LICK

A blue-haired anime-style character with large breasts and a red tongue sticking out, looking distressed. The character is shown from the waist up, with their back arched and head tilted back. They have long, dark blue hair and large, light blue eyes. Their skin is pale pink. They are wearing a dark, possibly black, garment. The background is a solid light purple color. There are two speech bubbles. One is in the top right corner, and the other is in the bottom left corner. The character's expression is one of pain or distress, with sweat drops on their face and a pained grimace. The red tongue is sticking out of their mouth, and there is a small amount of red liquid on their chin. The overall style is typical of anime art, with bold lines and a soft color palette.
