«Excuse me, have you seen those two criminals?» the police officer asked the couple standing at their front door.

«I just got home recently so I haven't seen anything. Did you see anything honey?» the wife replied, looking at her husband.

«Nope. I've been inside with my daughter all day long with nothing strange happening» the husband replied, with a devilish grin on his face.

«Alright then, thanks for your cooperation. If by any chance one of those two very dangerous criminals came in your sight, call us immediately.» the cop added, before leaving.

They closed the door, and as the father was about to leave, the mother grabbed him by the hand.

«I can't believe criminals ran through our neighborhood. Are you sure you and Sarah are ok?» the mother asked, worried, looking at her husband that wore a huge smile.

«Yes my love, don't worry. I am sure Sarah is around to show you. Srah?!» the husband yelled through the house.

«Yes, coming!» a feminine voice replied from on top of the stairs, before coming to her parents.

«What is this all about?»

«Your mother is worried two heavily dangerous criminals are roaming around and wanted to know if you and I were safe from them» the father asked the daughter, that quickly first responded with an equally devilish large smile.

«Don't worry mom. Dad and I are fine.» Sarah replied quickly, giving her smile back to her father.

«I feel better then, I will go make the dinner then» the mother added, going away, leaving the two alone.

They looked at her going away, and when they heard kitchen noises, they looked back at each other.

«That stupid slut doesn't suspect a thing, hahaha» Sarah laughed.

«How could she? With these disguises nobody would think we could possibly be involved in crime» the father replied, slapping his daughter's ass, making her giggle.

«Careful daddy. I'm still tender down there from when we were playing together earlier. My tits are still in good shape if you want to wait for dinner with them~» the daughter replied, showing her boobs to her dad after pulling her shirt up.

«This will have to do then» the father finished, grabbing them.

Earlier that day, Marc and John were trying to rob a van that they supposed was full of cash.

After a long, painful, and tedious time, they manage to take down the guards one after another, to finally open the fortified chest in the back of the convoy.

Instead of the bags of cash they had dreamt about, they only found a suitcase, that upon opening, was filled with nothing but a little toyish-looking gun.

«What the fuck is that shit? You were supposed to check what was inside before we went through all this! Now we are in deep shit with cops behind us, for a fucking toy!» Marc yelled to John as they drove away from the crime scene, hearing the cops not far behind them.

«Yeah, my source said it would contain a highly valuable piece of technology!» John replied, looking at the gun.

«I guess it is a next-gen weapon then!»

«It better be, or I promise I will kill you if we manage to get caught for this!»

Hearing the cops getting closer, and seeing the tank of the car almost running out of gas, they decided to park the car and hide in the nearest neighborhood they had landed into. After some jumped fences, the two decided to enter the nearest house, as they saw their options to escape getting closer to zero.

When they entered, they were face to face with a startle

daughter, not far from her dad that was watching the TV.

«Shhh, stay quiet and nobody gets hurt!» John said, pointing the toyish gun toward the closest family member, Sarah.

Unfortunately, out of surprise the two family member couldn't contain their panic and started to scream.

Without thinking twice, John shot them with the gun, and both got hit by a bright flash of light.

Some seconds later remained on the floor only two empty husks; mixed with the clothes the two had on them.

The two crooks looked at each other in confusion, before John went toward the closest husk and picked it up.

Upon some quick investigations, they saw an opening in the back of the suit, that weirdly enough, had a living body skin feeling.

«Holy crap! That's a costume gun! I thought they were just a myth!» John said, starting to strip his clothes down.

«Quick, take the other skinsuit and put it on, that's our only way to get away»

Marc followed it, and threw his clothes away, before starting to wear the father's skin.

Once he finished, he looked at where was previously John, replaced by the daughter they shot earlier, half-naked, cupping her breasts with a huge grin.

«My body really shrank to her size! And I've got breasts now!»

«Yeah, you do. And watching a little slut play with her body is turning me on!» Marc, now as the father, said, playing with his new dick.

Hearing that, Sarah turned toward her father, a devilish smirk on her face, before sitting on the nearest table, opening her legs wild open, her hand running on her vagina.

«Daddy looks like he wants to do some naughty things with his virgin daughter» she added, fingering herself a little to make herself wet.

«You bet your tight ass I do. I am going to teach my slutty daughter not to tease me like that» the dad answered, walking toward her, his dick fully hard.

«I hope you are going to spank me, hard daddy, I have been a very bad girl~» Sarah moaned, as she felt her father's member sliding into her inside.

«I feel you inside me, daddy!»

«You are so fucking tight, I didn't know I had raised such a fuckable slut!» the dad added, thrusting into Sarah.

«I was raised only so daddy could use me as his little cum bucket~» Sarah smirked, as they changed position, going in doggy style this time.

They went like this for a moment, enjoying their new bodies together to the fullest, until Sarah's phone rang.

«Are you close to coming daddy? Mommy said she would be there soon» Sarah moaned as she saw the message on her phone, getting pounded harder by her father.

«Yeah, on your knee! Open this slut mouth!» the dad added, looking at Sarah bend on her knee, opening her mouth wild for his cum to cover this young face.

«Daddy?! What are we doing? This isn't right, I am your daughter!» Sarah said, a huge smile on her face as she received all the love juice coming from her father's dick.

«You came so much, I even have some on my eyes~»

«Clean that whore face. From now on, you are daddy's sex slave» Marc replied, cleaning his new body's member on Sarah's mouth.

