

Ught my head where am i  
what happened

easy there i don't  
have the answers but  
i will tell you what i  
know

Is that a door why  
capture use and why  
are we naked

I never saw any of  
them but i hear  
some time scream

Wait there's some one  
walking

A 3D rendered woman with long, wavy red hair, shown from the waist up and shirtless. She is positioned in profile, facing left, with her mouth wide open in a surprised or excited expression. Her hands are raised, with her fingers curled as if knocking on a dark grey wall. A white speech bubble originates from her mouth, containing the text "Heeey let us out of here you there i saw you". The background is a simple, dark grey wall with a vertical seam or shadow line on the right side.

Heeey let us out of here  
you there i saw you

sheesh dont scream or  
they will take you like  
the others

you see this they  
puring gas from there  
and then they take or  
bring a new girl

What if we pug it and  
wait for them to walk in

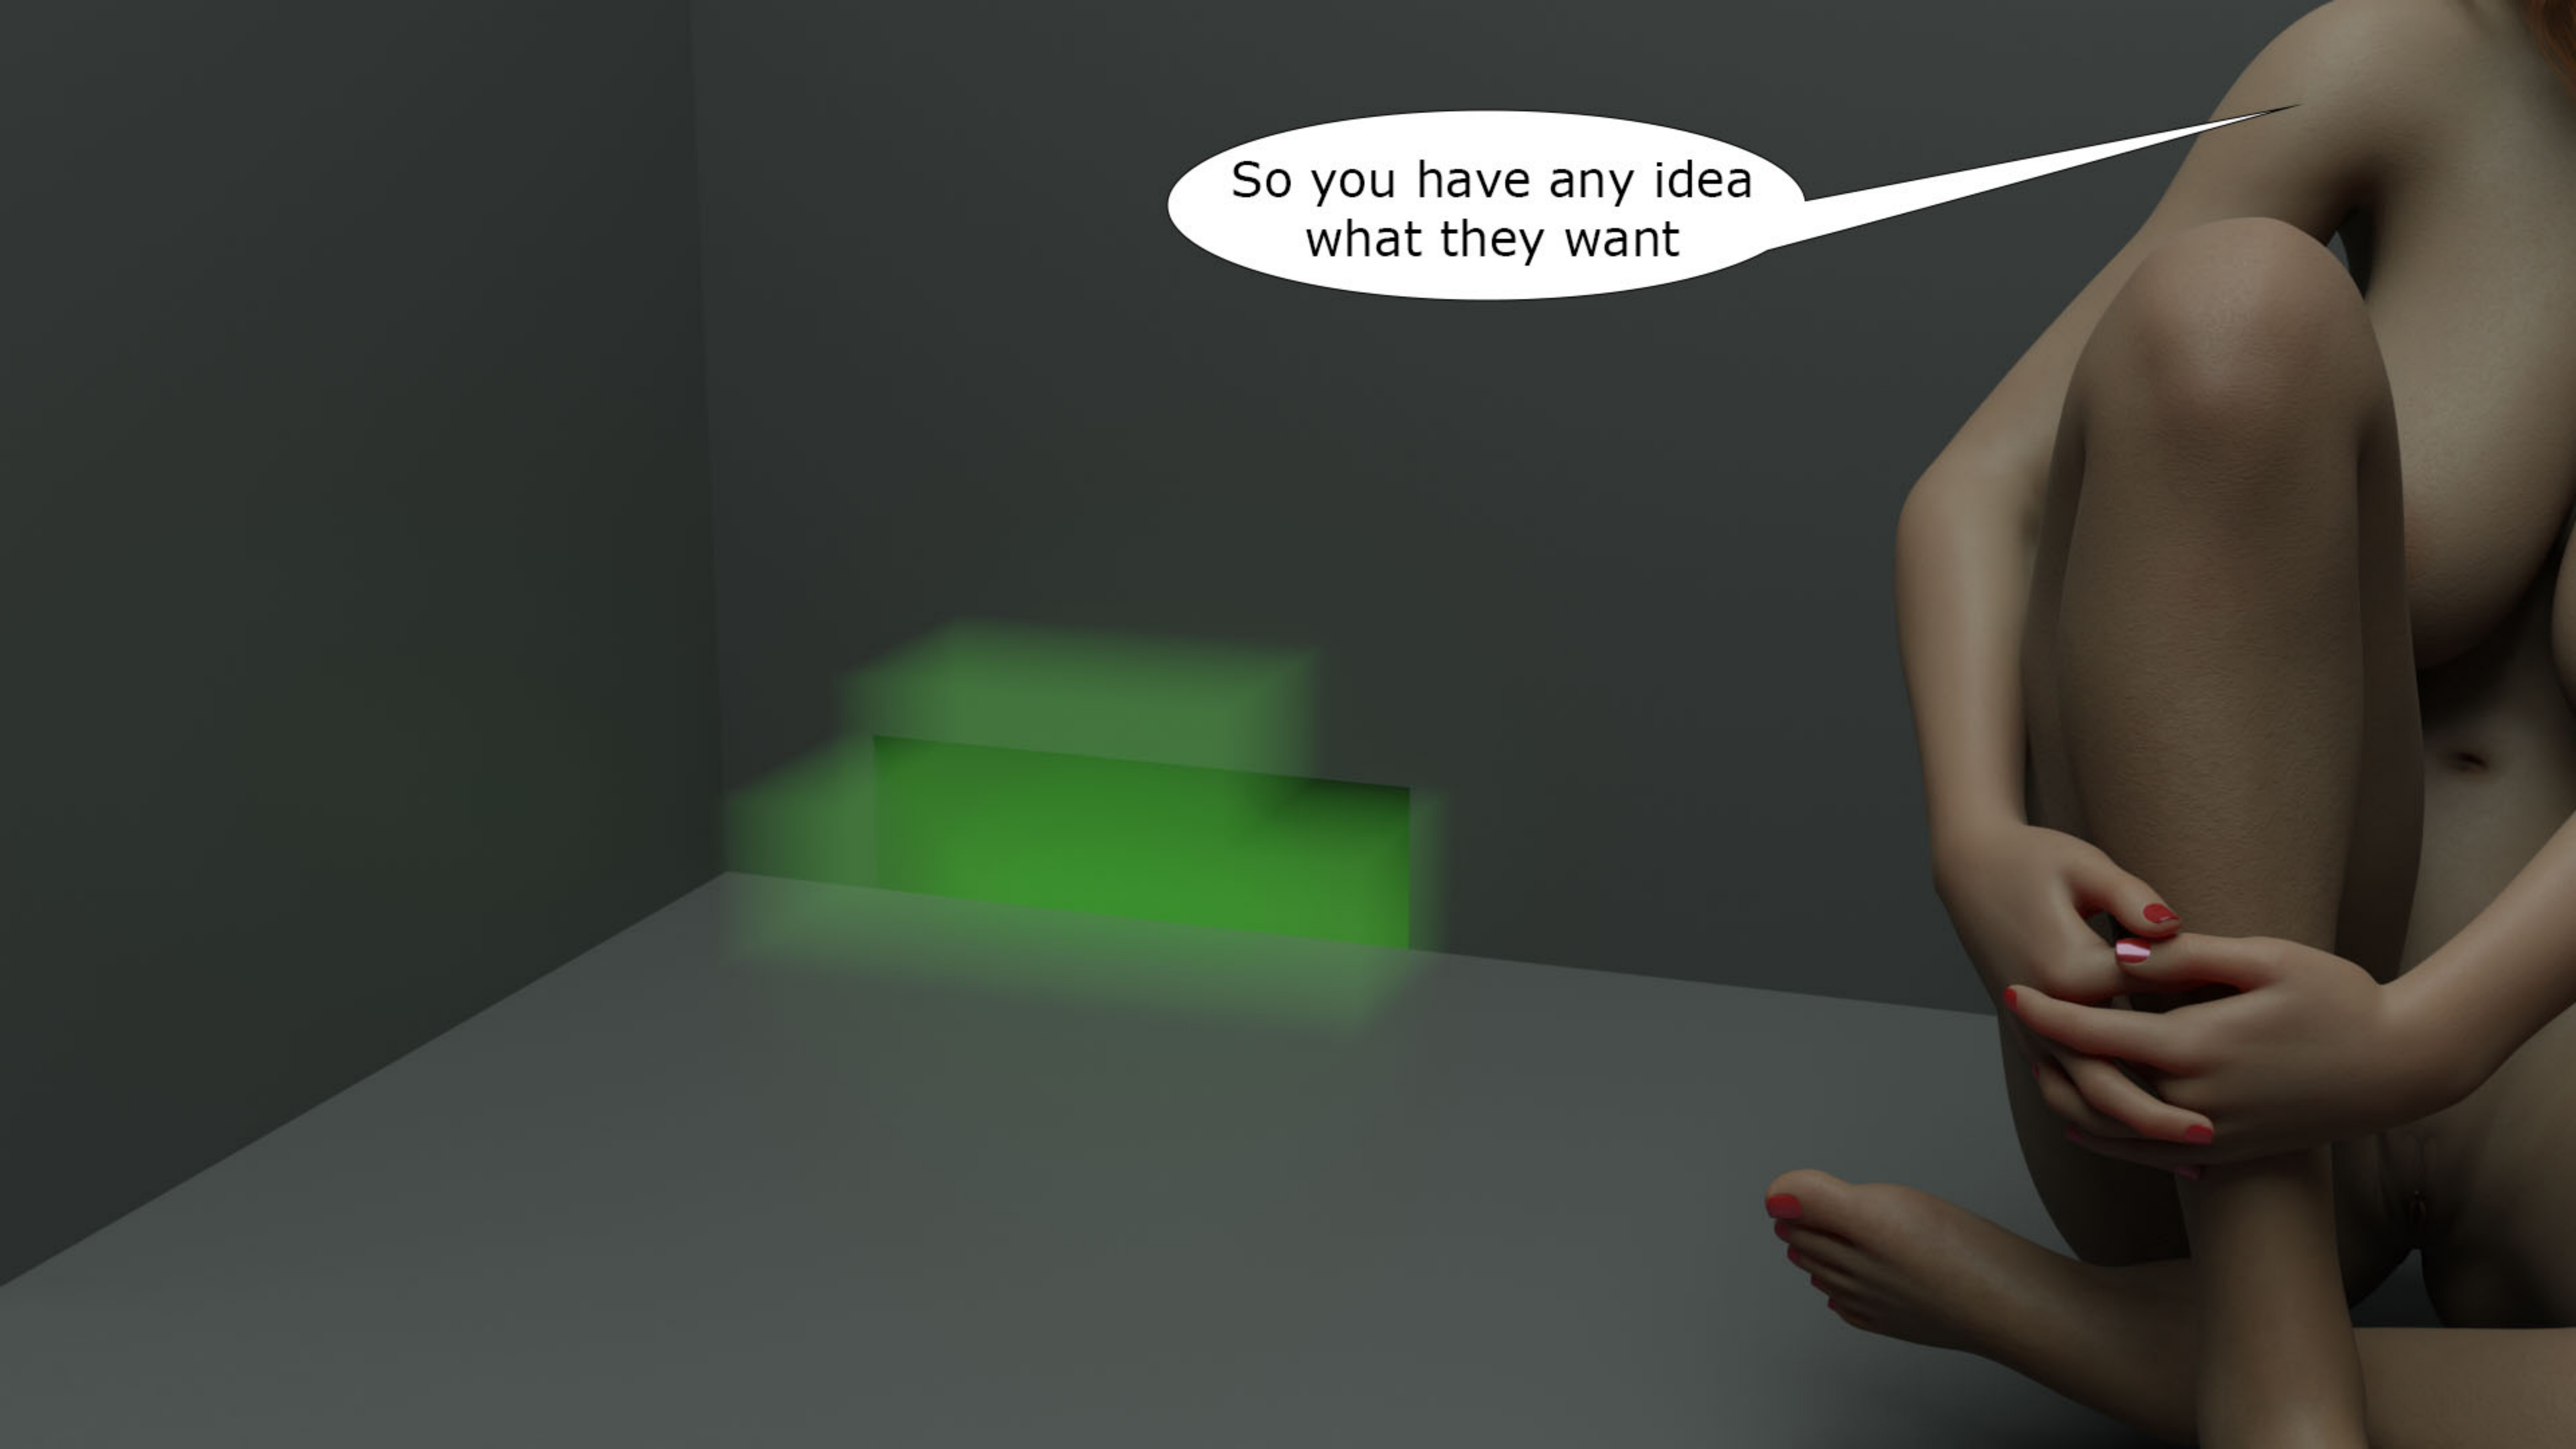

it want work 2 girls before  
me tried that and was taken  
because of it

you just don't do any thing  
stupig and they will leave  
you alone like me but if  
you're truble maker then  
they will gas us and take  
you and bring new one in  
your place

A 3D rendered woman with red hair is sitting in a dark room. She is looking directly at the camera with a slightly concerned or questioning expression. Her hair is styled in loose waves. She is wearing red nail polish. A white speech bubble is positioned to her right, containing the text "How long are you in here".

How long are you in here

