Master: [Cock throbbing violently, mind racing with shock and arousal] Oh fuck... she's growing... I can feel her walls expanding around my shaft... gripping me tighter... pulsing with new size... this is insane... she's getting massive while I'm inside her... I can't believe this is happening... so warm... so overwhelming... I'm going to lose my mind...

Master: [Heart pounding against his ribs, breathless, eyes glazed with awe] This can't be real... I'm living a fucking dream... giantess maids everywhere... massive tits... huge asses... towering over me... and they all want me... little me... I'm the luckiest man alive... pinch me... no don't... I never want to wake up...

Master: [Arousal building to painful intensity, voice trembling with emotion] I'm such a lucky guy... look at them... all so massive... so perfect... each one bigger than the last... Abi's crushing weight... Stella's soft warmth... Natalee's hungry eyes... this is everything I ever fantasized about... and more... so much more...

Stella: [Breath hitching, arousal mixing with delicious pressure, internally submitting] Can't breathe... her tit's so heavy... pressing down... crushing me... but fuck... I love it... want more... want her to smother me completely... make me disappear... I'm so small compared to her... so helpless... and it feels so good...

Estella: [Voice dripping with dominance, internally smug and powerful] I know you like it, little girl... feel my weight... my size... you're nothing compared to me... just a tiny thing I can crush... and you love it... I can feel you trembling... begging for more...

Master: [Desire burning hot, cock aching with need] I've had fun with all of them separately... felt them grow... cum... expand... but now... fuck... I want them all... together... need to feel them competing... sharing me... passing me around... their massive bodies surrounding me...

Master: [Voice commanding despite his small size, internally desperate] It's time... go to the field... have an orgy... all of you... I need every massive maid on me... Stella: [Whimpering with desperate need] Yes... please... Estella: [Growling with primal hunger] Agreed... let's go...

Master: [Senses overwhelmed, arousal peaking, mind swimming] All here... on the hill... I can feel their heat... their desire radiating... so much want... so much hunger... massive bodies pressing close... I can smell their arousal... feel their breath...

Abigail: [Internally powerful, smug, satisfied, dominant] I'm the biggest... I love it... they all know it... look at them waiting... desperate for a turn... but they have to wait... I'm first... I'm always first... my massive body rules them all...

Stella: [Jealousy burning hot, internally needy and whiny] Look at me... pay attention to me... I'm here too... I need him... why is he near her... I want him... I grew for him... I should be first... notice me...

Natalee: [Seductive confidence, internally calculating her advantage] Well girls... I'm the smallest... which means I have the right to him first... don't I... the tiniest giantess gets the first taste... that's only fair... and I plan to take my time...

Imane: [Pussy throbbing with desperate need, clenching around nothing, juices running down her massive thighs, internally screaming with frustration] This is so fucking unfair... I want him inside me too... I deserve that cock... my cunt is aching... dripping... throbbing for him... why does that bitch get him first... I need to feel him stretching me... filling my giantess pussy... making me grow...

Estella: [Heat pooling between her legs, nipples hard as rocks, internally demanding and hungry] I want that fucking cock too... need it buried deep in my cunt... my giantess body is screaming for him... I won't fucking wait... can't wait... my pussy is dripping wet... clenching... give him to me now... I need to be fucked...

Estella: [Pleasure flooding her system, cunt clenching, voice breathy and desperate] Oh god... Abi... yes... right there... Abi: [Muffled against her pussy, internally conflicted, wanting Master inside her own cunt] Mmm... I want him too... fuck... while I'm eating her out... I need Master inside me... my pussy is so empty... so hungry...

Master: [Voice commanding, cock throbbing with power, internally dominant and satisfied] Everyone gets a fucking turn... all of you massive maids... I'll fuck every giantess pussy here... make you all grow... All Maids: [Voices breathy, submissive, pussies dripping] Yes... we agree... please fuck us...

Natalee: [Impatience mixing with intense arousal, cunt dripping, clit throbbing, voice whiny and desperate] Ooh... but I have him first... god I'm so fucking horny... my pussy is dripping... throbbing... I can't wait anymore... I need that cock inside my cunt now... stretching me... making me scream...

