[Natalee shifts her weight, a flush spreading across her chest as she fans herself.] Natalee: Do you feel that? Like heat building... Stella: [Breath hitching] Something is up... I feel so horny all of a sudden. Imane: [Hand drifting to her hip] What's happening to us? My tits are aching...

[The girls exchange glances, bodies warming, skin flushed with unexpected desire.]
Estella: Why do I feel like this? So hot and needy...
Abi: [Squirming slightly] My skin is tingling. Everywhere.
Natalee: I don't understand... what's going on with our bodies?

[Natalee moans softly, her massive chest heaving as sensations flood through her.] Natalee: It's like warmth spreading everywhere... deep inside... Master: Tell me more, Natalee. How does it feel? Natalee: [Whimpering] Heavy... hot... my breasts feel so full...

[Master grins, already planning the next phase of their transformation.]
Master: Amazing girls, this is so amazing! But I've got a new idea in my head. Natalee: [Panting] What is it, Master?
Master: [Grinning] Something even better.

[Heat radiates from all the maids as Master commands them, desire thick in the air.] Master: I want y'all to pair up and I want to have some fun with all of you in different locations... and I want it now. Natalee: [Voice trembling with need] Yes, Master... Stella: Whatever you desire...
