Hey dweeb,
I am back...
and what
are you
doing with
the
defunct
PSP?

I am modifying it into a
dimension interactor.
Almost...

Done!
This device
can be used
to interact and
meet your
alternate
counterpart
from another
world!

Hmm...
interesting!
Maybe I can give
this thing a try!

ZAP!

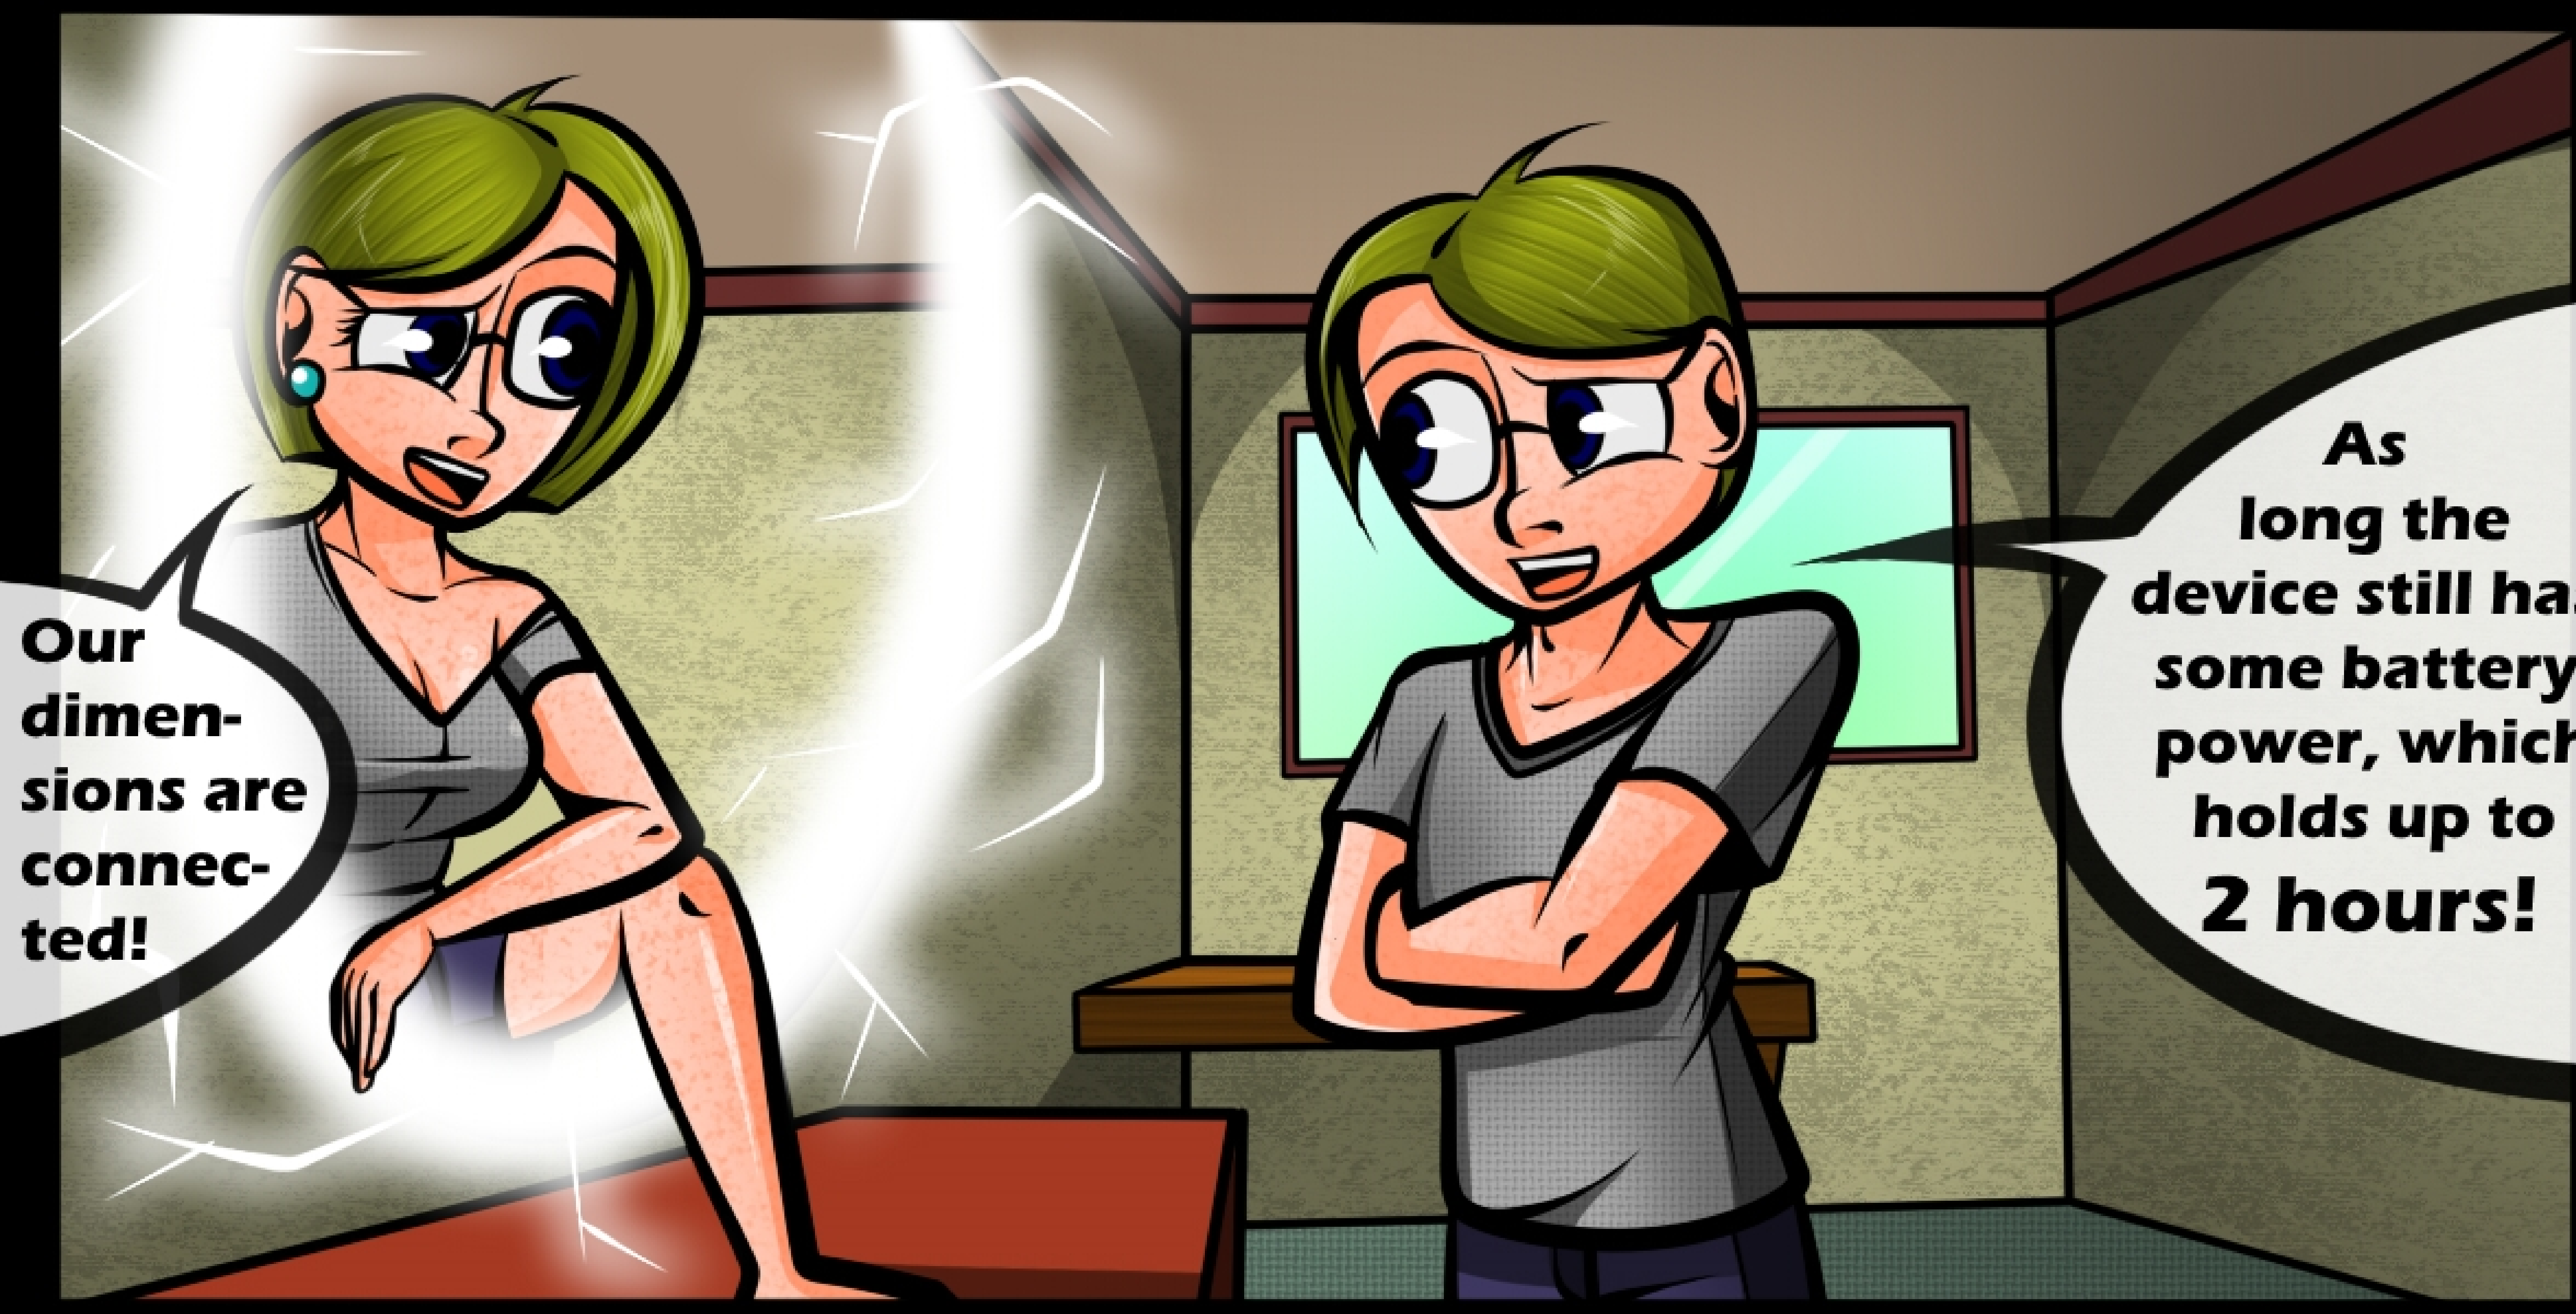

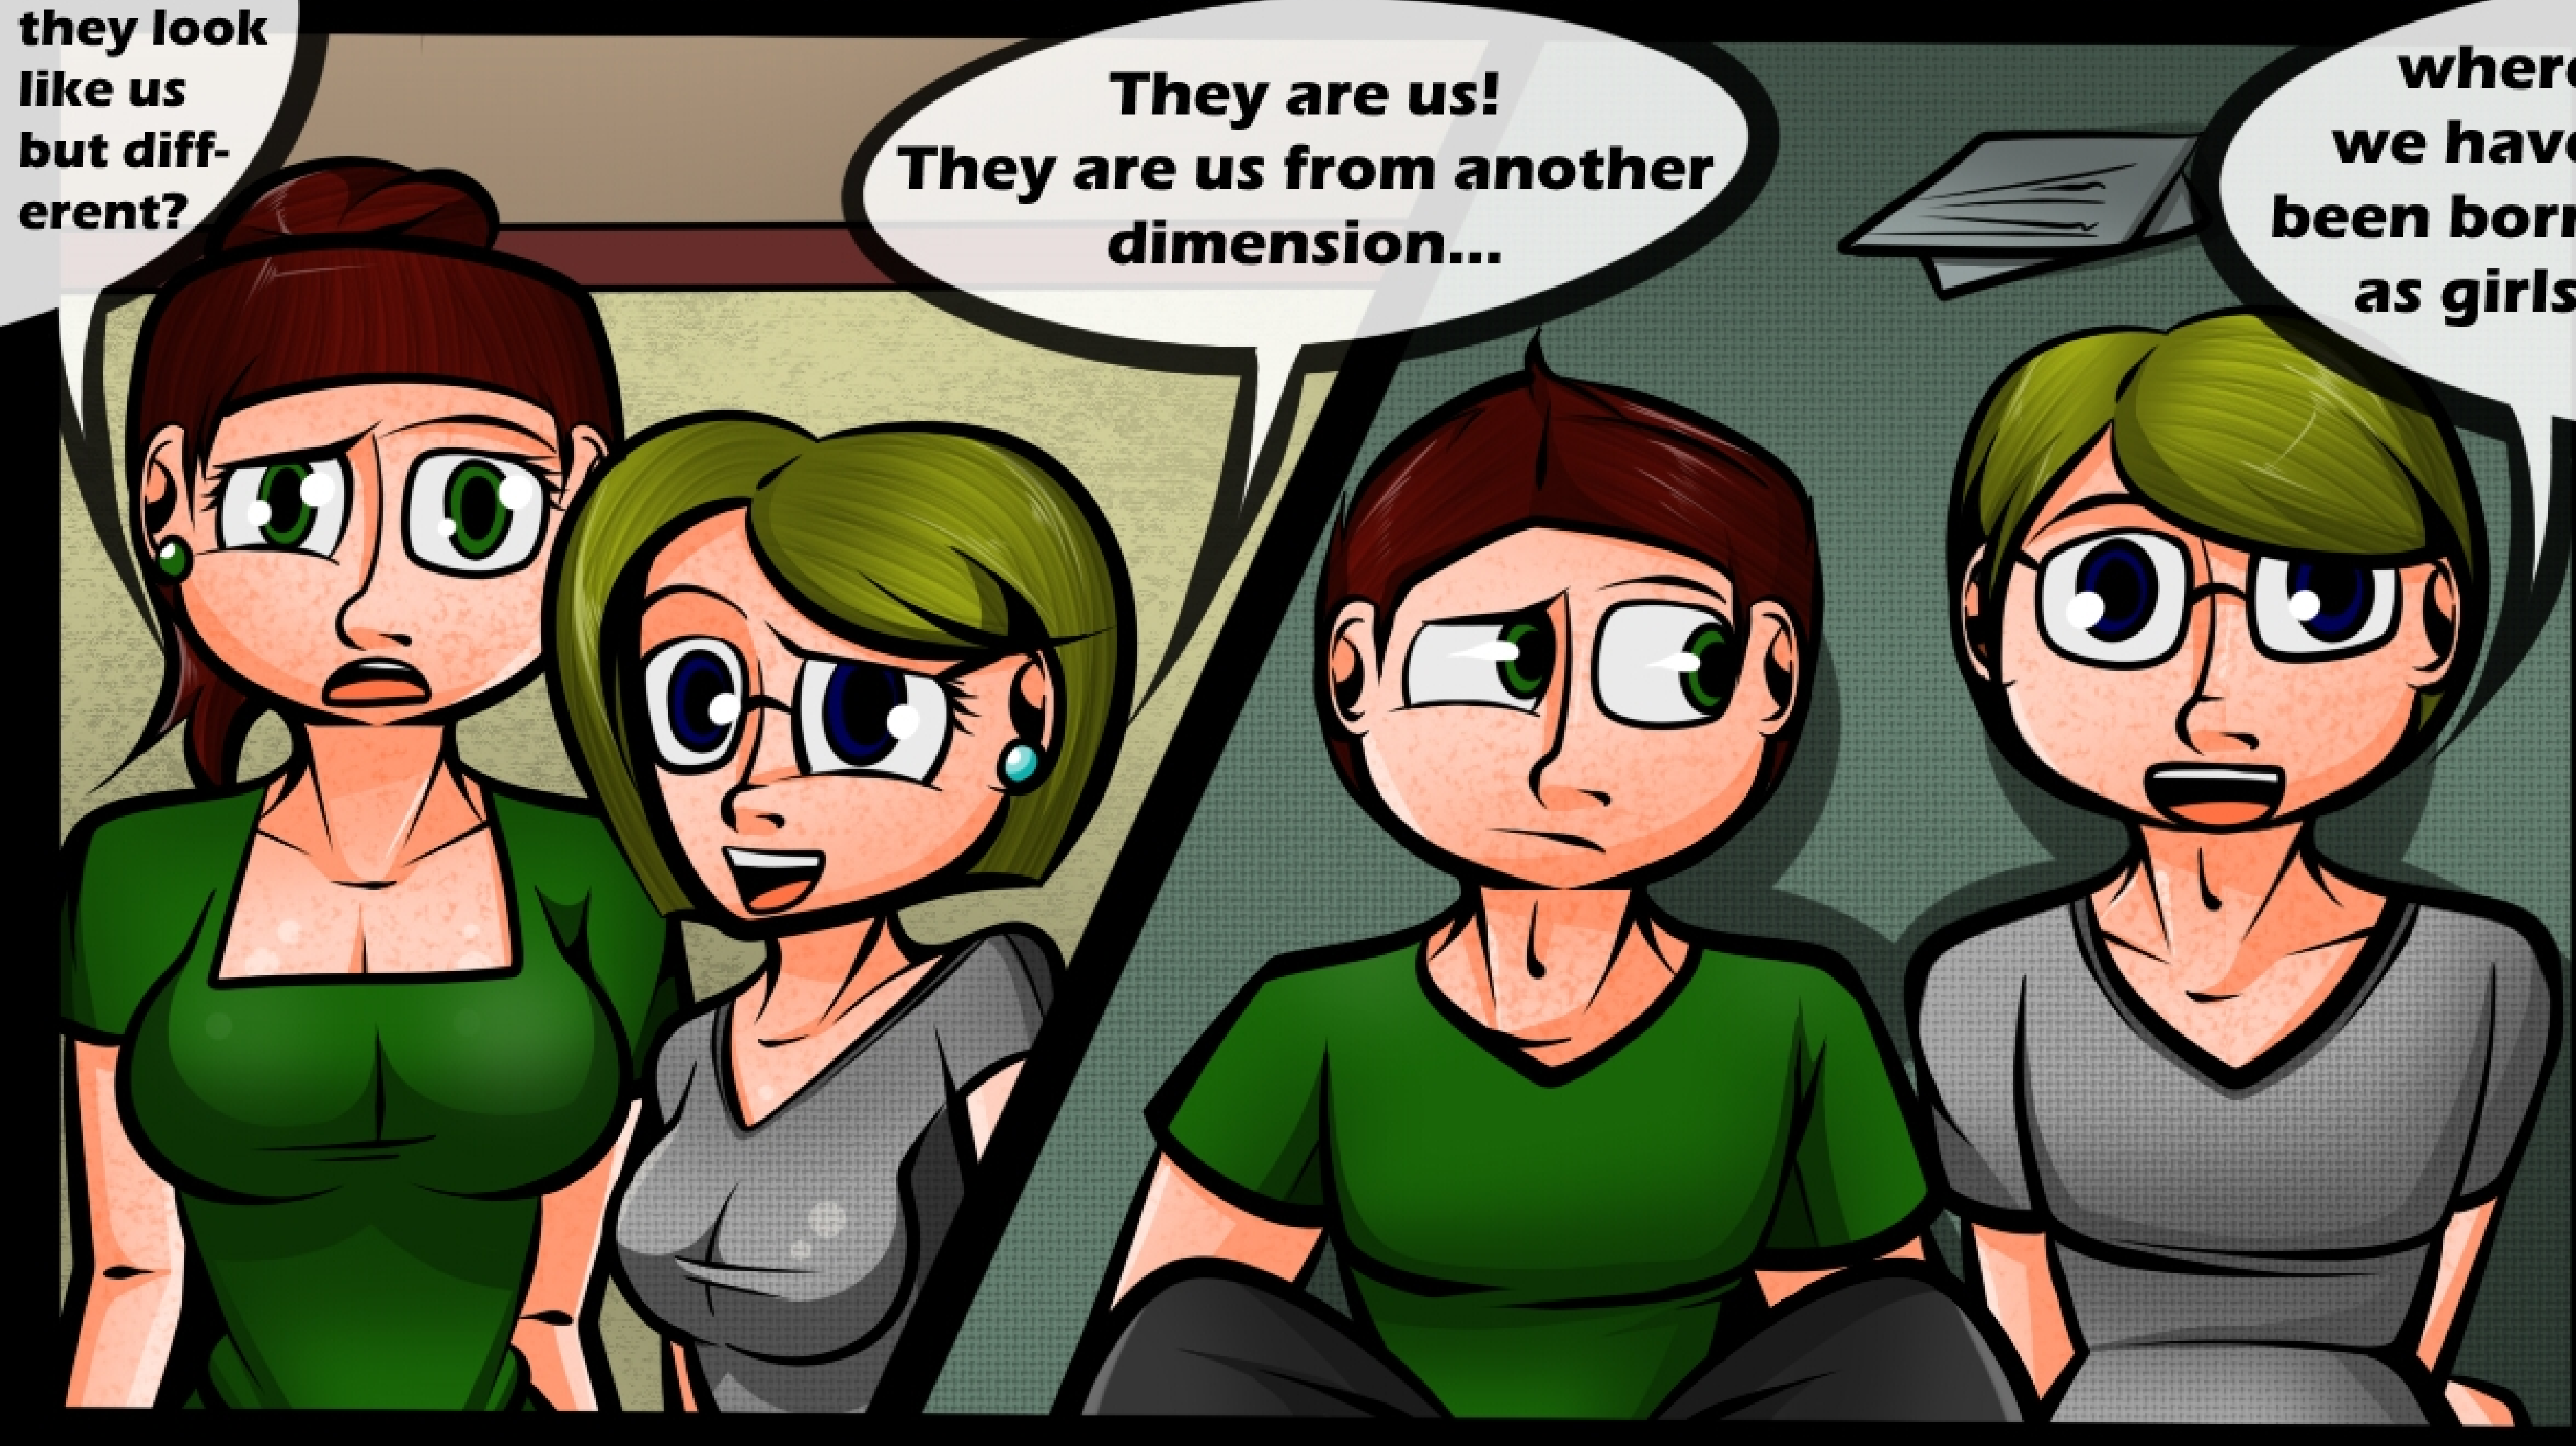

WAIT!
I haven't test
it out yet!

Who are those guys? they look like us but different?

They are us! They are us from another dimension...

where we have been born as girls!

Our dimensions are connected!

As long the device still has some battery power, which holds up to 2 hours!

What the...?!

What the...?!

RiP!

RiP!

Well since we have plenty of time left...

uhm...

...we can spend much time by 'comparing' ourselves with our counterparts..

And you can join the fun as well!