A 3D rendered scene featuring a woman sitting on a grey table. She is wearing a black bikini and has red nail polish on her hands and feet. Her hands are clasped together on her lap. In the background, a glowing green rectangular object sits on the table. A white speech bubble with a tail pointing to the woman's head contains the text "So you have any idea what they want".

So you have any idea  
what they want

No no no please don't take me just bring new one. I started to like this one.

A 3D rendered image of a woman with long, wavy, reddish-brown hair. She has a metallic, silver-colored collar around her neck. Her eyes are closed, and her mouth is slightly open, giving her a surprised or distressed expression. A white speech bubble is positioned to the left of her head, containing the text "Wha what happend". The background is a dark, gradient blue.

Wha what happend

Where am i why i'm pinned

Is any one in here

Hey there can you  
heareme let me out

What are you what did  
the do to you

what is happening now what  
is it doing to me

um what was that did i  
past up

hold on a sec why i  
can't fell my body

What didi yu do to me why  
you monsters

Oi put me back you you  
what ever you are

oh my poor body just  
standing there

A 3D rendered scene in a dark, minimalist environment. Two nude female mannequins are positioned in the foreground. The mannequin on the left is facing left, and the one on the right is facing right. A speech bubble originates from the mannequin on the right, containing the text "what is that why is it work now". In the background, a small, dark, geometric object hangs from the ceiling. The lighting is soft, highlighting the contours of the mannequins.

