

To save energy,  
I have to switch back  
to my original form...  
Aw, man!  
This feels so awkward.

I don't even want to go out unless I'm in my goddess form. Guess I'll check the news to kill some time.

Anything interesting going on lately?  
Hmm... Just car accidents and bar fights...  
Wait! What's this?

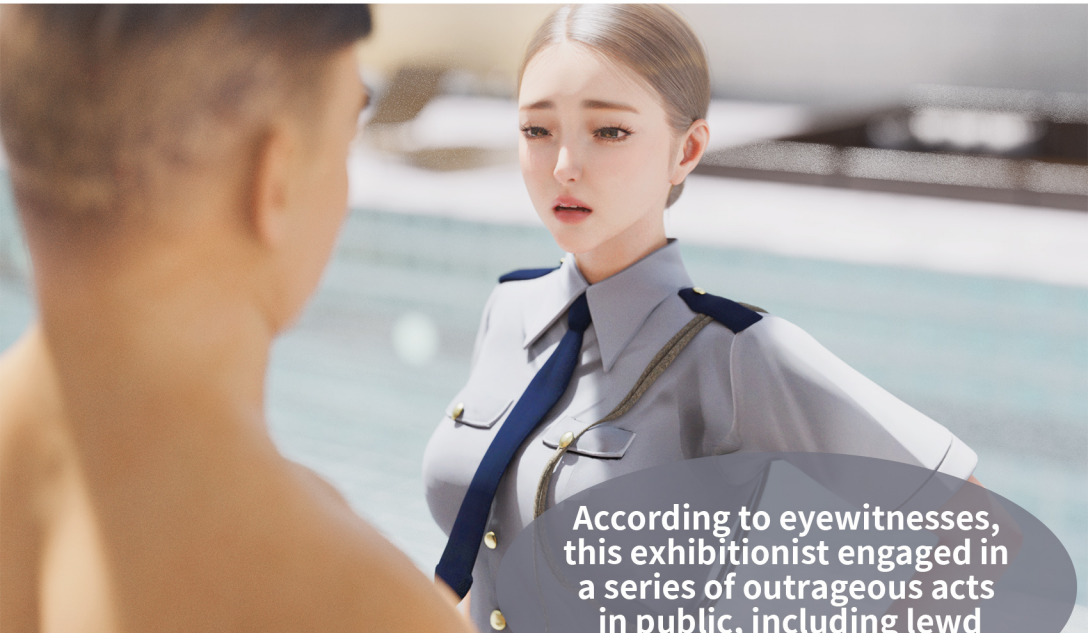

A few days ago, at a well-known resort, a self-proclaimed “Gender-Bender Hero” exhibitionist suddenly appeared.

WORKERS STRIKE

LIVE

According to eyewitnesses, this exhibitionist engaged in a series of outrageous acts in public, including lewd behavior and sexual assault.

While he reportedly helped capture a robber, he used supernatural powers to alter people's appearances, causing a huge commotion.

The police remain skeptical of these claims and have arrested the robber. They also strongly condemned the exhibitionist.

What the hell is this news?  
I did a good deed!  
If it wasn't for me, that robber  
would've gotten away!

And with my superpowers,  
plus plenty of witnesses.  
How come no one believes me?

They keep calling me  
an exhibitionist or a pervert.  
I'm the Gender-Bender Hero,  
a champion of justice.

One day,  
those ignorant  
fools will realize  
how great I am!

Once more people witness my superpowers, they'll realize this world needs me!

Getting misunderstood is just part of being a hero. I need to step up my game to make everyone know the Gender-Bender Hero!

First things first.  
Time to transform  
into my crush again.  
Ohhh! This...  
This feeling!

That familiar  
sensation!  
It's happening!  
My body's  
transforming!

Huff... Huff...  
Even though I've used this power  
many times, I'm still not used to it.  
That dizzy and world-spinning  
feeling is just...

INDIGO COLOR  
METAMORPHOSIS  
CONFECTIONARY

Alright! Changing into  
my crush's look feels so nice.  
I'm practically glowing!

