Episode V

GRAVITATIONAL ATTRACTION

After having an amazing boob-, dick-, ass-, and pussy-growing sex session in the kitchen, CARL has HEIDI and HEATHER carry his enormous cock into the girls' parents' bedroom for more.

The blondes — crotches wet with excitement — struggle with the softened, heavy behemoth as they carry it into the bedroom...

This is both **amusing**
and **hot**, watching them struggle
with my heavy, **gigantic dick**.

Of course I **could** have shrunk
my cock, but this is more **fun**.

Whew! Wow.
That baby is **heavy!**

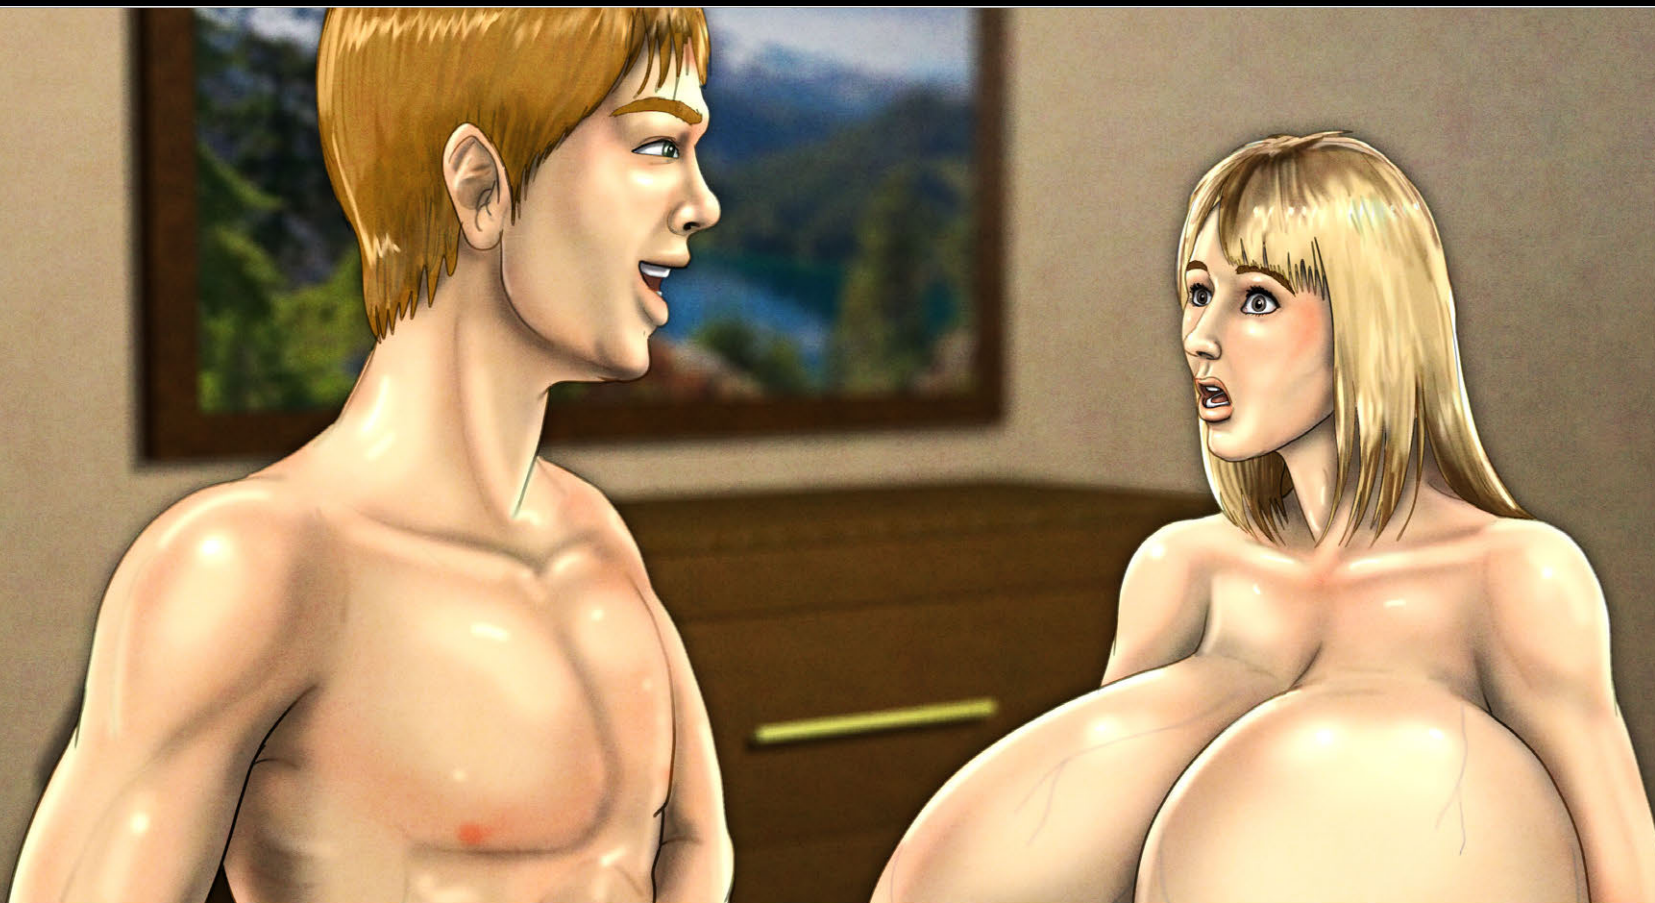

Pant Yeah...
heavy and **huge!**

Thank you, girls. That was
actually a lot of fun for me. Hopefully
it was for you, too.

So... we've had a long day. I think a little **sex** before bed is in order. Afterwards, we can get a good night's sleep. Remember, **Heidi** and I have a **test** tomorrow.

Aawwwww!

That's OK, **Heather**. *You're* the one who's going to be **fucking** my dick.

Holy fuck, **Carl**. That is... so
fucking exciting, but... **HOW**...
when you're **this huge**?

Well, I will have to shrink it to fit.
How big is your secret **dildo**? We'll
use that for reference. Can you get it
from your room?

Um... sure thing,
Carl.

Moments later ...

Here it is.

Ah. That's impressive, **Heather**.
No **wonder** you were able to take my
huge cock earlier, in **Heidi's** room.

Well, while you were gone,
I **shrunk** my **dick** back down
to "normal"...

"Normal."
Ha!

... so now I have a base size
to match against your dildo.

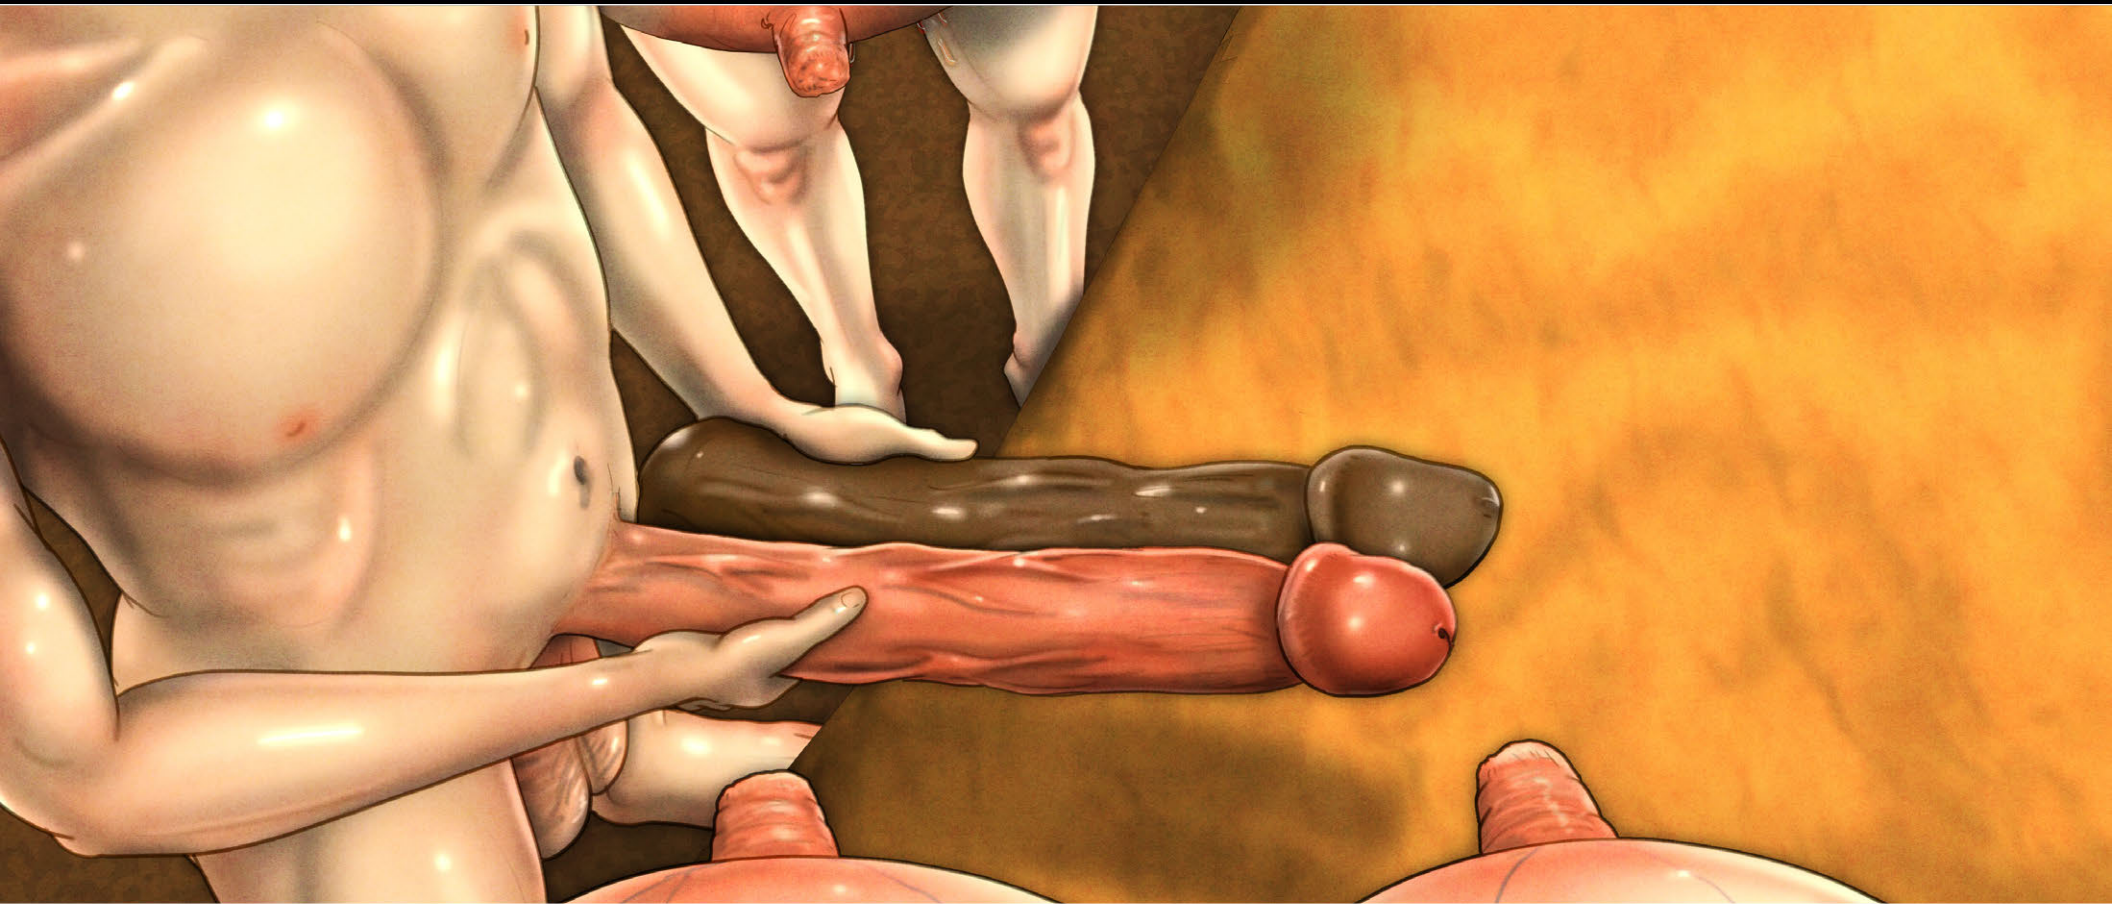

Hmmm... let's see.
Here's your dildo, next to my
"regular-size" of about 11 inches.

God, **Carl**. Your normal size is
still way above average. You're
like a super porn star.

Ahhh... there we go.
About the same size and thickness of
your dildo. Your fun toy is no longer a
thing of fantasy, **Heather**.

Oh wow! Yes! Your **cock** is the **perfect** size.
I can *just* get that in me. But... *fuck*, **Carl**.
I know you were **gigantic** in the kitchen...
but... *th-this*... I... uh...

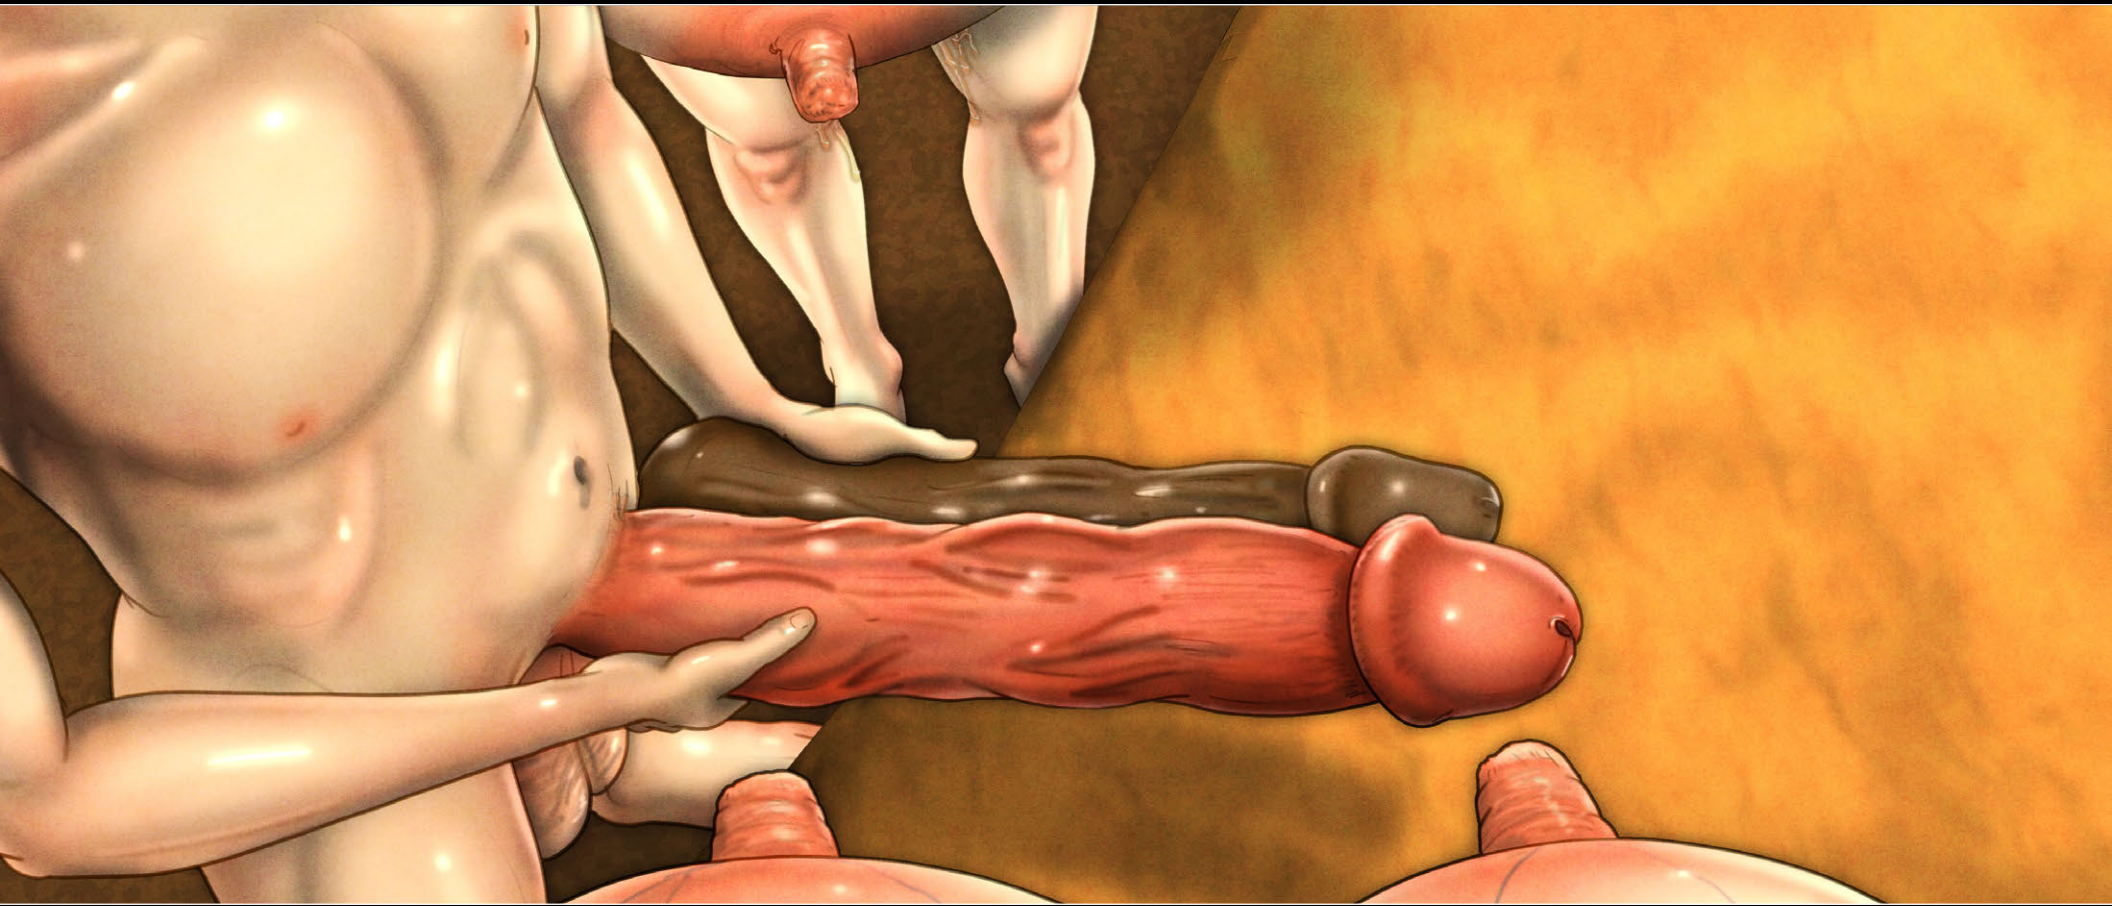

Hmm... I think I know what
you're getting at, **Heather**. I am now
in the huge but "realistic" range...
a **fuck-able** range.

Yes! That's it!
God, I'm getting sooo **wet** in
anticipation! And m-my tits... are
starting to **bloat** in excitement.

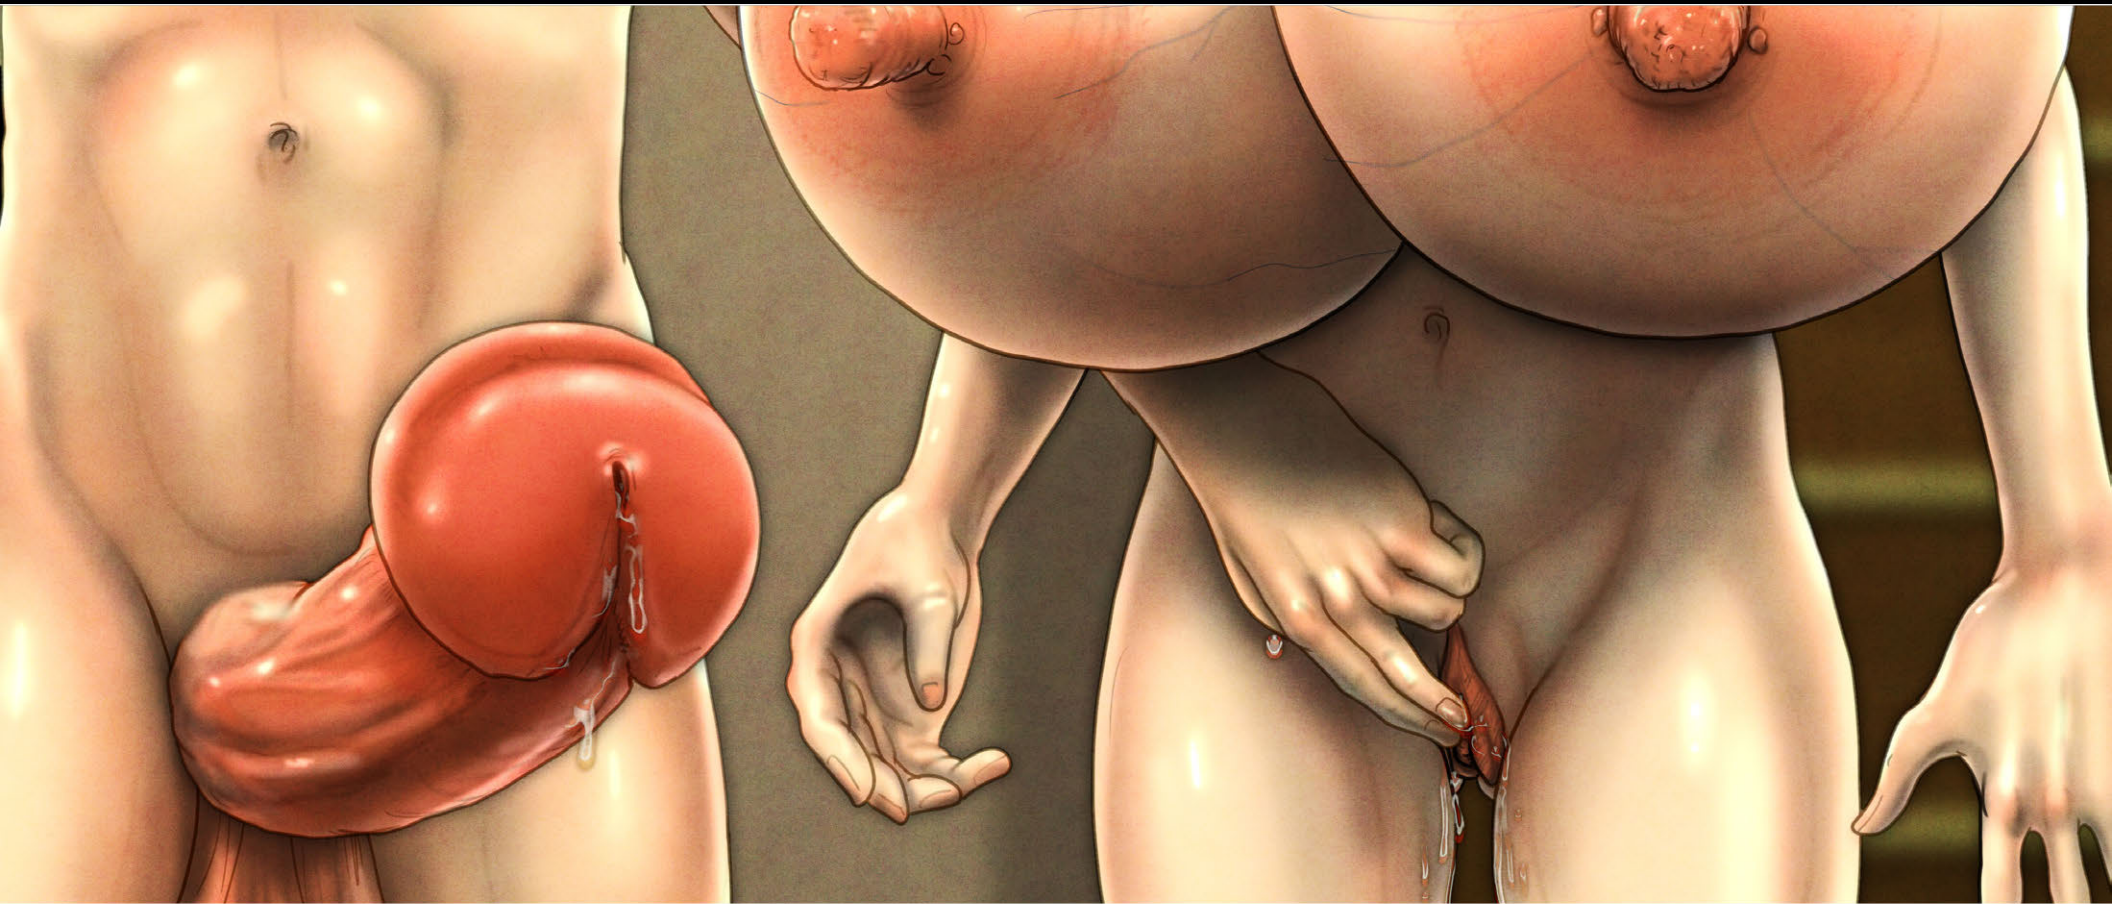

Wait... *Wha?!*
Holy shit, **Carl!** I-I c-can't fit *that!*

Don't worry about that, **Heather**.
I can fix that!

Oh! *Gasp!*

Uhnnn... You're making
my **pussy** bigger! Oooooh...

Yessss. Just enough so that
you can fit **more** cock inside.

Oh god yes! Yes! I **want**
more of your **cock** in me!