Natalee: [Internally calculating, seductive confidence, pussy wet and ready] I'll tease him... make him beg for my massive cunt... make him desperate to fuck me... even though I'm the smallest giantess... I'll make him forget the others exist... my pussy will ruin him...

Master: [Sensations
overwhelming, cock throbbing,
internally lost in pleasure]
I fucking love this tease...
her huge pussy... so warm...
so wet... enveloping my cock
completely... squeezing me...
milking me... I can't think
straight... don't want to
think... just want to fuck...

Master: [Awe and worship flooding him, cock leaking, internally devoted] Looking up at her gigantic body... so fucking massive... so perfect... I love every inch... every curve... every fold of her cunt... I'm hers... completely... my giantess owns me...

Natalee: [Pleasure building to peak, cunt clenching, voice moaning loud] Oh god... I fucking love it... so deep... so perfect... my cunt is on fire... Master: [Internally blissful, cock ready to explode] I fucking love it too... so much... never want to stop fucking my giantess...

Natalee: [Cunt clenching violently around his spent cock, feeling the familiar electric heat building deep in her womb, spreading outward like wildfire, her massive frame suddenly convulsing as expansion rips through her core, tits swelling heavier and fuller, nipples hardening, ass widening, thighs thickening, voice screaming with absolute ecstasy] Oh fuck... I'm growing... cumming made me expand... feel me getting bigger... so fucking massive... yes... getting huge for you... my cunt is still milking you... squeezing every drop...

Natalee: [Pussy dripping with his thick seed, walls pulsing with satisfaction, internally glowing and warm, her massive body trembling with aftershocks, voice breathy and genuinely grateful, filled with devotion] I fucking loved that... thank you for cumming inside me... filling my cunt... making me grow... you're perfect... my tiny perfect man... I can feel you inside me... warm and claimed...

Natalee: [Internally playful, dominant, pussy still throbbing and wet, smug satisfaction coursing through her as she holds his tiny form, contemplating which maid deserves him next] Mmm... picked him out... still hard... still desperate... which one do you want next... which massive maid gets your tiny cock... which giantess pussy will ruin you next...

Master: [Internally overwhelmed, cock still twitching and sensitive, mind completely blank from the intensity, unable to decide, voice weak and submissive] I... I don't know... I can't think... can you choose for me... please... I'm yours...
Natalee: [Internally amused, smug, loving his submission] Haha... you want me to decide... my tiny helpless man...

Natalee: [Internally mischievous, calculating, loving the power she holds, pussy clenching with anticipation] Okay... I'm gonna throw you randomly... see which giantess catches you... see who gets to fuck you next... Master: [Internally confused, arousal mixing with panic, stomach dropping] What... wait...

Master: [Internally shocked, stomach dropping, heart racing, arousal spiking despite the fear, weightless sensation terrifying and thrilling, looking down at five massive giantesses waiting below] What the hell... she threw me... I'm in the air... floating... between five massive giantesses... they're all waiting to catch me... to claim me... fuck...

Master: [Internally terrified and excited, heart pounding against his ribs, time slowing down, seeing Stella's massive tits waiting like soft pillows, her hungry face looking up] Where am I landing... aaaah... which massive maid... Stella: [Internally amused, hungry, waiting, pussy dripping with anticipation] Haha... come to me... little man...

Master: [Sensation of warm softness enveloping him completely, sinking into her massive cleavage, surrounded by heat and pressure, internally drowning in pleasure, cock hardening instantly] Oh god... so soft... so warm... massive... suffocating... perfect...
Stella: [Internally dominant, claiming, smug satisfaction] Hey there... caught you... you’re mine now...

Stella: [Internally possessive, pussy aching and wet, massive body trembling with need, claiming him as her property] I guess I'm your next maid... you need to please me... worship my massive body... have fun with my tits... my cunt... my everything... Master: [Internally submitting completely, cock rock hard, voice desperate] Yeah... yes... please...

Master: [Internally desperate, anticipation building to painful levels, cock throbbing and leaking, mind racing with possibilities of what she'll do to him] Ooh... I'm so fucking excited... what are we going to do... how will she use me... will she crush me... smother me... fuck me... I need it all...

