

Chapter X "In da club" (Part 11/3)

..Looks like the public really liked the naughty schoolgirl in slutty pink heels ..

After her successful interview (thanks to Andrew, he told about the "Wasp" and provided her with the necessary "candies" for more confidence), Anna didn't think a lot about her signature character...

She liked old Linda's idea .. It is a pity that her first school outfit was lost somewhere .. But that was nothing...

Meticulous Anna quickly found something similar on the Web...

Chapter X

"In da club"

(Part 11 3/3)

...The baby totally lost track of time ... she connected with the music into a single whole and it seemed that she would be ready to dance forever ...But just one phrase that found its way to her mind through the music gate made Anna wake up...

- Alex, just look at these tits! It would be nice to have fun with this little thing ...

- And... I would not want...

- Really?

- Stupid question... Matt, I prefer to be behind, and "this little thing" as you said... she has nothing but bones there...

- Haha, you are always unhappy with everything, booty pervert... Admit it, you just feel sorry for the money ... miser...

- I can be offended, Matt! You know... I'm the most generous person in this place... ha-ha ... but look! this baby has no ass at all! I don't understand your taste, how can you like to fuck bones????!! ...

...Rather silly conversation for most people, isn't it? But for the crazy schoolgirl this evening turned upside down ... in one moment...

Chapter X "In da club" (Part 12 1/3)

- Annie!!!
- What???
- Take your paws off! And stop turning your head...
- But it hurts me, Andrew!
- Stop being naughty, you're not a little girl!
- Ouuuuch ... I'm not a little girl, Andrew, but you're a real sadist!

... Of course, he was always glad to see her ... But! He did not understand what to expect from her next time... And why does she call him a sadist...

This morning she flew into his cabin like a mad bat ... She didn't even say hello! She immediately began to ask her to do her a face piercing ... Suddenly!

What imps live in this little head? She showed some photos of a dancer from her new nightclub ... for example ... She asked to do something like that! Oh God, how charming she was in her whims!

Chapter X

"In da club"

(Part 12 2/3)

- By the way, you still have not told me about the club ... Everything went fine?
- Almost...
- Very informative, Annie !!! I won't ask you anything else ...
- Andrew, everything is OK! I liked it all very much! Super conditions! Super dressingroom! I was given complete freedom ... And all the girls there are friendly! Finally, I feel comfortable there!
- Annie, then why "almost"? Has someone hurt your "vulnerable book" soul again?
- ...Anna frowned ... Or rather, tried to frown ... this neurotoxine in her facial muscles ... Sometimes it prevented her from showing true emotions... She suddenly rose and lightly pushed Andrew into her place ... We can't say that he was very surprised ... Rather, on the contrary, he wasn't surprised at all ... He was looking forward to something like that ...
- Can you imagine Andrew! Some bastard called me bony! He said he wouldn't fuck me because I have no ass!
- Yuk!! Annie! don't be so rude!He's just, bastard Annie, you are absolutely beautiful !!! ... Andrew smirked (she didn't notice this) ... In general, he agreed with the opinion of the unknown bastard...
- Oh, merci merci, my little boy!
- ... And in return Miss Heels decided to show him her new lap dance skills...
- Annie, he's right! I almost broke my finger on your bones!... - Andrew could not stop laughing...
- Even you Brutus????!!!

Chapter X

"In da club"

(Part 12 3/3)

... She tried to escape from his hands ...
But "Brutus" held her very tightly ...
She jerked again ... He squeezed her
even harder ... It was too late to resist ...

... And it was a right decision to close
the door to his salon after she came
in... Today the prudent tattoo master
couldn't miss such great chance ... He
is not a little mouse to give this slutty
kitty more opportunities to play with
him ...

...Anna felt how "little Andrew" was
gaining strength and slowly
penetrating into her... Again this great
feeling... She has already managed to
forget how sometimes it can be cool...

Chapter X "In da club" (Part 13)

- Annie, but?!! but why not?!! You promised me!
- I deceived you, Brutus ...
- But, Annie!!!

...The little slut had really promised a blowjob to her friend, before he started workin on her tongue... So it should be her piercing fee ... But after his words about the bony ass, Anna decided to take revenge ... Of course, she understood that Andrew was just joking ... But the carrot couldn't miss the chance to strike back ...
"Let this traitor know how to joke with Miss Heels!"

Chapter X "In da club" (Part 14)

...She didn't even notice how time was passing ... Like it was just passing around ... She could not say exactly what day of the week today, if someone had asked her about it ... She worked in the evenings and returned home already after 3 am ... She was absolutely indifferent to what was happening in this life during the daylight hours ... sleeping ... training...dancing ... sleeping ...