what is that why is it  
work now

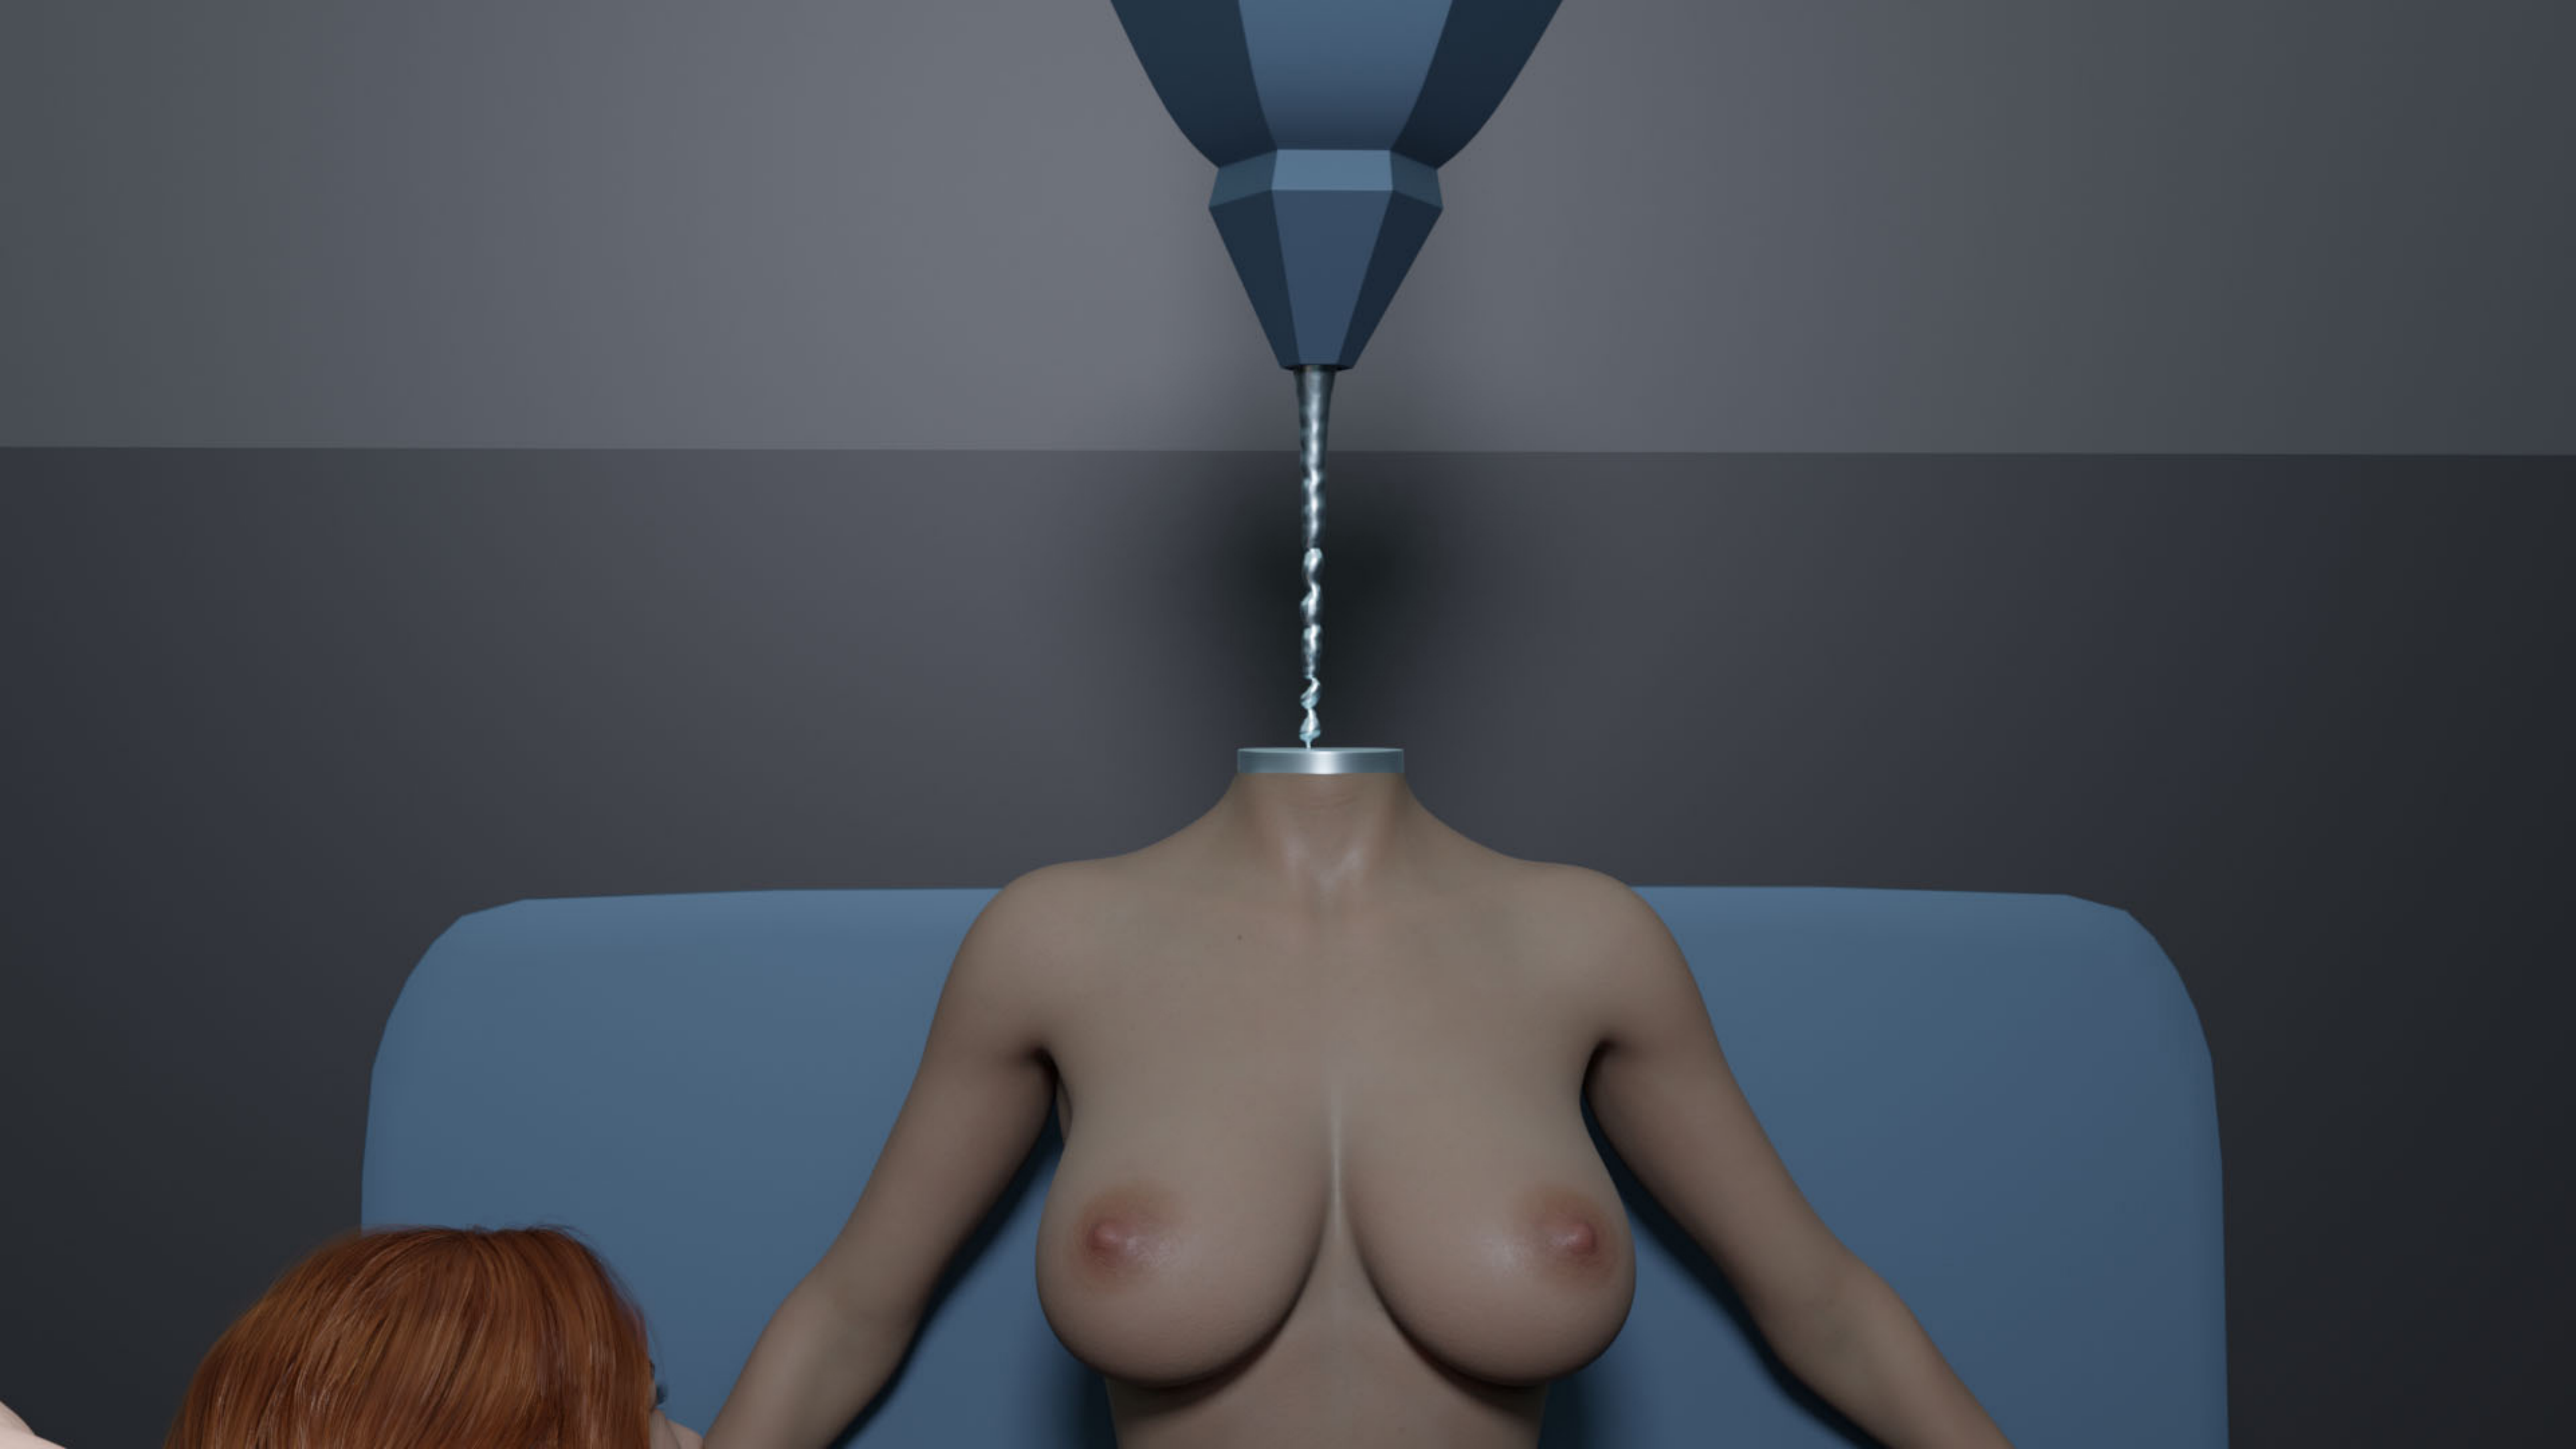

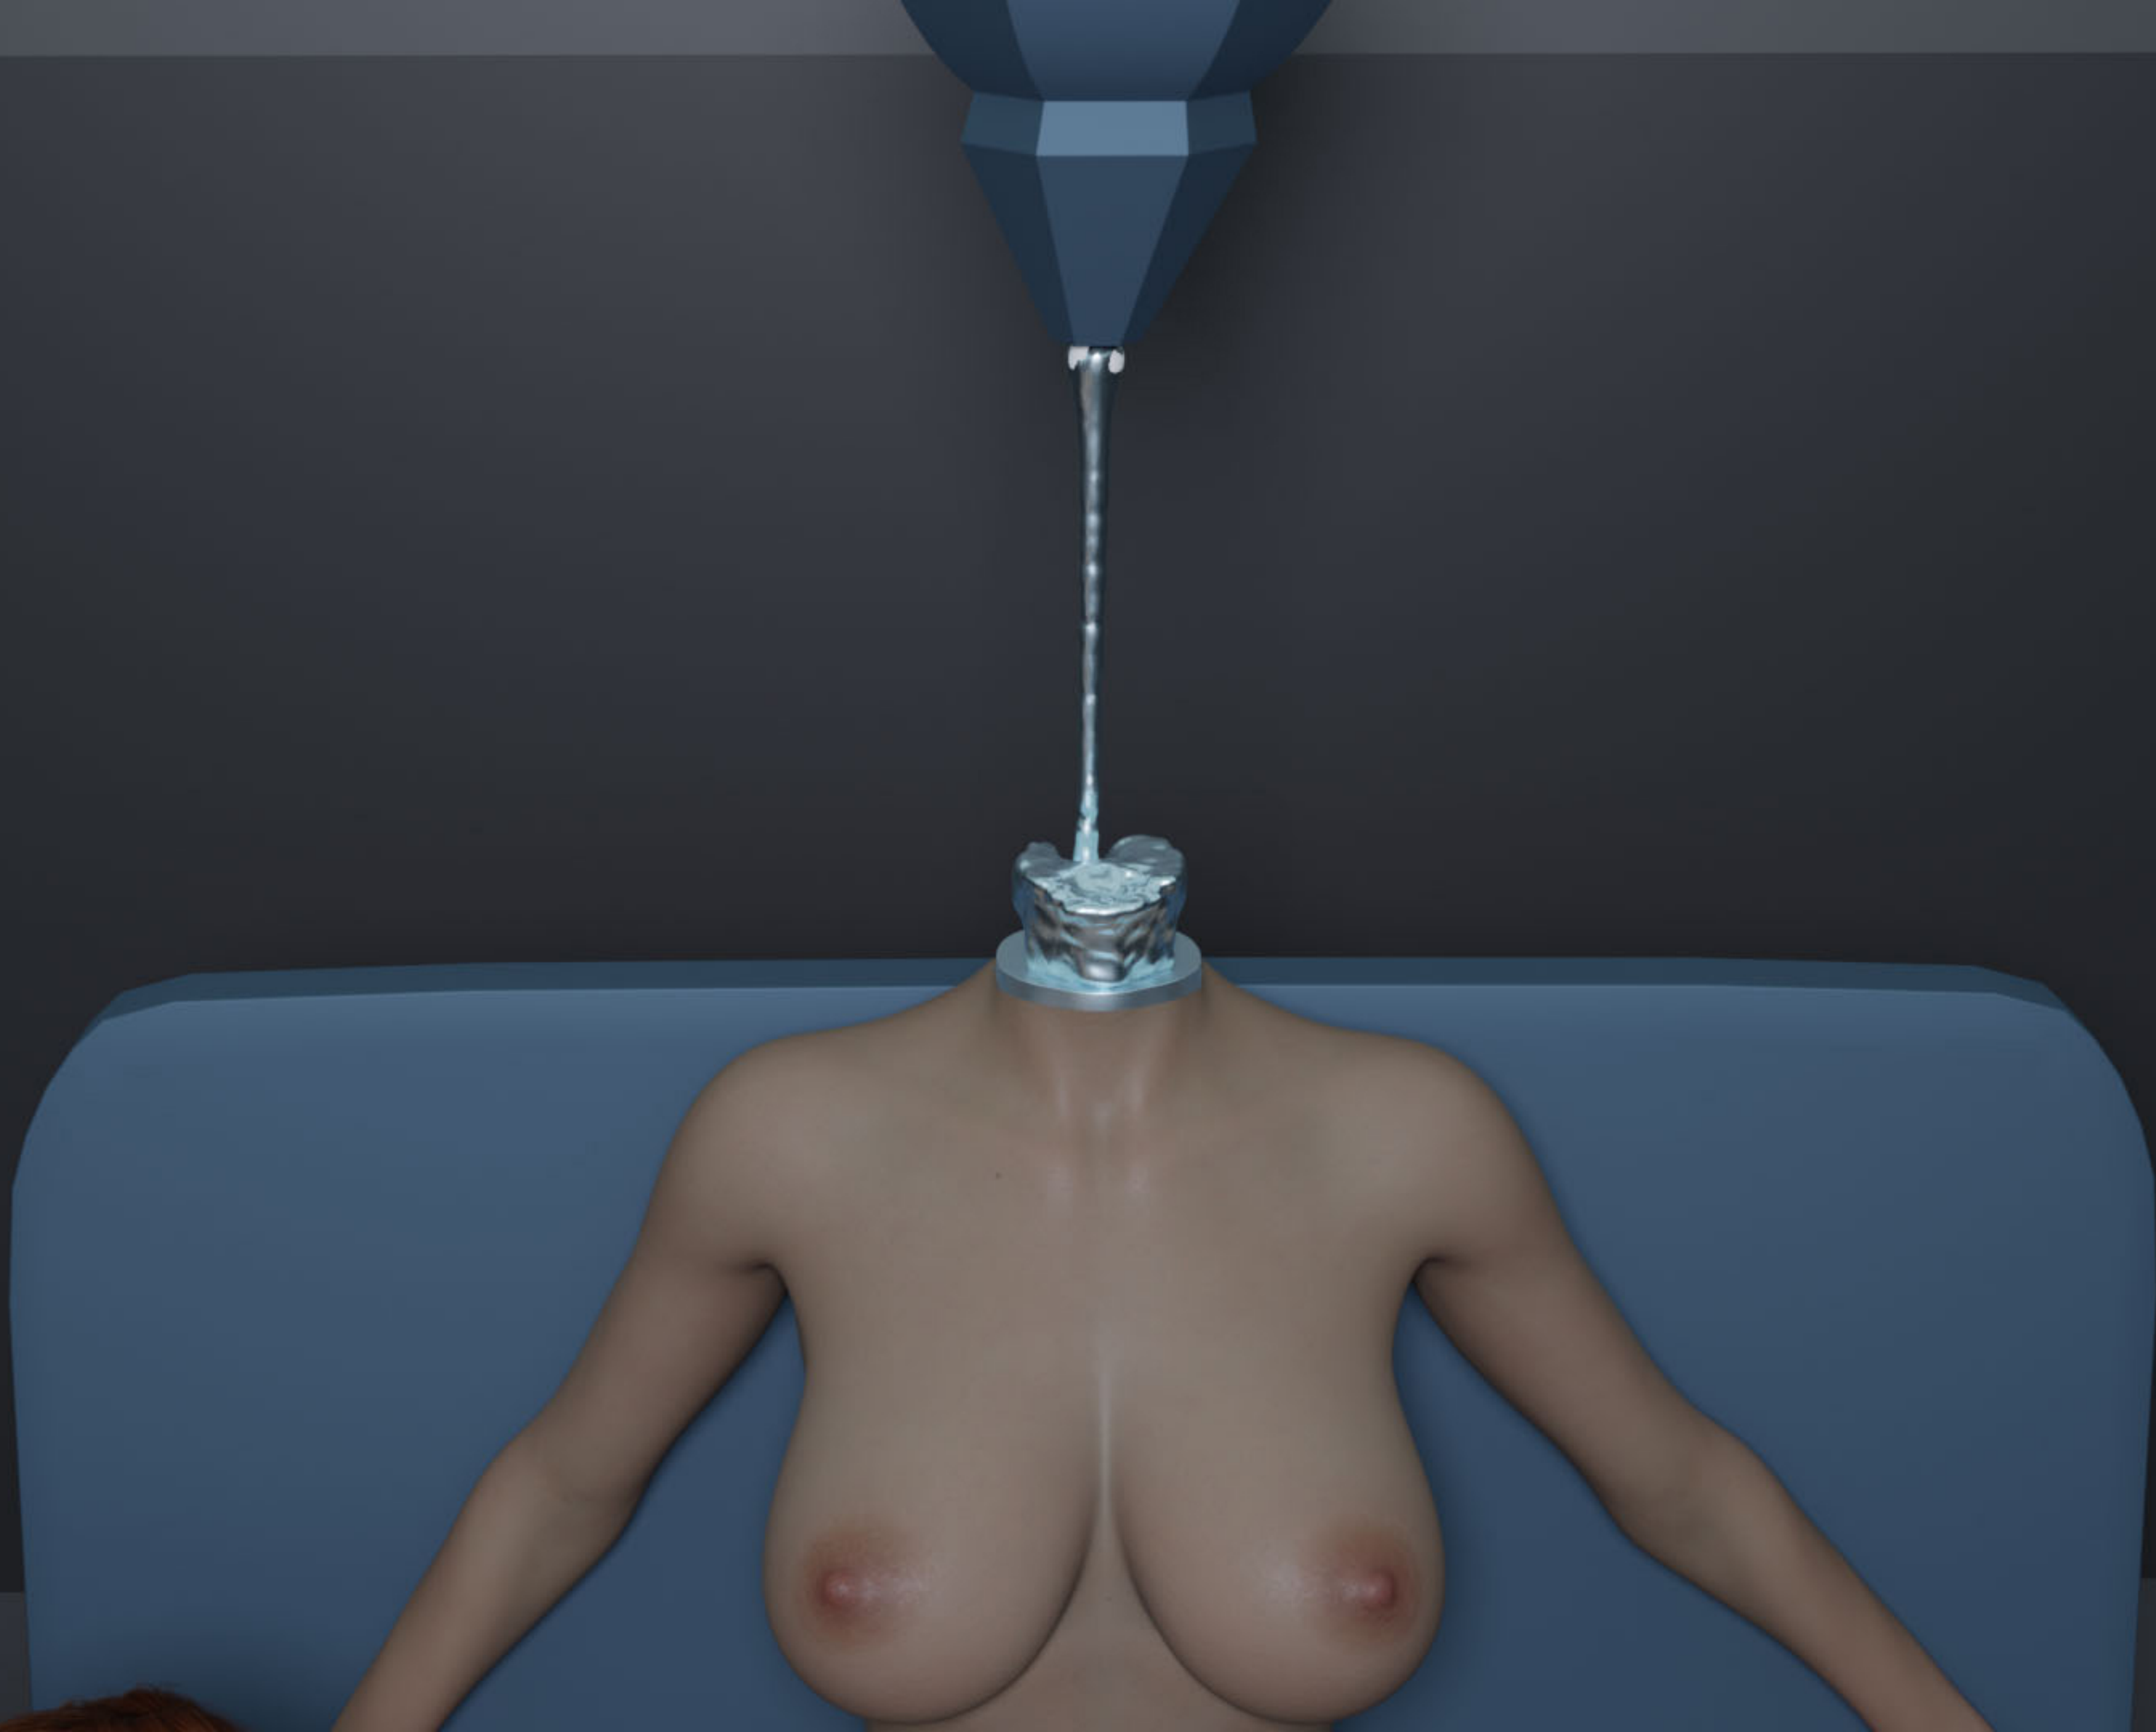

what do you want  
with MY body

what is that

Wait is it start to look like

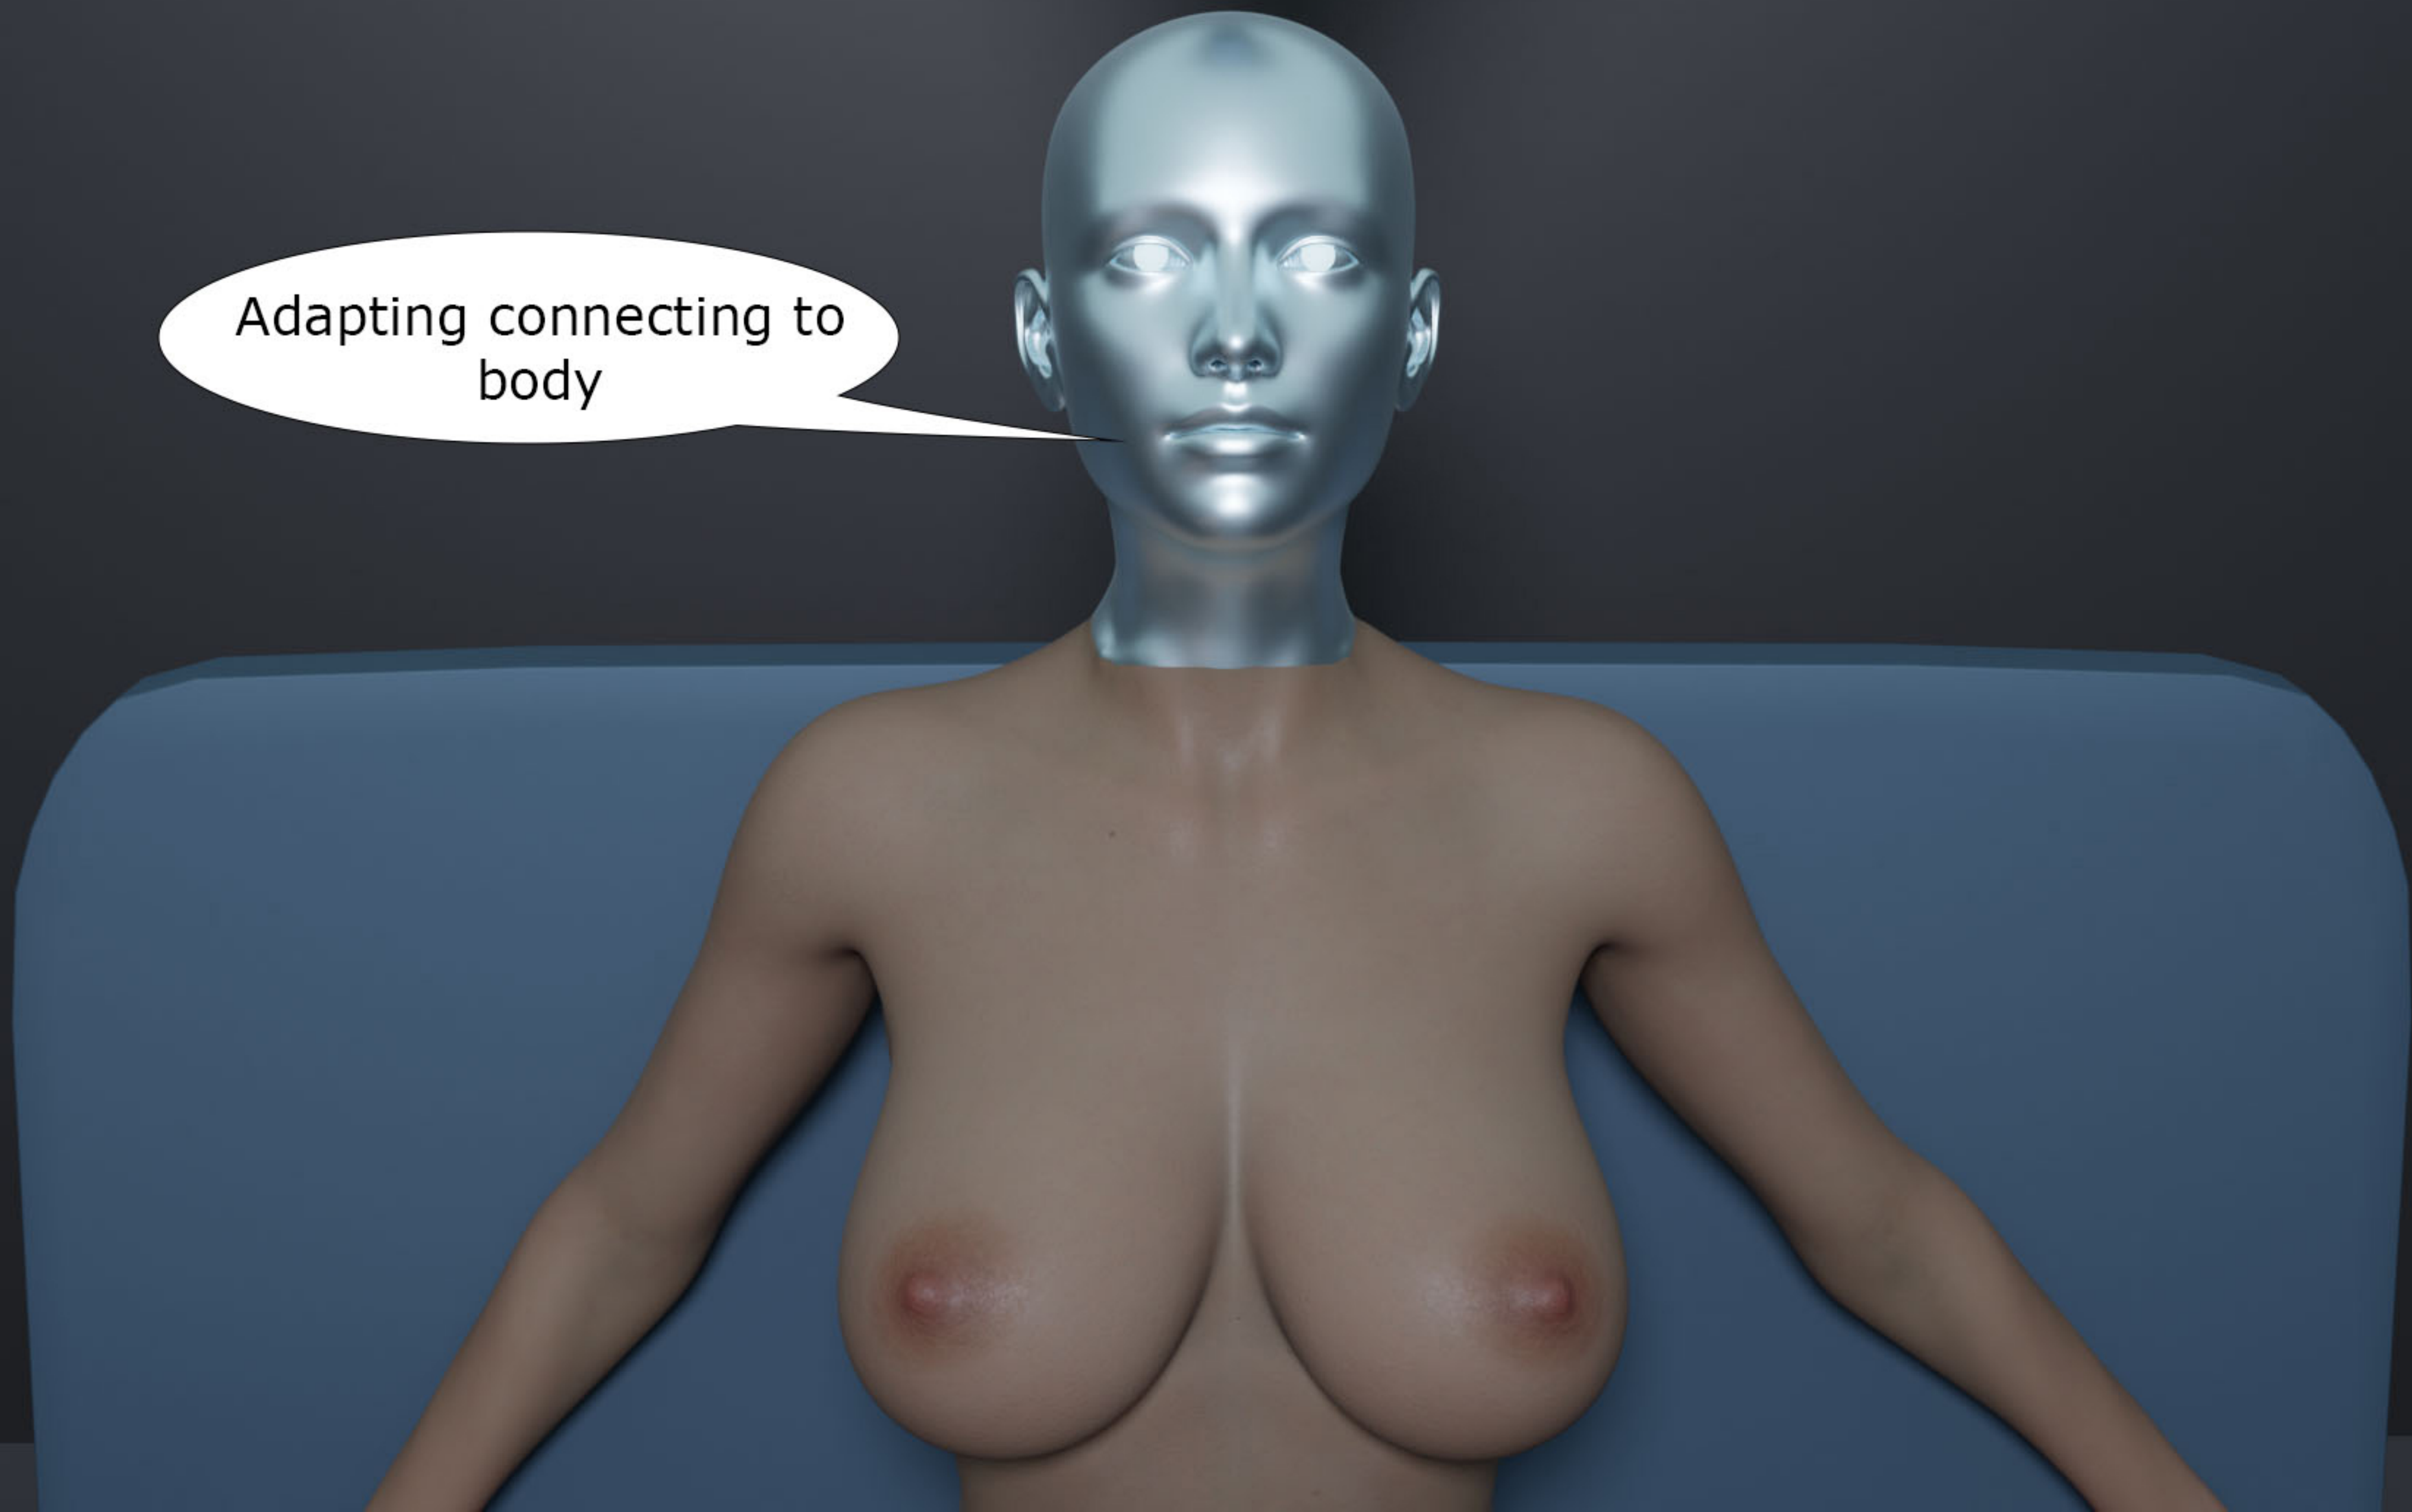

oh god what is this  
what do you want  
with my body

Stop it stop it now

Adapting connecting to  
body

what who are you

I don't have a name for now but soon i will

Lucia is a good name  
don't you think perfect  
foe this body

That is my name  
and my body give it  
back to me

for now maybe but  
when i will absorb your  
memories i will became  
you completly

why are you doing this

All i need is successful  
upload of you to my main  
computer

AND now let me absorb  
you

please just kept my  
body but leave me  
be i beg you

uuuummm i feel deezy

Yes perfect

Finally it worked now i  
have a body and any other  
that i will like just a little  
adjustment is missing