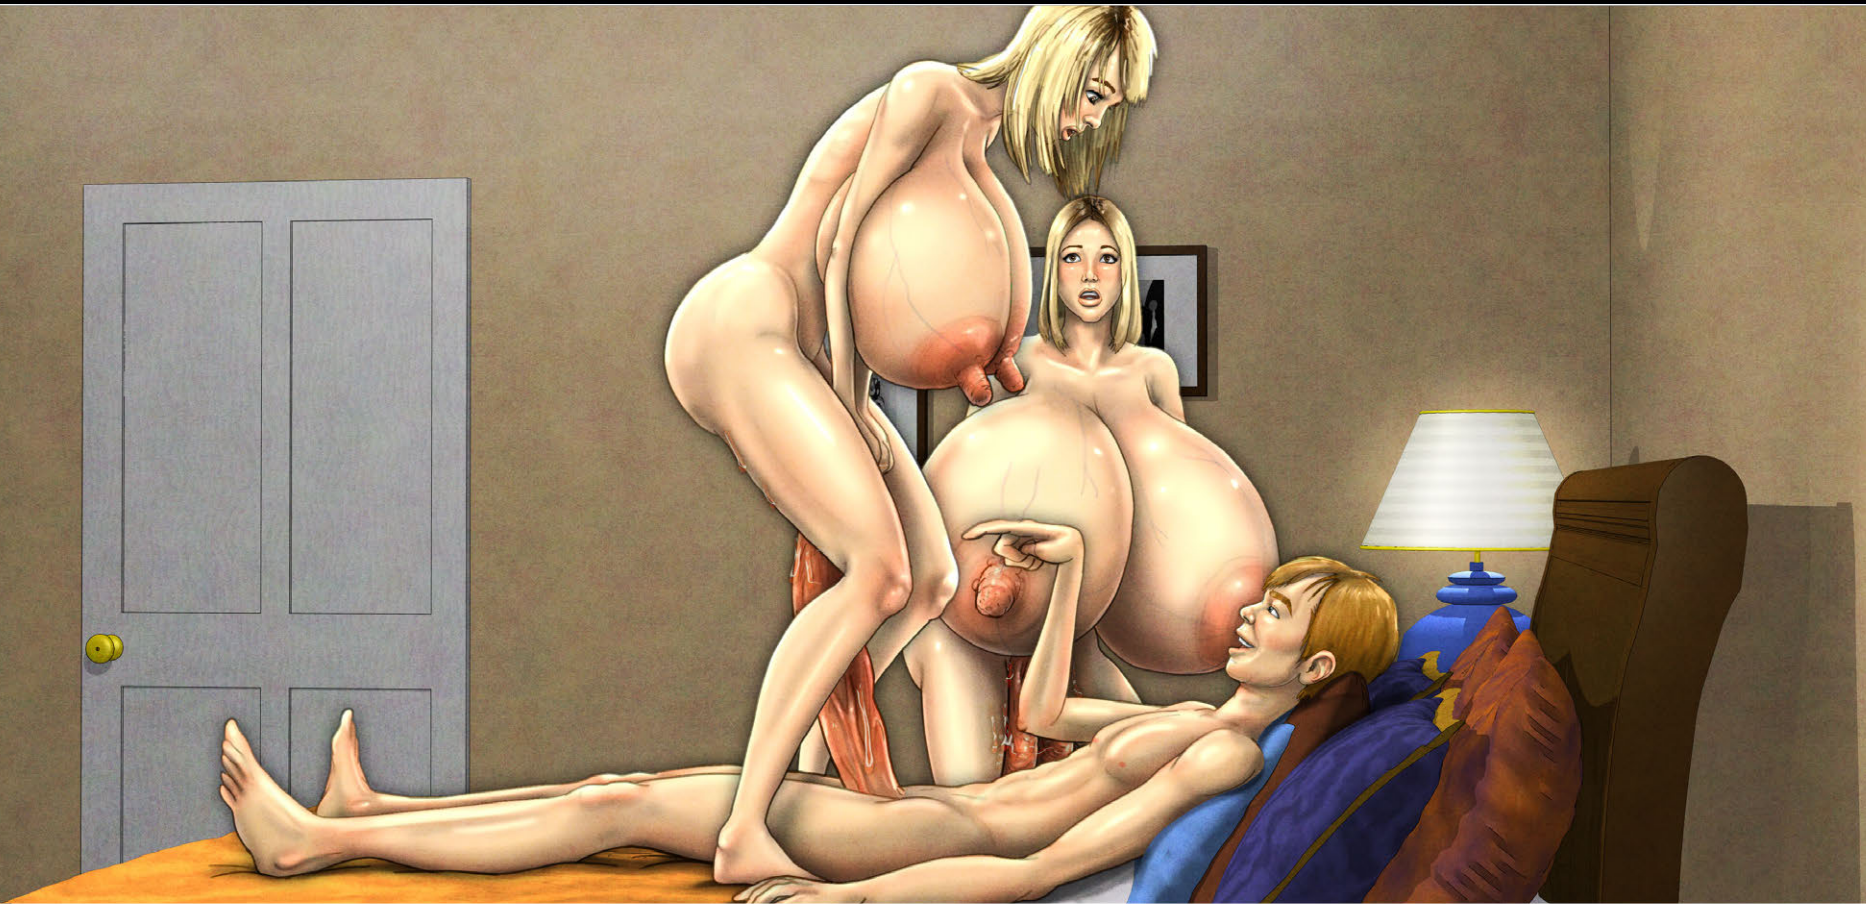

OK. Let's get on the bed. I'm just going to lie here. **Heather**, you climb up and fuck my dick.

And **Heidi**, you're going to sit on my face while I tongue and finger your huge pussy and clit.

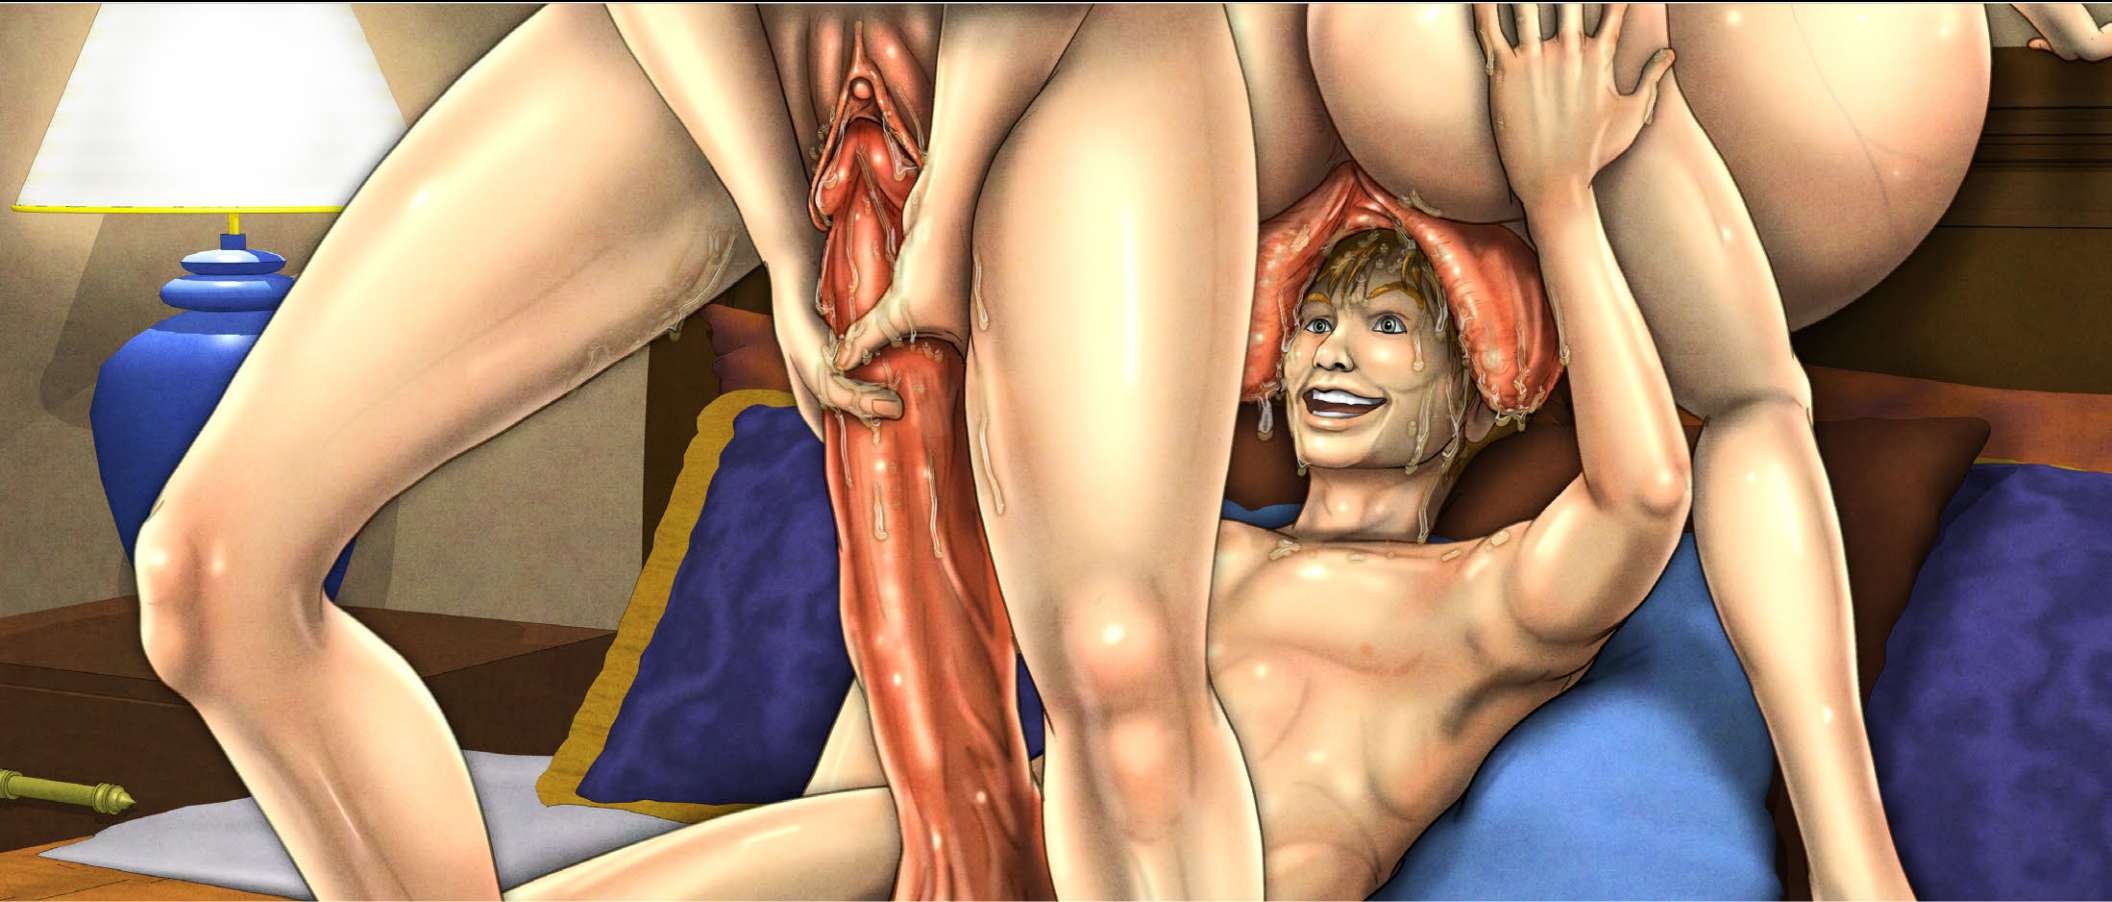

Uh, whoa, **Heather**. I think you need to face the **other way**. I'm sure this experience is going to make your **tits grow really huge**, and you'll have **more room** that way without **smothering** us... as fun as that sounds.

Oh! Uh... OK.

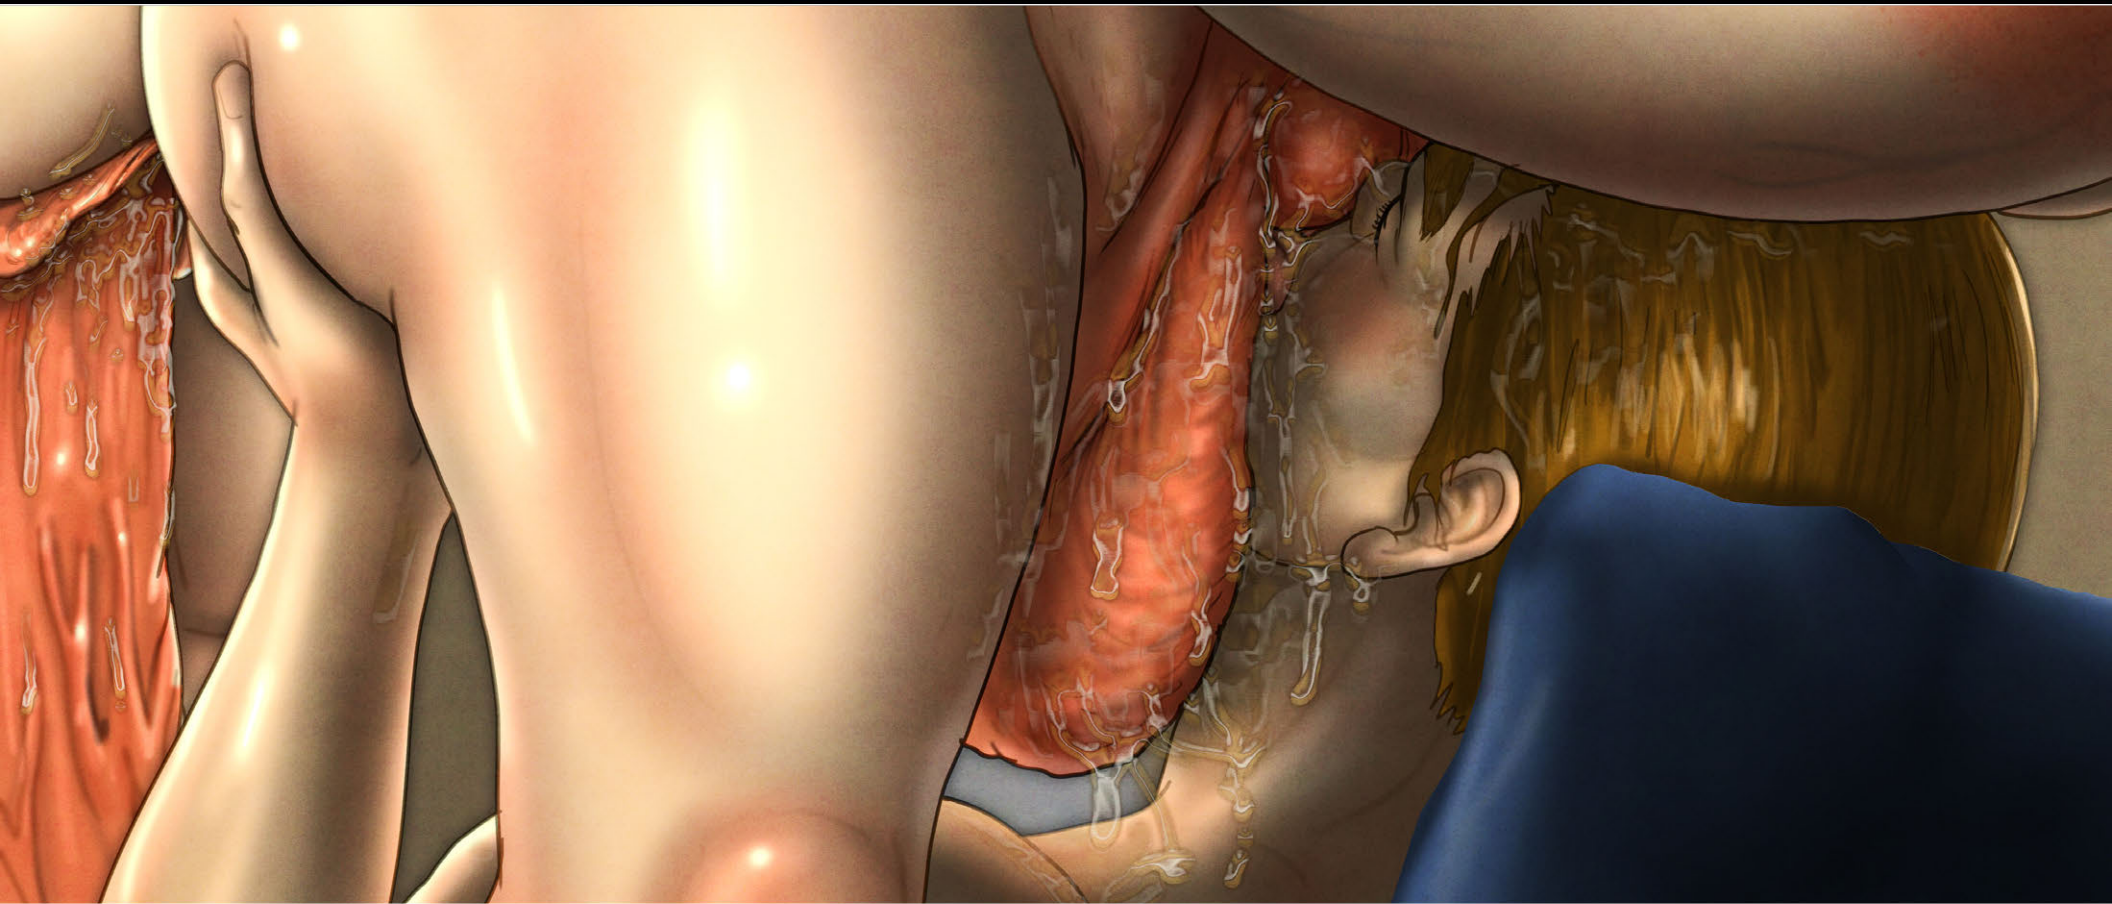

Ohh! Oh *fuck!* Even though
my pussy is bigger, you're **huge**.
The fit is... soooo tiight.

Oh wow! She's **really** pushing
herself down onto my cock!
Geez, this is **amazing!**

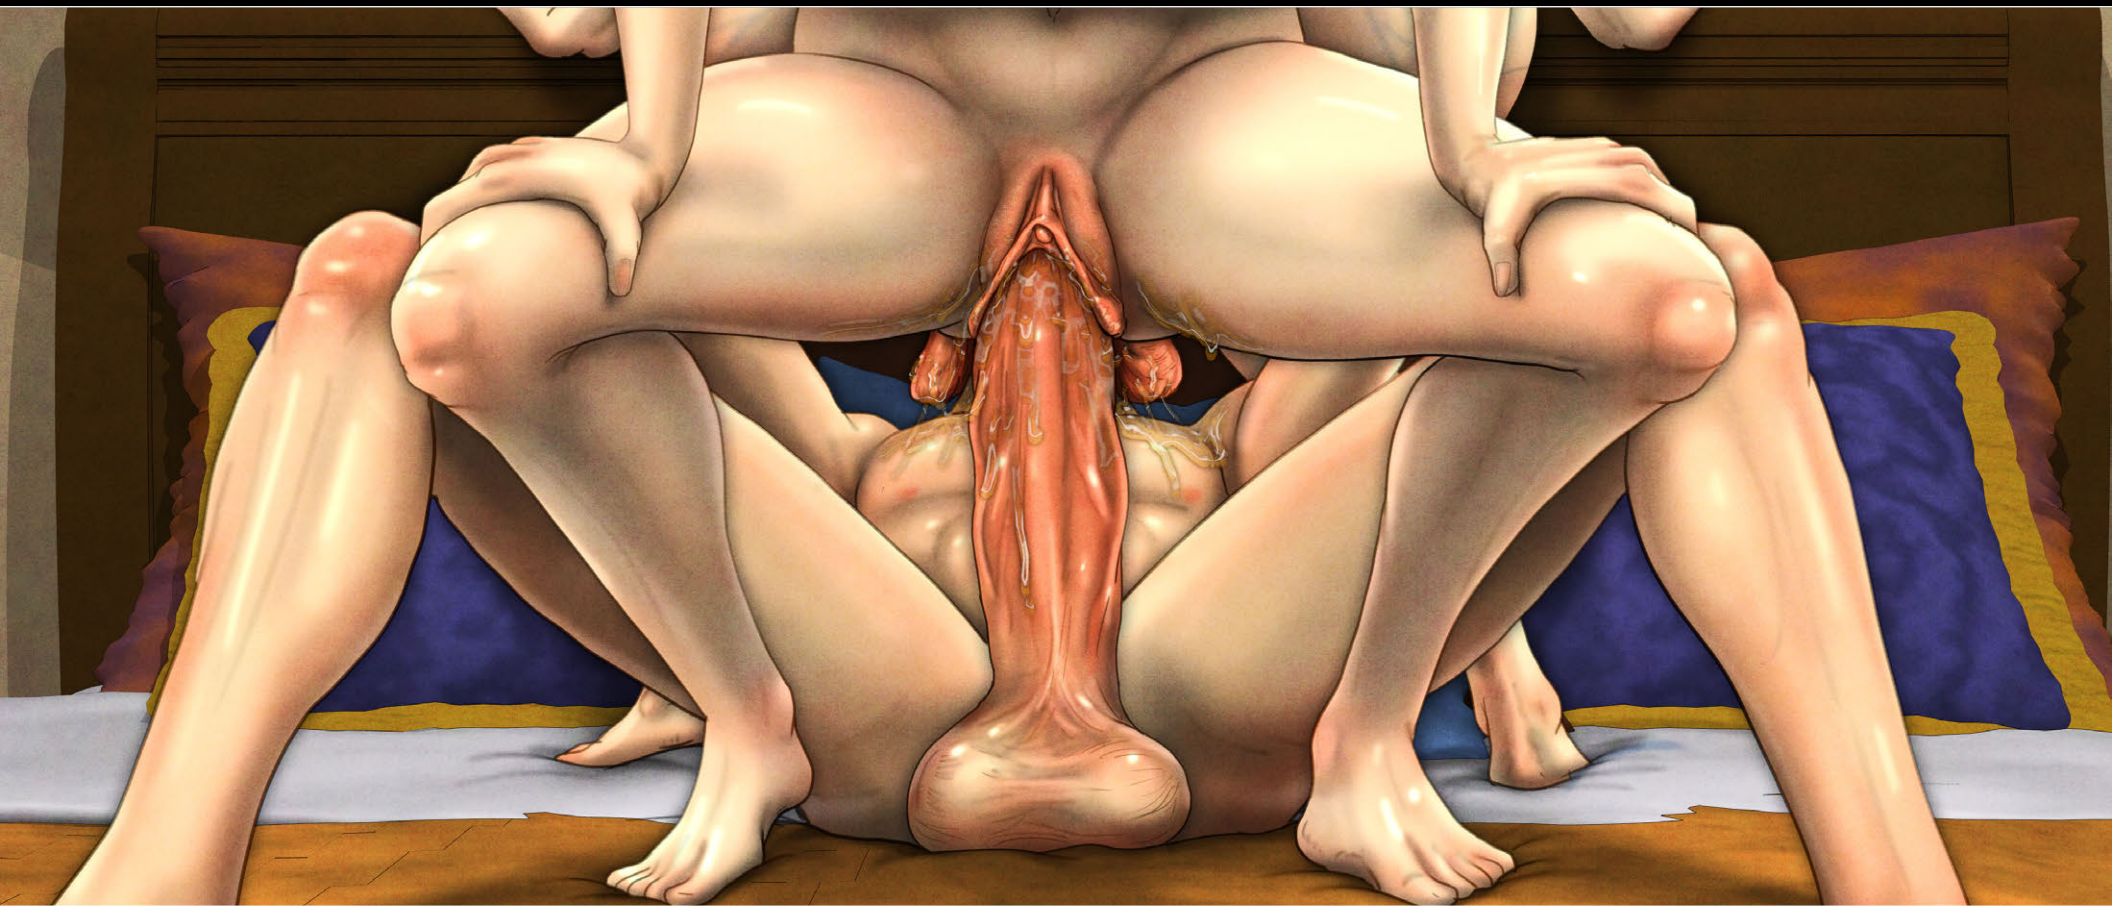

Oh, god! **Carl**, as usual,
your pussy eating-skills are
outstanding!

