## THE BIG BANGING

*While the class waited for their professor to arrive, Carl sat and daydreamed about Heidi, the girl in his class who he had a secret crush on. Little did he know that following an unprecedented, cosmological event, his deepest, darkest wishes would soon become true...*

The teacher is **late**.  
That's unlike her.

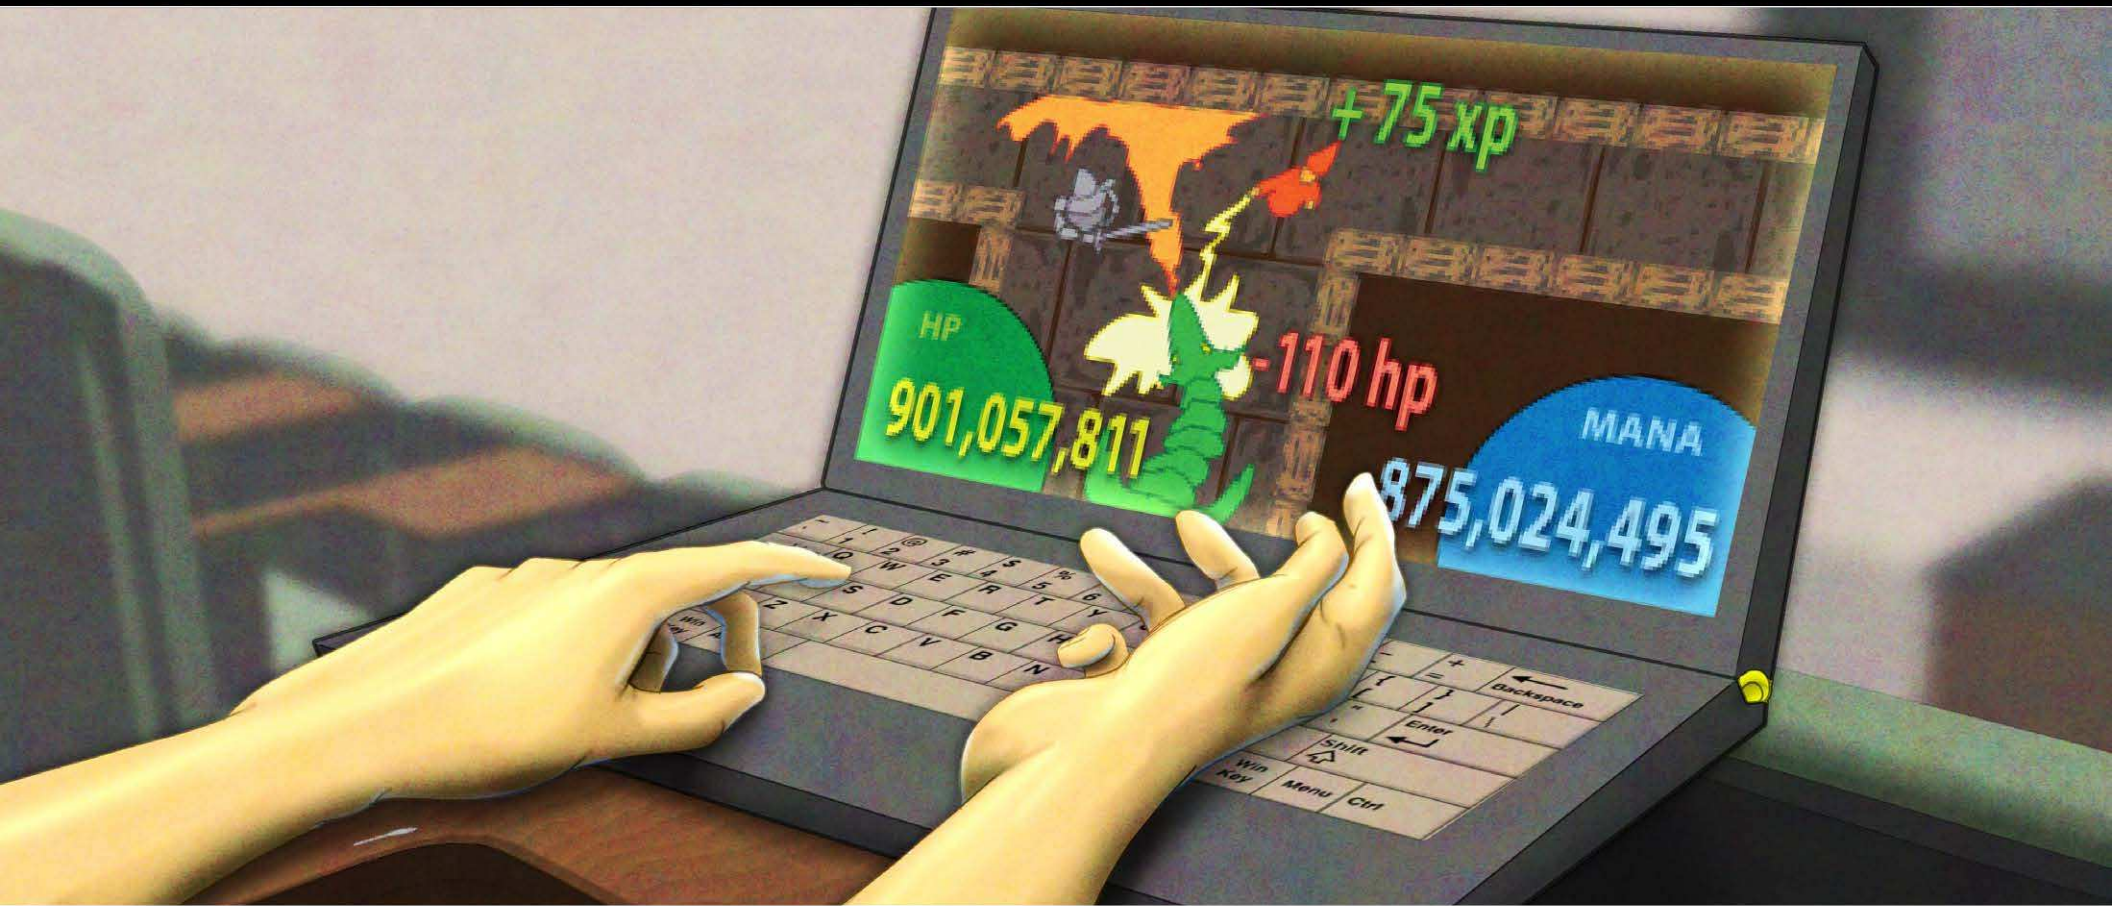

I know.  
Odd.

So, in the meantime, how did  
that new video game turn out?

*Meh.* I hacked it and reprogrammed it. Like super-duper **cheat codes**. But it actually became **boring** pretty quickly. I so warped the game, it wasn't fun.

Huh. Who'd a thought having a billion gold and a billion mana would do that.

Yeah...  
I'll hack the next game more **sparingly**,  
just to make things interesting.

Can you hack **real life**?  
Give me a billion dollars?  
And make **Heidi** my **girlfriend**.

*Ha!* Wouldn't *that* be nice!  
You *really* have a **crush** on her, don't you?  
I didn't think she was **your type**.

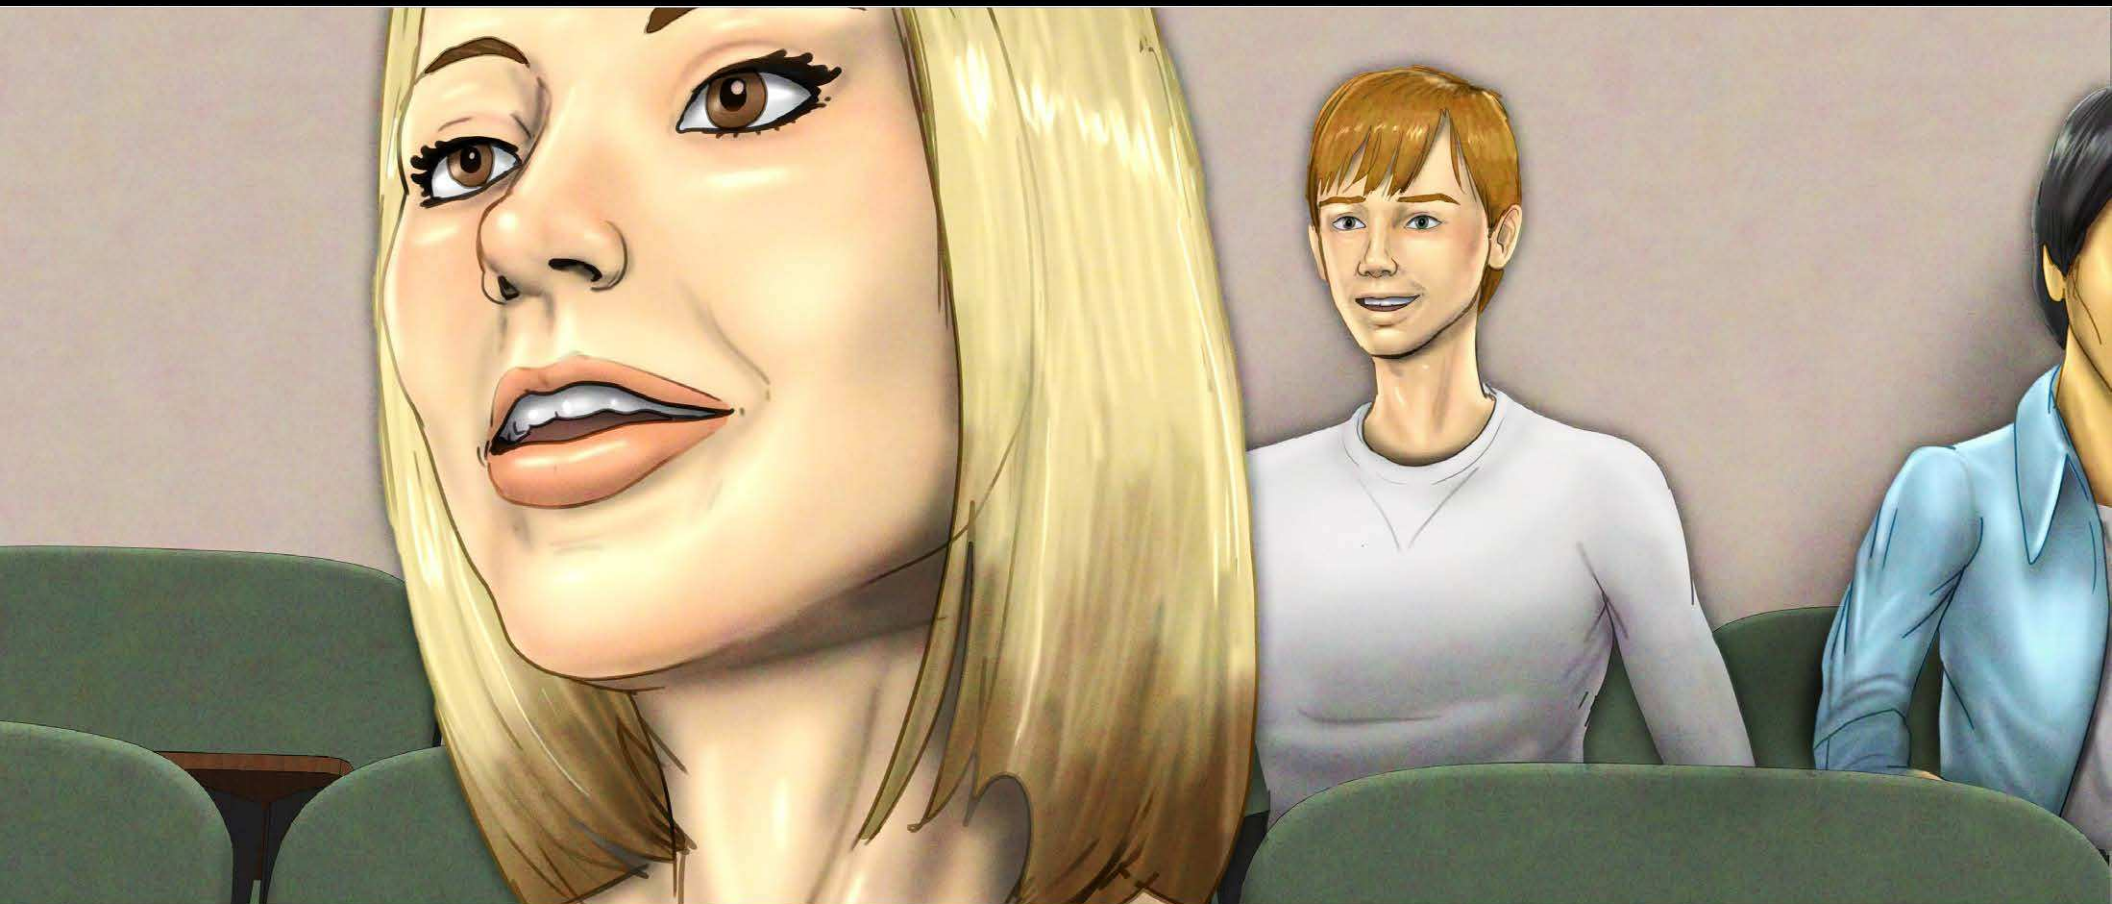

Huh? "Not my type" ?

You know. She doesn't have **big boobs**.  
But then again, since I'm "granting wishes",  
I could give her some real **honkin' knockers** !

Yeeeahhh... big...  
honkin'... **knockers!**

I'm sorry I'm late, people. Please settle down immediately!

Wha... what's going on Professor? You look **harried**.

A little. But also excited! Something is happening *RIGHT NOW!* It's all over the news and starting to cause some people worry. But it's something that is perfect for our *Intro to Astrophysics* class here! Just let me connect my ePad to the smartscreen and I can get the **news...**

What?!  
Oh my god!  
What the f...!

OK, everyone **calm** down! Shhhh!

OK, so what are we seeing here,  
**Dr. Hubble?**

We're not exactly sure, **Anne**, but we believe it's some sort of space anomaly. A **black hole** or **worm hole**, if you will. It appeared in the sky about 42 minutes ago.

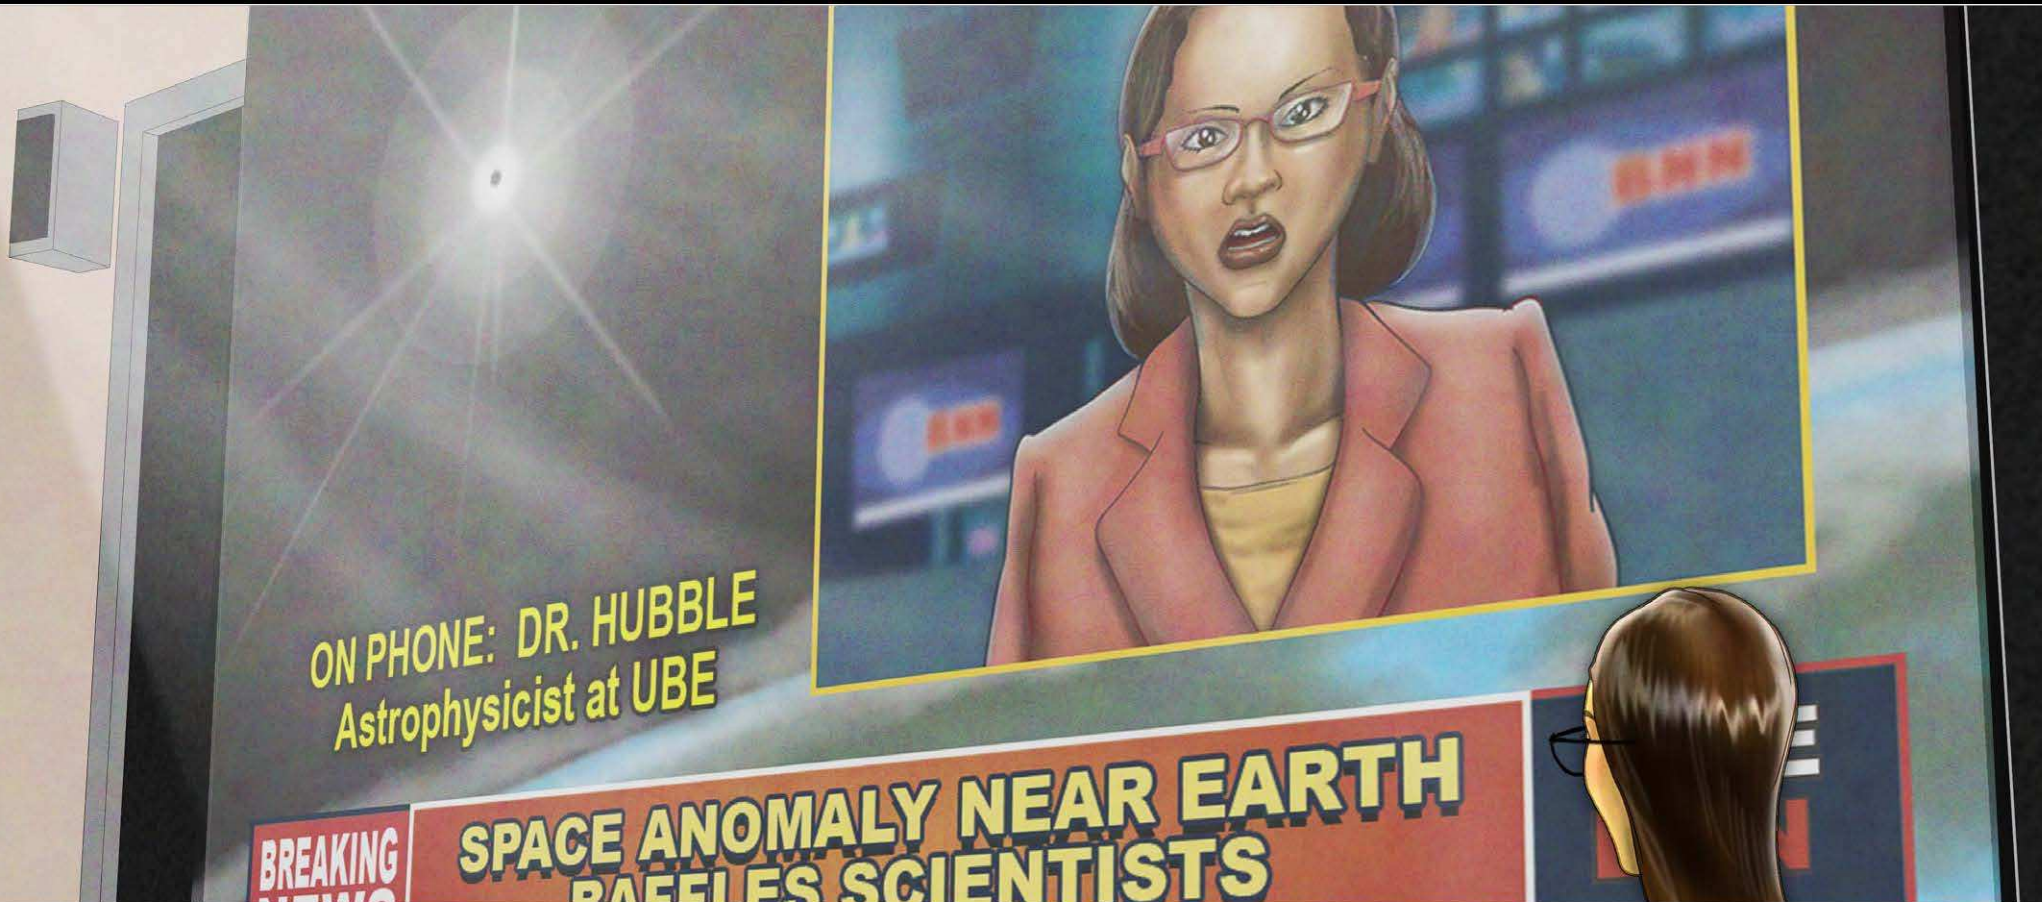

**Black hole!** Oh my god! This is the first time we've heard of this! Are we in any **danger...?**!

No... no! We believe we are **safe**. It's too small and too far away to affect the Earth at roughly 22,000 kilometers away. And it might **not** even be a black hole...

Is this something **alien-made**?

Heh... You reporters. *Everything* is aliens.  
No. We believe this is a **natural**  
phenomenon.

