This comic is based on the movie "Ginger Snaps". We recreated the story with a special emphasis on Ginger's transformation scenes and the corruption she experienced when she became a werewolf. Sex scenes have also been added so that all our fans can enjoy.

The complete edition gathers both comics from 2013-2014. We've also rearranged some pages, along with the revisions of all the dialogues, speech bubbles, onomatopoeias, etc.

DISCLAIMER