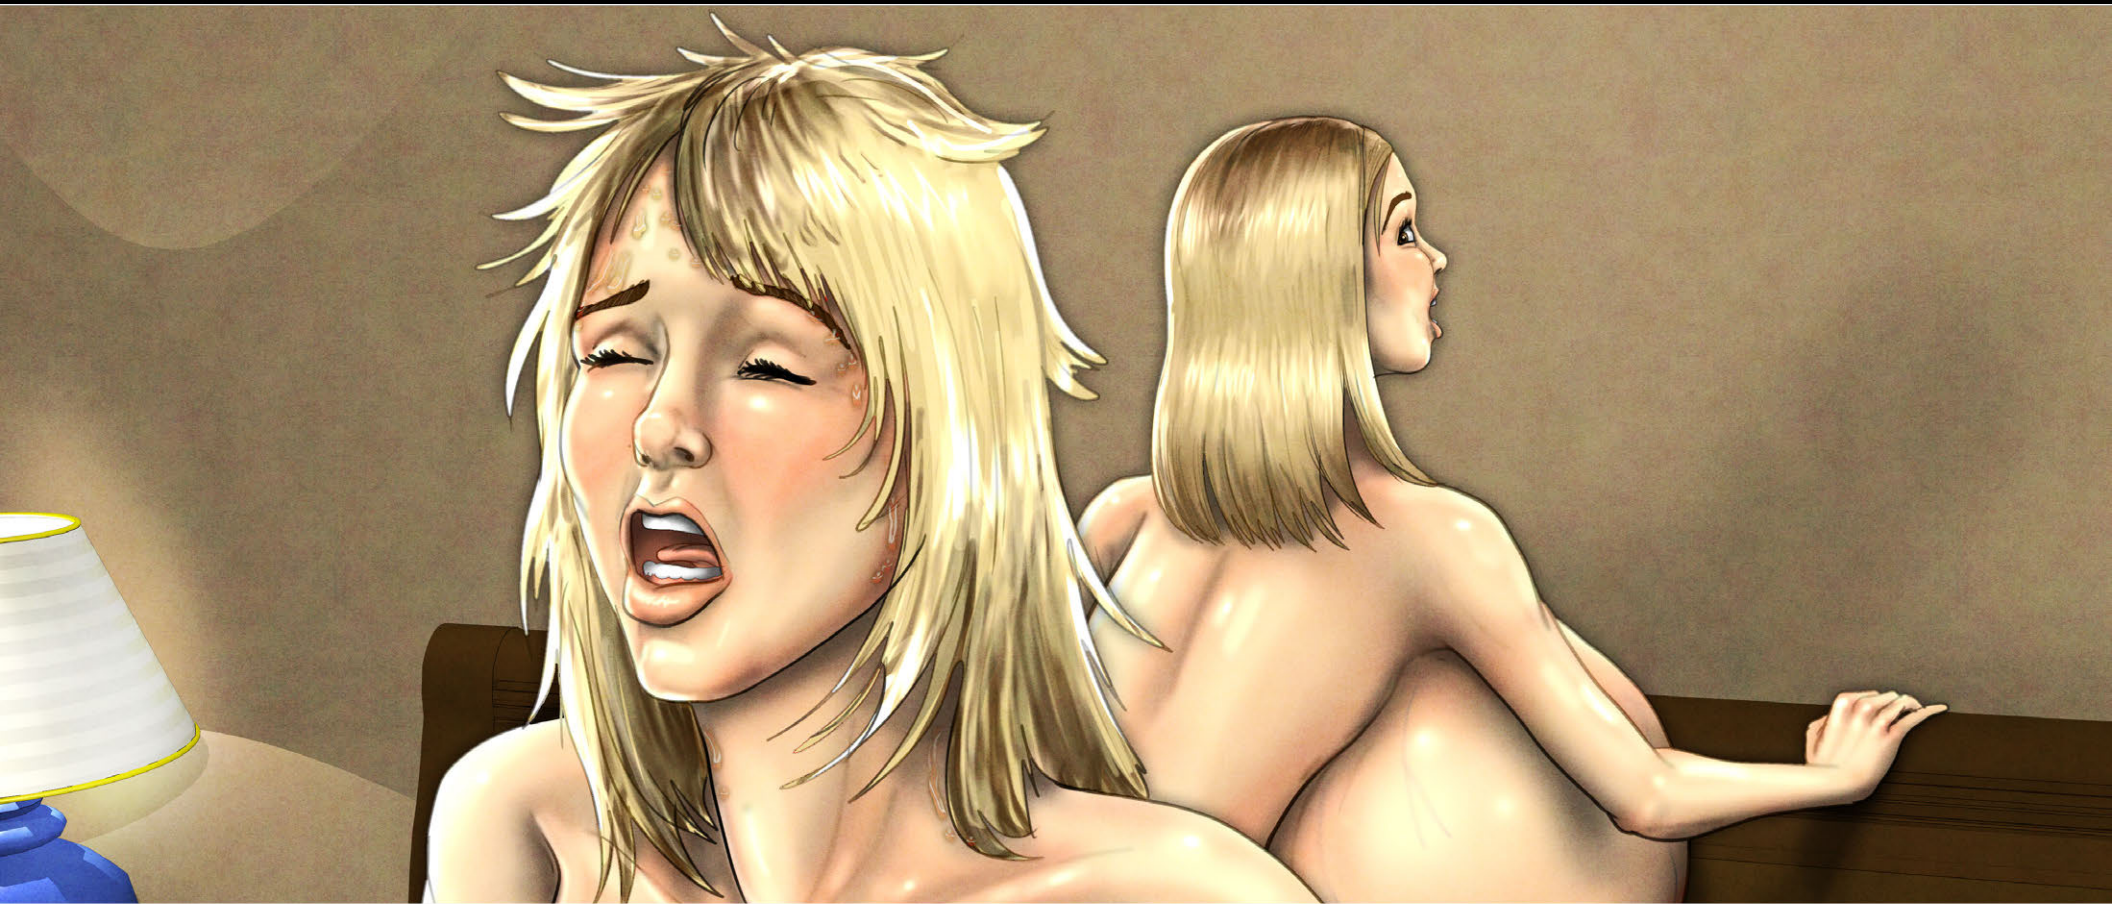

Heh, heh. **Of course**
they are, thanks to my new,
reality-changing powers!

Speaking of which, I need to talk
to **Professor Boson** about that **space**
anomaly tomorrow after class.

*Oh fuck! Oh fucking yeah! Good god, you're **impaling** me on that **giant root** of yours! Shhhhhhhit! Uuhnnn! I feel like a fucking **puppet**, with your dick... uhnnn... inside me like the hand of the puppeteer.*

Oh *fuck*, **Heidi**! I am so lucky that **Carl** is your
boyfriend... *Uuhnnn...* and that we share... *uhnn...*
if you weren't my sister, I swear I'd steal him
away... *oooooh...* from you....

Uuuuhhhhooh! That's why ... oooh!...
I share him, **Heather**.... Uhnn... I couldn't
stand to lose *this*...OOoOoooOOOh!

Carl, you are *such* a **sex-god**, I couldn't deprive...
uhnnnn! ... the world of your... **incredible cock** and
... OoooOooOOO! ... **golden mouth**!

Well, seems like **Heidi** and **Heather**
are continuing the "verbal appreciation"
that I had told them to do earlier.

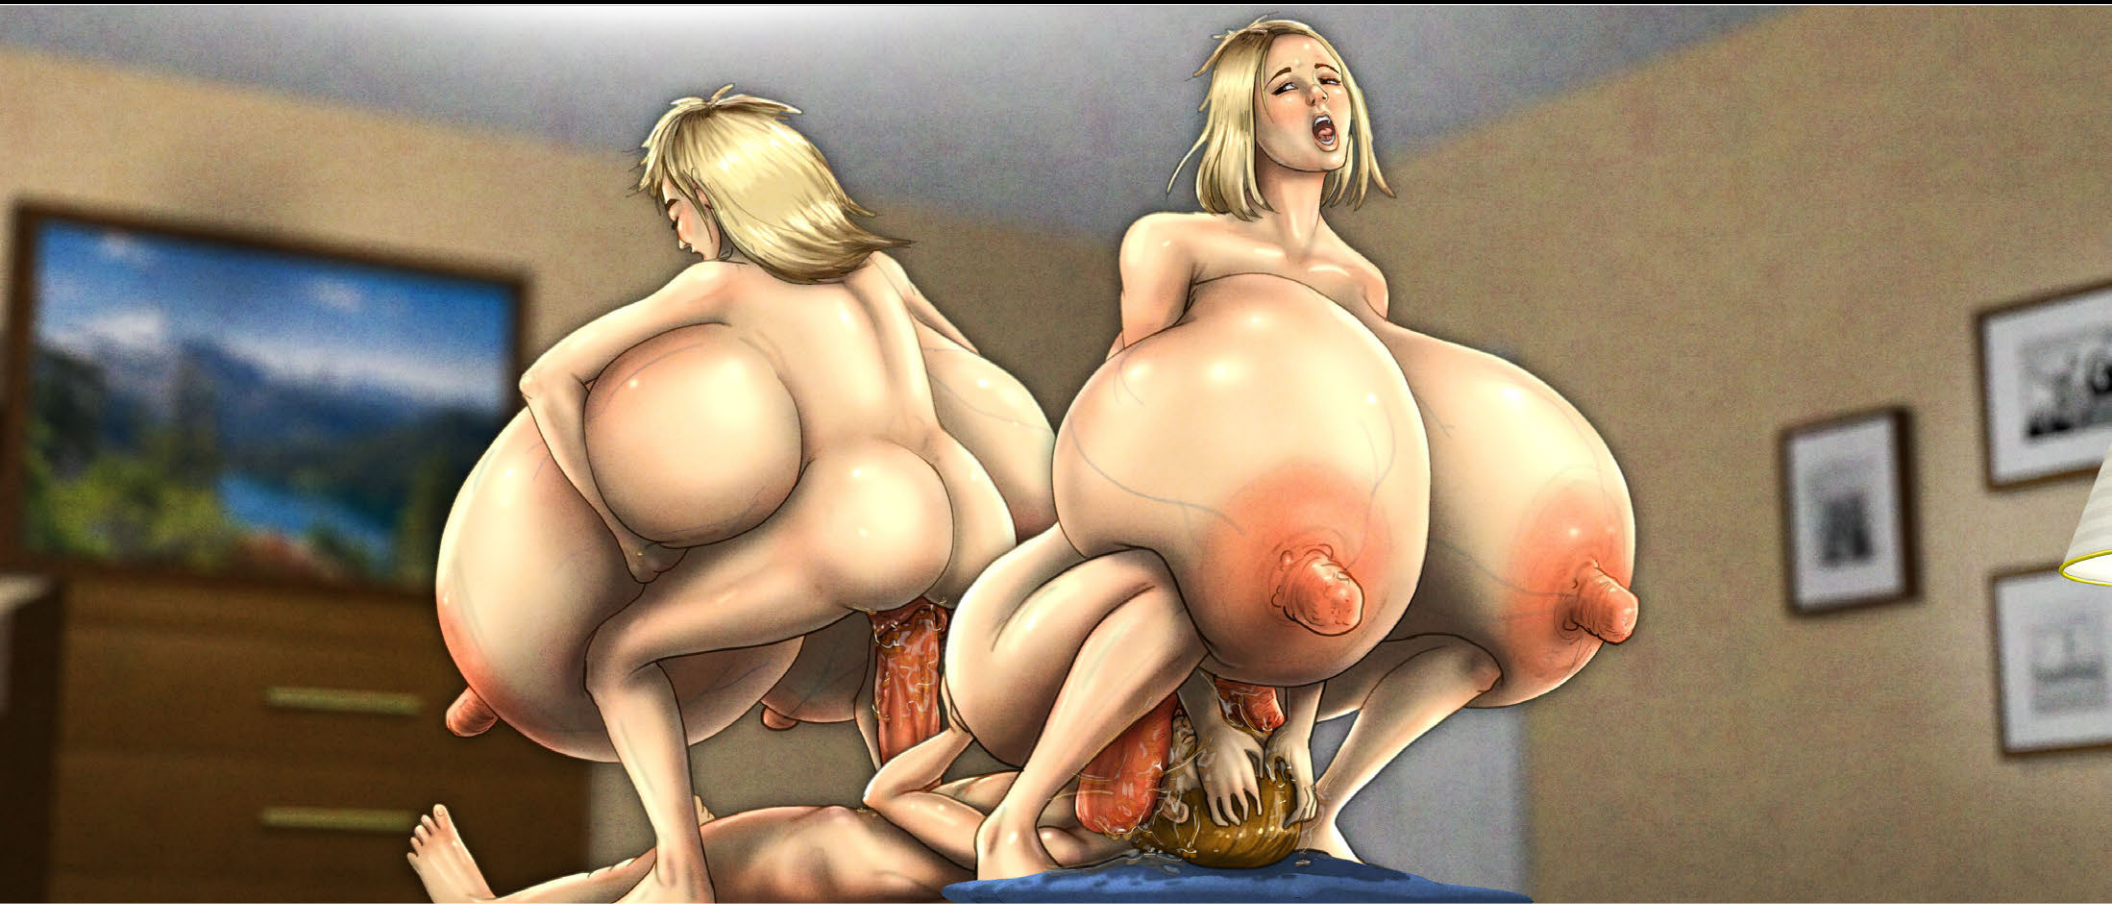

I must admit, their **mental**
strokings are as much a **turn-on**
as their physical strokings!

But, having most of your head
and face nearly swallowed by **giant,**
wet pussy lips isn't bad, either!

*Uhhnn!! I'm getting
sooo fucking big from riding this...
uuhnnnn... **fucking monster!***

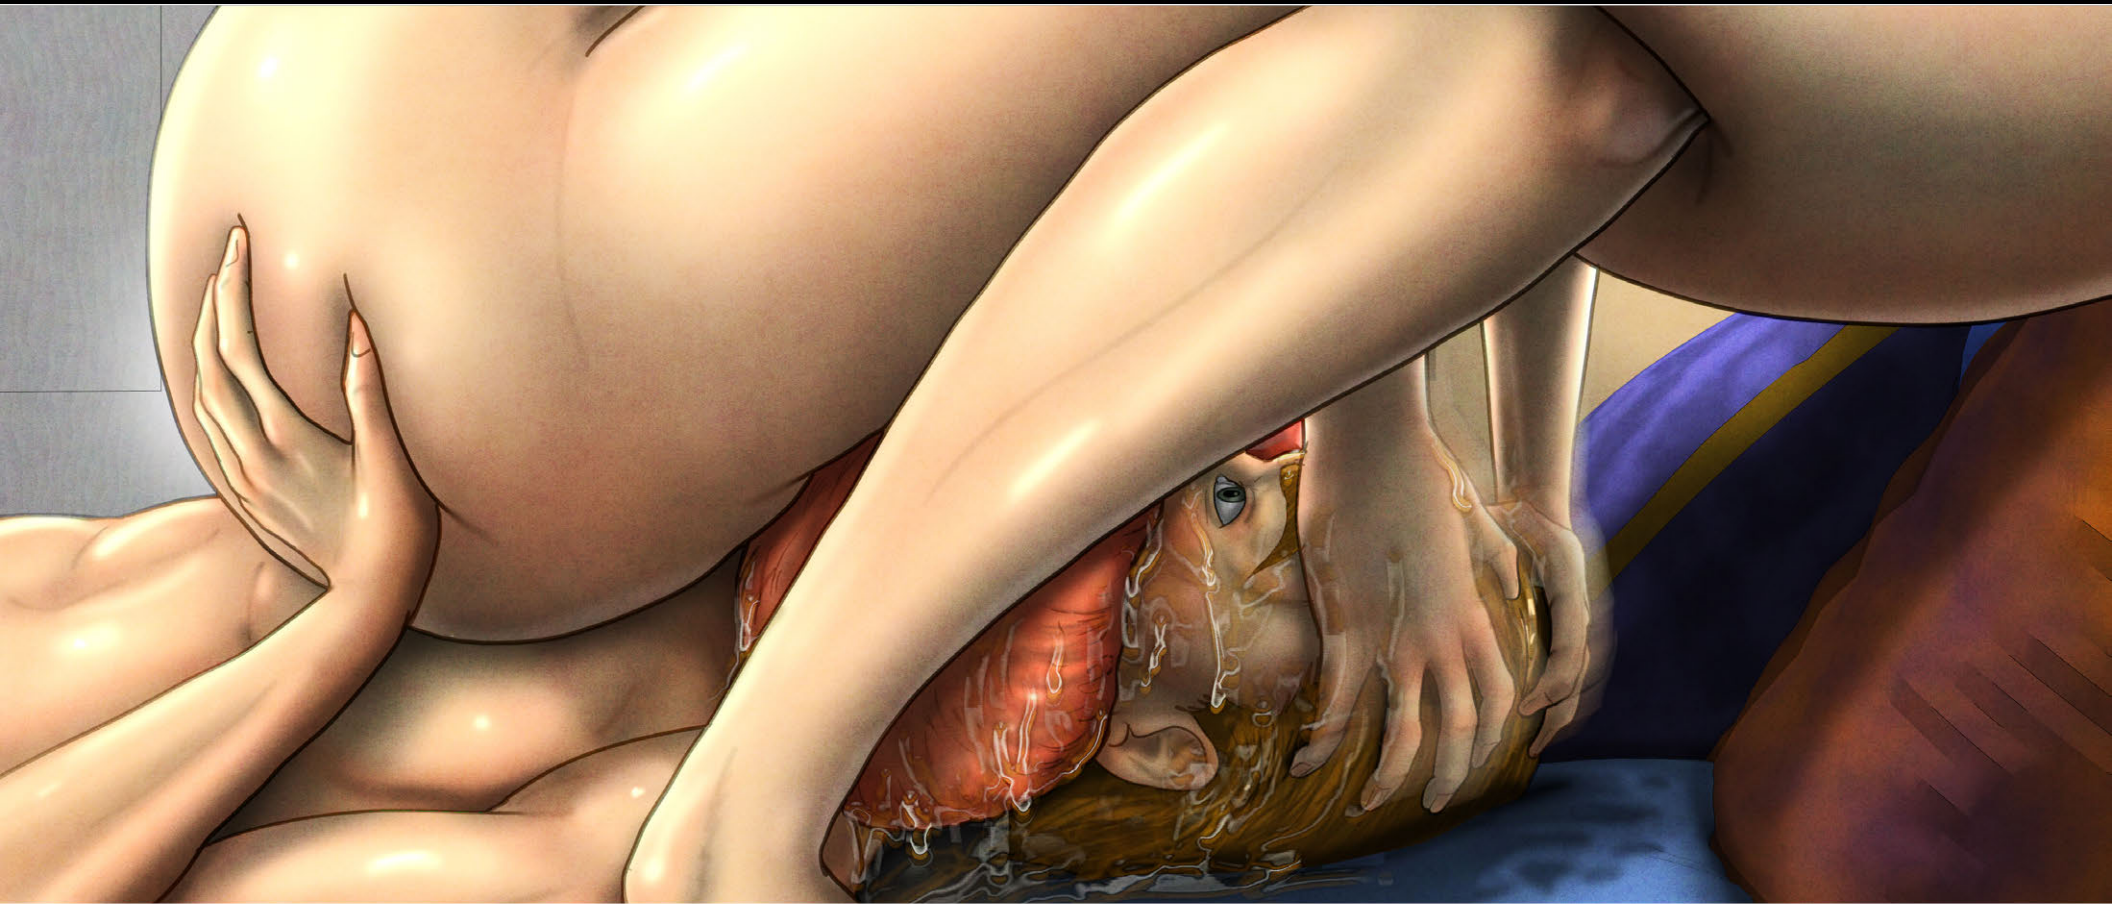

*Uuuuhoooooh! As much as I hate... ooOOOooh! ... to admit it, it's probably... uhhnnnOooh... best that my boobs don't grow... uUhnOOOoh... like yours, **Heather**... uhhnnOOon... We'd fill the room by time we... uhhnnn... came!*

*Uhhnn... I think you're right, **Heidi**! Uunnnnn... My breasts are *already* getting... ooooh... steadily gigantic, and that's just from... Uuuuhnnn... impaling myself on Carl's **monstrous member**... Ooooooh...*

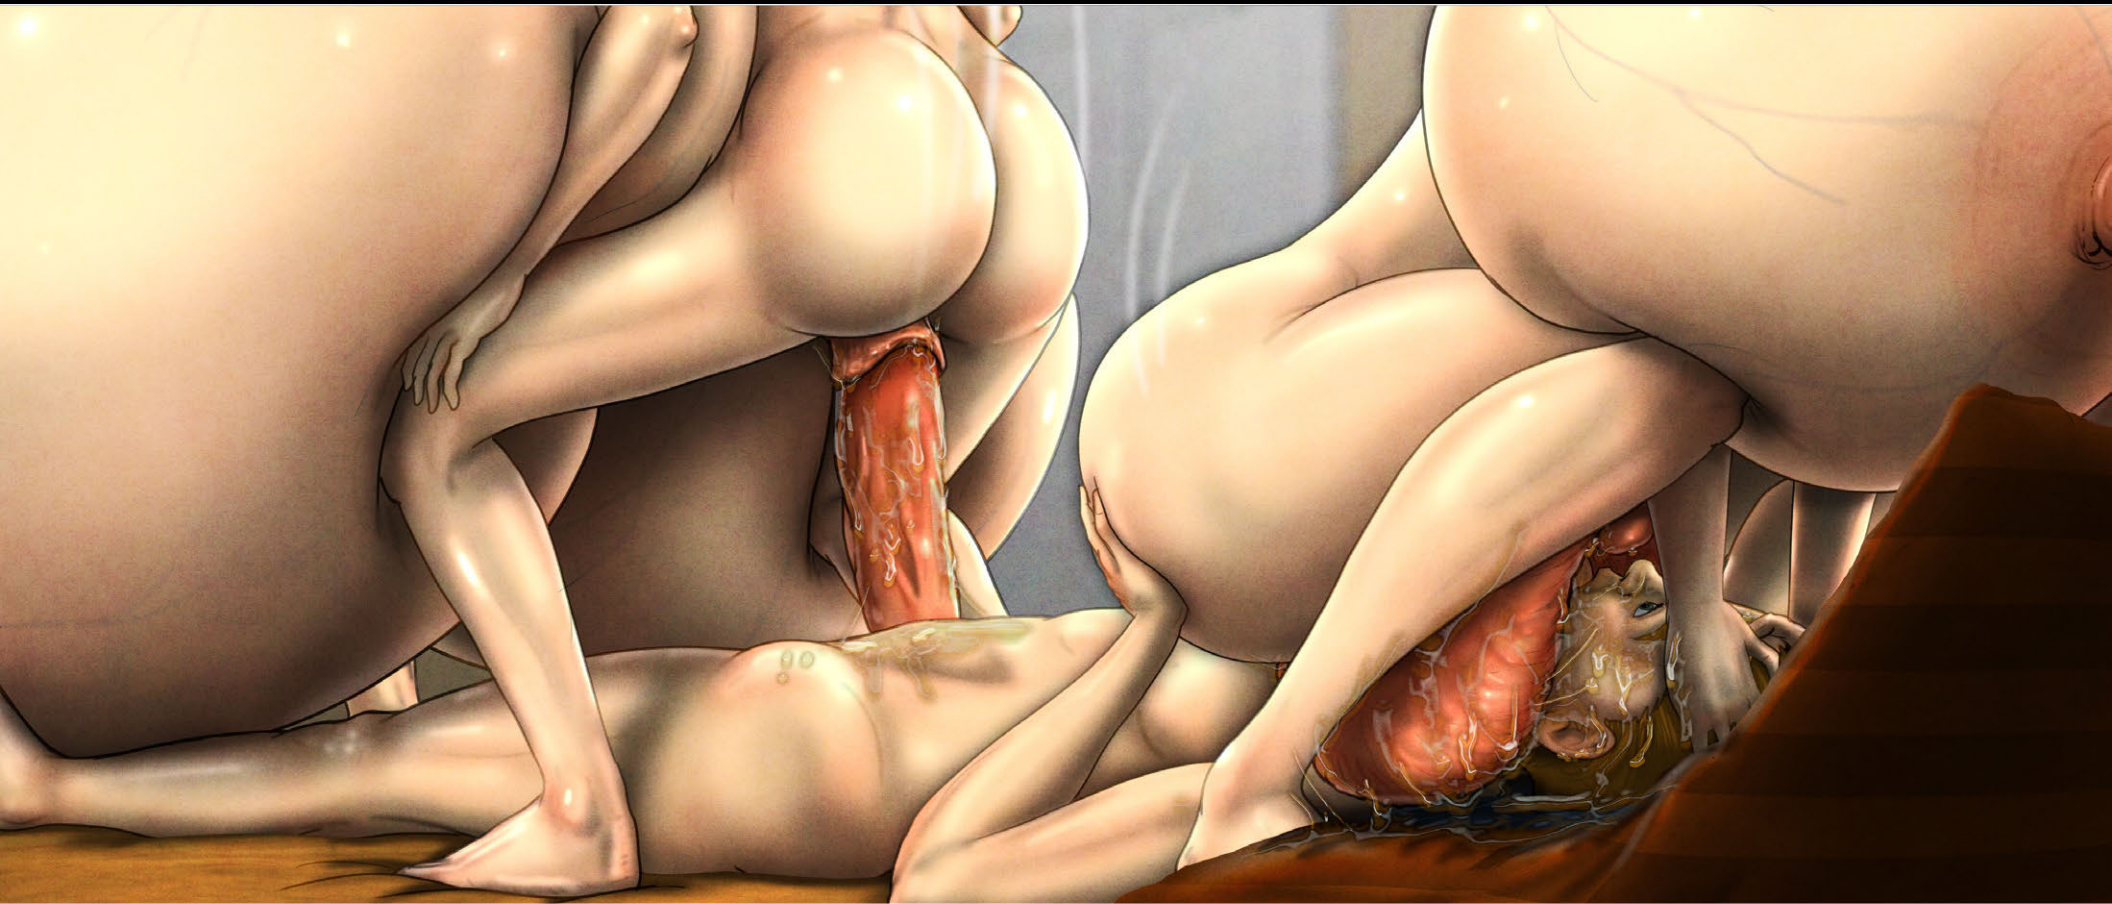

Fuck! What a thought — **filling** the room with **tit**! God, this is getting so fucking **hot**! I can't think straight. Maybe I'll try that one day, but for now, I just want to **CUM**!

Uuuhooh! OoOOOooh!
... Oooh... goddd!

Whoa! **Heidi** is practically **yanking** my head into her **pussy**. She seems about to go over the edge, too. I think it's time to make her **cum**.

FuckFuckFuck **FUCKKK!**
My big cunt is so... *Ugkk...* fucking sensiti-t-tive...
I'm g-going to... to... *UuhhOGhgkgk...!*

Heather is just about to **cum**...
and so am **I**. It's time to make **Heidi**
do so, too, to make one giant **molten**
pile of screaming fuck!

