock and squeezed gently. That was all it took to bring me over the edge and I came right there. My cock spurted

onto her soft gentle hand and I moaned into her mouth. My body shook slightly and she pulled me closer to her, pressing my body against hers.

Emily pulled back from me after a long moment and gave me a smile. I looked at her with sleepy eyes and smiled back. It wasn't cheating. After all, this was for Lina. After today, she was never going to be unsatisfied again. And if I so happened to get to have a lot of fun too, then all the better.

Chapter 2:

I sat nervously in my car, waiting outside in the parking lot of Lina's apartment. Emily had gone up more than half an hour ago and she still hadn't texted me. What was taking so long? Did Lina hate the idea?

I let out a groan and put my face into my hands. I was a coward. If I wasn't, I would have gone up with Emily and talked to Lina with her. Instead of just waiting out here, hoping that my best friend would solve all my problems.

My phone suddenly buzzed and my heart rate sped up. This was it! I grabbed my phone and looked at the message on the screen. Relief instantly washed over me as I read the message.

Come up.

It was such a short simple message but because of that, I knew things had gone well. If they hadn't, Emily would have said more. Probably something to help prepare me for Lina negative reaction.

I smiled and put my phone away before getting out of the car. As I walked to the apartment, an image of what would be happening soon flashed through my mind. I blushed and forced those thoughts away. Even with my small size, getting an erection with my pants on would be uncomfortable.

I got into the apartment building with a key given to me by Lina. I made my way through the small lobby and then took the elevator up six levels. When the elevator arrived, I gulped and departed, making my way to Lina's apartment.

When I got to the familiar door, anxiety and nervousness filled my heart. Lina had agreed to it, but knowing that and actually hearing it from her were too different matters. And even though it would just be Lina and Emily in there, I felt pretty embarrassed.

I took a deep breath and used my key to open the door. I stopped in my tracks almost immediately after. Standing in the kitchen with a cold beer in her hand was Emily. She was bare naked and her cock was out, though it was somewhat flaccid. It was also covered in a slight sheen of liquid.

“Close the door,” she said, rolling her eyes at me and taking a sip of her beer.

My eyes widen as I heard her and I quickly made my way into the apartment, closing the door behind me as fast as I can. “Emily?” I asked in a small voice, turning back towards her.

I was still flushed from the wonderful kiss but I had enough presence of mind to frown. “You left me out of the first time.”

She smiled sheepishly at me before leaning down to give me another kiss. This one was soft and chaste. “Sorry,” she said, her

hand gently caressing the side of my face. “Won’t happen again. And to make up for it, I have a present for you.”

“I present?” I asked skeptically.

“Yep,” she said with a mischievous smile. “It’s in the bedroom. A nice creamy treat I know you’ll love. I made it with Lina just for you.”

I flushed as I realized what she meant. My body tremble and my cock twitched. Saliva filled my mouth and I had to swallow.

The distance from the front door to the bedroom was not far. Lina's apartment was average sized and it should have only taken seconds to get there. Yet it felt like an eternity as the anticipation built in my heart.

When we got to the doorway and I saw what was inside, I stopped in my steps. My eyes widen and I stared for a moment. I had known what I would see but I still felt surprised at the sight.

A thin sheen of sweat could be seen on her large breast as they gently moved up and down. Her blonde hair was splayed messily around her head and her long, smooth legs were open wide in the direction of the door. I had a feeling that this was a deliberate choice, on either Lina’s part or Emily’s.

My eyes were glued to the area between her legs. Her normally tight, bare slit was now slightly red and opened wide. A

thick, white cream slowly dripped from it and my mouth watered at the sight.

“Go on,” Emily whispered into my ear, gently pushing my back. “Have a taste. We put a lot of effort into making that wonderful pie for you.”

I swallowed the saliva in my mouth one more time before I slowly walked forward. As I did, the smell of sex filled my nose. My cock twitched in my pants and I continued forward until I was standing in front of the still resting Lina.

