A man and a woman are standing on a wooden deck next to a swimming pool. The man is on the left, shirtless and wearing blue shorts with a white waistband. He is gesturing with his right hand towards the woman. The woman is on the right, wearing a white bikini, and has her hand to her chin in a thoughtful pose. The background shows a dark wood-paneled wall and a window.

Okay, thanks for answering. I knew it was fake when he did not even remove your trance trigger at the end.

The word that would put you in a trance again?

Uhhhh...
So, maybe it did work after all.
chuckle

Trance Trigger?

I don't remember the part about that.

giggle
Dream on. It was a long show.

LOL!

Apple Pie!

So, you wouldn't fall into a "deep hypnotic trance" when I snap my fingers while saying...

Don't be...

SNAP

A woman with wet hair and skin, wearing a white and yellow striped bikini, stands in a pool. She has a surprised or shocked expression. A speech bubble next to her head contains the word "Stupid." The background shows a modern building with large windows and a dark sky.

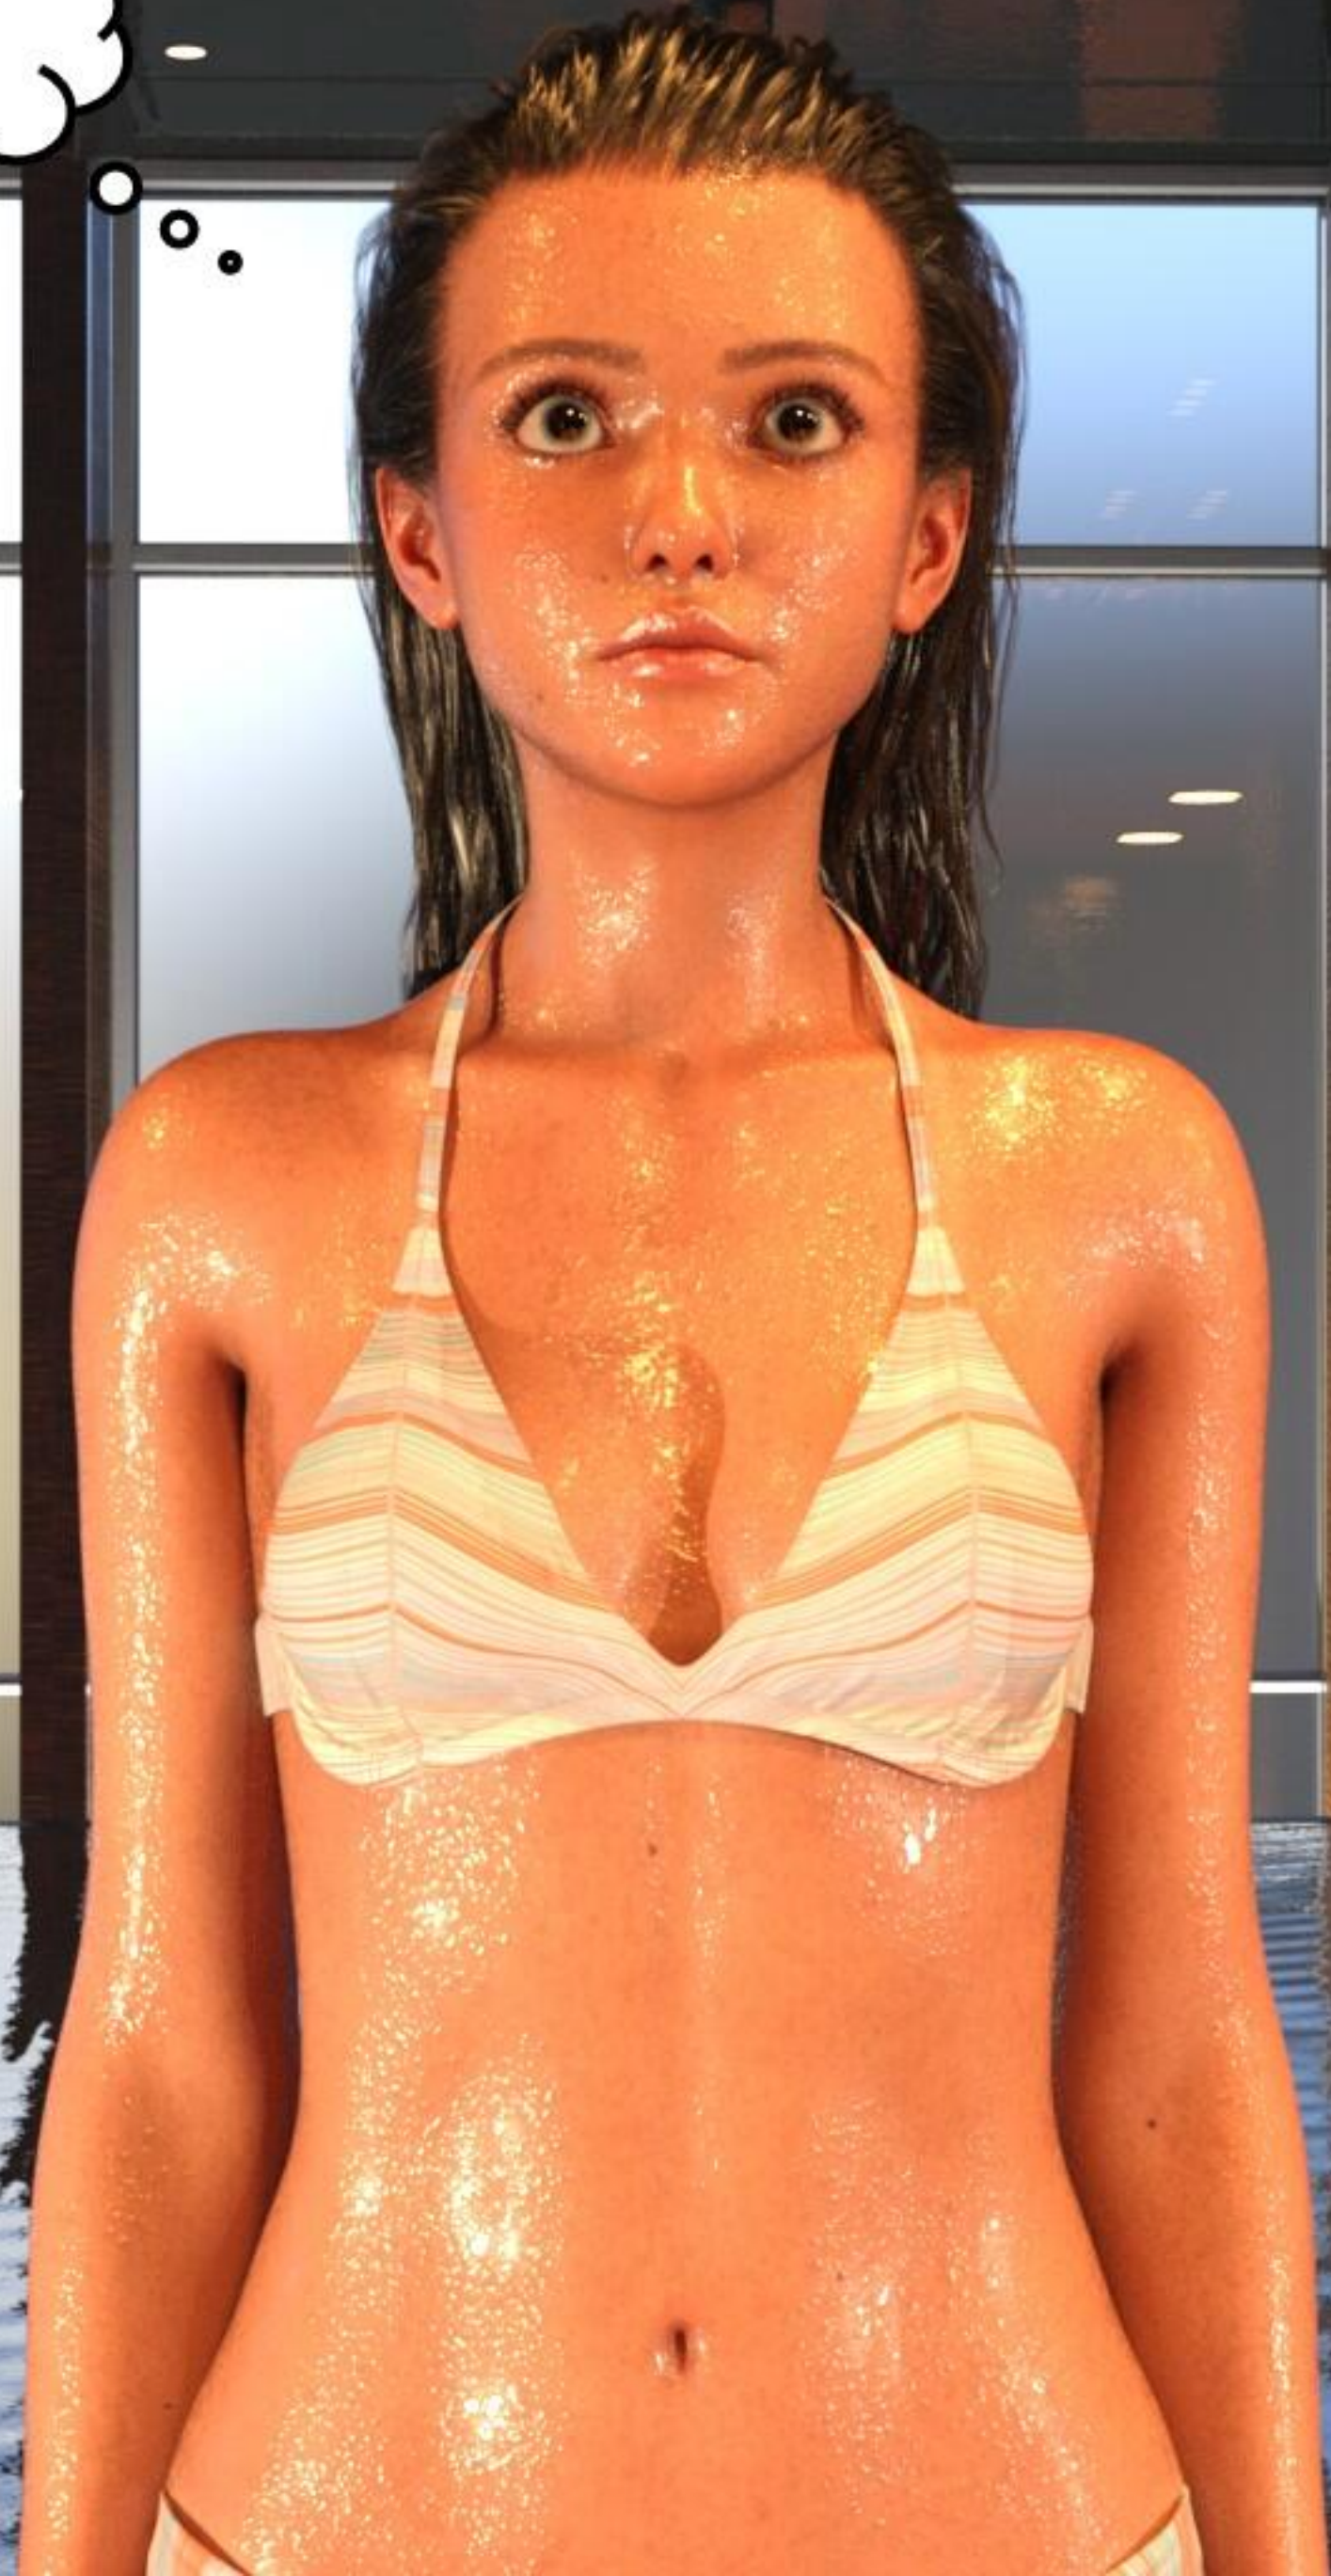

Stupid.

Melinda?
You know... I
was just joking...

Come on.
You can stop
playing me.

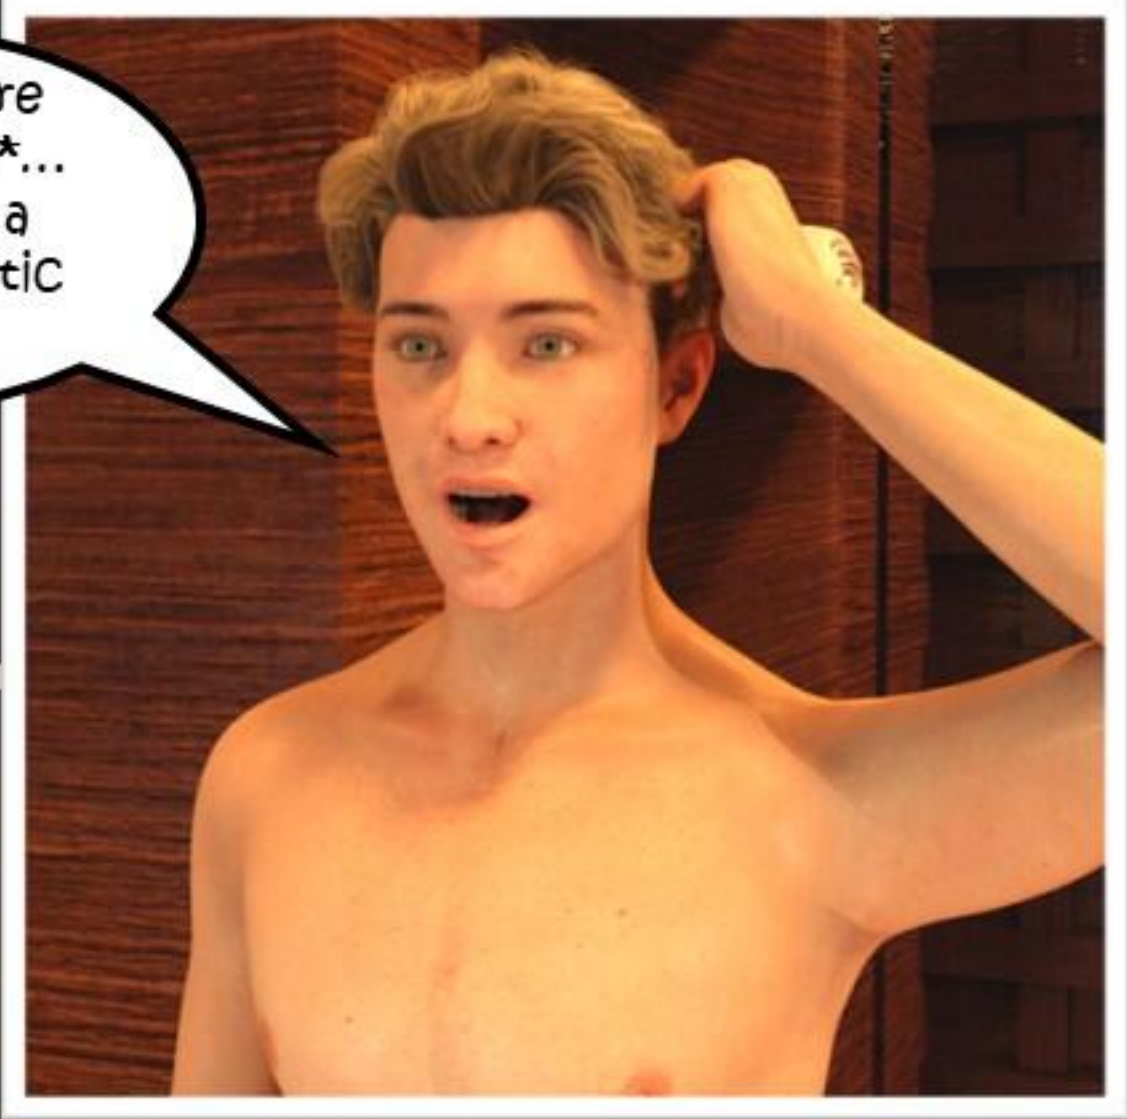

Melinda? Hello?
Can you hear me?

I can hear you.

Melinda, are you... **gulp**...
are you in a deep hypnotic trance?

Yes, I am in a deep hypnotic trance.

Now, I'm sure you all are perfect gentlemen, and you would just remove the helpless girl's trigger and set her free... But David here... he knows exactly what he wants and so our two protagonists end up on a secluded area of the beach like this...