★ **Heidi** and **Heather** will
really ramp up their excitement and
cum harder than before... ★

★ I will also **cum** enough to make
Heather 's breasts grow **bigger** than her
Mom did in the kitchen... ★

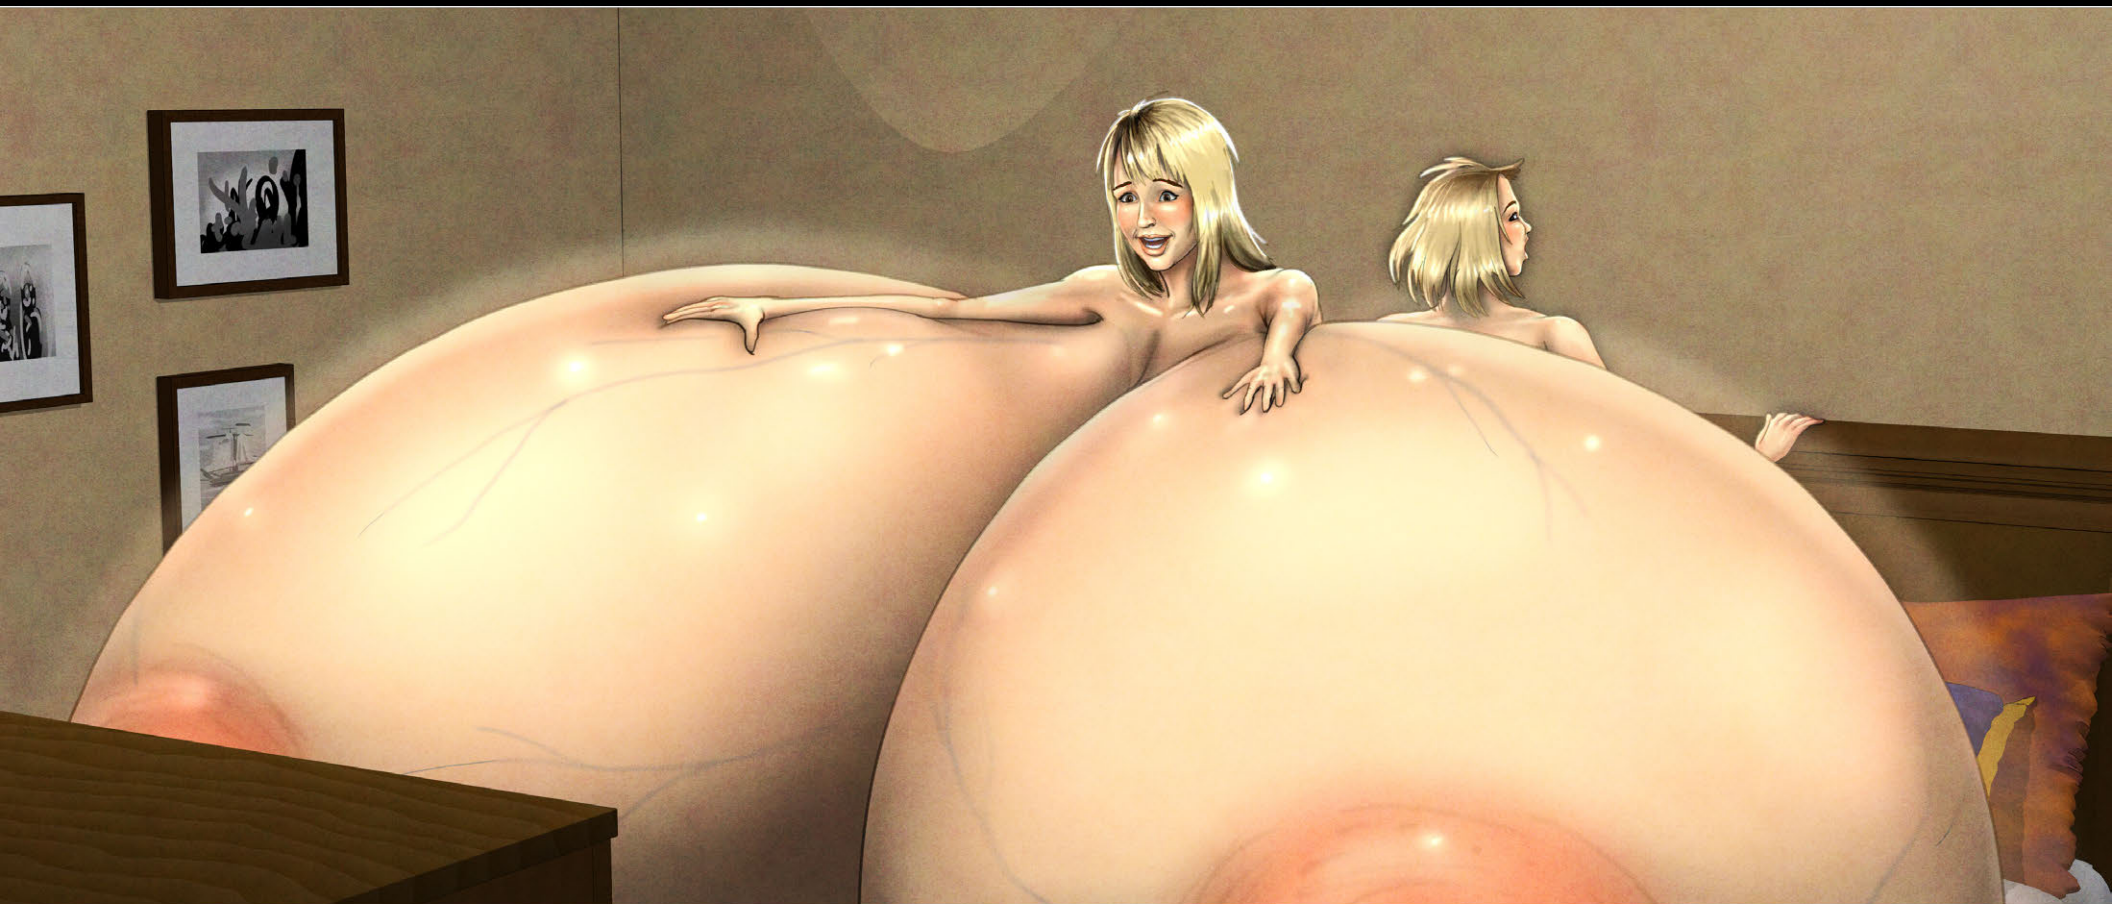

Oh... FUUUUUUUUCCKK!
AARRRAHHHHOOOOOHHH!

AAAHHH! OOOOOHH!

HUUUHHNNNNNN!

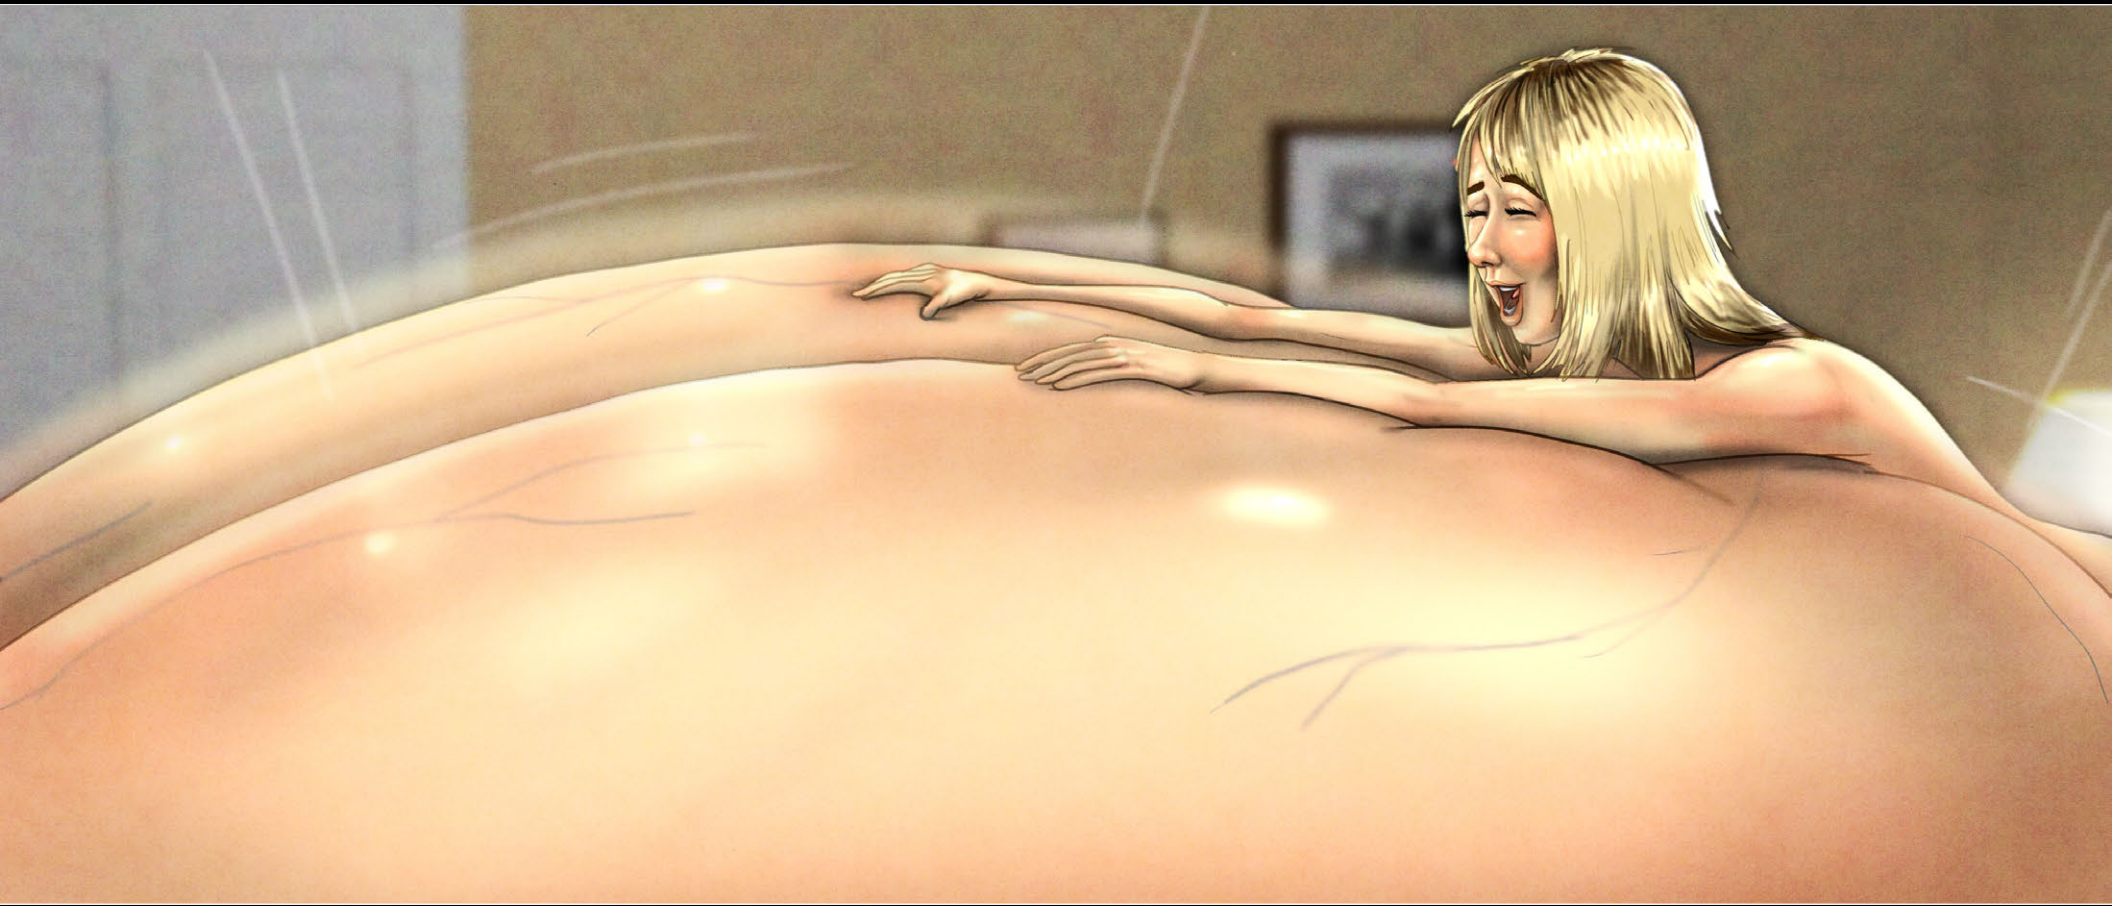

*AARRRROHHH! C-Carl... I'm **growing!**...
You-your cum, on... on top of my orgasms.... AARRHHH...
are **inflating** my... AAAH... my **tits!***

*Mmmmm!
Mmmmmmmff!*

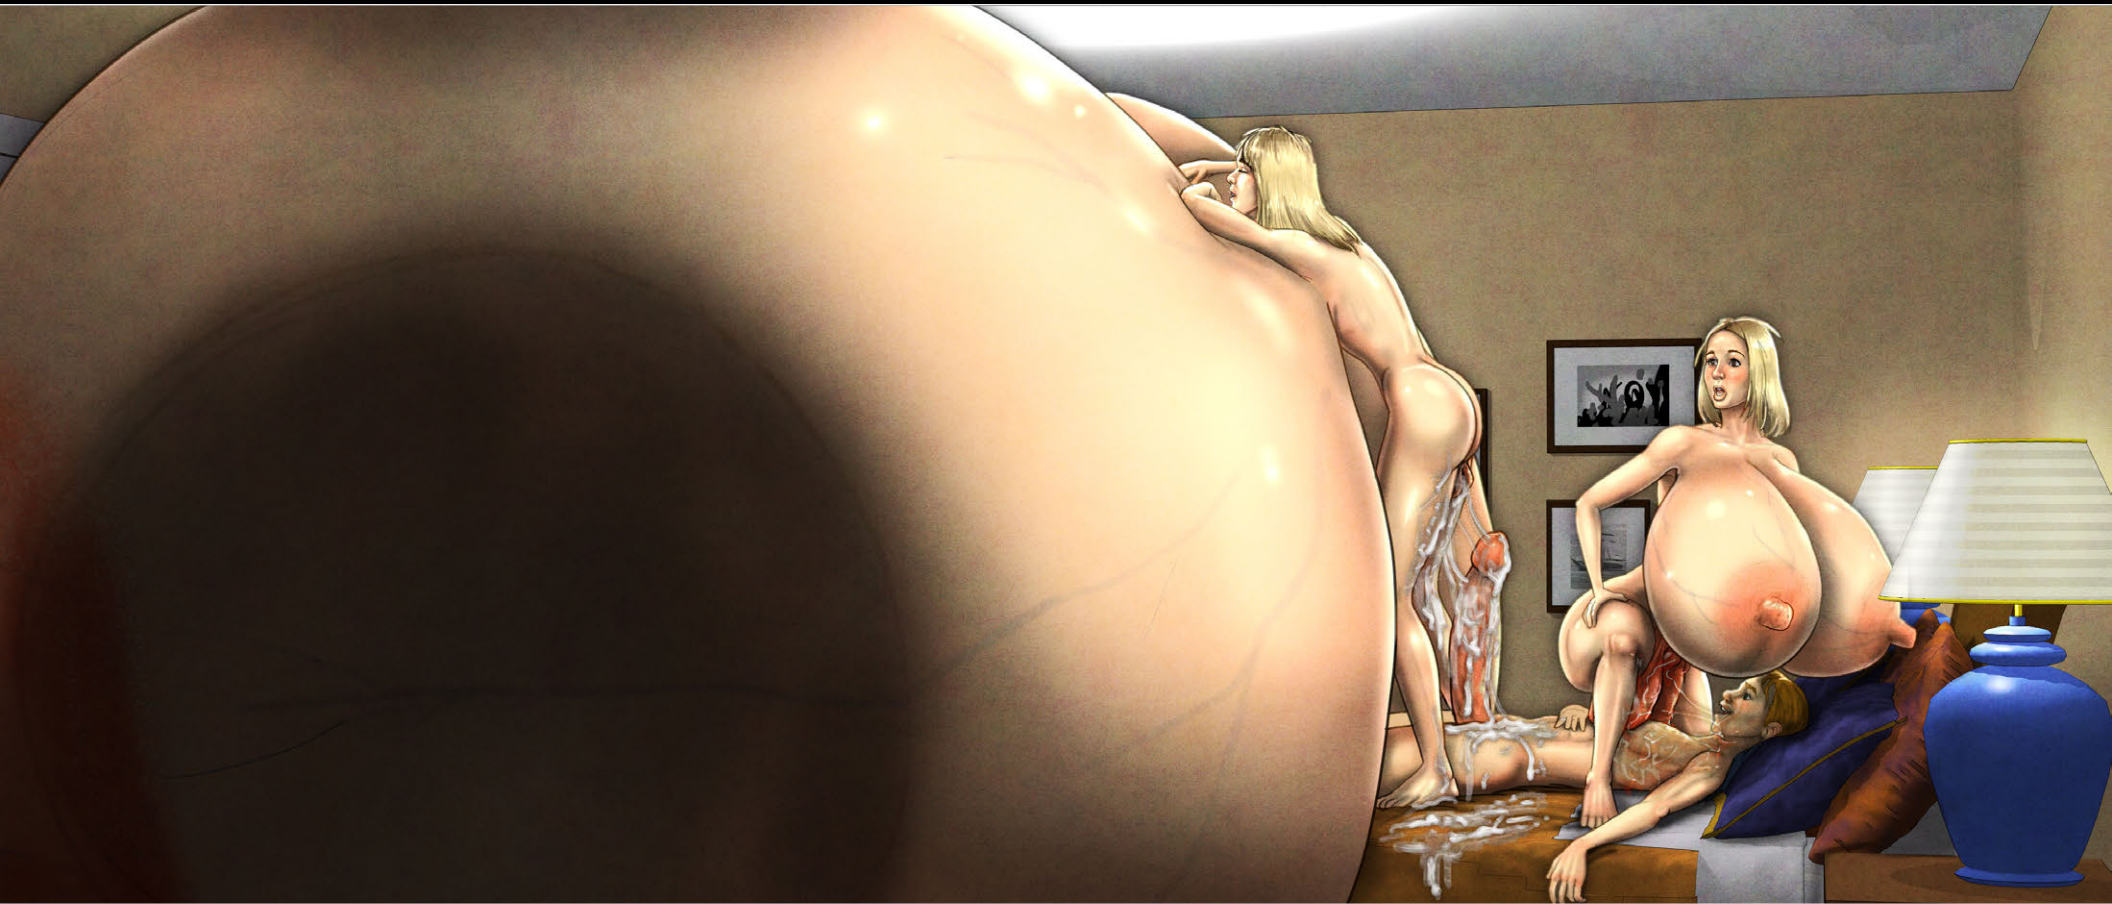

*Fuck! I can't see anything
except **pussy lips** and **juice**.
But I can FEEL **Heather's**
boobs growing **gigantic!***

AAAARHHH ... FUUUUUUUUUCK!

Oooooohhh...

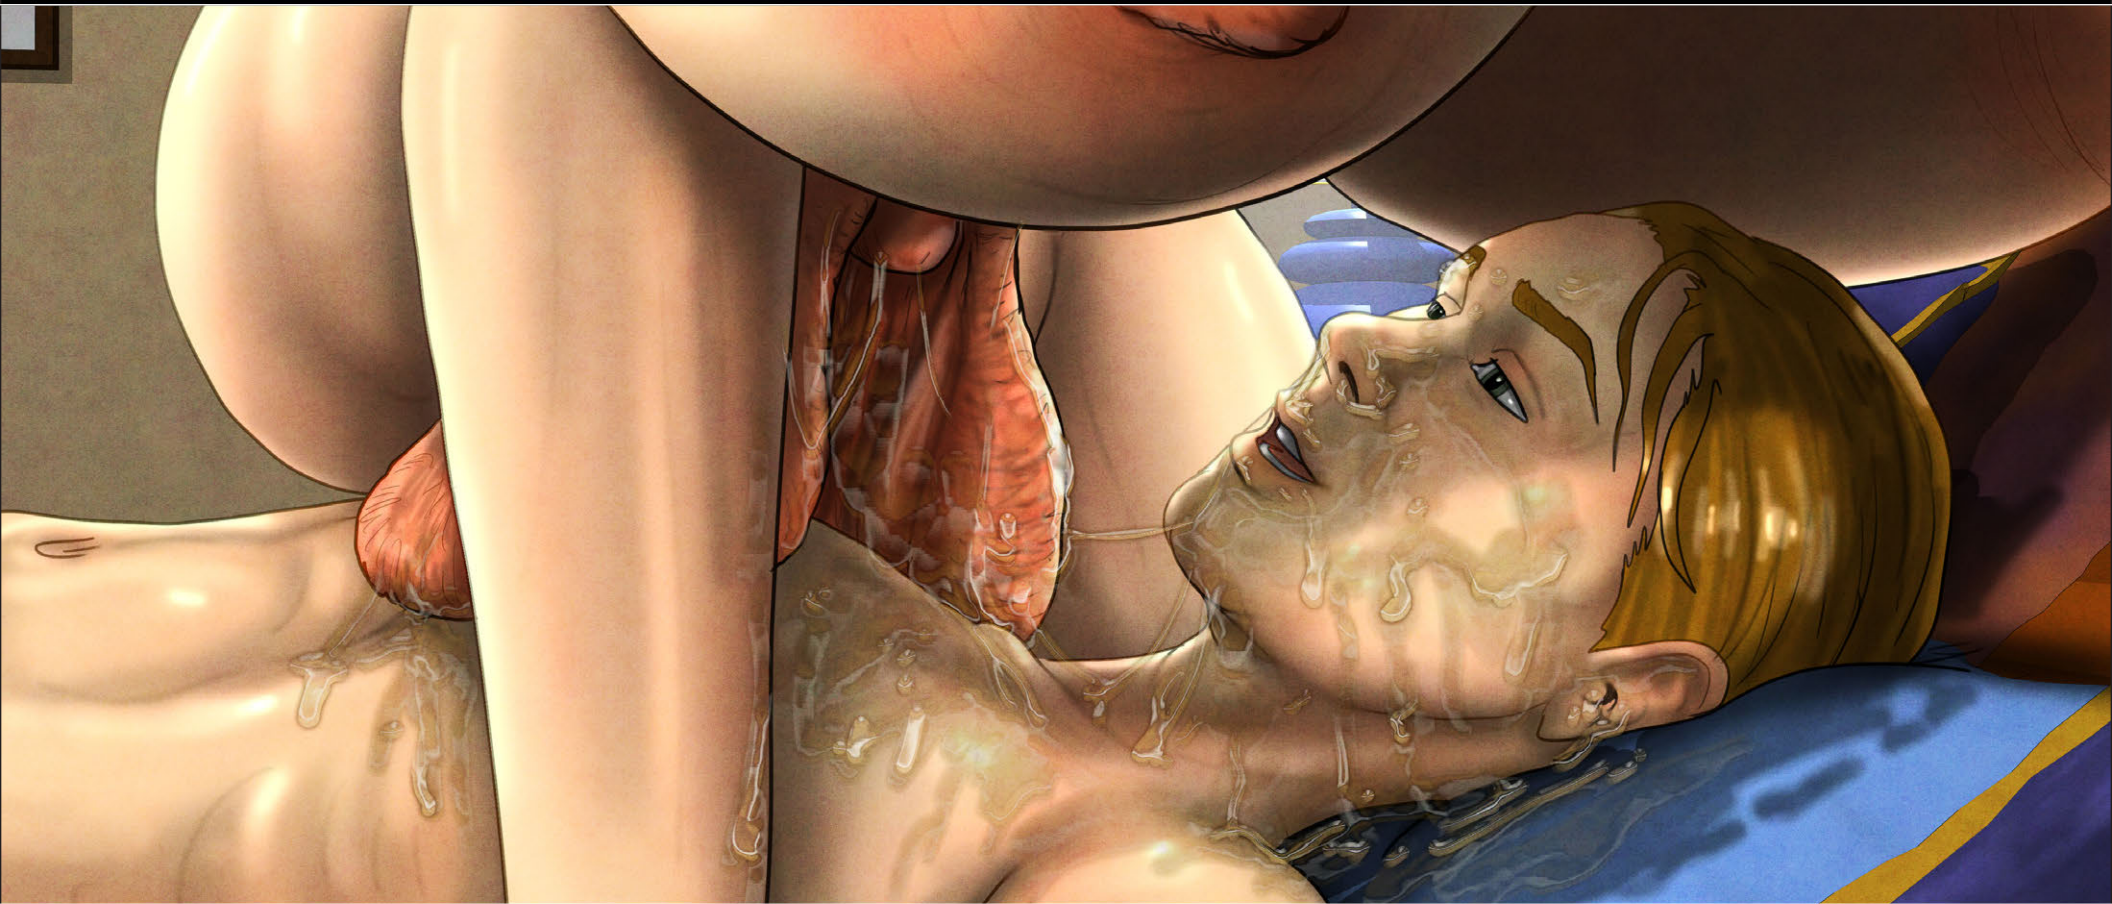

My god, **Heather!**
I think you're **bigger** than **Mom**
had grown in the kitchen!

I... uh... nyuh... uhn...