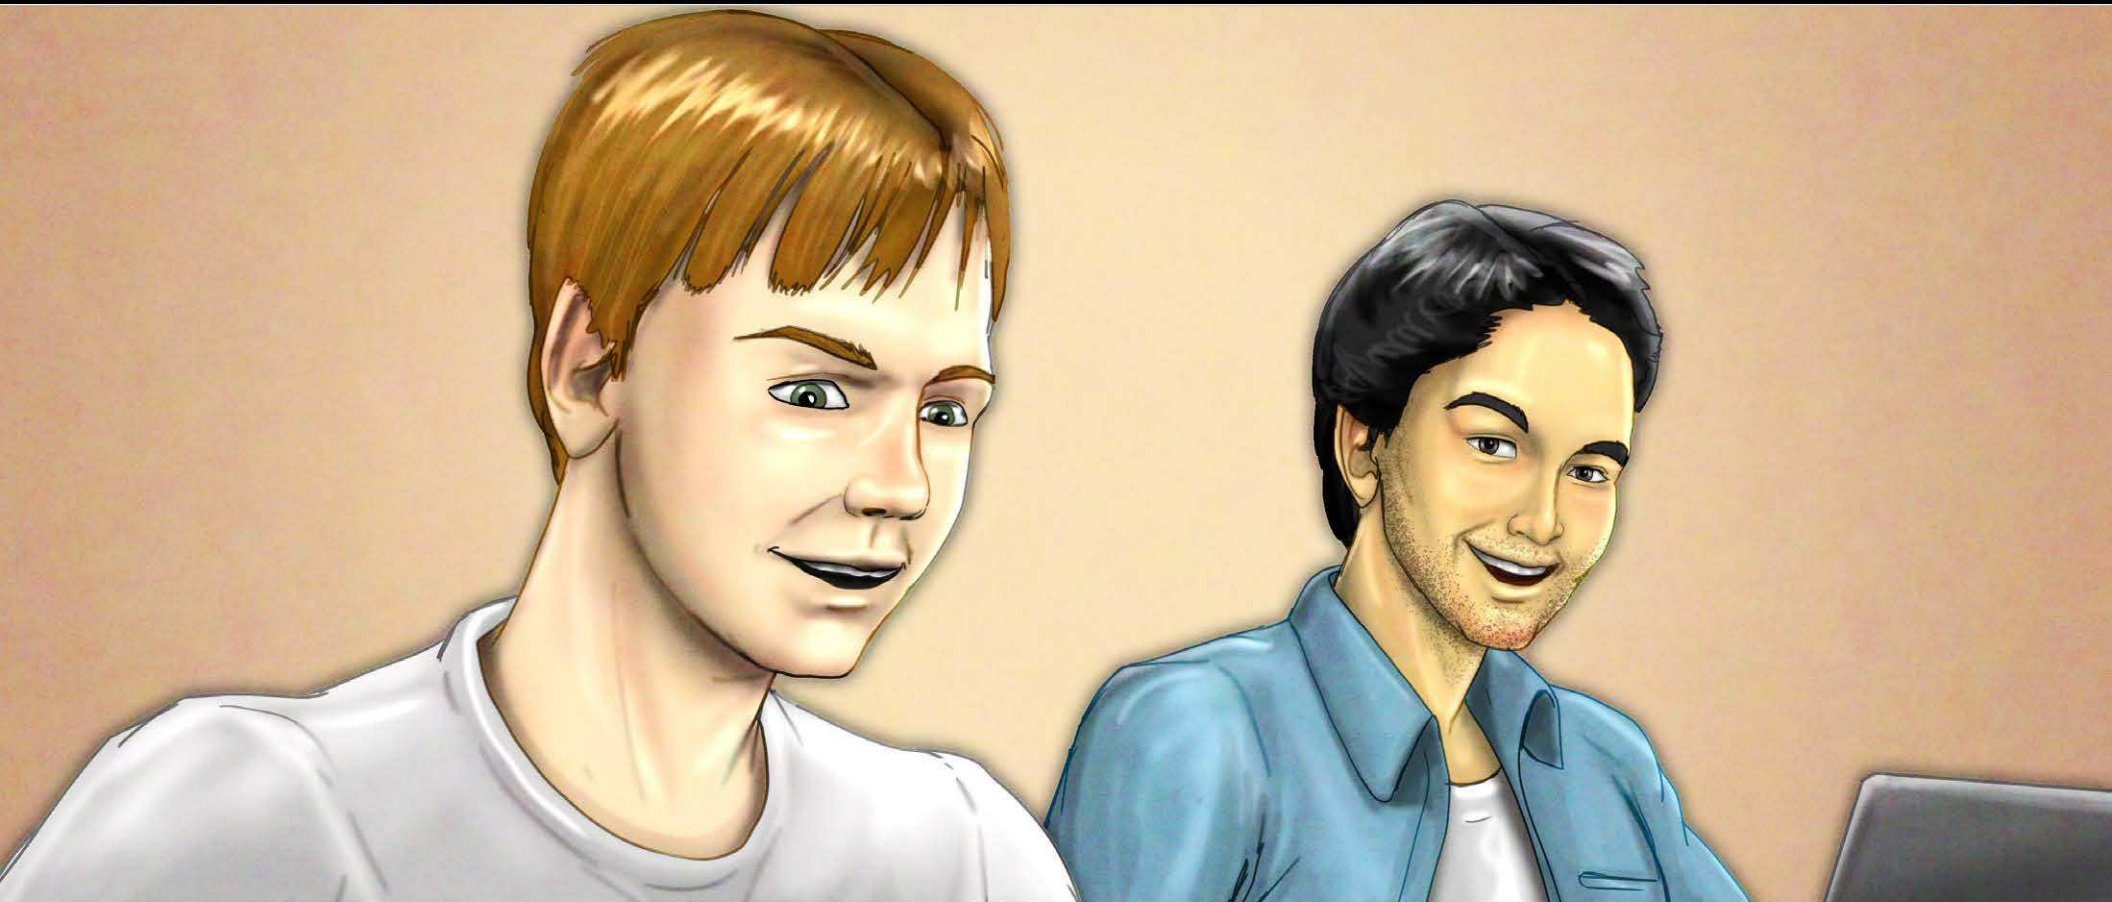

We are trying to get the telescopes here on Earth to aim at it in order to study it further, **to figure out what exactly it is**, and where it came from. We are putting the word out to get everyone with astronomical equipment — from the smallest telescopes to the largest..

**Holy crap**, dude!  
This is some crazy shit!

Yeah...

Hey... whut da fuck?  
Are you even **paying attention**?

To **Heidi** or the TV?

You're hopeless. Don't waste your time. She **already** has a boyfriend already. Some jock.

Hey, a man can **dream**, can't he?

... plan on sharing this... oh... *oh no!* The... anomaly. It appears to be... **collapsing**. Oh no — it might **disappear** before we get...

Oh my!  
Are we in **danger**,  
Dr. Hubble?!

**ON PHONE: DR. HUBBLE**  
Astrophysicist at UBE

No, I... well... I don't think so...  
Oh! OH! There it goes!

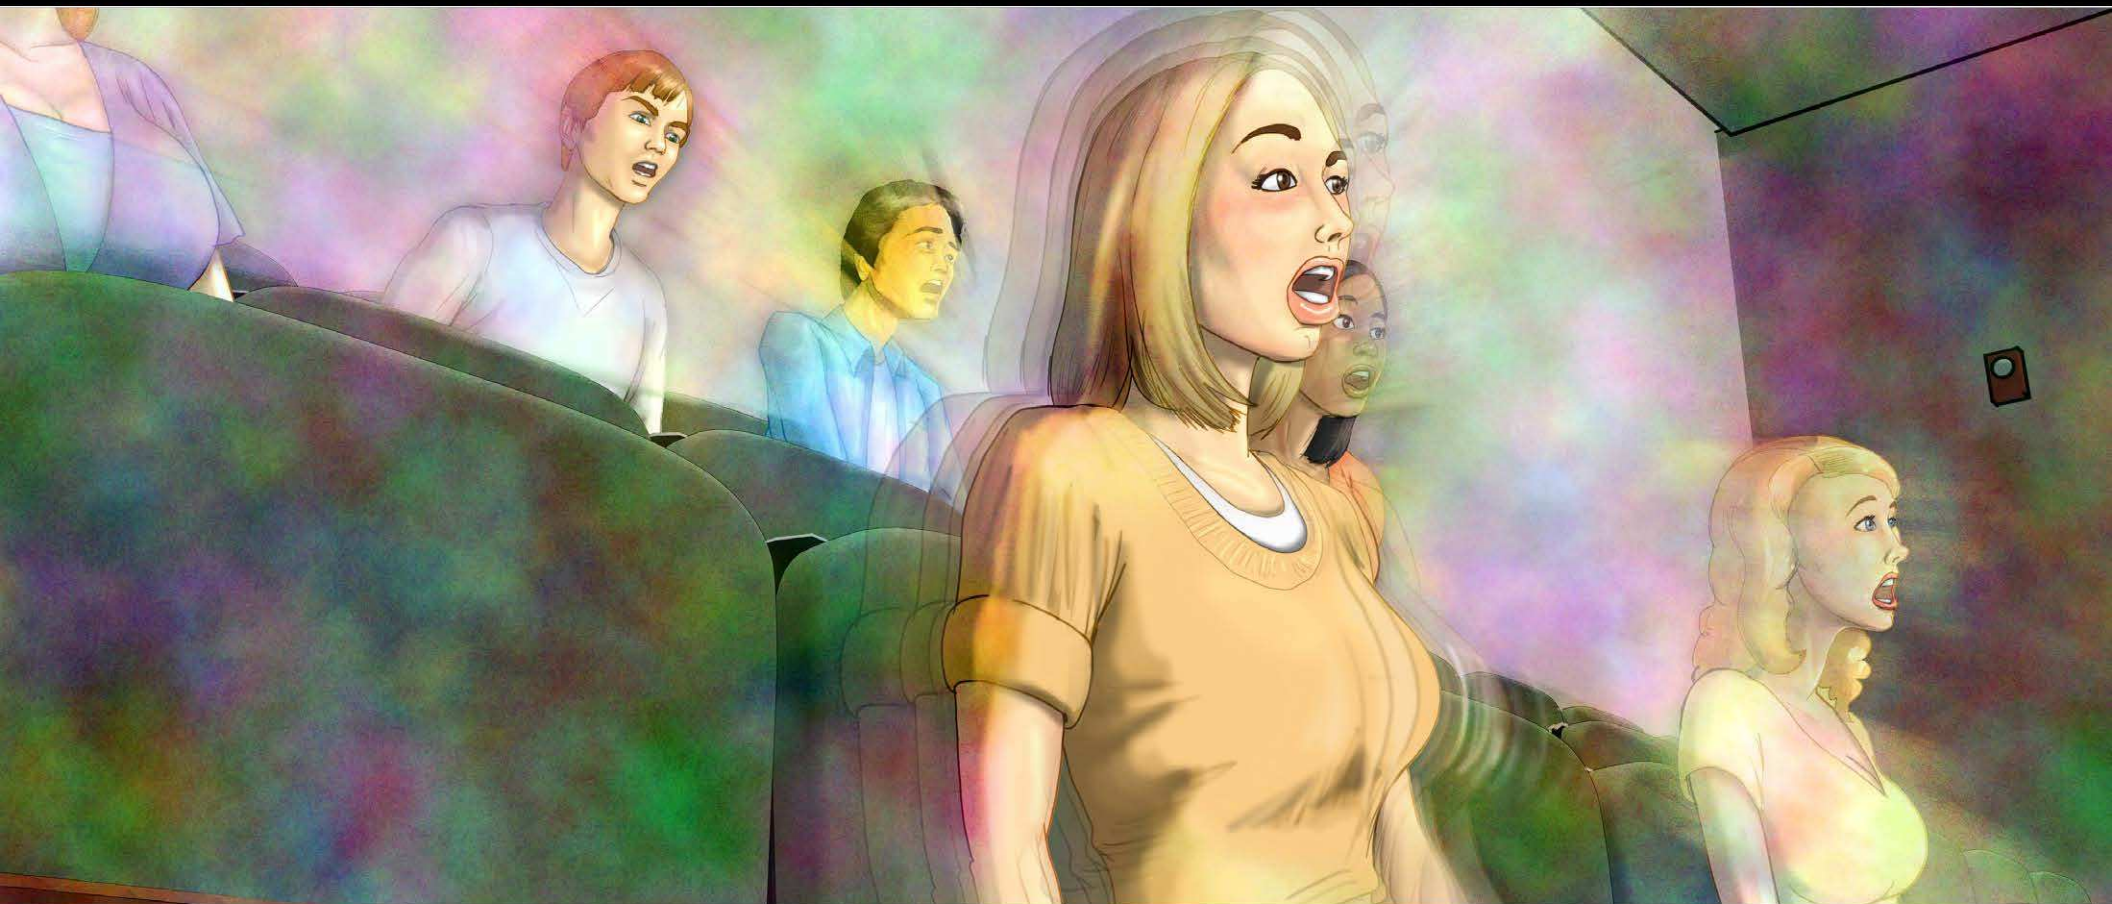

*Out in space, 22,000 miles from Earth, the anomaly **collapsed** in on itself in a **brilliant pulse of light**. Out from that collapsed point of energy shot a **super fine beam of light** that blasted off in 2 opposite directions — one to deep space, and one directly at **Earth**.*

