Assuring herself first that he was standing still and not looking around or in the mirror, Catherine walked up to Ron as fast as possible, stood still behind him and hit a double biceps pose. She was astonished at her own shadow on the wall...

Ok Ron, you can open your eyes...

Initially, Ron was too shocked
to utter anything intelligible...

W-w-w-w-w-ha...w-ha-w-ha

Instead, Ron just kept staring, and seemed in some kind of shock, breathing very fast, his eyes wide open, his mouth agape but not moving...

Catherine, on the other hand, was no less amazed at the size difference. Standing behind her husband's little body gave her an incredible feeling of power, and she felt the same explosive sexual excitement she had felt over the past few days...

Finally, Ron was able to turn
around...

Are you... What... I don't.... Am I
dreaming?

Is it... really you? Catherine?

Of course it's me darling, your loving wife. I just grew a little, that's all...

How is this... possible? What... happened?

If I told you some fairy granted me a wish, would you believe me?

Eh... no...

So can you think of a more plausible explanation?

N-not really...

It doesn't really matter what happened though. All that matters is *that* it happened, and I'm very glad it did... Aren't you? I remember you always wishes I had bigger tits. Don't you like them now?

Eh... I... I don't know...
I...

Seems like my little man is a bit nervous.
Afraid even? Why are you afraid of me,
Ronniehoney?

I'm not... afraid...

Oh, but I think you are. Afraid because all of a sudden I'm so much bigger than you...

Would you like to know exactly how much bigger?

Eh... not really...

Oh, but I do. Let's take a look, come on... Turn on the lights, will you baby?

See baby, my present weight is 105 kg!

Oh my god, that's just... impossible...

That's a pretty big girl
huh? How much do you
weigh again?

Ehm, I'm not sure
exactly...

Let's find out then, shall we?

Oh... what are you do...

We're 179 together, which means you are 74. I outweigh you by more than 30 kilograms, Ron!

Oh please, somebody wake me up! This can't be happening!

And to be honest, 74 kg never felt so light! Boy, you're like a little doll!

Look at us in the window honey...

A boy who thought he was muscular,
and his really muscular bodybuilder
girlfriend? I love it. I love the way I
look!

A woman with long, wavy brown hair is looking at her reflection in a mirror. She is wearing a red bikini. The scene is dimly lit, with the mirror reflecting her face and upper body. A speech bubble is positioned above her head, containing the text "Hmm, I think I rushed a little bit over my make up...".

Hmm, I think I rushed a little bit over my make up...

Let me just apply some eyeliner

Got my stuff right here, don't go anywhere hon...

You comfortable up there baby?

Eh, I'd like to get down again at some

Sure, you'll be on the ground when
your big girlfriend wants you to be on
the ground...

Musclegirls are still girls, you know.
They still want their face to look pretty.

So what do you think Ron? Do you still find me attractive?

Ah... To be honest..., I liked you better before...

I see. Well, I'm afraid it doesn't really matter if you find me attractive or not...

Cause I'm gonna fuck
you to tears anyhow...

Wait, wha... what did you say?

You heard me, that I'll fuck you to tears. Let me just get my lipstick...

Please.... put me down! I don't like this game...

Oh, it's not really a game... It's just reality... Turns out its much better than anything I could have imagined...

You know, know I see why you think gaining muscle is so important. It's really awesome to be big. Pity for you that you didn't get that far. At least not compared to me...

What... do you plan to do to me?

Relax, just some fun...

To be honest I always hated being smaller and weaker than you... I hated the feeling of not being able to do something when you lifted or held me down...

I never meant to... I'm
sorry if you... -

Ok, I'm done. Let me shift
your position for a
second...

Hmm, you're way too light.
This isn't a challenging lift at
all... It's the way sissy girls
carry their girlfriends...

Let's think of something better... There's a lot more I must be able to do with 75 kg!

Oh, you'll be down soon enough, my little husband. Don't worry...