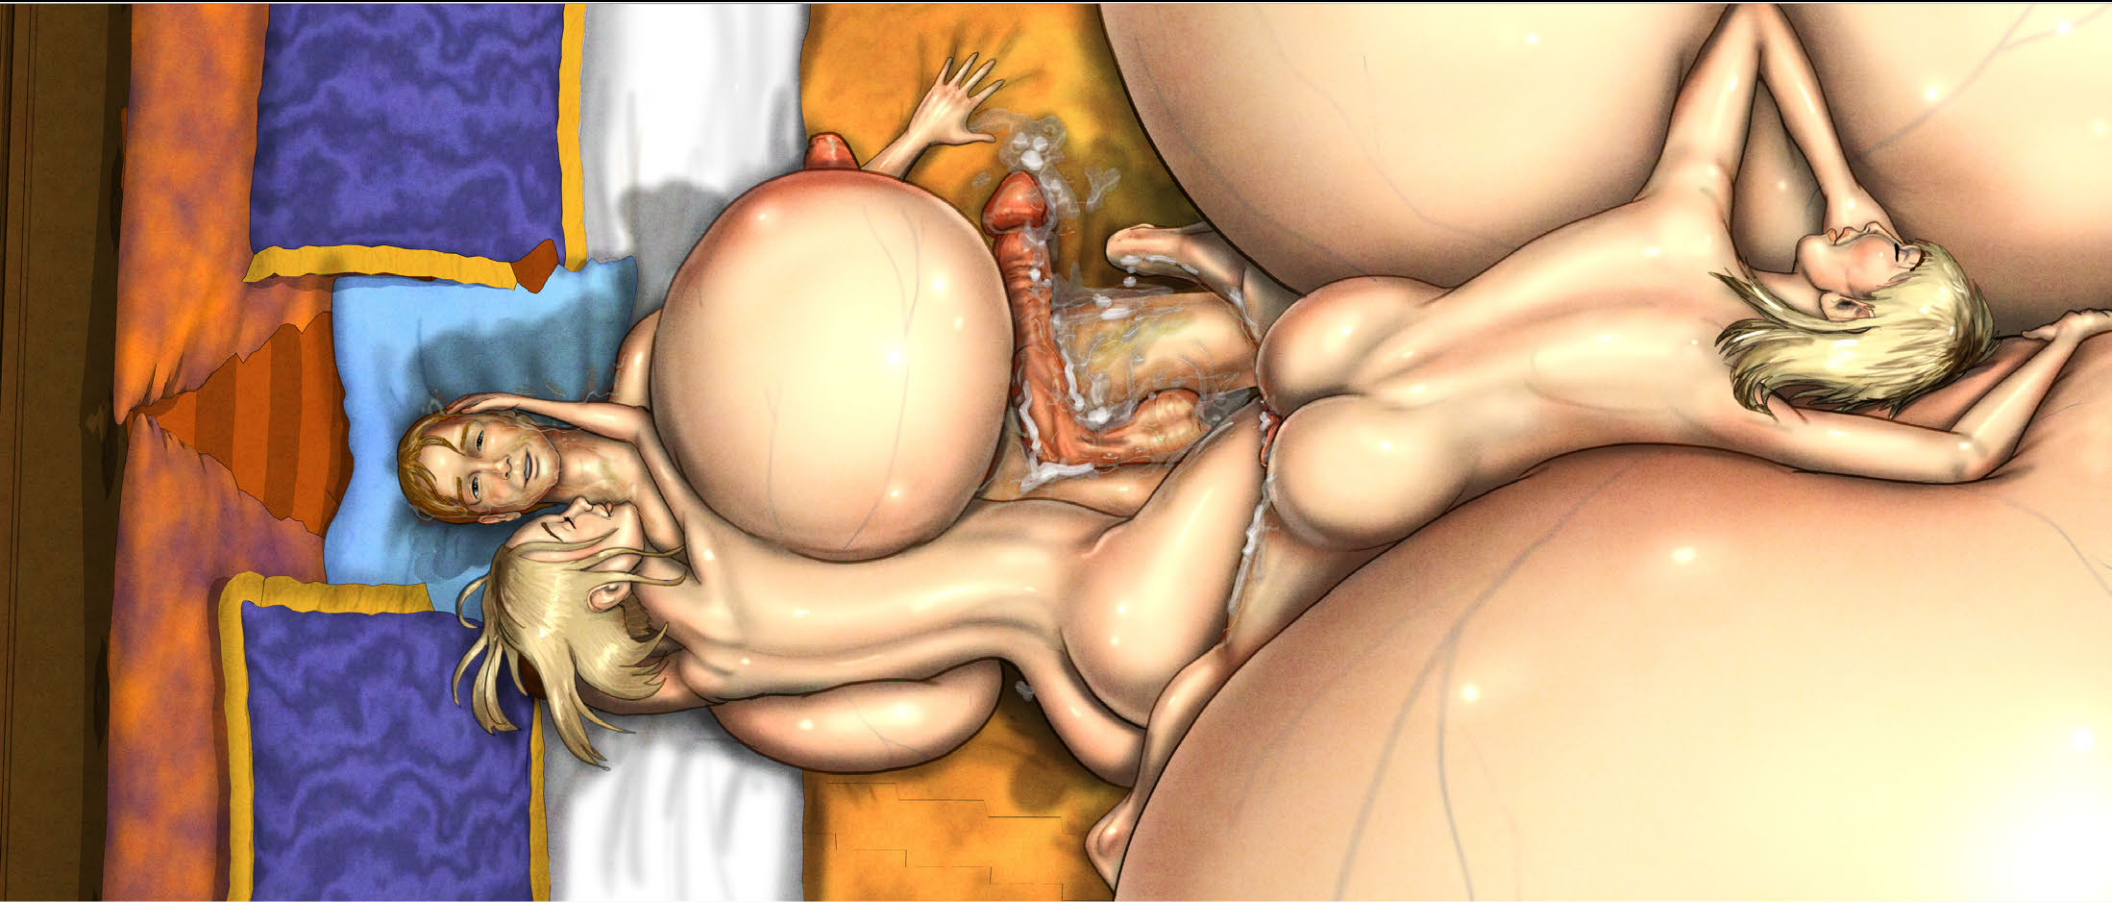

Fuuuuuuck...
that was **incredible!**

Wow. **Heidi** and **Heather** rode me like
wild animals. Almost like... they **used** me to
get themselves off. Hmm... something else
I need to explore further, eventually.

** Pant pant pant *... C-Carl...
you are amazinnnn... zzzzzz...*

*Oooohhhh...
* Pant Pant **

** Pant pant * gasp * pant *
So are... y-you two. Fuuuck.*

*That was **mind-blowing**... going to need
food in morning to replenish energy... So delirious
with... pleasure and exhaustion right now...*

Vera will wake up early and want to make us breakfast
in bed. ... S-she... will do so in a very motherly sense...
t-taking care of... *whew...* taking care of us... like a huge
mom... but so... sexy... sexually... fuuuuuck...

Zzzzzz...

Zzzzzzzzz...

Caaarrlllll...

Carl, honey.

Waaaake uuup.

Nyuuuh...? Wha...?

Aww... you three fucked yourselves silly! And to think you still have the strength to get such **enormous morning wood!**

Well... you won't be able to eat this delicious breakfast before your test today, if we don't get **that monster** down.

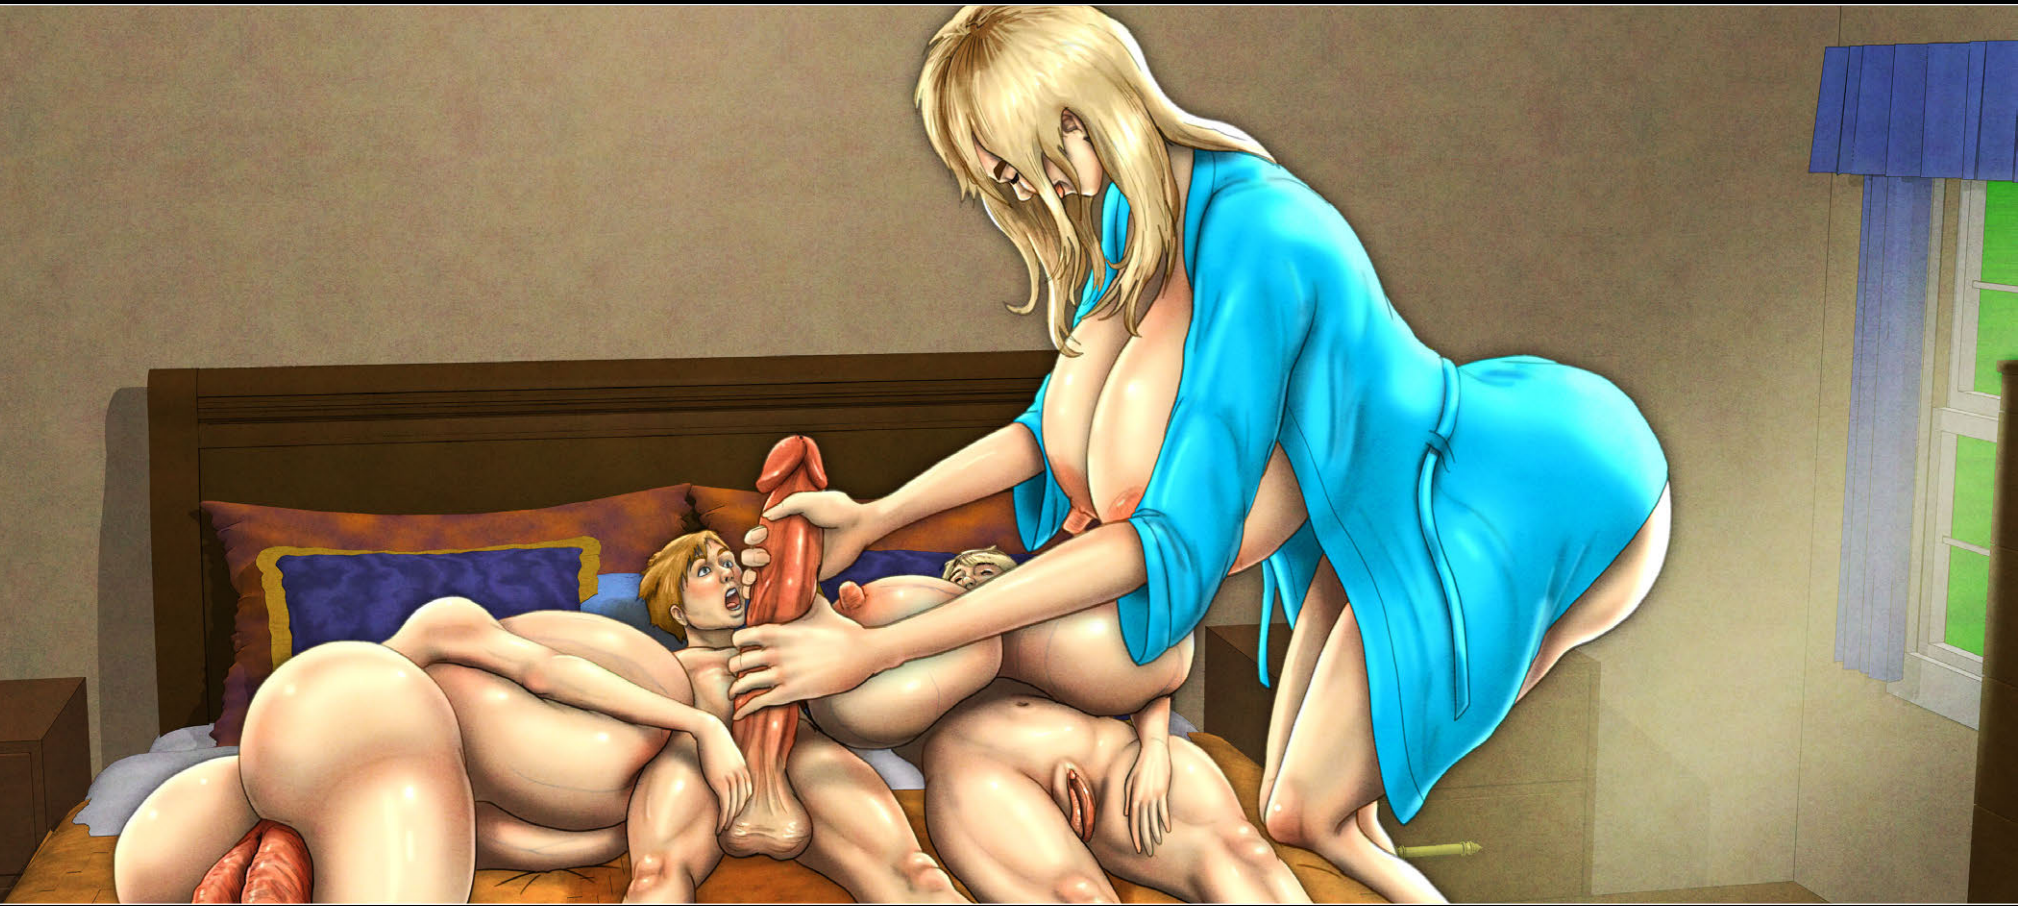

Wha the...?
HOLY...!

Oh boy! You are so **hard** this morning, **Carl**. And so **big**! Did **Heather** put you up to this?

Bigger? But in **Vera's hands**, my cock looks smaller. Wait... her hands are **huge!** Why are they...?

Mmmmm... **Carl**, you are *sooo*
hard. And I swear, you got **harder**
when I grabbed you just now.

H-holy *fuck!* **Vera!**
How did you get so **tall**?

Huh? What do you mean?
I've *always* been this tall. It's unusual,
I know, but we've already had this conversation
yesterday when we first met.

Ah, there. I can do
this easier by kneeling down
here next to the bed.

Wait... now you're *kneeling*?
But you're *still*, like, 6 feet* tall!

* 183 cm

I think you should relax and let me help you get this **cock** back down.
Ohmmmn...

Ohmygod, ohmygod, this is soo hot... I'm g-gonna...

*Fuck! I don't want to cum **too** hard, I don't need her tits growing over us right now!*

*★ I will orgasm hard, but I will only cum about a huge mouthful for **Vera**. ★*

FFUUUUUCCCCCKKKKKK!
UUUHNNN!

Zzz ckk...
Huh? Wha? **Mom?!**

What the...? Awww, **Mooooom**.
You're enjoying **Carl's cock** *without* us!

Mmmm. That was my morning treat.
Your cum made my boobs nice and **full!**
Now you'll be able to have some **milk**
with your breakfast, **Carl.**

Oooohhh... myyyy...
That was grreeaaaat...

Holy shit!

What?
What's wrong, **Carl**?

Y-You and **Heather**!
You're both **huge**, too!
I mean **tall**! I mean...

Well, *duh*. Most of the women are **tall**
in our family. You *know* that! Yes, you just
met **Mom** last night, but you've been
dating **Heidi** for a *while* now...

Oh... umm... *riiight*...
Just **h-how tall** are you gals again?
I forgot.

Well, I'm **7'7"**.*
Mom is very tall... about **8'5"****
Heidi's the shrimp.

* 231 cm ** 257cm

Hey! I'm **7 foot even*****!

*** 213 cm

Exactly!
A *shrimp!*

Are you feeling okay, **Carl**?
Are you still waking up?

*"Waking up." Oh my god! That's right! Just before I fell asleep, I was thinking about **Vera** making breakfast. And her being... "sexy and motherly". And... **huge**. I created all of this, just as I dozed off!*

*Whoa! I think my cock grew **bigger** to compensate for their size increase. And I am sure **Heather's** dildo is larger, since **she is**. Thus, my cock had to grow bigger than it!*

*Umm... yeah. You're right, **Vera**. I'm just a little fuzzy. I am still waking up.*

Ok, good. Now then.
How about that offering of **milk**
with your breakfast?

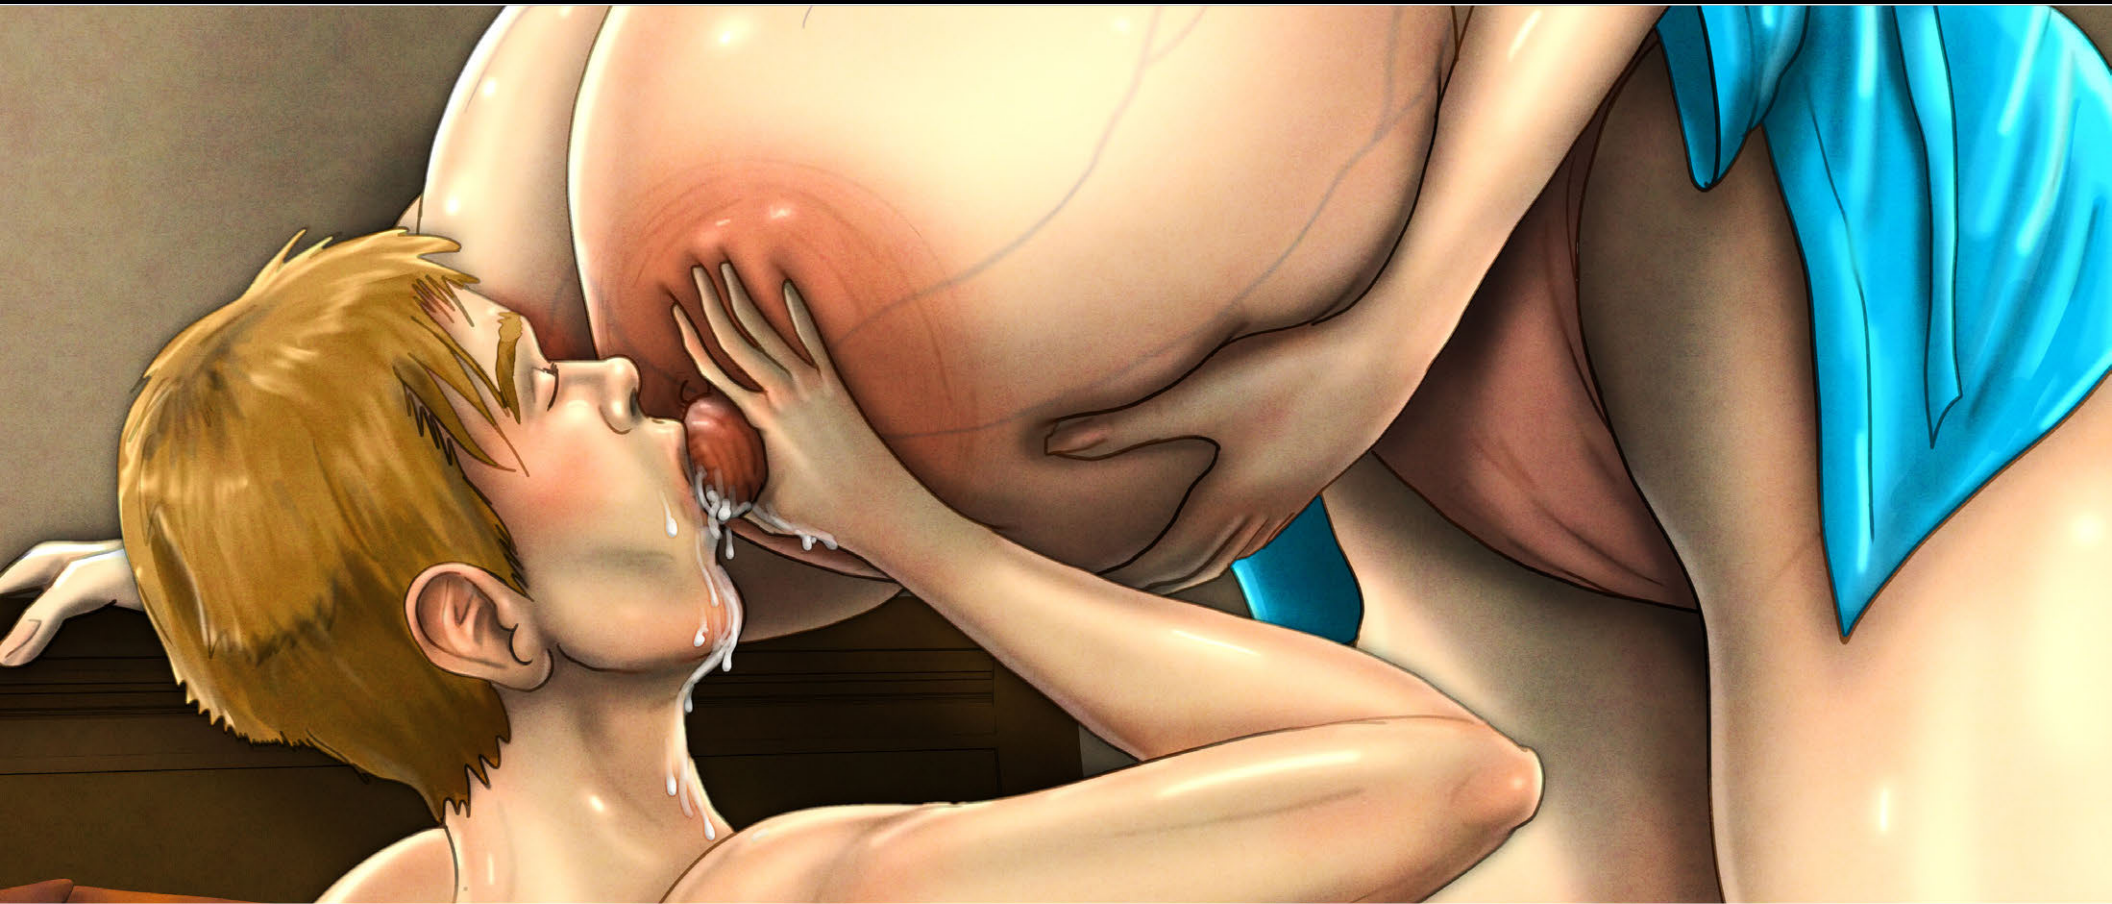

Oh yeah!

Great! Because sucking
you off has made my breasts
so **bloated** and they could use
some draining.

Ooohmnnnn! Nommmn!
Sluurp. Ohmmn.

Mmmmm, yesss. That feels so
good. I can feel the pressure from
my **milk** easing with each
mouthful you take.

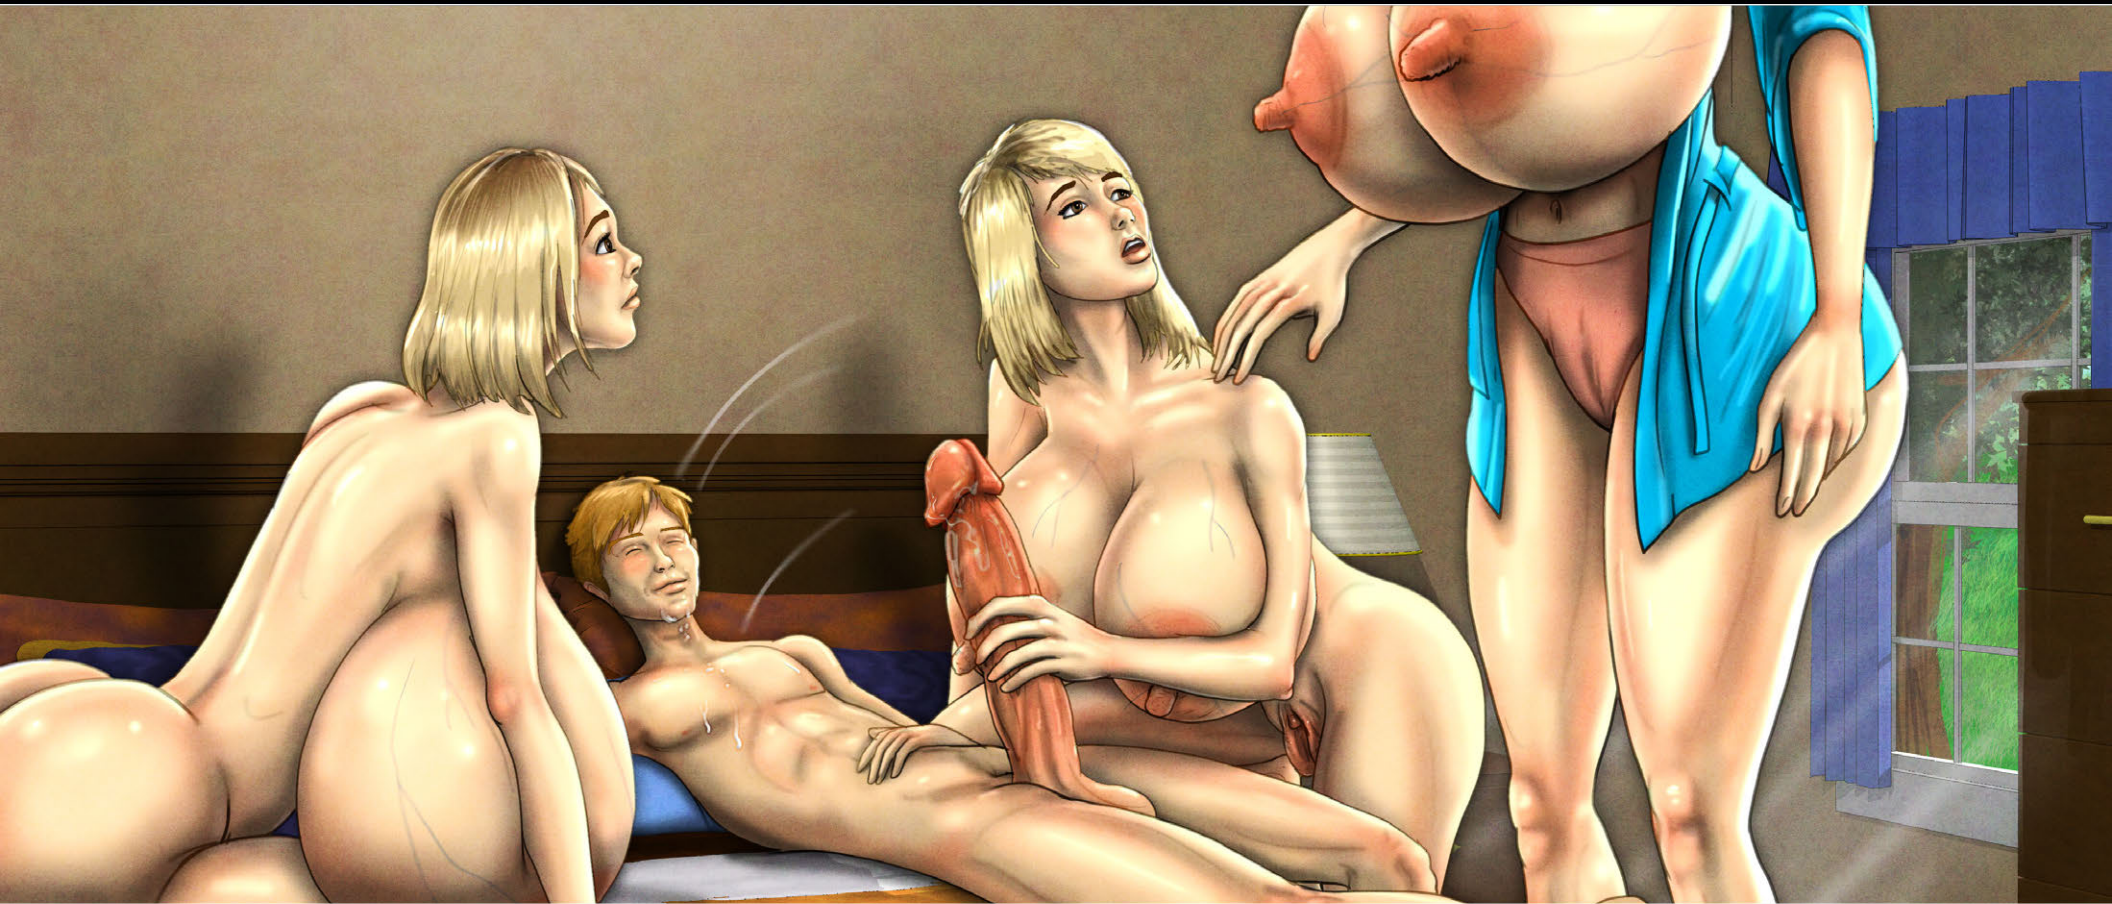

Later...

Urrp... I'm full.

I'm sure you *are*, **Carl!** You drank so much.

Oh my goodness, look at the time!
You and **Heidi** have to get ready for school!
Or you're going to miss your *Intro to
Astrophysics* test!

And you girls **stop** trying to **suck**
on **Carl's cock!** You're going to make him
late for school. You'll be late too, **Heidi.**
Get in the shower and **clean up!**

Soon after, **Carl** went into the shower to clean off. Of course, things took longer than planned as **Heidi** and **Heather** soon joined him.

Carl, I will give you some of my husband's **clean clothes** to wear. We wouldn't want you wearing the same clothes as yester... **Hey!**

Dammit, you three! Enough with the **sex**. **Heidi**, you and **Carl** will be **late** for your important test!

An hour later, **Heidi** and **Carl** arrive at the university...

C'mon! We have less than 10 minutes to get to class!