A woman with long, straight black hair is walking towards the camera in a bedroom. She is wearing a beige, long-sleeved, ribbed turtleneck top and light blue denim shorts with a distressed, ripped hem. She is also wearing white sneakers. The room features a bed with a grey blanket, a beige armchair, and a dark wooden nightstand with a white box on it.

**No time to waste.  
Time to find people in need.  
This time, I'll make them  
worship me.**

**I'm gonna make everyone  
respect the Gender-Bender Hero!  
Heh heh! Wonder what kind of  
fun stuff I'll run into.**

I'm so jealous of those carefree kids playing. This place is supposed to be fun, but I can't even enjoy it...

She yells at me and then  
drags me to a playground.  
Of course I'm gonna be upset!  
I'd rather be home  
playing video games.

This sucks....  
Why can't she just try to  
understand me a little?  
I didn't even do  
anything wrong!

She acts like she's doing this for my good, but she doesn't understand me at all. Adults are so hypocritical!

Saying she's bringing me out to have fun and relax? She's the biggest source of my stress!

A woman wearing light-colored denim shorts with frayed hems and pink sneakers stands in a room. A young boy in a white long-sleeved shirt and dark pants is crouching on the floor, looking up at her. The background features a wall with a blue and white concentric circle pattern and an orange ottoman.

