

MC Trance Trigger
The Interview

Hello viewers!

I'm Irene Fortune from Channel 69 and today we are talking about **MC Trance Trigger**, a new Mind Control/Trance-focused comic by Hexxet.

With me, in the studio today, is **Vincent Valentine**, a renowned actor and hypnotist at **HexxetsMagicComics** who is playing... which role are you playing Mr. Valentine?

Thank you
for asking
Irne.

And to my fan
out there. I'm
back, baby!

And of
course, this
time I will be
playing the
hypnotist!

Oh, my!
What a surprise!

Who would have thought that after your grand performance in Office Party as the clumsy hypnotist, you'd shoot for the same role once again!?

Will your character once again forget to remove some triggers?

I'm just taking a shot in the dark here considering the title and all.

... Indeed... he will. But that's just the way the script was written.

But there is so much more to my role this time!

This time the story is set at an all-inclusive beach resort.

And I'm the evening entertainment. So, I have prepared a hypno show like no other!

A beach resort... I'd like to be there right now!

Oh, wow!
That does sound nice!

So... from your show. I expect there's a lot of lewd stuff going on on stage?

Hell no!
I'm a
respectable
hypnotist.

But I've
prepared a
lot along the
line of...

Forgetting
a number.

Forgetting
your name.

Making
them think
they are an
animal.

...

I'm sorry Mr. Valentine but I just got a call in telling me that your show has been cancelled.

It will only be shown in a quick four-page back view!

Instead the rest of the comic will be about this cute chick who attended your show and still has a lingering trance trigger in her head!

What?!

This is outrageous!

Why?!
Why is it always going like this?!