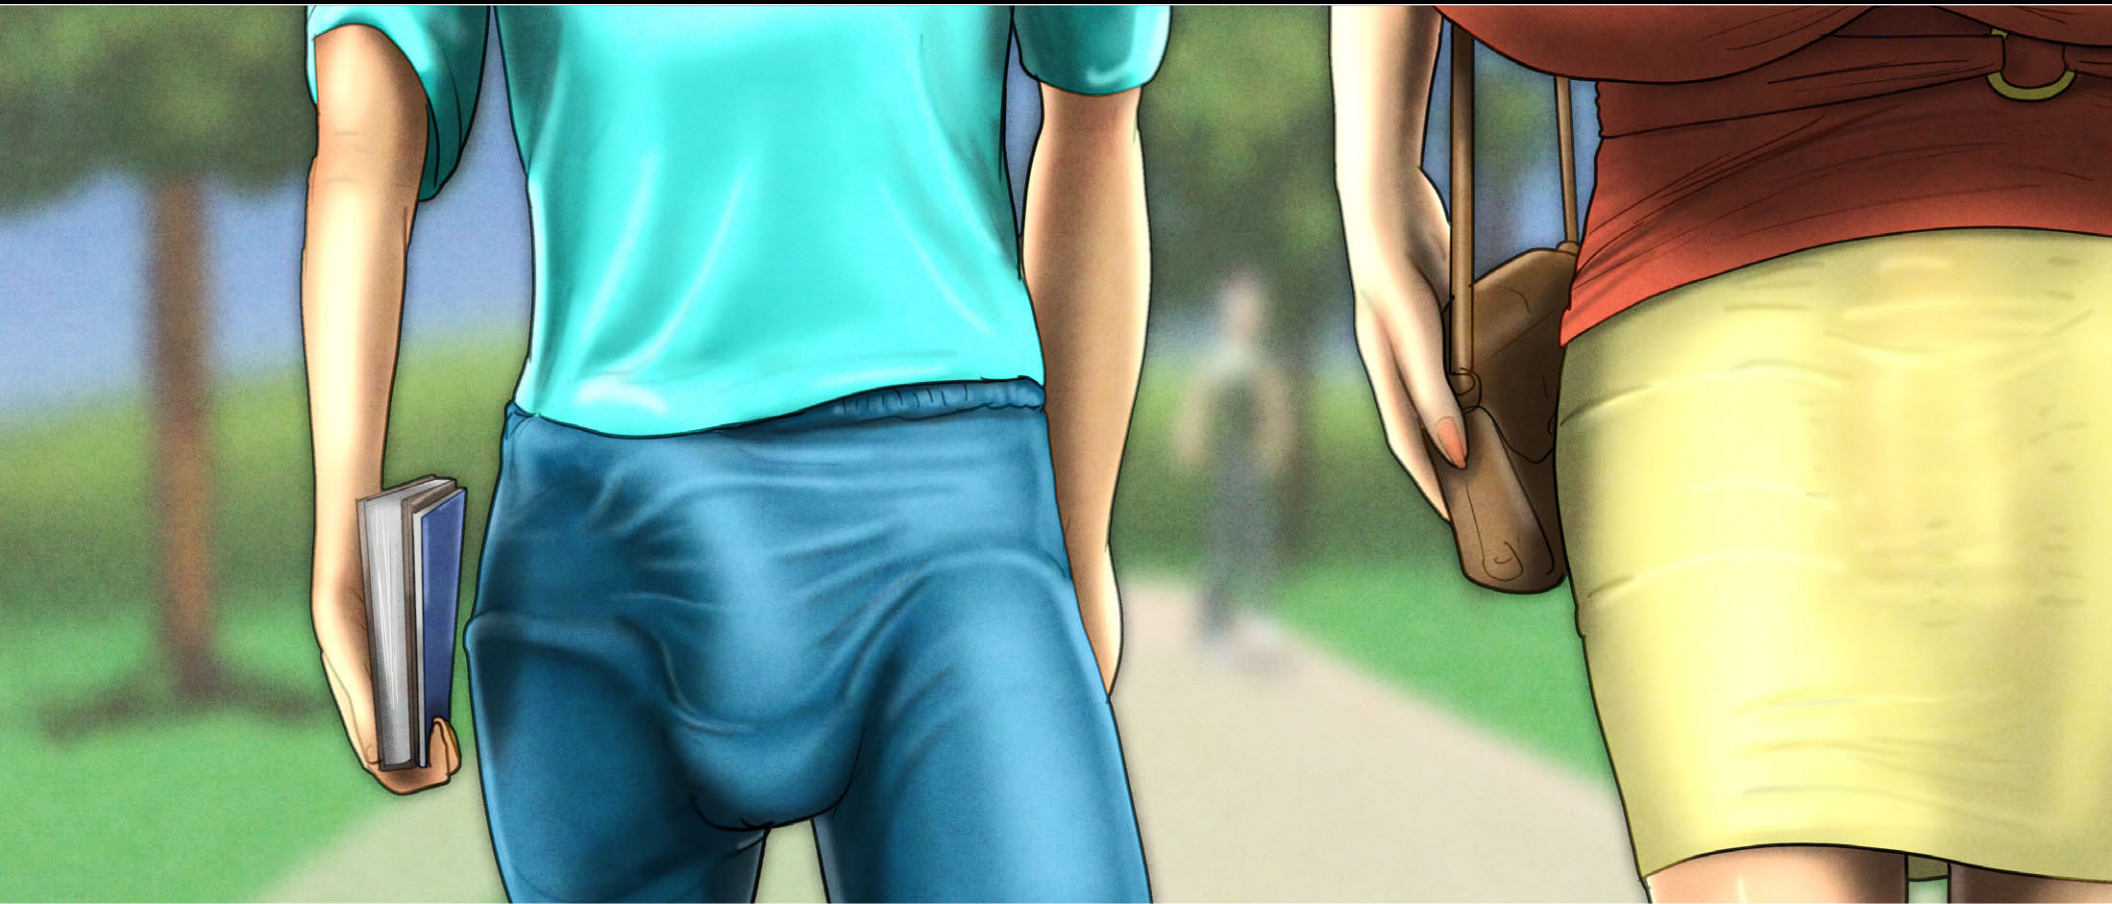

Wow. There's something exciting about seeing **Heidi stuffed** into a big car like this.

Speaking of stuffed... I'd better **shrink** my **dick** down to the "perfect-Heidi-size" that started this whole thing, since that's the "accepted and normal" size for me in this new reality.

★ My dick will shrink back
down to “perfect-for-**Heidi**-size”.★

There we go...
No, wait!
It's **bigger** than that! Wh...

Of course! Like earlier, because
Heidi is now so much taller, that would then
proportionately make her “perfect-size”
that much larger as well!

Wow! So **this** is the **cock** that people think
I've **always had**? If I had about a thick, 9-10” dick
for **Heidi** before, this sucker must be very wide,
12” to 13” when it gets hard!

I see you're wearing a **skirt** today.
That's a little differ....

Umm... You never changed the
size of my **pussy** back to normal.
I can't fit into any of my jeans!

Oh, shit! That's *right*. We
were in such a hurry, I forgot. I was
wondering why you seem to be...
waddling a bit.

Well, I see you've
changed your **dick**
back to normal.

That still blows
my mind that **this** is
"**normal**" for me.

Well, yes. But
I can just do that at a
whim... anytime...

However, for you, I have to **touch** your **pussy**.

*Sure, I could reality-change that, but it's kinda' hot watching her struggle with a set of **pussy lips** probably 20 times bigger than anything else.*

But we **can't** do that here. Too many people.

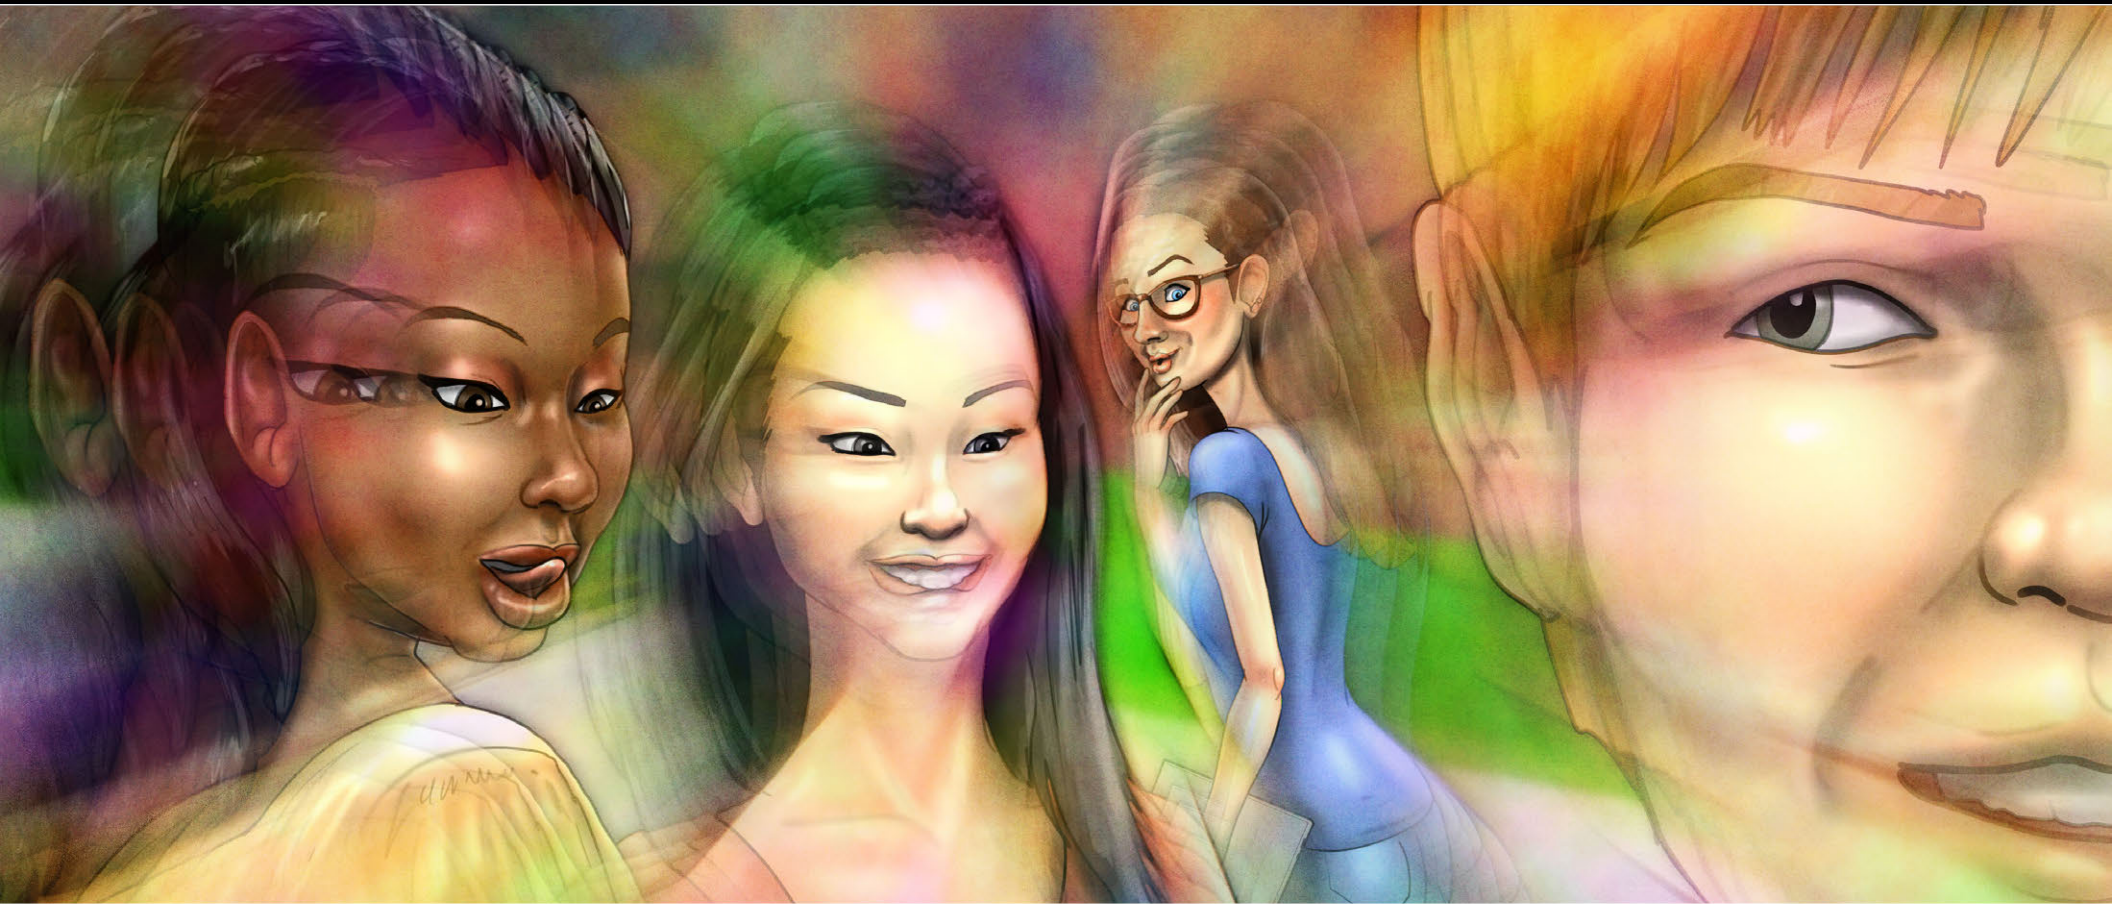

Ugh... OK. I'll do my best to walk, and make sure to my skirt covers my **pussy**.

*Speaking of other people, **everyone** is looking at us. Wow! It seems that **Heidi** and **I** can really turn some heads in "my new reality".*

*Hmmm. **I** would love to have even **more** of that... even to **heightened** levels that would be considered extremely inappropriate.*

Women have a varying propensity to glance at my **junk**, even directly and longer than what is “normal”. And, to different extents, they will **desire** — even **lustfully** — what they see. I am definitely “**biggest man on campus**”!

And, if I get an **erection**, it will **increase** their desire. And my **erection** will **not** be seen as inappropriate or unwelcome, even if it is **fully exposed**.

Say, **Heidi**. You ever notice the **looks** we get?

Well, *of course!* I'm the **tallest** woman on campus... and the **bustiest**. Plus there is talk — amongst the girls here — about your... **bulge**. You know, even when you are... soft... your dick can be quite **noticeable** in your pants. You *seriously* out-class ANY guy here... or anywhere else, for that matter.

Speaking of which, If I had known you were going to stay the night, I would have suggested bringing a clean set of clothes for today, especially since we don't have time to go back to your dorm room.

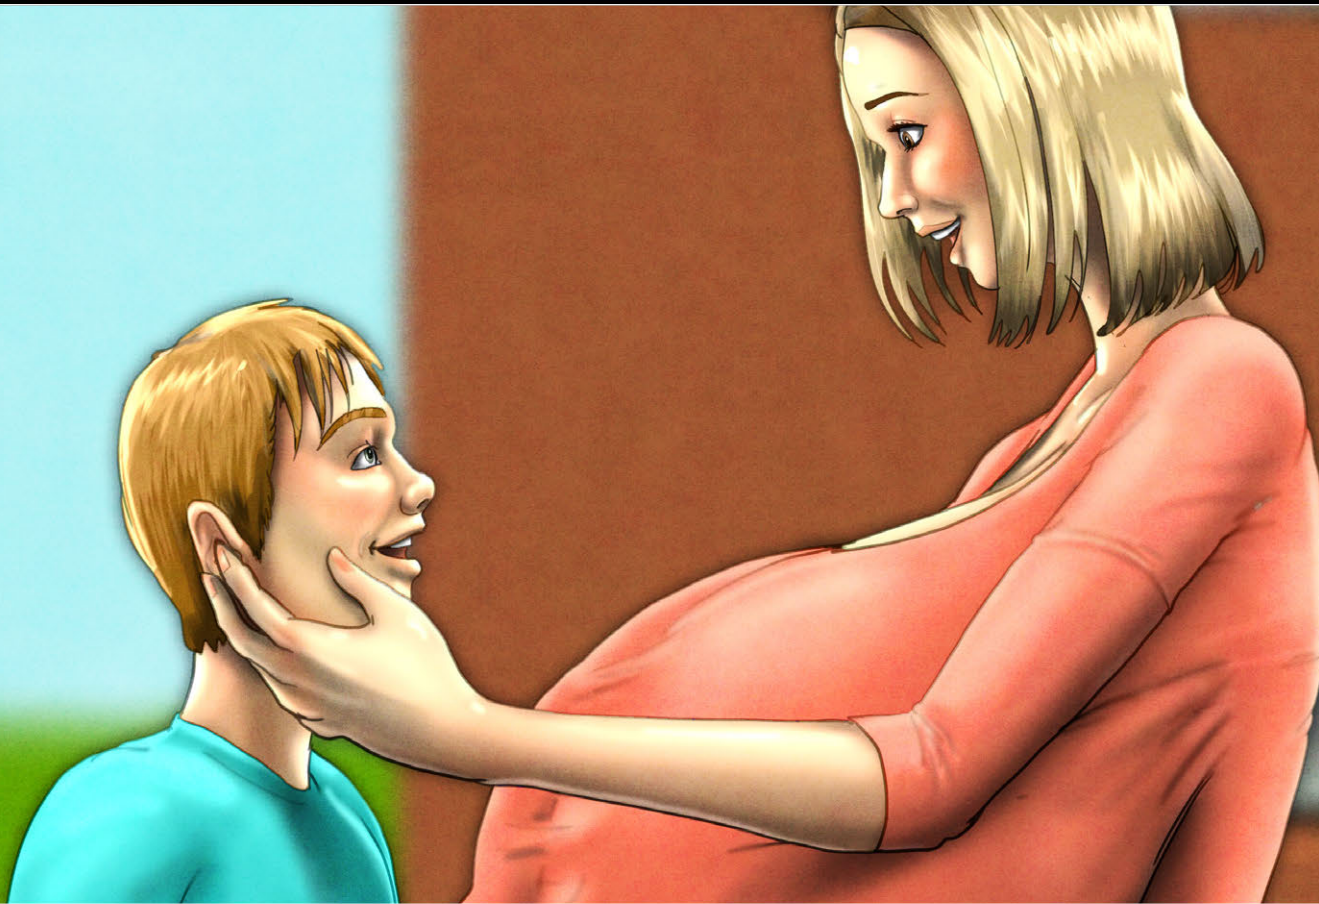

I'm sorry that all my dad had that would fit your **junk** was some athletic pants. They seem to show off *more* than your jeans do.

True. I don't mind the looks, though. I actually **enjoy** them. You know, based on that, I've been thinking...

I think we should be able to... have sex with **others**. You know... **share**... like you do with **Heather**. Even, if it's *just* me with another woman... or *women*.

Oh, yes! *Of course*, darling! Your **amazing** cock and growth powers **must** be **shared** with others! I could **never** deny your **cock** — or you — that.

*I see this "reality" that **Heidi** will "accept of any of my suggestions" is working flawlessly.*

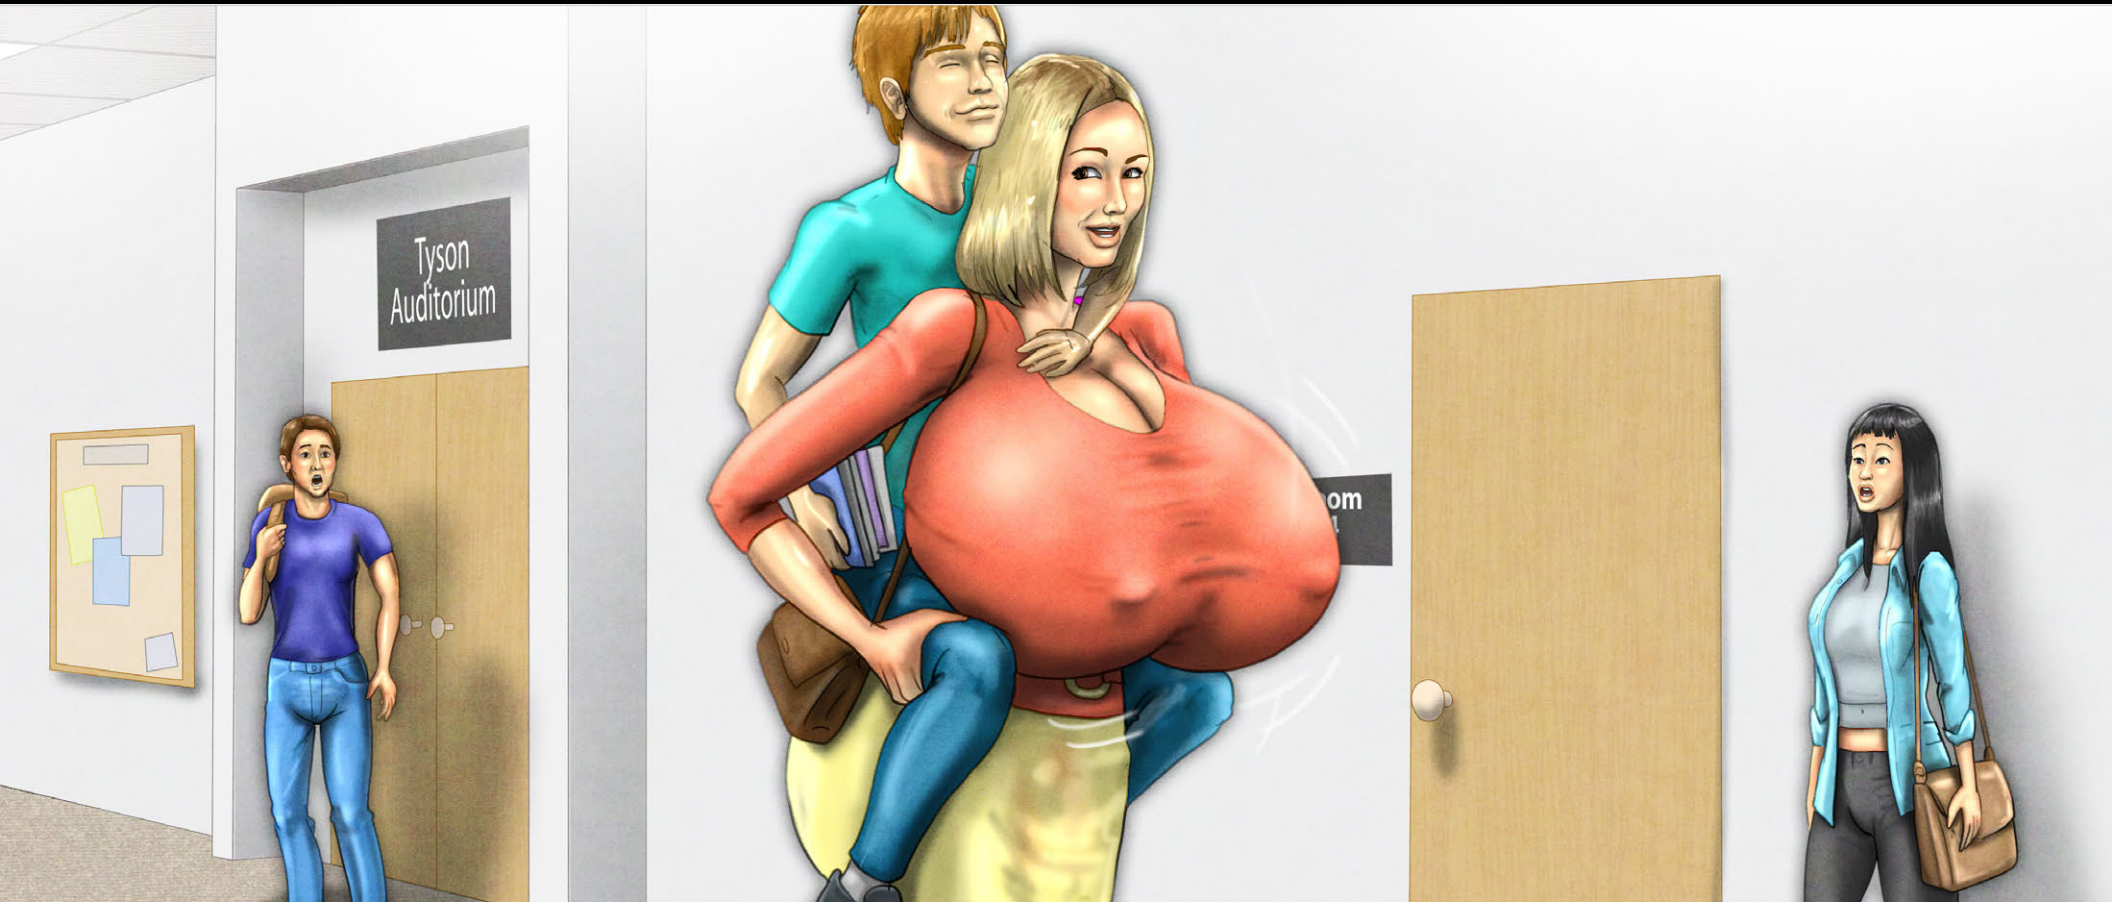

Say. You can get to class **quicker** with those **long legs** of yours, especially with my flopping junk slowing me down. Can you give me a **piggy-back ride** to class?

Haha... of course, my little prince. It won't be easy, with my **huge pussy lips** dangling between my legs, but **I will**.

Fuck! Her **bouncing** along feels amazing against my **hog**!

Wow! You're getting **really hard** from this! I can feel you pressing that **steel sausage** against my back!

Oh, yes! And it feels **great**!

I'm going to have to pull my shirt down over my **erection**. There's no way this sucker will fit in these sweat pants.

Come on you two. You're nearly late. Hurry and sit down, we're about to...

Holy shit!
Carl is really **hard** today!
Oh... oh my...

I...uh... we're about to s-start the test.

Sure thing,
Professor Boson.

Yeaah. Just look at her face, drinking in the view of my **steel fuckclub**.

Everyone knows that I flirt, and they always welcome it. They know Heidi and I have an open relationship, and do not worry about it posing a problem.

Well, **hello...**
ummm...?

T-Tamara!
My n-name's **Tamara, Carl.**

Ah, so you
know my name, huh?

Uh... *every* **girl**
knows *your* name.

See? I *told*
you, **stud.**

Ahhh...
I'm gonna' love these
longing stares.

