Bim TF \$ MC

Last time on LEXI, we saw Gina change from her tall athletic build...

To a meek, petite Asian girl!

Gina wants to retaliate...

Sierra!

LEXI, please change it so she can only speak in broken English and act like some stereotype Asian exchange student from those movies.

Ha-ha-ha

LEXI, do... Sierra go giggle much. Brain... no think good. Like silly, yes?

Playing „Silly girl“ from...

Gina tries her best to get LEXI to do what she wants, but the home assistant unit does not understand her broken English...

Why, so hard talk with you!

Ahh! I no mean that! Wrong!

The other girls think it's funny...

Until she finally gets through  
anyway!

Oo!

LEXI, Do  
Sierra make  
Bimbo!

Affirmative.  
Initiating Bimbofication  
process for target  
Sierra.

This time we will see Sierra transform from her intelligent, busty current self...

Let's talk about this.

Like... what were we talking about?

To a still busty but different new dumb self!

Will it stay at this level of  
stupid bimbo fun?

Hey! You take  
big... si-lee-con  
bags out my face!

I sooo love how big they  
are too! Like, look—  
hellooo? They're, like,  
waaaay bigger than Gina-  
chan's whole head! Haha,  
isn't that, like, totes cray?!

Or will more  
conflict surface?

You took it  
too far!

You break me  
first! Is your  
fault! ALL  
your fault!

Gina's all shouty and Jess is all mad-face... blehhh, not fun at all.

But what can I like do?

Ah!

What kinda stupid Idea will this freshly baked bimbo come up with to (de?)-escalate the situation?