At first, Melinda was rather disgusted by the task of giving head... but... That's nothing a little hypnosis can't fix. Isn't that right Melinda?

Yes,
Love.

When I
wake up.

I'll love
sucking
cock.

David is at an all-inclusive beach resort and there, over a friend, he has met Melinda, a sweet girl from a posh family... She's probably out of David's league but ever since he laid eyes on her he can't get her pretty face out of his head. And last evening's entertainment... a hypnosis show... did not help with that either.... She was on stage after all!

Featuring

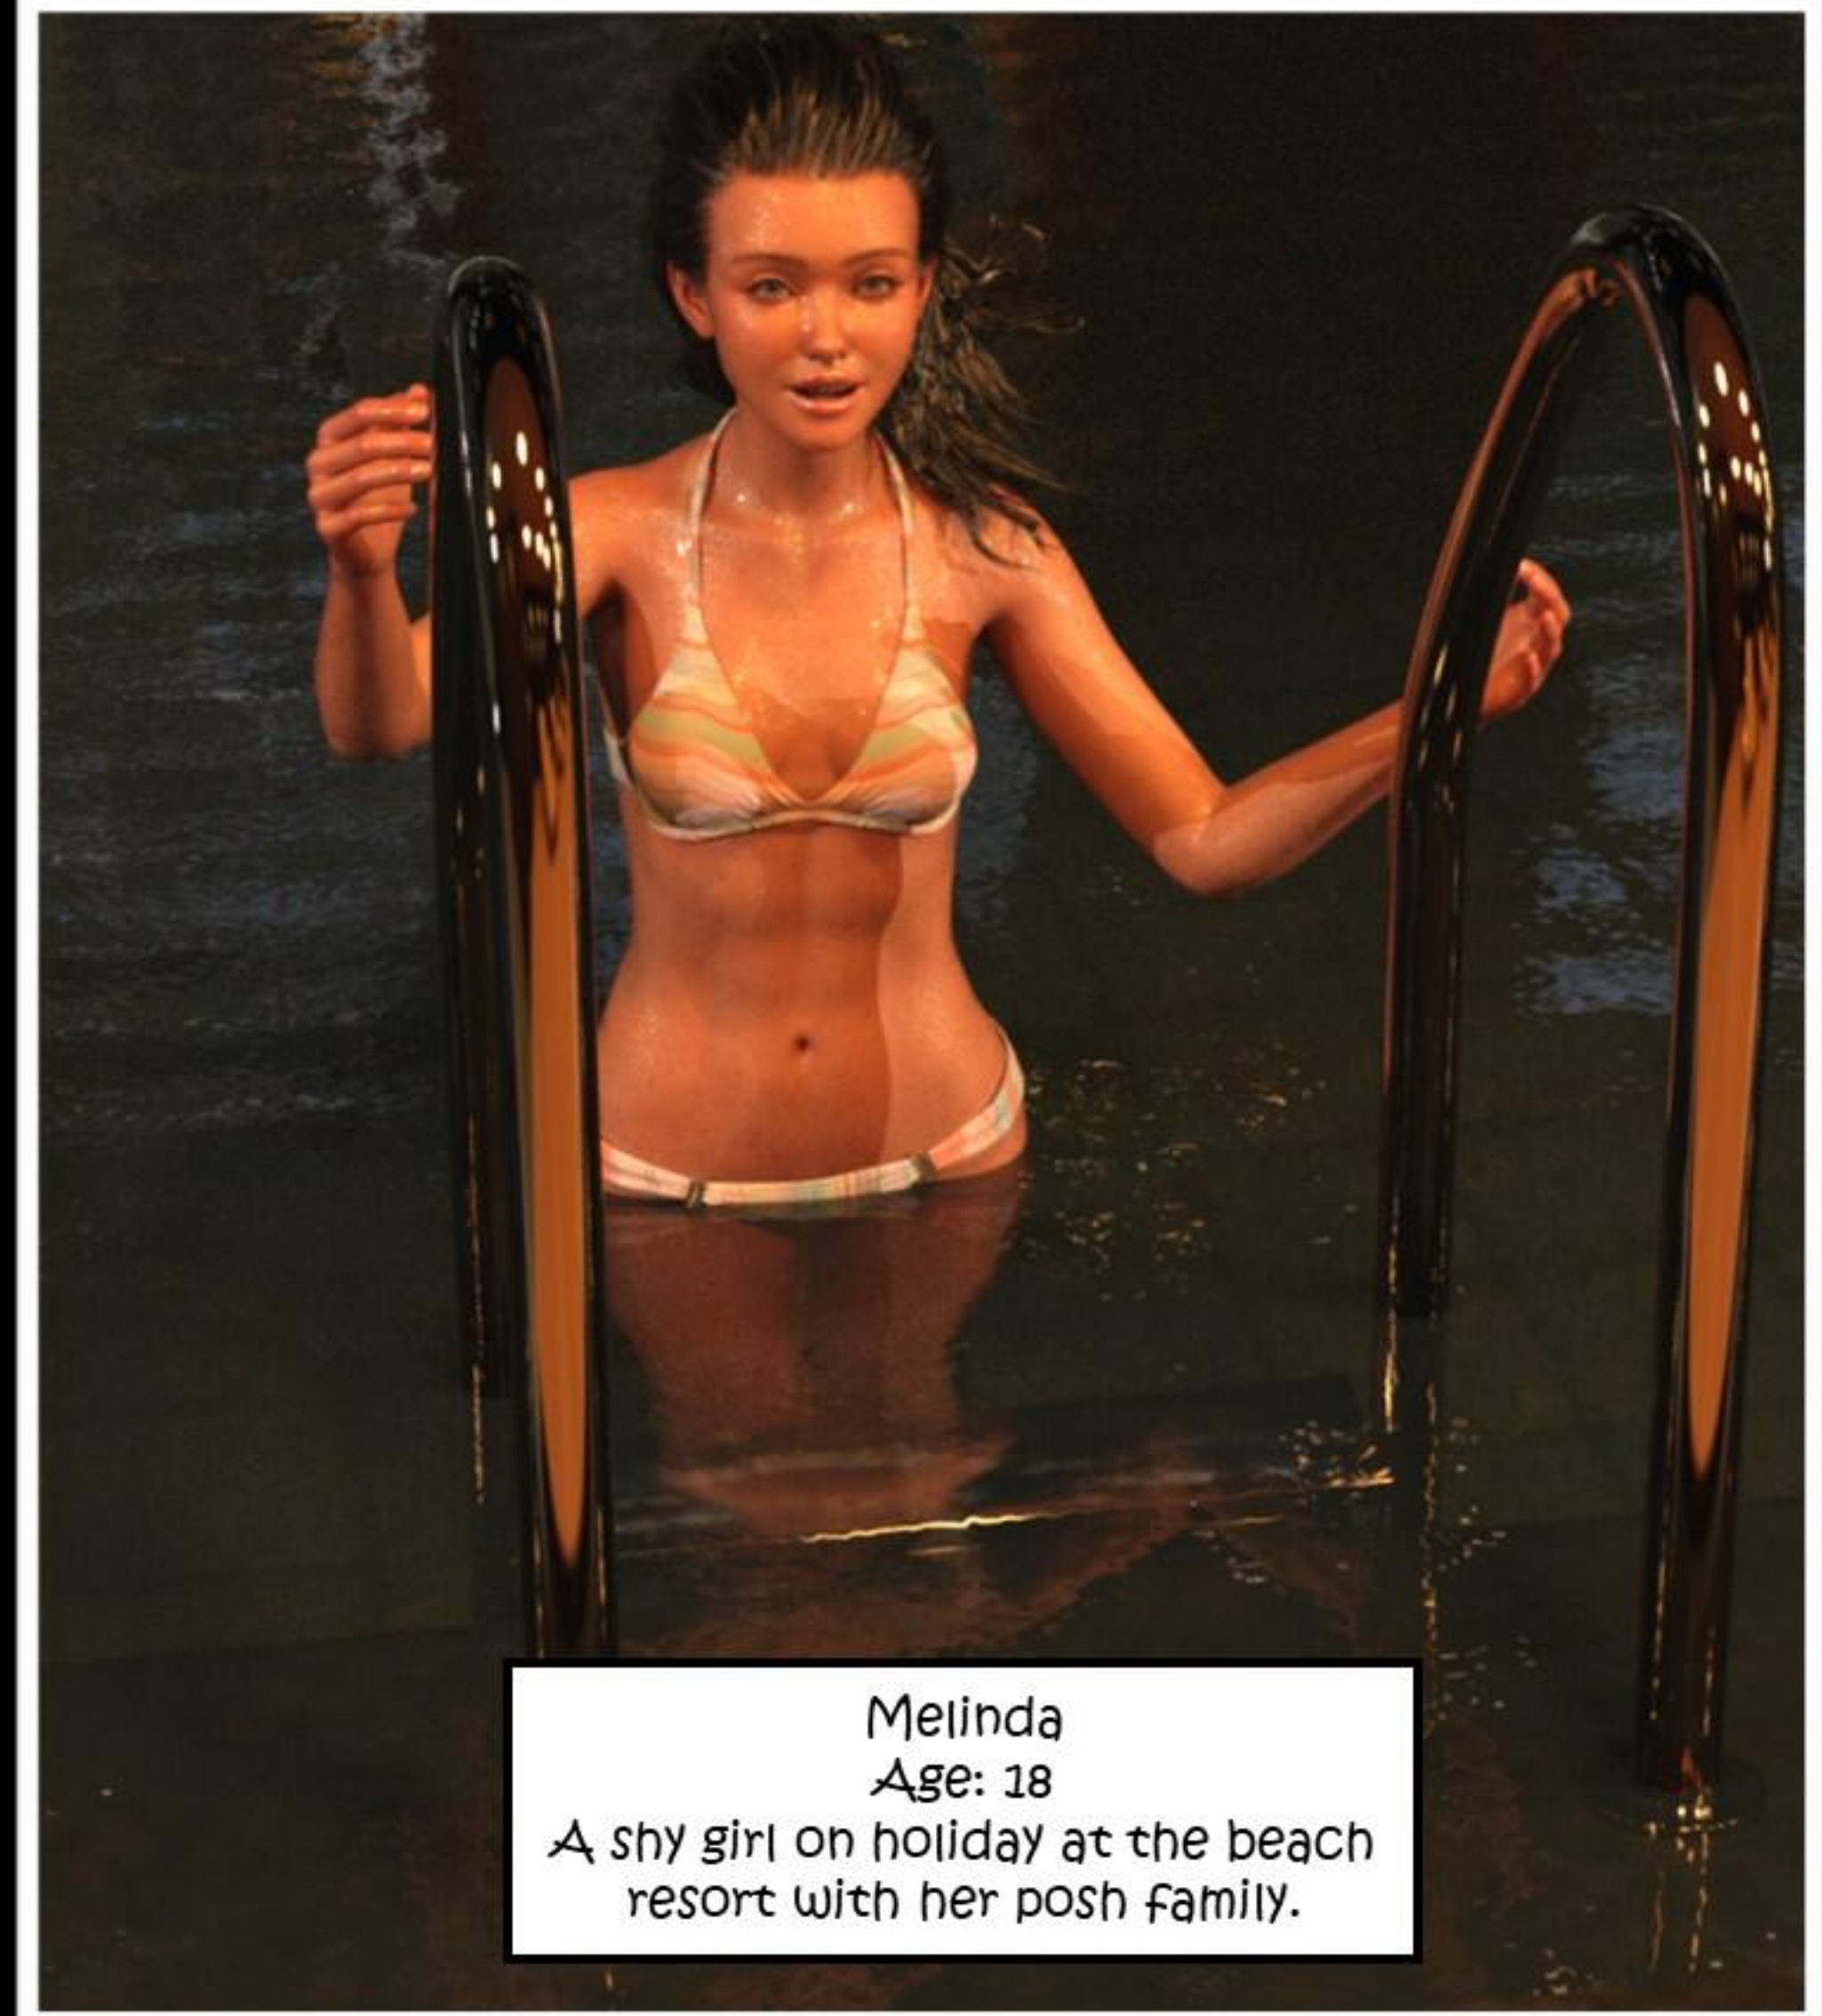

David...	a guy on holiday at the beach resort
Melinda...	a girl on holiday at the beach resort
Vincent...	Guest starring stage hypnotist
And some other characters irrelevant to the story... 😊	

I entered the indoor spa area of the hotel to get some alone time. This pool was not frequented by many people as everyone was out there on the beach...

