SO UNEXPECTED.

Being good-looking, charming, and successful wasn't enough for Ethan to get a woman that would align with his preferences. He dated a lot, but getting the dates wasn't the problem. The man had a deep affection and attraction for a beautiful pair of feet, and unfortunately for him, not every woman was too receptive to that. "Not too receptive" was an understatement, because every single one of them ended the relationship as soon as he brought up the subject.

Ethan was disheartened and it made him start doubting himself. Was it that bad, that forbidden, to have such a desire? No, he wouldn't let that get to him, and he would certainly keep trying until he found the right woman. He hoped that the women he would meet in the future would be more open-minded and willing to try new things.

He wanted to worship the perfect woman's feet. He needed it.

The man gave himself a month to think about things. With his history of unsuitable partners and his growing self-doubt, he decided to keep his fetish a secret. However, he still wanted a partner, so he was in the middle of lining up a couple of dates with his dating apps when a friend mentioned that he knew someone. She was a recently single woman; tall, blonde hair, a

slender figure with enough curves. Ethan was intrigued because everything sounded perfect so far.

Ethan and Jen's first date turned out to be a huge success. Since they had a mutual friend there was no apprehension or nervousness that naturally comes with some of the dates arranged through a dating app. No fear of them being serial killers or gold diggers. They started off the evening by having a nice dinner at a fancy restaurant and then moved on to a bar nearby for a couple of drinks. The date was exciting even though it didn't end in sex. A quick kiss put an end to the night.

The man was already resigned to forgetting about bringing up his foot fetish, mostly since this new conquest was a friend of a friend and it could end in drama, which was something he could live without. However, he never dreamed of what would happen soon.

Ethan and Jen texted often throughout the day and they grew closer as the time went by. They went out together but they also visited each other's places. That's when Ethan first noticed that Jen would be barefoot in her apartment literally all the time. Nothing strange by any means, but it was enjoyable for him because he would often glance at her feet when she wasn't paying attention. Her feet were as beautiful as he hoped: a nice arch, well-shaped toes, and expertly painted nails. It was such a good job that he wondered if she did it herself or if she went to a professional.

He found himself excited with those glances. It was like having the forbidden fruit hanging around. So close and yet so far, because he was resolute to not bring up his fetish in conversation because he was having a good time with Jen and he didn't want things to end. It was unfortunate because his heart raced whenever he saw her feet.

To at least send a signal back, he was also barefoot in his apartment whenever she was over. With this small gesture, she felt right at home and took her shoes off whenever she visited him. Perhaps it wouldn't be so bad if he came clean to Jen, right?

Ethan noticed that she talked about her feet often. She would tell him about her pedicure appointments, or how she saw a nice pair of shoes that would look great on her. The beautiful woman would move her feet around into different poses with the imaginary pair of shoes on them. He would nod and smile while burning inside with lust and desire.

Then there was the touching. Jen would innocently use her feet to touch Ethan. Her beautiful, shapely size 9 feet. Was it really that innocent? Just a coincidence? Everything was starting to add up in Ethan's mind, but he was hesitant to make a move. They had sex, sure, but it could be so much more. That was until one night when they were having dinner at her place. She cooked delicious pasta with meatballs.

"Do you like it?" she asked, eyeing the pasta on his plate while raising her eyebrows.

"It's great!"

"I'm glad. I spent a lot of time on my feet to make sure that everything was perfect."

Ethan had to control himself because the thought of his girlfriend being barefoot around the kitchen was enough to get him going.

"I can tell you that the effort paid off," he said. "How can I make up for it?"

"Well, maybe you could give me a massage later."

"A foot massage? You mentioned that your feet hurt."

"Yeah, that would be perfect."

His heart was beating faster and louder, but he didn't want to say anything else. What if he scared her away by admitting that he was hoping that this day would come since they met? His hands touching her perfect feet...

Jen continued talking, which only made Ethan's excitement go through the roof.

"I actually like having my feet touched," Jen said. "I hope that didn't come out as weird."

“Not at all,” Ethan said, concealing his joy.

“They’re sensitive, you know?”, she continued. “And it’s nice to be pampered like that every now and then. If you’re not comfortable with that I could go to...”

“No, I’m fine with that,” he interrupted her.

“More than fine”, he thought to himself. His hands were sweaty and his cock was hard. As delicious as the meal was, he wanted to throw the plates away and drop to his knees to caress his girlfriend’s feet.

Jen was far from dumb, and she could pick up the signs that Ethan threw at her. His demeanour changed even if he tried to hide it, and a subtle smirk when he agreed to give her a massage told her that there was more to it than he let on. She decided to keep pushing, throwing some more bait to see how this would end up.

“They’re not just sensitive. I like having them touched, and the idea of your big, strong hands stroking them, playing with my toes, and rubbing them kind of turns me on.”

He smiled to himself. She was braver than him.