*A man can dream ...*

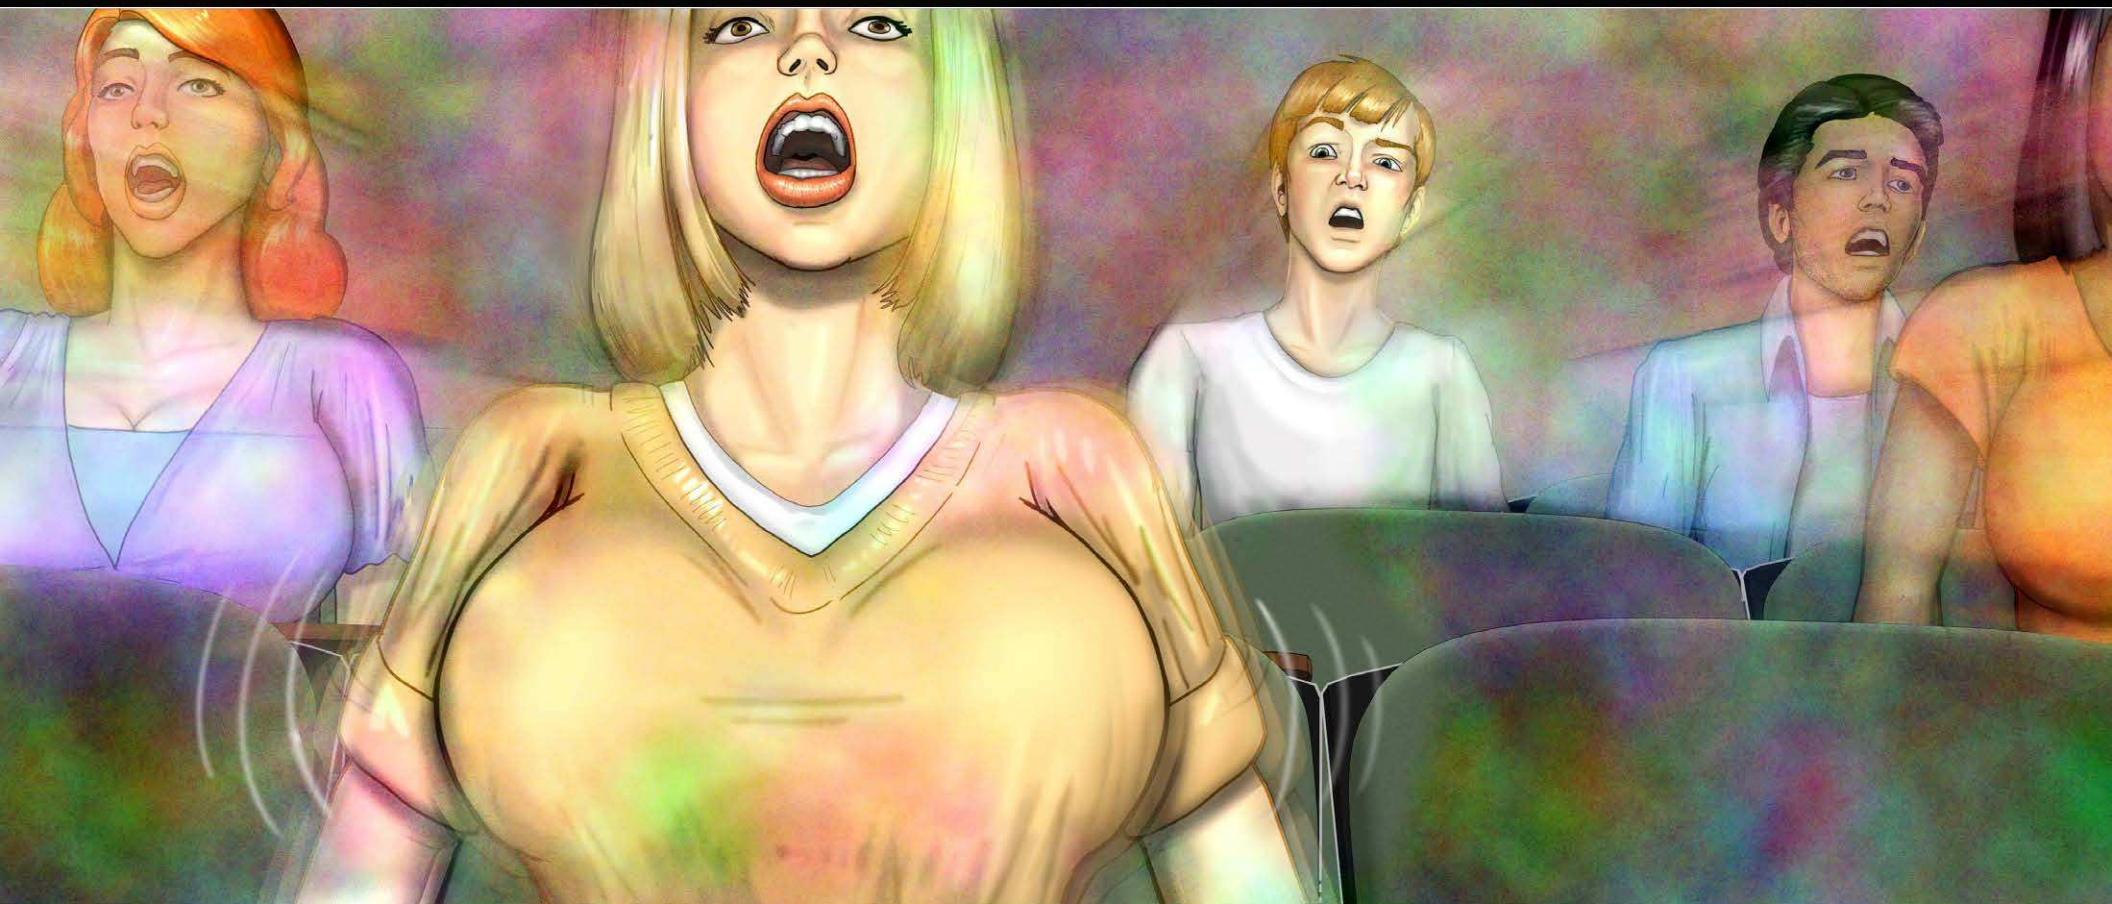

*Whoooa! The anomaly...  
imploded !*

*AAHHHHHHHHHH !*

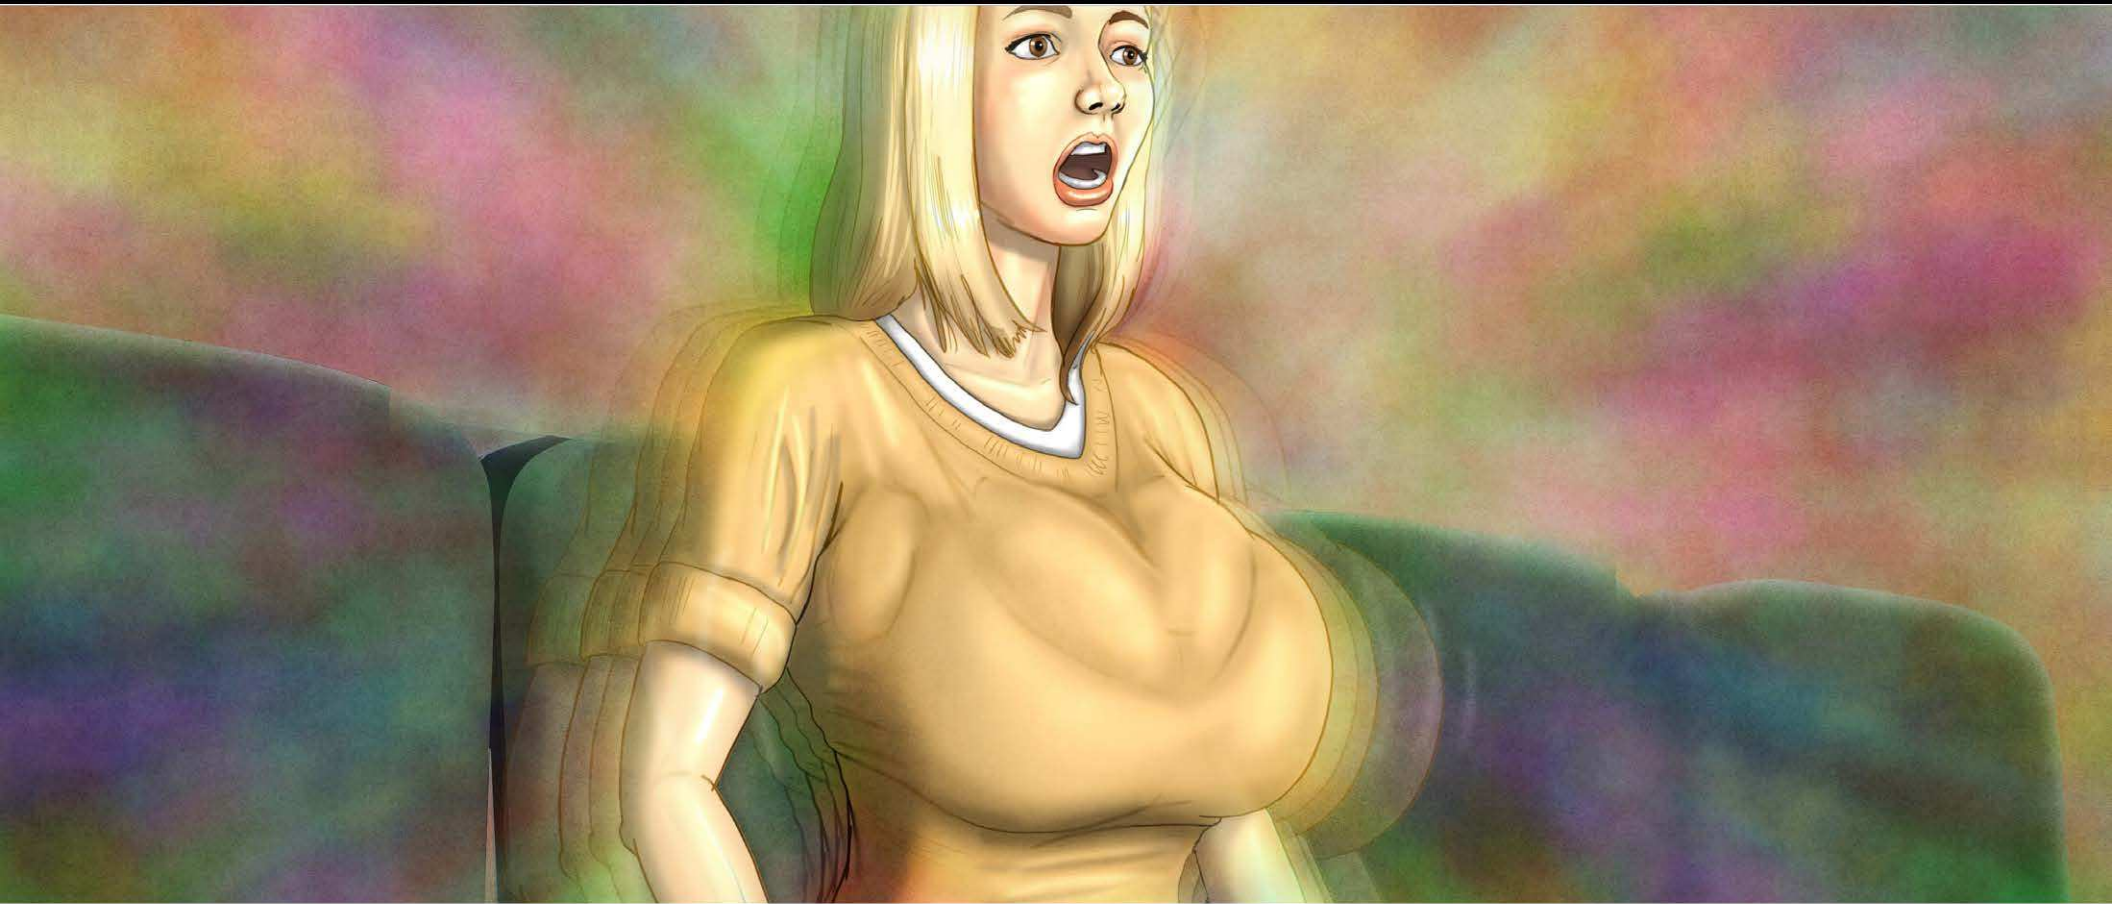

*Fuck!*  
*What the hell is happening*  
*to **Heidi** ?*

Professor! What's going on?!

The anomaly has **collapsed**. It is giving off vast amounts of **energy** from its **implosion**.

WHAAAA...?! Heidi's **breasts!**  
They're **growing!**

Are we **safe** ?

**We should be.** We should be far  
enough away to avoid any...

**Holy Fuck!**  
What the hell was *that*?

I know, right?! That anomaly's  
explosion was **intense**. I thought  
we were gonna' **bite it**...!

**No!**  
Not *that*!

Didn't you see the... the..  
**multi images**? The... **colors**?  
Everything all **fucked up**?

Umm... Noooo ?

Dude! *Seriously!* It was all LSD and shit!  
And I saw... saw **Heidi's boobs** suddenly  
**grow bigger!**

Uh... whaaaaat ?

Dude, please. I know she's big, but to **grow bigger**? You hit your head or something?  
She's the **same** size as she always was...  
which is **huge**! You **lucky dog**!

I... wha...? No, they...

Dude, stop rubbing it in, OK?  
Those **jugs** of hers have **always** been that big for  
as long as we've known her. Hell, you should **know**;  
she's your **girlfriend**, for God's sake!

She's my **WHAT**?!  

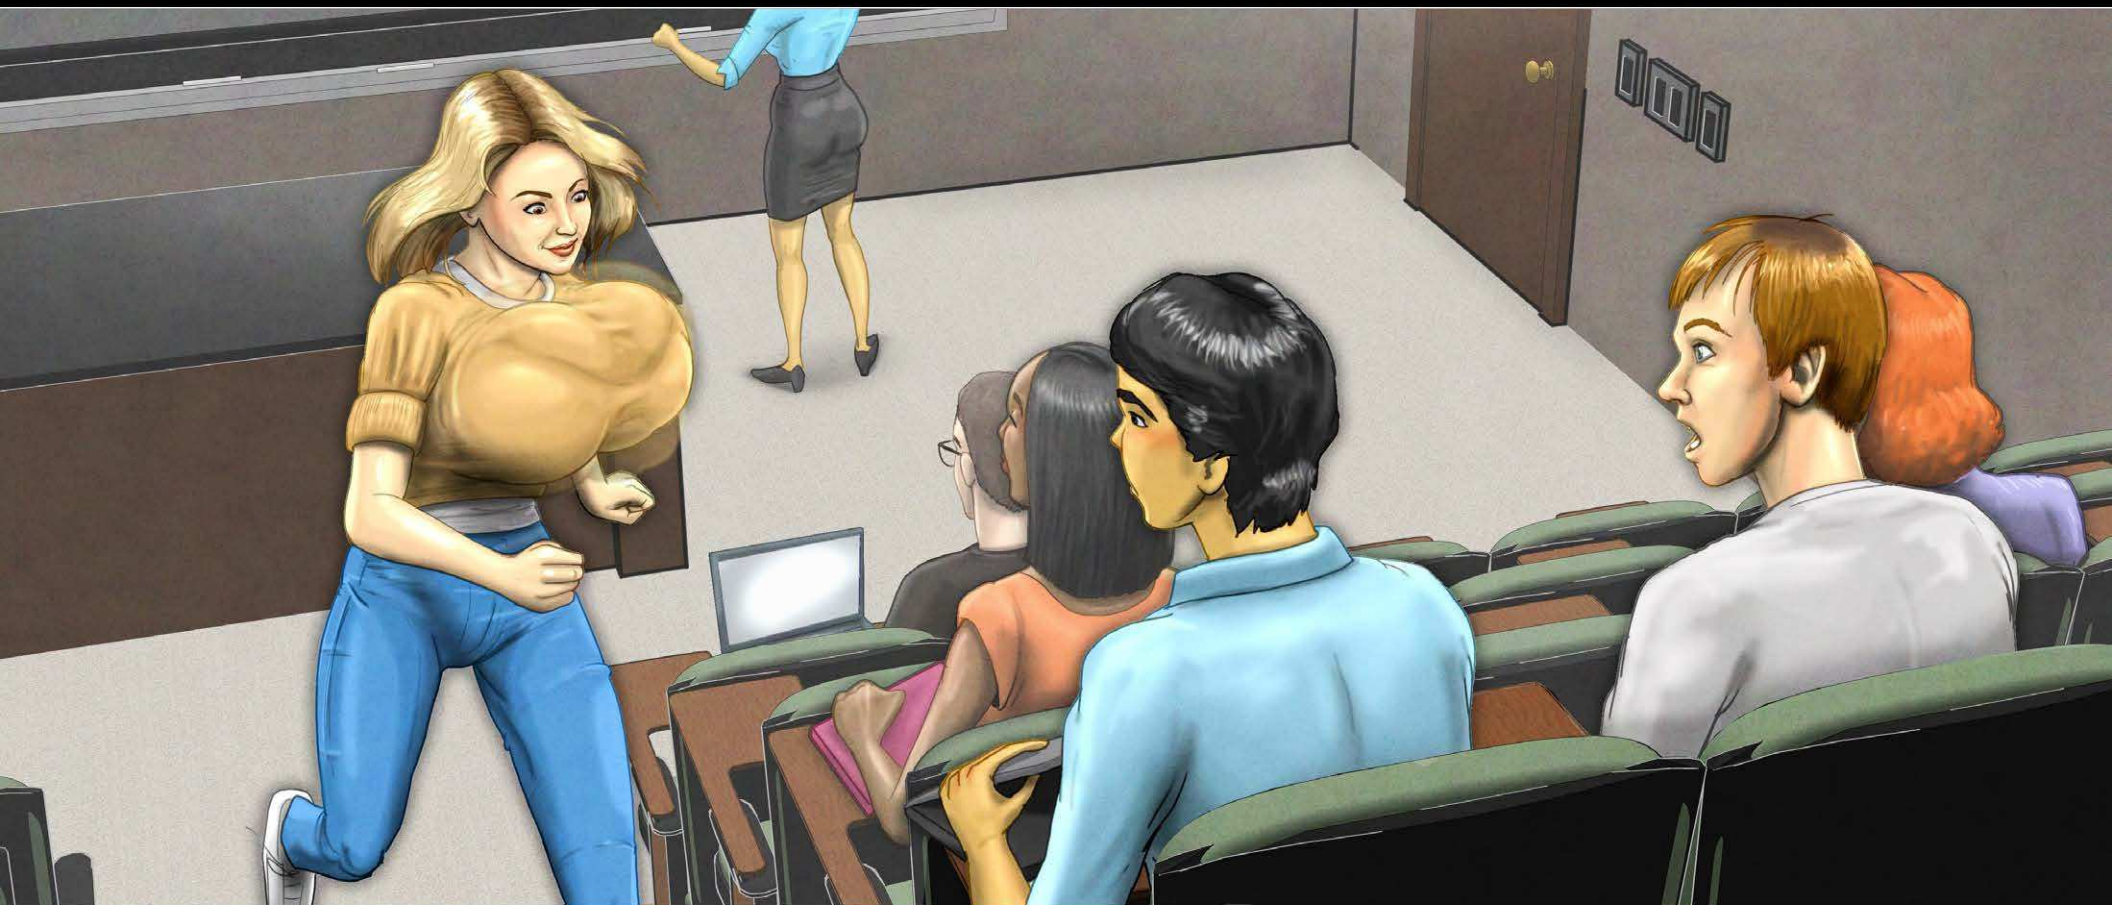

*Luckily for Carl, his outburst was mixed in with the rest of the cacophony of excited students in the classroom.*

OK, OK, class! Everything is all right!  
Quiet down people!  

As the class took their seats at the professor's request, **Heidi** suddenly came bounding back towards **Carl**, her **breasts caroming wildly**.

Holy fuuuuuuck! Look at those tits **bounce!**

Huh? Why is she coming up here?

Excuse me, guys.

Dayum! Look at her **boobs**. **Carl** is one **lucky** son of a bitch.

Wow! She has a really **cute butt**.  
A bit **small**. Too bad...

... it wasn't a bit  
**bigger and curvier.**

... bigger and curvier.

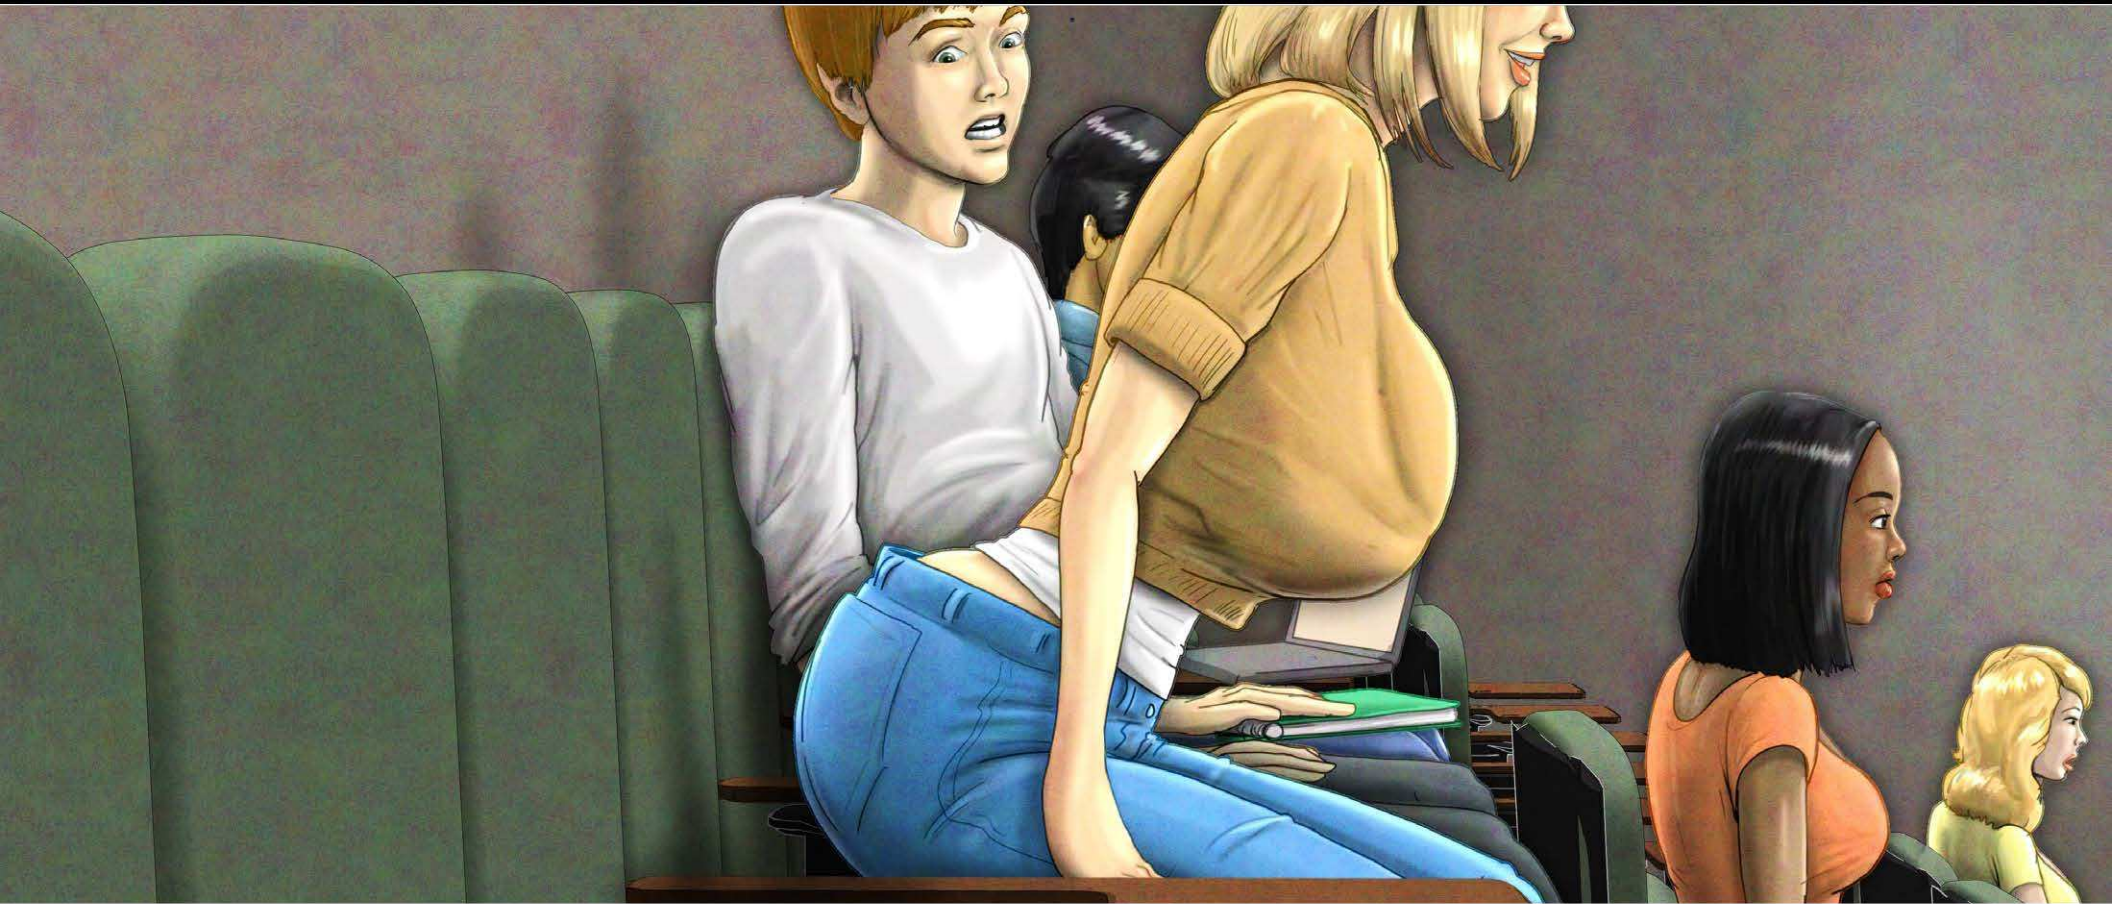

Holy shit! Is her ass **growing**?!  
Her jeans are already so tight, how are  
they not getting tighter?

Wow... her **ass** looks  
REALLY **amazing** now!