Soon, the class began taking the test. In record time, **Carl** completed it, acing every question.

Wow! That was **easy**! I really **did** know everything on the test, like I had... "commanded" yesterday.

⚡
Like Heidi and her family, Professor Boson will agree to everything and anything I suggest, thinking it perfectly acceptable for me, even if it wouldn't be for anyone else.

Here you go, teach.
All done.

Wow. Already?

Look at her face.
She's just blatantly **transfixed**
by my **cock**.

Yep. I studied...
hard.

Oh... uh... I **see** that... /
mean... g-good for you.

I know we're supposed to leave
after completing a test, but do you
mind if I stay and look around?

Huh? Oh! Um... sure. Just
please make sure you don't...
um... disturb those who are still
taking their tests.

Hmm... We need to **boost**
things a bit in here.

The average cup size of all the women
in this room will go up by 2-4 sizes, and
a few will become **super busty**.

Ha! So **big** and **juicy**. Niiiiice.
And a few smaller ones for comparison...
or for **future** growth!

Oh shit! I think **Heidi** was affected, too!
Ha! Well, I **DID** say **all** women in here. But
she's **so huge** already, 2-4 cups doesn't
seem to show on her like everyone else.

Ha! I can't believe I just
thought "**4 cups doesn't seem
to show on her**"! Wow.

Wow. "**Red**" really got **big** in the boobs department . She looks **so hot**. And, boy, she's **really** checking out my **cock**.

Heidi, of course, still dwarfs her. Hmm... speaking of "dwarfing" others, I think it's time for another change.

The women in this room will be taller... the standard range being between 6 and a half feet* for the short ones, and up to 9 feet** for the taller ones.

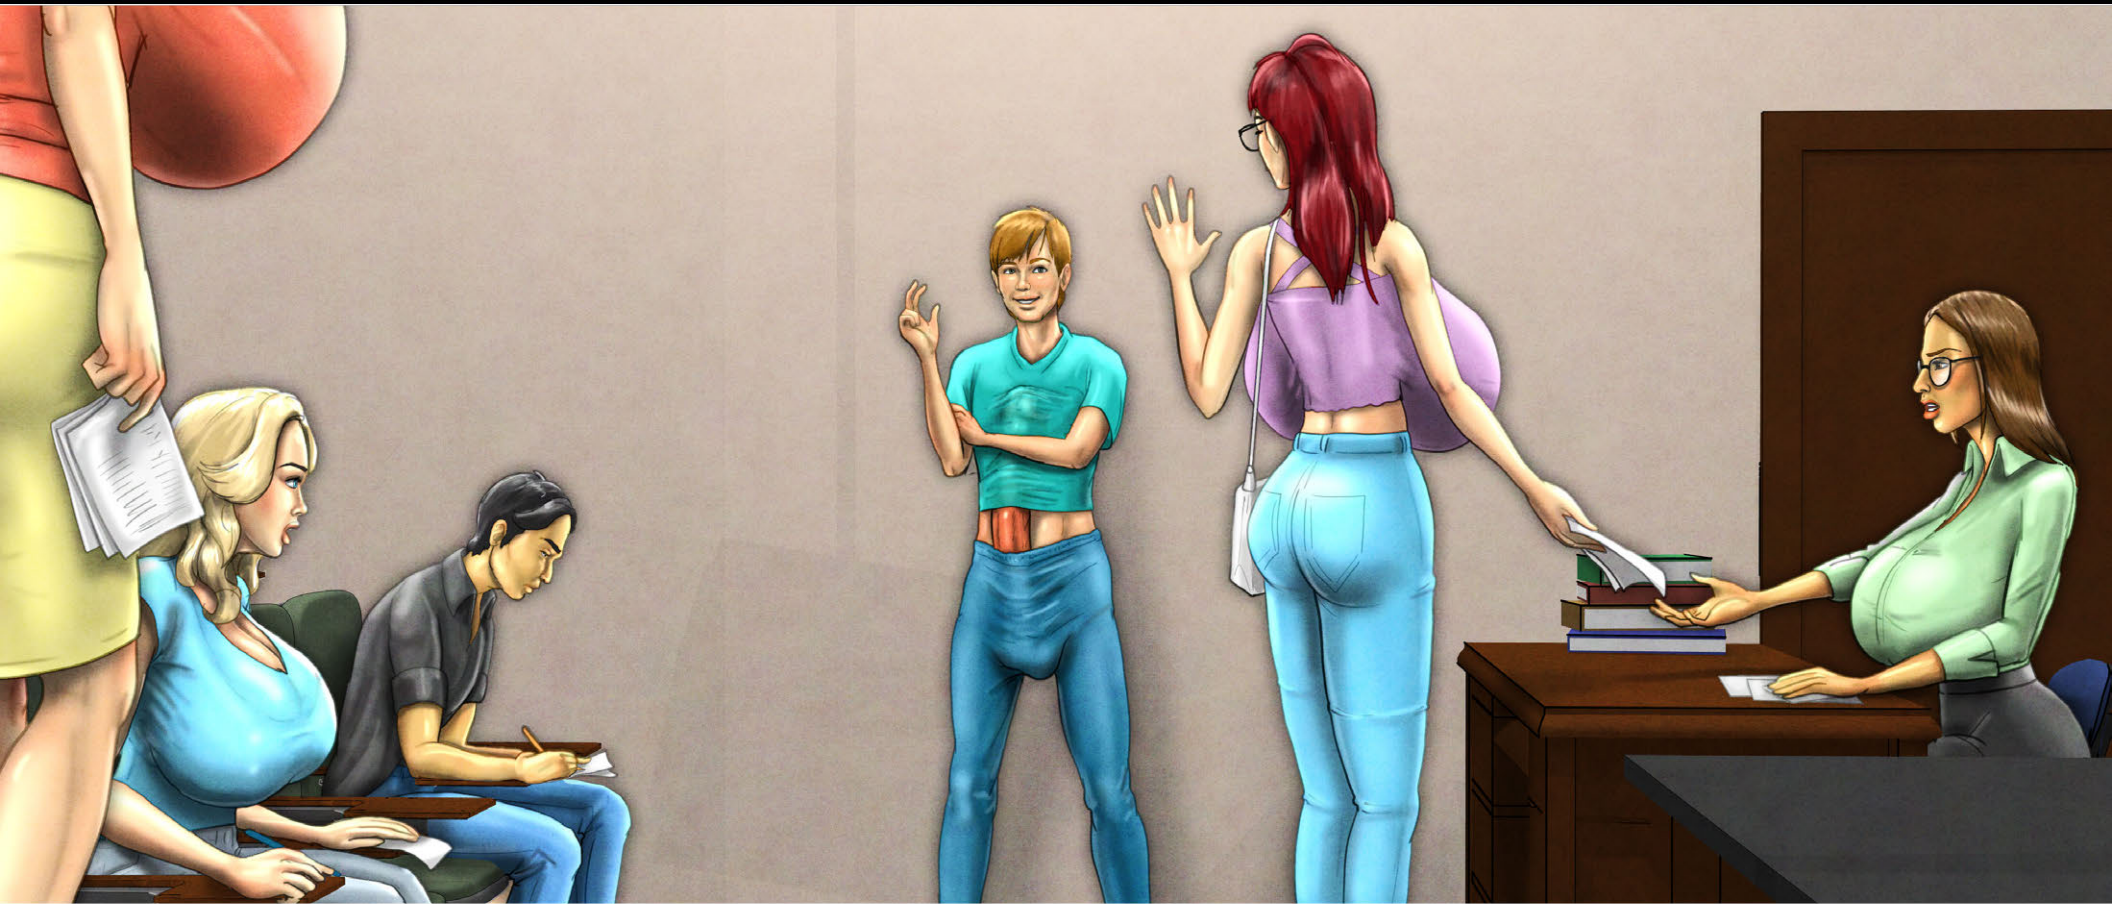

* 198 cm ** 274 cm

Hi, "Red".

Oh! H-hi, **C-Carl**.
* giggle *

Rose, *shhh*.
Just turn in your test and
quietly leave the class,
please.

Ahh, so her name is **Rose** .
Yeaah, her flirting with me would **never**
have happened in the "before".

H-holy...!

What's wrong?

Oh... uh... I sometimes I forget you're so tall, **Heidi**.

You're weird sometimes, **Carl**.
You know I'm **10' 9"**.*

* 328 cm

I did it again... I said "all women in the room" are taller. And since I set 9 feet as the upper end of the "normal" range, that would put **Heidi** well above that.

SShhh... people, please. Other students are still taking the test.

Holy fuck! My **cock** grew **bigger**, too!
Oh, of course! **Heidi** is now a bigger woman and
can take more. Thus, her "perfect" cock size grew
proportionally **larger** to her new height.

Geez! It's like a **club of flesh!** I think my
dick is now, what... **19 or 20 inches**?! And
to everyone else, it's ALWAYS been like this;
this is "normal" for me.

God, why did **Carl** ask to stay? He's driving
me nuts, standing there with... with... that fucking
giant hard-on! Stop it, **Nellie!** He's your student!
But... but... that **impossible cock**...!

H-hello again,
Carl.

Heeey... **Tamara** is flirting
with me again.

Hey, **Tamara.**

Hmm. Well, I made it so that my **erection** — either clothed or completely **exposed** — is okay. Time to test that out...

So, **Tamara**. I saw you staring at me earlier. Need a **better view**?

Oh my god! **Carl!** The stories I've heard about you are **true!** You **are** real!

Wow, **Carl** didn't waste much time in reeling in the fish with his **rod**.

Well, of course, I'm real. How else could I walk around so **exposed** like this. They can't discriminate against my **natural** body.

"Natural."
Ha!

But go on... **feel** for yourself just how **real** am.

Gasp!

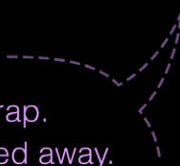

It's so **hot!** And **hard!**

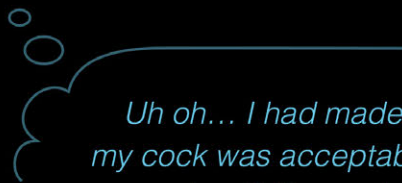

Wow. I've heard so much about you, **Carl**... but I never imagined it could be true. I mean... who ever heard of a **20 inch** penis?

Tamara! Carl!

What is going on over there?!
I've tolerated the whispering, but
now what are you **doing**?!

Oh crap.
I got carried away.

Uh oh... I had made it so that **showing**
my cock was acceptable, but **not** any **overt**
sexual activity, such as **Tamara** grabbing
my junk. I'd better **change** that...

Any public sexual activity by me is fine with everyone. It is acceptable for me and whomever I am with. It will be considered, for me, as appropriate as, say just a kiss, even though they will still see it as exactly for what it is.

I mean, you two are not comparing answers before **Tamara** turns in her exam, are you?

Oh no, **Professor!** While I waited to hand you my test, I was just... "appreciating" **Carl**, if you know what I mean.

O-oh. I-I see now. But that can be very **d-distracting** for... uh... the students still finishing up, that is. I need you two to stop. **Carl**, if you wouldn't mind, can you p-please put your... **p-penis**... away during the test.

Sure. No problem, **Professor.**

Wait... Something in **Professor Boson's** voice implied that I am a distraction **for her**, too. Hmmmm...

Oh my. I got so distracted,
I didn't realize the time.
OK, everyone! Time is up.
Hand in your tests.

So. You liked that,
didn't you?

Oh, *fuck*, yes. **Carl**... I don't know
of any guy who has a... um... a...

Has a **giant cock**
like me?

Oh my god! ** giggle **
I can't believe you
said that.

*Huh. I've made it so
grabbing my naked erection is
okay, but saying "giant cock"
outloud is racy. Ha!*

Heh. You're cute. But I don't
just want to "talk" about my
giant cock. Come back to my
dorm later... Hunter Hall,
room D5. See you at 8?

Oh god, *really?!
I will definitely
be there!*

She's **cute**.
Are you going to **have sex** with her?

You know me so well.

Psshh... You only showed her your **cock** and had her **grab** it.

Heh, that's true. Say, I want to talk to the **Professor**. I will see you *later*?

Ok, sure. When?

How about at my **dorm room** around 8pm? **Tamara** will be there, too! I invited her.

She *really* liked your **cock**.

They usually **do**, sweetie.

That's true.

Okay. I will see you later. Here's a little **boob-squeeze** to say "good bye".

Ooooooo!
Only *you*.

After all the other students had left the classroom, **Carl** approached **Professor Boson**.

Okay... a little extra push on my chest to thrust my dick against my shirt real tight, and...

Excuse me, **Professor Boson**. I have a question.

Oh god! **Carl's** back. And he still has that... **rock-hard, towering erection!** Keep it together, **Nellie!**

Uh... Of course, **Carl**. Wh- what about?

That... **space anomaly** yesterday. Any word in the scientific realm on what it may have been that's not in the news? What exactly was it?

Fuck! Look at that **beast!**
How does he not faint? He's
making me **squirm**. I need to
answer his questions quickly and
get him out of here.

Um... Hello?
Professor Boson?

Huh? Oh! Sorry. I... umm... well, yes...
there have been some **theories**... um...
sorry... I'm a little... **distracted, Carl.**

That's okay. Most women **love** my **cock**.

I... I can understand that, but...
Wait a minute!

*Mr. **Sagin!*** Are you implying that your co... um... **you** are the reason for my d-distracted? I am not sure that kind of talk is **appropriate** in class... especially... uh... between a student and teacher!

*She's obviously really attracted to my **cock**. She seems to be **struggling** to hold it in. Maybe I can **push** this further **without** using any more reality-altering commands or my "suggestive power" that I've already established. This should be interesting!*

Professor Boson. We're both **adults**. If you like my **cock**, it's **okay** with me! *Heh...* "if"? Hell, I can **SEE** that you do.

And that's painfully obvious!

*That brings up an interesting thought. I "made" **Heidi** and **Heather** into **size queens**. Maybe **Professor Boson** is one naturally!*

*And if that's the case, then my **huge, fuckpole** must be practically **melting** her brain!*

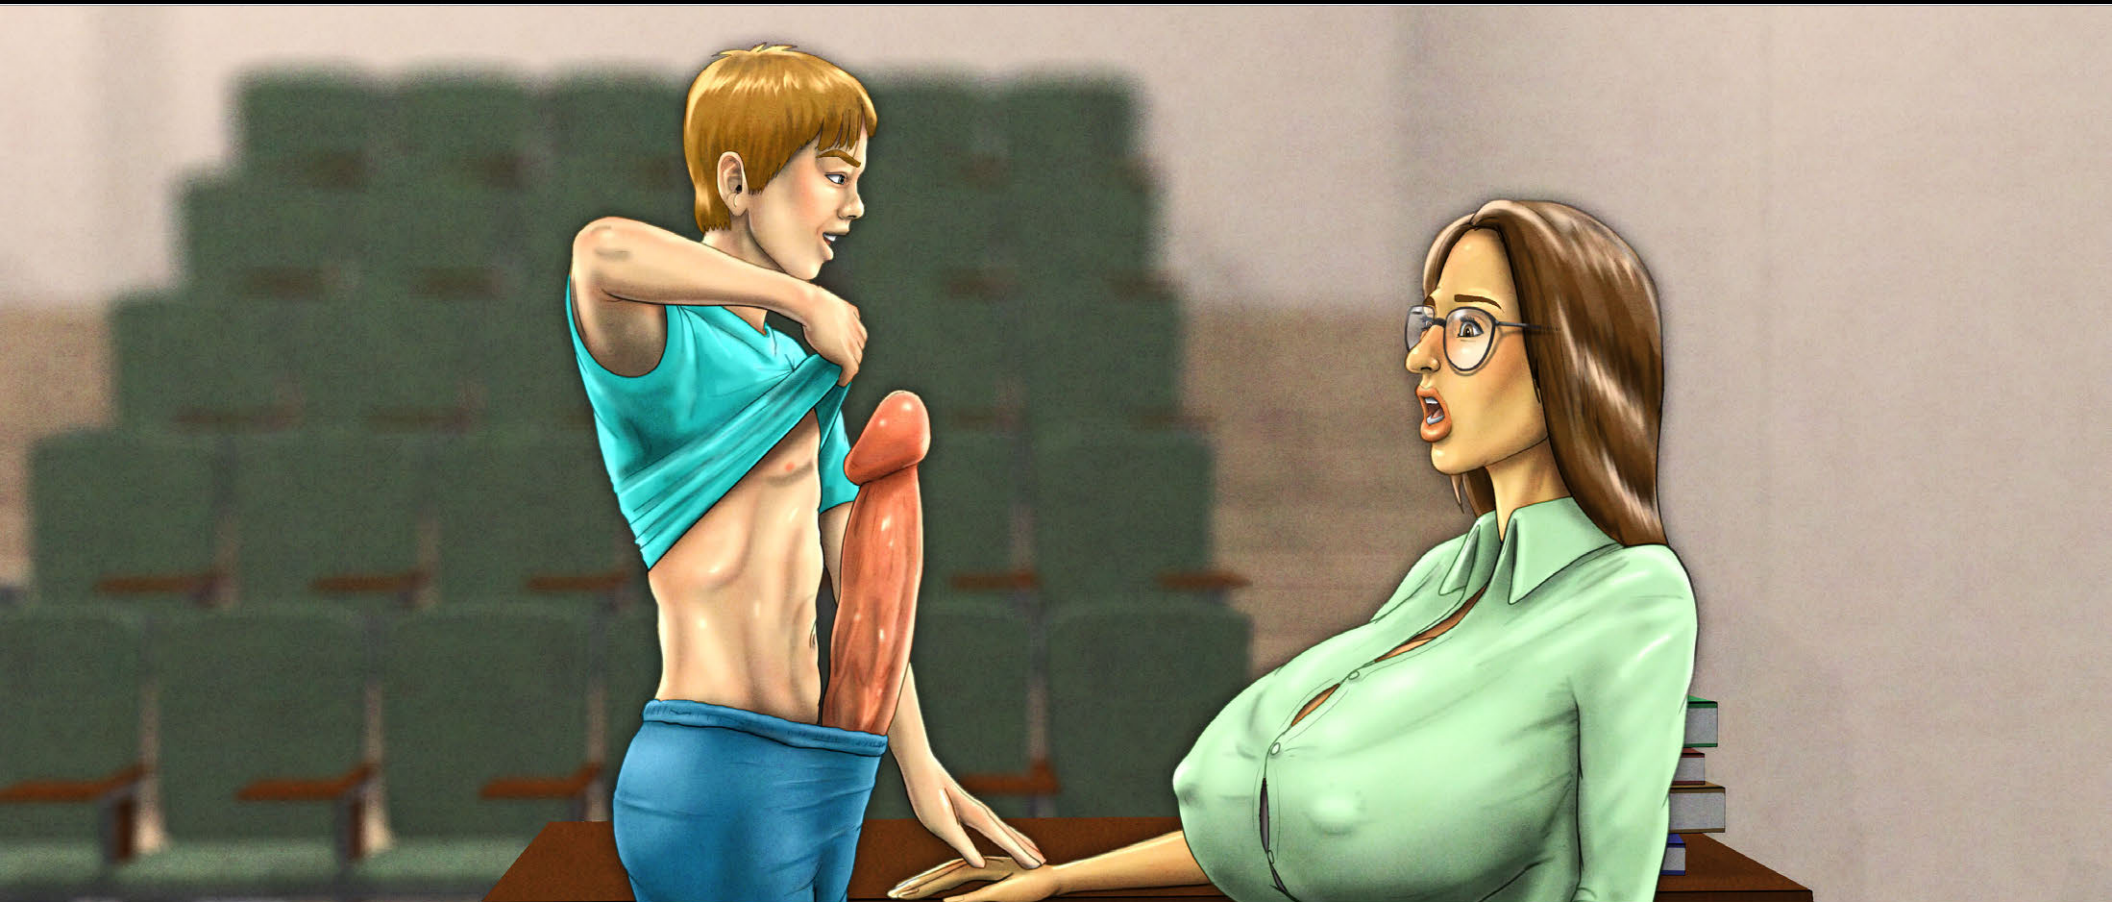

*Yep! The closer I get, the more she's **gaping**. And her **nipples** are **hardening**, too!*

*Uuhh... **Mister Sagin!**
I... I... well...*

I mean... c'mon!
You've *ever* seen one like **this**
before, have you?

I... I... can honestly say,
no, never. But...

*My god! Look at that **COCK!**
Th-that's **beyond** anything
I've **ever** seen, even on any
porn site!*

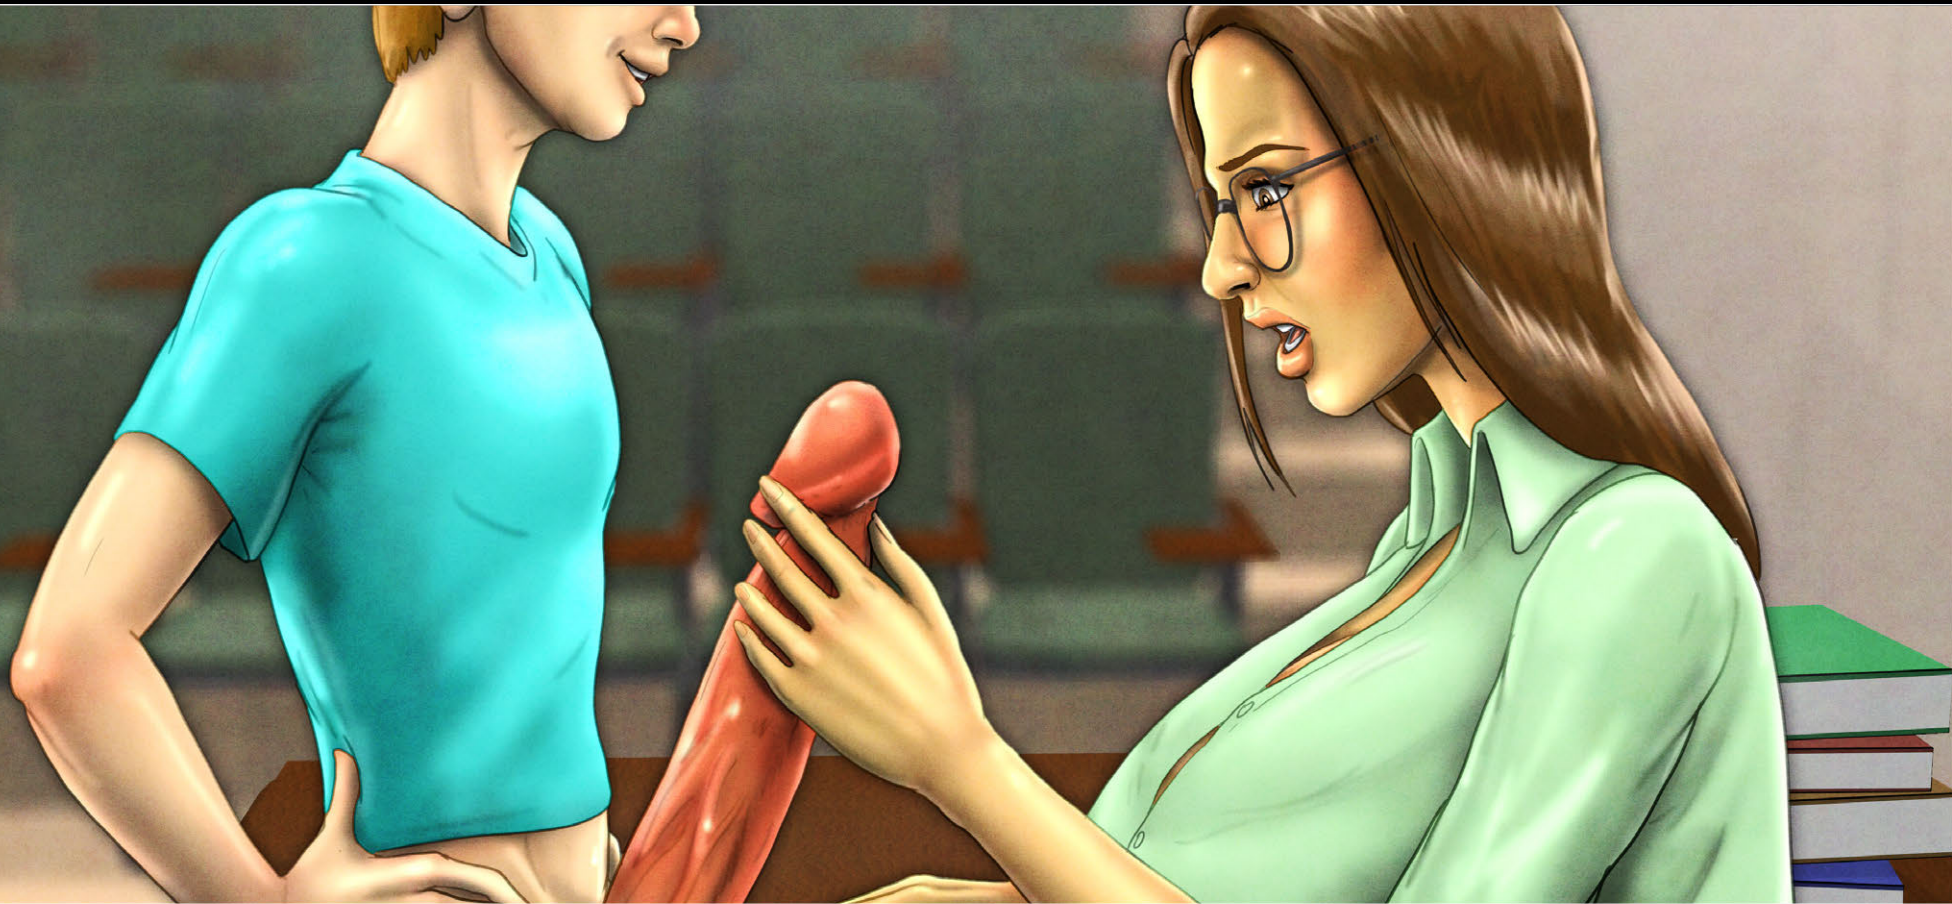

Then why **waste** the opportunity?
I know you've stared at it **often** in class,
there's **no** denying it.

Look. I won't ask for any favors from
you, or hold it against you. Unless you
WANT me to **hold it against** you.
If you know what I mean.

What will we tell anyone who asks what we were doing together after class?

