## **EARNING HIS KEEP.**

**I**t was ten in the morning and Samantha walk into her stepson Kyle's room.

“For Gods sake Kyle I told you to tidy up this place!” Samantha said, disappointed in her stepson.

"I'll pick it up later Stepmom, it's Saturday just let me sleep in for a while." Kyle said, covering his under his duvet, still tired.

"Fine, pick it up before I go to bed tonight or you're in big trouble young man!" Samantha said jokingly but also seriously.

Samantha left Kyle's room and headed downstairs to continue cleaning up the house. Samantha was a lonely widowed woman, her husband Ben had died shortly after Kyle's tenth. She hadn't really thought about dating since then Ben passed away, and to be honest she didn't feel right about opening her heart to another just yet. She's been widowed for eight years and hadn't had a relationship with a man let alone any physical type of relationship since.

Samantha was a 41 year old single mother with blonde hair with a few grey ones here and there. She was a tall woman with very long legs and a decent size chest. She had C-cups that sagged a little bit with big light pink nipples.

She thought to herself as she was cleaning up that she was beginning to masturbate more and more often. She's been getting really horny lately and was craving a real cock and not just her dildo and vibrator. She's been looking online for a man to come over and satisfy her needs but had always chickened out when she actually found someone she liked.

Thinking about wanting cock and being horny lately she began to get wet and could feel her panties starting to get moist.

She tried to take her mind off of penises and how she used to get fucked by her dear late husband and started cleaning again.

It was noon and Samantha had been done cleaning for a while, she was resting and letting her tired sore feet take a break. She was watching some TV when she noticed the time.

"Damn, Kyle should be up by now, he must be cleaning his room. I think I'll go check on him in a minute." She thought to herself.

Kyle was a shorter boy, he was eighteen years old and starting to grow into his body and get taller. He was a little chubby still but getting skinnier everyday.

A few minutes passed as her Netflix show ended, she headed upstairs and could hear a faint noise getting louder as she went up the stairs. She recognised it but couldn't put her finger on it. She started to sneak very slowly up the stairs and could hear it getting louder still.

She got close to Kyle's room, and could hear it very clearly now, she knew what that was now. It had been a long time since she's heard it, she slowly and quietly opened up Kyle's bedroom door. She just barely pushed the door open and confirmed her suspicions. It was Kyle with a big pair of headphones on and naked. He was jerking off, furiously and fast. He was on his iPad, and based on the black and orange colour theme of the website she knew it was PornTube. Exactly what he was watching I was unsure I just stood there and watched him jerk his cock. She couldn't get a clear view of

his cock but the way his arms were moving she was assuming it was above average for boy's his age.

She found herself very attracted to watching her stepson giving himself pleasure. She pushed the door open a little more to get a better view but she couldn't see anything she wanted. She noticed the sound coming out of the headphones was blaring. There was no way Kyle could hear anything. Samantha slowly crept closer and closer to Kyle. The closer she got the more she saw and liked. She could clearly see his penis now, it was at least 7 inches, maybe 6 and a half.

It wasn't amazingly long for a grown man, but it was an okay size. She noticed it was thick too, she liked the way it looked too. It looked smooth and had a few big veins in it. It looked so appetising to Samantha, but she knew there was no way she could act on these feelings, it was her stepson for god sake.

She decided it would be best if she backed out before he turned around and saw her enjoying herself watching her stepson jerk his thick cock.

Before she left she wanted to see what kind of porn he was watching. She leaned in closer and saw he was jerking to a woman showing off her feet and rubbing her pussy. He was switching through different online videos and she saw all of them.

One had a girl sucking and licking another girl's feet and toes. Another had a naked mature woman rubbing her husband's cock with her feet. She had seen enough, she started backing out slowly. When she paused and saw the guy on the video start to orgasm and shoot his cum. She only

paused for a second before she noticed Kyle started shooting his own seed all over himself and the floor.

She had to hurry she turned around and bolted quietly out the door. She hurried down the stairs and resumed watching her show.

Samantha had become overwhelmed by the number of thoughts pulsing through her mind over and over again. It seemed like hours but was only minutes before she could hear Kyle start coming downstairs.

He walked into the kitchen and got himself a soda, and walked into the living room and sat next to his mother on the couch. He was wearing a baggy tank top and just a pair of boxers. This wasn't unusual for him. He and his stepmom usually wore less around each other.

"What's up mom?" He said innocently and sweetly.

"Oh nothing, just watching my shows." She said distracted and definitely not making eye contact.

"You seem kind of distracted, or... out there in space.." He said a little worried.