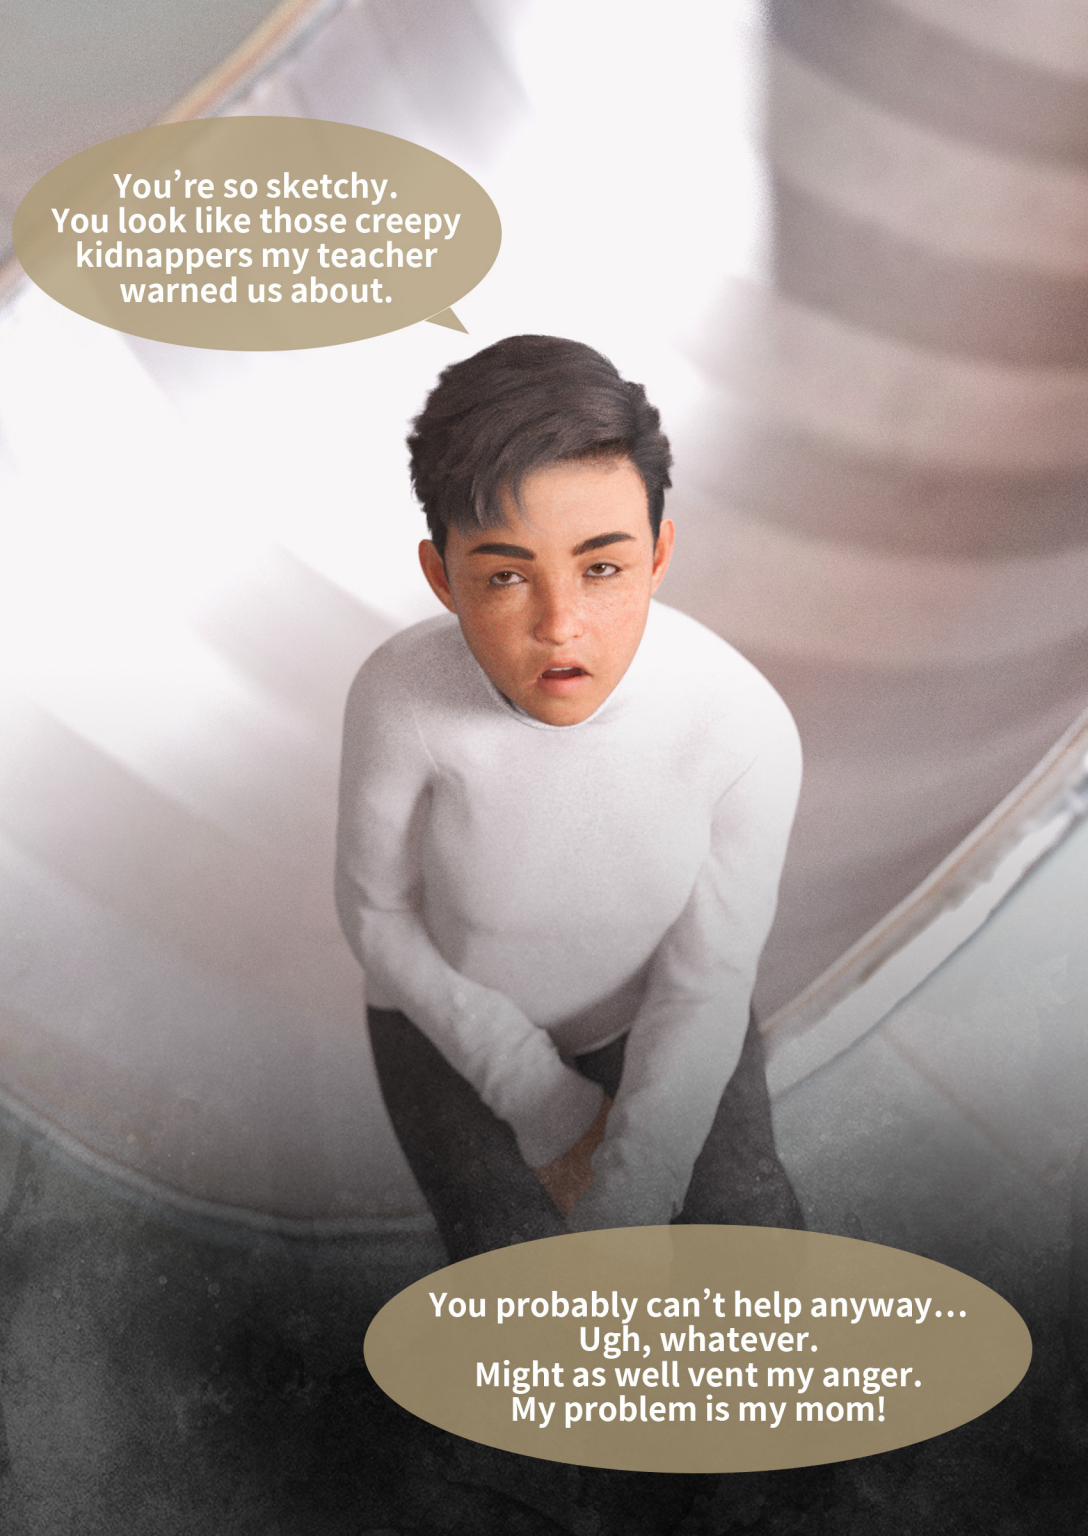

Hey, kid,  
why're you sitting here  
all alone instead of  
playing with the others?  
You look pretty upset.

Huh? Who're you, lady?  
You scared me!  
I thought my mom  
overheard me...

A woman with long, dark, wavy hair and a beige, ribbed, high-necked top is looking down and to the right. The background is a blurred indoor setting with blue patterned walls and red chairs. Two dark blue speech bubbles are overlaid on the image, one at the top left and one at the bottom right.

Got something bothering you?  
Need a hand?  
I'll let you in on a secret:  
I'm pretty powerful!

Maybe I can help you.  
Come on, don't be shy.  
Spill all your troubles to me!

You're so sketchy.  
You look like those creepy  
kidnappers my teacher  
warned us about.

You probably can't help anyway...  
Ugh, whatever.  
Might as well vent my anger.  
My problem is my mom!

All my classmates and friends  
are jealous that I have a hot mom.  
But they don't know she's  
actually super strict and mean!

Why're you  
doing the  
disgusting stuff  
again?