“I’ve been hard for a while since you brought up the massage,” he admitted.

They shared a laugh and a complicit smile. He pushed his plate away and stood up, offering her his hand. She grabbed it and they went to the bedroom together.

The woman sat on the bed and he kneeled to admire her feet. Her soles were a little dirty from going barefoot, but he didn’t mind at all.

“Do you have a towel?” he asked.

“Yeah, there’s a small one in the bathroom.”

He grabbed it and splashed some water on it, but not too much. He went back to the bedroom and carefully rubbed her soles with the small towel, removing the dirt and cleaning her skin. The loving ritual was carried out in silence, and the man’s face was a mix of focus and adoration. He didn’t

know it at the time but Jen was also taking a great leap of faith when she brought up her foot fetish; her previous partners were also turned off by the idea, just like it happened to Ethan and her previous girlfriends.

None of that mattered anymore. They were focused on the present.

Ethan finished cleaning them and threw the now dirty towel on the floor. In his hands, he had the most beautiful pair of feet. His hard cock pulsated in his pants and she giggled at the sight of it.

“What are you waiting for?” she asked. “Smell them. Touch them.”

She didn’t need to say more. He put her feet right against his face and inhaled deeply, filling his nostrils with her scent and his soul with pure happiness. Her feet were everything he had hoped for and more. A sweet scent mixed with a bit of salty sweat. He held one of them with his left hand and used his right hand to slowly caress it, moving it across the arc and down the sole, applying gentle pressure as he went.

She threw her head back and enjoyed the pampering, while he continued massaging and smelling her feet. It was almost intoxicating for him, and his cock was ready to burst. She wiggled her toes in front of his face and he instinctively opened his mouth, licking them and sucking on them. He kept a couple at a time inside his mouth, using his tongue to taste them and cover them in a thin coat of saliva.

He closed his eyes to focus the rest of his senses on the matter at hand. He wanted to reach for his cock; to take it out and jerk off right there, but it was not the time. Worshipping his girlfriend’s feet was more important, and seeing her happy face reassured him that he was doing a good job.

She rubbed her pussy through her clothes, much to his surprise. He realized, right as she came, that he had finally found the perfect partner for him.

Ethan and Jen visited each other often after that, and they became integral parts of each other’s lives. With how things drastically changed seemingly

overnight, it was funny for Ethan to think that he was about to give up on finding a partner that would share his fetish.

Jen felt the same way. She was disillusioned by the dating scene because it was like every guy was the blandest type of vanilla ever. It wasn't like she found guys that didn't share her kinks, they just didn't have any. Boring, non-compatible, horny. That was a good description of how her earlier conquests had been before Ethan came into her life.

He treated her like she deserved and more. He was thoughtful, handsome, and with an impressive cock. It was like her pussy was made for it—a perfect fit. Not only that, but he was somehow even more into feet than she was. She had never been worshipped like this, and she wanted this relationship to last forever.

There was one trick that she hadn't tried before, and since he hadn't mentioned it, she had to bring it up herself. She invited him over like she always did, but she made sure to send him all the signals that she wanted to be fucked. Roughly. She brought him back to her bedroom after hanging out in the living room for a while, watching TV.

“Fuck me,” she said. “But I need to be on my back for a surprise.”

Ethan was a little confused, but he was always in the mood to fuck his beautiful girlfriend. They took off their clothes and he got on the bed and on top of her. However, she didn't have a simple missionary session in mind, and instead raised her legs up in the air while he slowly pushed his cock inside of her.

It felt amazing. Her tight walls constricted his thick cock, and it was only thanks to how wet she was that he was able to put it all the way in. After a couple of thrusts, he realized what the surprise was... she placed her gorgeous feet right on his face. It was like a switch was flipped inside of Ethan. He fucked her like never before, with an incredible amount of power and desire.

Jen felt her insides being punished in the most delicious way. Somehow, her boyfriend's cock got harder and bigger, despite being seemingly at his limit.

Her feet had that effect on him, and she was glad that she decided to treat him to that nice surprise.

He loudly and exaggeratedly inhaled and exhaled the sweet fragrance of her feet. He couldn't get enough of them. His thrusting got faster and harder, and he grabbed her firmly enough to keep her in place that his nails left marks on her skin. The temperature kept rising in that room while Jen succumbed to her first orgasm. Ethan emanated such raw lust that it caught her by surprise because she usually didn't cum that quickly.

The man was in his own world, and he came as well because of Jen's movements and the spasms of her pussy. A deep grunt originated in his throat and rumbled against her feet, almost tickling her. His cock shot out thick strings of white semen right inside her pussy. It was warm and abundant, and it inevitably ended up spilling on the bedsheets.

"Fuck. That was intense," she said.

He flipped her over without saying a word and slipped his cock right back into her pussy, both still dripping with their juices. He was still hard.

"What are..."