Samantha tried to think of a good answer. She couldn't just tell him what had happened. She decided fuck it, she'll just give him an answer. She had already taken too much time.

"I'm fine, just kind of Netflix and chilling right now." She said with a nervous laugh at the end.

"Oh ok, I'm gonna watch some football and get started on cleaning my room." He said enthusiastically and questioningly.

"Fine, but just make sure it get's clean." Samantha said sternly.

"I will, don't worry." He said.

A few minutes went by and Samantha could not get her mind off of what happened with her stepson. She kept having the same questions.

"Why does he like women's feet so much?" She asked herself, then looked down at her feet.

Her feet were actually very beautiful. She wore a size 10 and only had a few veins popping out here and there. She had just trimmed her toenails yesterday and put on some pink toe nail polish. The more she stared at her feet the more she understood why her stepson was infatuated with feet.

They are just like hands, she thought to herself. They are soft, and have a distinct scent that she could see people liking. She had always liked the way her feet smelled. She had smelled stinky feet before and her feet

smelled completely different, somewhat of a sweeter scent.

She had to admit she didn't mind the way her feet smelled, but she wouldn't go as far as to use them for sex or get excited over them.

She decided to give it a try and see if she likes her feet being treated nice or even worshipped. She thought of a few ideas and decided to go with asking for a foot massage from Kyle.

"Hey Kyle, would you mind giving rubbing step-mothers feet? My feet are killing me from cleaning today and could really use one." She said sweetly

"Um... I don't know..." Kyle said hesitantly.

Samantha knew he wanted to, she was thinking it was because he didn't want to get hard while rubbing his stepmom's feet. She decided to make the deal sweeter for her stepson.

"If you give me a foot rub you can clean your room tomorrow instead of today. I really need a foot massage." She said sweetly, enticing her stepson to rub her beautiful feet.

"...Fine..." Kyle said begrudgingly.

"Thank you, thank you, thank you stepson." Samantha was delighted She had very rarely gotten foot massages from Kyle. When Ben was alive she used to get foot massages all the time. That was one of the things she really loved about him.

Samantha turned herself on the couch and put her big sexy feet up on Kyle's lap.

Kyle could immediately smell his stepmom's foot odour. It wasn't nasty and didn't stink. He had always fantasised about what a woman's foot smelled like up close and was experiencing it.

Kyle could feel his penis start to chub up. He tried to fight it and it was working, temporarily. His penis was starting to get some blood in it as he began to rub his mother's soft and smooth soles.

Samantha's feet weren't on Kyle's crotch, she didn't want to go that far yet. She just wanted to see if she liked her feet worshiped.

Kyle continued rubbing his mother's soles and massaging them deeply, releasing more and more of his mother's scent.

He started to work on her toes and massaged the middle of her toes. Her big feet were so beautiful he thought as he continued to stroke and massage her toes. He noticed how soft and perfect her toes were, he liked the red toe nail polish. Kyle had always liked toe nails with coloured nail polish on them more than just bare nails.

While Kyle was losing himself in thinking about his stepmom's toes he forgot to manage his cock. It was completely stiff now and poking out of his boxes, exposed for his stepmom and the world to see. Kyle still hadn't noticed it. He was too focused on rubbing his mother's beautiful feet and toes. He was glancing up at her face to see if she was enjoying herself, she was watching TV, not paying much attention but every now and again he would see her close her eyes and hear her moan lightly in delight.

The TV show went to a commercial and Samantha looked over at Kyle and clearly saw his cock exposed and hard as a rock. Kyle was looking at her in the eye and smiling. She noticed that Kyle hadn't known his dick was standing straight up for her to see. She looked at him in the eye sweetly and smiled too.

"Thanks for doing this, honey...I really appreciate it. Sorry if my feet stink, do they stink to you?" she said as she lifted her right leg and foot up and held the sole close to his face. It was long enough to cover his whole face!

Kyle was hesitant, he wasn't sure if he should or not.

Samantha rolled her eyes. "I'm not trying to be weird or anything, I just want to know if you think they stink."

Kyle put his nose against her sole and breathed very deeply.

"Oooh, they smell good to me actually." He said, Samantha noticed Kyle's cock swell even more and start to leak precum out of his tip.

"Keep sniffing them if they smell good to you stepson, just massage the other one." Samantha said while putting her right leg up on the top of the sofa, while her left leg moved a little bit more in being careful not to touch his exposed cock, tipping him off and ending her fun. Samantha hadn't noticed it but her panties were getting wet.