**You either jerk off or play games,  
and you're obsessed with streamers  
and cosplay girls.  
What kind of future am I gonna have?**

**Other kids are at cram school  
or learning talents.  
Your grades dropped.  
Can't you study harder?**

A young boy with short, light-colored hair is sitting on a large, patterned rug with orange, red, and yellow geometric designs. He is wearing a white long-sleeved shirt and grey pants. He is looking down with a somber expression. In the foreground, the back of a person's head and shoulder is visible, out of focus. A speech bubble is positioned above the boy, and another is below him. The background shows a wooden floor and some crumpled white paper on the rug.

Other moms are gentle  
and respect their kids.  
At home, I can't even  
lock my door.  
Hell, I can't even close it!

I throw my tissues in  
the trash after jerking off,  
and she digs them out!  
Her parenting is suffocating!

A woman with blonde hair styled in a bun, wearing a grey strapless two-piece outfit and jewelry, stands with her hand on her hip, looking at a man in a white shirt who is seen from behind. The background features a wooden beam ceiling.

**Are you even listening to me?  
Tell me, what do you think  
I work so hard for?  
Why can't you make my life easier?**

**You even use my hard-earned money  
to donate to those streamers.  
I went through hell to give birth to you.  
Is this how you repay me?**

Even if I didn't exist,  
you'd still have to go to work  
and earn money!  
And it's not like I want to be your son.

You're always so harsh and mean.  
That's why I play games to de-stress and  
watch gentle women online.  
It's all your fault.  
Why don't you ever reflect on yourself?

Mom has a beautiful face  
and big boobs.  
Her figure's as hot as  
those influencers',  
but her personality...

At your age,  
instead of studying, you're  
obsessed with masturbation.  
Addicted to this filthy stuff.  
Don't you have any shame?

Ugh, my classmates  
who envy me have no idea  
how hard my life is.  
I'm jealous of them for having  
moms who love their kids.

A woman with blonde hair in a bun, wearing a grey two-piece outfit and a necklace, stands in a living room pointing her finger at a young boy. The boy is sitting on a patterned rug, wearing a white sweater and dark pants. The room has wooden floors, a staircase in the background, and a window with a lamp hanging from it.

Can't you  
do something  
meaningful  
instead of  
just jerking off?

What, are you  
mute now?  
I shouldn't  
have given  
birth to you.

If I say anything, you say  
I'm talking back to you.  
What do you want from me?  
Yeah, you're hot,  
but your temper's awful.  
And since you're my mom,  
there's nothing I can do about it.

I used to flush my tissues down the toilet  
to avoid getting caught jerking off,  
but then you yelled at me for clogging it.  
No matter what, you give me zero freedom.

You're always spying on me,  
forcing me to do things your way.  
I can't live like this anymore!

Wow... Sounds like your life is very rough. Your mom doesn't give you any privacy at all!

Just hearing you describe it makes me cringe. No wonder you look so depressed. So, what do you want to do about it?

I'd love to make her  
feel my pain!  
Jerking off is super  
important for guys!

She doesn't get  
how hard not to fap.  
If I can't jerk off,  
what's even the point of life?

**So, you want your mom  
to understand how guys  
feel about jerking off  
and your problems.  
That's easy!**

**Leave it to me.  
This is exactly  
my kind of job!  
Watch this!**

Whoa!  
You...  
You!

A young man with dark hair, wearing a white turtleneck sweater, is shown from the chest up. He has a surprised expression, with his mouth open and his right hand outstretched as if gesturing. The background is a blurred indoor setting with warm lighting and some colorful objects.