Please put me down...

Ok, here we go. One,
two...

THREE! Oh my god, that was easy again... Let's see how this looks...

God... Would you look at that...

Oh lord, look at my bulging biceps. They seem as big as your thighs! Can you imagine?

All right baby, time for the next feat of strength! Are you ready to fly?

What? You're not gonna...

And one, two...

Nooo...

THREE!

...00000000

Oops, a little too far...

OOF

My god, this is hilarious! I guess I really don't know my own strength. Look at you, thrown away like a little doll!

Please be... careful...

Oh sure darling, I wanna be careful, but I don't know if I've got these babies under control, you see? They're big girls, they have a mind of their own...

Ok dolly, let's get you
back on the bed...

Cause the big girl really wants to play with her doll, you know...

Time to get a little more intimate baby. Let's get comfortable...

How's it feeling, sitting on your wife's big, muscular thigh?

Eh... okay...

Hmmm, your abs are not bad baby,
but compared to mine, they're not
more than, let say a fit child's.

But you've always been a breast man, haven't you? I think you must be curious to see my big tits... Aren't you?

Ah... yes...

Let's take a closer look,
shall we?

Mmmm, nice and juicy... I know you can't see them yet baby, but trust me...

They're about as big as your head...

Now I think it's time to take off these pants and let Mr.Hardy out. Do you mind?

Eh... I... eh...

See baby, when I ask your opinion, it will always be a pro forma question from now on... I really don't care, but sometimes it will amuse me...

Oooh, Mr Hardy is all wet already. I love that...

Let's introduce him to my big boobies huh? They want to play...
Hold on...

Mr. Hardy is being sandwiched by the big boobies. Now if I move you back and forth a bit like this, I'm sure you could cum, but that's not the idea right now...

Ooooh

Hey, that gives me an idea! What did you say your new bench record was?

Ah... 68 kg, for four reps...

Hmm, let's see if we can top that, with your 75 kg weight. I'm gonna gently lower us on the bed, like this...

Oh Ronniehoney, you're soooo light!

And being able to effortlessly lift you like this is just such an amazing feeling!

I lift your entire body with my two arms like it's nothing, and you're hovering in the air above my big tits... Aaaaaahhhh... And then...

I push you up...

