Will Mika find out what the girls were doing with his LEXI?

There is only one way to find out. He has to follow Gina into the bathroom... for science!

He was sent to his room...

And he was supposed to stay there...

What are they talking about?

Squirting orgasms are the best!

Unnoticed, Mika walks down the stairs. The girls are completely unaware of his presence thanks to ignore mode.

But the girls did not account for the LEXI unit installed there!

LEXI, activate „Ignore Mode“!

LEXI, activate „Universal Acceptance Mode“!

Now, let's see who laughs last.

A lot has happened since Mika returned home...

LEXI, make Jess's brother silently go up to his room and make him stay there!

I'm ready!

What  
now?