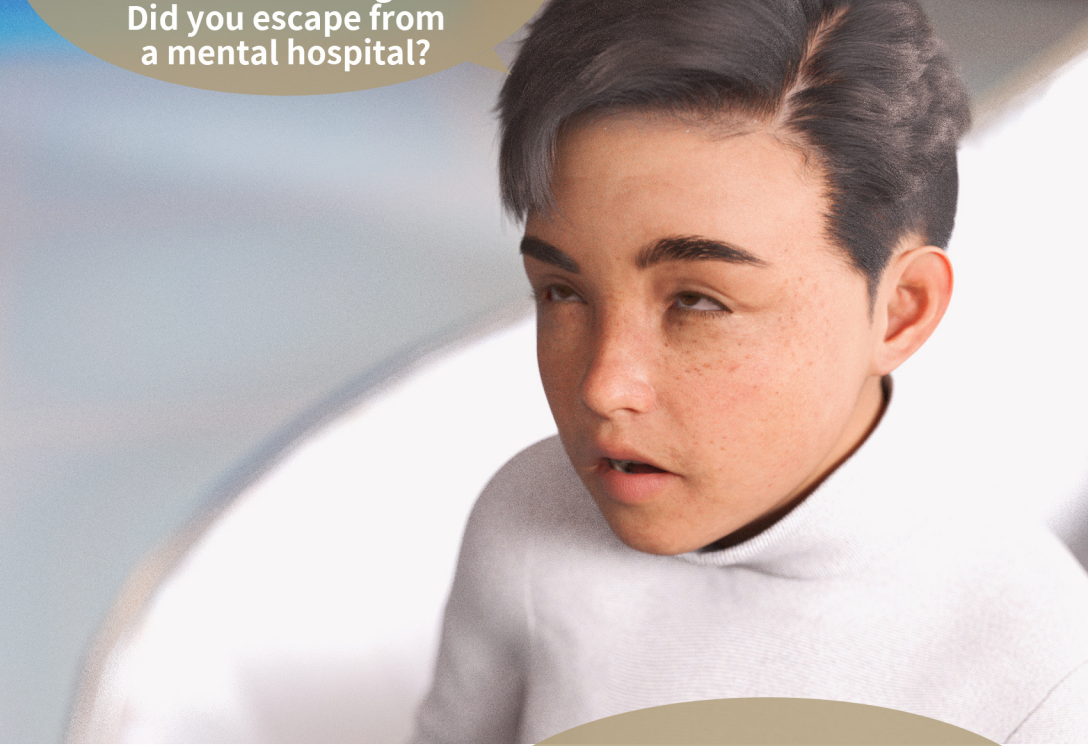

Your clothes...  
How'd your  
outfit change  
in the blink  
of an eye?

What's  
going on?  
Are you  
a magician?

Ta-da!  
The Gender-Bender  
Hero is here!  
Kiddo, I totally get  
your troubles!

I'm way more  
powerful than  
a magician.  
I guarantee I can  
fix your mom's issue.  
Let me make her  
feel your pain!

What the hell is this  
“Gender-Bender Hero”?  
You sound like some cringey  
and weird teenagers.  
Did you escape from  
a mental hospital?

And your fashion sense is ...  
Well, very special.  
That outfit’s ugly as hell.  
You have some balls to  
wear them, though.

A digital illustration of Catwoman, a character from the Batman universe. She is depicted from the waist up, wearing her iconic black catsuit, which includes a high collar, long gloves, and a mask that covers her eyes. She has long, flowing black hair and is looking down at a black smartphone held in her left hand. The background is a blurred indoor setting with warm lighting and a colorful abstract painting on the wall.

Hey, you're just an ignorant kid who has no idea how awesome I am. I'm the one who can change the world!

Hmph! Kids. I'll become the god of the new world, so I'll let this go!

Since you have no idea,  
I will show you  
the magnificent  
power of the  
Gender-Bender Hero!

Nghh! My...  
My head's spinning!  
My... My body!

Ha ah... Ha ah...  
What just happened?  
Huh? My vision...  
and my body...  
Ahh!

Whoa! I'm suddenly so tall!  
My hands and feet are so slender!  
I've turned into a grown woman!

This isn't an illusion?  
Is... Is this really my body?  
It's incredible!  
How is this possible?  
Do superpowers  
actually exist?!

Haha! Now do you see  
how awesome I am?  
My superpower can  
change people's bodies.

Not only that, I can even  
alter specific parts or  
swap body parts.  
Did I change your mind  
about me?

That's amazing!  
A superpower  
I only see  
in movies...  
It's actually real!

As a hero, I can do  
what others can't.  
With my superpower,  
I can solve  
any problem.

