

GHOSTLY INCIDENTS

1

BY: NOMBRE-

A 3D-rendered anime-style character, Yuyuko Saigyouji, is shown from the waist up. She has short, wavy purple hair and is wearing a light blue beret with a red swirl emblem on top. Her outfit consists of a light blue dress with white ruffles and a dark blue bow at the neck. She is sitting on a dark blue cushion on a tatami floor, holding a small, ornate cup of tea with both hands. The background shows a traditional Japanese interior with a sliding door (shoji) and a window with a circular pattern. The lighting is soft and warm, suggesting an evening or indoor setting.
