I can make you even later if you want!

As much as I'd like that...

Sorry sweetie, bills to pay. Wish I could bring you along, but...

Hey! were you trying to get so small that I wouldn't notice if you tried to hitch a ride?

Mmff - that's not a bad idea!

Now where do you think you're going?

www.erofus.com

Right between my boobs! I'll try not to squish ya!

You're my little toy now!