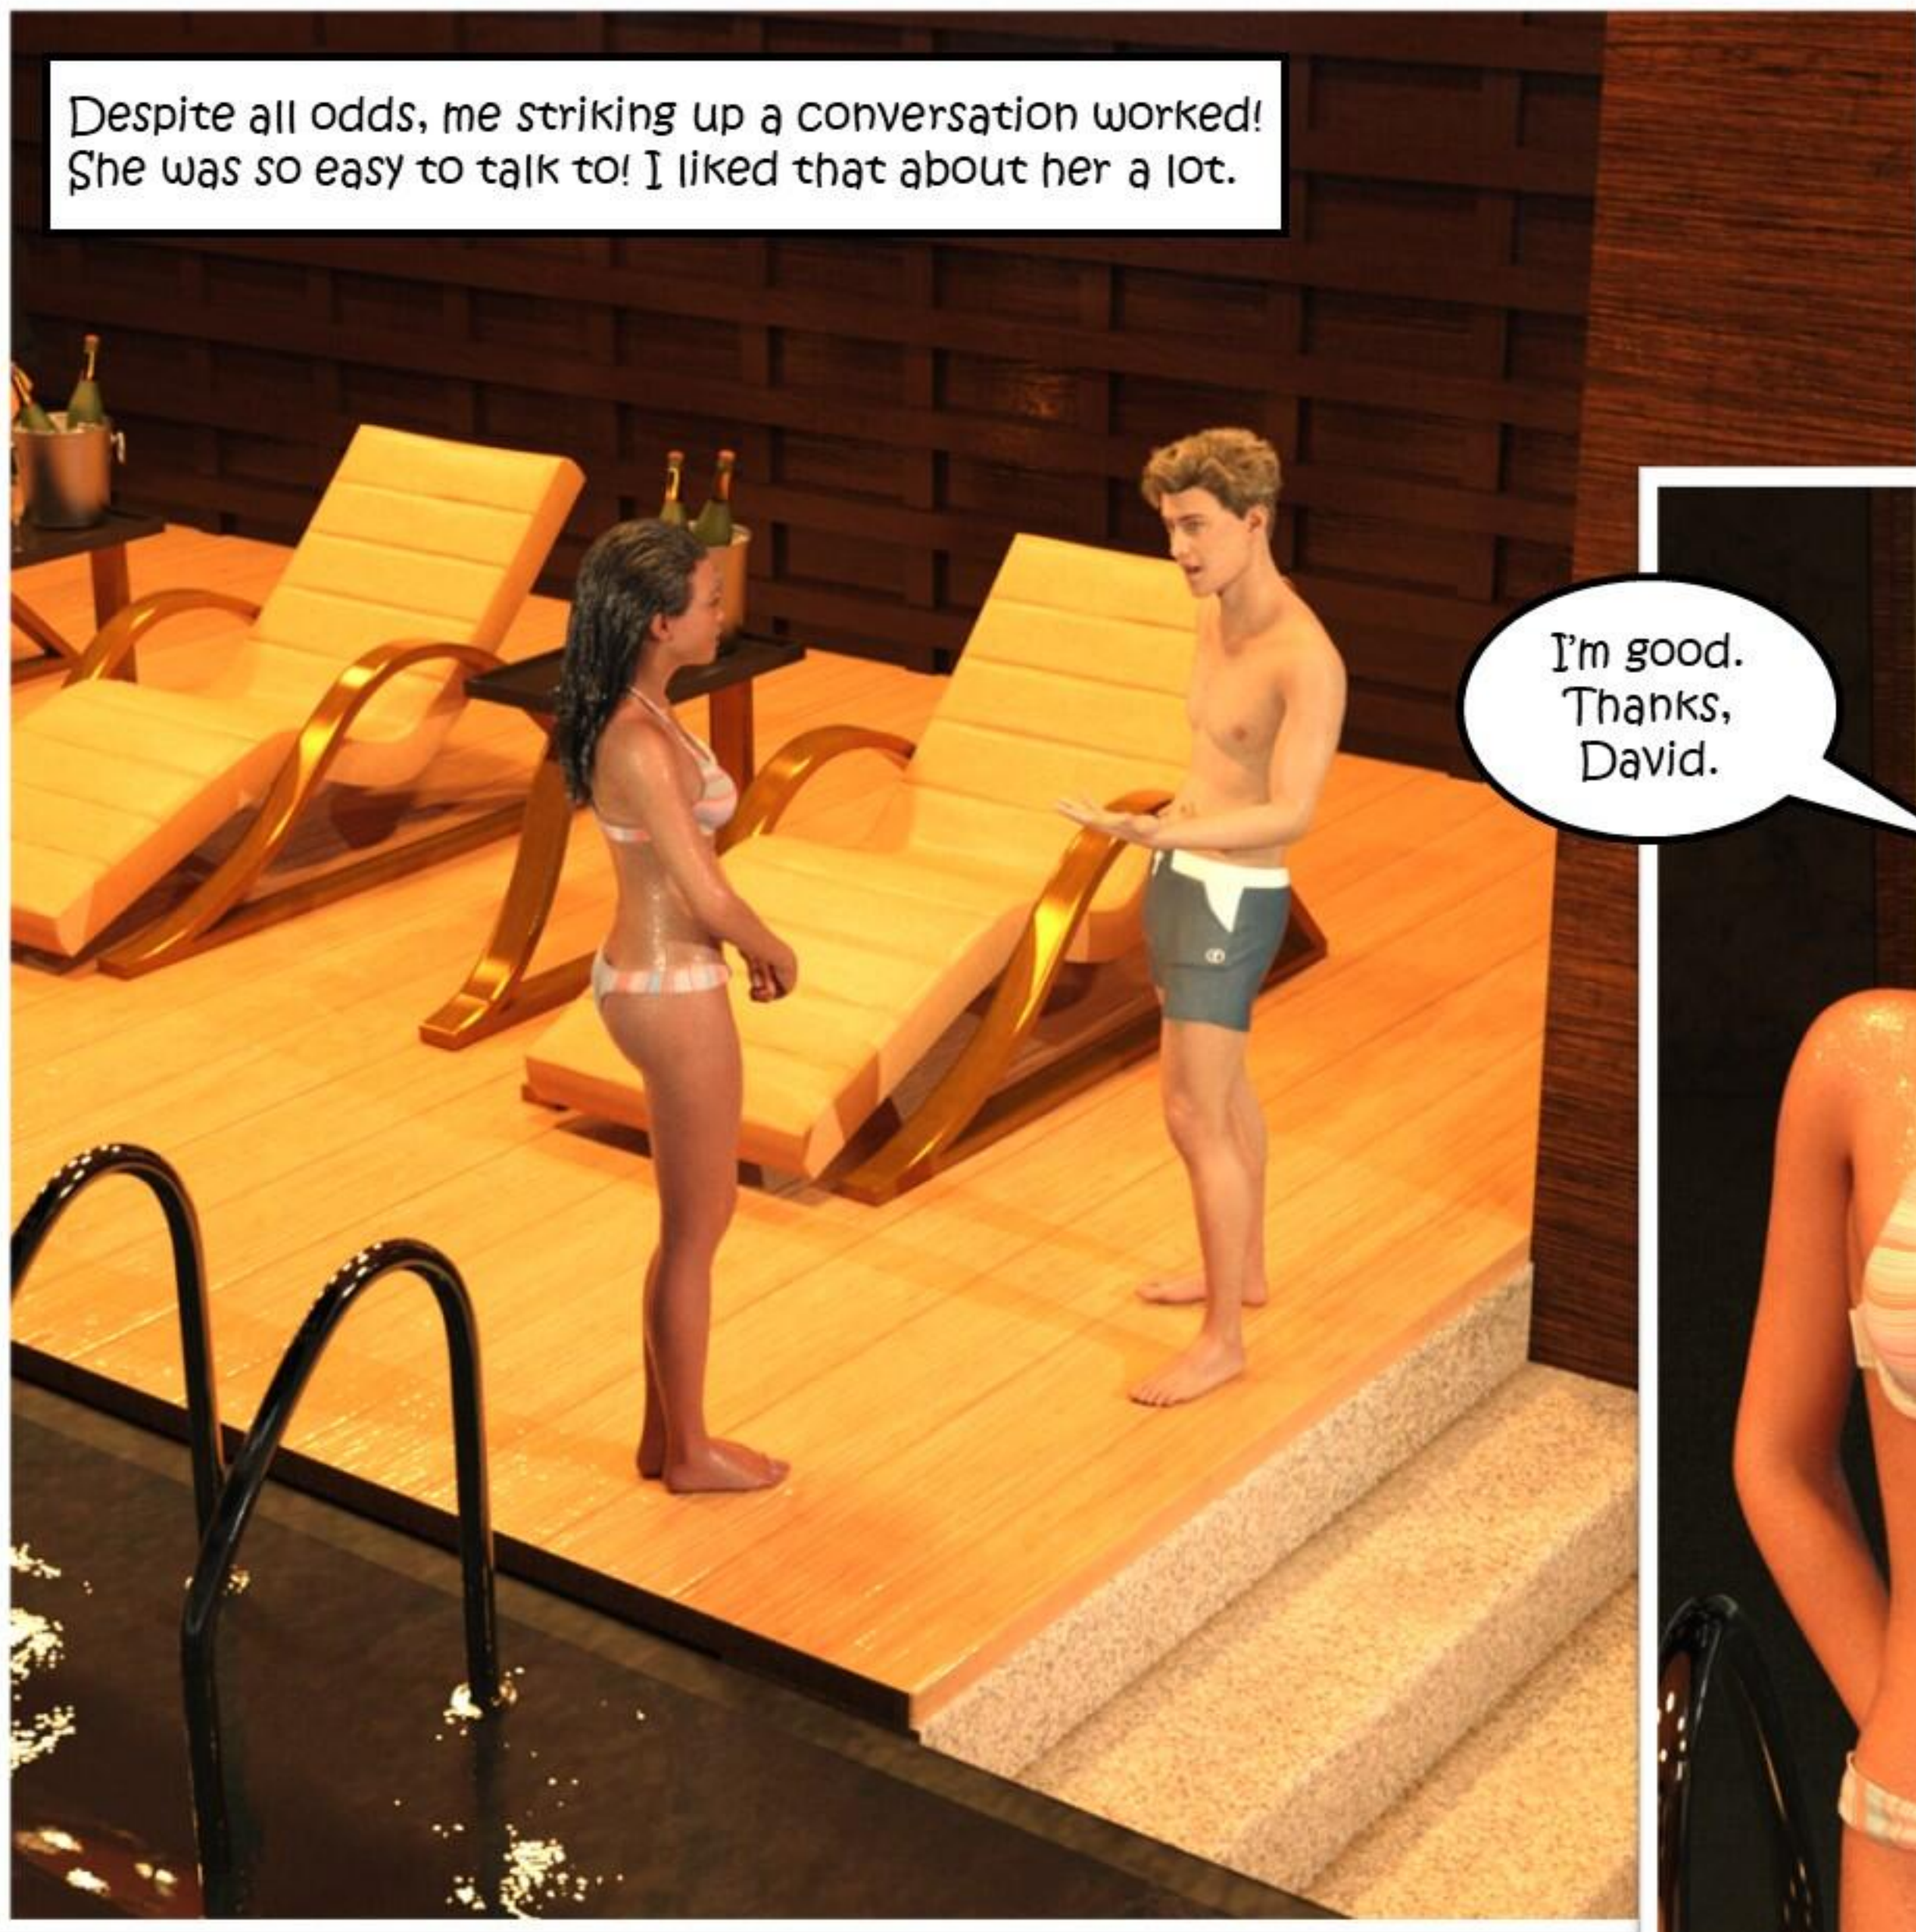

David
Age: 18
On Holiday at the beach resort

And that's when I saw her again. Melinda! She was just coming out of the pool... I had met her yesterday. She was the classmate of a dear friend of mine, and I was smitten by her smile the first time I laid eyes on her.

Melinda
Age: 18
A shy girl on holiday at the beach resort with her posh family.

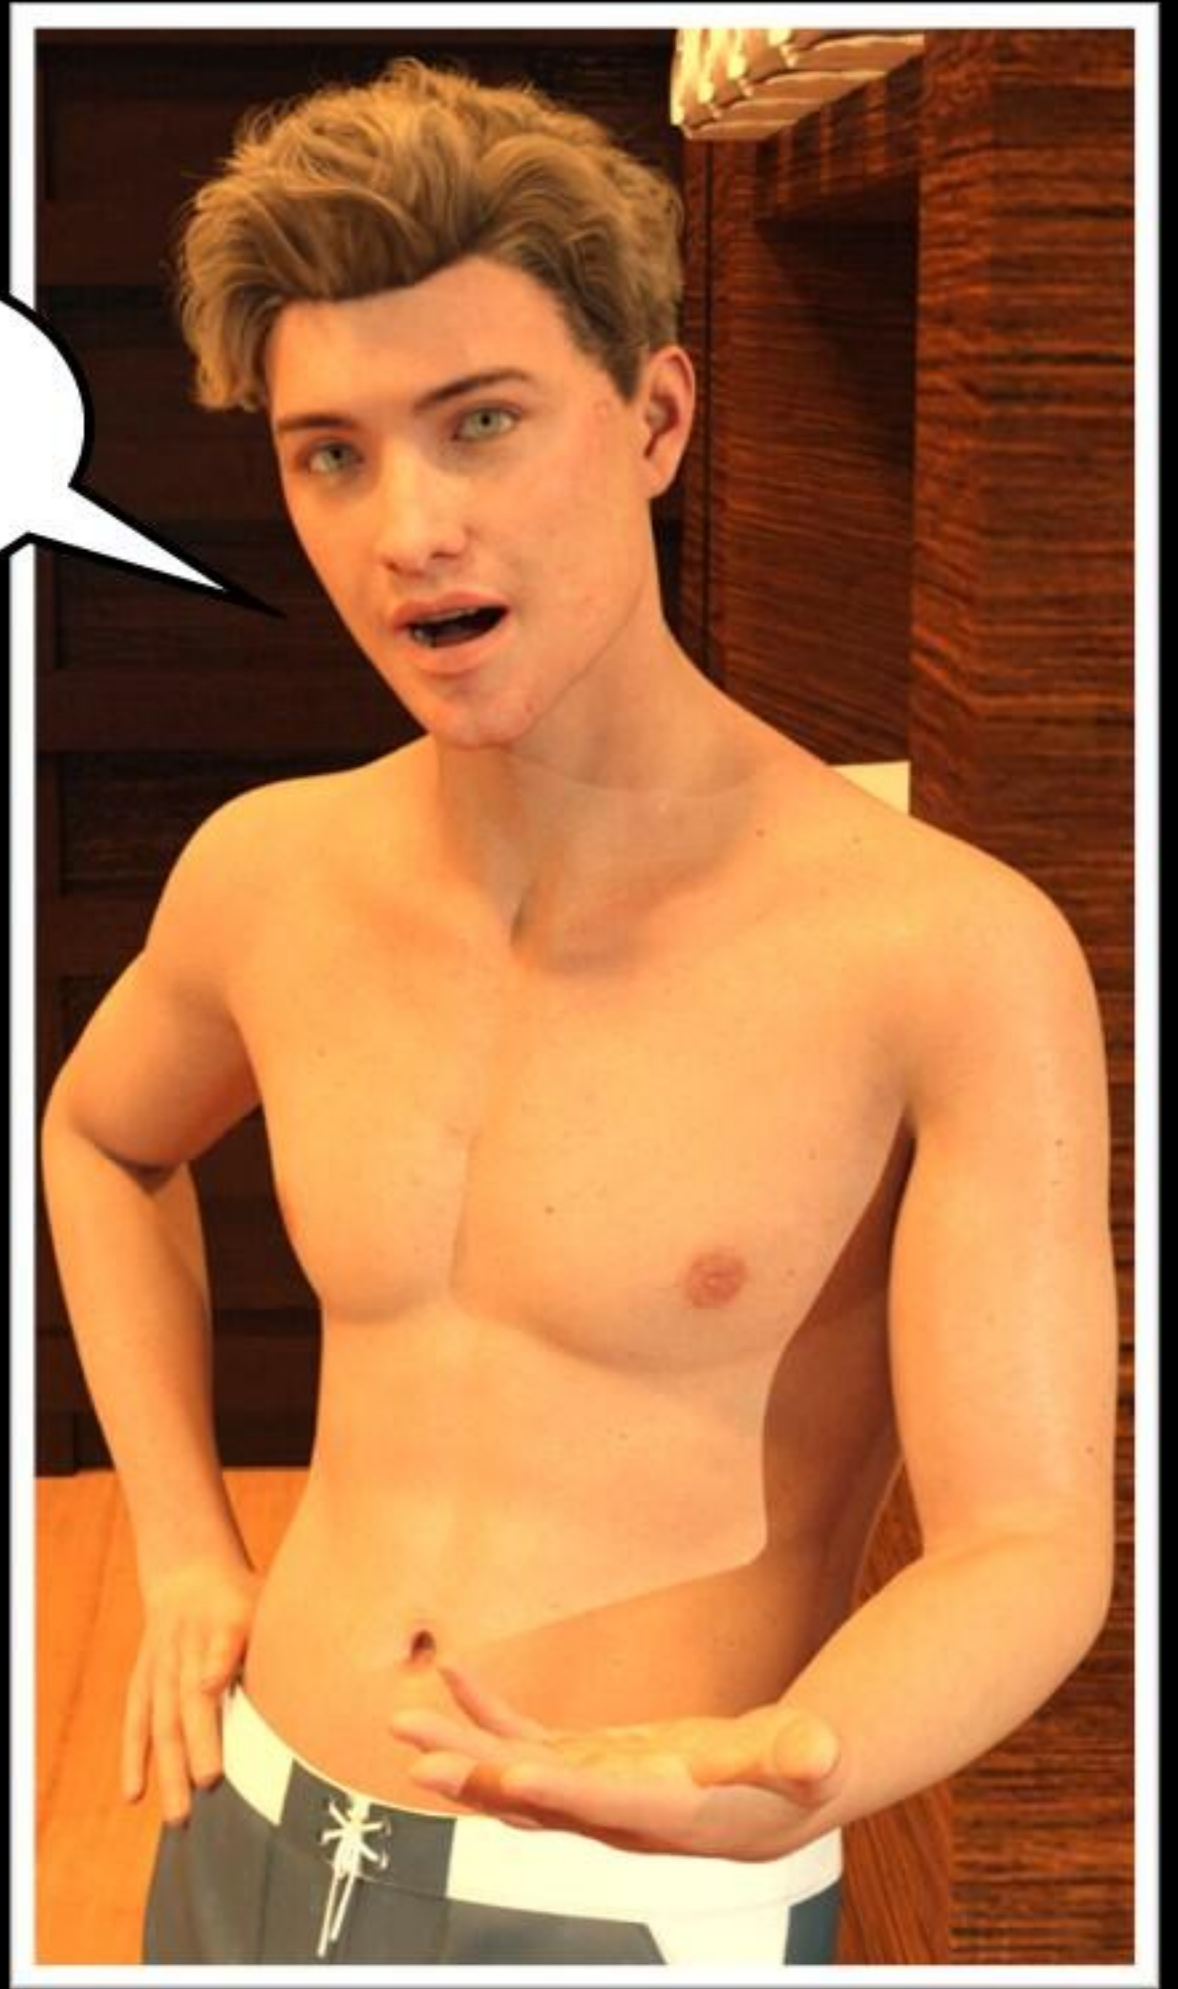

Despite all odds, me striking up a conversation worked! She was so easy to talk to! I liked that about her a lot.

I'm good. Thanks, David.

How are you?

I could see her fiddle with the back side of her swimwear. She just came out of the pool after all...

As I was talking to her my thoughts suddenly drifted back to yesterday's evening entertainment...