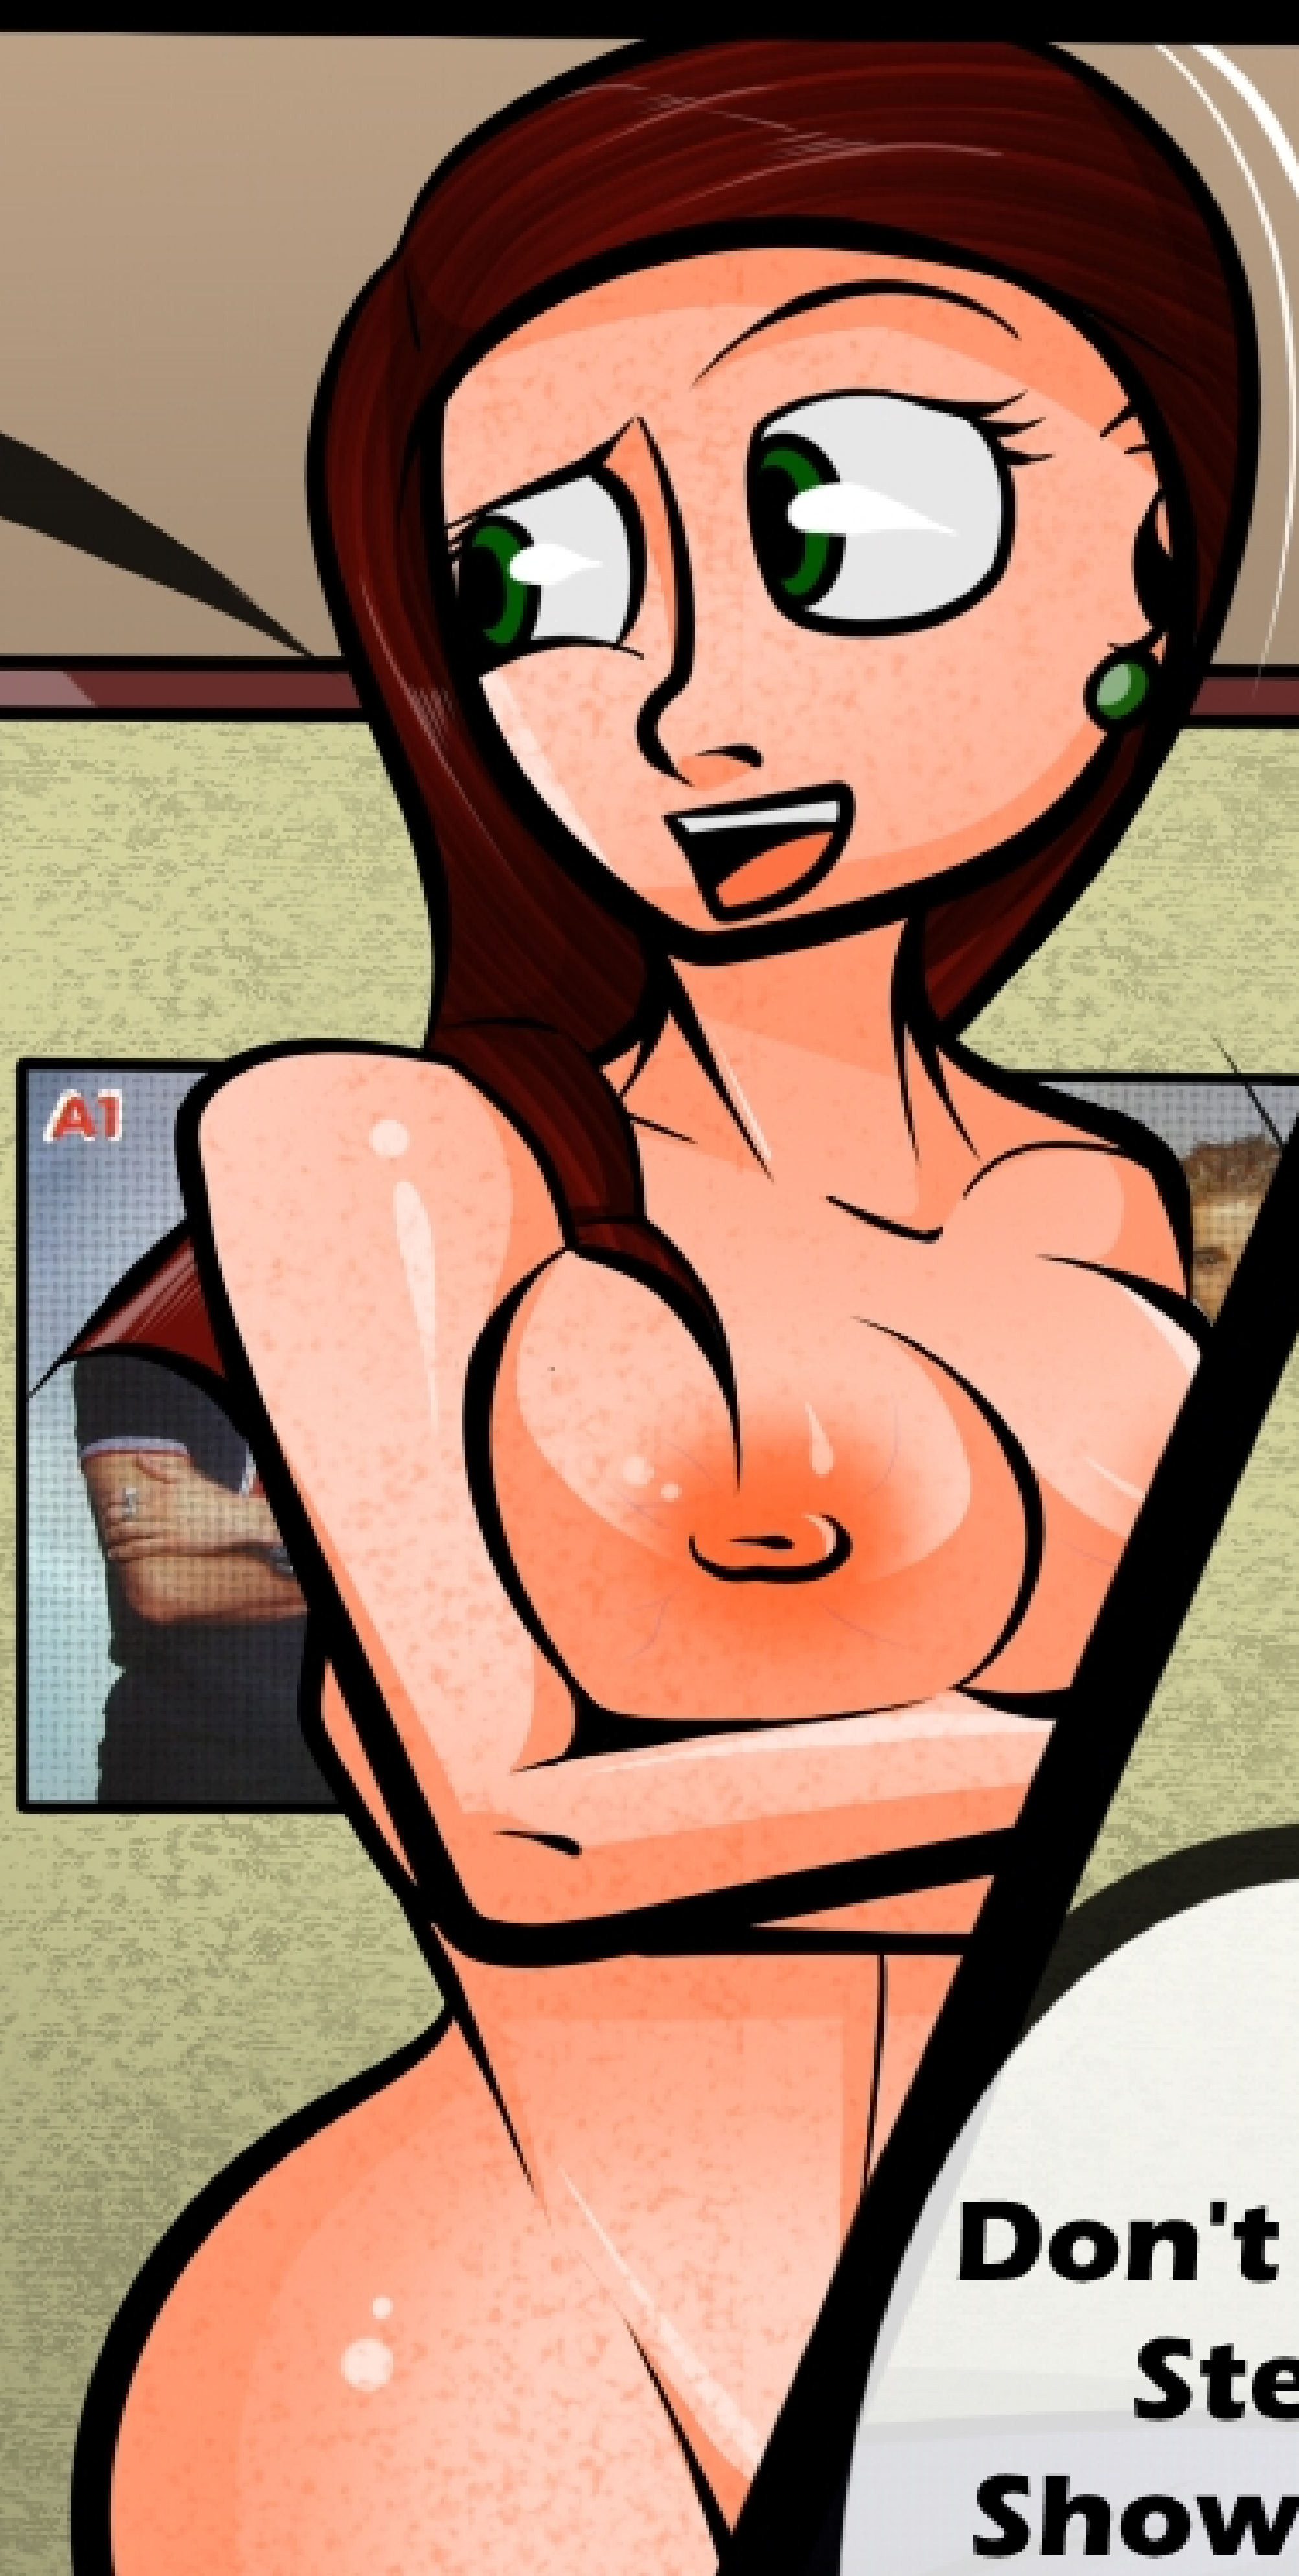

I like your big shoulders and your penis looks amazing! I wish I could have been born with that even though you don't have breasts like mine.

Thanks! And your tits looks so amazing! Wish I could have been born with "these"

Steph! Show your body to your 'guy' self there is nothing to be embarrassed about

I... I'll try...

Don't worry Steph! Show them!