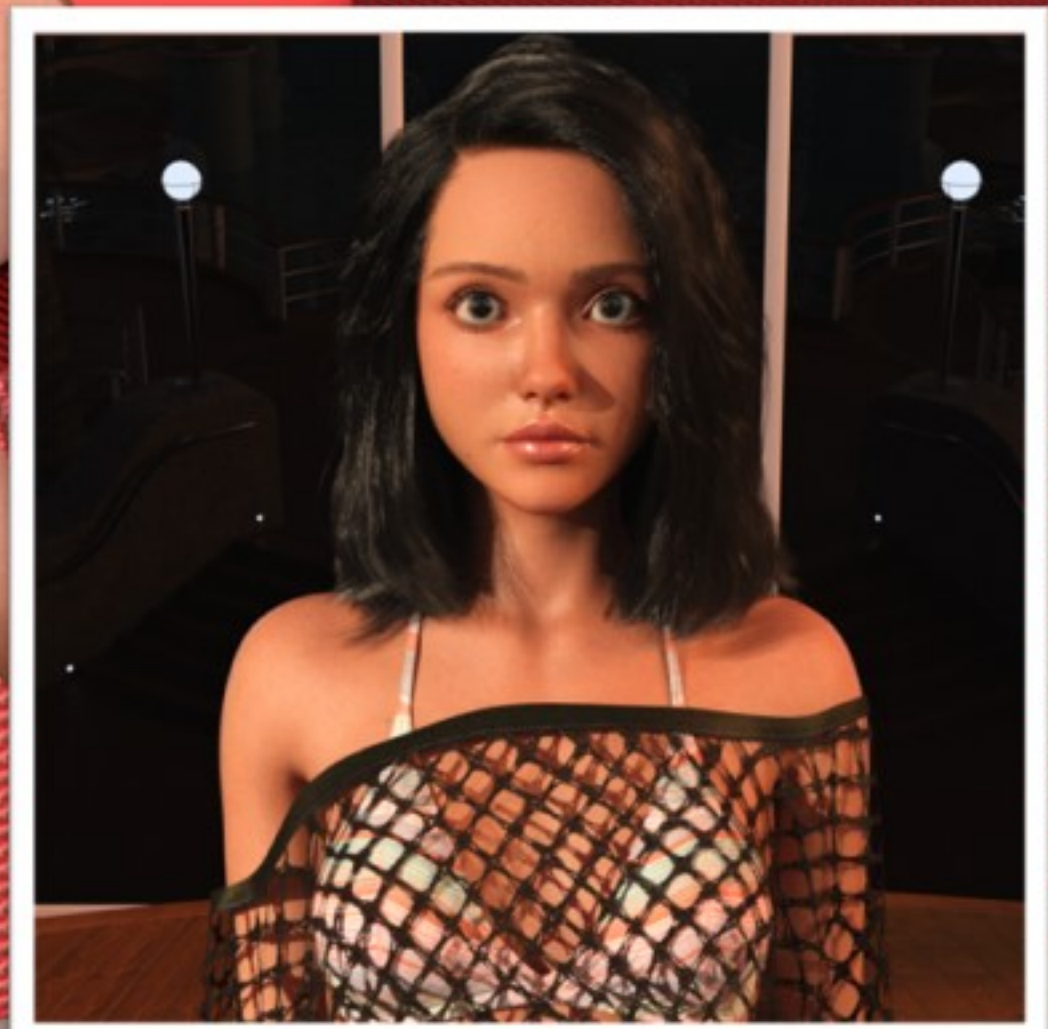

Well, Mr. Valentine, I guess sex sells.