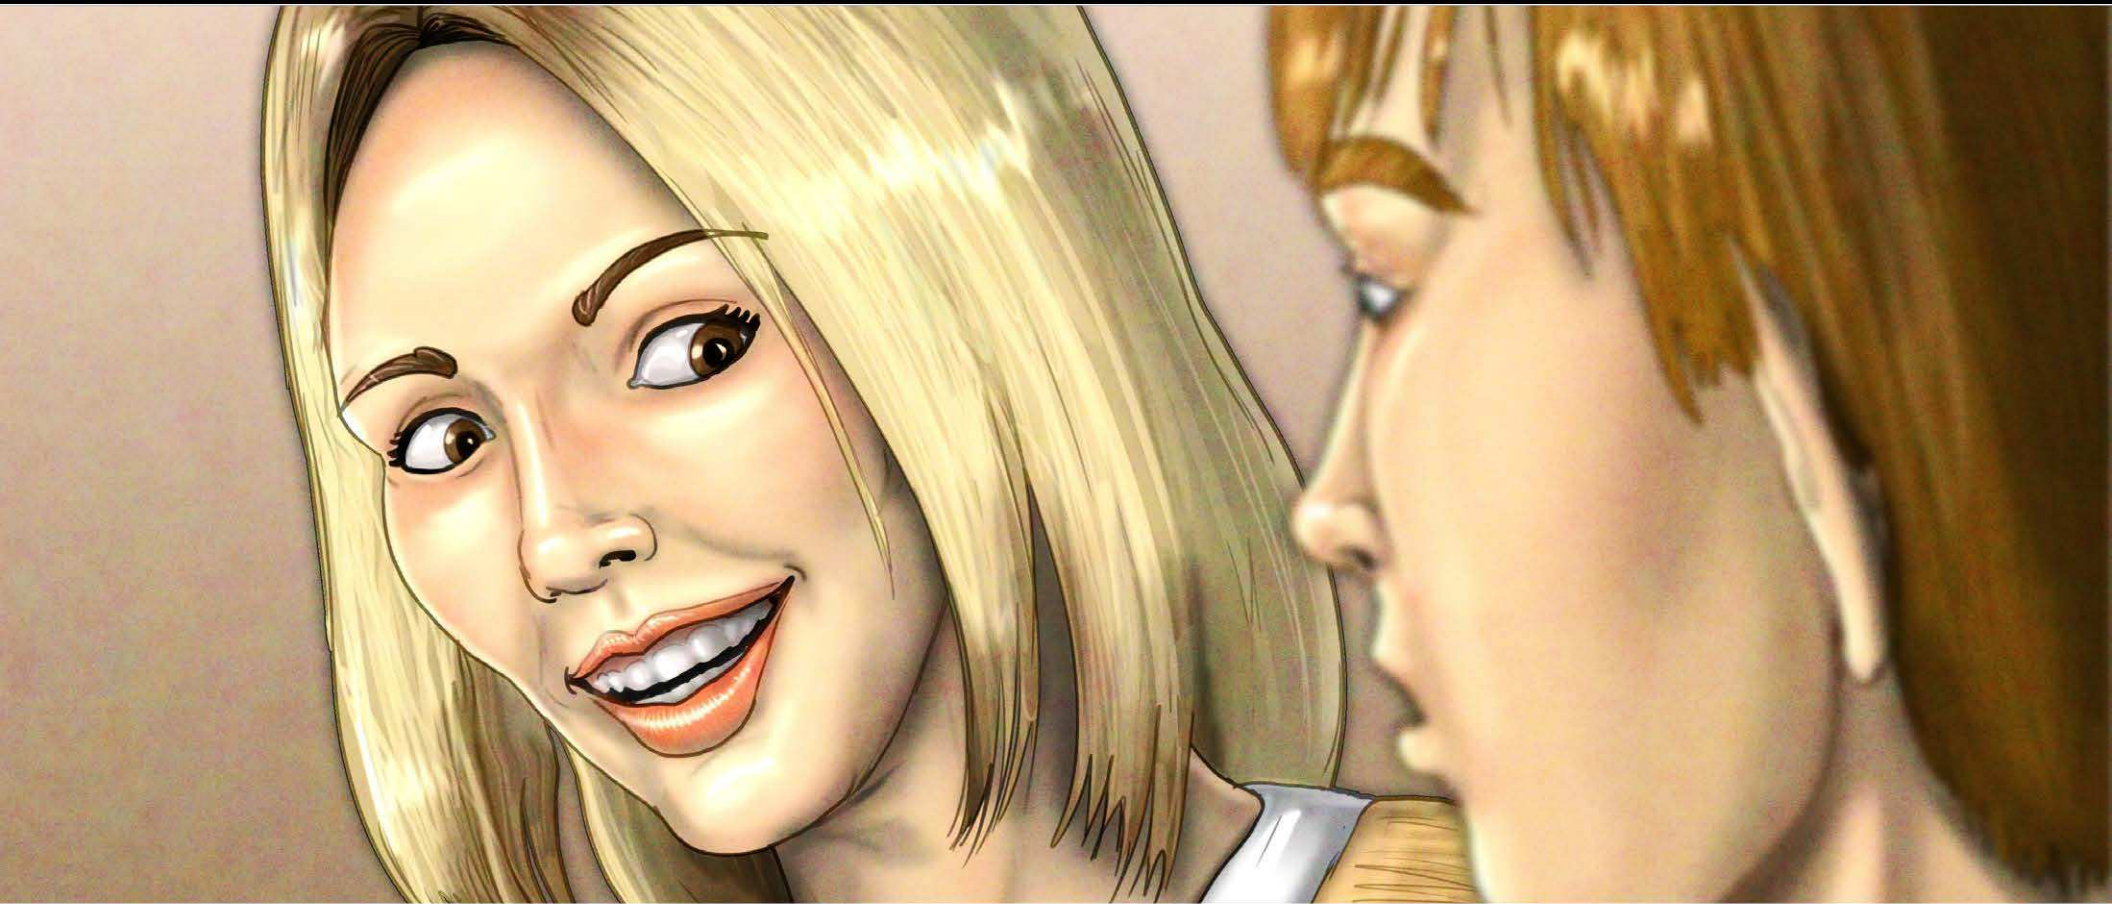

Ah, there we go.

Wait... she's sitting  
next to **me**?

Wow! That was **intense**,  
wasn't it, **sweetie**?

"S-sweetie" ?

I just had to get a better view  
of the screen to watch the anomaly.  
But now I'm back!

For the next 30 minutes, the class was chatty and giddy. **Professor Boson** tried valiantly to answer all of her student's questions about the anomaly. However, **Carl** could only concentrate on **one thing** — and that was **Heidi**.

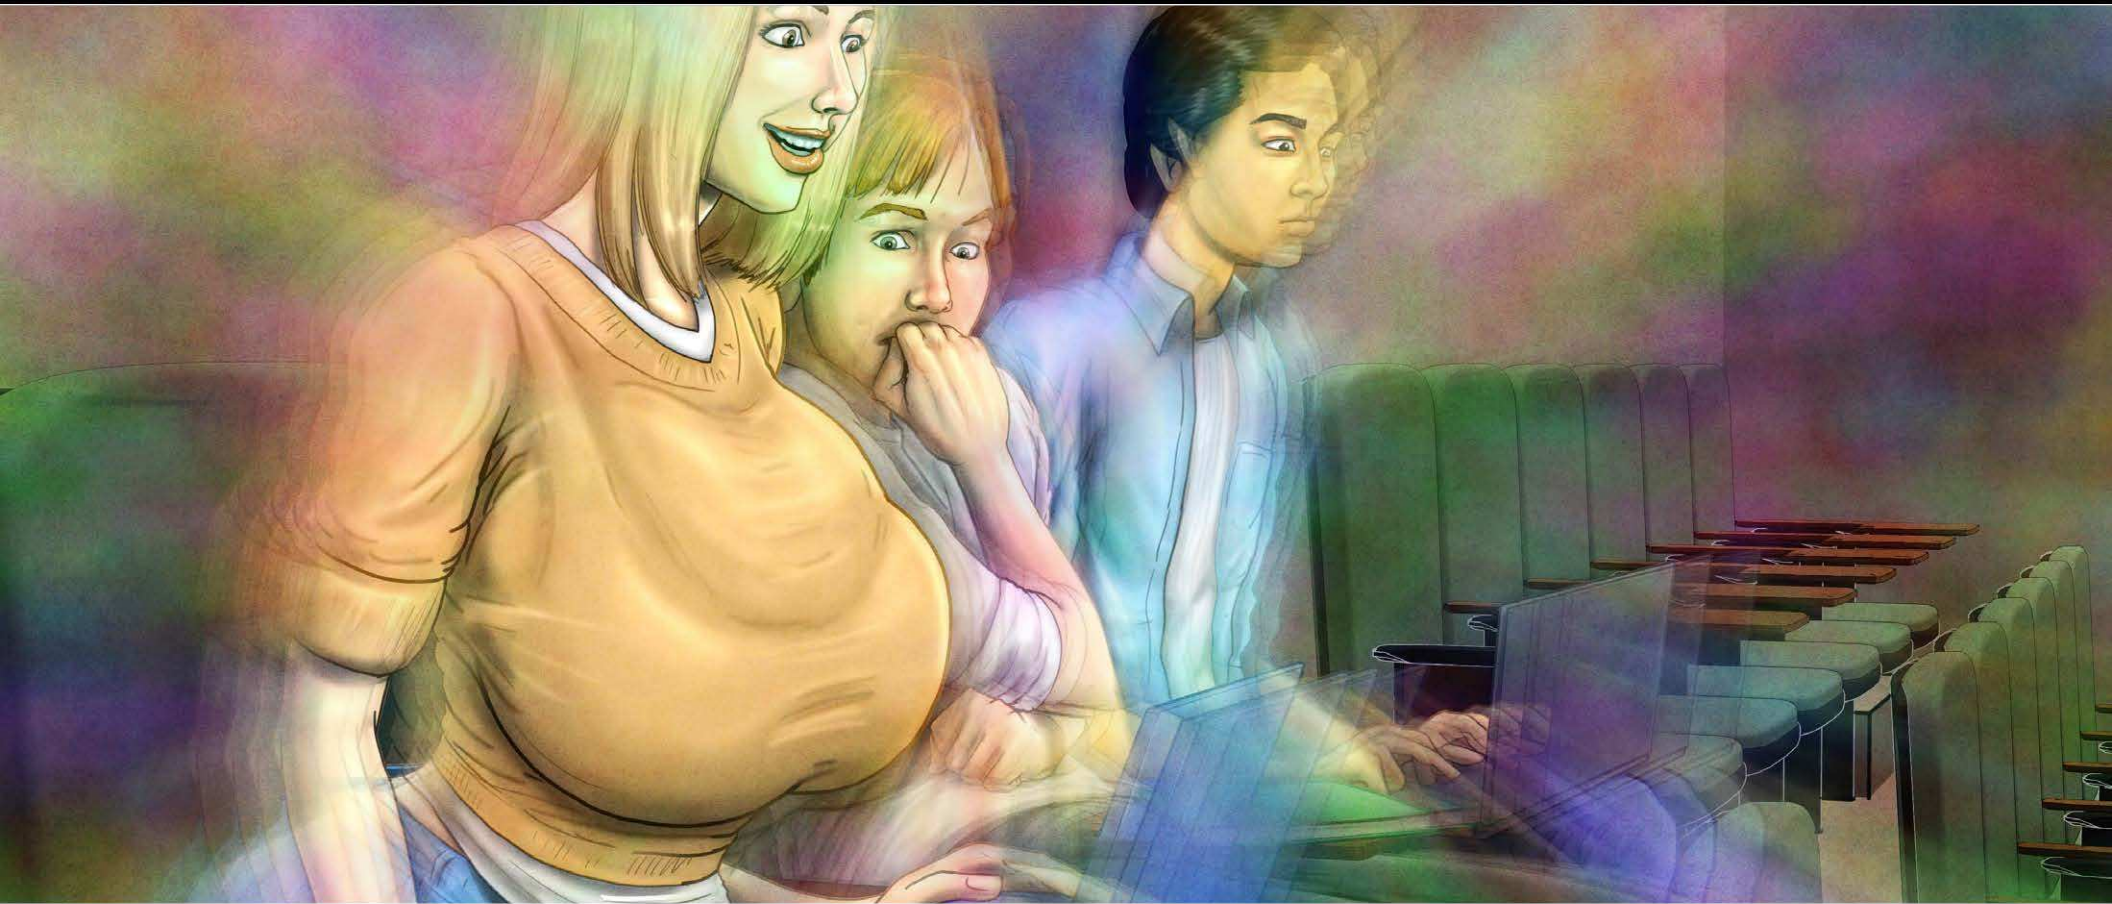

Fuck!  
**How** did this happen? Just look at her! That **ass!** Those **tits!** They look **amazing!**

God, they're beautiful. So **big**.  
I always **dreamed** of **Heidi** with big boobs.  
Hell, even **bigger** than this...

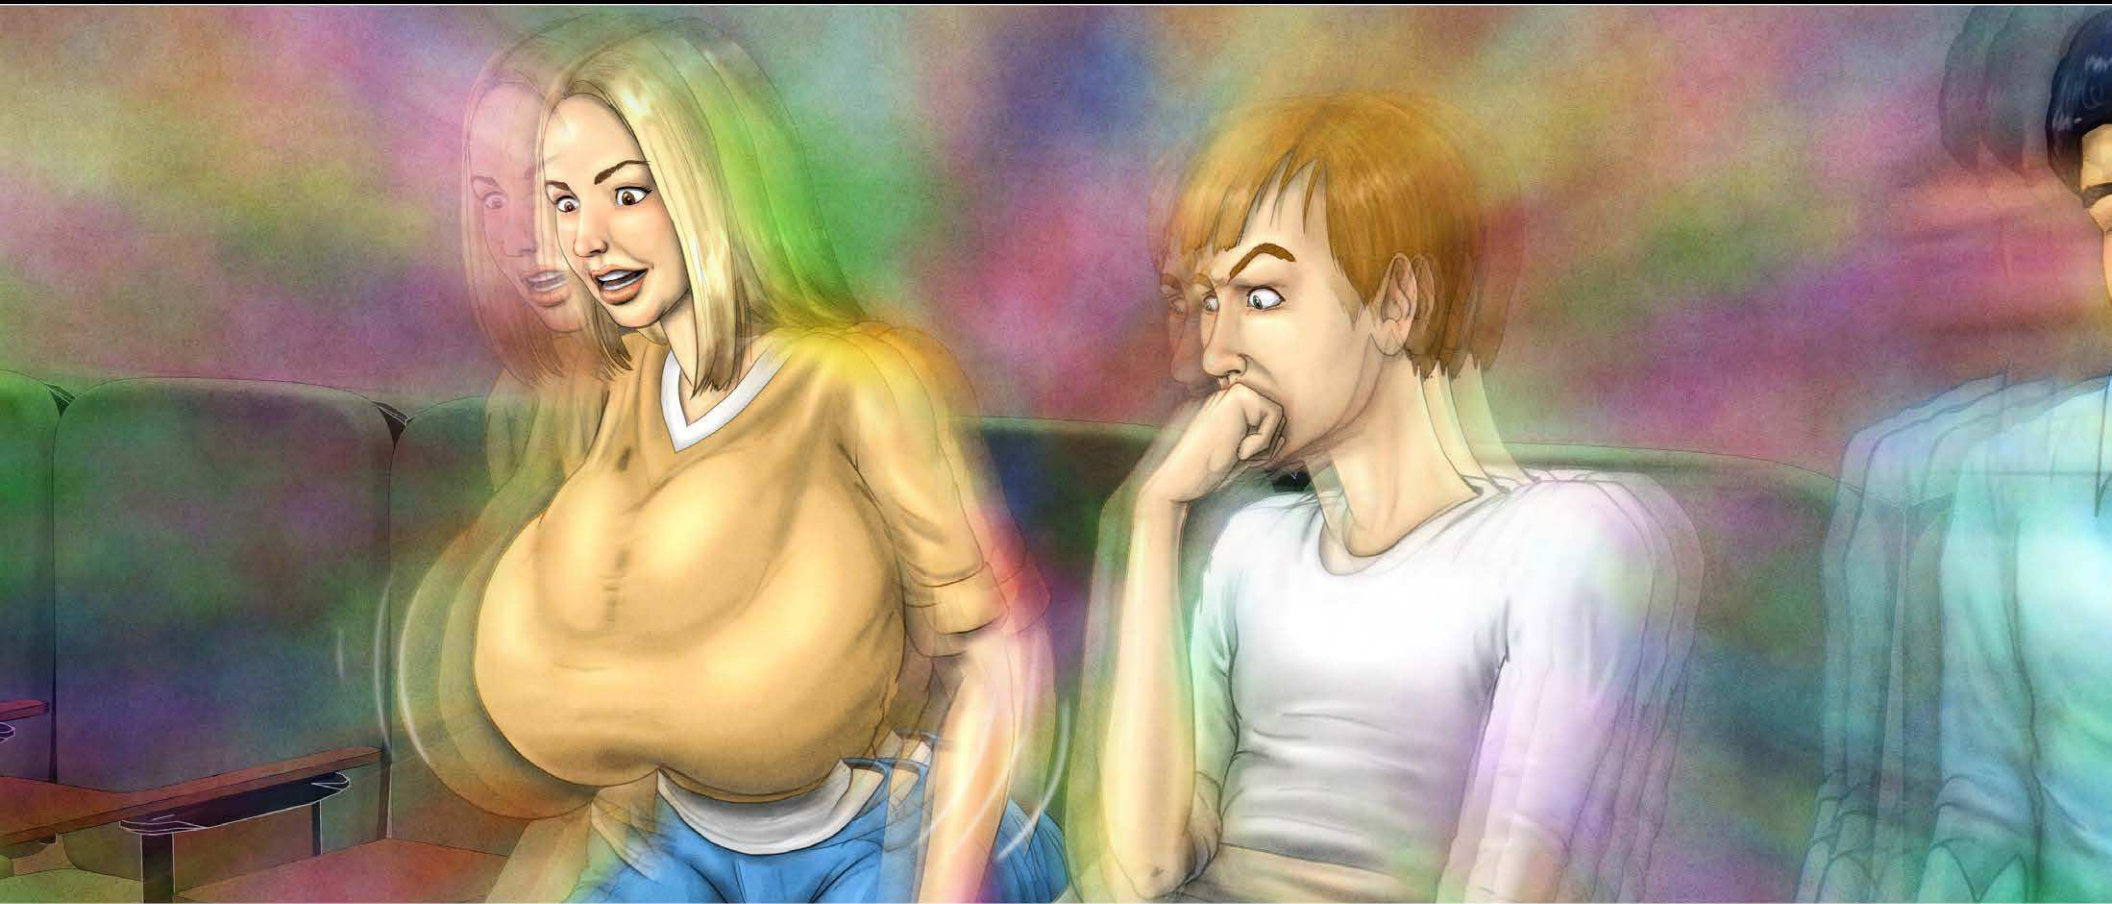

Even **biggerrrrr...**

... bigger ...

Ho — ly — FUCK !

Her boobs are **growing** a few more cup sizes! But... her shirt seems to be shifting as well. It's **not** getting tighter. It looks like it was always meant to cover those... those... those **amazing, billowing masses**.

Earth to **Carl**.

Huh? Wha?

Knock it off! \*giggle\*  
class is over. Let's go.

"G-go" ?

Yeah. To **my house**. We need to **study** for  
tomorrow's test. I'll drive you back  
to your dorm when we're done.

Later, at  
*Heidi's house...*

I'm glad I live **off campus** unlike  
you. Having my **own room** is  
nicer and more private.

True... but then you also  
have to deal with your  
**parents** a lot more.

Well, **not** right now.  
They're both at work.

Oooohhh?

Well, if **that's** the case, then I have  
an idea. Since no one is home,  
want to **fool around**?

\* giggle \*

Oh you! We have to **study!**  
The **test** is *tomorrow*.