She looked absolutely gorgeous as she laid there, well fucked and content. This was a state I could never bring her too but instead of feeling jealous, I was just very, very aroused.

I slowly got on my knees so I was kneeling between her legs. Her dripping pussy was my sole focus now and with no hesitation at all, I leaned forward and gave her creamy hole a lick. The moment I did, I fell in love with the taste and my cock twitched with excitement. The delicious salty cream from Emily mixed with Lina’s sweet juices was wonderful.

Lina gasped from the sudden sensation and she abruptly sat up. She looked at me with wide eyes and rosy cheeks. Her legs stayed opened though and her pussy continued to leak Emily’s cream.

“Hey,” I said, looking up at her with a big blush on my face. We still hadn’t talked about this yet and I couldn’t help but feel ashamed and embarrassed.

“Hey,” Lina said, looking as embarrassed as me. She then looked down at her creamy pussy before looking at my lips. I flushed some more but kept my eye locked on hers.

“Can I?” I asked timidly, even though I had already given her a lick.

She smiled and let out a small laugh. “Sure, sweetie,” she said, opening her legs a bit wider. “Help me clean up the mess Emily made. You like this right?”

I nodded shyly and started to lean forward. I maintained eye contact the entire time as I slowly got closer and closer. She looked back at me with lustful anticipation and then I gave her pussy another slow lick.

“Ah,” she moaned out as she watched me lick her sensitive pussy. I noticed her legs tremble a bit and her breast jiggle. Emily must have really done a number on her to make her pussy so sensitive.

I smiled at this and gave her sweet, creamy pussy a few more licks, going from the very bottom all the way to the top. Each time I got to the top, I captured her clit between my lips and sucked on it a bit, eliciting a gasp from her. It was music to my ears and cock.

“Oh god, sweetie,” she moaned out, throwing her head back in pleasure. “That feel so good. Lick up all that naughty cream.”

Encourage by her words, I gave the outside of her pussy a few more lick before I delved inside with my tongue. Emily had left quite a lot of cum inside and I eagerly started sucking it all up and swallowing it. I wanted to get every last drop and make Lina cum like crazy as I did.

I pushed my tongue deeper into her and Lina clamped her smooth legs around my head. I was completely surrounded by the

scent of sex and my licking and sucking got more and more fervent, even as she moaned and writhed.

“Oh, yes! Clean up my naughty pussy, sweetie. Make me yours again!” She thrust her hips forward and ground her pussy against me. Her whole body shook and she came with a scream of pleasure. Her pussy squirted her juices straight into my mouth and I swallowed it along with the rest of Emily cum.

“Oh, god,” Lina moaned out as she fell backward onto the bed. Her body continued to shake as I never stopped licking her delicious pussy. Only a few moments later, she screamed out again and her body shook some more as a second orgasm washed over her. More of her tasty juices squirted into my mouth and once again I drank it all up.

“Hmm, I’m starting to feel left out,” Emily whispered into my ear, surprising me. At the same time, she pressed her body against me and I felt her now fully erect cock on my ass. Even through my pants, I could feel her throbbing hot member against me. “Do you want to watch me fuck her or do you want my dick to yourself?”

I shivered as her hot breath caressed my ear and I pulled back from Lina quivering pussy. Lina's legs shook a bit more before she relaxed and her hips slumped back down onto the bed. I looked at her now cum free pussy and I wondered if she would be ready for another round.

“Lina?” I called to her, making sure that she hadn’t fallen asleep. “Do you want another round with Emily?”

“Mmm,” Lina moaned out before she propped herself up to look at me. Her eyes were half-lidded and she took a deep breath making her breasts heave wonderfully. “I want to but I think I could

use some rest first. Why don't you keep Emily warmed up for me? She told me what you did yesterday and I'd love to see that."

I smiled at that and nodded. A giddy feeling filled my heart at the idea of Lina watching me suck Emily off.

"I'm up for that," Emily said, giving my ear a lick before getting up and walking over to the bed. Her cock bobbed as she walked and I saw Lina licking her lips and staring at it.