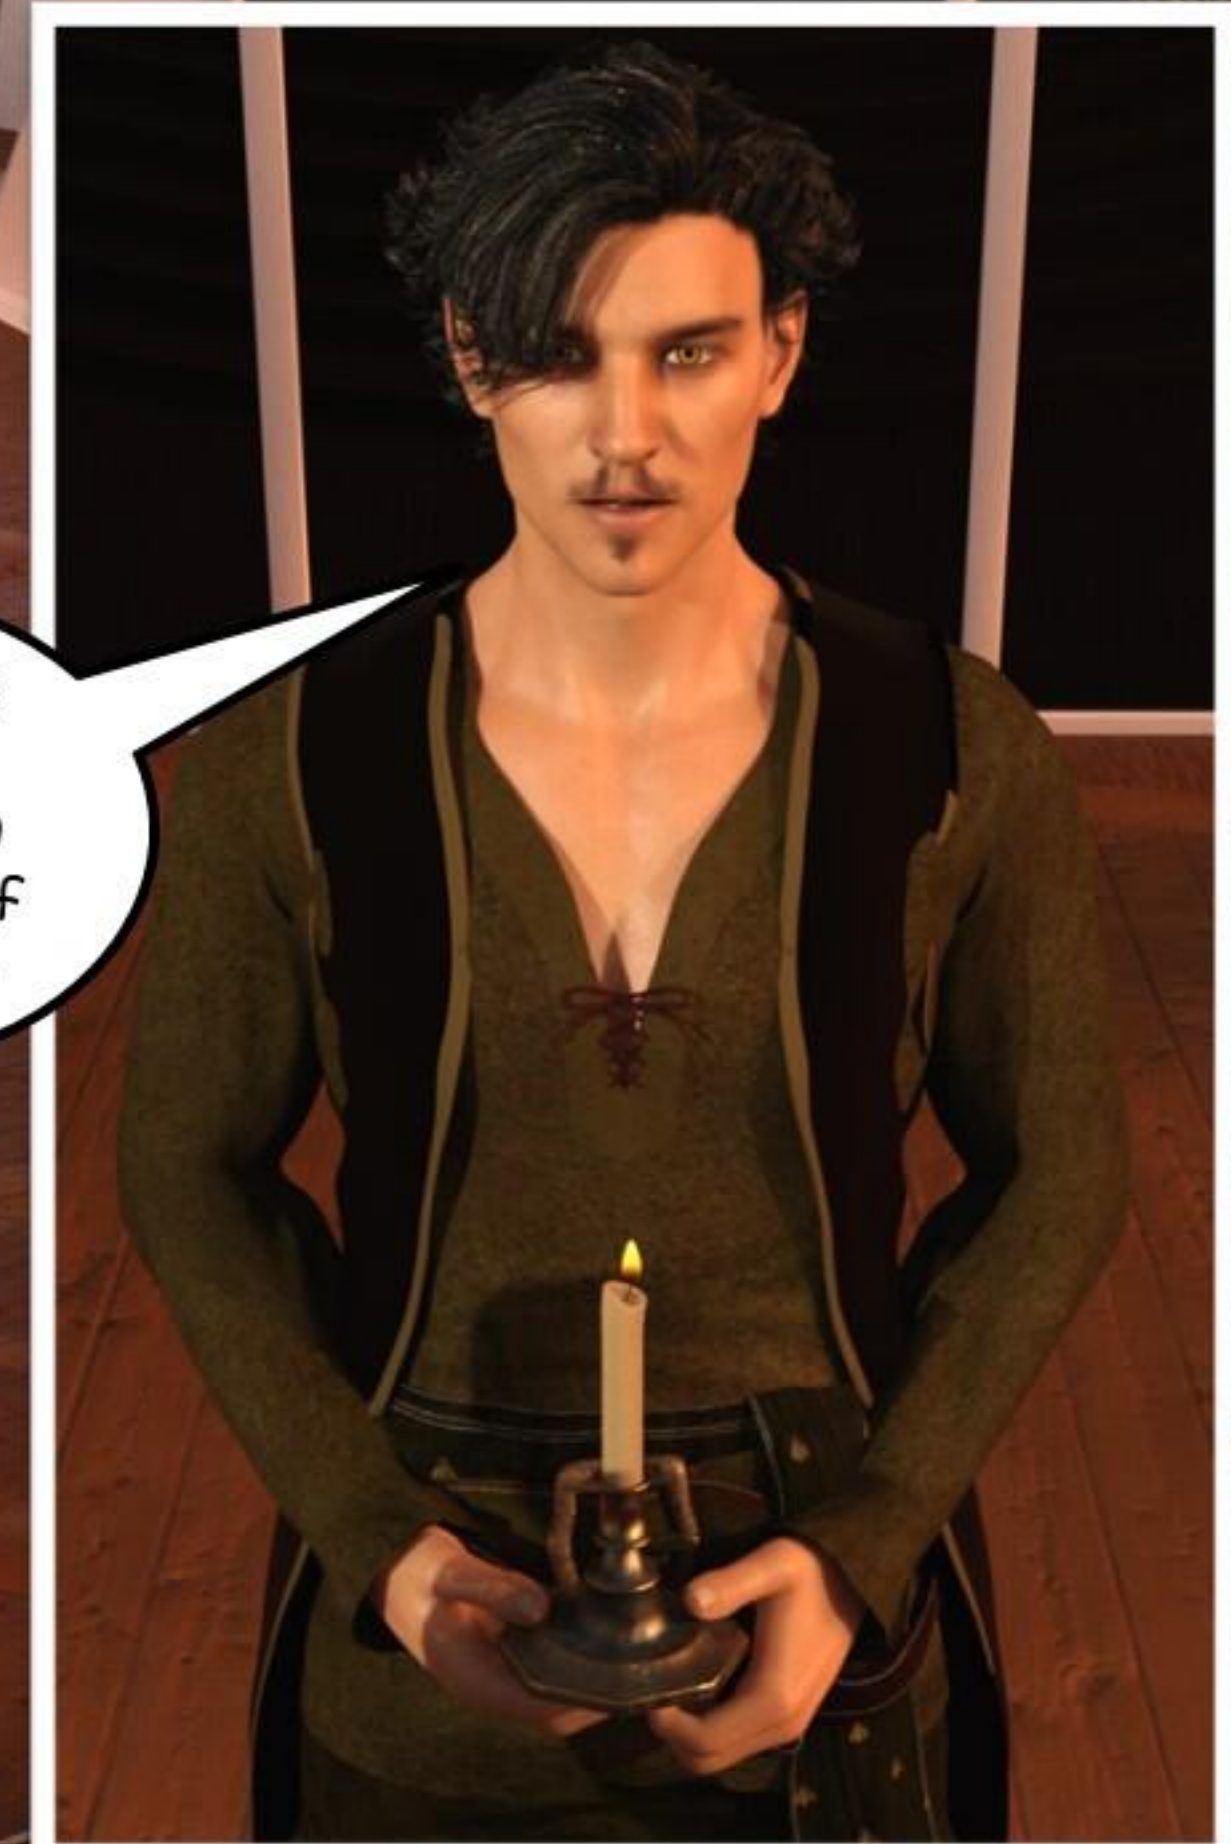

It was a hypnosis show!

Thanks for volunteering.

Please relax and focus your eyes on the flicker of this candle.

The hypnotist seemed to know what he was doing.

And Melinda was chosen from among the guests!

And went under pretty fast. Or... did they just play along? Did the hypnosis really work? I don't know!

Now, when you hear the word "Apple-Pie" you will fall into a deep hypnotic trance just like you are in right now.