**Alright!  
Let's start  
planning!**

Hmm...  
I just want my mom  
to feel my pain and  
understand me.  
Can you make that happen?

Easy! Why not give  
your mom your cock?  
Let her experience it  
for herself!

A woman with long black hair, wearing a black catsuit with a mask and gloves, stands on a colorful patterned rug. She is looking down at a man in a white shirt who is standing on a light blue tiled floor, looking up at her. The background features a blue and white patterned wall and a large black beanbag chair.

Once she understands  
how tough it is for you,  
she'll definitely be kinder!  
Just need to do  
a bit of prep work first.

Go home and wait.  
Leave it to me, the justice hero.  
There's no problem I can't fix!

**Why didn't you do  
your homework?  
Your teacher  
called me!**

Do you know how much  
you've embarrassed me?  
At every parent-teacher meeting,  
you're the one they criticize  
the most!

Other kids not only do  
their homework well,  
but their grades keep  
improving too.  
I'm so embarrassed  
in front of other parents!

Oh, so I'm just not as good as them.  
Why don't you adopt those kids?  
Why waste your breath on me?

Hmph!  
You can act all high and mighty now,  
but not for long.  
The Gender-Bender Hero said  
she's got both my and Mom's data saved.  
We can get this started anytime!

What's with that  
smirk and attitude?!  
Is this how I raised you?  
All that jerking off  
has fried your brain!

I can smell  
the nasty stench  
in your room!  
You... Huh?

Ahh! What's  
happening?  
Everything's  
spinning!

My vision's  
all blurry!  
I don't feel well.  
Nghhh! I feel  
so awful...

**Nghh! Help...  
Something's wrong  
with my body!  
Especially my  
private parts!**

**Bulge!**

**It's too much!  
Nghh...  
Call an  
ambulance!**

Huh? Is...  
Is it fine now?  
What was that?  
Wait...  
My private parts.  
What is that?

My body...  
It's like something  
weird grew on me!  
Oh my God,  
what's going on?!

What's wrong with you,  
you old hag?  
Always losing your temper.  
God's punishing you!

The Gender-Bender Hero  
didn't lie to me!  
She really did it!  
She makes Mom grow  
my cock at the agreed time!

What ...  
What did you call me?  
How dare you talk to  
your mother like that?!  
All your education is wasted!  
No manners at all!

