

It's almost Halloween, and Clarissa and her best friend, Velia are sitting at the big dining table planning their party.

Who else should we invite?

Vadim!

But their Landlady, who at first said it was fine, has changed her mind and forbids them to do the party!

The girls are feeling down when suddenly the door rings...

This sucks...

So, much money spent on pumpkins now rotting for no reason...

Ding

Dong

There is nobody at the door, but they find a package addressed to them...

Hurry up.  
What's in  
there?

Huh...  
Weird!

Please, Mrs. Williams!

It seems you leave us no choice...

Can the Personality Gun help the girls get what they want?

Woopsie daisy!  
Velia gets zapped.

Hi!  
Where does it  
hurt?

You mean like this?

Paparazzi

Who'd send us  
a toy gun?