«Lick me clean!»

«We better hurry cleaning this mess, the mother is coming soon» Sarah said, trying to get as much cum as she could with her fingers, before putting them in her mouth.

«So, you are still mad at me because of my mistake about what was in that van? I think we will have way more fun with that~»

«I can only agree...and look at that ass! I would pound it again!» The father smiled, slapping Sarah's ass.

«And you can do that every day now. Nobody will ever find us, hidden as we are~» Sarah smirked, playing with her boobies.

«Come on, dinner is ready!» the mother yelled from the kitchen.

«Hurgh, we are coming!» Sarah yelled back, her pant almost halfway down, starting to pull them back up.

«This bitch...I was about to give daddy a little quickie»

«Don't be too sad, maybe I can come to your room tonight to be sure you don't have a bad dream about those very dangerous thieves running around our neighborhood» the father replied, cupping his daughter's breast more.

«I am dying to fuck your slut body»

«Oh, really daddy? You are so sweet~» Sarah replied, kissing her father deeply.

«I can't wait to take your fat cock inside my young pussy again~»

«Dinner is ready!» The mother yelled again through the house.

«I think the quicker we go to eat, the quicker we could excuse ourselves out of the table» the father suggested.

«But...I want daddy's cum in my mouth! This young body needs protein, and daddy has a lot of it...right here~» Sarah smirked, caressing her father's member through his pant.

«Don't tease me like that slut, or I am to rape you right on the spot» the father added, slapping Sarah's ass.

«That's just what this body is asking for~» Sarah smiled, pressing her chest on her father.

«But we should hurry, or mommy will suspect something»

«I can't wait to fuck her fat ass tonight, she seems a lot bustier» the father said.

«Don't you prefer my tender young body daddy?» Sarah asked.

«Of course, but you are already my sex slave, so I got to find more bitches to nail to enjoy my slut daughter more» the dad smiled, as they headed toward the kitchen.

As they were about to enter it, Sarah grabbed her father's arm, looking down between his legs.

«I'm not sure I'll be able to eat any of mom's cooking daddy. After all, you stuffed me so much earlier.» she said, in a sexy stand.

«Well, you better get used to feeling stuffed like that. Because while we're staying in this house I plan to take full advantage of that sweet ass whenever I get a chance. And maybe you can invite some of your friends over for a secret party so we can have some fun with them as well» The dad replied, with a devilish smirk on his face.

«I'm sure I could get a few friends to sneak over. It would be a shame if they were to go missing.» Sarah replied with an equally evil smirk, as they entered the kitchen.

«We are ready mommy. And hungry!»

Hiding In Plain Sight - Part 2

Page 1 - by ARIBETH

«How ungrateful are you? Wasn't what your mother cooked enough?» the father said, looking at Sarah polishing his dick with her tongue.

«But...you know daddy, I can get only filled by your cum. It is full of protein. If I want to grow up well, in this safe neighborhood, I need it» Sarah smiled, licking her father's cock before gulping it in her mouth.

«You are right, better get careful in case some dangerous thieves are roaming around. Who knows what they might do to you. Stuff this member in your mouth you slut, dad wants the best for you» the father smirked, pushing Sarah's head until her mouth touched his balls.

She gagged on her father's member until he released her, making her take a huge breath back, tears in her eyes as she was suffocating.

She wiped her eyes from them, and gulped down her father's member again, wrapping her tongue gently around the tip, making sure he was enjoying it.

«You are doing me too well, I am going to come» the father said, trying to hold it as long as possible.

«Drink it all whore!»

«Pour it do-» Sarah started to say, getting interrupted as her mouth got filled with a hot white liquid.

She sucked on her father's tips until he got dried so much, it felt like his soul went in Sarah's mouth too.

With a huge grin on her face, showing her mouth full to her father, letting her tongue turn the mix inside, she gulped it down, whole.

«That's what the little sweet that was missing from mom's cooking. Now I am full...thanks daddy~»

«I am glad the biggest slut of this whole place is my daughter. Now you are all strong! I couldn't imagine what those filthy thieves the cops talked to us about earlier, would have done to you if they were around» the father smiled toward Sarah.

«If I hadn't your cum all inside of me, they would probably abuse me...make me do dirty things ... I am so scared» Sarah replied with an equally creepy smile.

«And I am sure the whore you are would have enjoyed this» the father added, slapping gently Sarah's face.

«That's why I prefer to do those things to you~» Sarah added, cleaning all the proof of what happened in this room.

«Let's check if your mother is done with her suitcase. I have heard she is going to leave town for work for some days, we may at least help her pack her stuff so she misses nothing and enjoy her full travel, right?» the father winked, as he headed outside of the living room.

«I can't wait, so we can get closer with daddy, spend a whole week just the two of us...and maybe daddy will accept if I invite some of my sexy friends?» Sarah smirked devilishly.

Hiding In Plain Sight - Part 2

Page 2 - by ARIBETH

«Whoa, that's is very sweet of you! I mean, you and your father are so nice today. He helped me pack my suitcase» the mother said, upon coming to her car, followed by her husband that was following.

«I wanted mommy to have a clean car for her trip, and to thank you for this awesome body you gave to me...since birth I mean» Sarah replied, pressing the sponge in her hand above the bucket.