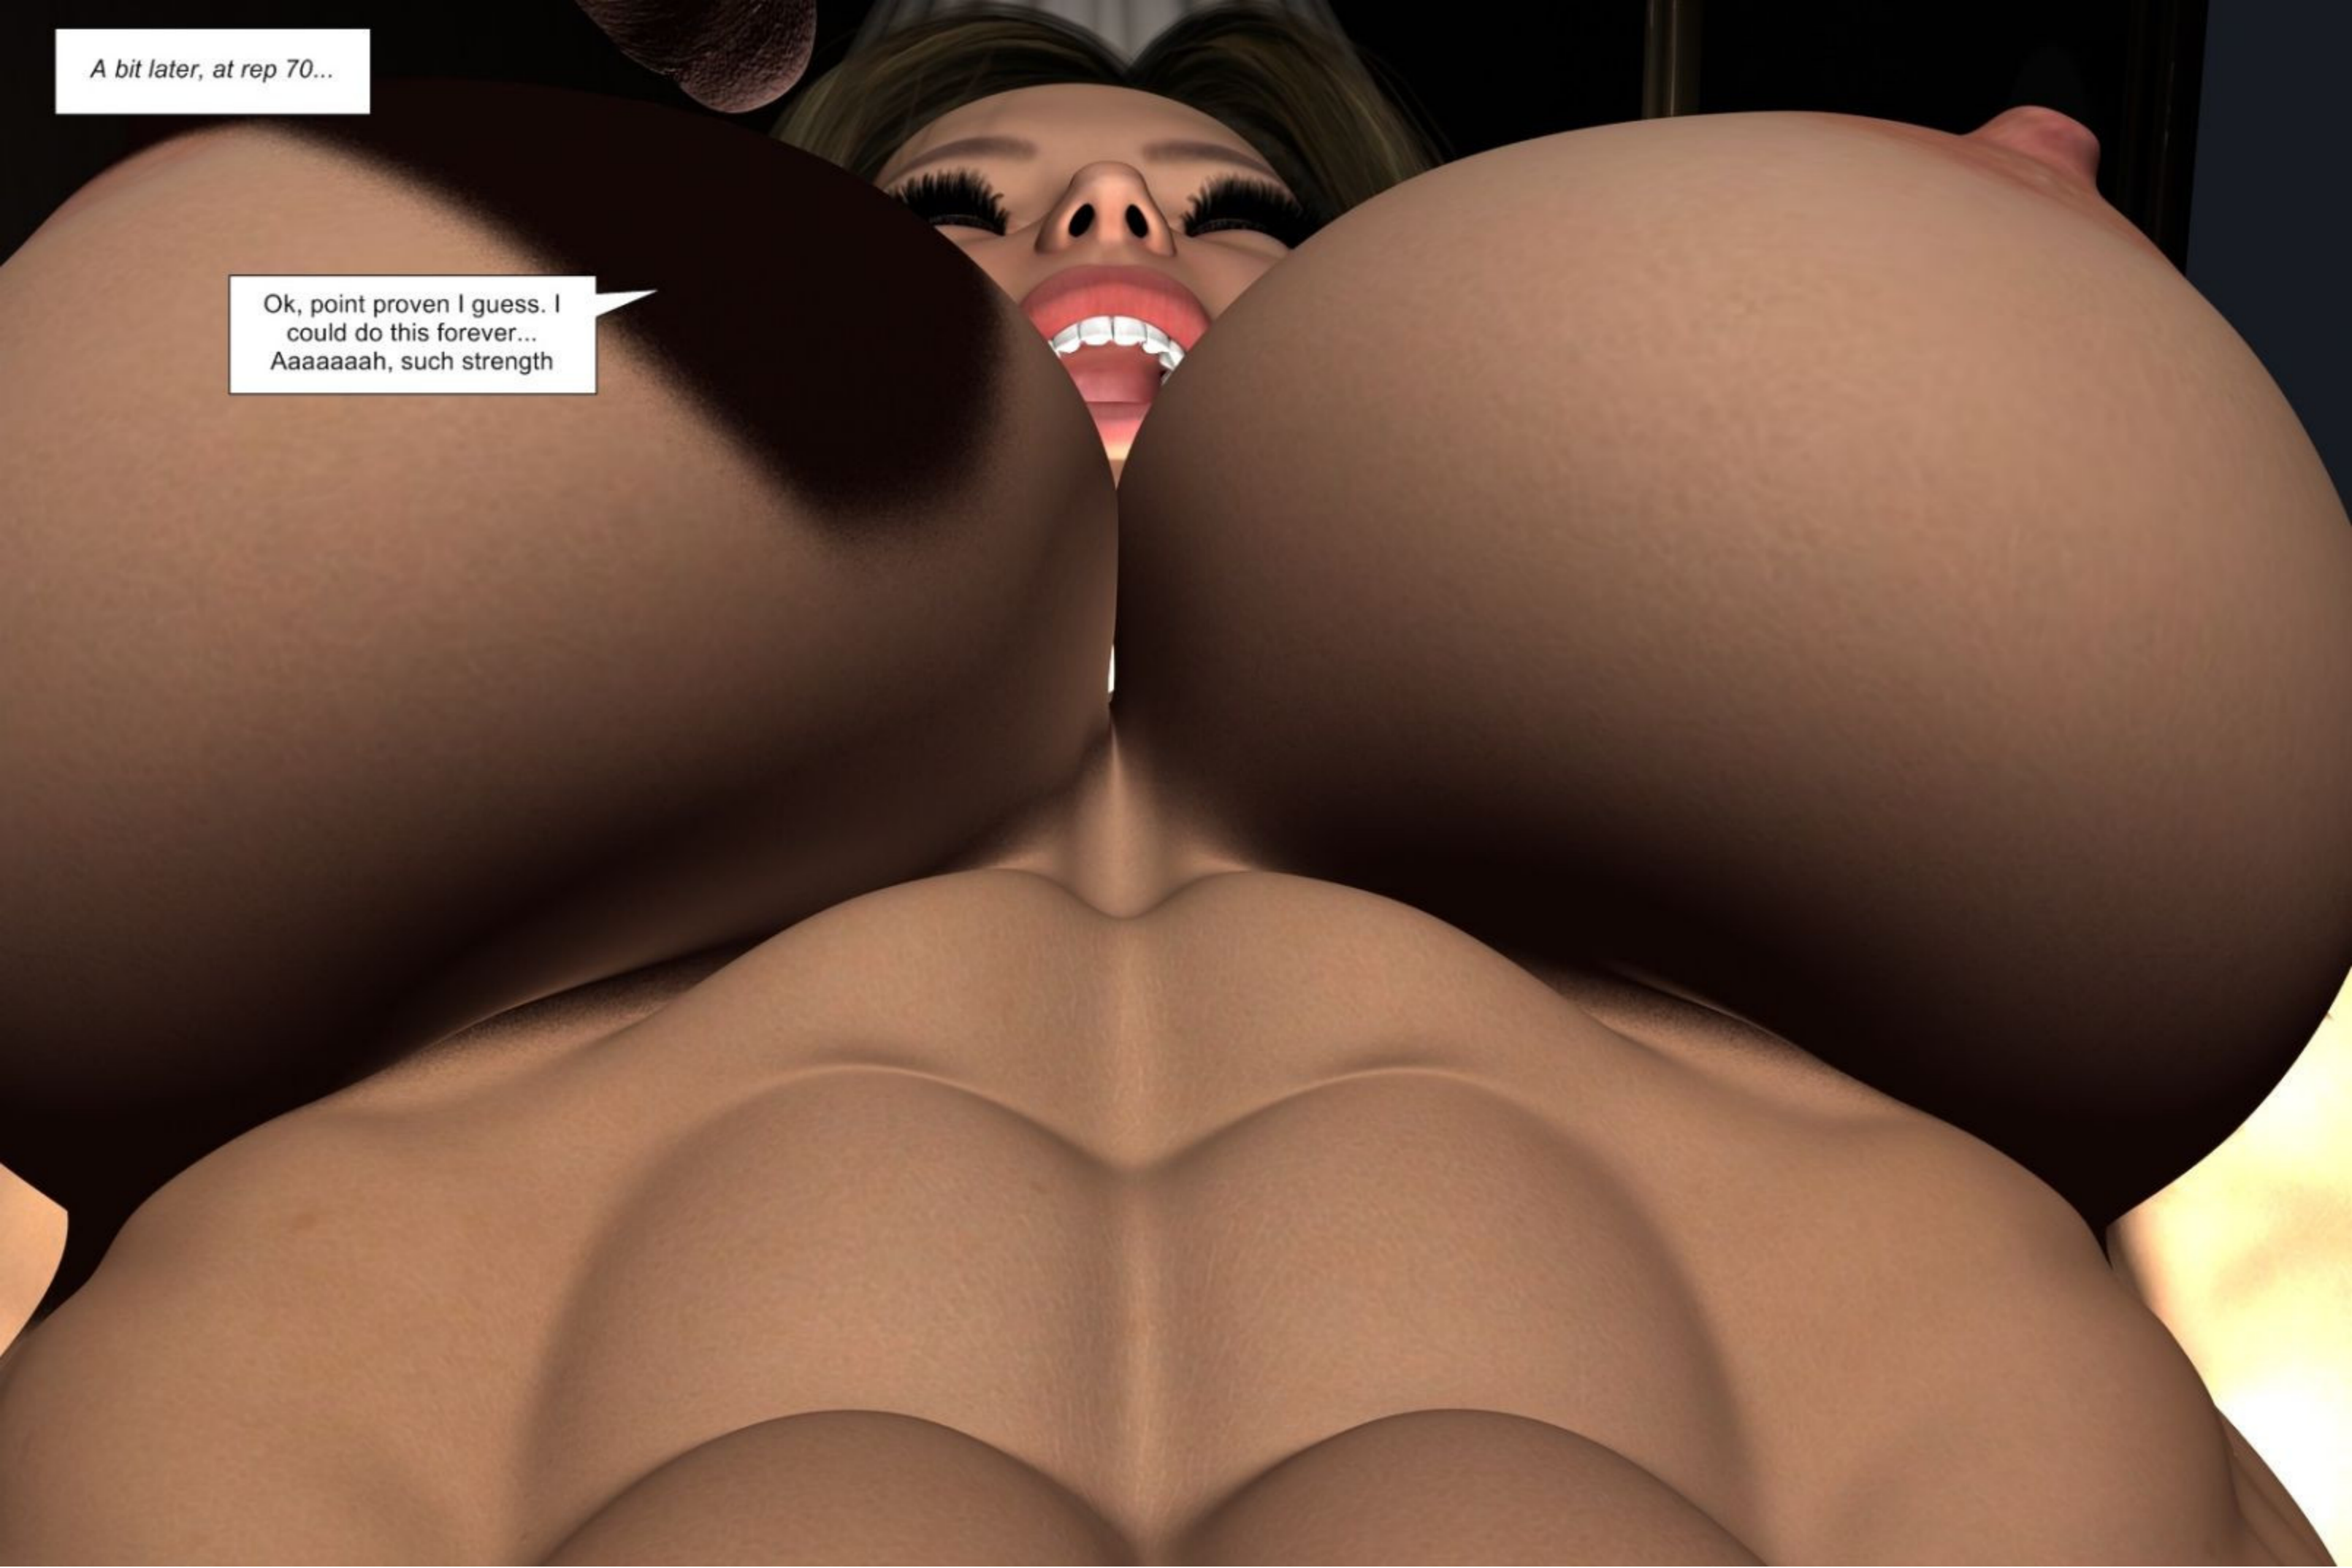

And down again. You count the reps
baby...

A bit later, at rep 70...

Ok, point proven I guess. I
could do this forever...
Aaaaaaah, such strength

I wonder if...

Oh yes! Ab crunches while lifting my husband: check!

Now I'm gonna give you a better look at my tits, finally...
Let me turn you around...

There you go! Enjoy the view from the second floor!

I think I can keep you
up like this all night!
Like you way 75 grams
nstead of kilogram!

You like my tits Ron?
Big enough for you?

Eh... yes... very big...
Huge...

Feel them!

Can't reach 'm, can you, little boy?

You'll only touch me when I allow you to touch me from now on. So it's gonna be a bit different from before...

So, now you will fuck me. If you cum, I will carry you naked into your office tomorrow, I swear. Understood?

Under...stood...

God boy. I'm gonna lower you, we
take off my skirt and panties, and
you will fuck me as hard as you can!

Oh god, this feels like an ant climbing an elephant! Deeper! Harder! Yes, that's it!

**HARDER! FASTER! COME ON
LITTLE WORM!**

Oh ooooh... I love being strong... I love feeling your tiny body on top of my big muscles. DON'T SLOW DOWN!

HAND ON MY BICEP! NOW! FEEL IT!

Keep your head between my tits.
This is the way I wanna cum!

Oh yes, squeeze it... Feel the power!
Oh YES, YES... OOOH

OOOH OOOOH OOOOH

AAAAAAAAAAHHHHH

That wasn't bad at all, little boy!

Aaaaargh, my hair!

Not bad at all, for a start!

But unfortunately, the big girl wants to go again already...