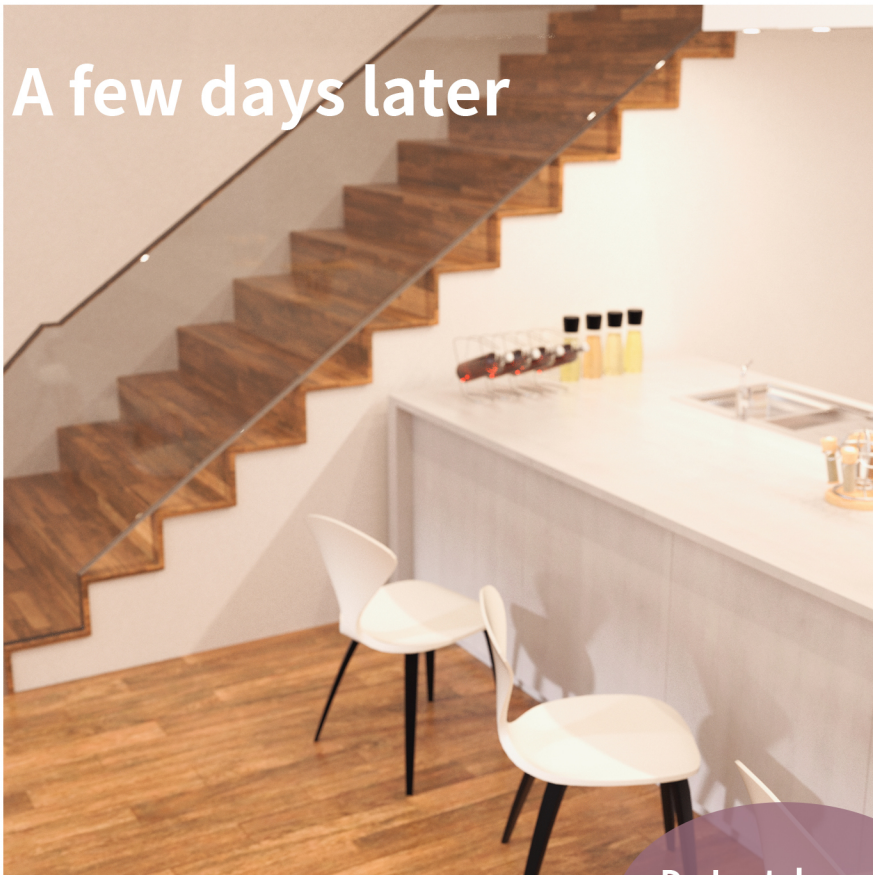

I poured so much effort  
into raising you, and  
you're taking pleasure  
in my suffering.

You're always yelling at me.  
so you had it coming!  
I'm done talking to you.  
Enjoy it, you old hag.

Stop right there!  
I'm not done talking!  
Who said you  
could leave?  
Get back here!

A few days later

Do I catch some kind of weird disease?

I've got a man's thing down there...  
No matter how much I search online,  
I can't find anything.  
The only thing remotely related  
is that ridiculous  
Gender-Bender Hero news.

Could it have something  
to do with her?  
No way! Those witnesses were  
probably drunk or high  
to say such crazy stuff.

It has been killing me  
for the past few days.  
It keeps getting hard  
uncontrollably.  
And every morning,  
I've got...  
morning wood...

Is this what it's like for guys?  
It's so inconvenient.  
I keep wanting to touch it  
unconsciously.

**Stroke**

This feeling...  
It's so amazing!  
I should feel grossed out.  
Why do I keep wanting  
to touch it?

Not only can't I control when it gets hard or soft, but I also sometimes catch myself touching it without even realizing. I can't stop!