«Haha, that's very sweet honey. You have grown into such a beautiful woman. I am so proud too, you must be popular among the boys at college» the mother added, going to hug her daughter.

«But you know, you are also half from your dad, I am not the only one you should thank for it»

«I know, but those days I feel a bit more of daddy inside of me than I had before» Sarah smirked, looking at her father that replied with an equally devilish smile.

«Don't bother much about this, there are changes that happen inside every woman, and this is normal until you will reach an equilibrium. You are already perfect to me» the mother said, running a hand on Sarah's face.

«You are probably true then. I wish I had such a hot ass as yours mommy» Sarah added, putting her hand on her mother's ass, which replied to her with a confused face.

«I thought I heard your father for a second, he told me the same

when we were upstairs» the mother said.

«I told you, daddy is inside of me a lot those days~»

«Well, I see that. Thank you for that clean car. Now I have to go» The mother added, kissing Sarah on the forehead.

«Take care of yourself and the house the time I am away, you are now the woman in charge»

«You can count on me, I will be like a wife to daddy» Sarah winked to her dad, as her mother went toward him.

«As for you darling, I count on you to protect Sarah. I have heard the two thieves they were looking for are still on the loose. I don't want to imagine what they could do, so please promise me to take care of you and Sarah» the mother said, before kissing her husband passionately, taking his hands away as she felt them groping her ass.

«Have fun you two»

Sarah went back to her father, that put his arm around her shoulders, as they watched the mother go inside the car. She gave them a hand wave as the car went on the road, before driving away for her road trip.

«Finally! That bitch is a way!» the father smiled, putting his hand on Sarah's butt.

«I have heard my slut daughter said earlier that she would be a good wife to me? What about you take care of my dick as a sweet wife should do?»

Hiding In Plain Sight - Part 2

Page 3 - by ARIBETH

Not so long after the mother left, Sarah started to happily bounce on her father's dick, her clothes torn apart on the ground next to them.

«Daddy...Mommy...said that...feeling more of you...in me...lately ... is natural~» Sarah moaned, smiling at her father, breaking the silence filled only by her cheeks clapping on her father's legs.

«I...love...it~»

«That's only bonding with my daughter, nothing wrong you know» the father smiled back.

«About about what we said earlier? Calling some of your friends to have a little more fun?»

«Sure...let me...take my phone...come on daddy, stop thrusting inside of me until I catch my phone» Sarah replied, taking her phone nearby and starting to scroll in her contact list, seated still on her father's lap, his dick still inside of me, moving her hips gently from time to time to keep him hard.

«Here is my phone daddy, pick the friend you want me to call~»

The father took the phone from her hand and started to scroll through her contact until he found someone to his taste.

He then handed back the phone to Sarah, with a devilish smirk on his face. Without more than giving him his smile back, Sarah took the phone and started to call the friend chosen.

«Hey! Rachel! How are you? My mom is out of town on a business trip. And my daddy isn't going to be around either. I have a bunch of beer stashed away so we can get drunk at my place without having to worry about

anyone catching us. Just make sure you don't tell anyone where you're going tonight and come in through the back so nobody will see you. I'll leave the fence door unlocked. You are ok? Cooooool ! see you later, bye!»

Sarah hung up, and tossed the phone on the couch nearby, resuming to bounce on her father's dick with a huge smile.

«It's so much easier to lure in dumb sluts when they trust you.» Sarah added.

«You got that right. I wonder how many sluts you'll be able to lure in before we have to bail on this dump.» the father smiled.

Sarah then leaned forward, making out with her dad, making sure to wrap their tongues around one another.

«I'm hoping we'll get to stick around a while. Sarah knows plenty of hot sluts we can have fun with» she moaned, feeling her father's dick throbbing inside of her, as he wrapped his arms around her, making sure to push himself the deepest he could before starting to pump it all out.

«Yes, daddy! Pump my pussy full with your incest batter!» she moaned loudly, pulling her head back, yelling louder.

As Sarah feels the last of her dad's cum pump into her she slowly got off of his lap. As her dad's slowly deflating dick slides out of her pussy she looked at him with a grin.

«Alright, daddy. Let's get this place ready for when Rachel arrives.»

«I look forward to getting to know your friend better.» The dad, grinning back, added.

Hiding In Plain Sight - Part 2

Page 4 - by ARIBETH

«Weren't we supposed to hurry up?» the father smiled, holding her daughter's head on his member, under the shower.

«We finished cleaning the house already. This is just my reward for being a good daughter» Sarah smiled, gulping yet again her father's rod in her mouth.

«Plus, you think I didn't see you masturbate to Rachel's pictures on my phone? I had to lick all your cum you left on the screen... so better take it directly from the source»

«I am sorry my daughter, your friend looks like a huge slut, just like you. I can't wait to play with her innocent body» the father smiled.

«I was wondering something, how does it feel to be in a woman's body?»

«It is amazing, you should definitely try it. I feel so petite, so sexy...I can lick whoever I want...I can play with my tits every time...slide stuff in my pussy all day long...this feels so great~» Sarah replied, her tongue running on his dick.

«I am kind of jealous you took her skin first, I would have wanted to know all of this»

«Wasn't I the best slut you ever fucked? You got to play with her body as much as I did. I could be jealous that you got to nail such a hottie for so long~» Sarah added, standing up, wanking her father while reaching for a kiss from him.