I... *whaaat?*

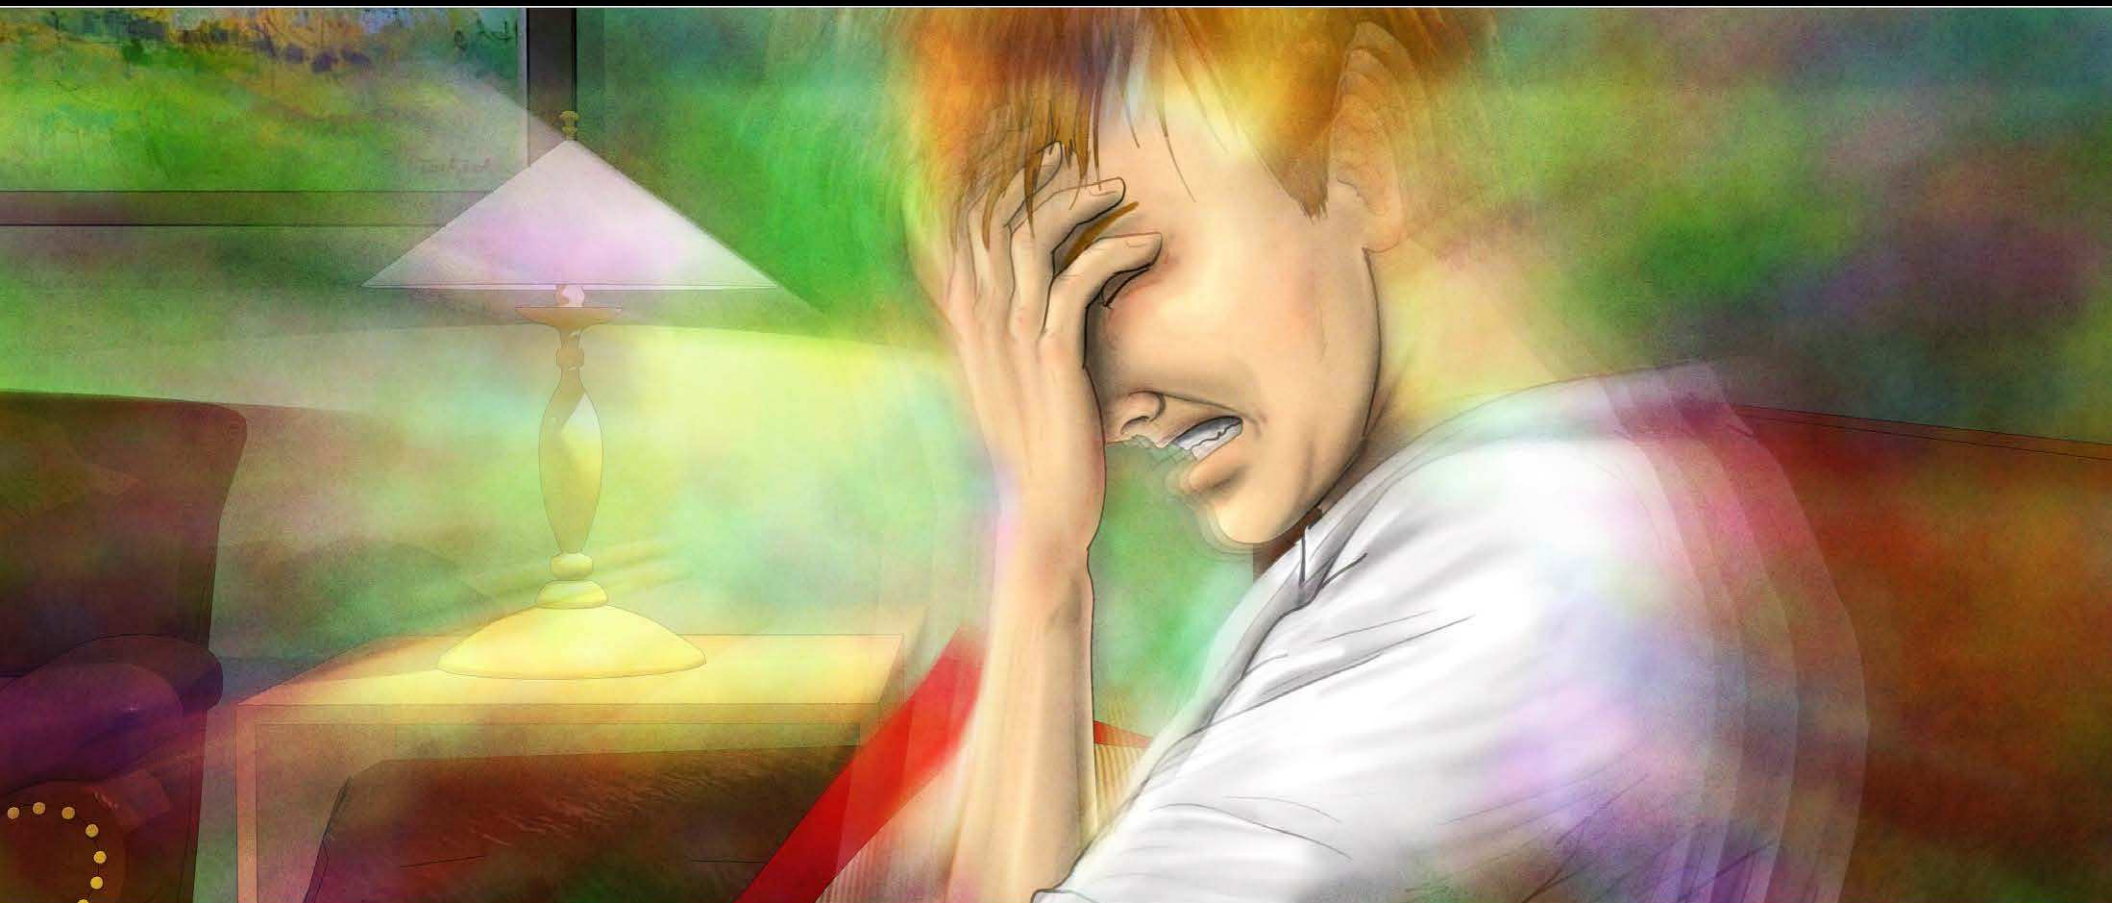

Get the books out.  
I'll get my other notes.

*FUCK!* I somehow now have a  
**huge-boobed, curvy-assed** girlfriend  
(which I still don't know how that happened)  
but I have to study instead of playing with  
those yabos! **DAMMIT!**

*Why couldn't we already  
know this test stuff and she  
instead wanted to fuuuuuck!*

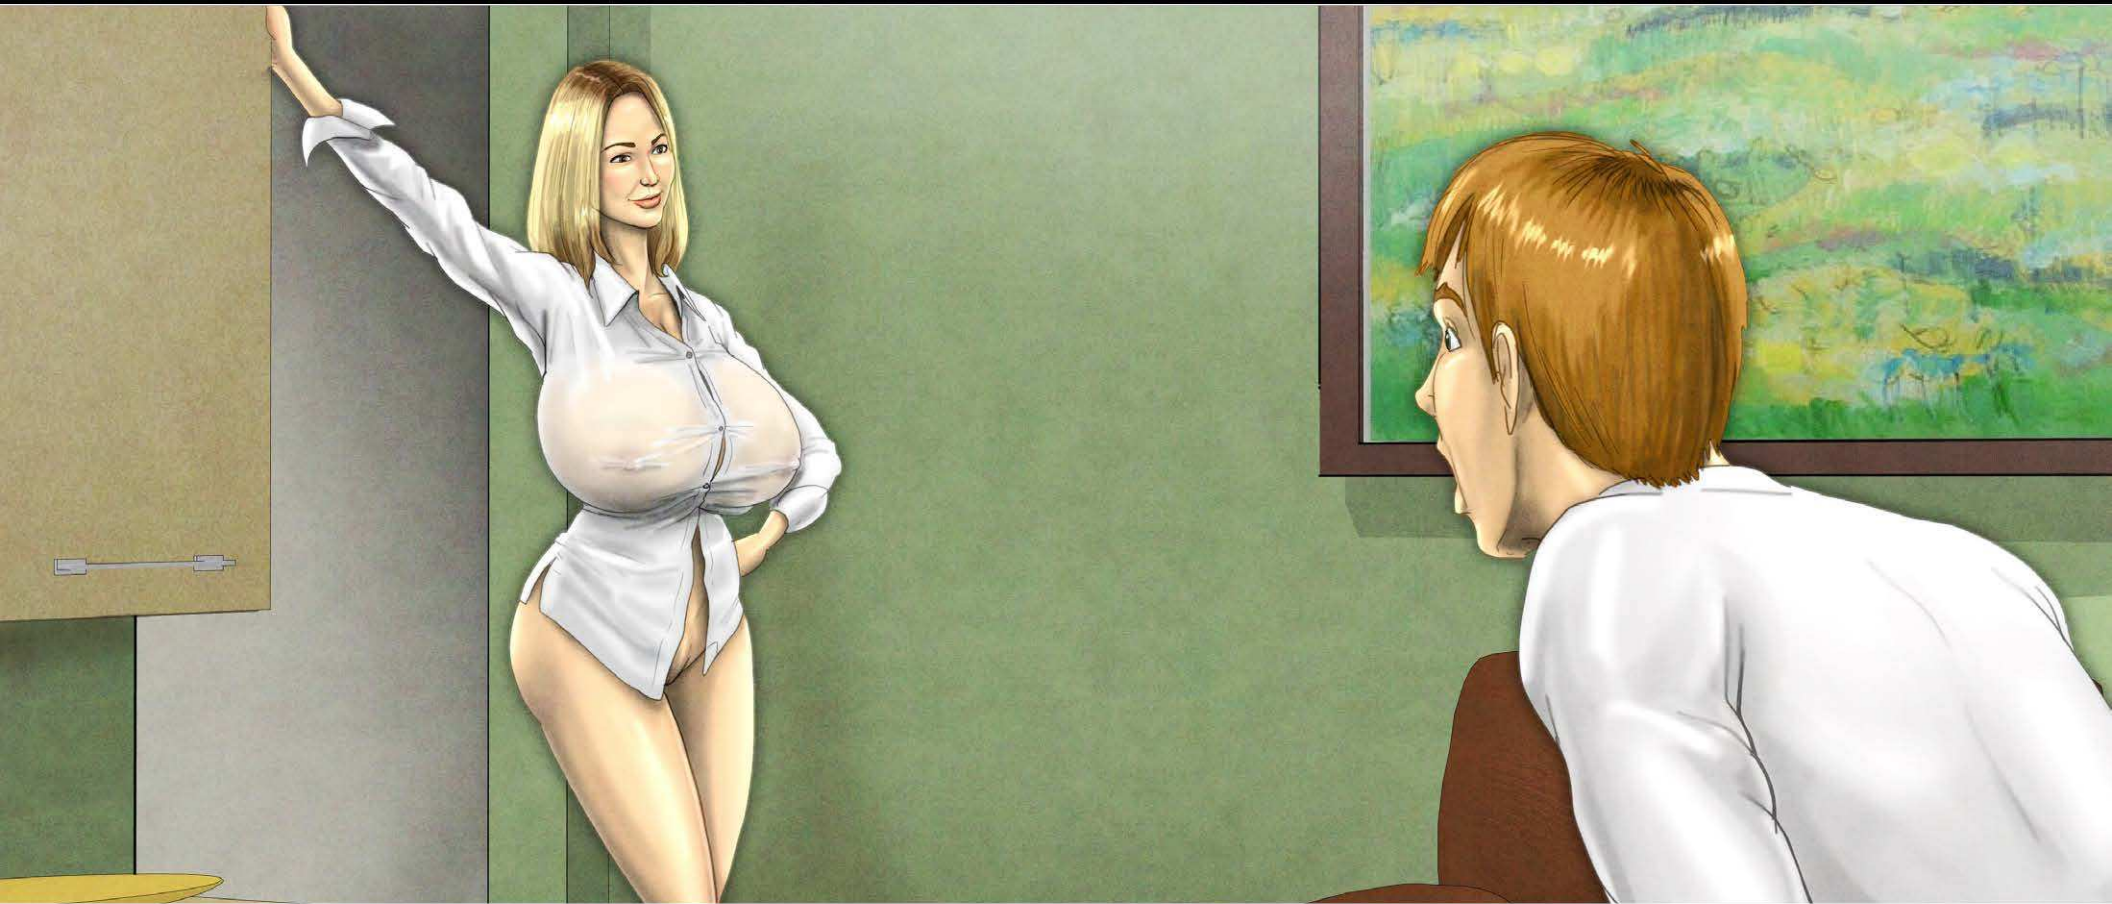

Ugh... I'm so upset, I'm  
seeing those **colors** again.  
I should maybe see a doctor.

Are you ready, sweetie?

Yeah...I guess so.  
Let's... study.

*Whooooo!*

*Study? We know the material well enough to pass with flying colors!*

*I... really?*

Of course we're prepared!  
For example, what is  
an **accretion disk**?

I don't know...  
Wait...

An accretion disk is a disk structure formed by diffused material in orbital motion around a massive central body such as a star or black hole. Material in the disk spirals inward towards the central body due to gravity.

*Holy shit! How did  
I know that so well?*

Well done. One right answer,  
one button opened.

Ahh... that's much better.

Now, what is a **worm hole**?

Uh... a tunnel-like connection — in theory —  
between separate regions of spacetime.

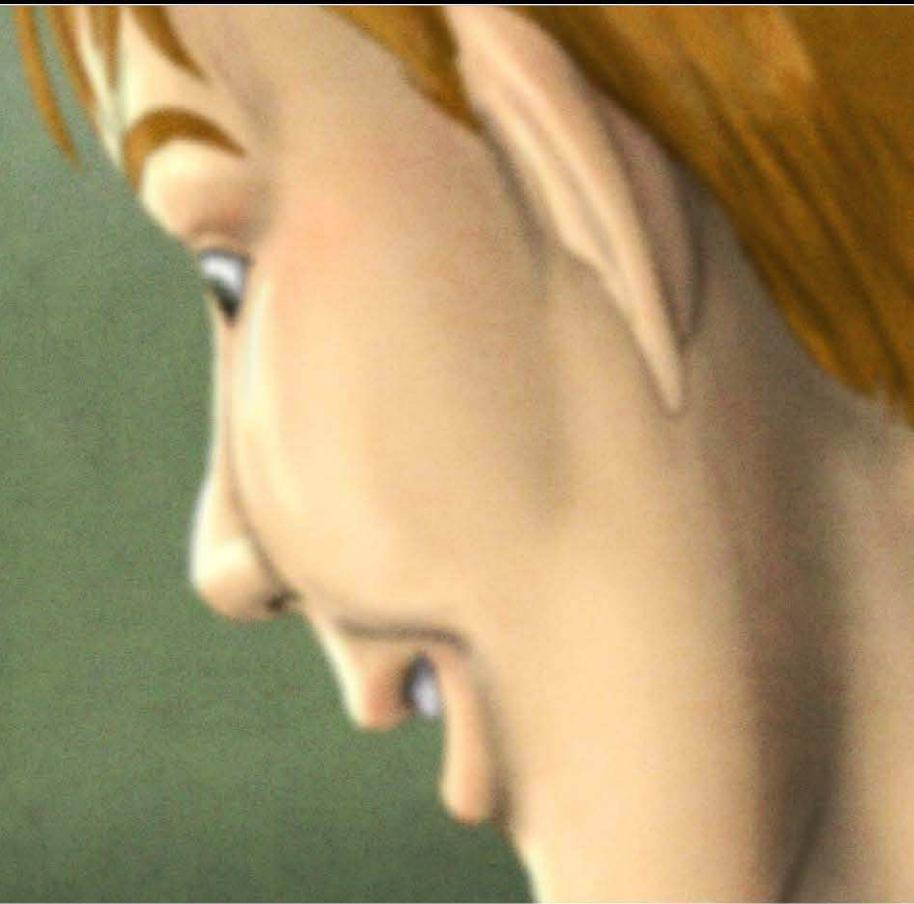

*Verry good! Only one moooore!*  
Then it will be on to studying your faaaavorite  
subject... **my big boobs!**

**Who** theorized worm holes?

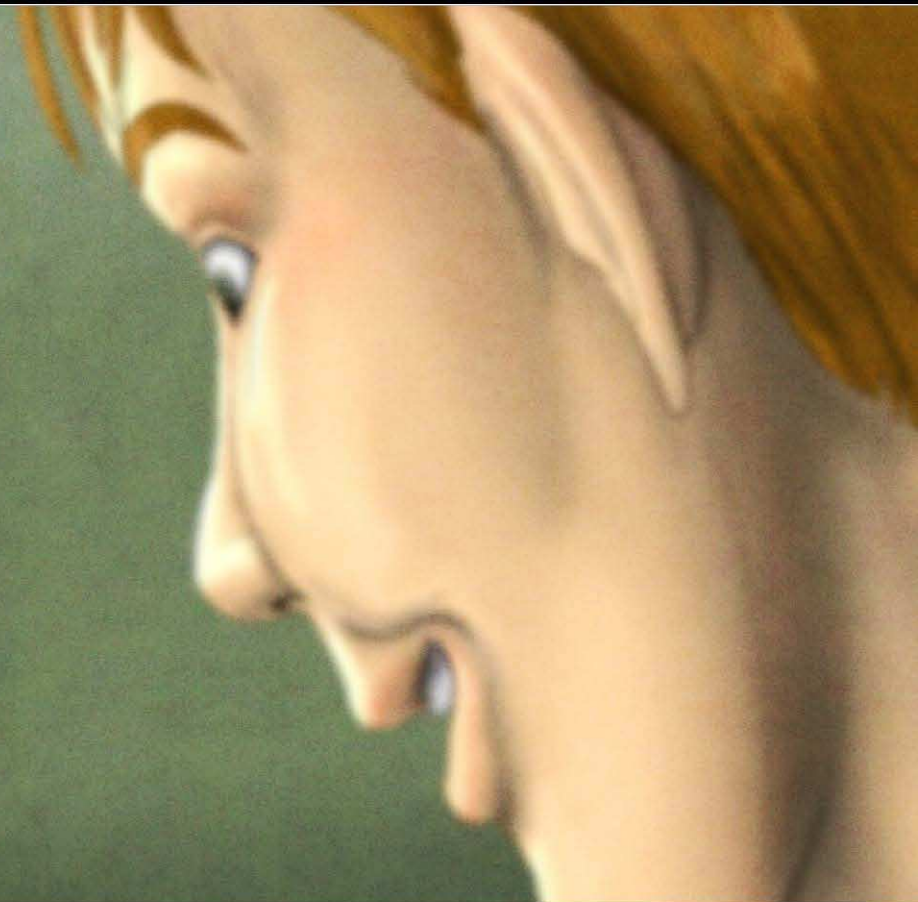

Albert Einstein! And Nathan Rosen!  
In 1935! Using Einstein's Theory  
of Relativity! *Bam!*

Ahhh.  
That's my smart stud.  
Now...

... how about  
studying these **planets**.

*FUCK!* Your tits are **amazing!**  
They're... **gigantic!**

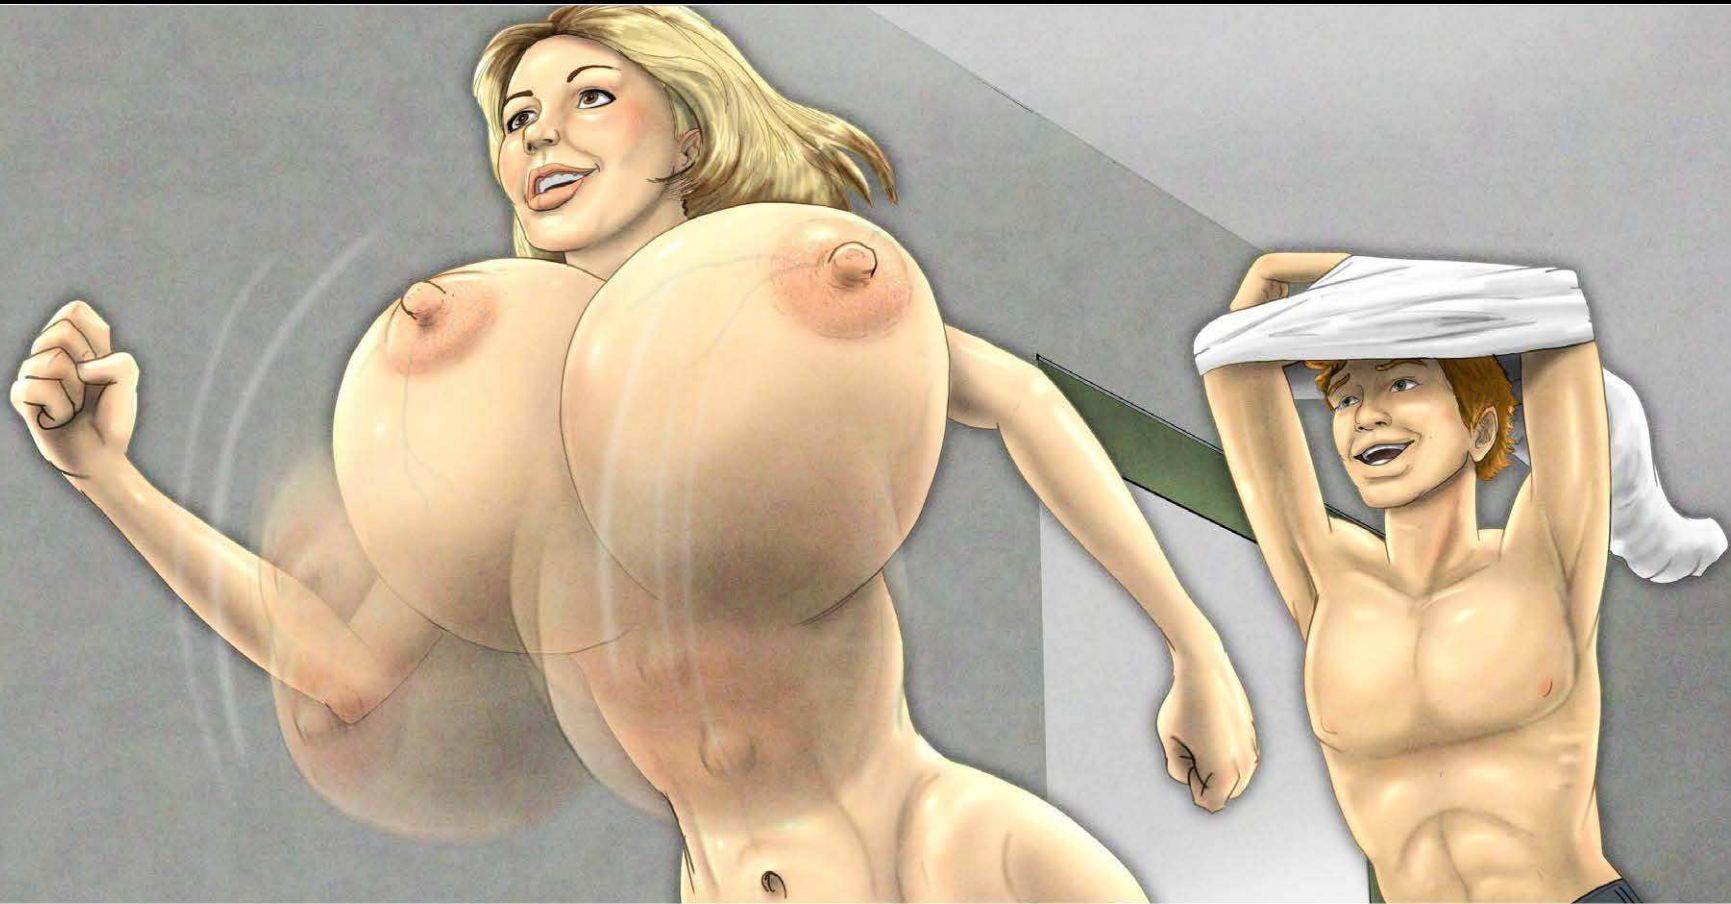

Haha... like you've never seen them before,  
**stud!** Come on, let's go to my **bedroom!**  
I want to **fuuuuuck!**

Ohmygod!ohmygod!ohmygod!

