Aurelia Halcyon arrived on Earth as an infant in a golden spaceship. Found and raised by a group of nuns, Aurelia grew to exhibit great and stupendous powers. Advised to share her gifts with the world Aurelia set out to help all of humanity as the superhero **Golden Infinity!**

As the only super powered individual on the planet Aurelia helped wherever she could, always keeping in mind the teachings of the nuns who raised her; modesty, humbleness, and chastity above all else.

On the night of the annual **Halcyon Foundation** charity gala, **Gary** took over the body of Golden Infinity!