«But I have to admit, feeling your hard...long member running inside of me, stretching my whore pussy apart, empaling me

like if I had a wooden pole in me...is an experience I would not want to give up this easily~»

«Are you saying you want to be my little slut for as long as we stay here?» the father asked, making Sarah turn toward the wall, before she bent down, giving her ass to him.

«I just said being a woman is amazing...I can even choose to get to fuck me...so quick, slide this inside of me, we have to prepare for Rachel to come, so daddy can get to know how it feels to be a little slut» Sarah smiled, pulling away her butt cheeks to reveal her pink wet pussy.

«Also...getting to live the life of someone else, to do anything on her behalf, changing her life...is making me horny~»

«I can only agree, I wouldn't think it would be this fun to get to live their life for them...changing some things to our little rules of course» the father smiled, putting his dick on the entrance of Sarah's inside.

«And soon, I will get to know what you felt»

«I can't wait for it daddy, Rachel is my best friend, and also a huge slut. Naturally, I think I fell in love with her, but she is not a lesbian» Sarah winked.

«And that's where your father helps you getting her a little more...opened for my sweet daughter» the father replied, pushing on his hips, sliding him in her vagina.

«You will have to drank this one whole, we don't want your pussy to be dripping when Rachel is here»

Hiding In Plain Sight - Part 3

Page 1 - by ARIBETH

«Hello, Rachel, nice to see you, thanks for coming!» Sarah's father said after opening the door to the girl, a huge smirk on his face.
«You are quite hot today»

«Hugh, thanks...I guess...How are you doing?» Rachel replied, surprised by the awkwardness of the last sentence, as Sarah's father was looking at her lustfully.

«I am doing really fine, I have never been closer to my sweet daughter and...I hope soon to slip into something comfortable soon, I have enough of this old skin» the father added.

«I am not sure what you mean...Where is Sarah? She told me to come, she wanted to tell me something important» Rachel asked, crept by the father.

«Right...this way» the father stated, pointing in the direction of Sarah's bedroom.

As Rachel headed toward the room, she could feel the father staring at her back. She knocked on the door, and after Sarah told her to come, she pushed the door and went inside, closing the door behind her, feeling safer in Sarah's room.

«Hey, Rachel! Welcome!» Sarah greeted the newcomer, playing on her phone on her bed.

«Hello, besty...what is up with your dad? He is creeping me out...» Rachel asked, putting her belongings on the ground, coming toward Sarah to greet her with a kiss on the cheeks.

«Don't worry about him, he won't be much of a bother to you for long» Sarah smiled, kissing Rachel on the cheek.

«So, how have you been doing lately? Somebody knows you are here?»

«No, when I received your message I thought it was really important, so I came directly, didn't even tell my boyfriend about it...» Rachel stated.

«You know usually I tell it to everyone, but since it is at my best friend's place, that's not much of a problem. It is not like I would be sequestered here or something, hahaha!»

«Yeah, that's crazy of you to think about this, lol!» Sarah smirked devilishly, laughing with Rachel to avoid her from noticing the door opening behind them, the father entering it with the costume gun in his hand.

«I can't wait to play with your body...you look delicious~»

«What?» Rachel stopped laughing, wondering suddenly why her best friend was so weird suddenly, making her think about the father earlier.

«What-» she was about to ask before the beam of light from the costume gun hit her in the back.

Hiding In Plain Sight - Part 3

Page 2 - by ARIBETH

«Finally, I couldn't handle single more chitchat with her...I wanted to do so many naughty things to her...I think I got wet again~» Sarah smiled, taking Rachel's skin, and showing it around.

«And I wanted to fuck this sweet sexy ass so much. Damn I swear, I would have nailed her right in the living room if she had stayed too much close to me» the father explained, coming toward Sarah.

«You want me to wear her so that you can nail her first?~» Sarah asked, taking off her clothes.

«No I want to play with her body...with her own hands» the father said, taking Rachel's skin, taking off his own clothes too.

He reached for something behind his head and pulled out his face, then the whole suit, revealing the criminal's body underneath.

«Daddy? What happened to you? Who are you? You are one of those dangerous criminals the police warned us about earlier! I hope you won't do me bad things...not that I would mind~» Sarah added, faking to be afraid.

«Haha, stop this you idiot, I don't want someone to hear you. Ok, now the suit...Oh gosh, I don't know what makes me harder...seing you naked again, or this suit» the criminal stated, starting to wear Rachel's skin.

«Want me to take care of your erection?~» Sarah purred, caressing her pussy.

«You really turned into a whore! And so will I soon, haha!» the criminal added, pulling all of Rachel's skin above his body.

Once he aligned her face with him, his body started to reshape, to finally fit Rachel, turning him fully into her. Once it was done, he looked down at his new body, and let his hands slowly discover his new assets.

«I get now why you turned into such a slut...a woman's body is so...exciting to play with...I can't get over the feeling of gripping her tits~» The new Rachel smiled. «Well besty, I understand now why you had to fuck your daddy»

«What? How do you know? It was supposed to be a secret!» Sarah smirked back.

«It was obvious. You are such a depraved whore, you couldn't wait to find someone, so you had to corrupt your own father into being naughty with you. And honestly, I wished he could fuck my tight young pussy right now» Rachel said, a devilish smile on her face as she cupped her tits, looking at Sarah.

