

THUMP

FOUL DEMONS!!

Hwah?
What-

I have come
to put an end
to this!

Ehh???

Hm?

By my duty as
an angel-

I will free the souls
you've captured-

vile temptress!!

Surrender,
and I may just
make this
quick.

Mm.

Girls, why don't
you give us some
alone time, eh?

giggle

giggle

Ah, an angel.
I was wondering
when I'd finally
catch your
attention~

Foolish whore,
you've brought
this on yourself-

Hrrr!

H-aah!?

What the-?

Impossible!!

I can't
move!!

Tell me, angel.

Was it your
decision to face an
arch-succubus
alone?

Or were
you ordered to?

What business
is it of yours?

Well, because. If you
were ordered-

It's clear your family
doesn't care about you.

Unhand
me-

It's no surprise coming from an order built by a fraud.

But everything will be okay now. You can join our family, and be happy forever!

I know this is important, so if you want to take over-

Not at all, my darling tail. I trust you fully!

O-okay! H-here I- ah- aah-

Why- can't- I- move!? How could you force me into this horrid pose!?

AAI!!
stop!!

AAAH!!

H-how- dare-

AAGH!!
What are you-

By the maker-

I can feel it burning inside me-

Cease this-

HYAAAAH!!!!

Mm, better get comfy, we'll be like this for a while~

Nngh-

What!?
What're-

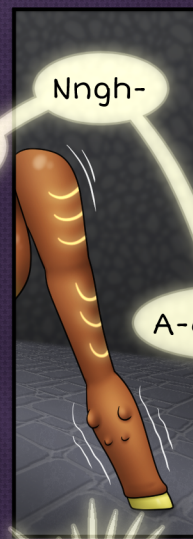

Ah-
Aaaah!!

Stop-
Stop it!!

What are you-

G-get your fat ass off of me!!

No can do, sweetie.

Holy Steed

sigh

Your Maker won't do
shit. He's not a god, just some
pervert from eons ago.

Oh, shut it. You
know I'm right.

gasp
And I'm
back!!

B-b-blasphemy!!

It was getting
stuff in there!

Just kidding,
tails don't need to
breathe, ehehe...

The Maker
isn't- he's not-

Have you ever wondered
why y'all are stacked? Your
tits are bigger than ours!

That's not-

Why do most of you
wear short shorts
or mini-skirts?

Why do you
even have vaginas?

Why are you even capable of
feeling sexual pleasure?

Aah~

giggle

Face it, your 'god'
was nothing but a pervert,
and was too embarrassed
to admit it.

N-no-
AAGGHH-

AAGGH-

No- I-
I need to-

Nngh!!

GGGGHHH-

MMPH-

Aaah-

No, I can't-
I'm gonna-

NNGH-

CAN'T- HOLD IT-
ANY LONGER-

Mmm-
Aaaah! ♥

AHHH!!

phew
That one was quite pent up!

A-aah,
no... no no
no no no..

Aaaahh... ♥

My halo
shattered, I...
I've fallen, I...

This... really
is it...

No one will
save me now...

If that's
what it will
always feel
like...

How long... how
long will it be until
even my mind is
tainted...?

Until... I come
to enjoy this fate...

She's a stubborn
mare, but we'll break
her in time~

Yup! And! Look
at how much room
we have for new
family members!

Ah, quite right,
tail of mine. Quite right...