I crawled over to Emily as she sat down and Lina moved a bit closer to get a better view. They both looked at me expectantly and I blushed. Even though we had already done so much, I still felt embarrassed by their intense gazes.

"Feeling shy?" Emily teased me as she took her cock and gave it a few strokes.

I flushed a bit more and glared at her petulantly. She just grinned at me and I pouted in response. Lina let giggled as she watched the byplay.

I sighed but took Emily's cock into my hand and gave the head a quick lick. The familiar taste of her cum was there with just a hint of Lina's juices as well. Wanting more of the taste, I started licking her cock all over, cleaning up Lina's juices from her cock.

"See," Emily said with a soft moan. "Isn't he a good little cock sucker?"

"Certainly looks like one," Lina said with a small laugh before she crawled closer for a better look. "I wonder why he's so good at it. Something you want to tell us, Taylor?"

I narrowed my eyes at Lina but didn't comment. Instead, I gave Emily's cock one last lick from base to tip before taking it into my mouth. Lina just giggled at this and I started sucking before slowly taking more and more of Emily into my mouth. When her cock touched the back of my throat, I once again gagged and needed to pull back.

"Try swallowing when it gets to the back of your throat," Lina said, moving even closer so that her face was right next to mine. "I want to see you deep throat her nice, big cock."

The intensity of her gaze made me shiver and I nodded. Slowly, I pushed forward again and this time I swallowed as the cock reached the back of my throat. It started to work but then my throat spasm and I gagged again.

This time, I pulled Emily cock out of my mouth and let out a few coughs. I felt kind of bad for not being able to do it. When I stopped coughing, I looked down and said, "Sorry."

Lina reached out and gently caressed my hair. "It's fine, sweetie. Deepthroating is hard, you can try again next time."

I felt better at her encouraging words and I also noted that she said "next time." That made me very happy as that meant we would be doing this again.

"Now, want me to show you how I do it?"

I looked up and she was already gently stroking Emily's cock while looking at me with a smile. It was such an erotic sight and I nodded eagerly. I had never thought I would want to see my girlfriend suck someone else cock, but at the moment, there was nothing I wanted more.

Lina smiled at my enthusiasm before she took Emily into her mouth. She gave Emily's cock a few gentle sucks and then started to take more and more of it into her mouth. Her eyes were on me the whole time as she went passed where I stopped and ended with her lips wrapped around the base of Emily's cock.

"Oh that good," Emily moaned, putting a hand on Lina's head. "Her throat is pretty tight. It's too bad you can't feel this."

I pouted slightly at Emily's teasing but my cock twitched a bit. The slight humiliation was actually turning me on.

Emily gave me a knowing smile as if she read my mind before she thrust her hips up slightly. This made her cock go just a bit deeper into Lina's throat and she let out a low moan at the feeling. Lina seemed to like this too as her eyes rolled back in pleasure for a moment.

I looked on enraptured by the scene. Just another reason this was a good idea. Apparently, Lina liked having a big cock shoved down her throat.

Emily rocked her hips a few more time before she relaxed and pulled her hand away from Lina's head. Lina understanding the cue, slowly pulled Emily's cock out of her throat with a big slurping sound and turned to look at me. "And that's how you deepthroat," she said, almost like a teacher to a student.

I let out a small laugh and nodded.

She giggled before pushing up from her prone position and then laying back down on her back. Her legs were splayed open, displaying her pussy for me and Emily's viewing pleasure. "All that dick sucking has got me ready again," she said to Emily, reaching

down and rubbing her pussy gently. "Put that big fucking cock in me again."

"Sure," Emily said with a smirk, moving in between Lina's legs.

I moved as well, getting on the bed and making sure I could see what was about to happen. Since I missed it the first time, I didn't want to miss anything this time.

Emily stroked her big cock a few time and Lina started licking her lips. I watched on in eager anticipation and Emily started to rub her cock head against Lina's pussy.