«So besty...since your parents aren't home...how about we give those bodies a try and...you know...do all the naughty things two college girls can do ?~»

Hiding In Plain Sight - Part 3

Page 3 - by ARIBETH

«I thought you would never ask~» Sarah purred, coming toward Rachel to let her hand explore her body.

«Her ass is even better than Sarah...I wonder if they have some other hot friends like them... maybe we could get a little naughty in their bodies too~»

«We can literally live those sluts life as long as we want, nobody will ever get us~» Rachel said, playing with her tits.

«And once we get bored of them...which I don't think is going to happen soon...we can just take over their hot friends, and steal their life too~»

«You mean we can be best friends forever and ever?» Sarah smiled, rubbing her legs on Rachel, caressing her vagina.

«Yeah, we can be the biggest whore around...do you think we could even infiltrate a college and turn some nice teacher into a naughty pervert doing it with their students?» Rachel smirked.

«Welcome to detention...your punishment will be to suck my fat dick. If you don't, you get expelled~» Sarah purred, rubbing her bottom lips on Rachel's one.

«Oh...can I start?~» Rachel said.

«Damn besty, you are really worse than me~» Sarah stated.

«Do you like this girl's body so far?»

«I simply don't want to stop wearing this whore...I wonder how you do it, I want to stuff things in my pussy all the time...I want it...since I started to wear her...it is like a drug!» Rachel purred, letting her hand caress her pussy again.

«It was the same to me...but I had daddy to fill me up~» Sarah replied, moaning lightly from their foreplay.

«Oh, I know! Do you want me to wear daddy's bottom part?»

«I like where this is going...do it~» Rachel smiled, heading toward the father's skin on the ground.

«I want to see how fun it would be when he will need to explain to the police why the friend of his daughter has her pussy filled with his cum~»

«Hahaha yes! We could turn him into our sex slave, forced to fuck his daughter and her friend, or else...~» Sarah smirked, taking the father's skin on her hands.

«Even if I would prefer to nail suck a hottie with my true dick, it is safer with the father~»

Hiding In Plain Sight - Part 3

Page 4 - by ARIBETH

«It is so weird to see a dick under my sight after being used to this slut's body» Sarah smiled, having put the bottom part of the father, immediately getting an erection by letting Sarah's soft hands run on it.

«You still have her boobs...Now you are a futa slut...give it to me!» Rachel purred, going on her knees, opening her mouth, about to lick the father's hardened tip.

«Here we go~»

Rachel let her tongue wrap around the father's dick, making Sarah moan as she wasn't used anymore to this pleasure, the criminal inside having orgasmed way too many times in Sarah's body to remember how it felt as a man.

«Looking at your depraved face when I suck on this dick, is really turning me on~» Rachel stated, looking at Sarah's lewd face, distorted by the pleasure, making faces that usually men do whenever they are about to come.

«Shut up and choke on it whore!» Sarah replied, violently pushing Rachel's head all the way on the father's member, making it hard for her to breathe, locked with this huge member in her throat.

«Aaaa, I had almost forgotten the pleasure of having sex as a man...and now I can even play with my boobs while doing so...I won't be able to have enough of

this~»

«Bweeeurh..Arrhhh...Kof kof...» Rachel coughed once she managed to free her head from this.

«Sarah's dad...why have you done this to me...I am so young...don't abuse me like this...I won't say you fucked your daughter...please...»

«I didn't say you could talk! I even skinned my daughter and wore her top...look...I have her face and her sexy tits all for myself while her best friend is working on my dick~» Sarah smirked, the criminal enjoying roleplaying this two side individual.

«Now get on this couch, this virgin pussy has been wiggled on my face for a way too long without getting fucked!»

«Oh no, please...I want my first time to be with a good man...don't do me raw on the couch!» Rachel said, leaning on the couch as instructed.

«Your body is made for me to get pleasure with... shut up!» Sarah replied, putting the father's dick in Rachel's pussy, making her moan all the way.

«Your young vagina is so tight...all your male friends probably wished they could do you, and here I am... call me daddy now, Hahaha!»

«Yes...daddy...I feel you inside of me...this is too good~» Rachel moaned, biting the couch.

Hiding In Plain Sight - Part 3

Page 5 - by ARIBETH

They played together for a bit, soaking the couch with their love juice every time one climaxed.

At a moment, the father's phone rang.

«Ah, shit, who is that?» Sarah wondered, still balls deep in Rachel.

She picked up the phone, then realized her voice wouldn't match.

She pulled the father's head over her, and once it was reshaped, answered the phone, her free hand slapping Rachel's ass.

«Yes?»

«Hello Honey, is everything alright? Just wanted to call you to say I am arrived at the hotel» the mother replied through the phone.

«Wonderful news! Don't worry, Sarah invited one of her friends this afternoon, we are... having fun all together» Sarah said in the father's voice, moving her hips gently, looking at the father's dick going back and forth inside Rachel's private.

«I am glad to hear that. Be careful, the police said they still haven't caught the criminals that were around. So stay safe, please. See you soon!» the mother finished, before hanging up the phone.

«Hahaha, I love that so much, this idiot still hasn't figured out anything» Sarah laughed after taking off the father's face.

«Her husband is ball deep fucking one of Sarah's friends, but everything is ok, haha!»

«Yeah...it...is...aaaaaw~» Rachel tried to say, biting the couch from the pleasure, about to reach an orgasm.

«What were you saying you slut? If only I knew my daughter's friends were as dick craving as you...I would have stayed for their girls' night...I would have probably scored a good amount» Sarah said, imitating the father, fucking Rachel harder.