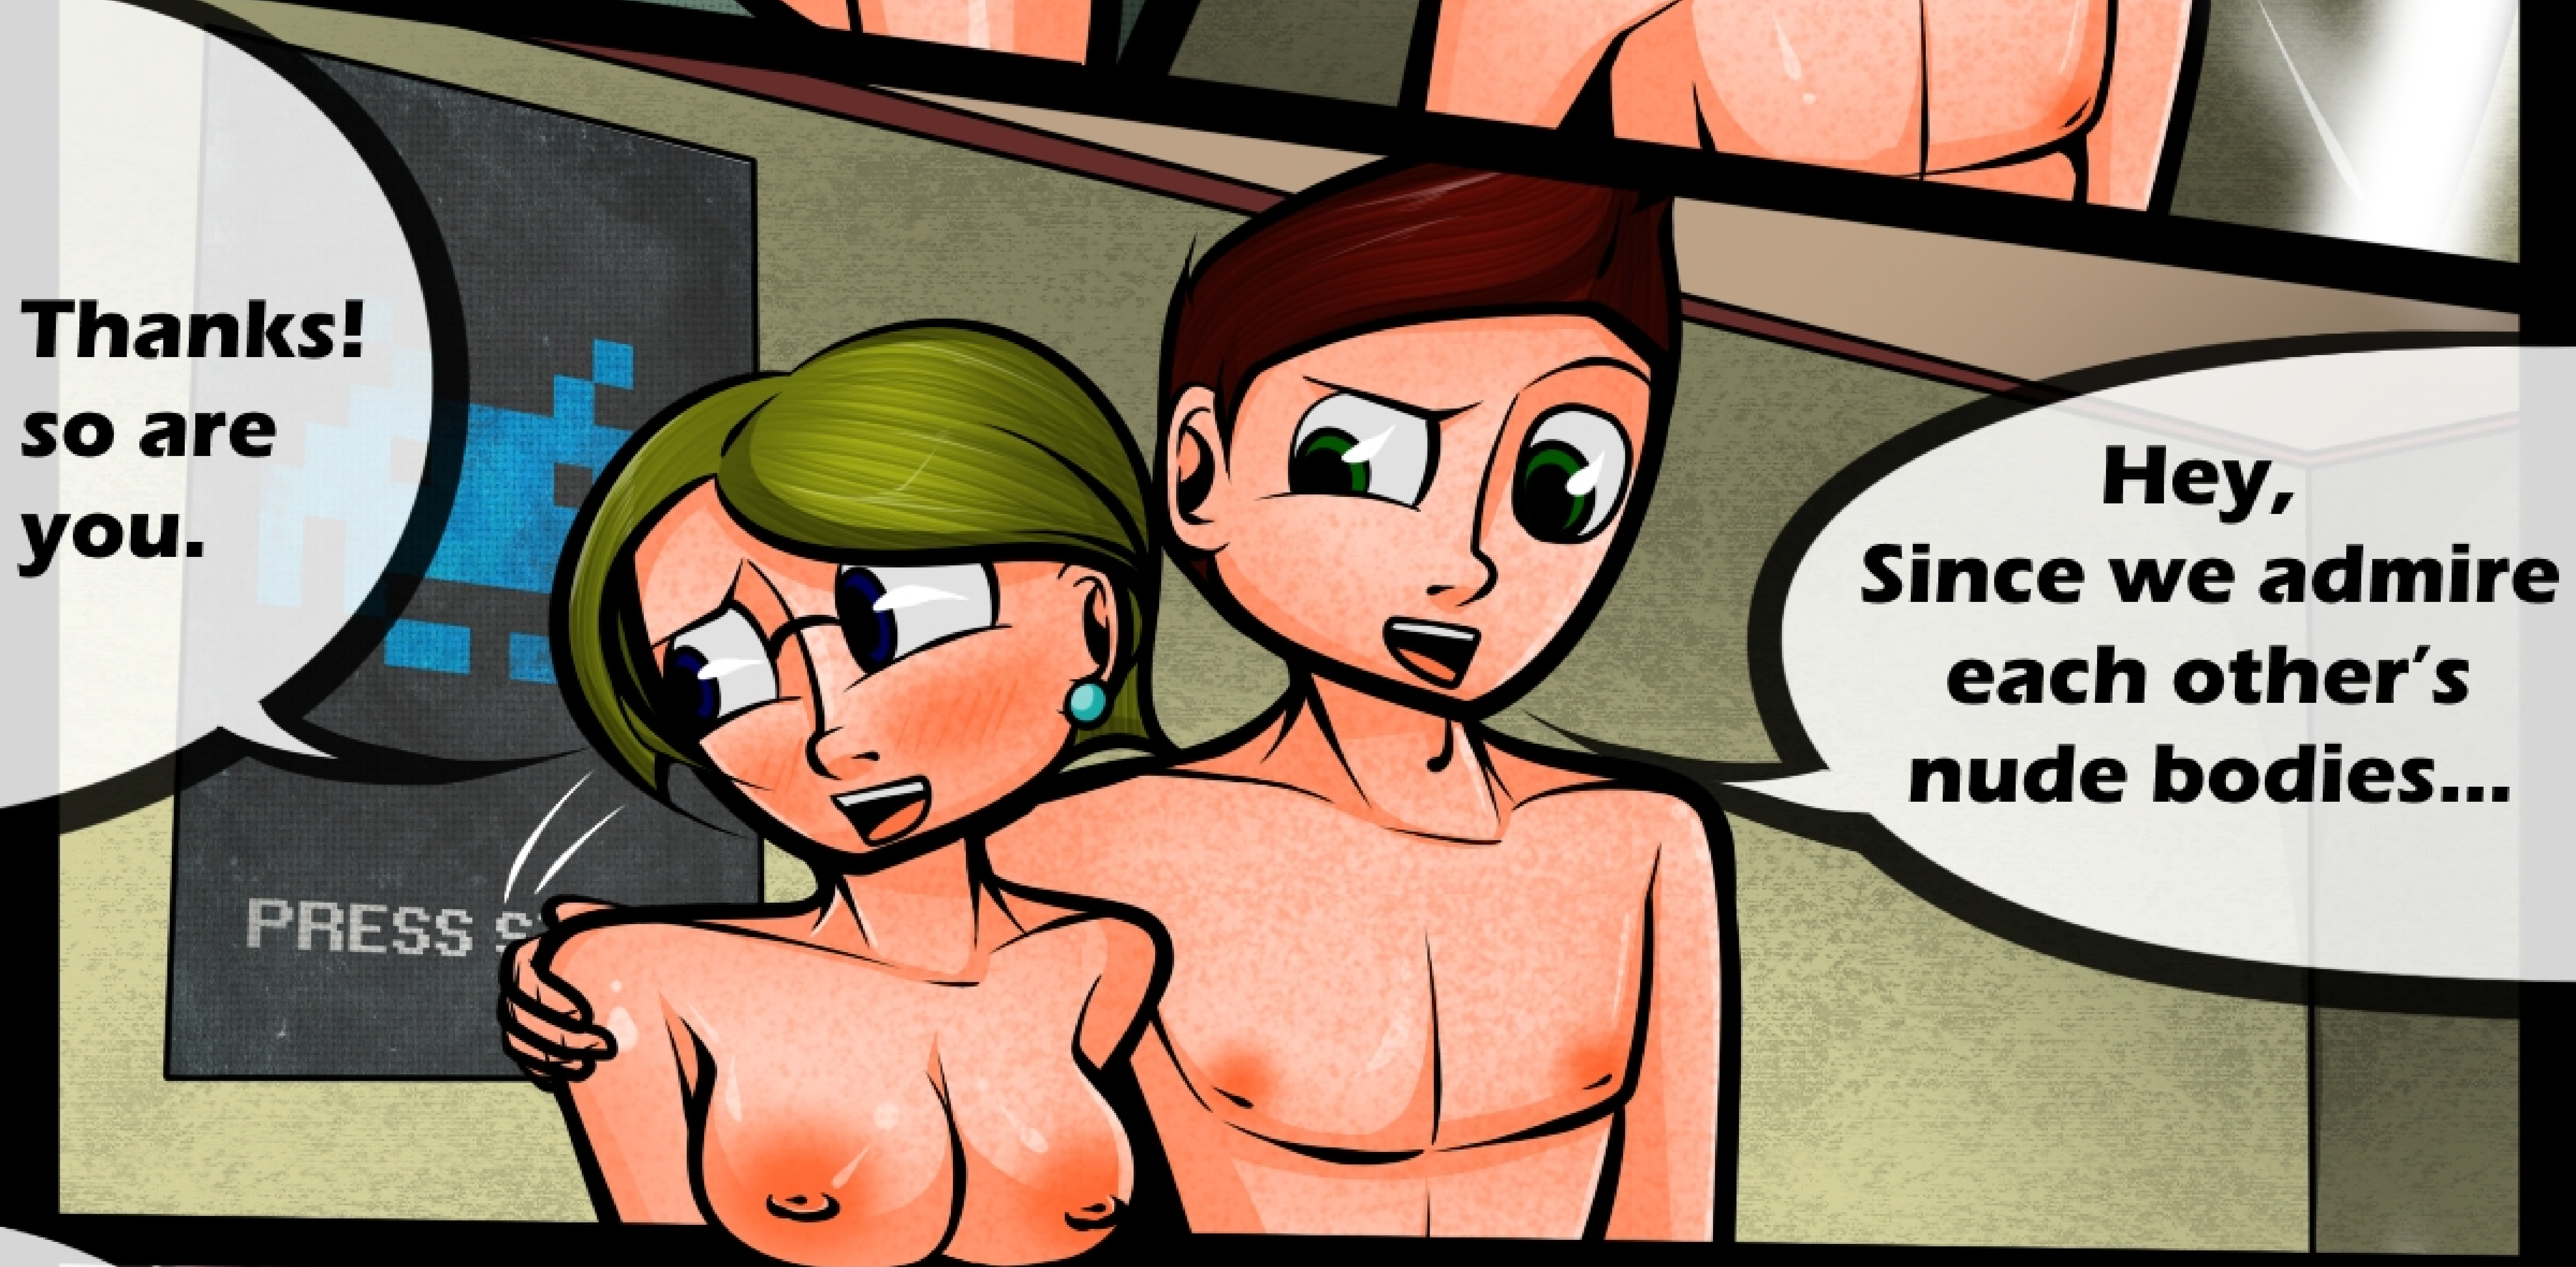

Okay...

I feel so exposed...

Wow...
You look kinda great!

BOING!
BOING!

Thanks!
so are you.

Hey,
Since we admire
each other's
nude bodies...

What the..?!

... I think it's
time for the next
best thing:

SEX!

Squeeze...

slip!

Ralph and I are doing this because you and your girly self didn't have a proper date to get 'laid' with...

..So he and I will do sex with you instead since our genders are opposite in both worlds.

Oh snap! this is too intense!

BOING!