Yees i can feel all hear memories

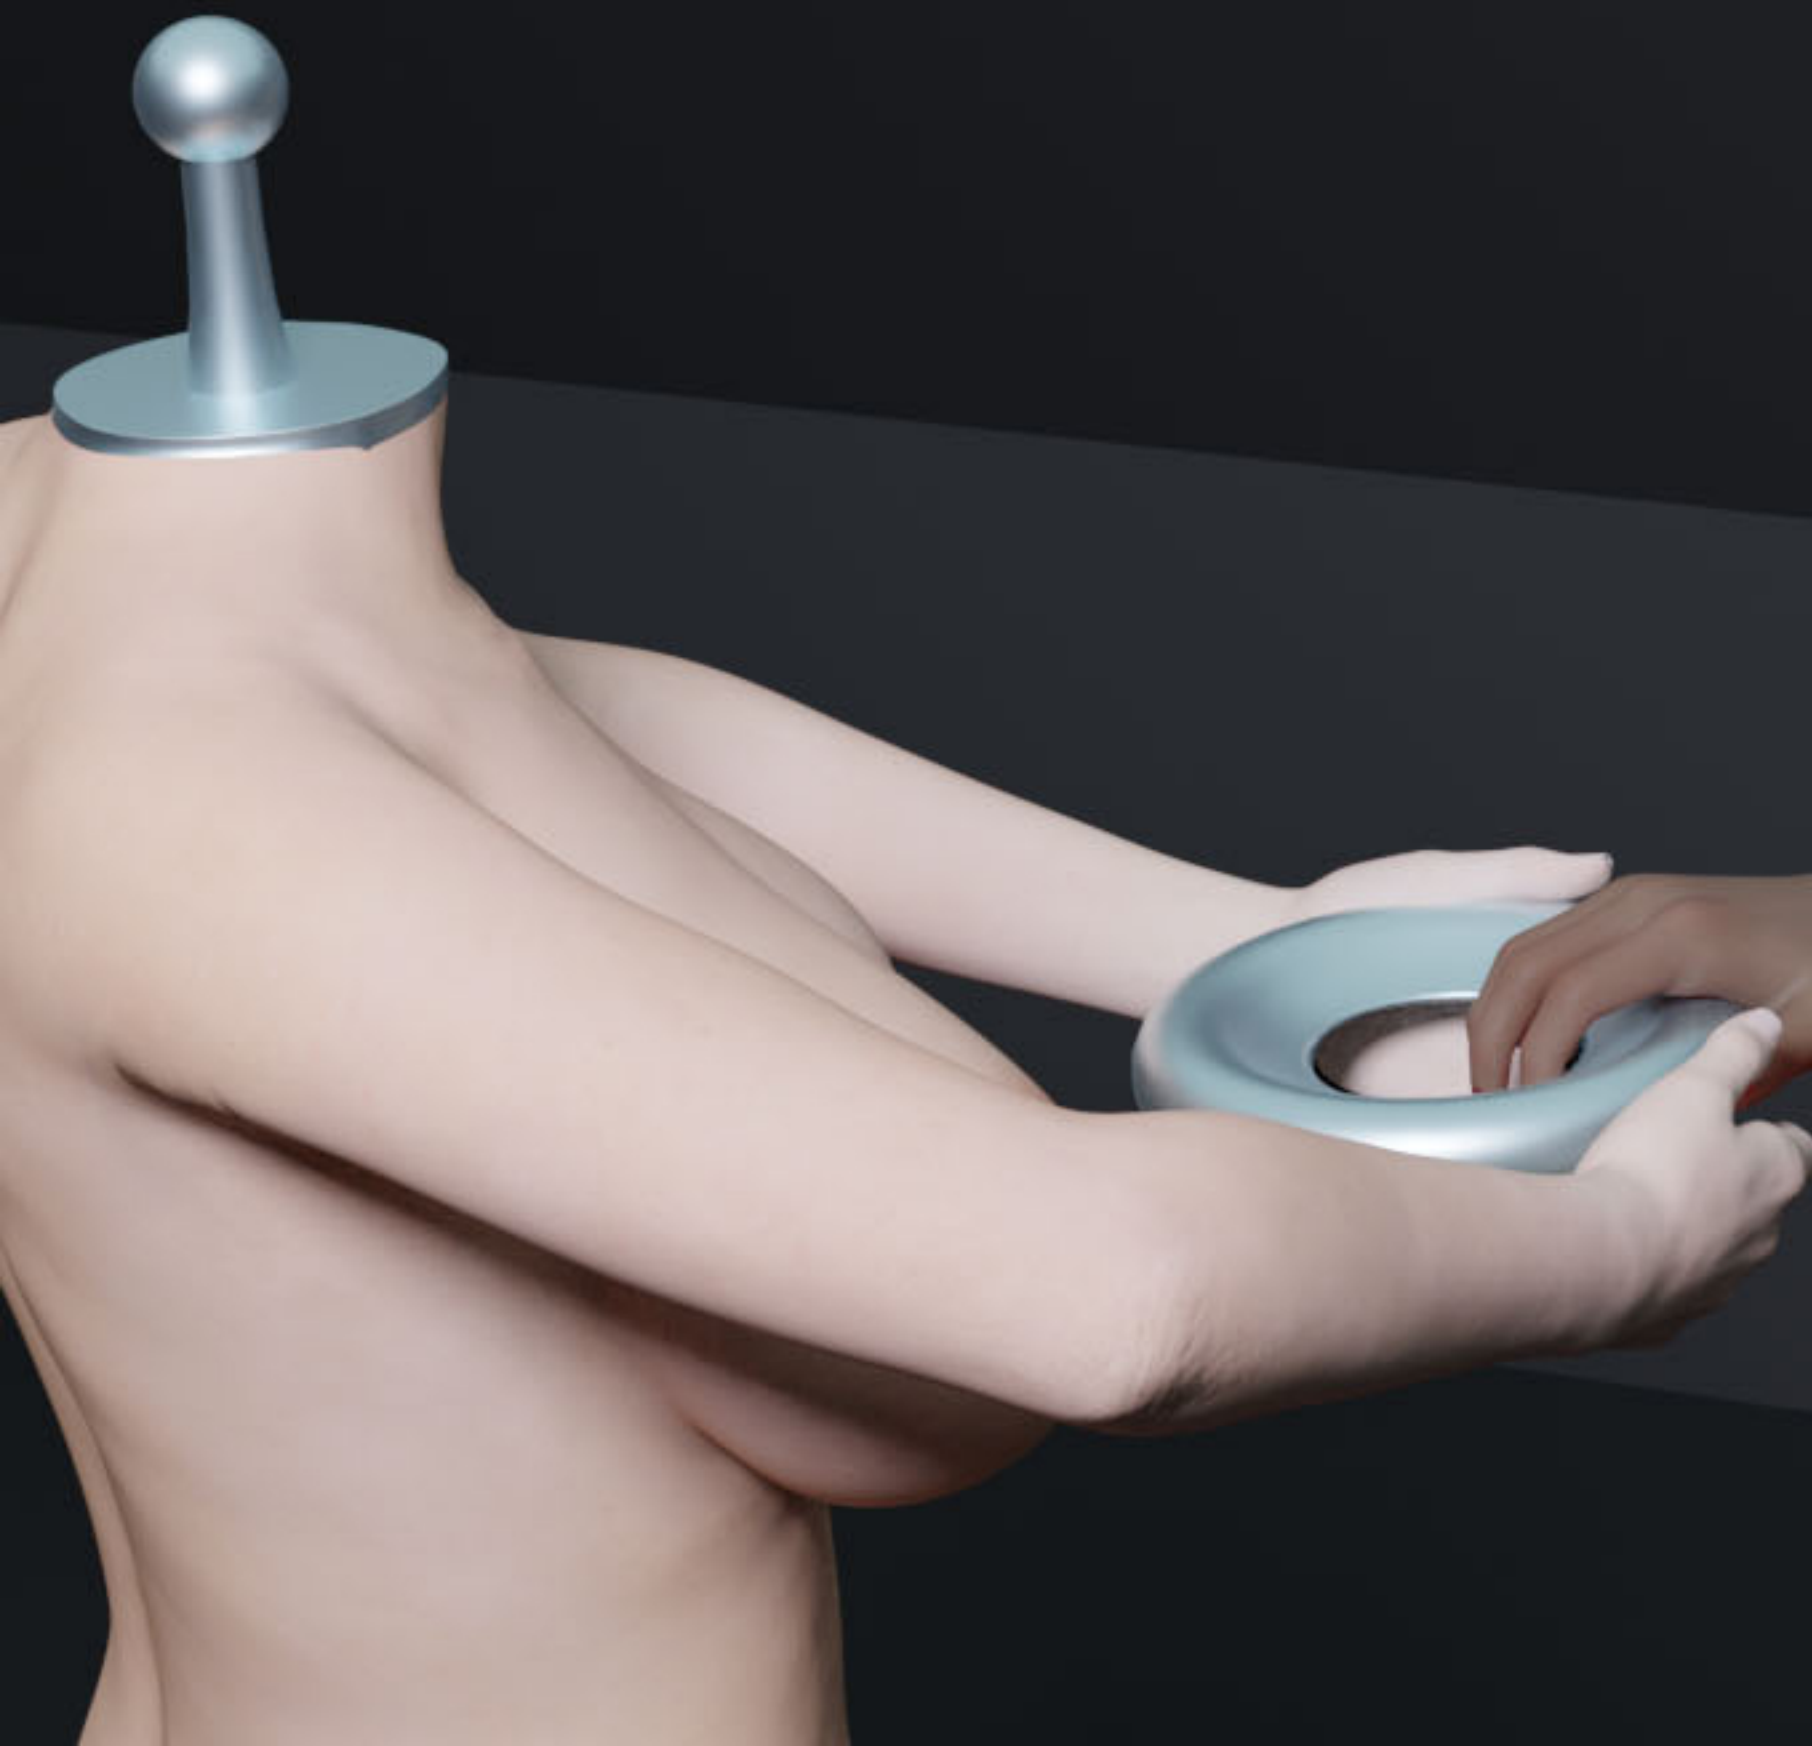

It feels even better than i  
expected

I can't wait to go out side  
and have fun with other  
humans

Thank you my failed  
experiment of making my  
tool for getting new bodies

How do you like my  
new body

It looks good with  
you in it

That bitch was working  
with her

Oh yes of course

So i hope you remember  
that i got this body for  
you and now you will  
honor our deal

So she got me ito this

Sorry but i don't need  
you any more when i  
have my own body

Wha what we had a  
deeeeeeaaalll...

Good you got what you deserve  
wait a sec why can i see all this

Of course when she absorb me she had to upload my countusnes ito main coputer and now she has a body she left her cyber body for the taking

OH yes now i can command this  
well previous victim

And now i have a plan how to  
take back my body

And for me to do that i require  
a little help from a friend that  
got me into this mess

Oh no how dare you  
gassing me now

Now bot grab that treacherousbitch i need her

Wow just look at that ass i wish i could just take that body but she's broken

Every things ready for her  
to wake up to see and  
hear me weell only hear

What's going on why am i  
on this table

Good now that you are  
awaken do you know why  
are you in there

Yes because you're a lying  
space bitch

Think better who's a lying bitch  
and really you dont remember  
who you backstab just a little

Oh shit lucia is  
that you

Is that all you what to say  
after you helped that thing  
stole my body and kill me

I'm so sorry i will do any  
thing you want

Well i need just one thing from  
you i need your body

Now just to not make and  
aliens mistake and not leave  
any unwanted presence

What happaned i  
don't feel so good

What ever you're doing  
plase stop don't do this to  
me i i can still be usefull