«You are about to fulfill your duty, to be my cum socket...I am coming!»

«I can't wait...fill me...~» Rachel moaned one big last time, orgasming as the father's dick started to release his love juice inside of her womb, filling her quickly before it started to drip out between her bottom lips. She let her hand run on her pussy, smiling widely while playing with a drop of cum between her fingers.

«Those girls' bodies are really amazing...I wonder how many more of their friends we can make come discretely here to have fun with~»

«Told you, since I am in this slut, I just can't take my hands away from her tits...or my panties» Sarah moaned, taking off the father's bottom part.

«Let's scroll their social network to decide our next target. While we wait for the police to conclude we aren't in the area anymore, we can have all the fun we ever want~»

Hiding In Plain Sight - Part 4

After their fun time, the two criminals took some time to rest. The one wearing Rachel took her off completely, wandering the house as himself, Rachel's skin lying on the floor like a used thrown piece of cloth.

The other one stayed inside Sarah and, for fun, decided to study as if he were the college girl he was wearing. Anyone entering the house at this moment would have seen a naked Sarah doing her homework next to a naked man smoking, relaxing on the couch, the skin of Rachel lying on the floor.

After finishing his cigarette, the criminal on the couch stood up to go to the toilet. He realized Sarah was studying and, curiously, went to see what she was doing.

«Dude, what are you doing? It is not as if you need to pass a diploma or something» The criminal stated.

«I know, but I find it fun to live her life and do what she usually does. I really feel like I am her, and I can pass more easily as her this way» Sarah explained.

«But damn, I forgot so much since school! This looks hard!»

«You know what else is hard, looking at those tits put on the table like you are doing?» the other criminal added, fondling Sarah's chest from behind.

«Aaaaaah, come on, I need to study a bit! Tomorrow is Monday. If I go to her school so that nobody suspects anything, I'll need to know a thing or two» Sarah started to reply, the other criminal lifting her hips with his hand, sliding his hard dick inside of her pussy, making her moan loudly.

«Aaaaaaaah! Come on...I will never...oooooh...study~.»

«Admit you like that slut! Before I go to pee, let me empty my balls inside of you» the criminal added, rubbing Sarah's breasts simultaneously, taking her from behind.

«I do!...I love her body so much...the pleasure...Aaaaaah~» Sarah moaned.

«Tomorrow, you will infiltrate her school and find us another slut to play with! OOOooh, okay...I'm finished!» the criminal explained as he came inside Sarah.

«Wait, I will be the one using the toilets. You poured so much cum inside this pussy, I can feel it pushing my belly!» Sarah stated, starting to run toward the toilets.

«Ok, I'll do it in the shower then, won't make a difference, hahaha!» the criminal laughed, scratching his balls before heading to the bathroom.

The next day, the two criminals got back as Rachel and Sarah, leaving the father returned to his life for a moment.

This allowed the two criminals to infiltrate the college and look for future potential targets for their madness.

They found a lot, but one, in particular, drew their attention, Emma, the art teacher of Sarah.

She was hot, young, and sexy enough that the criminal inside Rachel needed to let some steam off after class by having sex with a random lucky guy. He, to this day, didn't understand why a hot girl like Rachel suddenly wanted him to fuck her in some empty class.

«Did you just let that guy fuck you?» Sarah asked when Rachel came out of the class, followed by the guy.

«I needed to relieve myself man! I tried to keep my hands off my boobs the whole class every time I looked at Emma. I want her next!» Rachel replied, turning back to the man she just fucked, who just poked her shoulder to ask for her number.

«Oh fuck off, you virgin. I just needed you to relieve me. Go get a life!»

«Technically speaking, he is not a virgin anymore, thanks to you, if he ever was» Sarah laughed, looking at the guy go away confused.

«He was. I have been in this girl for two days, but I did everything!» Rachel explained.

«Anyway, we need to make Emma come to the house.»

«He sure was a lucky guy then, hahaha!» Sarah laughed, slapping Rachel's ass.

«I have an idea about that. I heard she does extra after-school classes for students that need them. Since the girl you are wearing is performing, you can't ask her. However, it seems that Sarah isn't doing so well, so I can ask her to come to my place.»

«Then go ask her!» Rachel pushed Sarah.

«Okok!» Sarah added before they headed back to Emma's class, which was now empty.

The two entered the place, finding Emma sitting on her desk.

They froze, looking at her legs for a moment, mouth opened.

They only realized it when Emma talked to them.

«Excuse me, ladies, can I help you?» Emma asked the two girls, taking them out of their contemplation.

«Hum, yes, we had to ask you something» Rachel replied, pushing Sarah out of her daydream.

«Yes, I want to get some extra lessons at my pl-» Sarah started to ask before Emma got shot by the costume gun fired by Rachel, which made her deflate immediately. «What the fuck dude? Someone could have seen us!»

«I couldn't wait any longer. I want to play with this woman so much. Cover my back while I wear her» Rachel explained, taking off her clothes before taking Emma's skin, not removing her clothes still on her.

«She smells so good! HUUuum, at one point, you will have to wear her so I can fuck her properly!»

«I don't mind, but you should hurry up!» Sarah added, looking out of the class from time to time.

«I know, don't be pushy!» Rachel said, having slid most of Emma's skin over her. She finished by adjusting her head over her skin and waited for the suit to reshape.