"Mmm," Lina moaned before she looked at me with a teasing smile. "She's so big, sweetie. She's going to stretch me so wide."

I gulped and nodded, not able to find my voice. My cock twitching in my pants and my heart rate started getting faster.

"How about you put it in?" Emily said suddenly, pulling back from Lina and looking at me with a smile.

My eyes widen at that before I nodded. Shuffling forward, I took her big wonderful dick in my hands and held it almost reverently. After giving it a few strokes, I guided it to my girlfriend's dripping pussy and gently pushed.

"Ah, that's it, sweetie," Lina said, as the cock spread open her nether lips and she spread open her legs a little more. "Put your best friend's cock into me."

I pushed until just the tip of Emily's cock was inside and then just held my hand there as Emily pushed forward. I let go when she

was halfway in and just watched as Emily massive cock went all the way inside. It was almost like a magic trick as Emily's cock seemed almost too big to be able to fit inside Lina.

"Oh god," Lina moaned and she threw her head back. "I love this. It feels so good. You're stretching me so much and you're so deep."

I licked my lips as Emily ground her hips against Lina for a moment and I looked at Emily's face to see her reaction. Surprisingly, instead of closing her eyes in ecstasy or taking in the sight of Lina's heaving breasts, she was looking at me with a very lustful stare.

I gulped and flushed a bit but kept eye contact with her. Emily smiled at that before she pulled her hips back and thrust forward again, making Lina let out a shout of pleasure.

"You don't have to just sit and watch, Taylor," Emily said, grinding her big cock inside of Lina. "You can still participate." She pointed down Lina engorged clit and my eyes locked onto it.

Not needing any more encouragement, I leaned forward even as Emily was starting to rock her hips back and forth. The wonderful smell of their mixed juices once again filled my nose and I eagerly wrapped my lips around the little ball of nerves above my girlfriend's pussy.

"Ah!" Lina screamed in pleasure as I sucked on her while Emily started getting faster and faster. "So, good!"

"You like that," Emily said, with a laugh. "You like having your boyfriend suck your clit while I fuck you?"

"God yes!" Lina shouted. "I love this. I love this so much."

I sucked harder, eager to make her feel as good as possible. At the same time, I couldn't resist my desires anymore. I had been so focused on making Lina feel good that I hadn't let myself feel good yet. My cock was twitching and dribbling with need and I needed to give it some attention.

Even as I continued to suck on Lina's clit while Emily fucked her, I reached down and worked my pants and underwear down to my thigh. My little cock was finally freed and I grabbed it and started stroking.

"God you love this too, don't you, Taylor," Emily said, having noticed what I was doing. "Look at you stroking your little cock while I fuck Lina right in front of you. Such a naughty boy!"

I quivered at her words and my stroking got faster. My lips and tongue continued to work to please Lina while I started to hump against my hand and soft sheets of her bed. Finally, it was too much and I let out a moan as I came. My body shuddered and my eyes rolled back as the best orgasm I'd ever felt washed over it. My cock squirted all my cum into my hand, coating it with my filthy semen.

A wave of tiredness washed over me and I laid my cheek on Lina's stomach. I made sure to face Emily as I did this so I could continue to watch her as she fucked Lina. She was picking up her pace now and the sound of her hips smacking against Lina filled the room.

"Oh god!" Lina screamed as her body shook with pleasure. Emily's fucking was getting too much for her and she was reaching her limits. She arched her hips upward and screamed again as she came on Emily big, thick cock. Her juices sprayed out even as Emily kept pounding her already well fucked pussy.

“Mmm,” Emily moaned as her hips sped up even more. “She feels pretty great, Taylor. I’m gonna cum soon and I’m gonna fill her up with my cum. You’re going to get another yummy treat.”

I licked my lips at the thought and kept watching as she kept burying her cock deep inside Lina’s pussy. Lina was still shaking from her orgasm and I could tell it still hadn’t ended. In fact, she was probably going to cum again and again until Emily stopped fucking her. It was magnificent.