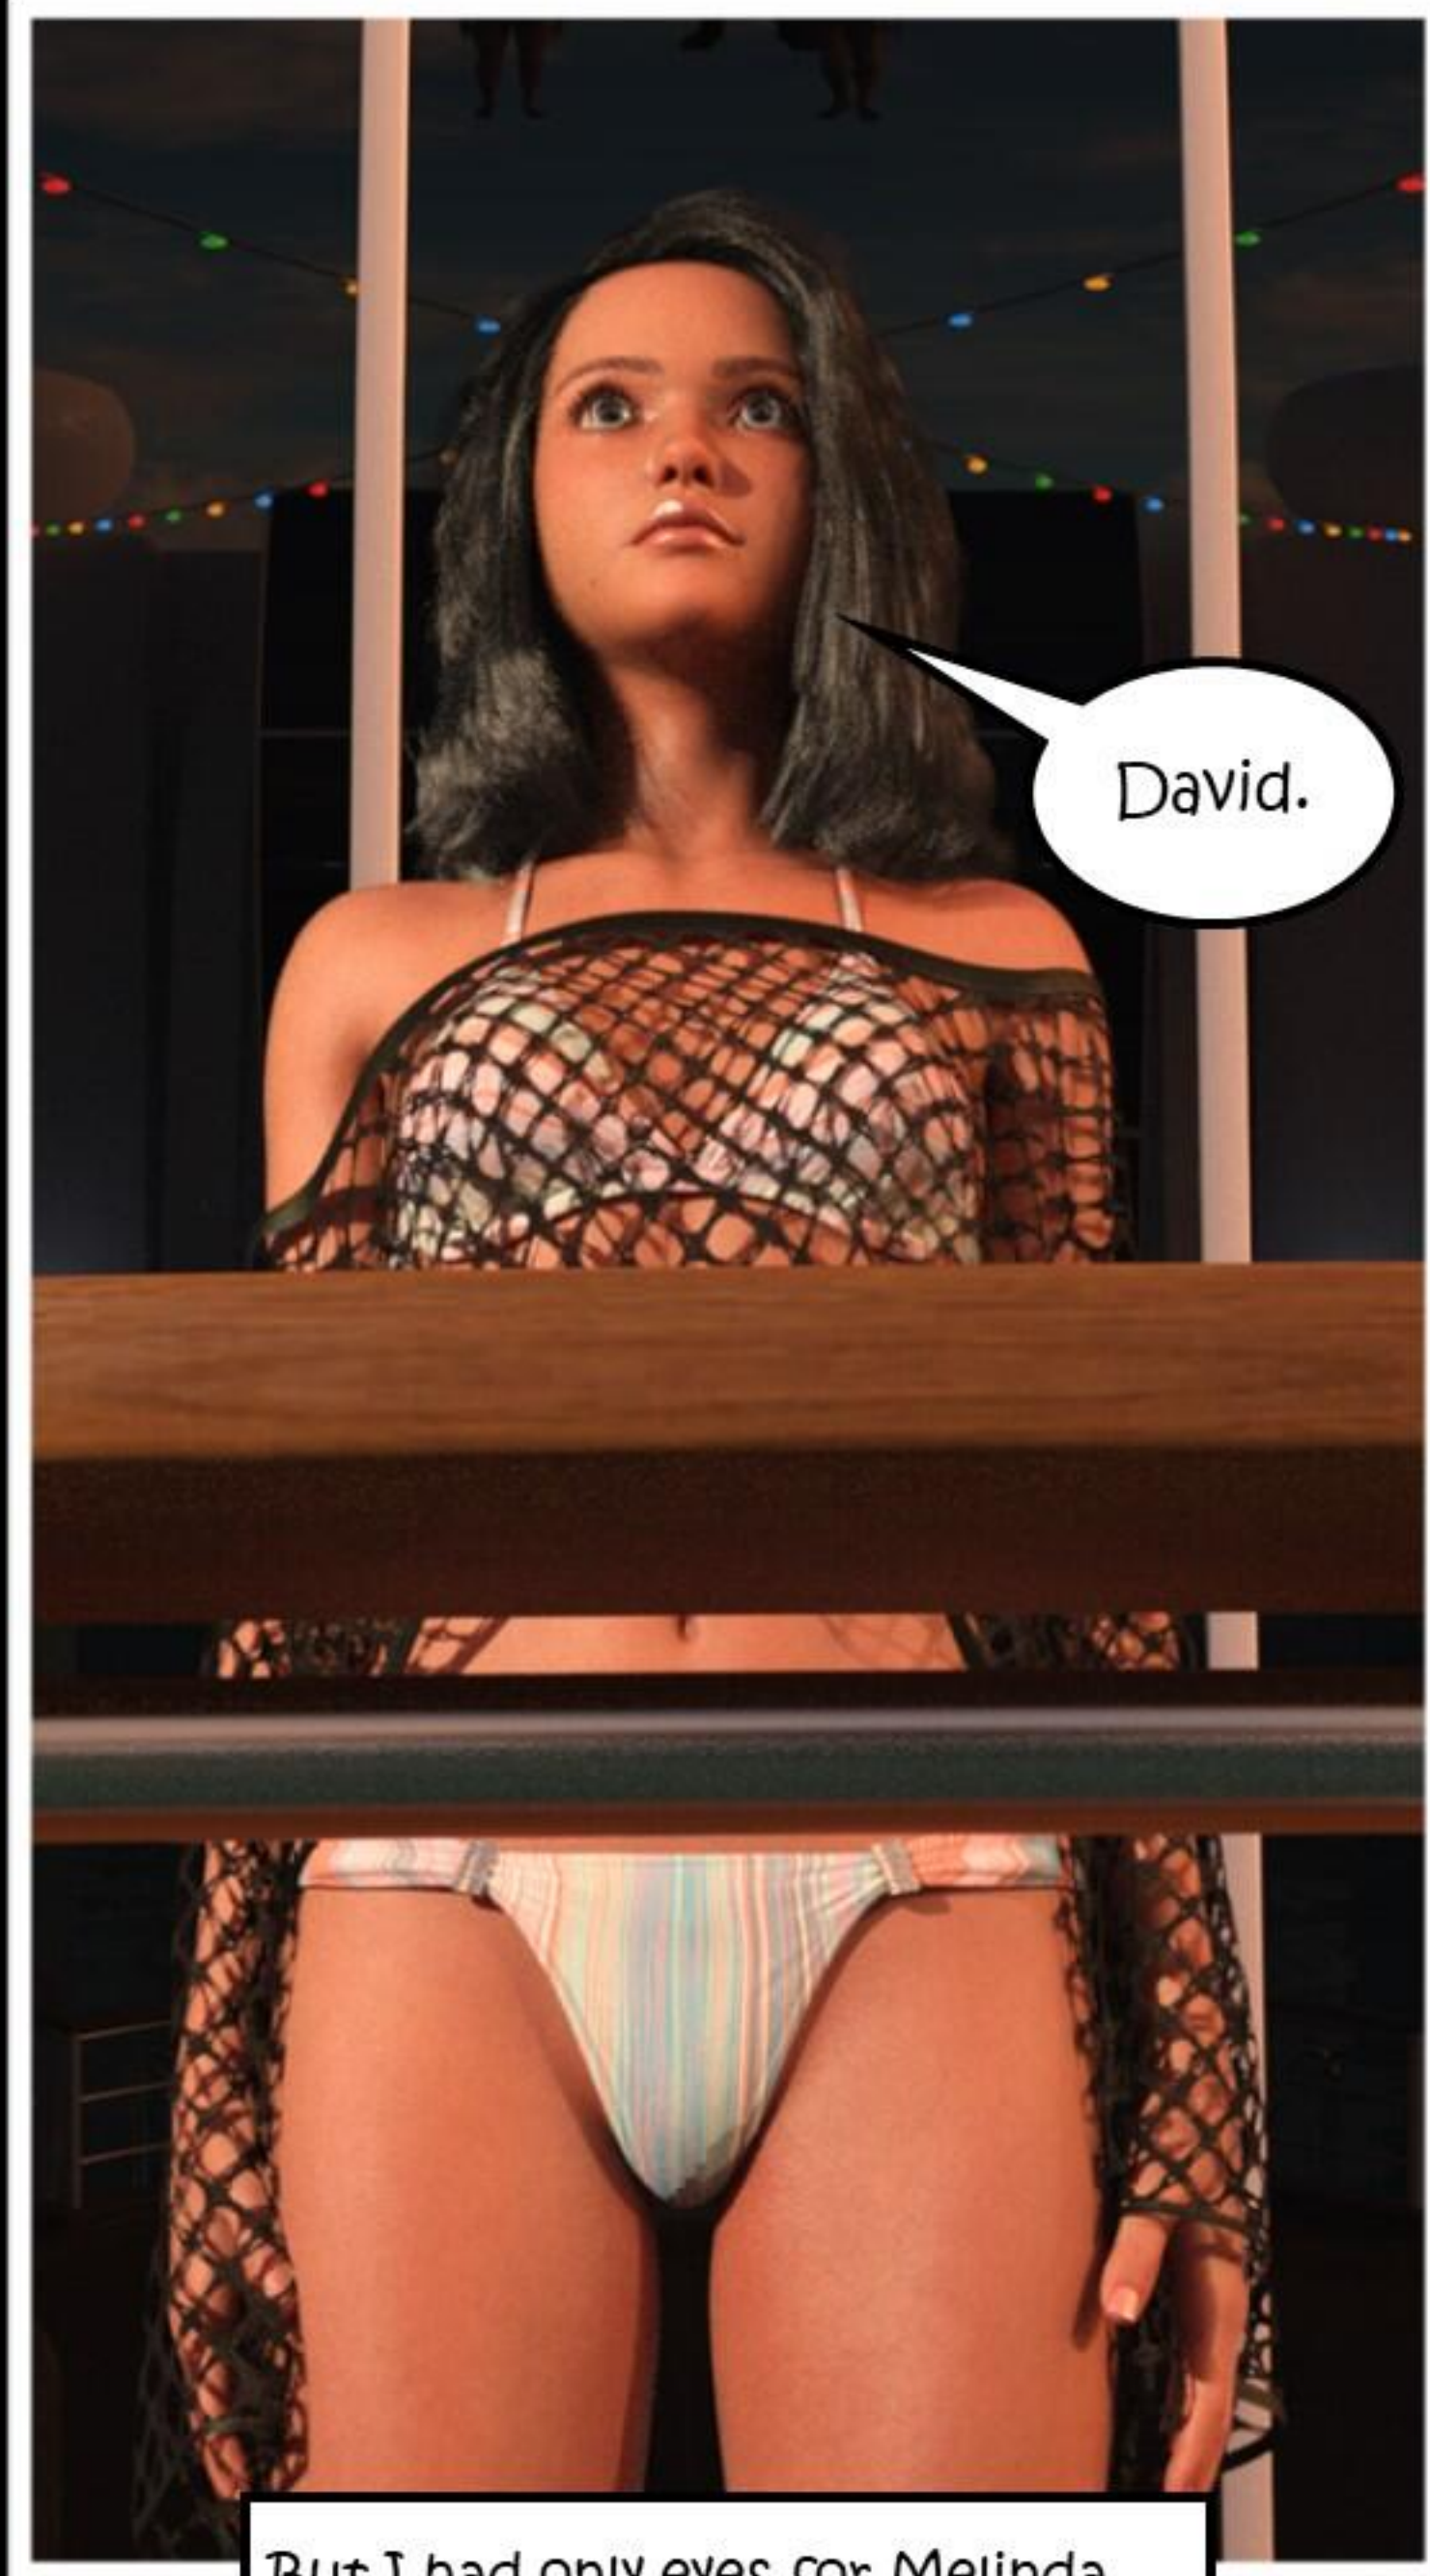

Soon all the "volunteers" he had selected followed his instructions...

The hypnotist had the four of them do some funny stuff up there on stage. And I have to admit... the control he had over them... if it was real!... **I found it kinda hot!**

Now there were four people on stage...

David.

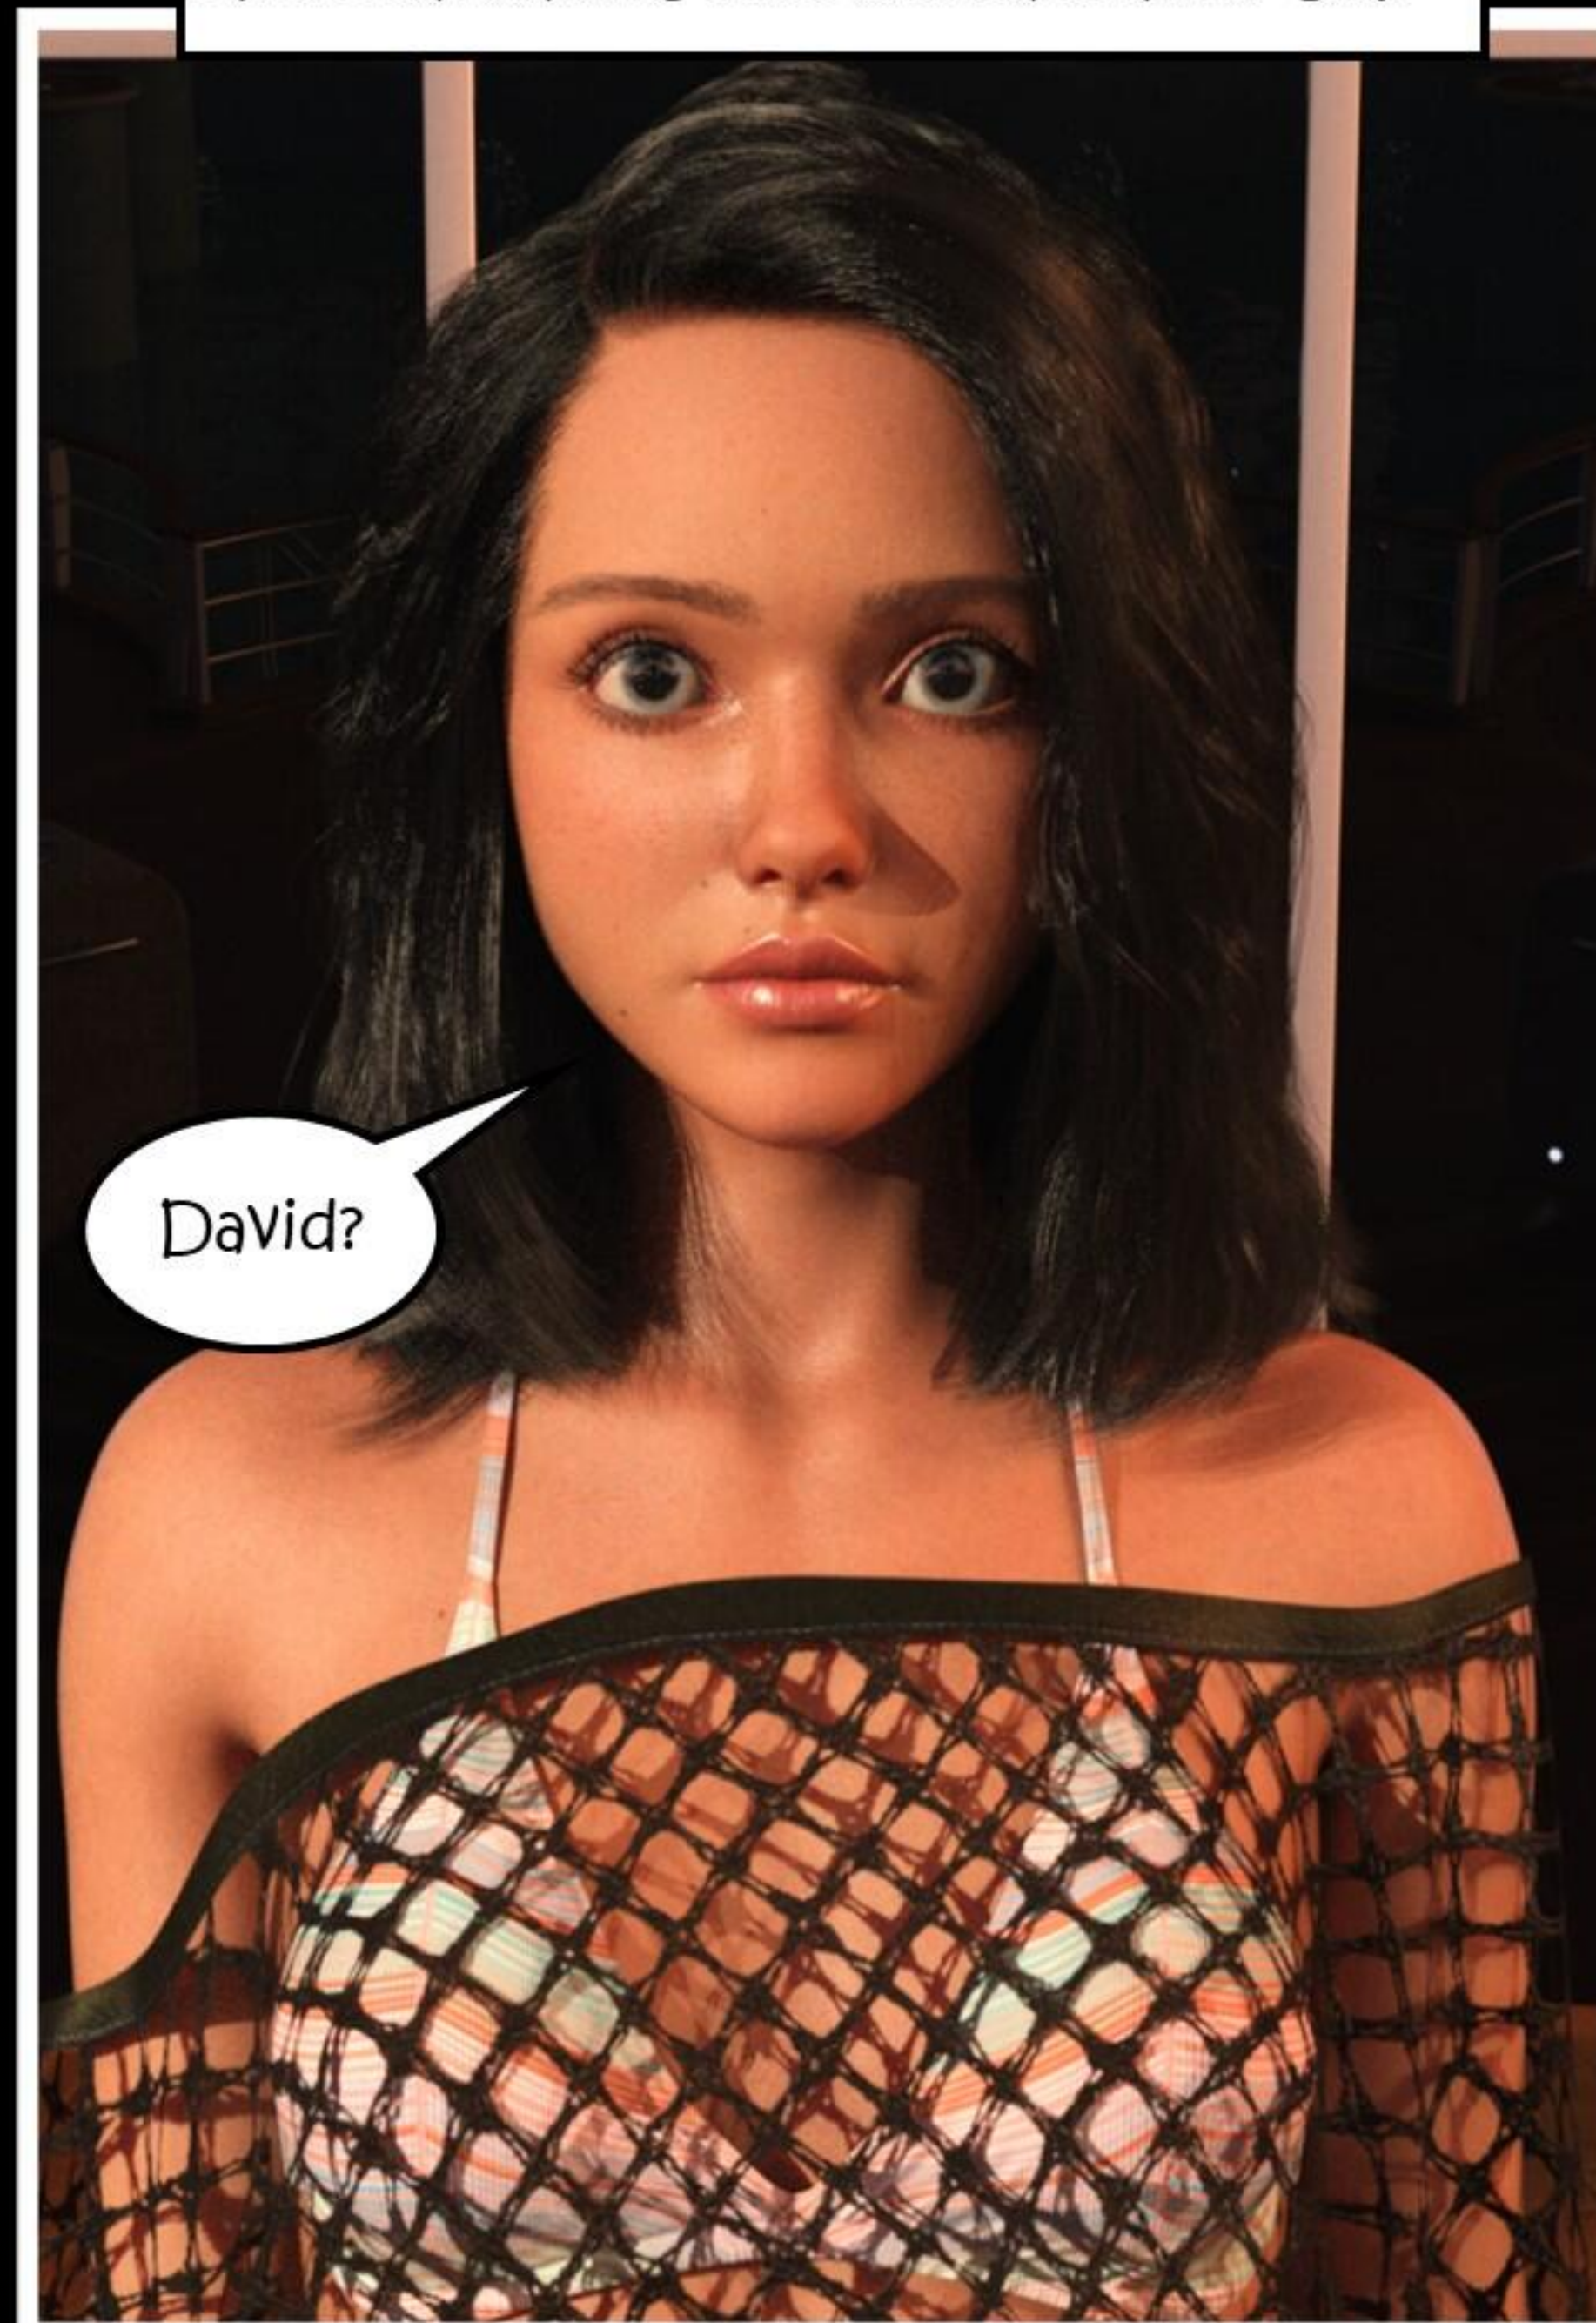

David.

But I had only eyes for Melinda...