Geez! I'm surprised she doesn't give herself  
a **black eye** running like that!

Wheeee... OOFFF!

Ahhhhh! Hahaha! Oops... almost gave myself **whiplash**! You'd *think* growing up with these **babies**, I'd have better control over them.

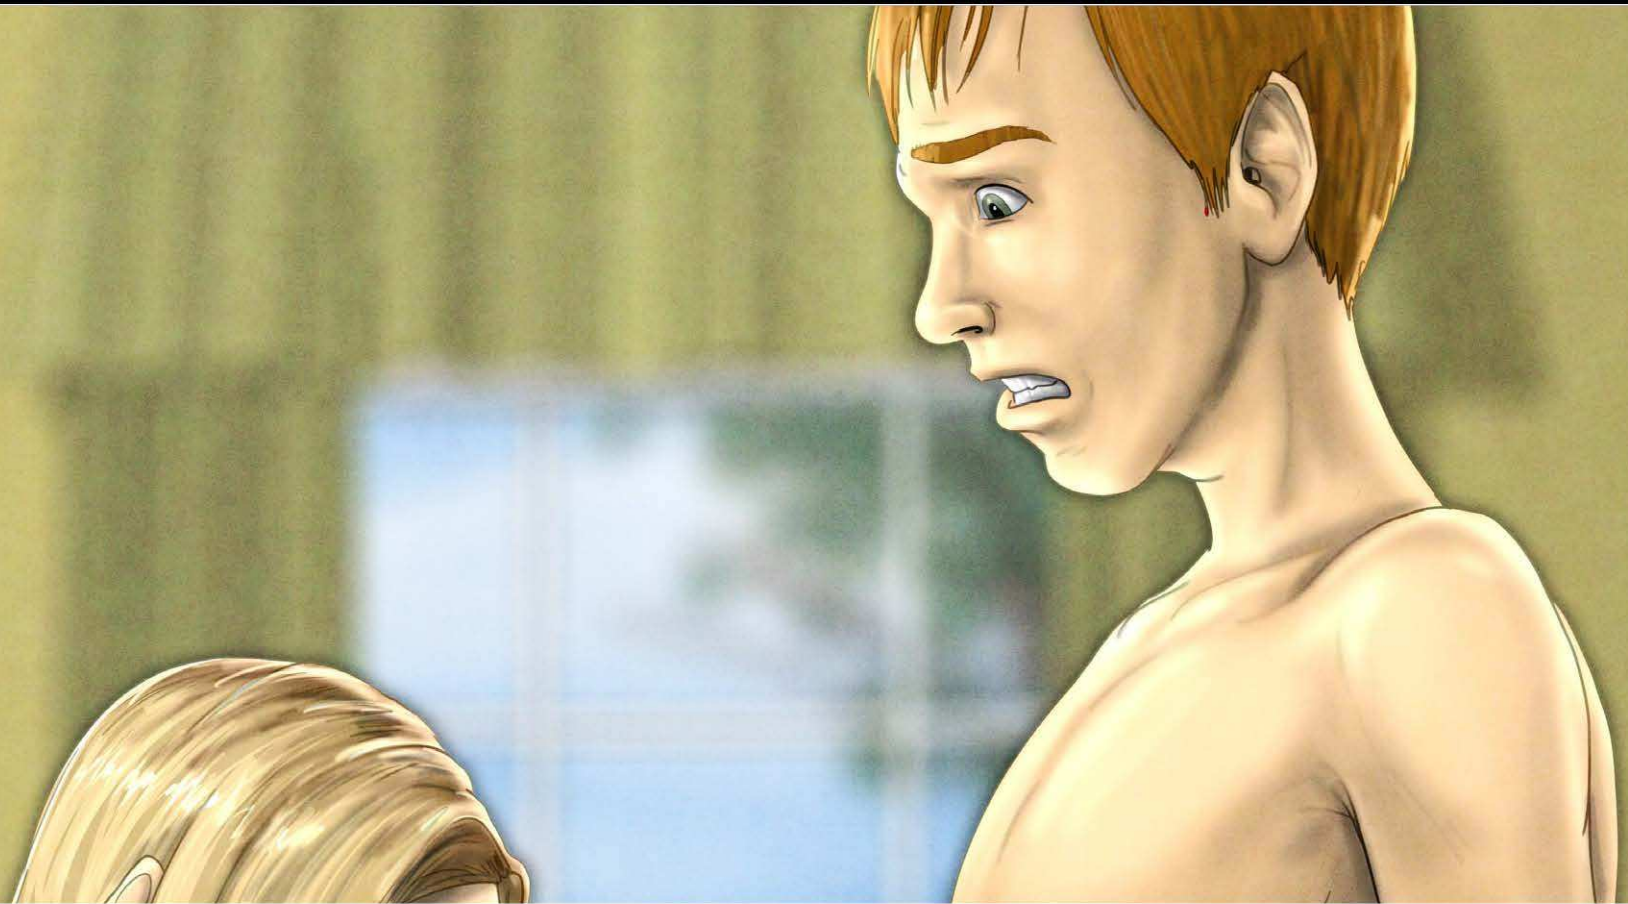

"Growing up with"...? But she just grew those **today**. Wait... was... this **always** like this? My head is starting to hurt...

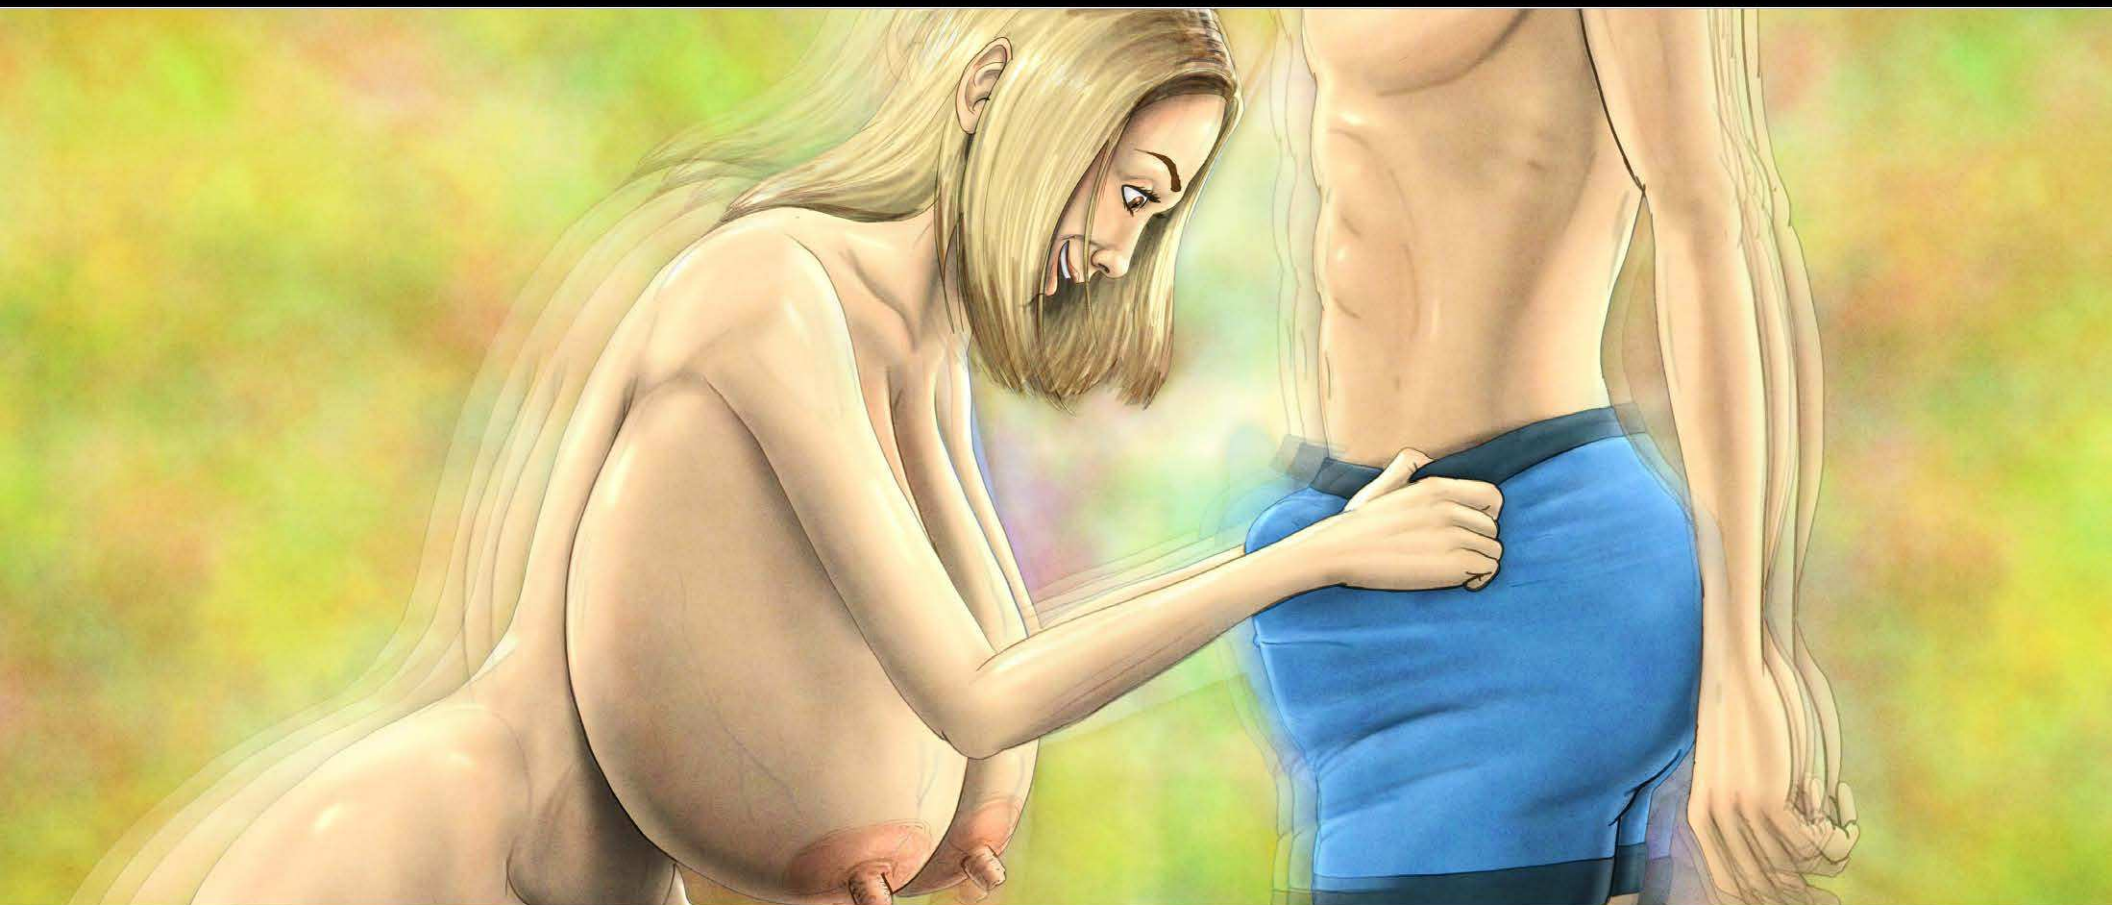

I see you have a **rocket** in your  
pants ready to explore **my twin planets!**  
Let's get it ready to **launch!**

**Fuck! H-how** is this all happening?  
She's so **beautiful**, so fucking **amazing** looking!  
I'm just a regular, geeky dude. Fuck, I hope  
she isn't **disappointed** in my **junk**!

*If only my **dick** could be as **big** as  
she would find **perfect** !*

Is — is my dick  
**getting bigger?!**

Ah, there's that **cock** I **love** so much. I've said it before; you've got the **perfect cock** for me!

Holy **fuck!** My dick **grew!**  
And **boy**, did it grow! And my  
pubes disappeared!

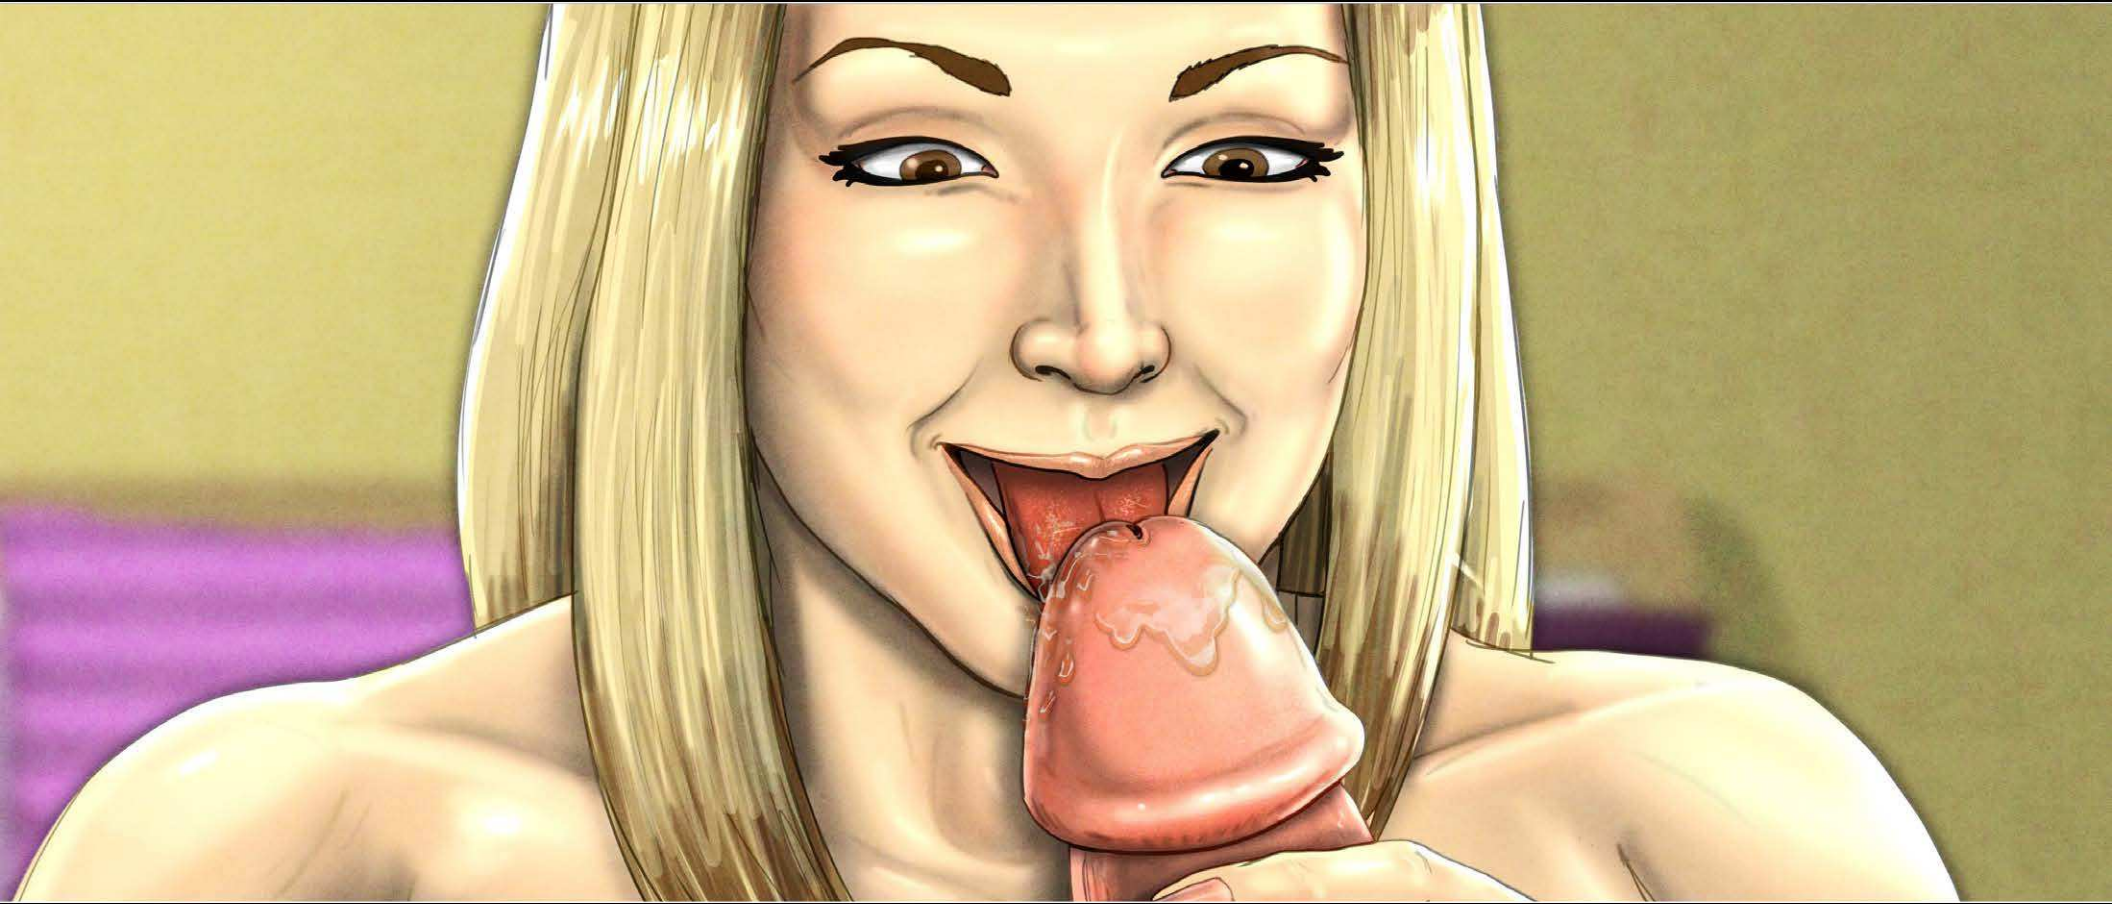

Did... did that happen  
because of what **I** just **thought**?  
Did **\*I\*** cause this? **How?**

Geez! If this is what she  
thinks is perfect, she really  
likes a **huge cock!**