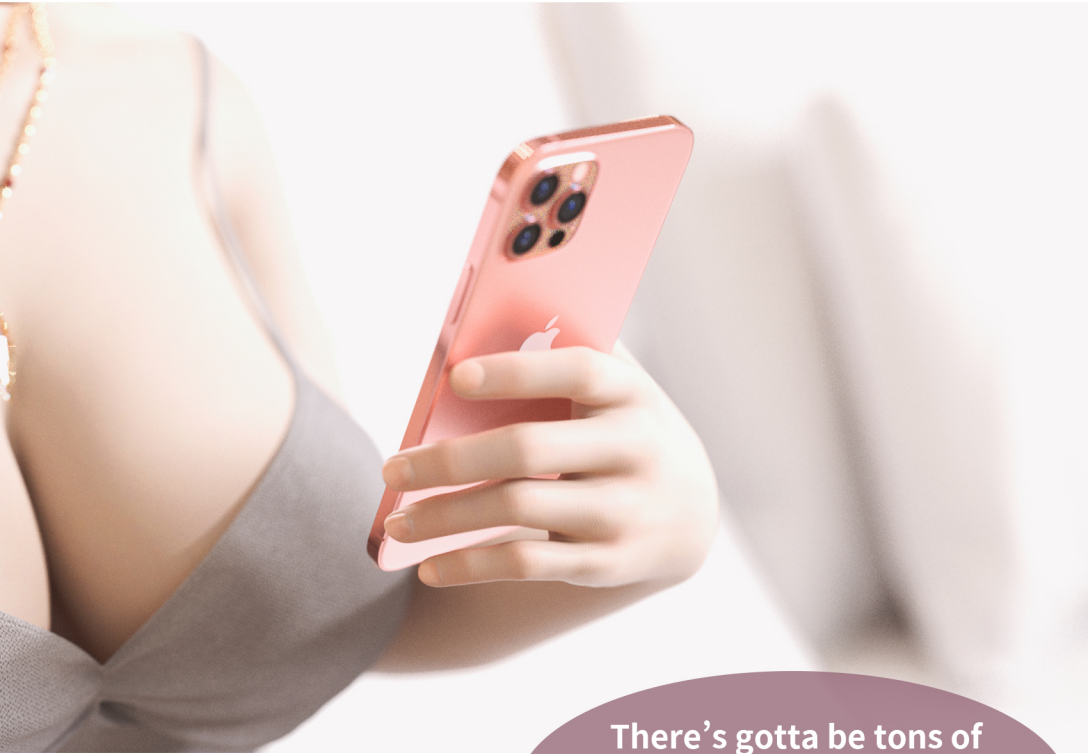

I can't even use the bathroom when I'm out! And... when I touch it in the shower, it gets so hard!

Seeing girls with huge racks makes it feel like it's gonna explode. Even my own breasts suddenly seem so attractive!

Why am I suddenly so obsessed with boobs? So soft... So big... So beautiful! They feel amazing!

It's not enough...  
I want to see more boobs!  
I mean, it's not a big deal  
for a woman to  
look at boobs, right...

There's gotta be tons of  
pics of busty girls online.  
I'll just take a quick look...  
Just a peek...

A woman with blonde hair, seen from the back, is holding a smartphone. The phone screen shows a woman in a blue, low-cut dress. The woman holding the phone is wearing a grey top and a gold necklace. The background is a blurred indoor setting.

These big boobs!  
Just looking at them cheers me up!  
I really want to squeeze them.  
Women's breasts are so amazing!

Now, when I'm out,  
I can't stop staring at  
other women's boobies.  
I never thought  
I'd do something  
so rude...

It's just a photo.  
So why's my body getting  
hotter the more I look?  
My heart's all itchy.  
This is so weird!

## Stroke

That thing's getting even harder...  
The urge to touch it  
is getting harder to resist.  
It's so good but so uncomfortable!  
Nghh! I can't take it!

A close-up photograph of a woman sitting on a toilet. She is wearing a grey, short-sleeved, off-the-shoulder dress. Her hands are on her lap, and she is looking down. A brown, realistic-looking dildo is inserted into her vagina. The background is a plain, light-colored wall.

Touching it through my skirt  
isn't enough anymore!  
God... It's so hard down there!

This thing's  
making me crazy.  
But... But...  
I'm at my limit!  
It's too much!

Wait! This thing...  
Why does it look familiar?  
I feel like I've seen it  
somewhere before...

Right! It's my son's cock!  
No way...  
Why would his cock...  
Am I imagining this?

I'm right!  
The color and size!  
It's definitely  
my son's penis!

Even the  
foreskin's  
exactly the same.  
How did my son's  
cock end up on  
my body?

I can't figure it out...  
but I don't care anymore!  
It's so hard right now,  
I can't think about  
anything else!

Even if it's my son's cock...  
I just want to jerk off!  
Seeing those busty girls  
makes it impossible  
to hold back!

A photograph of a woman with her back to the camera, sitting on a chair. She is wearing a black, form-fitting dress. Her right hand is positioned near her groin area. The background is a plain, light-colored wall.

As long as  
I can jerk off,  
nothing else  
matters!  
Oh yes!

My son's cock  
feels amazing!  
So this is what  
he's been feeling  
all along!

A woman with large breasts and red lipstick is sitting and looking at her phone. She is wearing a grey spaghetti-strap top and several gold necklaces. The background is a blurred indoor setting with warm lighting.

Those big-boobed girls'  
tits are so hot!  
Boobs that big are  
just begging to  
be jack off material!  
Oh yeah!

My son's cock is so nice!  
Jerking off is awesome!  
My hand can't stop.  
It's just too good!

Haha, see?  
You can't hold back either!  
Weren't you always  
calling me disgusting?  
Now you're having  
a blast yourself.

Finally, you get how I feel.  
Let's see you try to  
scold me in the future.

**You'd better  
take good care of  
my cock, Mom...**