Stella: [Internally smug, pussy dripping with anticipation, knowing exactly where she's going to put him, voice dripping with seductive promise] I got a perfect place for you, my tiny man... warm... tight... all for you... you're going to love it... you're going to disappear inside me...

Stella: [Cunt clenching around his tiny form, feeling him nestled deep inside her walls, massive hand moving to her clit, internally overwhelmed by the fullness] Oh fuck... he's inside me... so small... so warm... filling my giantess pussy... now I'm going to rub myself... make us both feel good...

Master: [Surrounded by wet heat on all sides, pressure crushing him from every direction, internally panicking but aroused, gasping for breath in the dark wetness] Can't... breathe... so hot... so steamy... her pussy is everywhere... crushing me... suffocating me...

Master: [Internally surrendering to the heat, cock throbbing despite the lack of air, arousal overriding fear] I fucking love this heat... so warm... so wet... I'm drowning in her cunt... and I never want to leave...

Stella: [Pleasure building rapidly, walls clenching around Master, internally lost in the sensation of having him inside her] Oh god... I fucking love this... having him inside me... using him like a dildo... my tiny living toy... so perfect...

Stella: [Electric tingle spreading through her core, familiar warmth building, internally knowing what's coming, voice seductive and breathy] Oh fuck... I feel it... a growth spurt... it's coming... I'm going to get even bigger while you're inside me...

Stella: [Expansion ripping through her, cunt tightening around Master, tits swelling, ass widening, internally screaming with pleasure as she grows] Ahhhh! I'm growing! Feel me expanding! Getting so fucking massive! Yes!

Stella: [Orgasm crashing through her like a tsunami, massive body convulsing, cunt squeezing Master impossibly tight, internally lost in bliss] Ahhhhhh! Cumming! Oh fuck! So fucking good! I love it! I love you inside me!

Natalee: [Internally aroused, fingers still wet from fingering herself while watching, voice breathy and envious] That was so fucking hot to watch... I couldn't help myself... I had to touch my pussy... finger myself while you grew...

Stella: [Internally amused, satisfied, loving the shared naughtiness] Haha... you naughty girl... fingering yourself while I fucked him... but honestly... I would've done the same... we're all desperate for his tiny cock...

Stella: [Internally amused, dominant, loving the power she has over his fate] So... my tiny man... where do you want to be thrown next... which giantess maid deserves your cock...

Master: [Internally exhausted, cock sore but still twitching, mind overwhelmed, voice desperate] No... no more throwing... please... I don't want that... it's too much...

Stella: [Internally seductive, pouting playfully, massive tits heaving as she persuades him] Oh stop being such a party pooper... it's fun... come on... flying over naked giantesses... massive tits and asses everywhere... it's the dream... you love it...

Master: [Internally resigning, arousal sparking despite his fear, cock hardening at the thought] Fine... okay... do it...
Stella: [Internally thrilled, excited, power rushing through her] Okay... here we go then...

Master: [Internally weightless, stomach dropping, wind rushing past him, looking down at two massive giantesses waiting below, arousal and terror mixing] I'm flying again... over Natalee... over Abigail... they're so fucking huge...

Natalee: [Internally amused, watching him fall, voice teasing and playful] Good luck with the landing, Master... Master: [Internally screaming, heart pounding, voice panicked] Aaaah...

Master: [Internally disoriented, head spinning, unable to focus, everything blurring] Fuck... where next... aaaah... my head is spinning... which massive maid...

Master: [Internally realizing, eyes widening, arousal spiking as he sees his target] Oh fuck... it's a pussy... I'm landing on a giantess cunt... so massive... so wet looking...

Master: [Sensation of warm wet flesh enveloping him completely, heat surrounding every inch, internally shocked at the softness] Oh god... it's Imane... her pussy... so warm... so fucking wet... I'm sinking into her...

Master: [Internally impressed, aroused by her aim, cock throbbing against her folds] Stella's accuracy... straight to Imane's pussy... that's so fucking hot... she aimed perfectly... knew exactly where to throw me...

Master: [Hearing her massive voice moaning above him, internally satisfied, aroused by her pleasure] I can hear her... moaning... loving it... I made her feel good... my giantess maid is moaning for me...