Over the next while, Lina screamed multiple times as body shaking orgasms washed over her. She continued to bathe Emily’s cock in her juices and after a while I joined in again, sucking on her clit and cleaning them both up. It seemed Emily had almost boundless stamina.

Finally, Emily let out a low moan and buried herself into Lina one more time. I recognized what was about to happen and I sucked harder on Lina’s clit, wanting to help make her cum again as Emily filled her up.

“I’m cumming in her, Taylor! I’m filling your girlfriend up again with my cum!”

Emily shuddered slightly and ground her hips forward as she came. I could only imagine how much cream she was filling Lina with.

“Oh god! It’s so thick and hot!” Lina shouted as she grinded her pussy back against Emily. “It so much! I love it!”

Both of them shuddered with pleasure and continued to grind against each other. I kept sucking at Lina clit until I noticed cum start to leak out from around Emily’s cock. I eagerly started to lick it up, even as my cock started to harden again.

“Already so eager, huh?” Emily said with a laugh and gently patted my head. I just replied with a short moan of agreement and I continued to lick up all the cum I could.

Lina let out a tired moan and her hips collapsed back onto the bed. Her tired breathing indicated to me just how worn out she was now.

“Mmm,” Emily moaned, rocking her hips back and forth a few more times before she started to pull out. As she did, I licked every inch of her retreating cock, earning a low chuckle from her. Once she was fully out, I took the tip of her cock into my mouth and gave it a long suck.

She moaned as I did this and I smiled before pulling away. I turned my attention back toward Lina whose pussy was now gaping even wider than before and dripping so much thick cream. Eagerly, I dove in again to lap it all up.

Lina moaned as I did and her legs opened up just a little wider. This encouraged me some more and after lapping up everything that had dripped out, I focus my attention to all the cream still inside. I wanted every last drop of all that tasty, salty goodness.

“God you really love eating creampie, don’t you,” Emily said amused from behind me. She suddenly grabbed at my ass and made me squeak a bit at the sudden sensation. “But that can’t be enough for you can it? All you got to do was taste a lot of cum; you must still be feeling very needy. Let me take care of it.”

I moaned into Lina’s pussy as Emily started to massage my ass. I never thought that I would like that feeling but I realized just how good it felt to have my butt played with.

“Like that do you?” she asked as she spread my ass cheeks apart. “Then I bet you’ll love this.”

I felt something wet press up against my asshole and I instantly shied away from it. Emily held my butt in place though, and pushed forward, pushing what I realized was her finger into my ass. I moaned at the feeling as my virgin ass was penetrated for the first time.

Her finger continued forward until it reached all the way inside me. It touched something there that made me gasp and my body shudder. Almost instantly, I felt something dripping from my cock and the feeling was wonderful.

“Emily,” I moaned as I started pushing back against her finger. “That feels so good.”

“This is nothing,” she said with a laugh before pulling back and pushing another finger into me. “First I’m going to loosen you up a bit and then I’m shoving my cock in your pretty, little ass.”

I moaned in acceptance and started licking at Lina’s pussy again. At the same time, I rocked my hips backward as she scissored her fingers inside of me stretching me wider. My cock continued to dribble under me and stained the bed with my juices.

After Emily added a third finger into me, I felt like I was starting to lose my mind. It felt so good that I couldn’t lick anymore and just laid there with my face buried in Lina’s pussy as Emily fingered my ass.

Finally, she decided I was ready and she pulled her fingers out of me. I let out a soft whining sound which just made her chuckle.

“Don’t worry,” she said as she pressed the head of her hot, wet cock against my little rosebud. “I’ll fill your needy little ass with something bigger.”

She pushed forward and my eyes rolled back. Her massive cock stretched me even more than her finger and I shook as both pain and pleasure washed over me. She kept pushing deeper and deeper until she hit that same spot her fingers hit before.

I moaned at the feeling but then she thrust forward harder. Her big, thick cock squished against that spot and I screamed in ecstasy. With my asshole so stretch open and the forceful way her cock pushed against that spot, it was too much. I came again. Over and over again my cock twitched and spurted. My ass hole spasmed and clenched tightly around her cock.