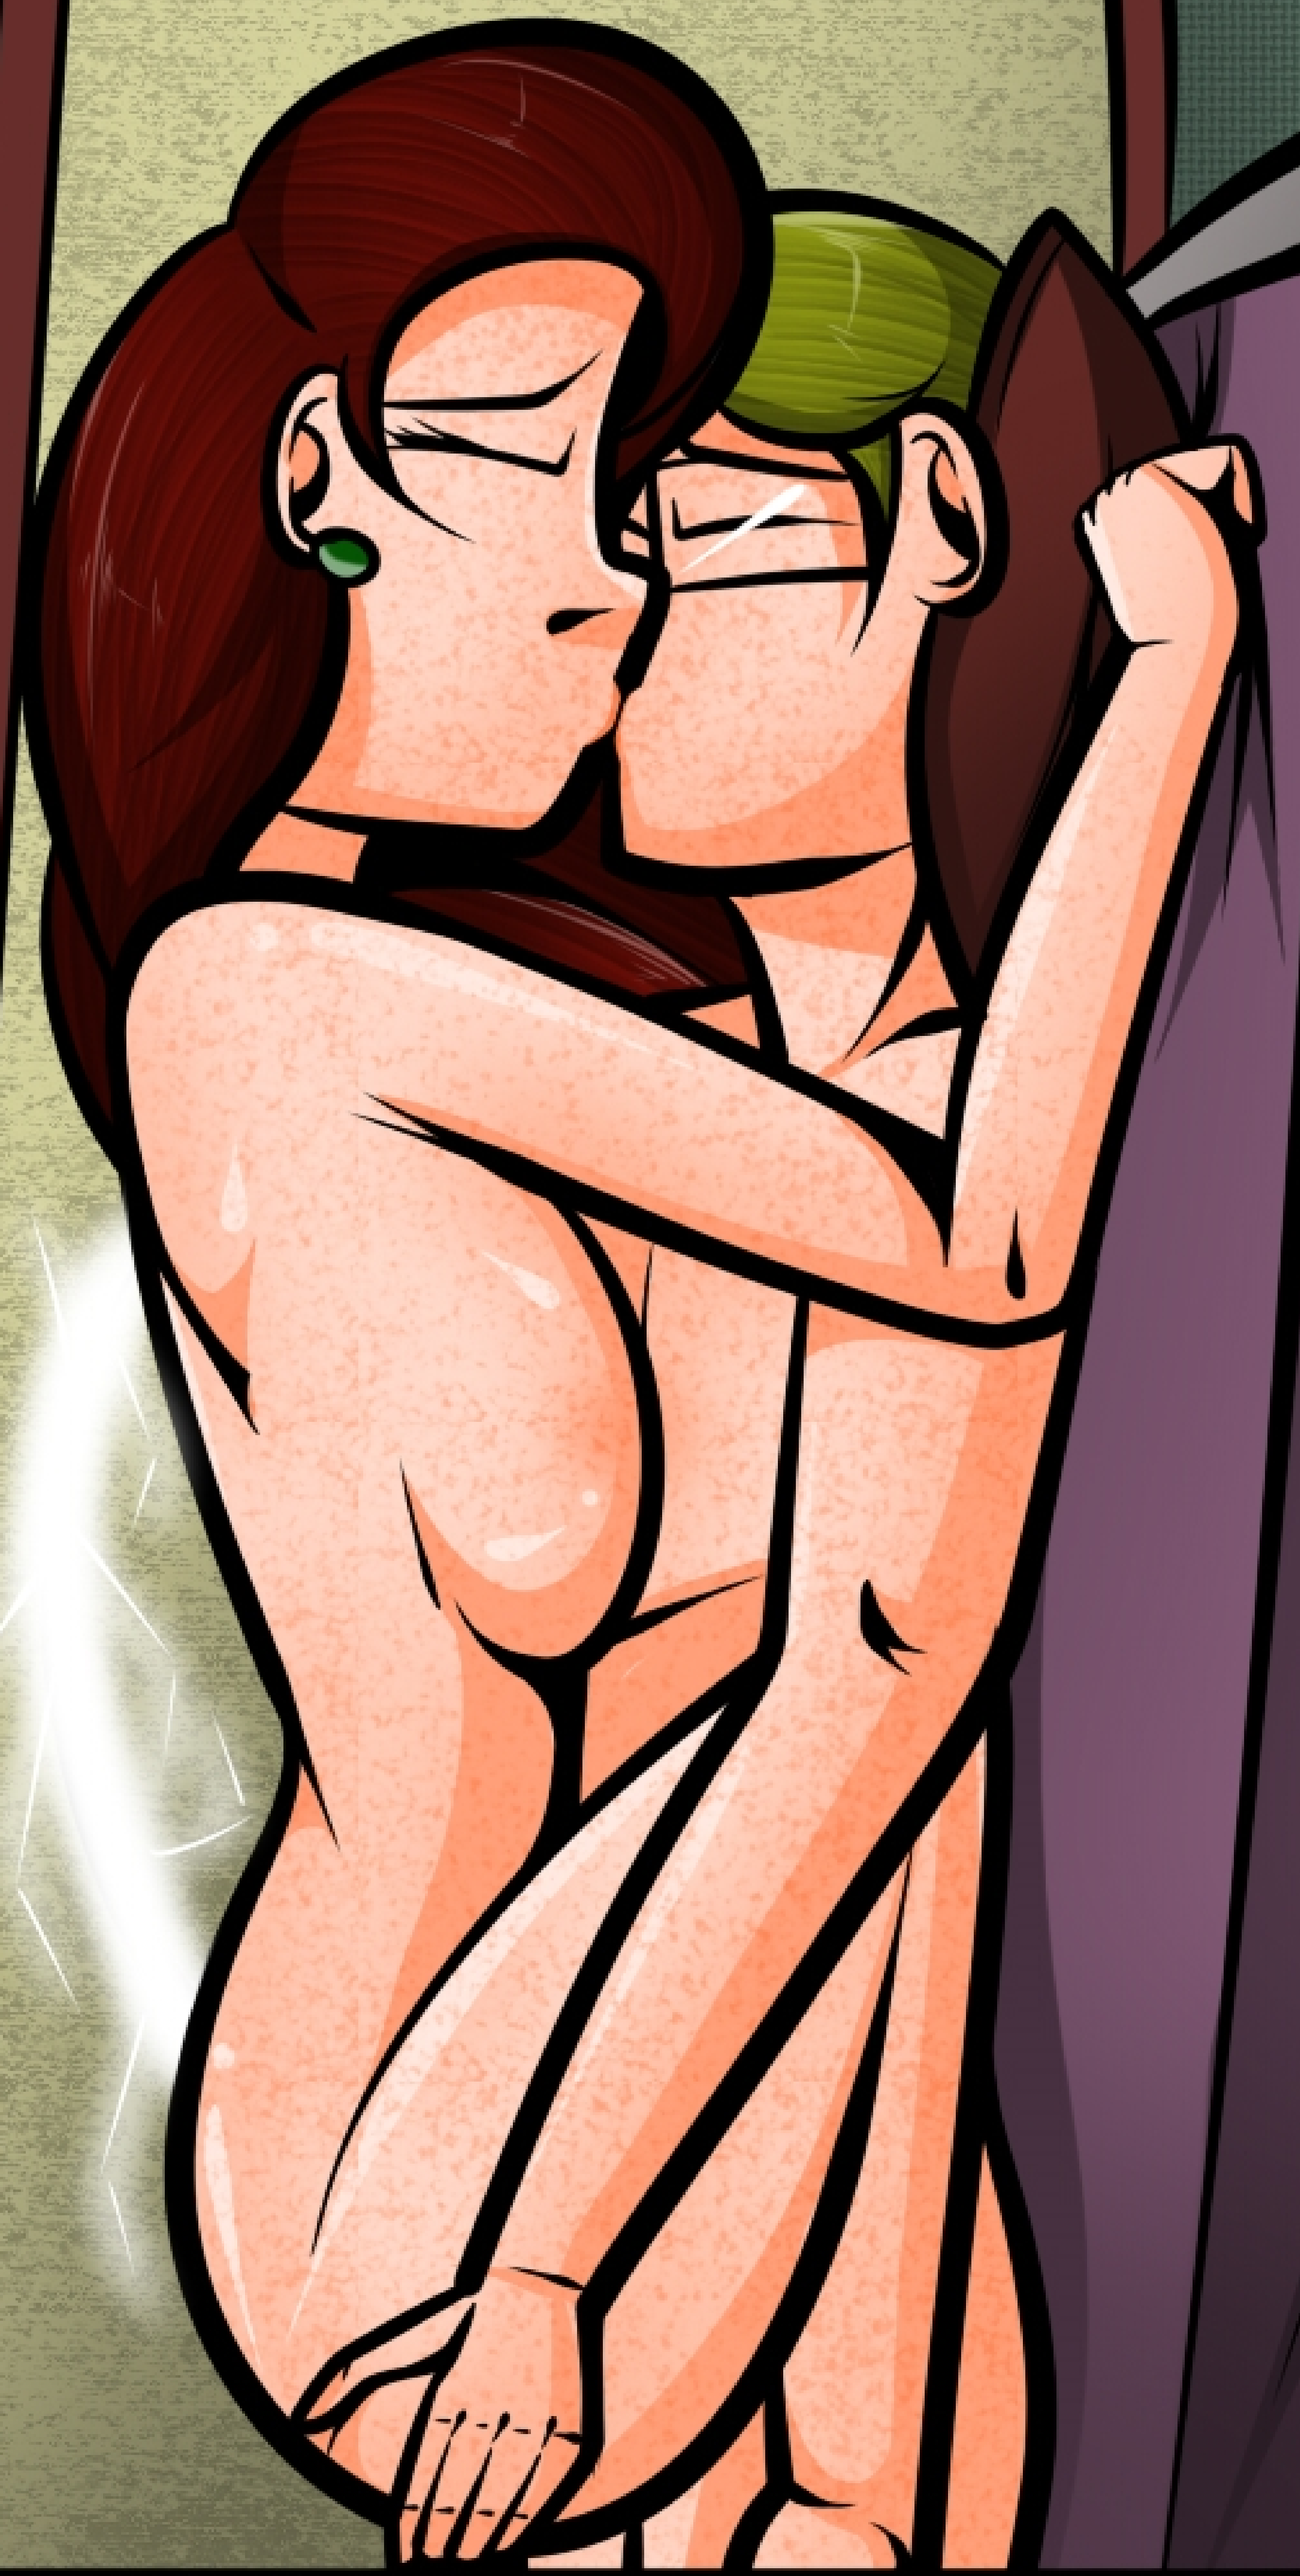

Oh man..I can't believe I am having sex with the alternate counterpart of my best friend!

Steve, I got to say your dimension thingy is the best that I am having sex with your female counterpart!

BOING!

THRUST...

Oh... I think you just came inside me...
Oh well, I have plan B anyway.

2 hours later...

I must say, male- Steph has some great moves!

And girly Steve's moans are that of a porn star!

Even though his penis is too small haha!

Sizes doesn't matter, look at female-steves's tits!

it's almost recharged...