\* Slurrrp \*

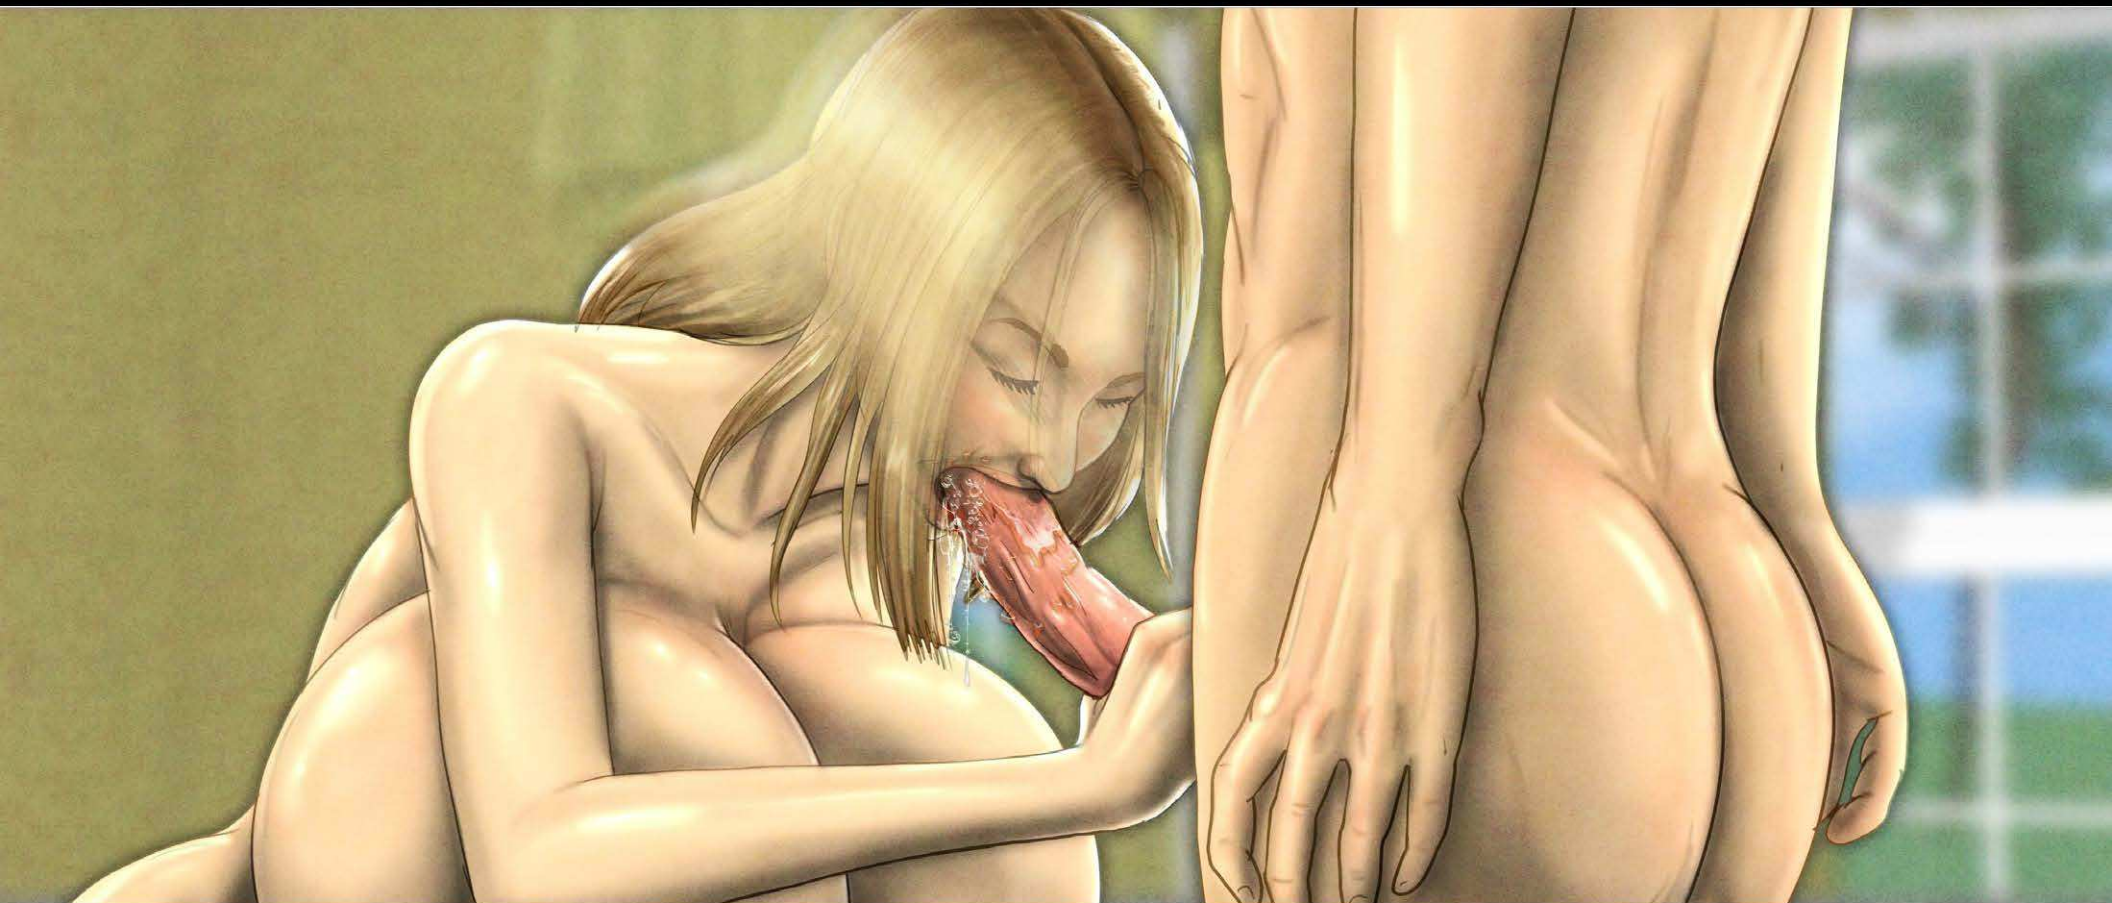

Uuunnnh...!

Ummmmnnnn...  
\*\* gluck! gluck! gluck! \*\*

Uhhnn!  
You're amazing!

She **didn't** notice my dick growing!  
She's acting as if it's **always** been like  
this! Uhhnn! God! She **knows** what  
she's doing! That's **good**!

MmmmMMMMM...

\*\* POP! \*\*

*Siiigh... gasp...* You give my mouth a work out.  
Now that you're **slicked** up and **steel hard**, why  
don't you give me a **good fucking**, get *me* off,  
and then *you* can **finish between my tits**.

Hell yeah!

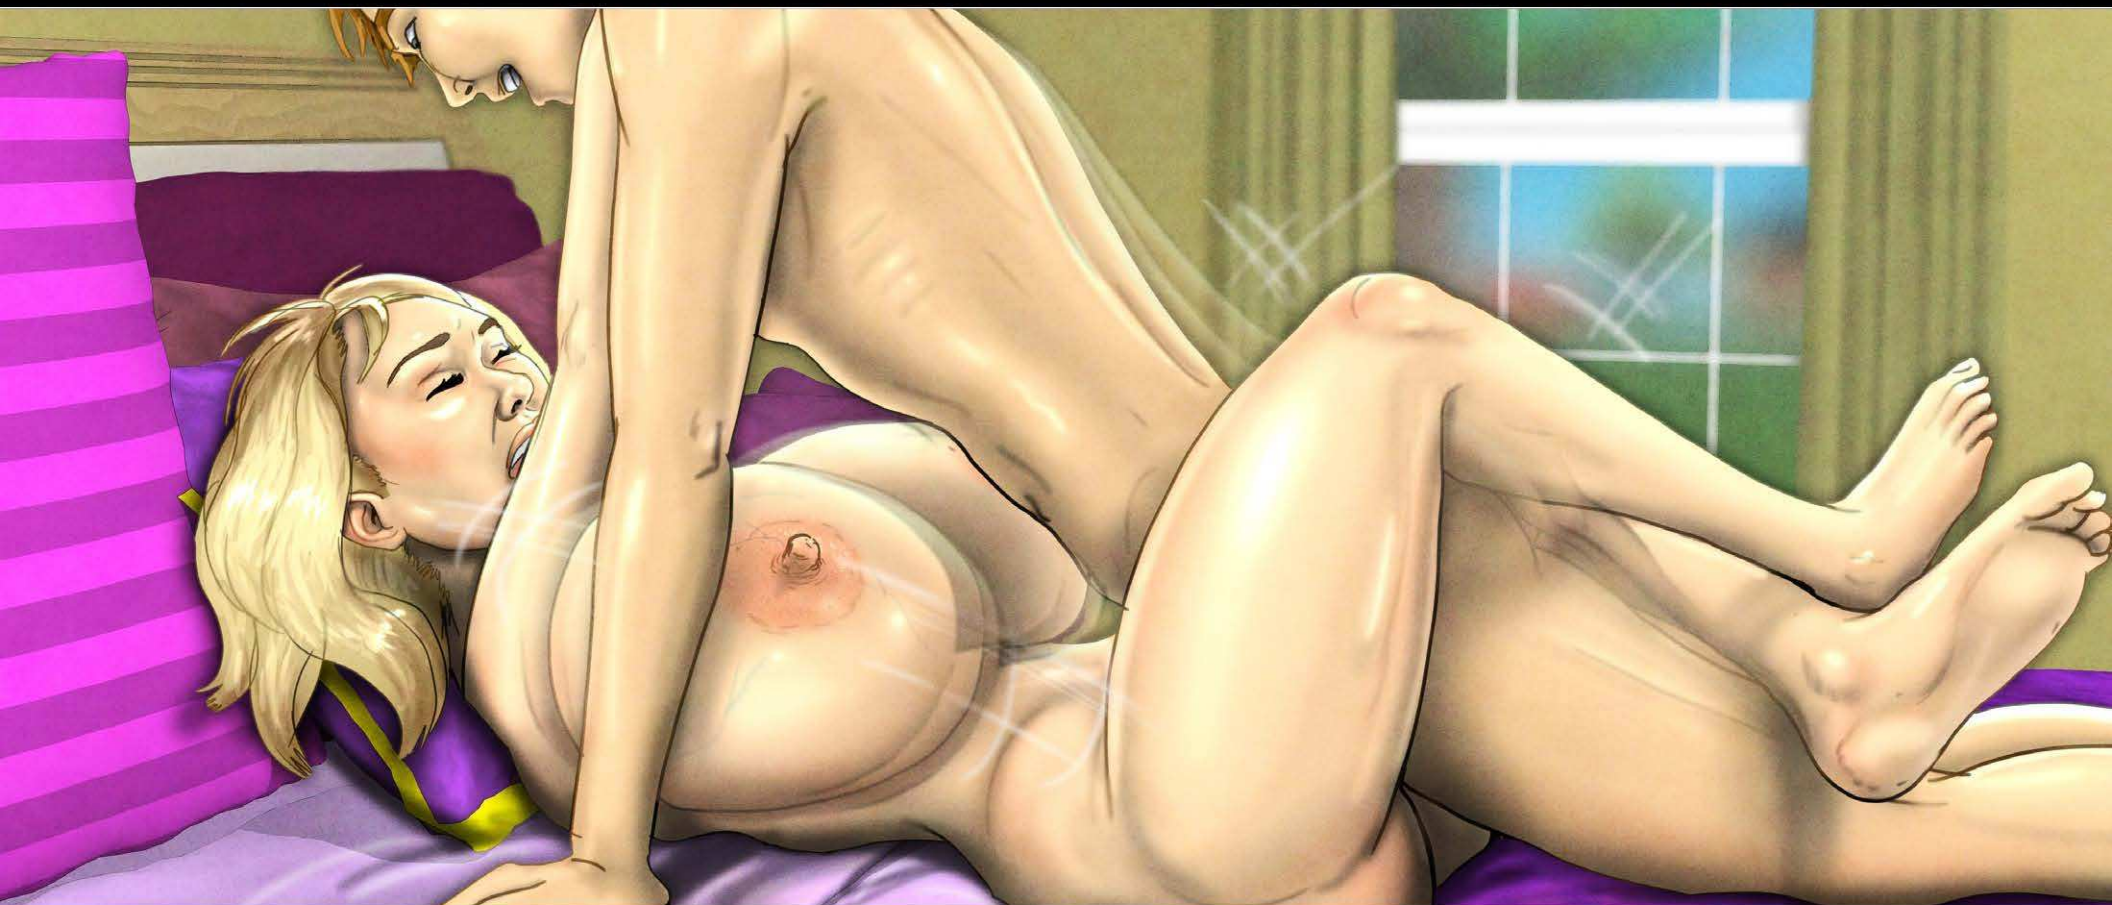

Come on, baby.  
Right **here**...

Ooooooh boy!

Oh yaaaahhhh, **Carl!**  
Oh **fuck!** *Uhhnnn...!*

*Uhhnnn! Uhhnnn! Uhhnnn!*

Yeah, yeah, yeah... that's it!  
That **big cock** of yours...!

Uhnnn! Uhnnn! Uhnnn!

Oh... god... I never would have  
guessed she would act like **this** in bed —  
so vocal and dirty! It's **perfect**!

Uhhnnn... Yessss.  
Suck my **nipples!**

Uhhmn! Uhhmmmn!

Mmmm...  
her nipples are so firm and chewy...  
and **delicious!**

Uhhh! Uhhh!  
Yes! Yes! YESSS !!!

**UUHHHNN!**

Uhhmmn! Uhhmmn!  
Uhhmmn!

Fuuuuck... I **came** so **hard**!  
I just love the feeling of your  
**huge cock** in me...

God! I love  
the feeling, too!

But I don't know how I **haven't** cum yet!  
Maybe... maybe that's what **she** wanted?  
How she likes my dick ... with **stamina**?

Come on, baby.  
Right **here** ...

Good **god**! I can't believe  
she used to be nearly **flat**!

Oh yes! That's it! Slide that  
**thing** between my **tits**!

*Fuck! I've always  
**dreamed** of doing this!*

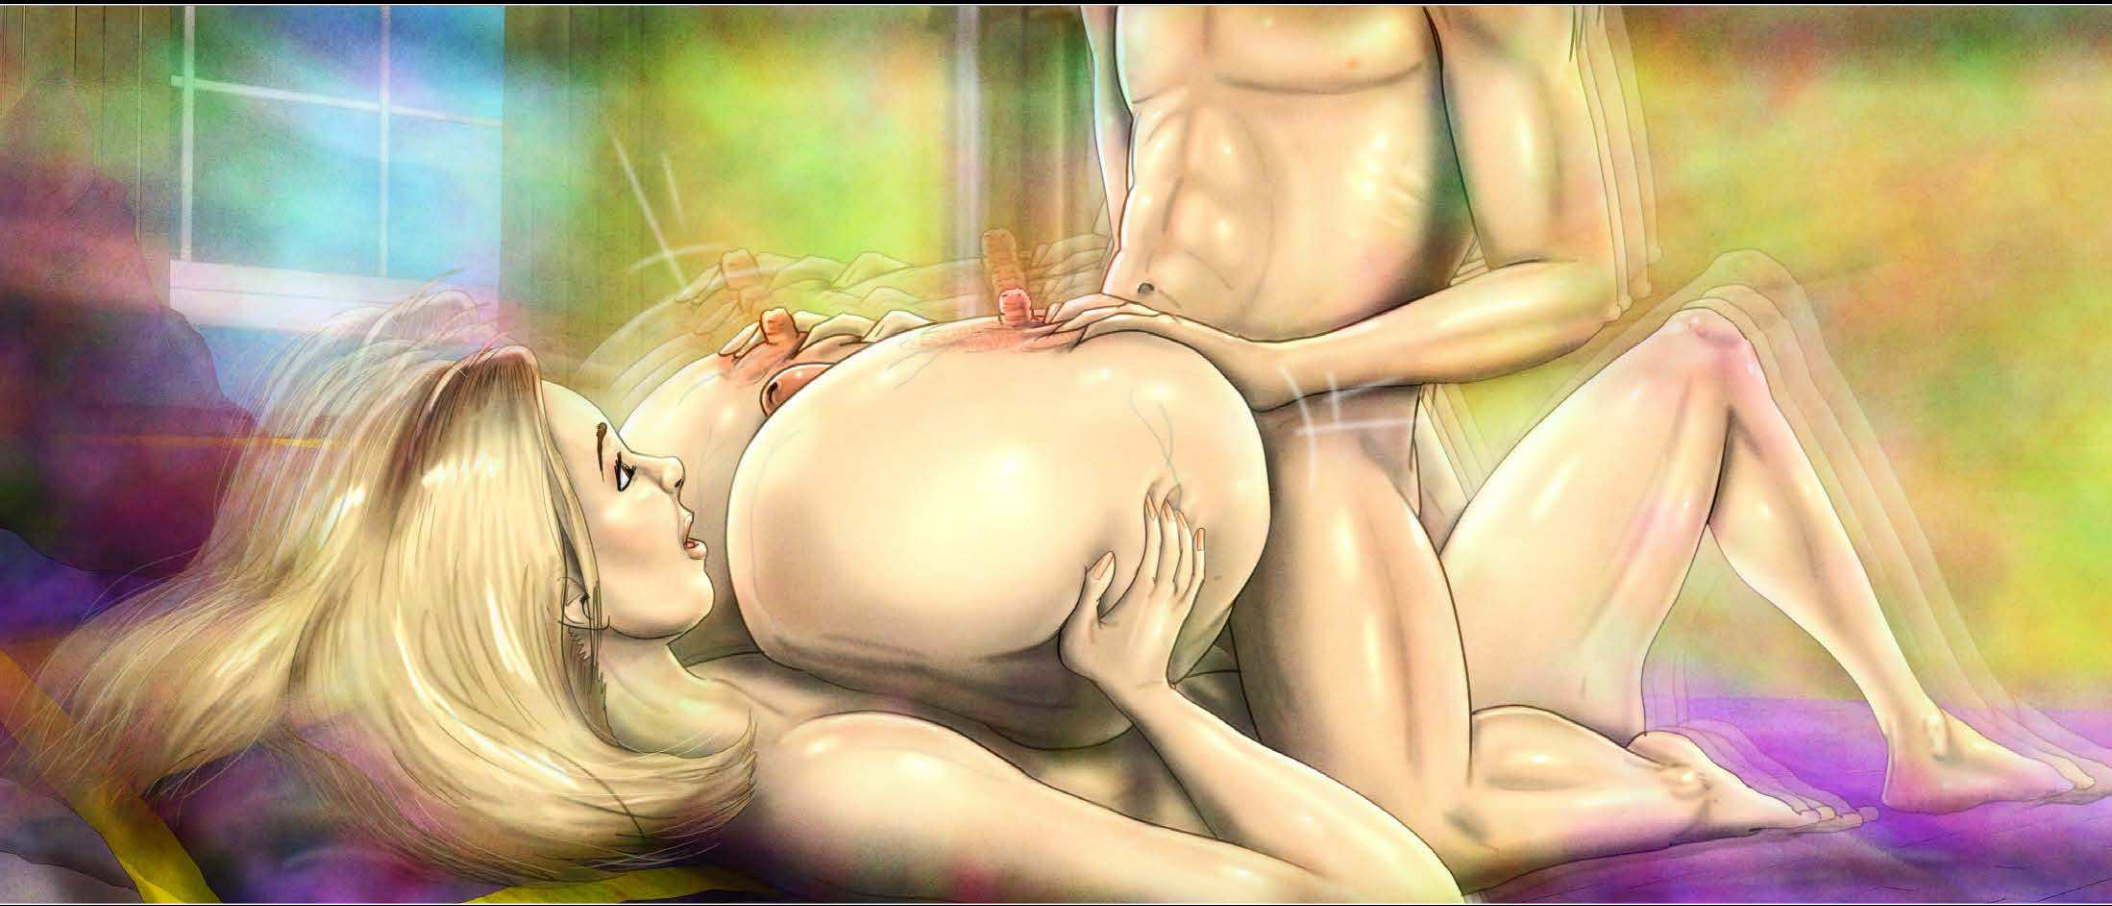

Hee hee... silly boy, you **always** do this!  
You just love my **huge tits**. I'm the **biggest** of  
anyone I know, and yet you still would probably  
want them **bigger**, you **boobman**, you!

*Uhhh! Uhhh!*  
Oh god! **Biggerrr...**

Bigger...

Bigger...

**Holy fuck!**  
Look at those **tits!**  
This is insane!

Uhhnnn!  
I can't hold out much longer!

Are you going to cum? That's it, **Carl!**  
Cum between my **huge** tits!

I want you to cum **all over**  
my gigantic boobs!

... cum all over ...

UUUHHNNNNN !!

**UUUHHNNNN !!**

H— ho — *pant* — holy **fuck!**  
I don't think I've **ever cum** that **hard**  
or that **much** before!

Ohh... you say the sweetest  
things. Let me go **clean up**.  
You stay here.

How is this all happening?  
I *can't* be dreaming; this is **too** real.  
Fuck, it **IS** real!

I've always **daydreamed** of **Heidi** being my  
**girlfriend**, imagining her with **huge tits**, of  
**having sex** with her... but...

But **how** has this come to be? This wasn't like this  
yesterday! And why doesn't she "notice" things  
**changing**? To everyone else, it's like... what ever  
changes has **always** been.