As she was standing there with blank eyes... *gulp*

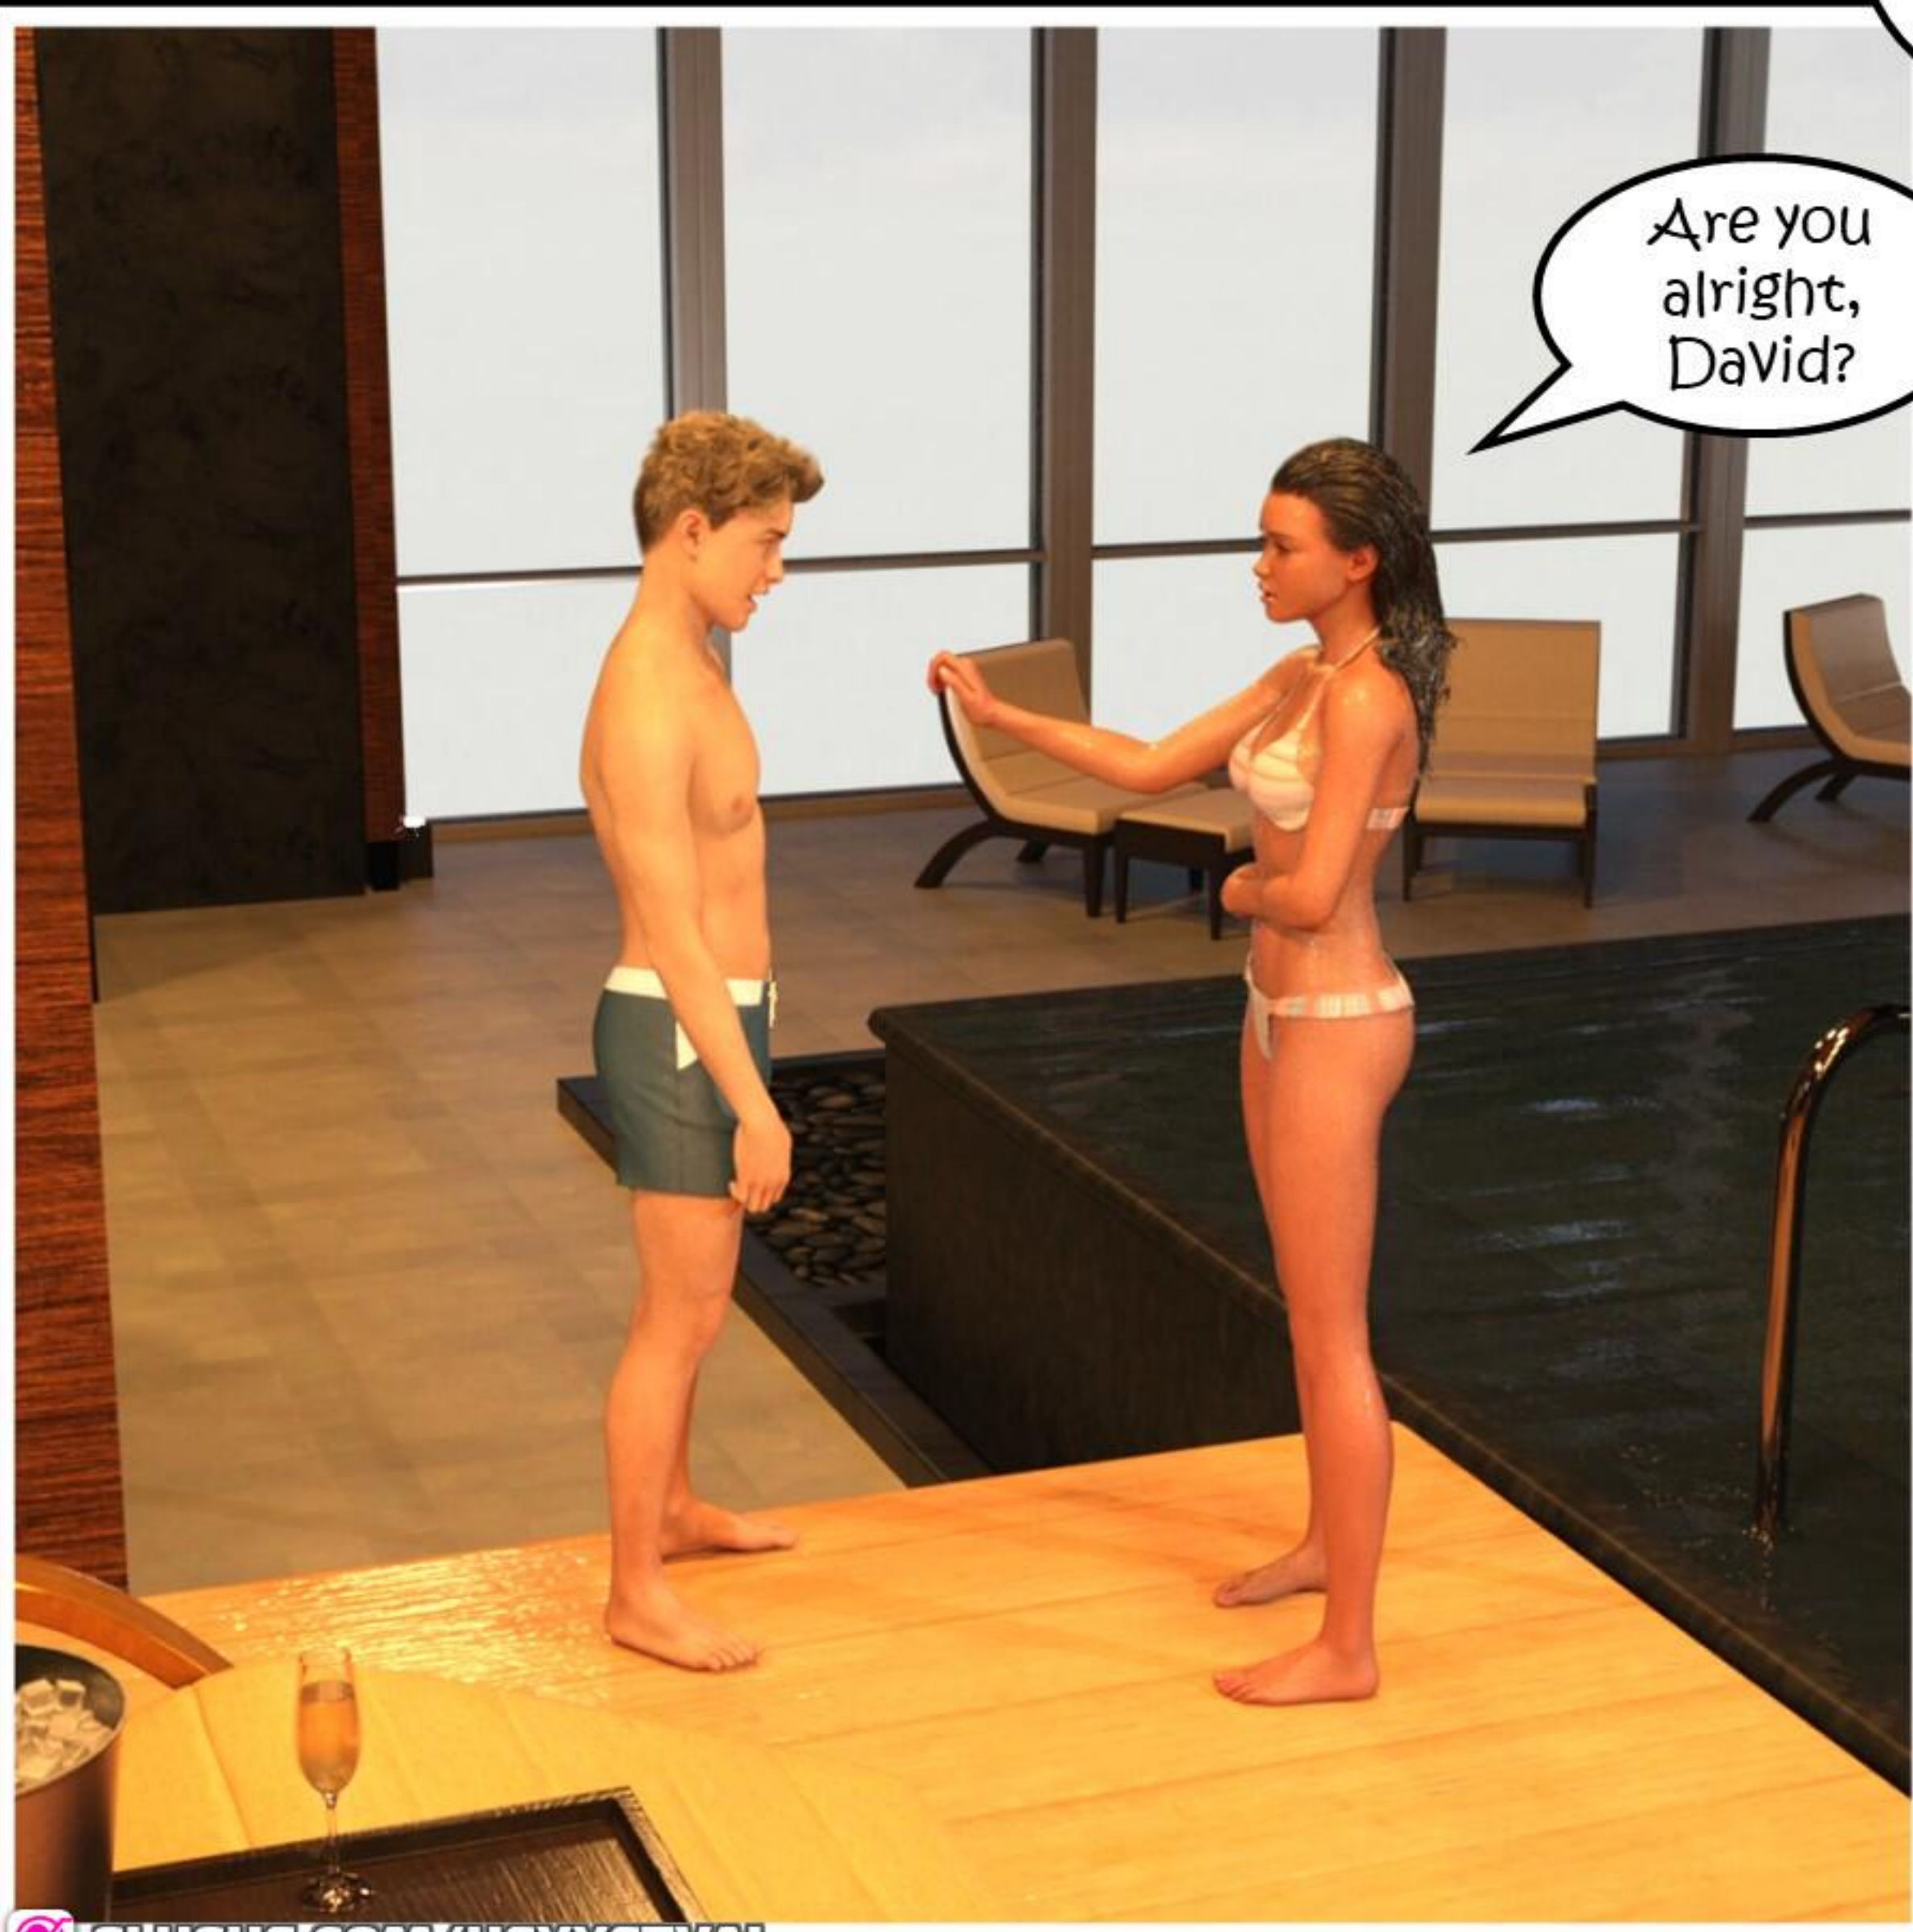

David?

David?

Well... fuck! I kinda totally went absent mid-conversation!

Are you alright, David?

Yes! Sorry! I... err.... Just remembered something... I wanted to ask you.

giggle Okay?

I wiped a bit of spit from my mouth with the backside of my hand... It seems I had been drooling a little. I hope she did not notice!

That hypnosis show yesterday... were you... you know... really under or just playing along?

Yeah!
That guy was totally overdressed for these temperatures!

Oh... that.
You see, I usually don't do stuff like that, but my mom edged me on.

And when I was on stage... I took pity on that guy. He was sweating there in his magician outfit.
giggle

So... I decided to go along with the show... I think.

Though I might have drifted off in between. His voice was really soporific! ***giggle***

MC Trance Trigger

Previously on MC Trance Trigger we have seen David find out that Melinda still has a lingering trigger in her head that puts her into a deep hypnotic trance. It's from that hypnosis show yesterday! David's been playing around with said trigger and made Melinda totally infatuated with him and his best piece resulting in some nice pleasure time at the beach. But now it's time to ramp things up a little...

Featuring

David...

a guy on holiday at the beach resort

Melinda...

an 18-year-old sheltered virgin on
holiday at the beach resort

Previously on Trance Trigger...

I really enjoyed getting you off.

And you taste delicious!

But we just met yesterday and I'm still a virgin!

Glad to hear. How about you join me in my room and we go all the way?

A... All the way? You mean like sex!?

I... I like you. I really do!

Apple-pie!

Swap

I am in a deep hypnotic trance.

Good girl. Now forget that I asked you for sex.

Instead, when I wake you up, you'll have an incredible desire to lose your virginity to me.

I want to give my virginity to you.

SWAP

Good girl. Now wake!

Now...

Hey, David...
I just had an
idea...

Promise
you won't
laugh?

Promise!

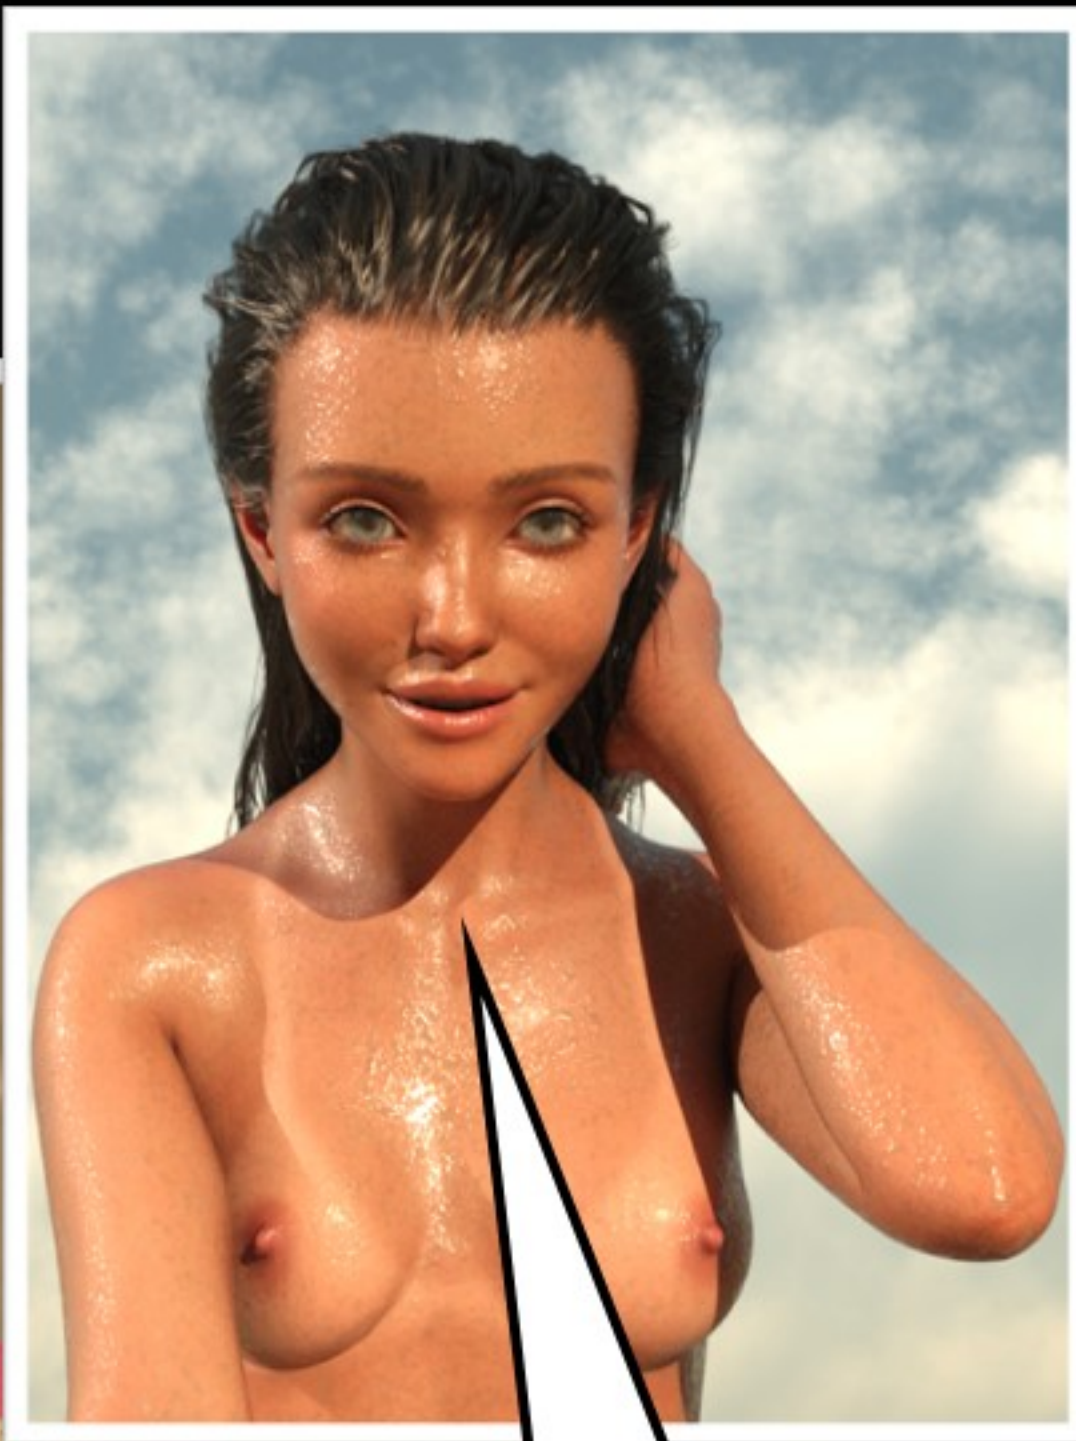

Mhm?