...And the little one had completely forgotten about the University ...Although it was not clear was she actually expelled ... or was the dean just trying to scare her ... No one knew where she lived, no one could call her, no one can connect with her ... Except Danny ... But Danny was silent ...

...The life of the nightclub absorbed totally her body and her mind... Anna quickly studied ... Her dances became more and more perfect ... She learned to do light makeup ... And she even liked it.

...But one day something went wrong ... Her hand holding the eye brush suddenly froze in the air and couldn't move at all anymore... Because what she saw in the mirror!!! She recognized her immediately! ... It was Lady Wasp ... The real legend of this club ... According to rumors, she could earn several thousand in one night ...

...The baby heard a lot about this dancer ... But up to this point, Anna has never seen her ... Her huge juicy ass went well with the skin-tight leather suit ... And that made little Anna feel jealous and a little bit horny...

"It seems to me that everyone around me conspired!!!! Why do I feel my inferiority next to this damn wasp?!!!" Unhappy Miss Heels felt like the whole world was up against her bony ass...

Chapter X

"In da club"

(Part 15)

...Heh ... Everything was quite good this evening ... until the moment when Annette saw this damn wasp ... And now she could not allow herself just calm down ... As her mind was inflamed with "candy" any trifle acquired huge importance ... Too huge ...

...She didn't even notice how she appeared on the stage ... The carrot didn't really understand what she was doing ... Although for a whole week she was preparing this new dance number, where she should be a lascivious goth ... but ... she couldn't concentrate on her movements at all ... All her thoughts were absorbed by this fucking whore ... Annie constantly watched as on the opposite scene Lady Wasp was shaking her juicy ass ... And the little one felt a rival in her...

...It seemed to the baby that everyone was looking only at this ass ... That her gothic number is not interesting to anyone at all ... As if waves of envy, escaping from the dark corners of her soul, gradually covered her self-confidence ...

Chapter X "In da club" (Part 16)

...Doped baby in her shiny high boots, not noticing anything and anyone around her, with ease doe jumped onto the stage where this huge ass was shaking ... Anna did not understand why she was doing it, and it was just fun ... Or maybe she wanted to grab the attention of the public?

- What are you doing, crazy? !!! Lady Vasp was obviously slightly frightened by what was happening ... nevertheless, she was real pro and continued her sexy performance ...

"Great, Annie, now squeeze her even more" ... - it was Mr. Impey ... this little rogue always appeared after the snow charges and helped the little girl to cope with her complexes and fears ... Encouraged by friend support the playful carrot suddenly slammed hard on wasp's curves... The audience in the club enthusiastically buzzed ... Such a reaction made Anna even more playful, she felt herself even more confident and now pretended that everything that happened was only a part of their dancing number...

...Mad grin spread across her face... - Go! Go! ... Miss Wasp!!! llet's blow this club up! together!!!...

Chapter X

"In da club"

(Part 17)

- Listen to me, chicken! I don't know who're U! And I don't want to know about you it all... But I ask you not to do that anymore! Never!
- What are you speaking about?
- Are you an idiot or completely stupid? No need to interfere with my performance! Do you understand?
- But, but, Kitty !!! See how much we managed to earn together!
- I'm not Kitty for you, little rubbish! You can take all this money yourself ...
- But, I just wanted to get to know you better...I wanted to be your assistant... - our baby was shocked by the reaction of this damn wasp ... she no longer felt the help of snow in her head ... And for some reason Mr. Impey was silent ...
- To know better? What a nonsense ?! This could be done here in the dressing room ... I almost fell off the stage! I am not interested in assistants...
- Mr. Impy save me...
- Oh, poor girl... I see that you're a complete idiot... less snow baby ... It eats away your brain!
- ..Anna could not realize why this Lady was yelling at her so much ... They really earned a lot tonight ... The audience was delighted
- ..Wasn this reason to be so angry?

Chapter X

"In da club"

(Part 18)

...The baby looked a bit bemused after this unexpected rage... She still heard that nasty voice in her head ... Although the damn wasp had already left the room...

...At first, Anna did not understand what she was doing ... She began to wear her outdoor dress, but she forgot to take off her gothic rejects ... She wiped the lipstick and at the same time forgot to wash up her face... she also broke her artificial nail! ... The disappointed baby wanted to be home as soon as possible... But suddenly she remembered about the remaining stock of "candy"... just a little "candy" before the road would not be superfluous... ..The expression of bewilderment quickly changed to a cunning squint...