“God, your ass is squeezing me so tight,” Emily moaned out and grounded her hips against me, sending even more pleasure from my ass through my body. “I’m gonna fill your little ass with so much cum.”

I was too out of it to reply so I just laid there with my face in Lina’s pussy and my ass in the air as tiredness washed over me. Emily was not done, though, and she pulled her cock back and thrust forward again. She kept doing this and very quickly built up her rhythm. Her hips smacked into my ass as she started to fuck me in earnest.

I moaned out softly as her cock went in and out of me. Each time she touched that spot, my already spent cock dribbled out more of my juices and I shuddered at the feeling. It was like she was trying to milk everything out of me, leaving me dry. And I was loving every second of it.

“Mmm,” she moaned as she squeezed my ass cheeks and pushed them together. “I think I might like your tight little ass more than your girlfriends. It so tight and hot in your little hole and you’ve got such a nice bubbly ass.”

She continued to squeeze and grope my ass as her thrusting got more frantic. I writhed under her and little white spots filled my vision. My thoughts were no longer coherent and all that I could think of through the haze of pleasure was her cock.

“Here... it... cums,” she grunted out before she bottomed out in me one more time. Her cock pressed right up against that special spot inside of me as she came. Her cock throbbed inside of me and spurting out her hot, creamy liquid into me. She let out a long, low moan and grinded her hips against my ass.

I continued to shudder as the wonderful feeling washed over me. It felt so good having my ass filled with her nice, hot cream and just the feeling gave me enough strength to push back against her. My cock twitched and dribbled and we both just stayed like that for a long while, letting the wonderful pleasure wash over us.

Finally, Emily finished and she let out a soft moan of contentment before falling on top of me. Her breasts pressed down onto my back and her cock slowly started to soften inside of me.

Covered by her warm body, my tiredness came back and my eyelids grew heavy. Slowly, I close my eyes and started to fall asleep. The only sounds I could hear were our heavy breathing.

Excerpt From “Ambushed by a Futa”

My heart was beating fiercely in my chest as I made my way through campus. I felt like everyone's eyes were on me and that at any moment, someone was going to expose me. Doing my best to not look anyone in the eyes, I sped up a little and made my way into a nearby building. Once I was inside, I made my way into a nearby stairwell in hopes of avoiding anyone.

Once I was sure I was alone, I sighed in relief and slumped against the wall. Looking down at myself I couldn't help but blush a bit. I was wearing a white blouse that showed the outline of my small boobs as well a black and red skirt that went down to mid-thigh. I had on some white socks as well as a pair of black leather shoes.

My cock throbbed against my silky panties as I took in the sight of my own body and I could help but shiver. I had only just started taking those pills and my body was already changing so much. While I was never the most masculine of guys, I definitely had not been this feminine.

At this point, if anyone looked at me it would be impossible to tell I was a guy besides looking at my cock. Even then, it's not like there weren't women with cocks running around. I shivered a bit as I remembered the moment my professor introduced me to futas.

I could still remember the feeling of her big thick cock rubbing against my lips. The taste and smell of her cock was intoxicating and just the memory of drove me crazy. As I continued to think about it I couldn't stand it anymore and I started rubbing my cock through my silky panties.

The feeling of the soft fabric on my smooth small cock was amazing and very quickly my panties were soaked with my precum. After a few more moments of vigorous rubbing, I could feel myself getting close to cumming. Just as I was reaching my peak and my knees were shaking from pleasure, a sharp pain ran through me. I let out a shriek as the pain overwhelmed me and I dropped to the floor shaking.

Thankfully the pain dissipated almost instantly but not before it completely ruined my orgasm. I let out a moan of frustration as I was denied release but then I heard the sound of footsteps. As quickly as I could I tried to get up and get away but my legs didn't cooperate. The moment I started getting up my legs gave way and I landed on my ass.

"Are you okay?" I looked up and I felt my breath catch in my throat.