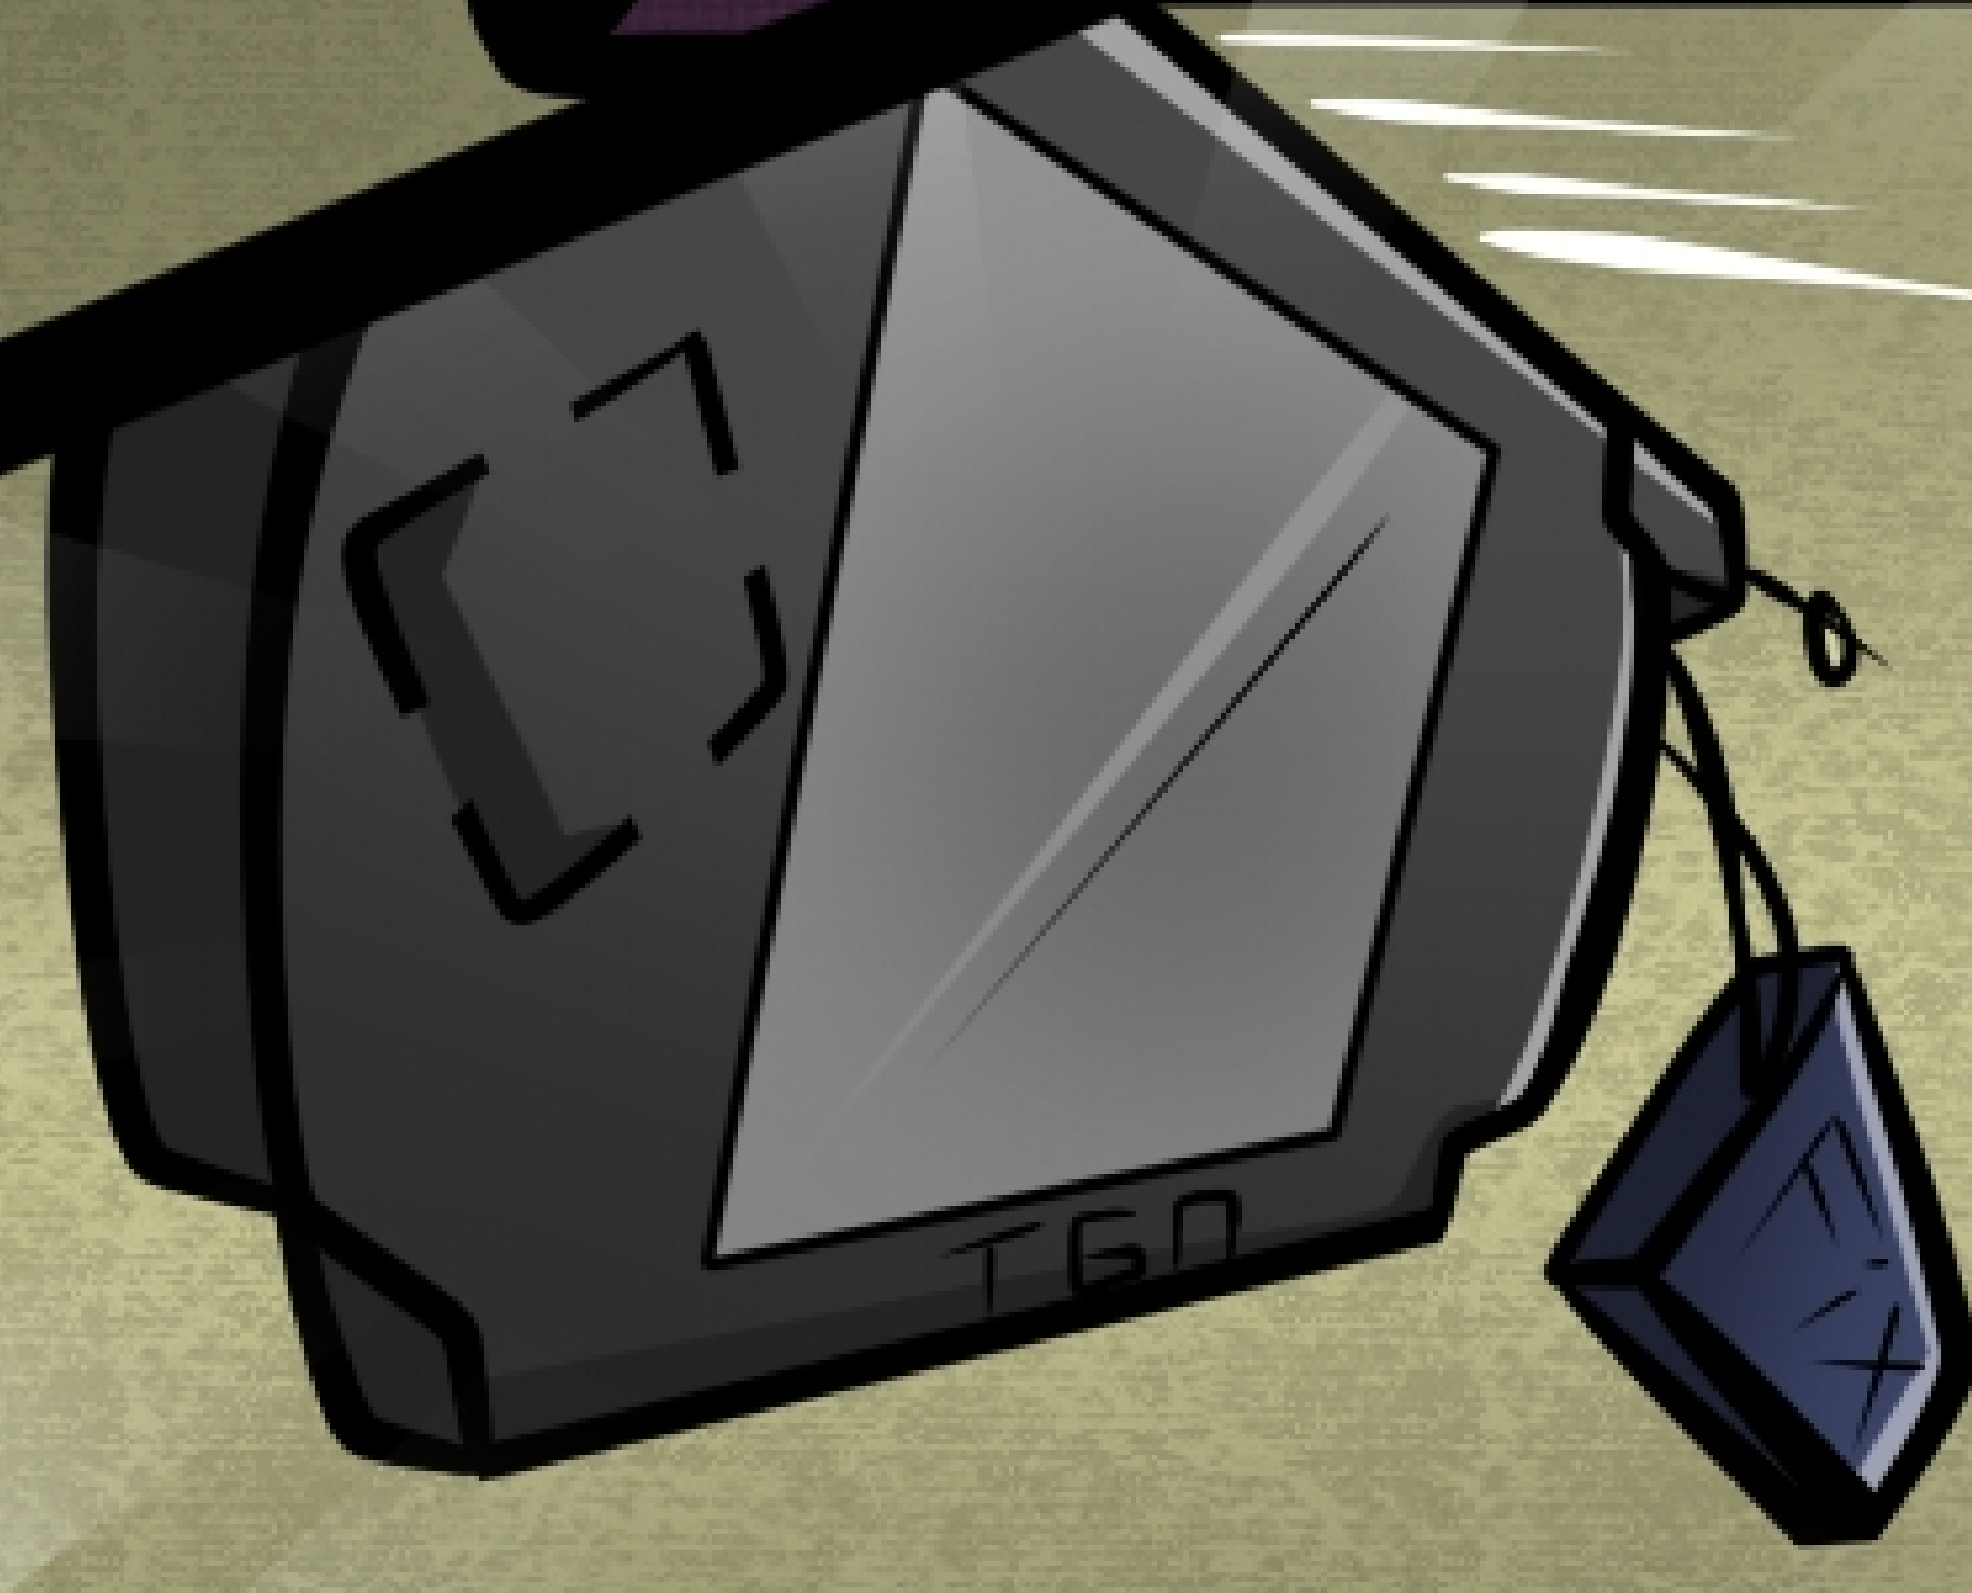

Just ignore it...

There!
my dimension interactor is recharged which means we can finally go home!

I wish I could meet you again, you know!

