Last time on LEXI...

What are you doing?!

LEXI, make them some big round J Cups!

What the...

These are huge!

Sierra increased Jessica's tits to an incredible size.

Sorry!  
I thought she was asking about my tits!

Then the girls started to experiment... (well at least Sierra and Gina did)

LEXI, make me a head taller than Gina!

Now I'm the tall one!

Affirmative. Initiating growth.

Growth process completed.

Cheater!

Aww... Look how cute Jess looks in comparison!

Gina had LEXI  
change her hair...

Nice!  
How do I  
look?

*Hair change  
complete.*

And just as Mika returns home from a long hard fuck at school...

I did not expect Bab's to be my sex slave for like forever...

What the...

LEXI, give me a big round bubble butt!

We continue form here...

And so...

*Affirmative.  
Initiating ass  
expansion and  
shaping.*

Right as Mika returns home...

His step-sister's ass...

Expands right in front of his eyes...

*Ass shaping  
concluded.*

The girls, still oblivious to Mika's presence, inspect Jess's new goods.

How does my butt look now?

Every boy in school will want to tap that.  
\*giggle\*

It's super round and toned!

What the fuck are you doing?!

Woopsie!

Brother?!

This is bad!

It's not what it looks like!

It's totes what it looks like!

I did not know LEXI could change bodies too!

You were using my stuff, sis!

**DUH!**  
Do you even know what you have there?!

He's not too surprised... Of course, he knows. It's his gadget...

I wonder if LEXI can also...

Why's he looking at me now?

This might be the greatest beauty tool in the history of humanity and you were hogging it for yourself? Not using it at all, taking a look at you!

Holy shit!  
Sierra is huge  
now!

You can stop  
ogling my breasts  
any time now!

Besides the  
point! It's my  
stuff!

Who knows  
how you  
might fuck  
it up!

He always fancied  
Sierra.

You are not listening to me!

You gotta share this!

Aw, fuck!  
There is no use talking this out...

What the?

LEXI, make Jess's brother silently go up to his room and make him stay there!

... Gina?

Affirmative  
...

You ...

Holy!

What?!

*Making Mikael Harrison go up to his room silently ...*

No!  
LEXI, it's  
me...

It can do  
that too?!

...and have  
him stay  
there...

Pipsqueak?

Control  
sequence  
initiating...

The girls watch in awe...

As Mika turns around on the spot...

Holy shit!

And starts walking up the stairs...

Without a word of protest.

Shit!  
My body is  
moving on it's  
own!

Unbelievable!

Incredible!

A comic book panel featuring two women in a room with large windows. The woman on the left has dark hair in a braid and is wearing a red thong and fishnet stockings. She is holding her right breast. The woman on the right has long red hair and is wearing a black thong and a black belt. She is also holding her right breast. Both women are wearing black gloves. The background shows a window with a view of a city at dusk and some indoor plants.

That was  
awsome,  
Gina!

How did you  
know that would  
work?

\*giggle\*  
I didn't!

But he did look like he was going to use LEXI on you two.

So I thought: „Well, maybe it can control people too.“

Good thinking!

You saved us!

Not what I was thinking about!

LEXI, make Professor Dugout give all three of us an A+ in class!

That's not what I was thinking about!

Aww...

... No target Prof.  
Dugout found in  
range. Unable to  
comply with  
instructions.

So it does  
have limits...

Maybe we can take it to school and use it from there?

It did say it was a range problem.

That's a good idea. Let's take it to school tomorrow!

But... what shall we do until then?

Uh, I know!  
There is  
something I  
want to try!

She is  
eager!

Nice!

*Affirmative.  
Adapting body  
functions to trigger  
a squirting orgasm  
is feasible.*

Da fuck?

Do you guys squirt?

I saw that in a porno!

And it looked like it was really pleasurable!

We got who knows what powers at our hand and you just want to use it to get yourself off?

Thanks for your understanding!

I'll go into the bathroom and you trigger me, Gina, okay?

Err...  
sure...

Not giving her friends much time to react, and with a blushing face, Sierra quickly rushes into the bathroom...

clonk

We are really doing this? ①

Well... if it's what she wants... ②

LEXI, make my friend  
Sierra experience an  
awesome squirting  
orgasm right now.

*Affirmative.  
Initiating squirting  
orgasm in target  
Sierra...*

This is stupid.

Hm... is it working?

moan

Oh, my god!

Schneit

Hoiy...  
WOW!

*huff*  
*huff*

Bending her head so she does not knock it on the door frame!

How was it?

So...

In the meantime, Mika has gone upstairs and settled in his room...

Darn!  
I could do nothing but walk up here.  
And now I can't leave!

moan

What the fuck was that? What are these girls doing with my LEXI?!

To be continued...

# Thank you for reading!

Hello, Hexxet here,

I hope you enjoyed the chapter. There wasn't that much TF in this one, but of course, the girls are still changed and who doesn't like a LEXI-induced orgasm? 😊

**Spoiler:** In accordance with a recent Patreon poll, the next chapter will deal with Mika regaining control over the situation at hand!

If you like my comics, please consider supporting me on Patreon. I need your support to keep creating more Magic-Control comics! 😊