*My **god!** This **cock** feels so amazing! So warm... and so soft on the surface, yet **hard as steel.***

Simple. We were speaking about the **space anomaly**. We were doing some... extracurricular credit. And that's **not** a lie. I **do** have some serious questions about it.

...

Okay then.

I must admit that you have some... *natural talents*... that I desire. But, I **don't** do well with **insubordination** or **coercion**.

Oh shit! Oh shit!
She's **actually** going for it!

Why, su...
uuhnnn! ... (Uh, nice grip...)
Uh... sure, **Professor!** I'm not here to
manipulate. Simply to **enjoy** some...
if you will... **advanced physics**.

"Advanced physics".
Heh. You're **cute** as well as
inconceivably **hung**.

I want to make this perfectly clear,
Mr. Sagin. I am the **teacher**. I am
in charge in this classroom.

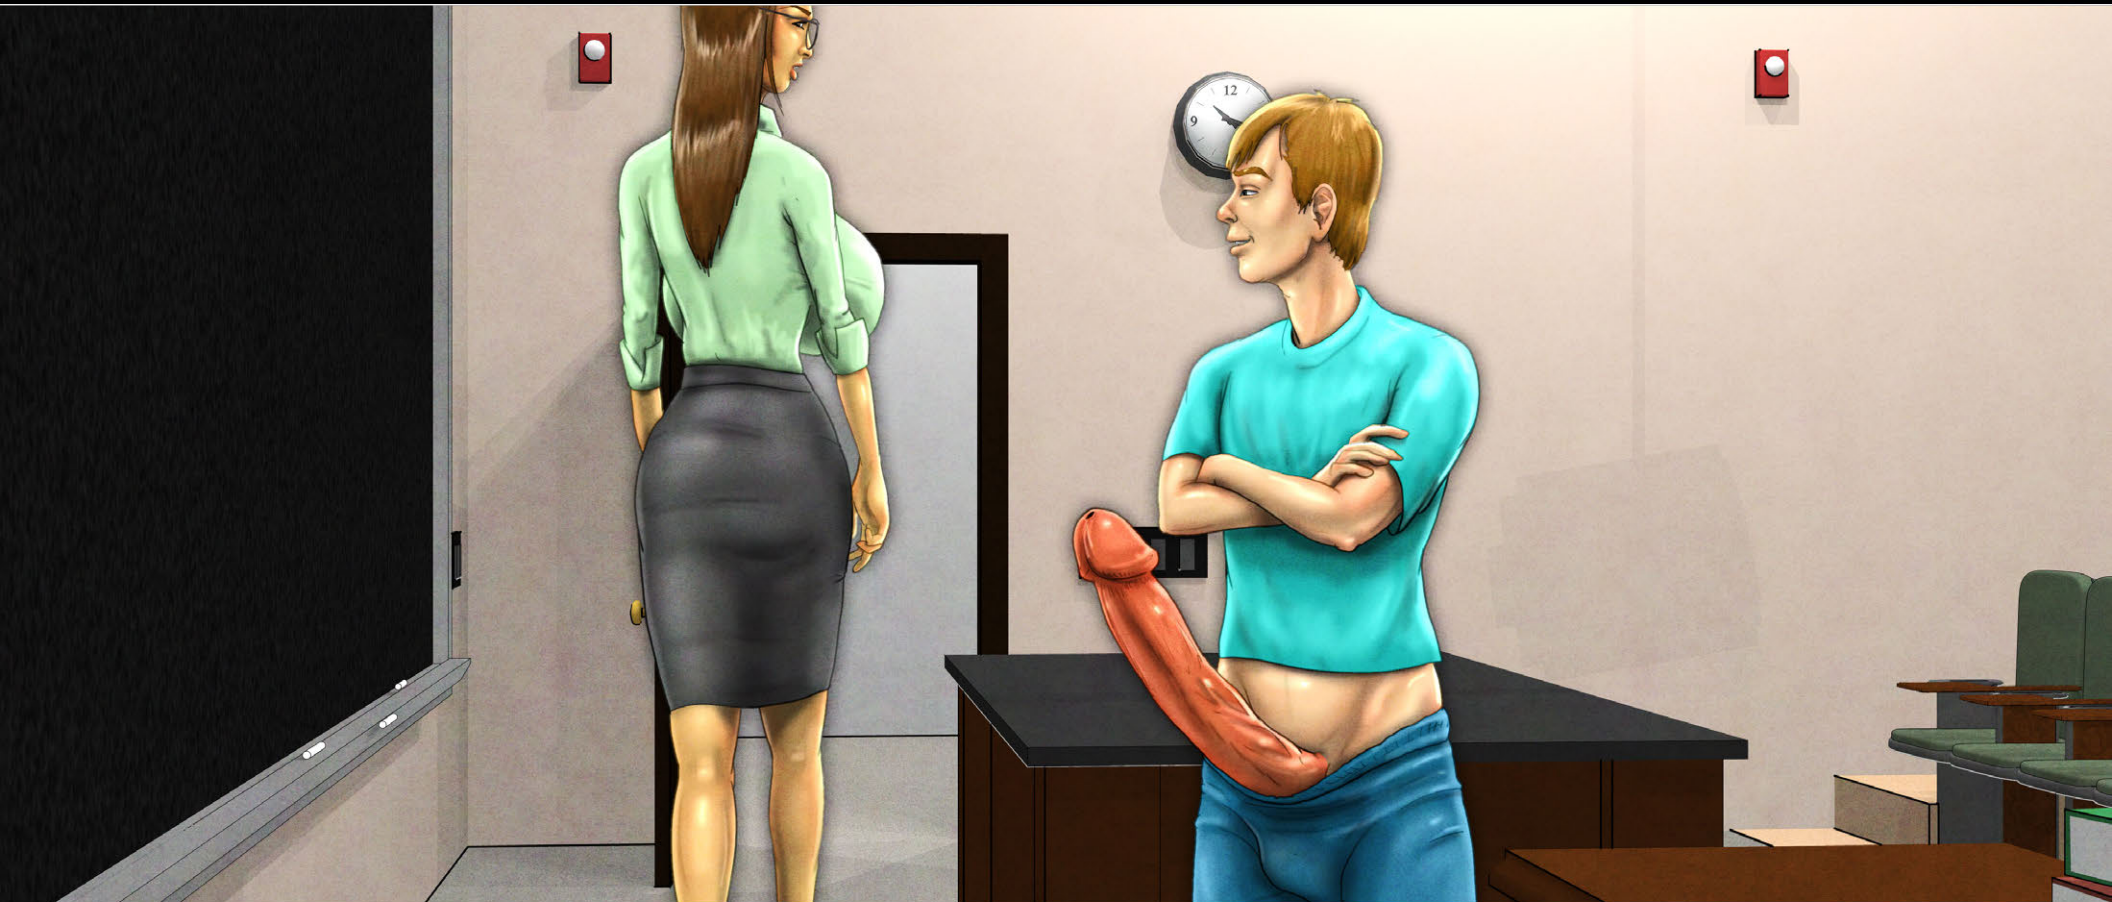

Yes, **Professor Boson!**

And I want to make sure
this does **not** get out.

Oh, of course, **Nellie**.
You're **in charge**!

That's "**Professor Boson**",
Carl. You **will** address me in that
manner. Please remember that.

Oh! Yes, of course,
Professor!

*I could easily change her authoritative
manner, but... I **like** this. This could make
things interestingly different from the way I
was able to control things at **Heidi's** house.*

*Speaking of "changing things,"
she's got a nice ass! However, I want
to make it **even curvier** ...*

*Professor Boson has much **bigger hips and ass**, but she will retain her **hourglass figure and be toned.***

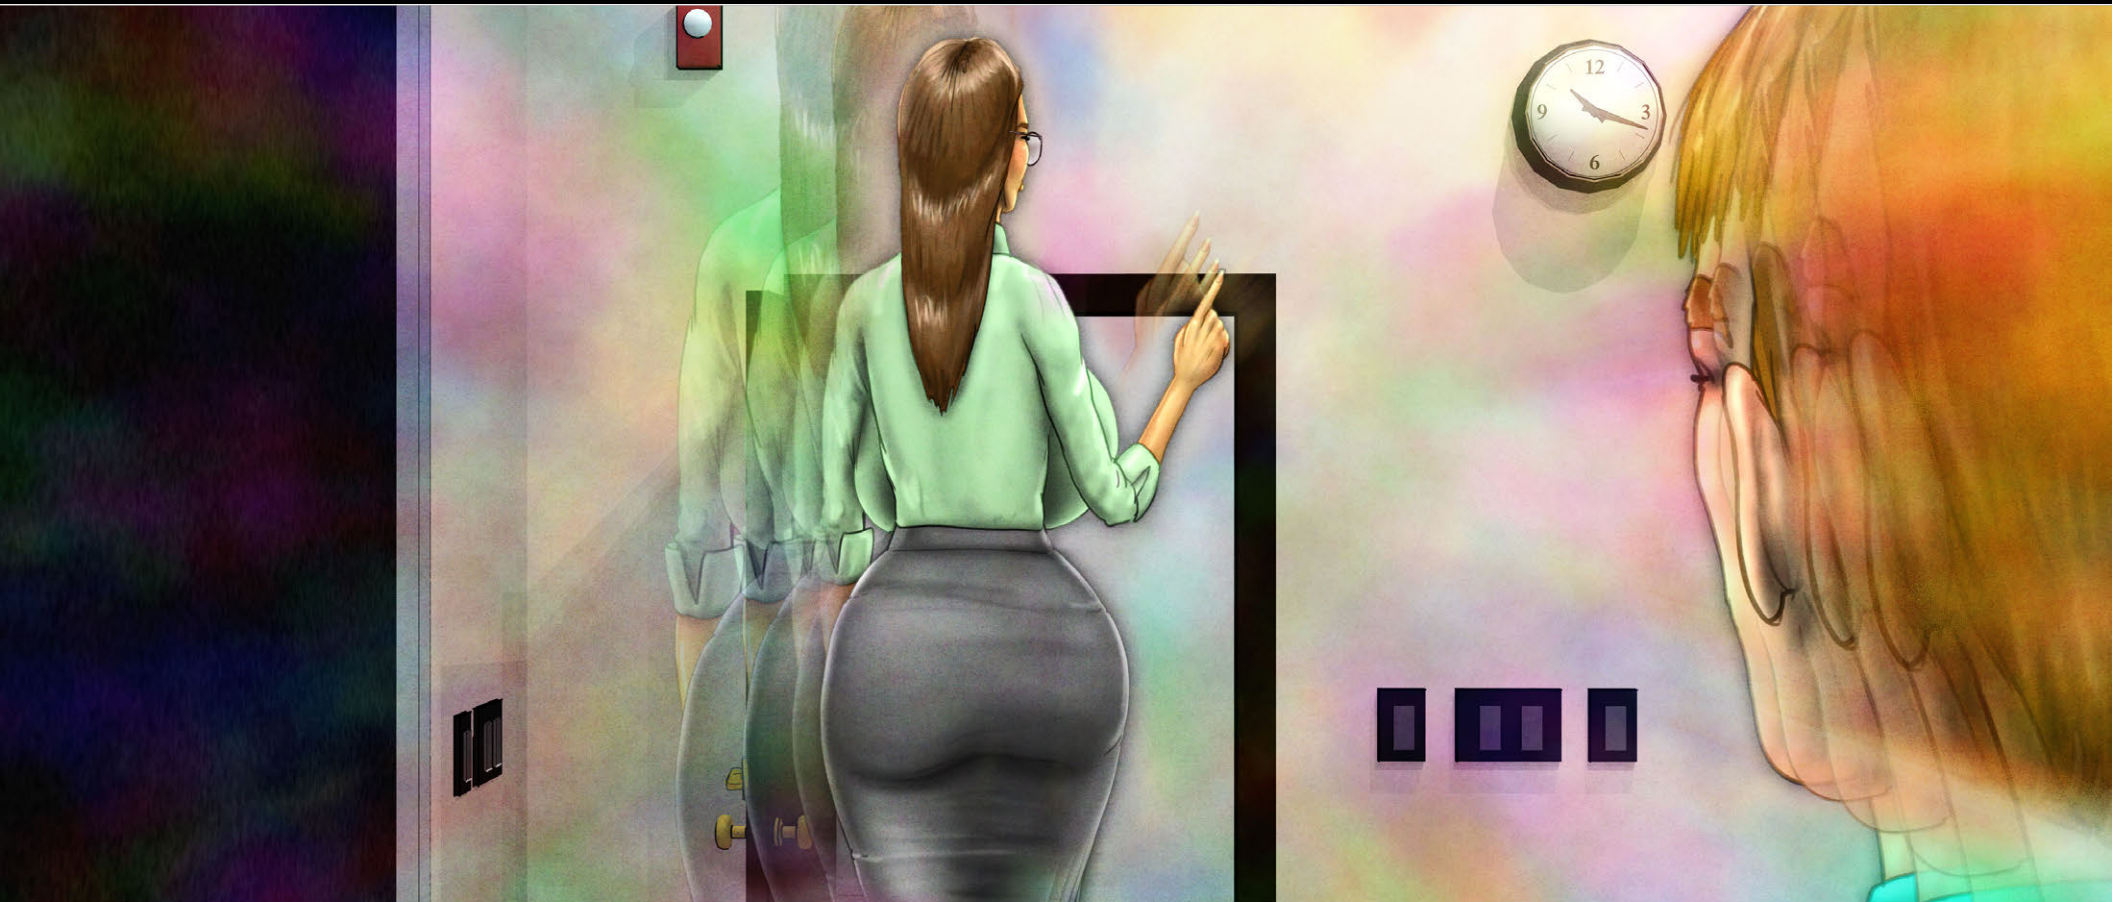

I don't want to regret this.

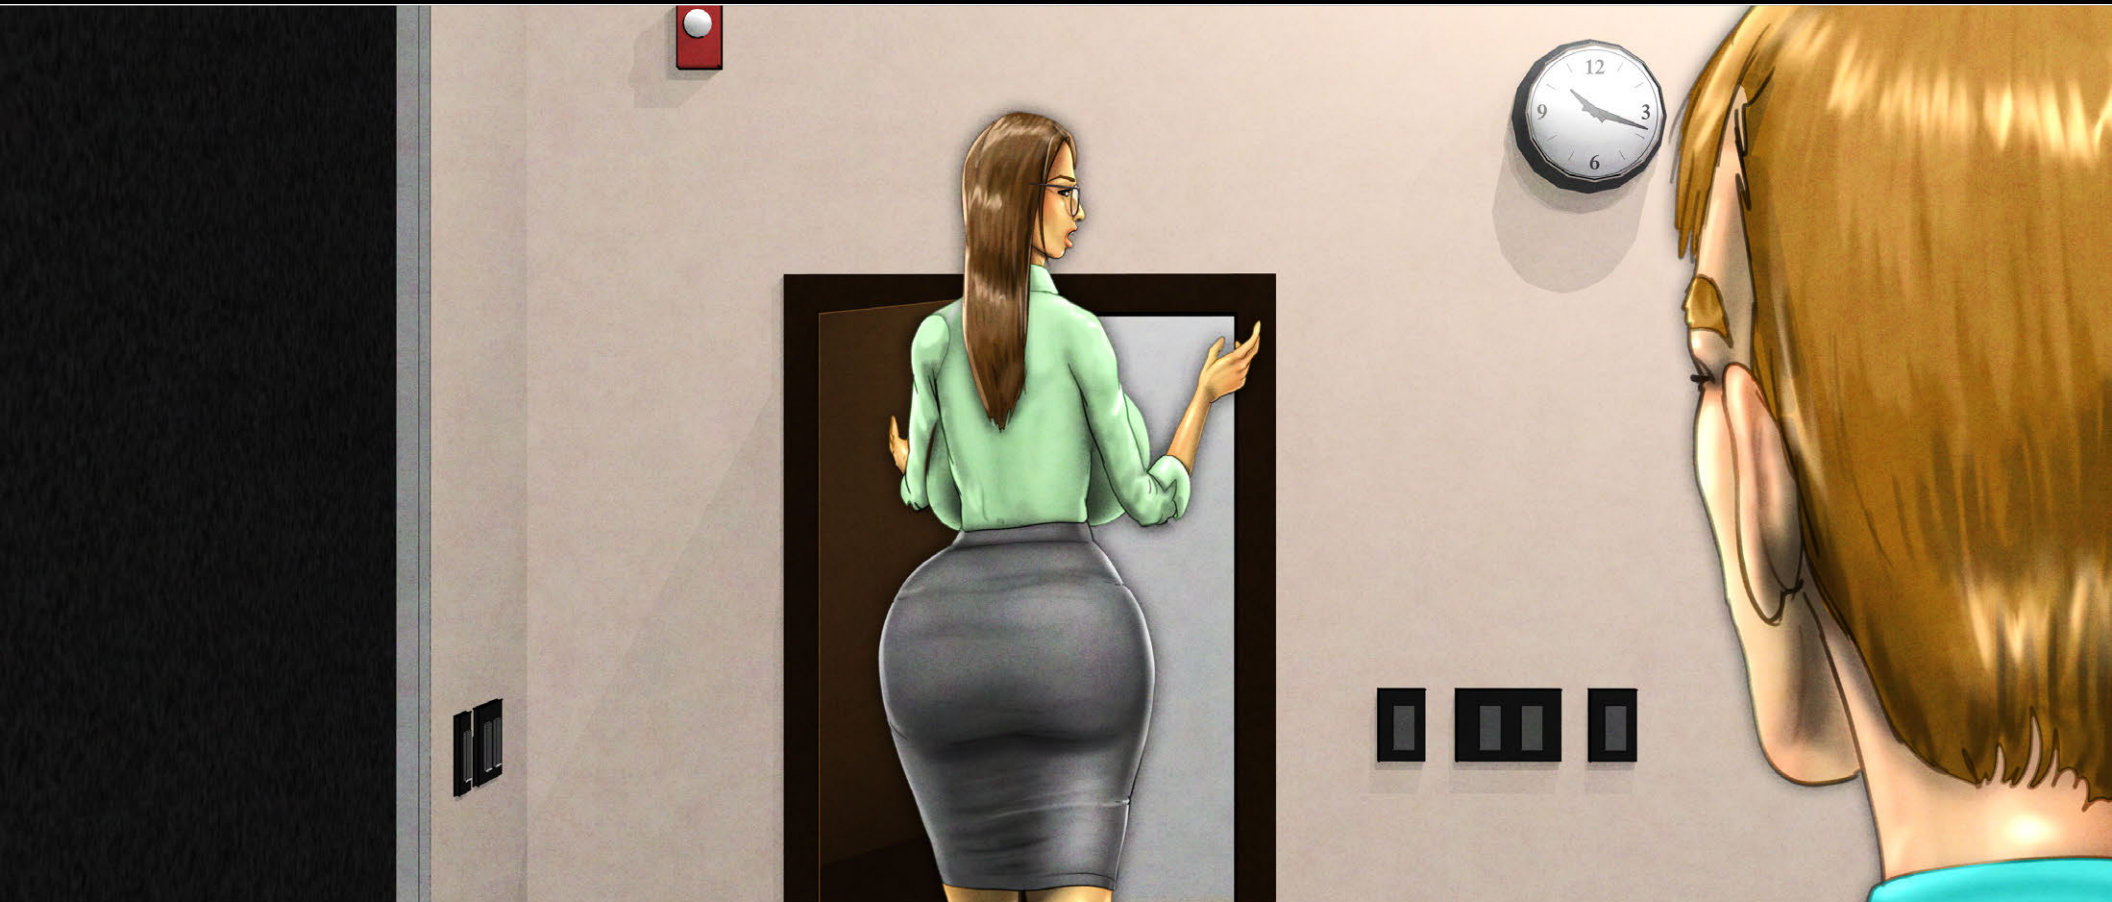

Do I make myself **clear**?

Yeaaahhh...
a little bigger...

Ahhh...
Niiiiice!

Earth to Mr. **Sagin**!
Am I **understood**?

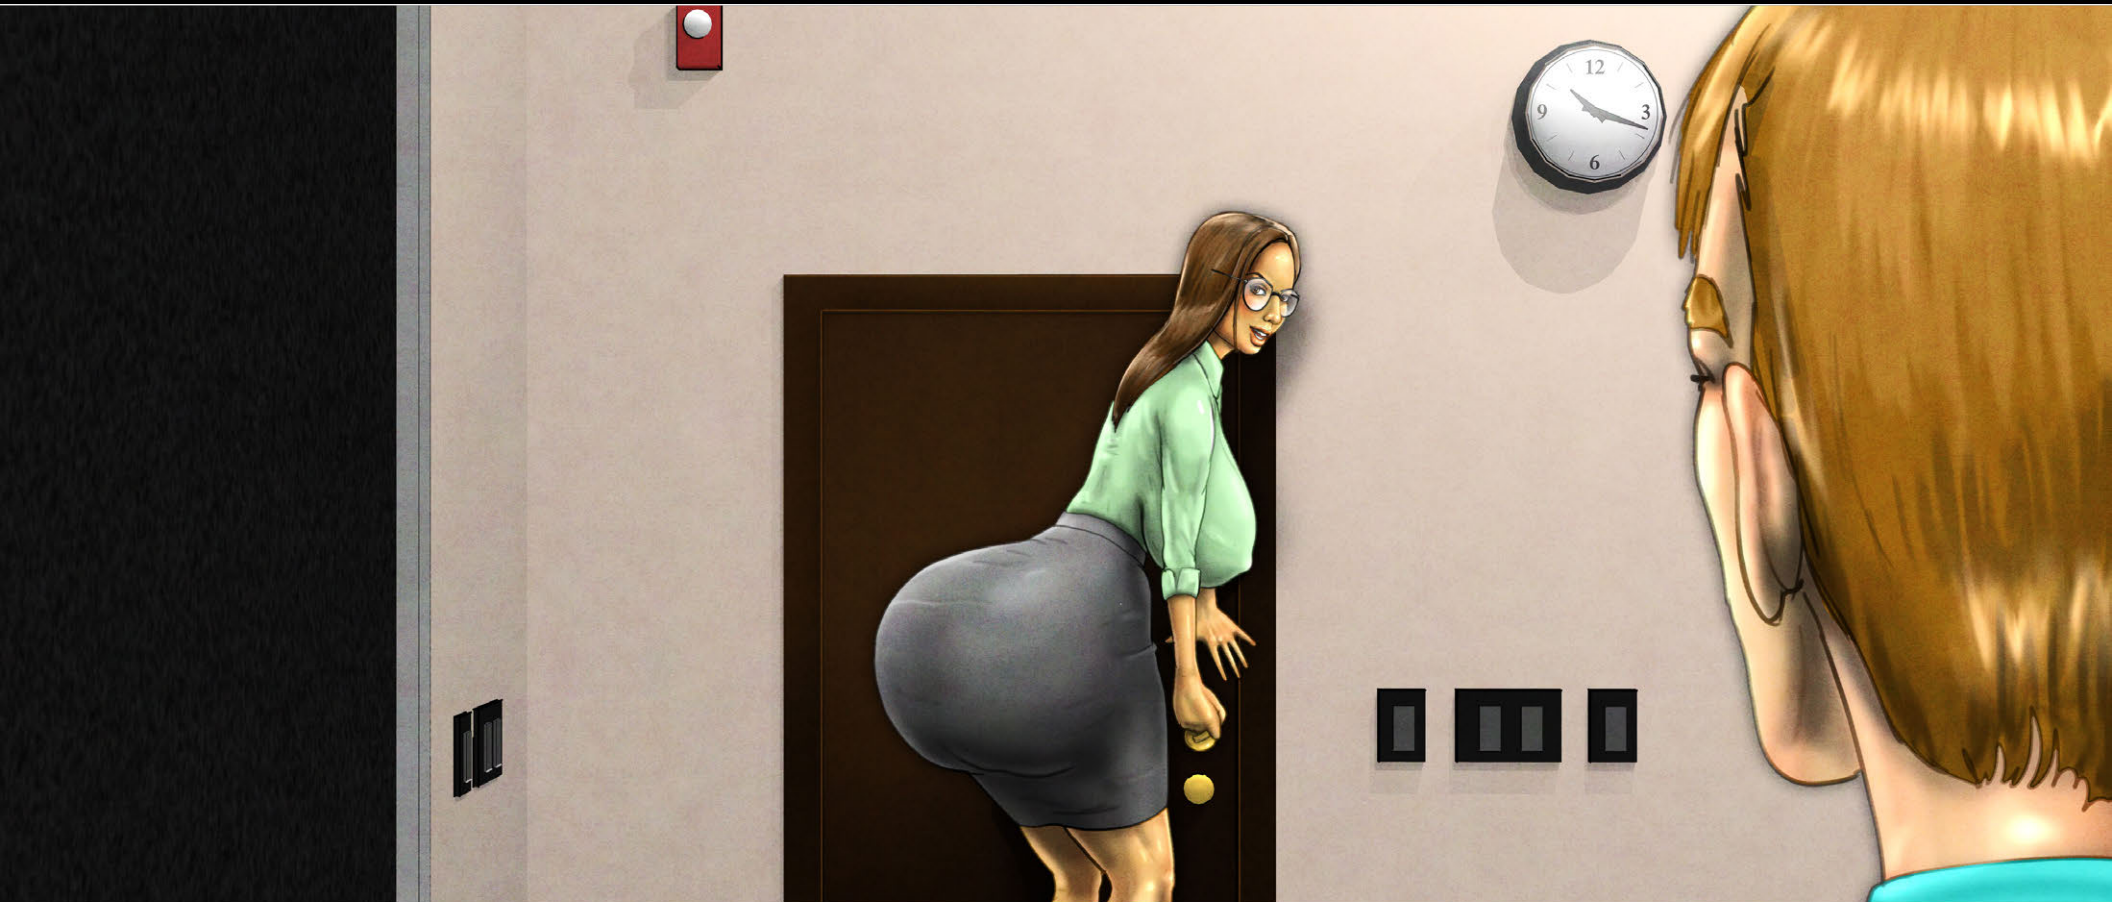

Huh?

Oh, **yes**! No worries!
Completely understood!

Good. I am **glad** to see that we're on the **same page**.

Now, then, **Carl**. What were you asking me again?

She **locked** the door! She really **is** doing this! And without me "altering reality"! Ho-boy, ho-boy, ho-boy!
This is **so fucking hot**!

To be continued...