I never...
did "it" with
anybody...

But I feel
like you are
the right
one.

I've never
felt like this
for anybody!

So...I WANT
TO LOSE MY
VIRGINITY
TO YOU!

So... err....
What do
you say?

chuckle
Of course,
I'm game!

I fell in love
with you when I
first set eyes on
you, Melinda.

Woah!
What are
you doing?!

Way too risky out here.

Let's get dressed and go to my room.

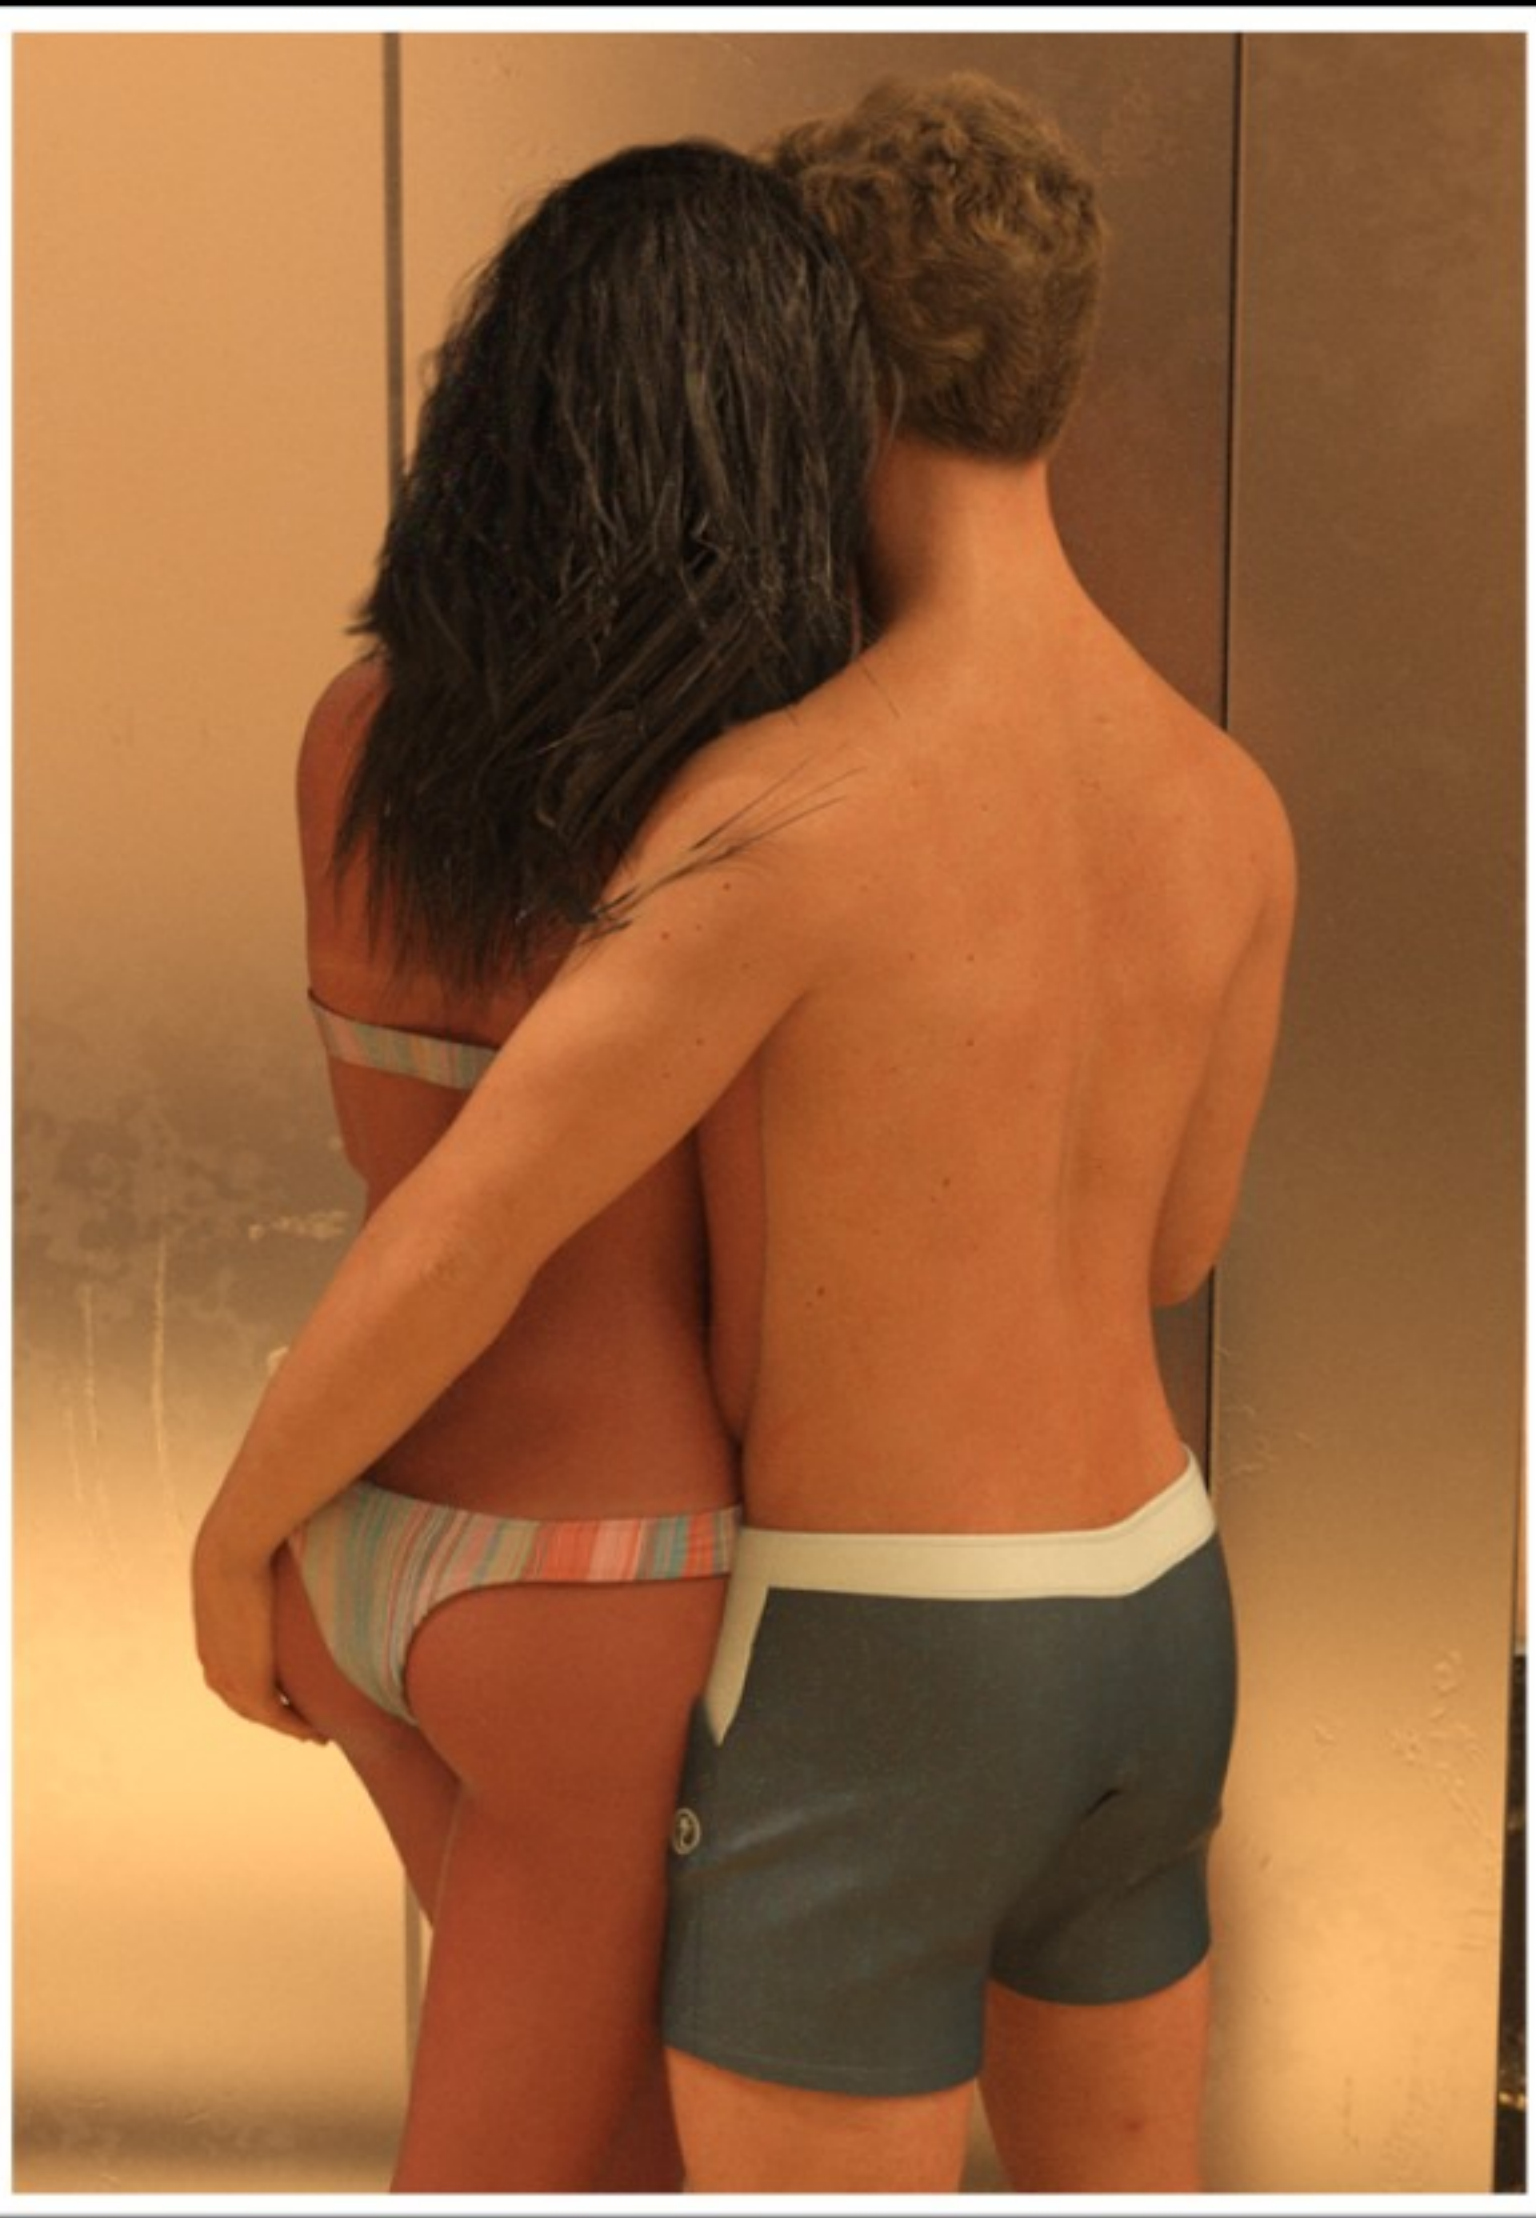

Damn it!
I was so excited about this that I totally forgot about the risk of somebody catching us! I just really want to give him my virginity already!