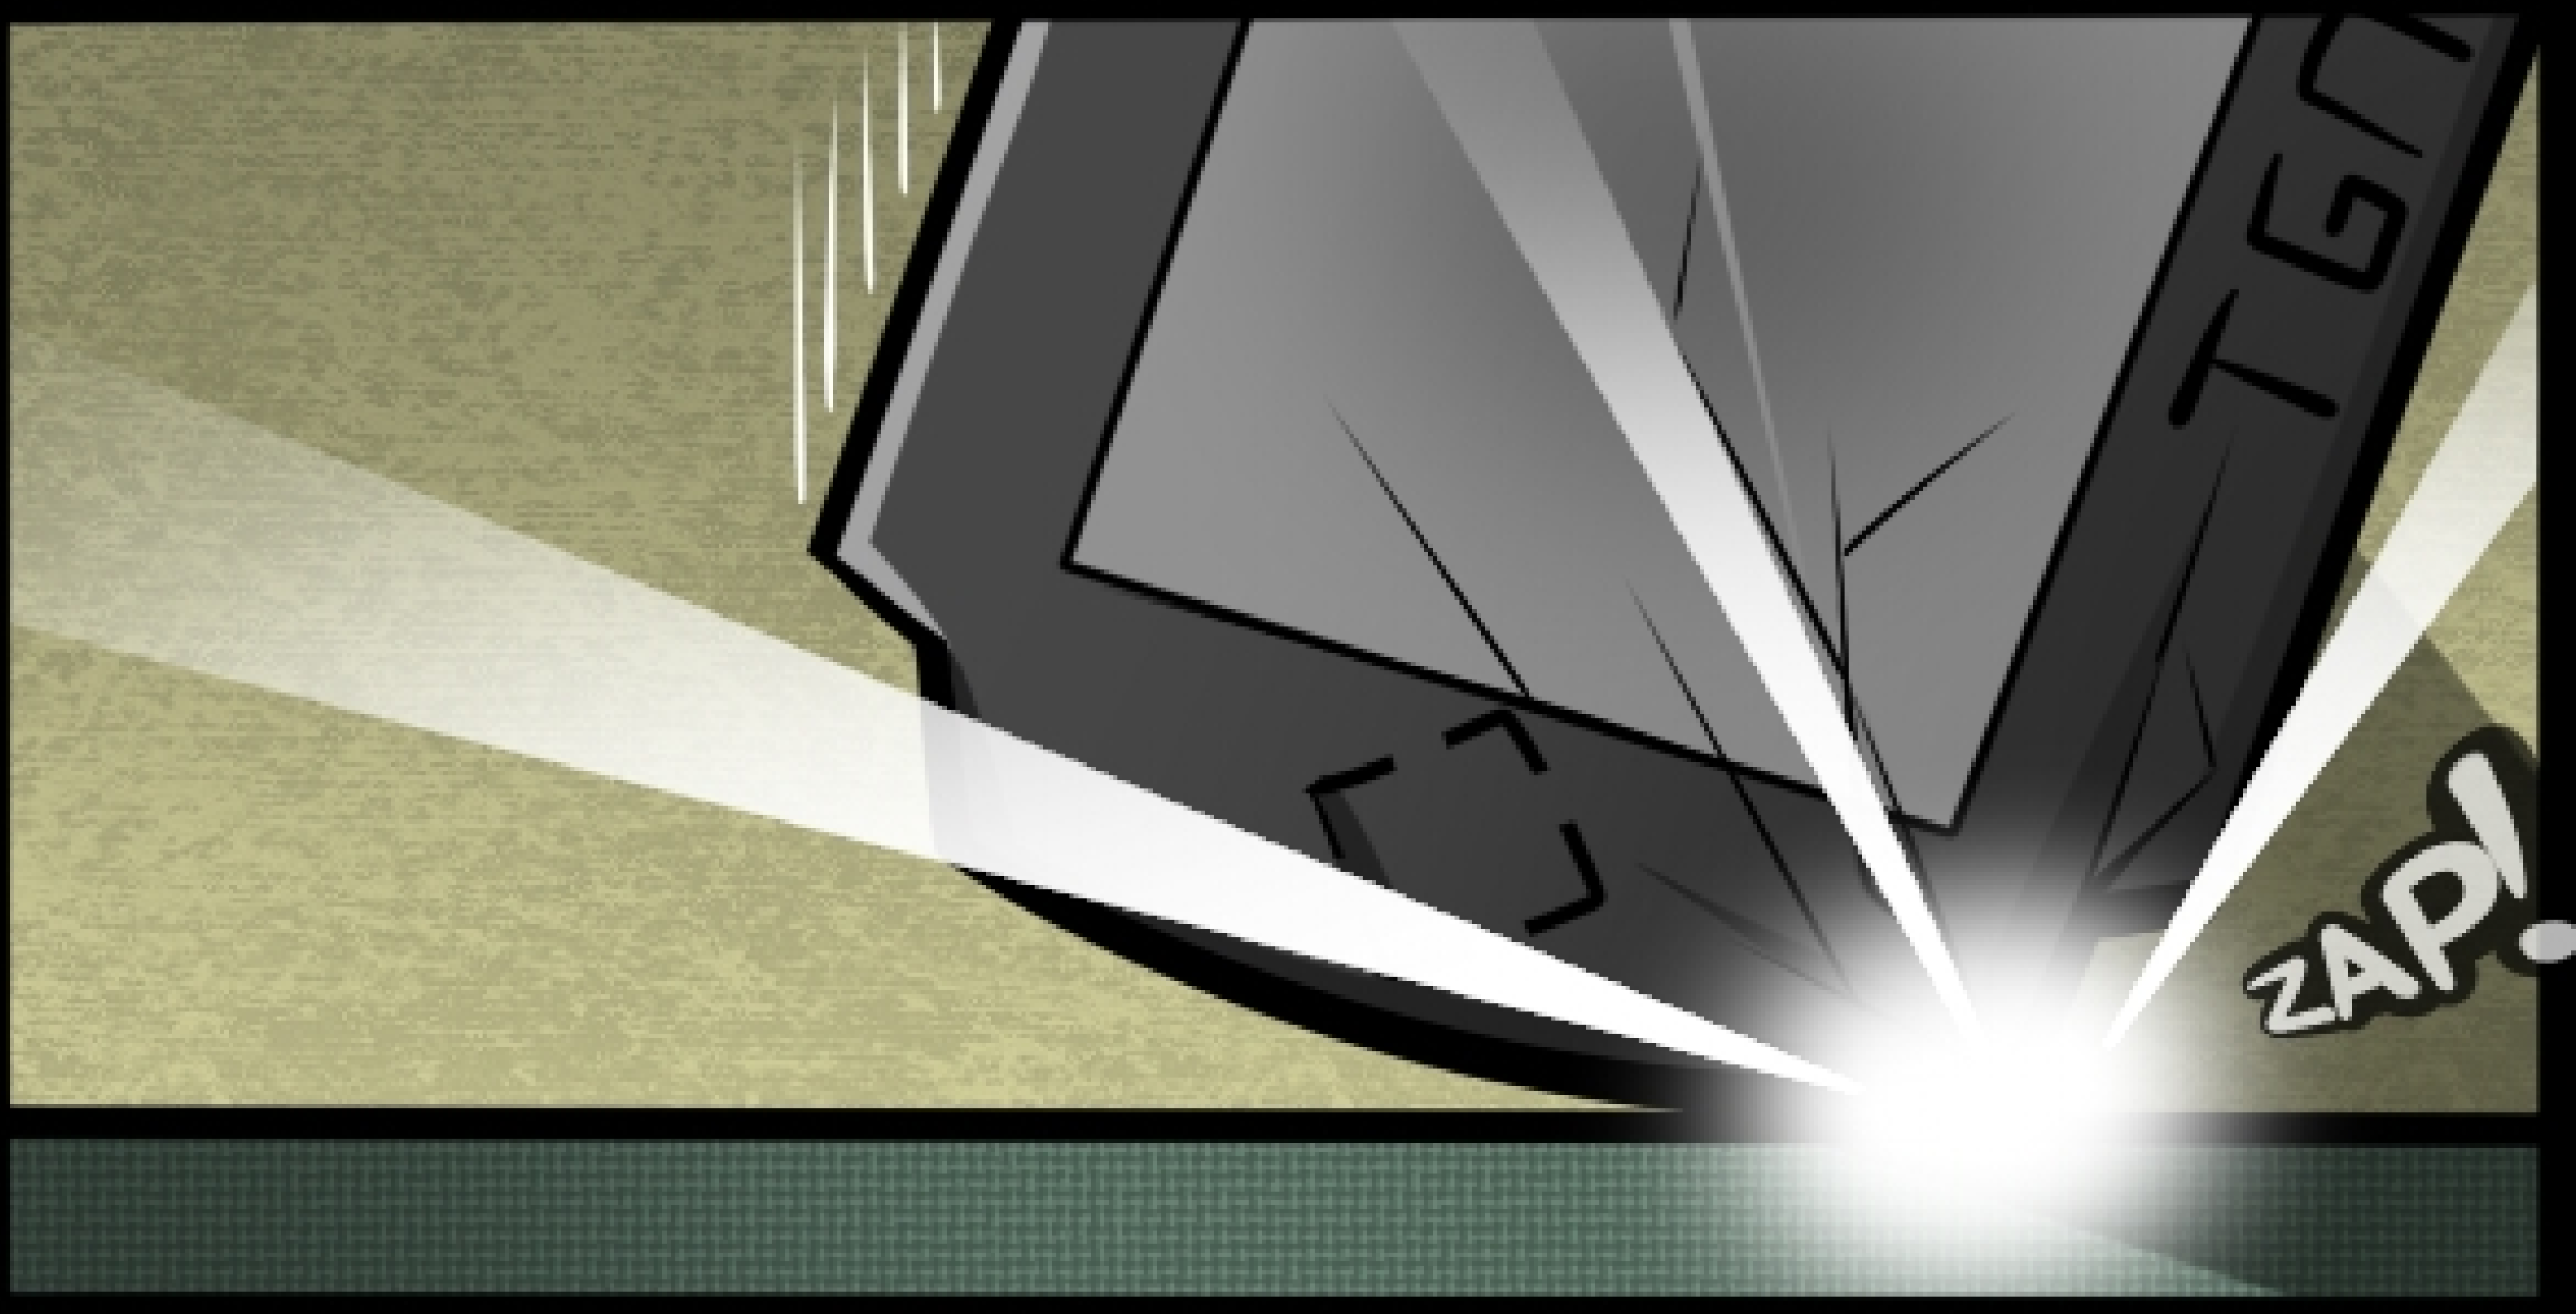

Is it wise to give it to Rachel? She can misuse it again you know.

Don't worry! What can go wrong?

oh, it slipped!

Oh crap...

Oh no!
I was afraid
this would
happen...

Where is Steve?
Where is the portal?
Why am I in this
dimension?

How long do I
remain stuck in
this dimension?

Well it might
take in about...
weeks or months.
But look on the
bright side!

I
finally
got a
boy-
friend!

oh
crap!

I
finally
got a
girl-
friend!