- Mr. Impy, did you hear that?

- Sure thing! Annie, this Madame thinks too much of herself!

- Absolutely! She's just an old stupid bitch! ... Mr. Impy, you could see, I just wanted to know her secret about "the bubbles"...

- I saw that, don't doubt, honey...

- But!!! Fuck you, Lady! You say Less snow, fuckin bitch! I'll show you less snow! I'll show u how to be rude with Miss Heels!

Chapter X "In da club" (Part 19)

...This autumn still pleased the citizens with sunny days, but it was already rather chilly ... Anna hung around the city in her new warm sweater, but nasty goosebumps still tickled her tender skin ... Therefore, she would rather like to be indoors ...

...How nice that this fuckin bitch refused money! Very well! Baby knew exactly how to spend it wisely! Firstly, it was necessary to fix the nails ... Or, nevertheless, it was better to make new ones ... Even longer! Even more curved! Real claws! (yeah, yeah Annie always remembered with a smile how she called her first manicure) ... Moreover, today there was a discount event in "Zoom"! 50% for regular customers!

.. And secondly ... new heels! Oh yeah! It was her real passion! And how Anna was pleasantly surprised when she found a new collection of slutty shoes in the store ... It was rather strange to see such kind of models in this boutique, but it seems that Miss Hills was really lucky ... Another great addition for her collection!!! ...

- Mr. Impy! .. just look at these platforms!

- They are gorgeous, Annie! That's what we need!

Chapter X

"In da club"

(Part 20)

"La-l-la-la-la

I work all night, I work all day, to pay the bills
I have to pay

Ain't it sad

And still there never seems to be a single
penny left for me

That's too bad

In my dreams I have some plans

If I got new superb heels..."

...The baby was absolutely right when she decided to spend three hundred on these heels ... Definitely she should recoup the investments in just one evening, or a maximum two! In any case, they will help her earn even more ... Now she really needed money ... Money for surgery ... Money for rehabilitation after surgery ... Annie had really ambitious plans about fighting with offenders... (she had her rather specific look at this "war")...

...Yes, she had Arthur's gift for her stash, but she did not dare to spend all his money ... It was a supply for a rainy day ... Still, she didn't completely get rid of the idea that sooner or later she would have to run and hide again ...

... But today it was not at all worth thinking about the bad ... Today Anna was on fire ... Today she felt herself, if not the queen of this club, then at least the princess ... (she specifically began to choose the days when the damn Wasp was resting or dancing in other places)...

..."Aha aha - All the things I could do - If I had a little money..." (it looks like Mr. Impey also loved singing Swedish blondes)

Chapter X "Bad'ass" (Part 1)

...By the beginning of January, Miss Heels had finally saved enough money to visit her surgeon ... The impatient carrot understood that to pump her ass naturally was not her option at all ... She wanted a quick result ... And not only the damn Wasp was the reason for this ... Annie just wanted to do something with her "unattractive" body (and maybe not only her body)...

...That's why over the past few months, Anna has had to work a lot... Now she was dancing not only at the club... Now the sharp-witted baby was looking for theme party announcements on the WEB, where also some money could be found...

..."Heyho!" - the smartphone in her hands announced a new message ... A message from Danny!!! Finally, the baby convinced her only friend to come here! ... As we know he stopped communicating after what happened at the University ... But she knew his weak points and knew how to use them ... Oh! she really needed this guy. Of course, she had to cheat a little and lie, that she was really bad without him ... But it was unthinkable to start the next plastic adventures without any support ... Only one thing ... Can he recognize her in this look?... Ha-ha ... Anna decided to surprise the unhappy boy wearing the outfit she used at one of the parties...

Chapter X "Bad'ass" (Part 2)

...All the way to the Anna's house Danny tried to convince himself that he's not interested in this crazy badass anymore... that he is already an adult boy and did not believe in such nonsense as love ... That now he just wants to help her ... it seemed that it's still possible to save this pure soul from the devil's claws... At the same time, he scolded himself that he had not visited her for so long, that he was afraid to become the slave of this girl !!! Oh f*! What a nonsense! ... But all his courage melted away in one second as he crossed the threshold of this damned apartment ...**

- Danny !!! - Chic Annie predatory pounced on the stunned boy, firmly pressing her boobies to his chest ... Her renewed lips could hardly extracting pre-prepared phrases ... Nevertheless, he understood what she was saying ... But defenseless Danny was silent himself ... It was heard only as his heartbeat approached the sound barrier ...

... The sly carrot could be pleased with herself ... Just a few minutes and she could sculpt anything from this clay ...