Jen interrupted herself with a moan when his hard cock started going in and out of her pussy again. Using her juices and his semen as a lubricant, he fucked her again, now from the back. Even if he didn't have her feet on her face, the motivation and desire were still there. They both came a second time like that.

He dropped on top of her, panting. The fucking was so powerful that her pussy was sore and she was tired, but it was the best sex of her life. She pushed him over and he rolled to her side before sharing a passionate kiss.

"I guess these two have a special effect on you," Jen said while touching his legs with her feet.

“A big one.”

“We’ll have to do this often, then.”

“I think that could be arranged.”

They shared another long kiss while smiling, and took the rest of the day off to recover.

Their sex life was better than ever and they were both happy, but Jen had an idea to make things even better.

“I’ll invite a friend over for a glass of wine or something,” Jen said.

“Oh, all right. When do you have it planned?”

“Tomorrow. What do you think?”

“Yeah, you haven’t seen your friends too much lately.”

“I wonder whose fault that is,” she said with a playful smile.

He walked up to her and kissed her on the lips.

“Guilty as charged. I’ll work late tomorrow but maybe I can still catch her here.”

“Yeah, do your best to get here early. I want you to meet her.”

Ethan nodded and went on his way. Jen smiled to herself. He was so cute when he was unaware of what was going on, and not even her mischievous tone and smile were a hint to him. The day passed and the man thankfully got off work not too late and went to his girlfriend’s house as they said.

He saw a different car outside Jen’s place, and that’s when he remembered that she was supposed to have a friend over. He was so focused on work that day that he forgot all about it. He walked to the front door of her apartment and used his key.

“Hey, I’m here,” he announced as he opened the door.

“We’re in the living room,” Jen said.

He walked into the living room and the sight made him pause for a second. Both Jen and her friend were barefoot and had wide smiles on their faces.

“This is Mandy,” Jen said.

Ethan and Mandy exchanged pleasantries. She wasn't as gorgeous as Jen, but he couldn't help looking at her feet. They were also attractive and it was noticeable that she took good care of them. Blue nail polish, while Jen sported a bright red one.

“Jen told me that you're good with your hands.”

Mandy had a knowing tone, and when Ethan turned his head to look at his girlfriend, he was met with a nod and a smile. A smile that said: “worship our feet”.

Mandy was delighted when the man started touching her feet. He smelled them first, deeply inhaling her scent. His big hands wrapped around her feet and toes, massaging them and bringing them closer to his face to lick them clean. He didn't neglect Jen, making sure to pay attention to both of them equally. Mandy was more ticklish than Jen, and she couldn't keep herself from laughing when he worked her soles with his tongue.

Ethan thought that he was the luckiest man in the world, but it was only going to get better. Jen put her right foot on his chest and pushed him, making him land on his ass.

“Unzip your pants,” she commanded.

His eyes got bigger and he clumsily unbuckled his belt and undid his pants. His big, hard cock was now out in the open. Mandy gasped at the size and girth, eyeing it up and down as his veins popped more and more.

“Get over here,” Jen said.

He moved closer to them. A deep grunt escaped his lips when the two pairs of feet landed on his inner thighs and the sides of his cock. Being given a footjob was already like a dream, but two beautiful girls with perfect feet doing it at the same time?

Jen was prepared. She had a bottle of lotion with her, and she poured some directly on his cock before spreading it even with her feet.

His body shivered at the touch. Mandy didn't want to be left behind, so she also got her feet in there. Ethan had to use his hands to keep himself from falling over. The pleasure was too much, and they were just getting started. The two women moved their feet like experts despite being the first time doing such a thing. He was going insane with pleasure.

There was nothing in the world except that blurry whirlwind of blue and red nail polish.

"I'm going to cum," Ethan said.

"Not yet," Jen retorted.

The women had one foot each on the sides of his cock, moving them up and down. His cock was red and about to burst, but he tried his best to endure it a little longer. Their skin was smooth and silky. Mandy swirled her big toe on the head of his cock, ripping a moan out of his lips. She smiled when she saw the effect of her little trick and kept going. Faster. Harder.

The two women took turns jerking him off with their feet. They firmly positioned their feet on his cock and used their curved toes and soles to stimulate him, going up and down and having breaks in-between so he wouldn't cum too quickly. He was a mumbling mess, barely able to breathe between gasps.

After a few minutes that felt like the most perfect dream, Ethan couldn't take it any longer and he exploded right on her feet. He covered them in his warm cum as his cock spasmed again and again. He came so much that he was able to get it all over their feet and on the floor around them. Their skin was sticky and salty because of how their sweat and his cum mixed.

He focused on the scene in front of him after recovering. It was like out of a painting: Two beautiful women with their feet dripping with his cum looking at him with eyes full of lust. He knew that the night was far from over, and even though he could barely move, he was ready for the next

round. His cock stood hard and ready as well. It was going to be a long night.