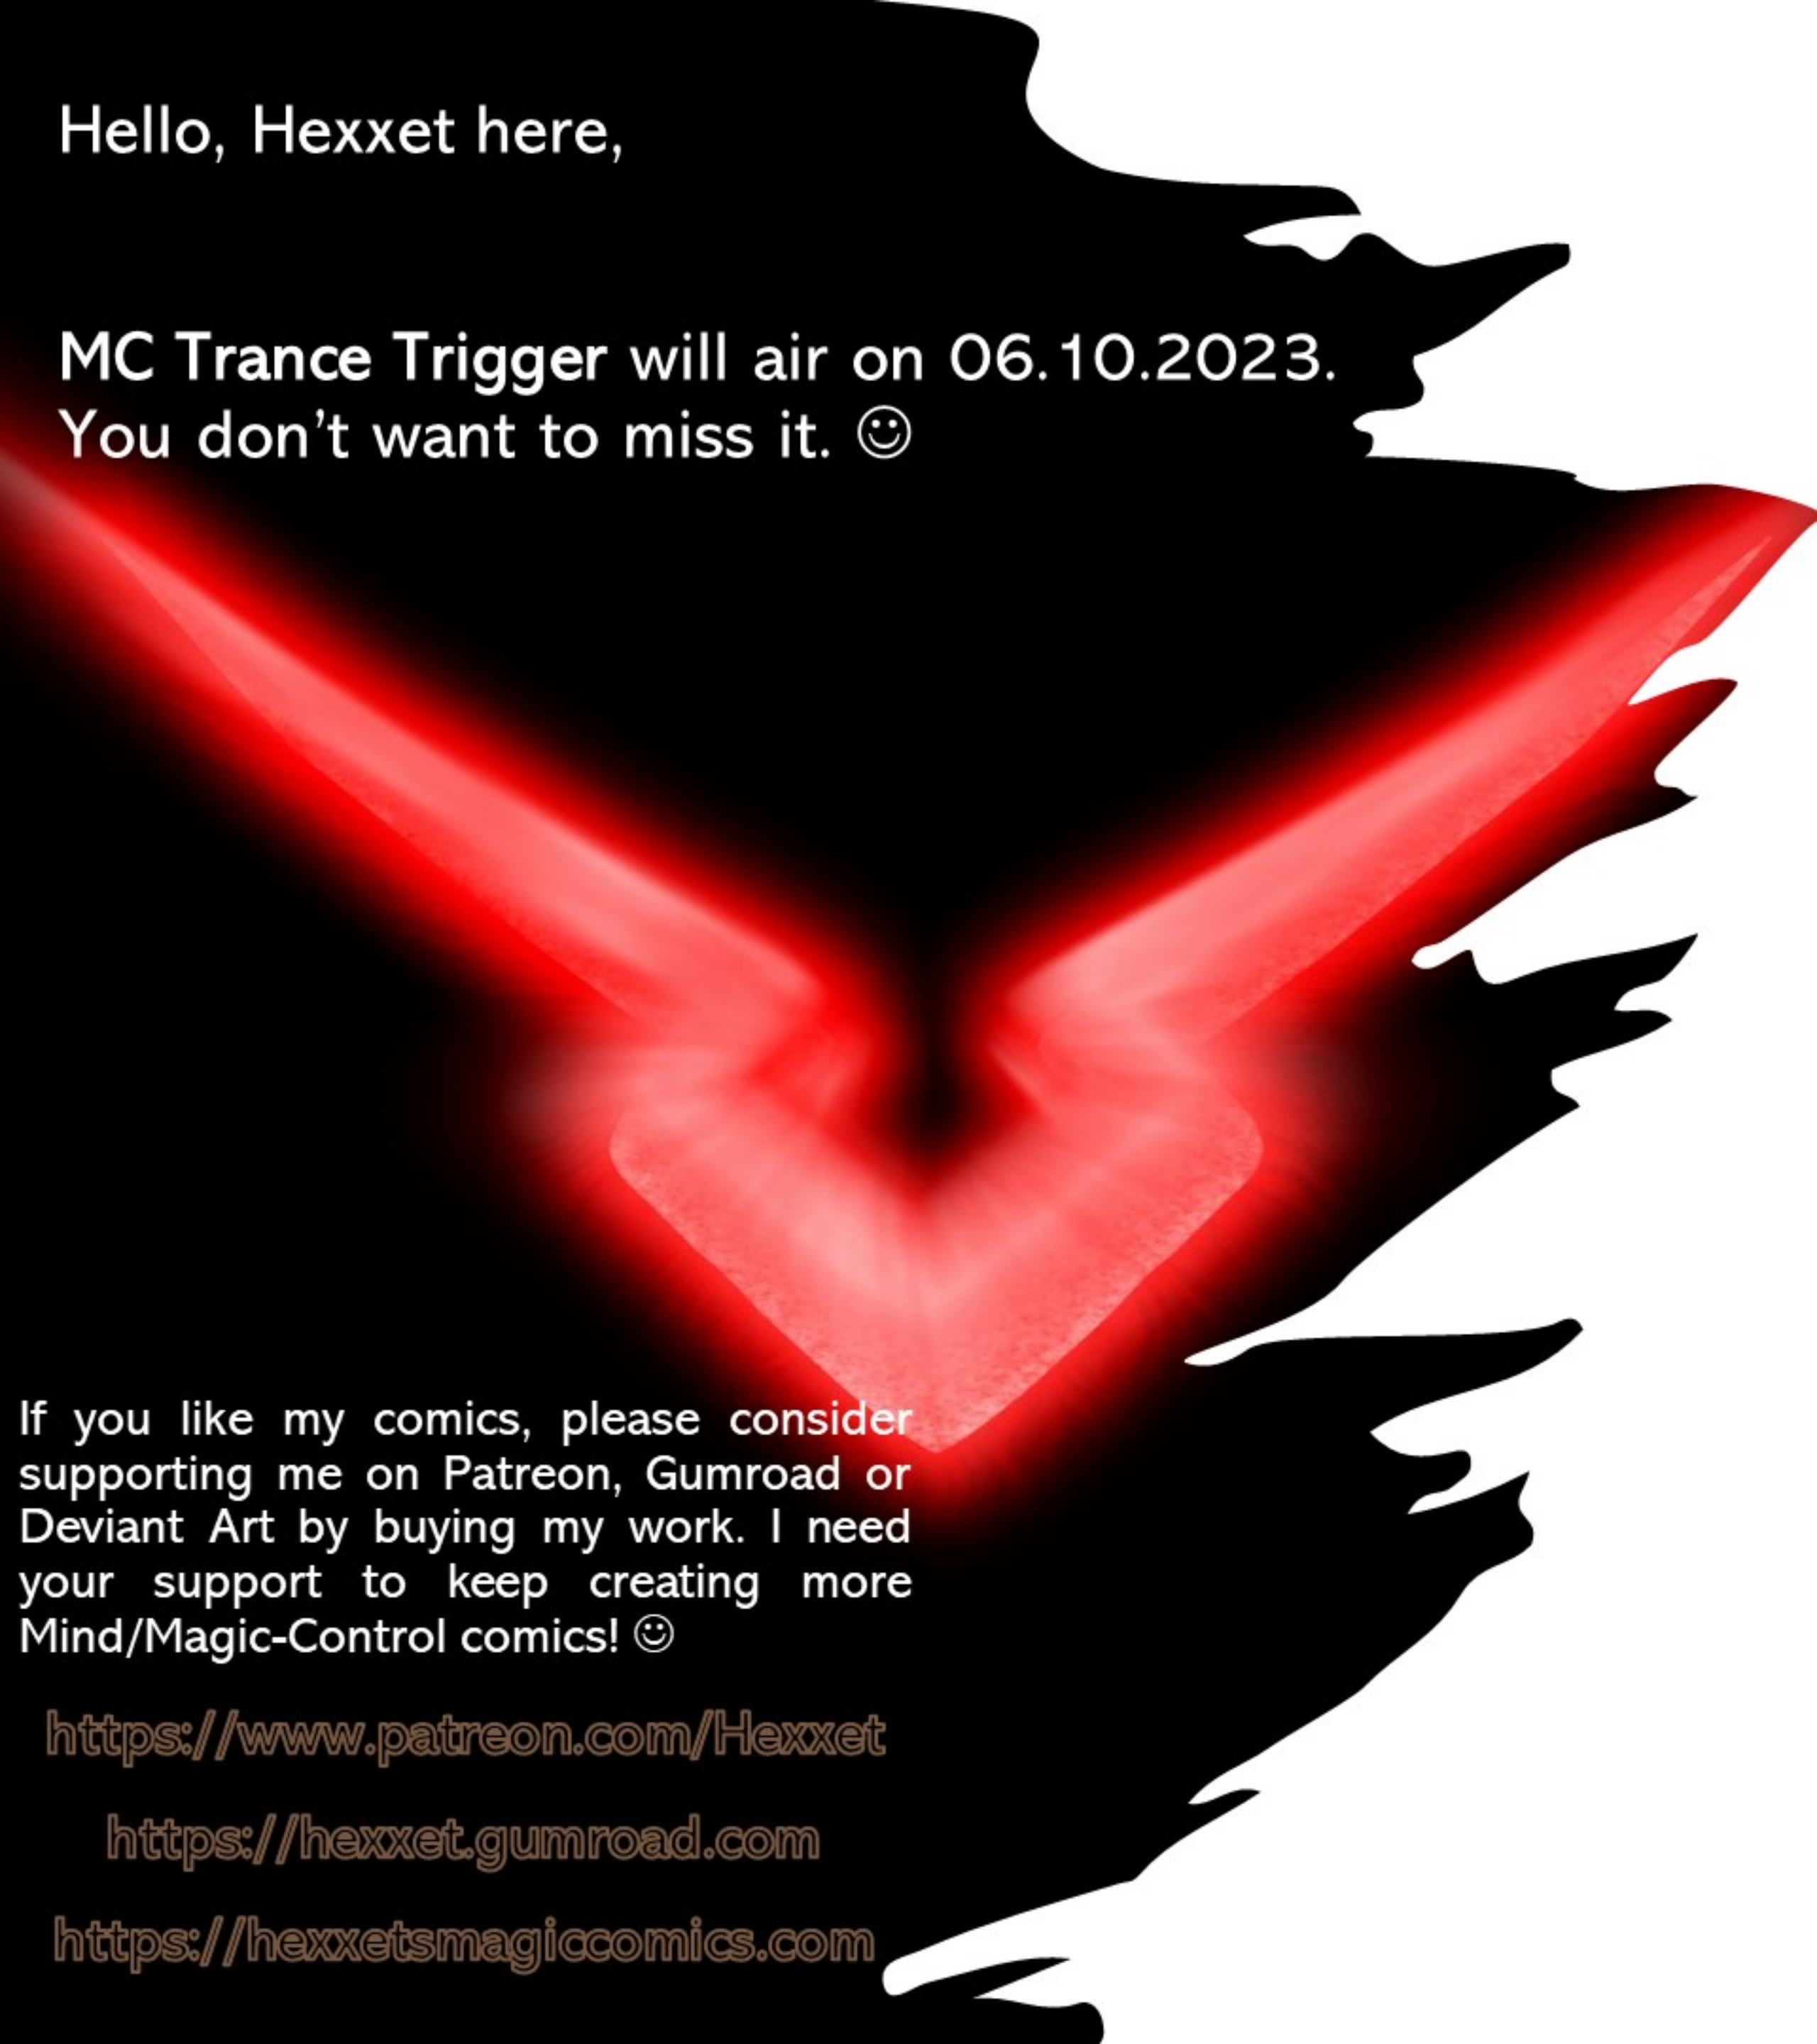

I for myself have to admit that I'm happy to get to see some lewd action rather than your lame show...

So... dear viewers. If you are into Mind Control and hypnotic triggers and want to see this cute chick go under.

Don't forget to tune in on next month's comic "MC Trance Trigger"!