«Ah, finally! From wishing to play with those tits to finally having them all for me! Hahaha!»

«This was a close one, someone could have come to her class. This was unconsidered» Sarah added, coming toward Emma.

«Come on, don't be greedy. Let me play with those too!»

«What is the matter, young girl? Are you turned on looking at your teacher playing with her big boobs? I am sure a slut like you already have a huge rack to play with!» Emma

smiled, letting a hand run between her legs.

«But maybe you want a little more than the extra classes you asked me about~.»

«I don't think it is a good idea to do-» Sarah was about to say before Emma put a finger inside her, making her moan.

«Aaaaaaaaah! Fuck, this feels so good! Give me a minute, I need to masturbate in that bitch's body before I can think straight!~» Emma moaned before she looked at Sarah.

«Or maybe you want to help me so we can get out quickly?~»

«Let me close the door first. Since You put her on, I have dreamt about letting my tongue run on her legs~» Sarah smiled, closing the class's door before going with Emma to her desk, running her hand on her long shaved legs.

«Ooooh, one of my students is a little slut, I see! Maybe tonight, if you do me good right now, I can let you stay the night at my place. You know, after the extra class~» Emma added, looking at Sarah going down between her legs, making her moan again out of pleasure until she reached climax.

Once done, the two criminals returned to Sarah's house, realizing they had no idea where Emma's home was.

«This was a bit bossy from you to ask Emma to have her day free...even if it meant that you sucked the director...» Sophie said as they entered her house.

«This was obvious this guy was a huge fan of this whore. I mean, if I had her around me all the time, I would go crazy too if I couldn't touch her! I just gave her what he wanted» Emma explained.

«You made the day of two people today! You certainly have a heart made of gold» Sarah laughed.

«The best part will be when those girls return to their life and face all the consequences of the fun we had, hahaha!» Emma laughed too.

«Which doesn't seem to be anytime soon, as the police are still investigating to find 'us' if I heard correctly from the radio in their car.»

«Yup. But who will suspect a college girl and her teacher of having fun? Nobody~» Sarah smirked, running her hand between Emma's legs, caressing her panties.

«Naughty little student, trying to finger her teacher... come on, give me your cock~» Emma purred, taking off her clothes.

«With great pleasure~» Sarah smirked, tearing off her bottom part to reveal the criminal's dick.

Without waiting much, she slid it inside Emma's vagina, making her moan loudly as she thrust inside her.

«Fucking a mature woman is also so great!» Sarah smirked.

«Being a mature woman is even better! You should... Aaaaaaaah...try her after...Huuuuuum, I want...to keep this whore!~» Emma moaned.

«Nothing is stopping us! Even after the police investigations finish, we can stay as them, you know» Sarah added, slapping Emma's ass.

«Or...we can keep their body and take back our hold habits ~.»

«Oh yeeeeeeeah! But before....keeeeeeeep doing me well... this slut is dick craving ...I don't have enough....please more!~» Emma cried, masturbating while Sarah thrust harder inside her.

«FUck I don't think I can be satisfied; this way...I need....I need...~»

«What?~» Sarah smiled.

«Put this young slut's bottom part down. I need to fuck you !~» Emma replied, slowly moving away from Sarah.

Emma put her hand inside her vagina, pulling the criminal's dick out. She started to rub it gently, moaning lightly as she did, rubbing her breasts at the same time.

«Aaaaaah, this is the life! Wanking myself with this whore's hand while having her boobs in my hands~» Emma purred. «Come on, my dear slutty student, keep the dick of your teacher clean!~»

«You like it when I play the obedient girl, right?~» Sarah smirked, kneeling between Emma's legs. She ran her tongue on her male member and slowly put it in her mouth, looking up at Emma.

«Damn! I just can't get enough of seeing your slutty puppy eye looking at me while sucking my dick! And now...I have those tits in my sight~» Emma purred, putting her hand on Sarah's head, pressing it to deepthroat her further. «Aaaaaaaaah! Do you imagine? We could abuse any girl we want while wearing their friends! They wouldn't understand anything! Before wearing them too, and doing this all over! The police would never find us.»

«This would be such a perfect idea~» Sarah said, pushing Emma onto the table and mounting her right after. «We could even get our old gang back! From the last news I had, our buddies found something cool at a family house next to a beach. They didn't tell much, except it was

related to two women...Léa and Maria? Something like that? Imagine the surprise if we meet them as the whore we are now...hahaha!»

«This would be indeed fun to mess with them! But now, dear student, if you don't stop teasing me and hurry up to shove my dick right in your slut's pussy, I am going to be really mad» Emma replied, tapping her member on Sarah's vagina.

«Sorry...here I come~» Sarah purred, sliding Emma inside of her. «Huuuuuum, my teacher's cock feels so better than daddy's one~.»

The two kept their sexy time going for their free time before the father was back from work. They finished cleaning their leaks just in time before the door opened for the father to be back.

«Hello, daddy! How was your day?» Sarah asked, finishing cleaning up the table.

«It was one of the weirdest days I ever had... Most of my female colleagues were giving me weird looks as if I wasn't myself for the past week...» the father explained, looking at his daughter, who was smirking devilishly while finishing cleaning up.

«Sarah, I finished cleaning your room. It was messy, hahaha!» Emma said, coming into the living room where Sarah and his father were.