It's like if I really **think** something —  
no, that's not right. I have to — **feel**  
**it** — it suddenly comes **true**, and  
as if it was **always** like that.

Huh? Back so soon?  
Hey, want to go for round two... wait... **wha?!**  
**Who** are you?

\* Creeeeek \*

**WHO** the **fuck** are **you?!**  
You're **naked!** What are you doing  
in my **sister's** room?!

Oh, **shit!**  
I...uh... no... wait...  
you see...!

**Heather!** Uh... I... uh... what are you doing home?

I got back from my trip early and...  
Wait! Forget about **that!**

What are **YOU** doing with a **naked man** in your room, little sis?! Mom and Dad are going to be **PISSED!**

Oh no!  
**Don't** tell them!  
*Pleeease!*

You'd better *believe* I'm going  
to tell them! *Geez!* You two have  
been having **sex**, haven't you?!  
I can **smell** it in here! *Gawd!*

Oh no! I don't want to get  
**Heidi** or me in trouble! We won't be  
able to do this any more.

Heather, no!  
Please!

Get your clothes on  
and get **out of here**,  
you jerk!

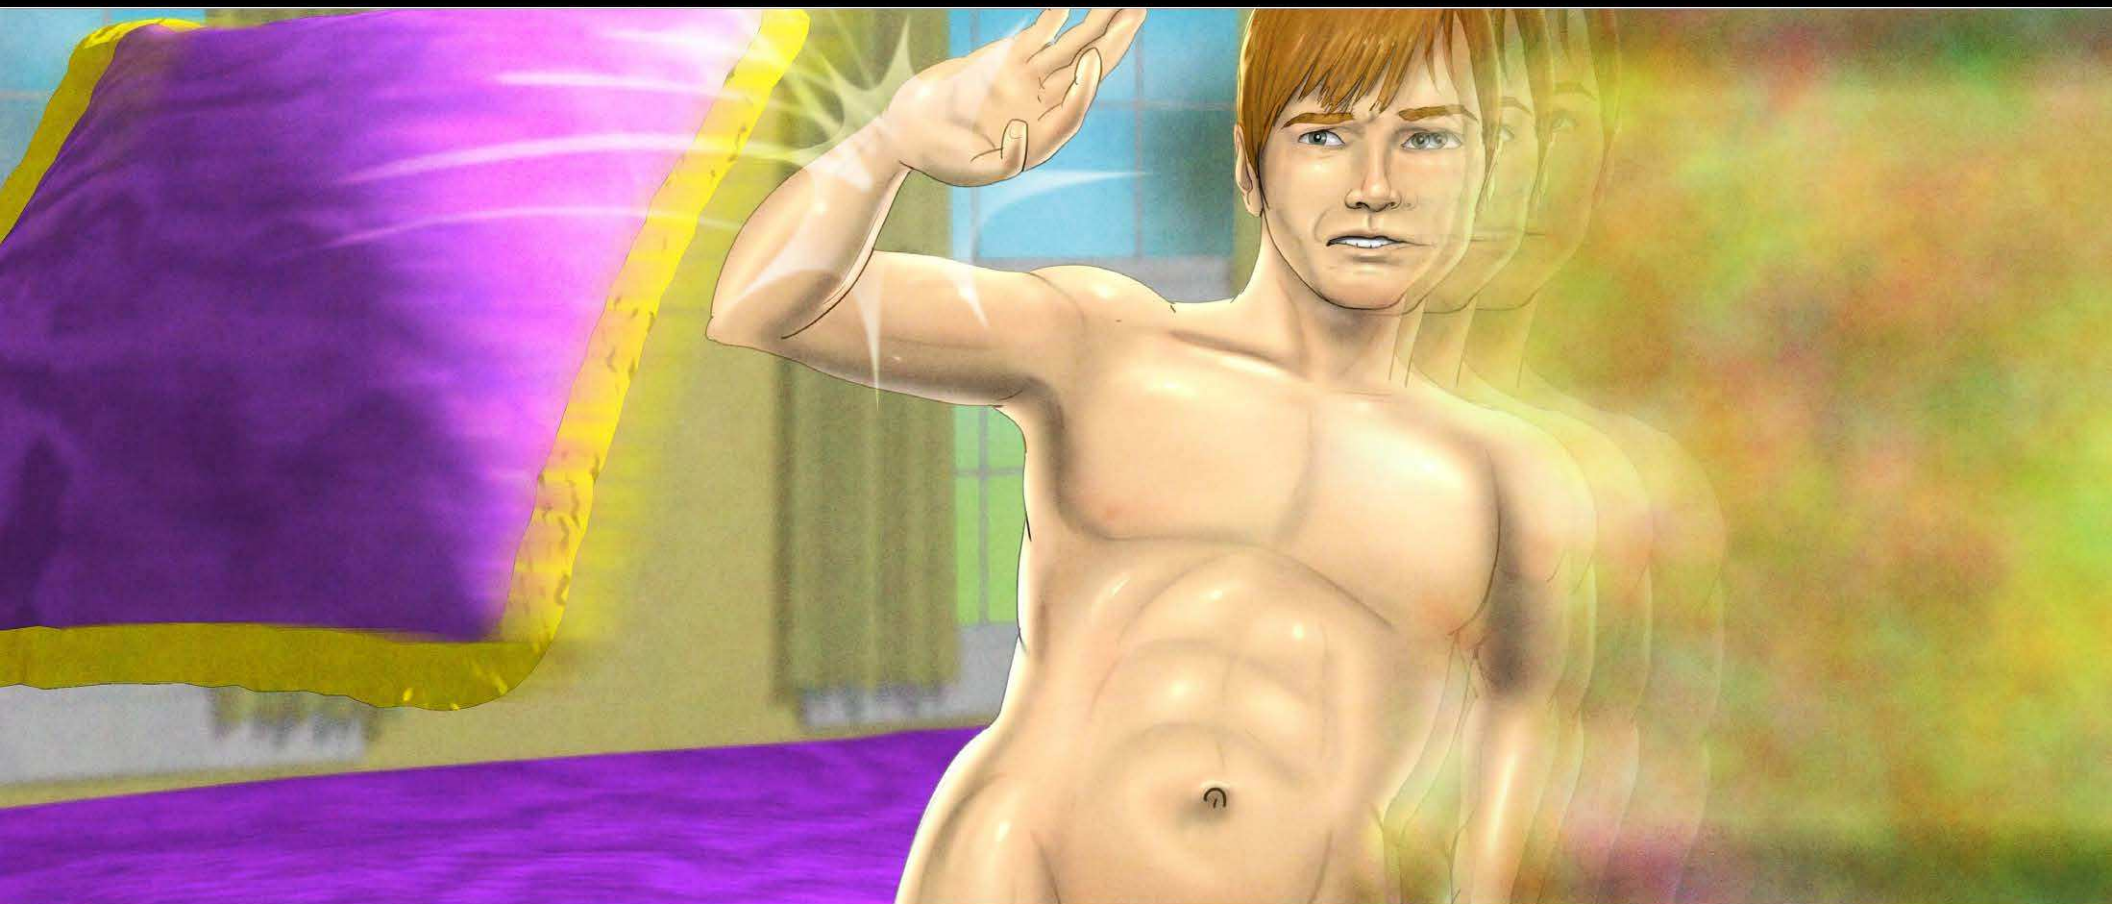

Shit! Shit! Shit!!

Wait! Could I...?  
Would it **work**...?  
I can... **try**...

**Get out!**

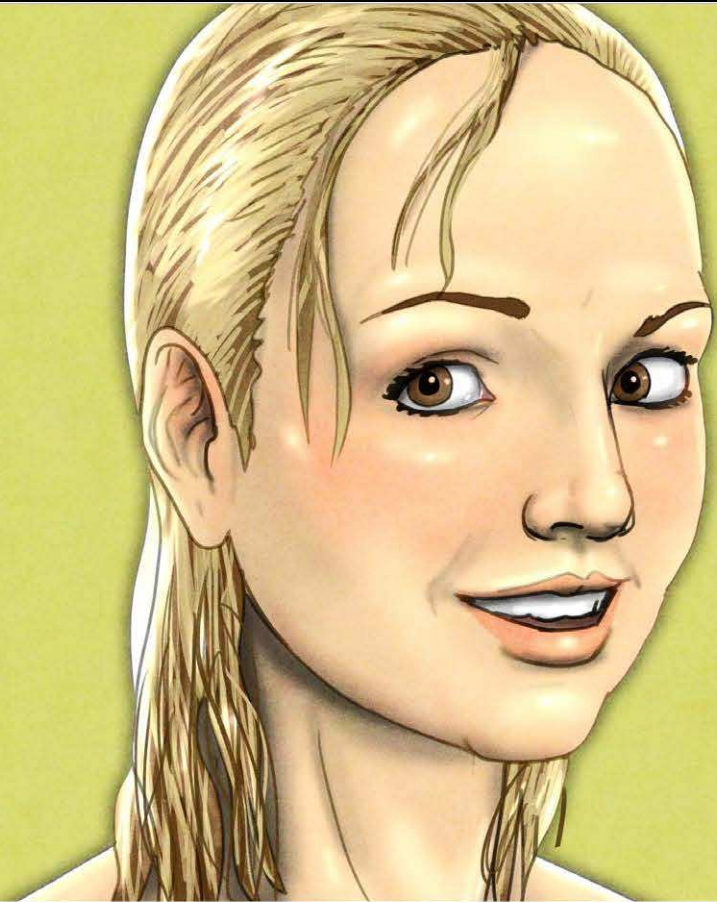

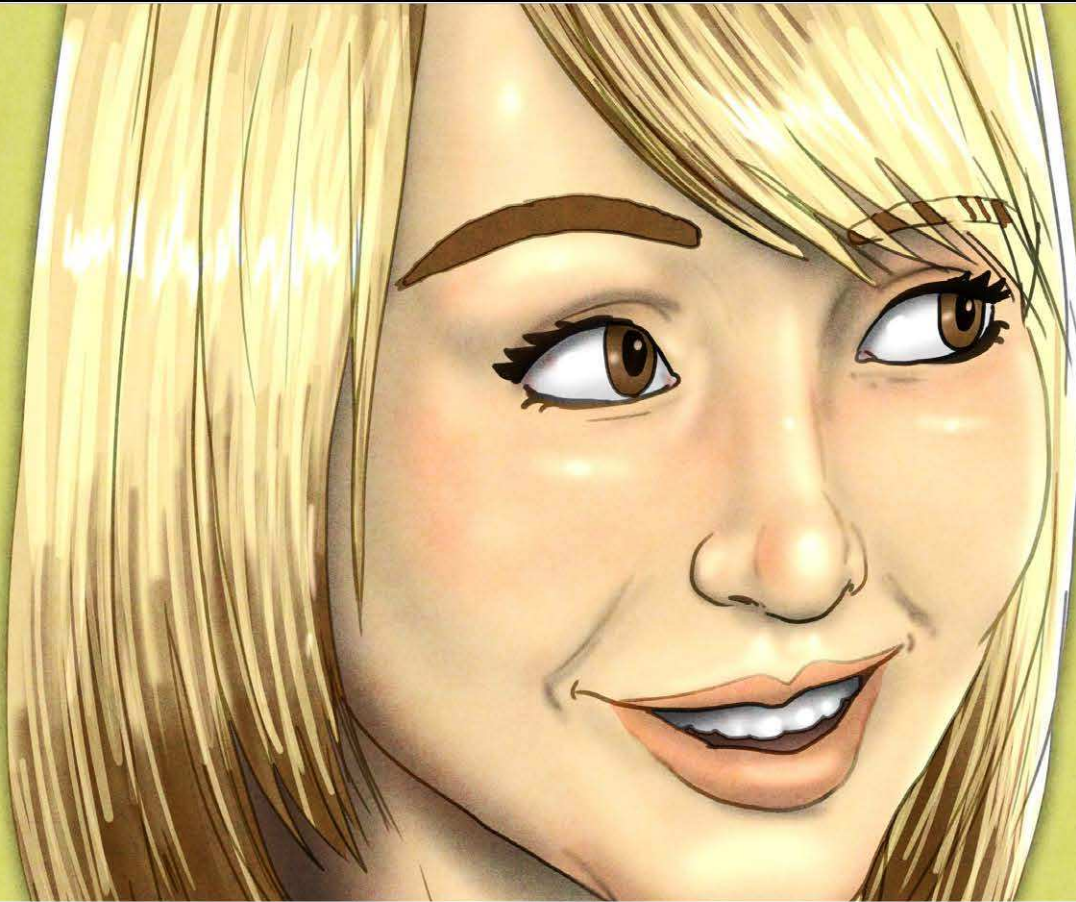

Umm.... Um...  
\*Heather... is... is...\*  
Dammit, **Carl**, try **harder!!**

*Heather thinks that Heidi and I  
having sex is normal, and she is okay with it and  
supports it. She won't tell her parents.*

Well, you two better **finish up** and get dressed before Mom and Dad come home. They'll be **pissed**.

I know, but we have time. I wanted to take **Carl** for **another round** before we do.

Heh... you always were the **horny**, little sister. Have fun!

Holy shit! It **worked!**  
That gives me an idea!

Wait a second, **Heather!**

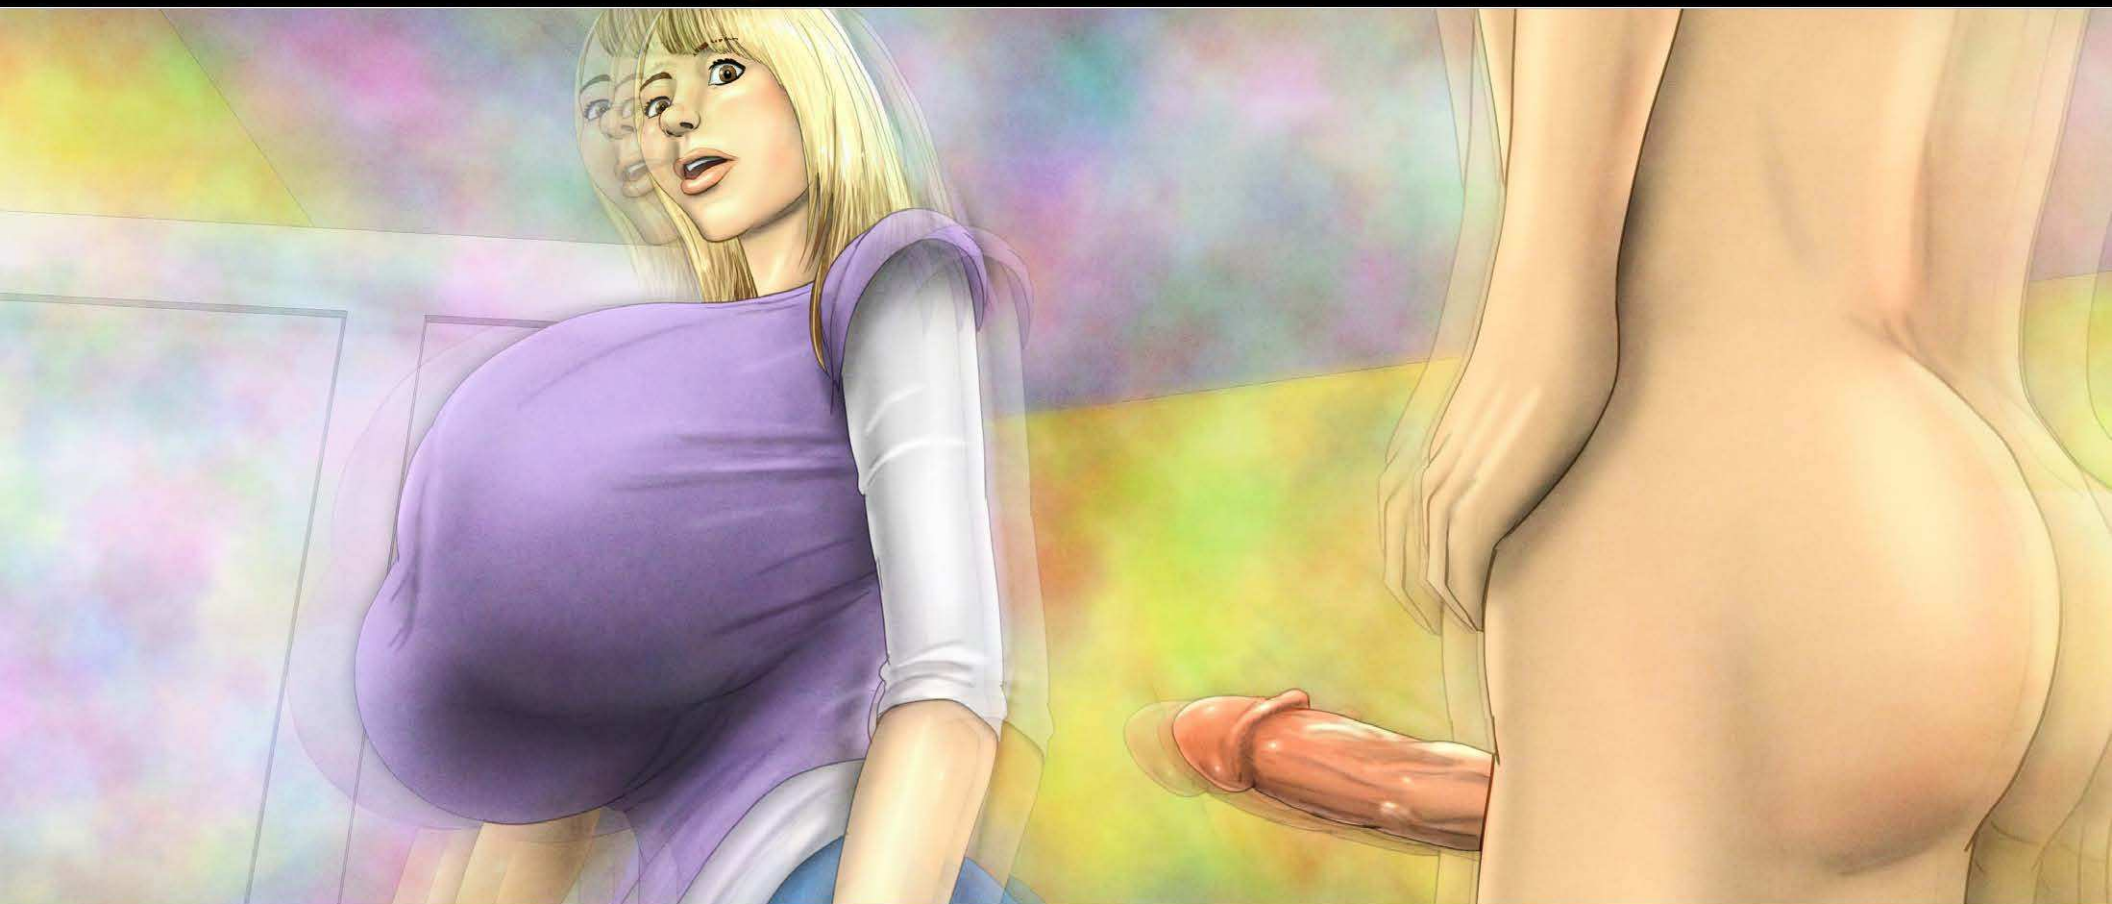

Yes, **Carl?**

God, I'm getting **hard** again just thinking about this.

Fuck... here goes nothing...

*Heather and Heidi are really close. In fact, they sometimes share boyfriends. Heather wants to **join us**. She and Heidi think this is all perfectly fine and normal. Heather just wants me to ask.*

So... um... like **Heidi** said. We were about to go for another round. W-want to **join us**?

You've got one **horny** boyfriend  
there, **Heidi**. I **like** him.

I *know* you do. So...  
are you up for a roll in the hay  
with us, sis?

**HOLY FUCK!**  
It worked! **Perfectly!**

It's not as if I could answered any other way. I couldn't pass up a **cock** like *that!* **Wow!**

You see, **Carl, Heather** here is... a bit of a **size queen**. And, well... sisters talk.

I think you fit that description, as well, **Heidi**, judging by the **size** of your **boyfriend** here.

Well, she does seem to like it a lot. I'm **sure** you will, too.

Huh. I just realized **Heather's** shirt transformed, too. Maybe because she's no longer so **uptight**?  
Interesting...

Whoa!  
Very nice!

Thank you. I'm not as big as  
**Heidi**, here, or our **Mom**, but it  
does run in the family.

**Heidi** got both **tits**  
and **ass** from Mom's side  
— in **spades!**

Now then. Are you sure you can handle **both** of us, **Carl**?

There's enough **boob flesh** between us to **suffocate** you.

I'm certainly going to try.
