

Sorry Bill, you lost again...
hahahahaha... remind me how
much you have left?

賭ケグルイ

I have nothing left... I've
gambled away everything I
had... I'm broke...

賭ケグルイ

Well, I think you already know
what's coming, Bill, right?
Unless...

賭ケグルイ

If I have nothing left I will
become your house pet... I
can't, my family name is at
stake...

What were you saying? Do you have an alternative? Unless what...

Unless we play again...
but since you have nothing
material to offer me, I propose
a deal...

Let's just say I have the means to make you put your sex at stake... if you lose, you'll become the girl of my dreams... if you win, I'll give you back everything you had before...

What are you saying... don't
make fun of me... you can't be
serious...

I'm always serious... you know me Bill I always keep my promises... every turn counts... even if you were to lose you wouldn't be left broke...

A young man with dark, wavy hair is shown in profile, looking out of a large window with a grid pattern. He is wearing a red suit jacket over a white shirt and a dark tie. His face is wet with tears, and his expression is one of distress or contemplation. His right hand is extended forward, palm up, with a single tear visible on it. A speech bubble is positioned above his head, containing text.

But it can't be... would becoming a girl be better than being a house pet??

That's up to you to decide...
but if you were to refuse you
would become like them..

So Bill, what do you say... last chance... you have to decide...

I don't know James... becoming
the girl of your dreams but what
the hell...

I won't force you to do anything you don't want to do... the only thing is that your manhood will be at stake.

Wonderful! Congratulations
Bill, now we can get started...

Janum

These money transfers to Janum will be used to help the poor and the sick. I have been thinking about this for a long time and I have decided to do it. I have been thinking about this for a long time and I have decided to do it.

What are we going to play?

We'll play a simple game of truth... Each player will have 7 cards in their hand and we'll take turns asking questions that must be answered only with the truth...

If a lie is told, the bell will ring... the aim of the game is to find the skull card in the opponent's hand... no questions can be asked about the skull card, is that clear?

ゲルイ

Okay, more or less get it...
asking questions to narrow
things down.

Well now there's only one
thing missing... get him ready
with the uniform...

So let's get started... damn...

Are the side cards in your
hand normal cards?

WHAT? Why it burns... what
did I say wrong...

賭ヶブルイ

Ouch Bill... it looks like you
just told a lie... it'll cost you a
card... you meant to be nice
but the truth is you can't stand
me... That's fine...

My face feels so hot... I'm sweating... oh no...

A close-up illustration of a young man with dark, slightly messy hair. He has a shocked expression, with wide eyes and a slightly open mouth. His face is flushed red, and there are several sweat droplets on his forehead and cheeks. He is wearing a light-colored button-down shirt under a dark jacket. The background shows a wooden ceiling and a window with a grid pattern, suggesting an indoor setting. A speech bubble is positioned above his head.

What's going on??? Why do I
feel so weird... don't tell me
that...

feel so weird...

Yeah... are you shooting at
random, Bill? It won't work

happening to you?

賭ケグルイ

What kind of questions are these? No! I don't want to become a girl...

A close-up illustration of a hand with red-painted nails holding a fan of playing cards. The cards have a dark blue and red patterned back with a gold dragon emblem in the center. A bright, stylized fire effect in shades of pink and purple is superimposed over the middle of the fan. The background is dark and moody, with some light reflecting off the cards and the hand. A speech bubble is located in the upper right corner, and the sound effect '*DING*' is in the bottom right corner.

I just find you cute now, that's all... are you happy now?

Oh wow... you finally answered

So the next turn will decide everything... I'll keep it simple for you... the card in my left hand is the skull card... now... it's your turn...

賭ケグルイ

Why did you tell me that... are
you trying to confuse me?

It's your turn Yumeko
Jabami... you have to ask me a
question...

Don't call me that... that's
not... my... name...

So let's see... I think you're playing reverse psychology...

Is your skull card the one on the right?

HAHAHAHAHAHA you fell

card your turn doesn't count

Damn, that's true... I shouldn't
have mentioned the skull card
in the questions... oh no...

Before I ask the last question... I see you're torn... you don't know who you want to be anymore... Everyone else except us two out...

But I think I understand what your will is... I even know what your skull card is... but I'll let you decide... if you answer NO you will become Yumeko Jabami... So... Do you want Bill... to become Yumeko Jabami herself and be with me today?

Not this choice I don't know

But what the hell are you-
WHAT!!!!

Who are you? Why do you look like me?

Oh hi Yumeko... Ummmm...
let's say I am... or rather I
was... a boy...

Incredible! And..

The scene is set in a grand, sunlit hallway with high ceilings and large windows. Two young women with long black hair and bangs are the central figures. They are both wearing red blazers with black lapels and cuffs, white collared shirts with black bows, and grey pleated skirts. The girl on the left is looking at the girl on the right with a wide-eyed, open-mouthed expression of surprise or shock, her hand near her mouth. The girl on the right is looking back at her with a calm, slightly smiling expression. The background shows the continuation of the hallway with arched doorways and a small table in the distance. The lighting is warm, suggesting late afternoon or early morning.

I lost a bet and well... I became you!

A close-up illustration of two anime-style girls with dark hair and red eyes, wearing school uniforms. They are positioned in front of a large window that looks out onto a building and a landscape. The girl on the left is holding her index finger to her lips in a 'shh' gesture. Both girls have a slight blush on their cheeks. The art style is detailed with soft shading and vibrant colors.

And very very... interesting...

Hehehehe...