She also noticed that her legs were spread wide and she was wearing only a long skirt and no underwear. Her pussy was exposed to her stepson, as if she was returning the favour subconsciously. She was so horny and hot her clit was so swollen and aroused and she didn't care if her stepson was seeing her pussy.

Kyle still had his nose pressed in between his mother's toes when he saw something pink and a little brown when he opened his eyes after inhaling his mother's foot odour for 5 minutes.

He looked over and noticed it was a pussy, he just realised that it was his stepmother's pussy out there and open for him to see. He took another big whiff of his stepmom's toes and started licking in between his mother's big toe and middle toe.

Samantha liked what Kyle was doing with her feet. It turns out she liked having her feet worshipped a lot. She couldn't tell if it was the foot fetish or the fact that it was her stepson licking and viewing her soaking wet pussy. Her twat started leaking even more, dripping down to her ass hole.

She decided, "fuck it", and started rubbing Kyle's exposed cock with her left foot. Kyle didn't really notice, Samantha

could feel his cock swell when she put her toes on his cock but he didn't react. He was too enthralled by his stepmom's pretty toes.

Samantha slipped Kyle's thick veiny cock between her toes and stroked it grabbing it with her toes.

Samantha had enough of playing around, her pussy was wet and there was a cock between her toes. She needed to get a cock in her pussy soon, but she noticed how well her stepson was sucking and licking her toes and soles and decided to make him eat her pussy first.

"Stepson... stepson... Kyle..." She said lightly

"What? You don't like this?" Kyle said confused

"No, I love it. It's just I have needs, and not foot needs. I'm gonna need more than just my feet licked. I'm gonna need my pussy licked... and fucked..." She said trying to sound innocent.

"Ok, if I do that can I give you foot massages more often?" Kyle said excitedly

"Maybe... I'll think about it Kyle." Samantha said leaning back and spreading her legs open wide for Kyle to get in between them.

Kyle laid down on his stomach with his head close to his own mother's pussy and started licking and getting his first taste of pussy, and it was his own mother's. Just the thought alone made Kyle's cock go crazy and leak precum all over the couch. Not only was Kyle enjoying this but Samantha was as well. The more Kyle licked up of her hot pussy juices the more hot juice poured out of her unused pussy slit. In what seemed like seconds but was actually hours Samantha was cumming, she orgasmed and her legs and body

spasmed. Kyle had seen this happen in the porno's online. He wasn't really worried. Samantha had stopped cumming and whipped her shirt and bra off, revealing her saggy tits. Then slid her skirt off.

"Take your clothes off, you're gonna fuck stepmommy." Samantha said

"Ok." Kyle said whipping his shirt and boxers off just as fast as Samantha could slip her skirt off.

"Lay down and let stepmommy take care of you." Samantha said sweetly to Kyle while brushing his face with her hand.

Kyle laid down with his cock still erect and as thick as ever. Samantha got on top and positioned his cock right on her hole and pushed down, he slid in so easily. Her pussy was so lubricated there's no way he couldn't get in her. Even if she hasn't had sex in eight years.

Samantha hopped up and down on her stepson's cock moaning louder and louder.

"Ooooooh, Kyle I love you so much."

"I know you do Stepmom, I love you too, twice as much."

"Oh-oooooh that's so sweet Kyle. Mmmmm."

Samantha started bouncing faster on Kyle's thick cock. Her breasts started to swing back and forth, up and down and all around. Kyle was so turned on by watching his stepmom's big jugs flopping around everywhere as she was riding his stiff cock.

Samantha noticed that her stepson was entranced by her big breasts flopping about. So she leaned forward so he could suck on them.

"Suck on mama's big titties baby." She said still riding him madly.

Kyle took her tit in his mouth and sucked on it like he had so many years before when he was just a baby. He was actually getting some milk out of his stepmom's big saggy breasts. He loved the way it tasted. He was feeling his cock about to orgasm when his stepmom leaned back on his cock and really jumped up and down slamming Kyle's cock as deep as she could in her pussy. She was cumming, and so was Kyle. Kyle shot his hot cum deep in his stepmom's pussy and his stepmom's pussy leaked liquid all over his cock and balls. His stepmom laid down on the other side of the couch.

"Come here Kyle, put your cock in me and lay on me. I want you to suck my tits. "

Kyle obliged and inserted his deflating cock back in his mother and laid on her and suckled some more milk out of her tits.

Samantha had found another way to forge connection with her stepson, one that they both loved. Samantha would 100% be doing this again. She loved the way her stepson took care and worshipped her big sexy feet, especially the look on his face as he did it. They both loved it.