«Excuse me, but who are you, what are you doing at my place, and why are you wearing my wife's clothes?!» The father asked, recognizing the sexy underwear he once bought for his wife.

«She is my teacher daddy. I told her she could wear mommy's clothes while she was away because all of her clothes are...drying. You will see, she is super cool!~» Sarah smirked.

«I hope you don't mind me using your wife's clothes too much. They are a bit tight because she isn't as busty as me, but this makes me sexy as hell, right?~» Emma smiled, posing sexily as she fondled her boobs perfectly wrapped in the mother's clothes.

«Can she stay tonight? Her home had a flood, and she had nowhere to stay» Sarah added, turning back to her father, whose face was all red from Emma's little teasing.

«I...where is she going to sleep? You have a spare mattress in your room?» The father asked.

«No, but she can sleep in your bed, right? Won't be a problem as long as mommy isn't there, right?~» Sarah asked, trying to sound as innocent as she could.

«What? Hugh hugh, sorry?» The father replied, almost missing

a breath.

«Don't worry, I am very, very quiet. We are adults, after all~» Emma smiled, biting her lip.

«Please, please, please, daddy, say yes!~» Sarah pushed, hugging Emma tightly.

«She is my favorite teacher!»

«Ok, I guess...» the father concluded, feeling this was a terrible idea.

The 3 had dinner after, both criminals trying to be as much in their characters as they could.

The father ate all of the food cooked by Sarah and Emma, never realizing they had put some drugs in it to make him as excited as the two would be later tonight.

He thanked them for the beautiful meal and headed to the shower before going to sleep, leaving the two women together.

«Haha, this idiot couldn't get his eyes out of your boobs!» Sarah smirked.

«I can't blame him. This slut's body is made for sex» Emma replied, standing up with a smile.

«Talking about that...let's give your daddy a little good time tonight~.»

Emma headed to her parent's bedroom and started to strip down while her father was away, switching her everyday clothes for a simple shirt.

When the father returned to the bedroom, he saw Emma about to go to bed.

«Hey! I had no clothes to wear, so I just picked this shirt...I hope you don't mind?» she smiled, slipping into the bed, looking at the father hesitantly doing the same.

«Your bed is so...comfortable...huuuuum~.»

«Hugh...I...I am glad you like it...» the father managed to say, trying not to get too close to Emma under the bedsheets.

«It is so warm in there...also, I couldn't find any, so...I decided not to wear any underwear tonight. I hope you don't mind~» Emma purred, looking at the father to see his face turns red.

«Don't worry. I am not in my period or something~.»

«Ok...Ok... let's sleep, ok?» the father said, trying hard not to get excited.

During the night, Emma stayed up on purpose, pinching her nipples from time to time to not get asleep, waiting for the father-to-be.

When she was sure he was, she gently removed his nightclothes before rubbing her buttocks on his dick, spooning him closer

and closer.

As a reflex, still midway sleeping and believing it was his wife, the father grabbed Emma in a tight hug.

She took the opportunity to slide him inside, slowly moving her hips, trying to moan as softly as she could not to wake him immediately.

Unfortunately, the pleasure grew too fast for the father, who woke up to see Emma dancing sensually on his rod next to him.

«What are you doing? Oh my god, what have we done?!» the father wondered, realizing what was happening.

«What is wrong? We...aaaaaaah...Are having a good time... between adults...huuuuum~» Emma moaned, loudly this time, pushing the father before mounting him completely.

He didn't resist long and started to let Emma do whatever she wanted, too excited by this bimbo jumping on his dick.

He was so focused on this pleasure that he didn't realize Sarah was sneaking into the bedroom, soon reaching the two.

«Wait, I want to cover your eyes for a bit more fun~» Emma smiled, putting a piece of fabric over the father's eyes before sliding away, letting Sarah replace her on her father's member.

«How does this feels?~»

Hiding In Plain Sight - Part 4

Page 8 - by ARIBETH

«You are...tighter! How is this possible?!» the father wondered, enjoying this change.

«See by yourself~» Emma purred, blocking the father's arms, before Sarah took the fabric away, letting him see who was ridding him.

«What? Sarah! What are you doing? Please stop! And you, what is the meaning of this?!» the father asked angrily, trying to escape Emma's grip while Sarah bounced harder on his member.

«It is alright, daddy! Don't you enjoy it? All those years, you saw me grow up but never could fuck me. Let me become your slut while mommy is away~» Sarah moaned.

«This is already too late, you are inside of me. Might as well finish and have a good time ~.»

«What happened to you...I don't recognize you...» the father stated, looking at his daughter having sex with him.

«Let's say she became...manlier~» Emma laughed, sitting on the father's face.

«Now lick me. It makes me feel good too~.»

Unable to do anything else, the father had no choice but to comply, letting his daughter finish him and the teacher rubbing her pussy on his face.

Moments later, he could not hold himself longer and finished inside of Sarah, who moaned loudly as she lay down slowly on the bed.

«Aaaaaah, daddy, we should do this more often~» Sarah added, hugging her father sweetly.

«What have we done...» The father wondered, holding Sarah on the right and Emma on the left.

«What are you complaining about? You have two whores for yourself while your wife is away. Might as well enjoy it, no?~» Emma asked, her hand caressing the father's torso.

«So, can Emma stay until mommy get back? There are two days left which means...» Sarah purred, letting her hand run on the father's member.

«We have all the time for more fun like this~»