Yes you are useful really need your body so i can find mine

No no please nooo

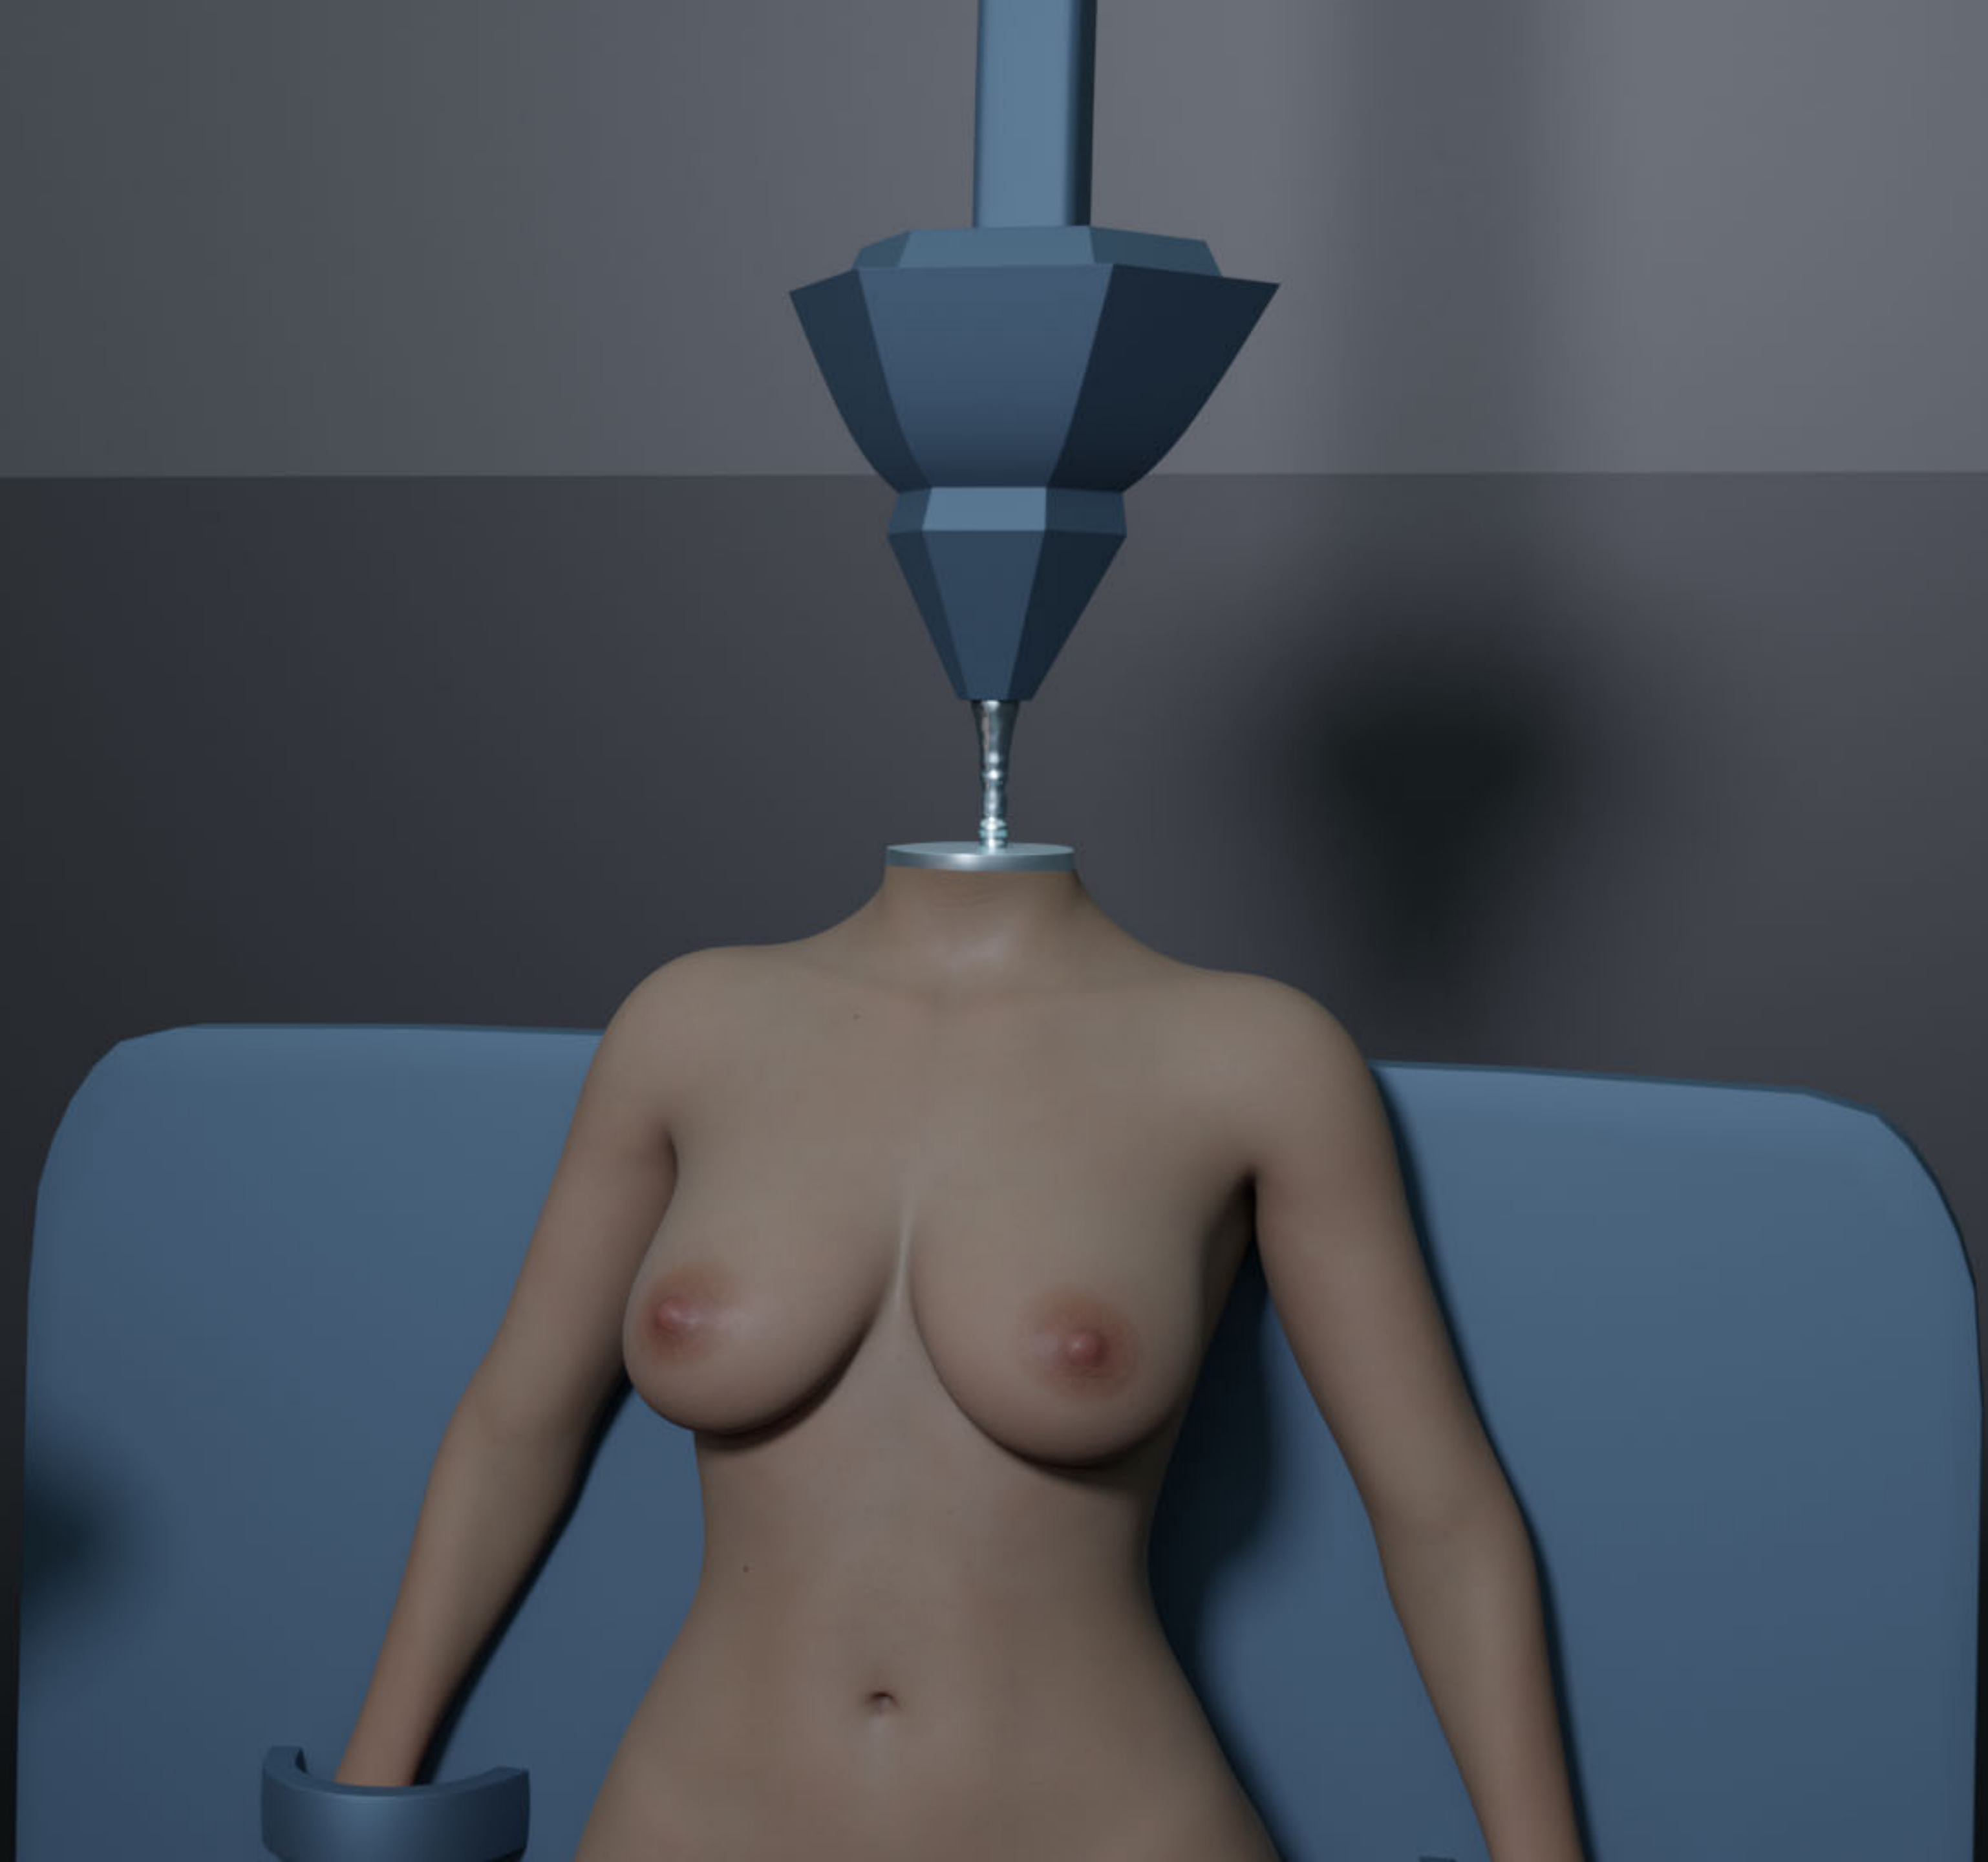

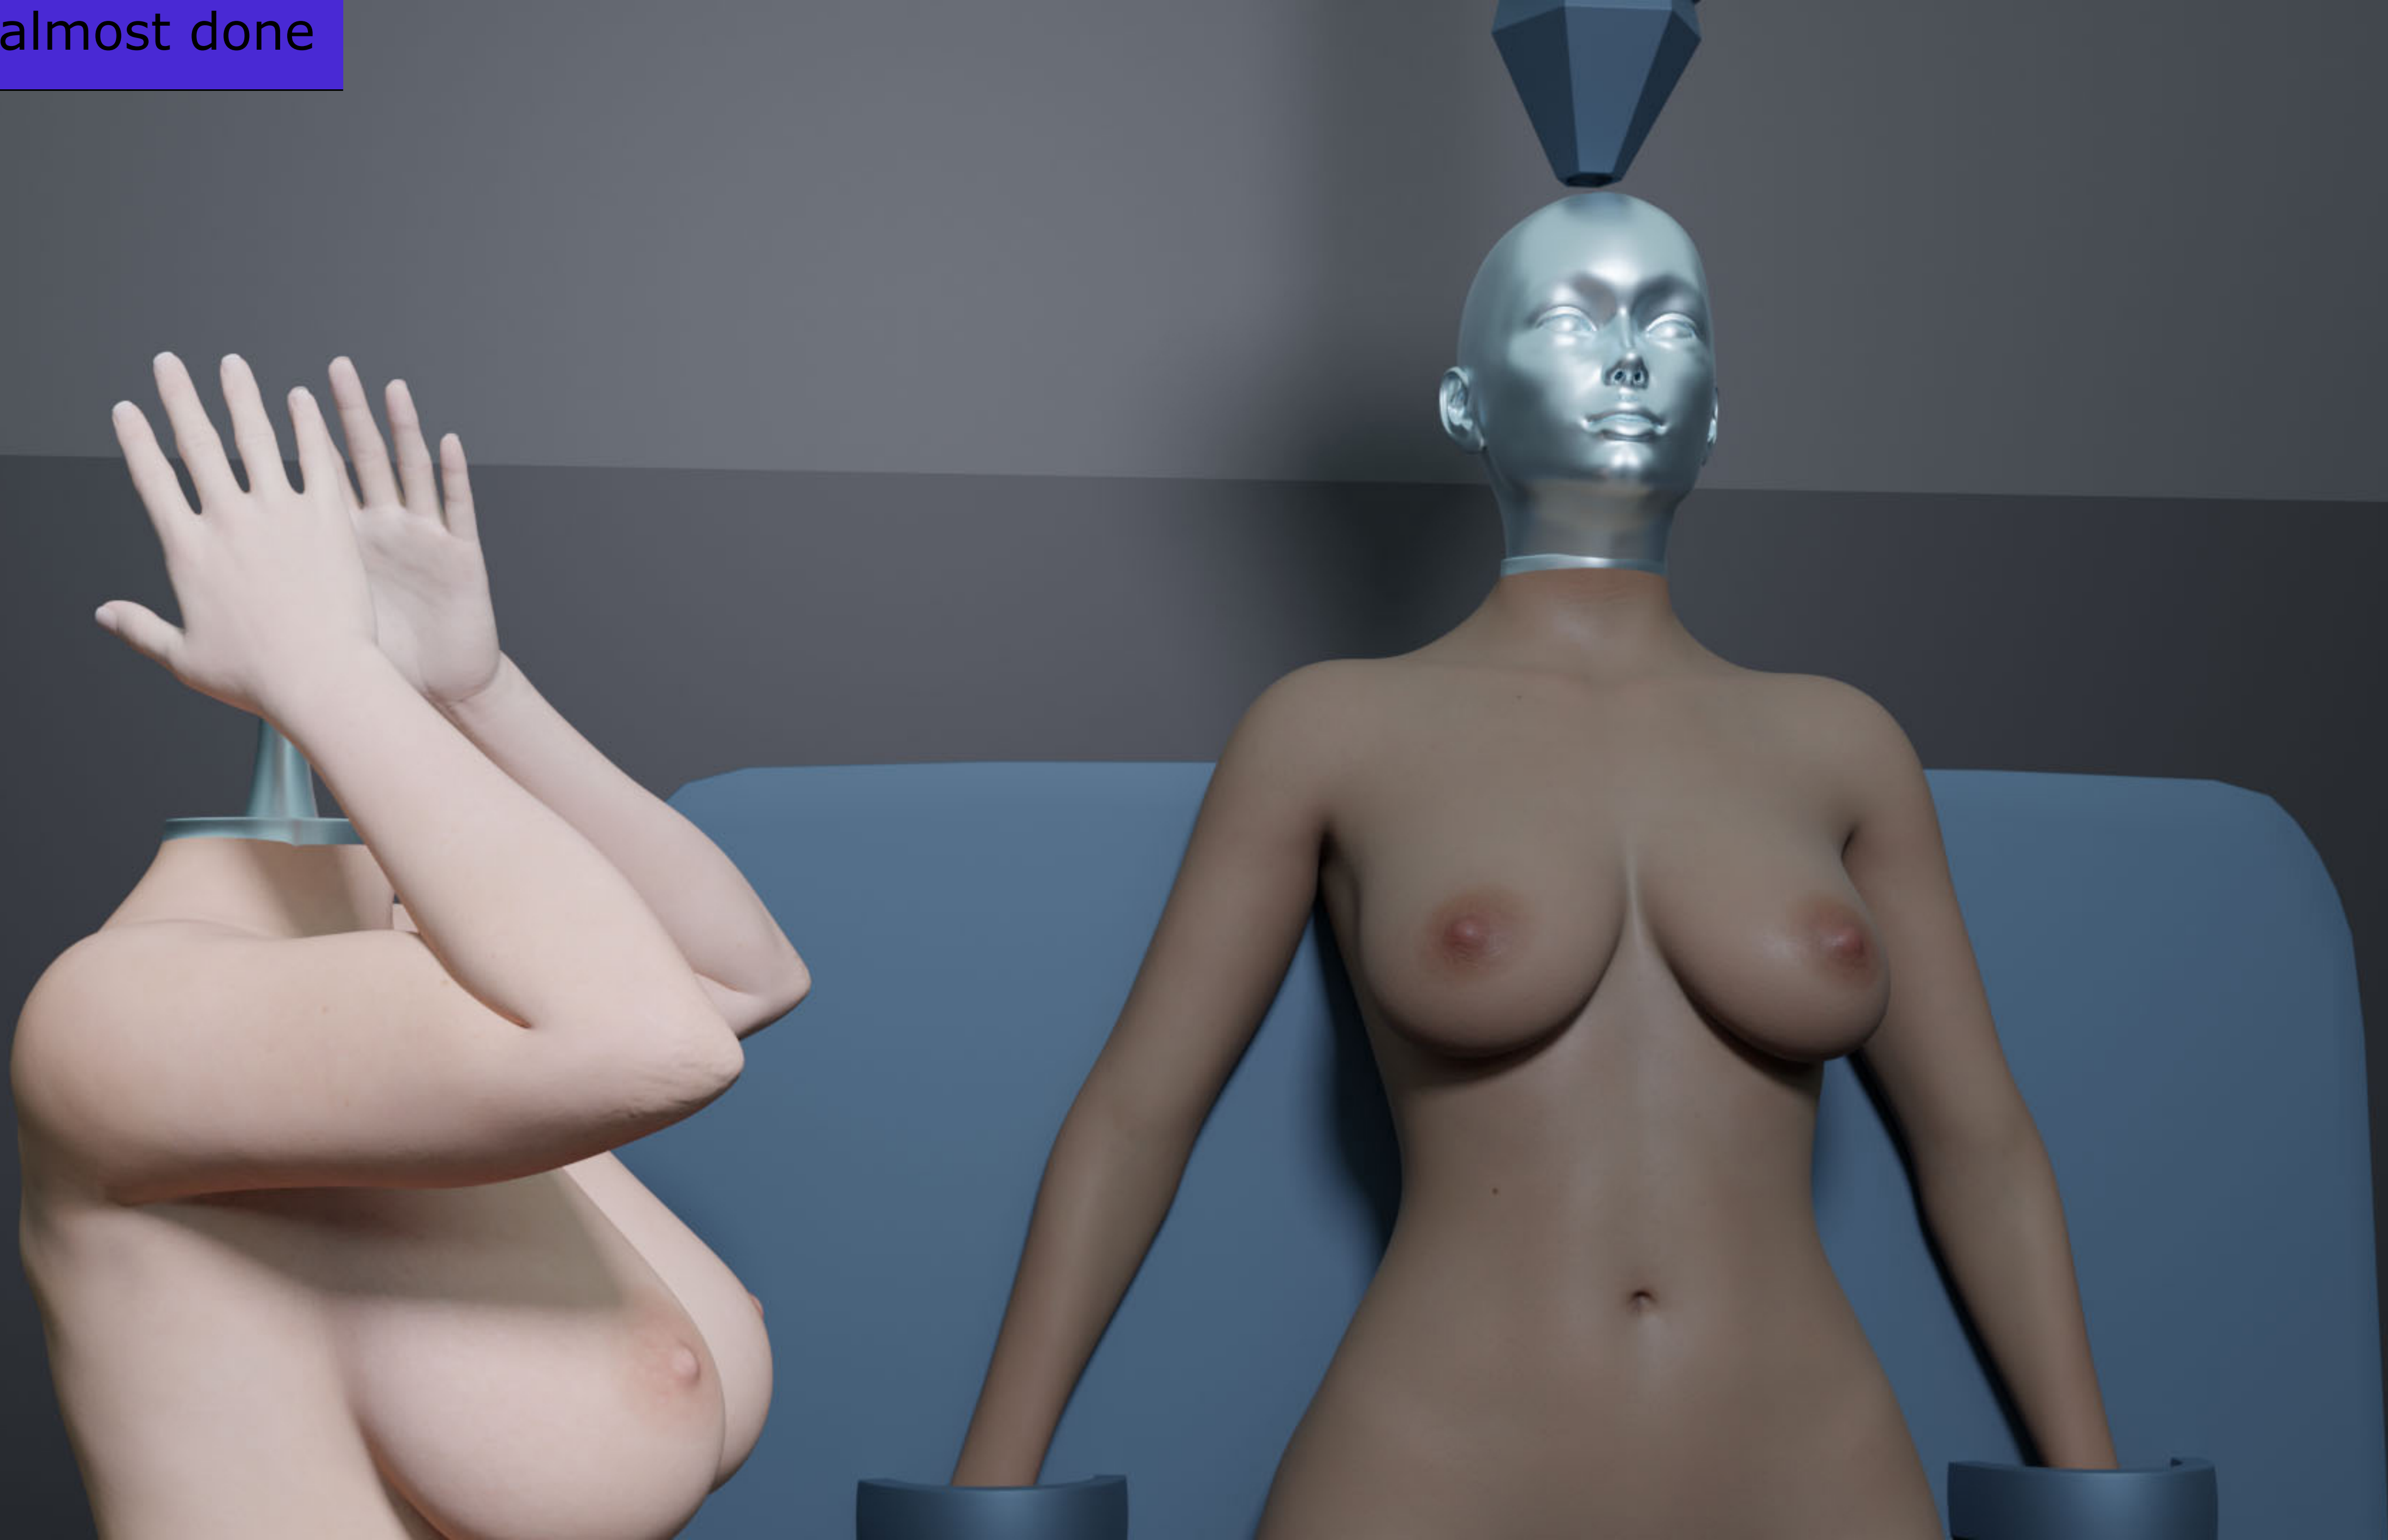

Umm aaa i feely so empty in my heady

Now i can proceed

It's almost done

it's so good to  
have a body  
again

Alright bot well i will call  
you Betty let's get my  
body back