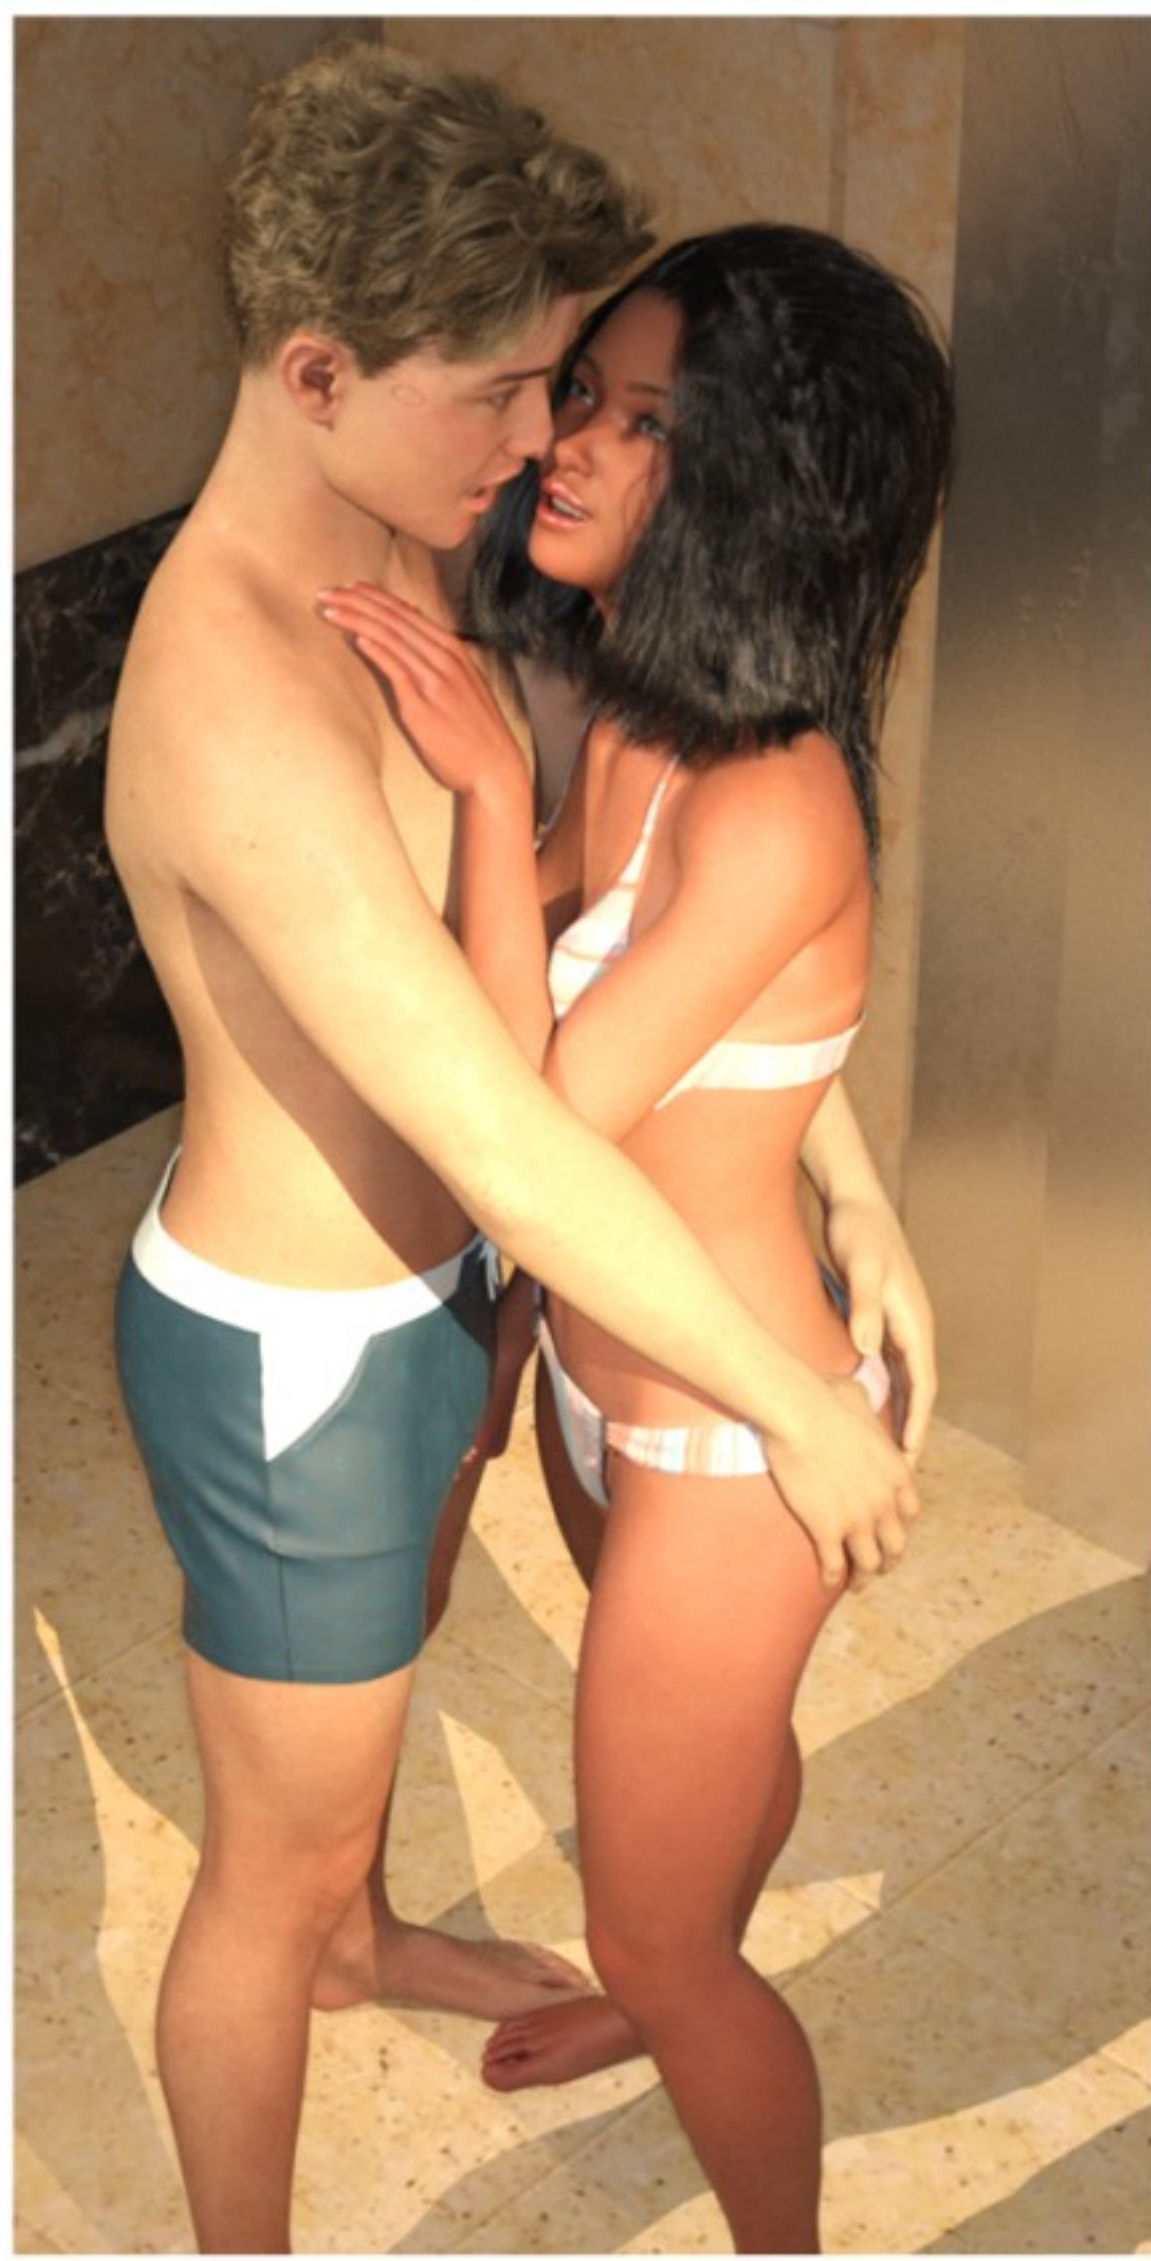

Everything alright?

Yup!
Let's gooo!

When we reached the hotel we cuddled while waiting for the elevator...

And once in the elevator...

We did what any healthy couple does when alone in the elevator!

As soon as we were through the door to my room, we were making out heavily!

And Melinda started undressing...

Me with a boy
at his place -
stripping.

Mother would
probably faint
if she knew.
giggle

I never believed in love at first sight...

Now look at me.
giggle I've never
been so certain of
anything in my life.

Two people falling for one another at first sight. **What are the chances?**

Guess we are really lucky. ***chuckle***

swoosh

And so, it came to this awkward moment, us – naked – standing in front of the big hotel bed...

So... how exactly does this work?

Urgh! I know that!

If you are like that I'll leave!

My pointy thingy goes into your hole thingy.

Tries to be funny...

Lick you down there... get you wet and ready...

Sorry! So... I was thinking... I'll start by returning the favor from the beach.

She's totally bluffing. She really wants him to pop her cherry right now!

Spread my legs...

And let you do all the work?

Yeah. But get a little closer to the edge, please.

Like this?

Perfect!

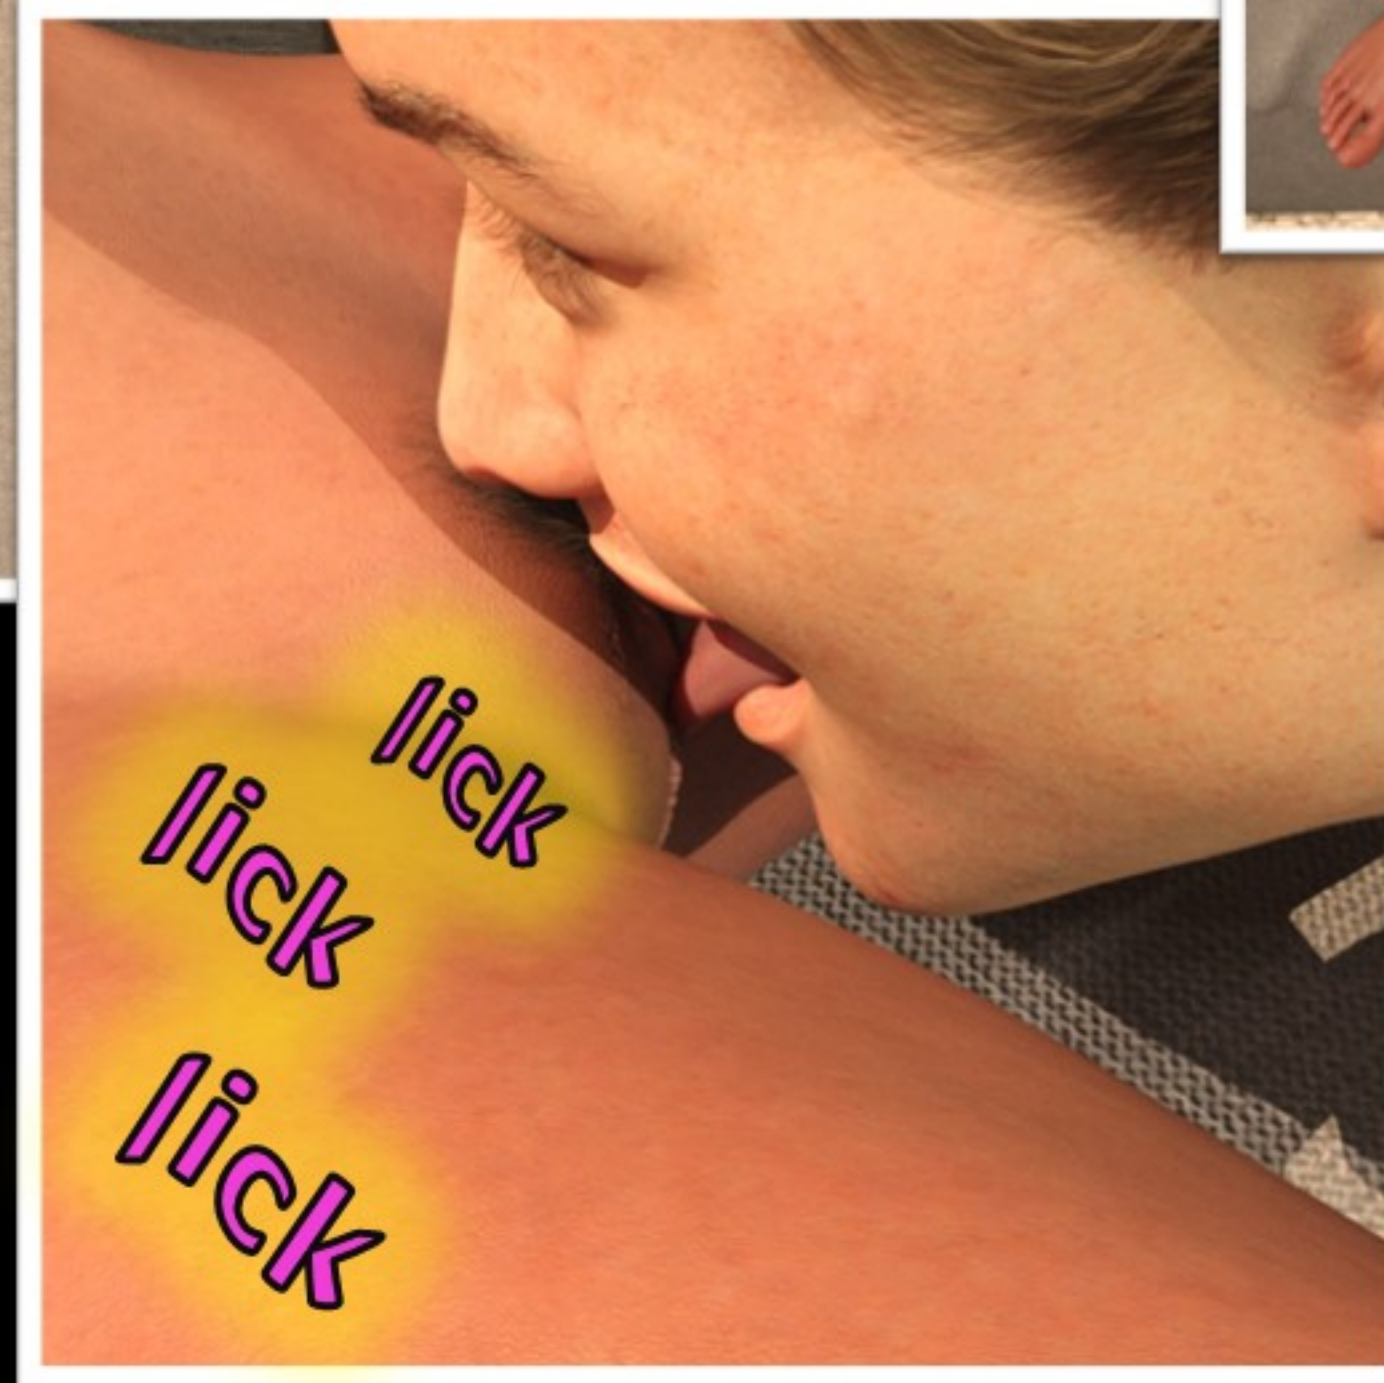

Melinda's pussy was shaven clean except for a small landing stripe right on top.

I homed in on my target. That sweet - wet - luscious pleasure spot between her long legs.

It was so cute! So inviting! I dug in!

I think you are ready now.

You are very wet.

Oh...

Wait!

It won't hurt, will it?

Uhh... I'll be gentle?

I read that
the first time
hurts.

I don't like pain...

I... heard the same...

Really?!
How?

It won't
hurt one
bit. Promise!

I have a
great idea!

For a moment Melinda looked at me very confused...

Huh?

Apple-pie!

Until the trigger kicked in and I
could see her eyes go blank.

I'm in a deep
hypnotic
trance.

You won't think about any pain or concerns.

Instead of any possible pain from your hymen breaking you will just feel pleasure from my big dick filling your tight hole.

I will only feel pleasure from your big dick filling my tight hole.

And awake!

SNAP

Oh...err...
. What...

What are we waiting for?!

Put your big dick into my tight hole already!

Yes!
Fill my tight
hole with your
big dick!

Does it feel alright?

kiss

Alright?!

This feels *kiss* fucking amazing!

FUCK me!

fap fap fap

Oh, fuck,
YES!

I saw this on the internet once.

The girl riding the boy.

You don't mind me trying that, do you?

By all means. Hop on, girl!

stroke

Applepie?
That some
kind of
position?

Moan

I could see her brain shutting down on top of me as her hands started to drop...

Uhh..

Until she dropped into her
trance once again. God, I love
this trigger!

I'm in a deep
hypnotic
trance.

I will
listen to your
instructions.

Monotone, Melinda started to bounce up and down on my cock.

No emotion betrayed her face...

And her rhythm was perfect.

Like a robot...

...up and down Melinda went on
my COCK...

Like a windup doll trapped in the
same movement...

Something I always wanted to
experience.

A completely entranced girl riding
my dick... **It was intense!**

But so was Melinda's personality and cute moaning. So, after some trance robot action, it was time to wake her up again for the grand finale!

Yes David, when I wake I will experience the most epic orgasm ever.

I will cum all over your big dick.

And awake!

SNAP

I could feel Melinda's pussy spasm and clench around my cock as her moaning pierced the room.

Ueeoww

I could basically feel her sexual bliss as her body released all that tension in one huge orgasm. It was a long and intense one.

Oh, wow!
This was
amazing!

I can't
believe I
waited this
long to try
out sex!

It's probably
because I
haven't met
you til now!

God, I love
you so much!

Mhm....
grunt

fap fap
fap fap
fap

I was pretty close to the edge from experiencing Melinda's orgasm and decided to simply jack all over her cute tan-lined body.

She kept on talking but I did not really listen as I shot my load all over her. I don't think she realized what I was doing til the cum hit her. Might be from my suggestion to not concern herself with anything during the sex... so she forgot about making me cum... Definitely, need to work on that in the future. But I'm complaining on a high level here...

Oh, dear!
I totally forgot
about you! I'm
so sorry!

Holy shit!
You could have
totally knocked
me up on my
first time.

Good thinking
cumming
outside!

I totally stopped
thinking during
the sex!

Thank god I've chosen such a reliable guy.

My mom would totally freak if... you know... **that** happened!

kiss

Carass

Don't worry, love. I've got everything under control.

Let's talk about your mom for a bit.

LO!
My mom?
Not really very good after sex talk, is it?

Your mom's that fit hot blonde MILF who was with you on stage during that hypno show, right?

Apple-pie!

I don't like you talking about my mom like that... but yeah she was there with me... why?

SNAP

Yes, David.
My mother is a hot
piece of ass. I'd love
to see you make her
our little bitch.

The End?

Thank you for reading!

MC Trance Trigger III

Previously on MC Trance Trigger, we have seen David find out that Melinda still has a lingering trigger in her head that puts her into a deep hypnotic trance. He used said trigger to get her to go down on him on the beach and turn her into his adoring girlfriend. After spending a lovely afternoon in his hotel room it's now time to meet Melinda's mother Vanessa... who, according to Melinda, will probably not like David. But David is not concerned... after all, Vanessa attended the same hypnosis show that led to Melinda's trigger!

Featuring

David...	a guy on holiday at the beach resort
Melinda...	an 18-year-old sheltered virgin on holiday at the beach resort
Vanessa...	Melinda's mother – a posh fashion designer

Melinda and David are on their way to Melinda's hotel room. It's already late afternoon and her mother is surely waiting for her.

Then I'm gonna use her hypnotic trigger to put her into a trance and help her see you as the great and nice guy you are!

Good girl!

A little earlier in David's room.

I'm in a deep hypnotic trance.

I will listen to your instructions.

We'll now go meet your mother.

I'll first introduce myself and we'll see how it goes.

But if she does not like me I want you to use her trigger.

And make her like me so we can keep on having fun.

Yes, David.
When my mother
does not approve of
you, I will use her
trigger and put her
in a hypnotic
trance.

I will then
reprogram her such
that we can be
together and keep
having fun.

Back in the present...

Knock

Knock

Oh, hey
sweety. Where
have you...

Moments later on the Balcony... The conversation did not go in David's favor so Melinda put her mother in a trance...

Now that you are in a deep hypnotic trance you will listen to me, Mom!
